(Judgement of the division bench delivered by Shri  
Justice V. Neeladri Rao, Vice-Chairman)

----

These two OAs (OA 330/91 & 343/91) are being considered as similar points are involved. The applicants herein are pattadars of the lands which were acquired either in entirety or in part for the purpose of ordinance factory. The A.P. State Government provided a scheme whereby one member of the family which is displaced because of the acquisition for the purpose of Government or the Corporation has to be provided with a job by the Government or the Corporation. In pursuance of the said ~~clause~~<sup>2nd clause</sup>, the District Collector, Medak requested the respondents to provide jobs for one member from <sup>any</sup> ~~one~~ family <sup>of each of the pattadars</sup> ~~of each of the pattadars~~. Then it was stated by the District Collector that on a rough estimate the lands of 672 pattadars were acquired. Then the concerned Revenue Department verified the records and furnished list of 491 pattadars to the respondents in 1983. It is also stated for the respondents that in 1988 another list of 518 pattadars was sent to them and therein it was also mentioned that still 1398 pattadars are there and the list in regard to them also will be furnished. It is stated for the respondents that the applicants herein are the pattadars and that their names were also found in the 1st list sent by the Revenue Department. But they were not provided with jobs on the ground that they are not found suitable for the posts of peon and unskilled labour respectively.

It is not stated as to what qualifications are to be satisfied in regard to the unskilled labour. Hence it is just and proper to give a direction to the respondents

- 29 -

-- 3 --

to provide the applicant in OA 343/91 an unskilled job when his turn comes.

If the applicant in OA 330/91 is having the requisite educational qualification, he has to be provided with a job of a peon and if he is not having the requisite educational qualification, he has to be provided with a job as an unskilled labour when his turn comes.

Accordingly these two OAs are ordered with no costs.

2. In Survey No.147/2/A of Kyasaram village, Dist. Medak, to the extent of Ac.1.30 belonging to the father of the applicant was acquired for the respondent's Ordnance Factory Project at Eddumailaram. A scheme was formulated for providing one plotter to all the displaced persons because of the acquisition. The name of the applicant was sent in the second list as dependant of the land displaced person. This was filed praying for a direction to the respondent to

consider the case of the applicant for suitability for appointment for any of the posts borne on the respondent's factory as per his qualification and eligibility.

3. It is stated for the applicant that he is qualified only for Group-D post. The case of the respondent is that Group-D posts are being provided only to land displaced persons and their dependents, and as and when the turn of the applicant comes, his case will be considered for Group-D post.

4. In view of the said statement for the respondent, the question of giving any other direction and not to provide jobs to outsiders till the land displaced persons and their dependents are provided with jobs as per the scheme, does not arise. Hence, the only order that is to pass is that the respondent had to provide jobs to the applicant as and when his turn comes.

5. Case is ordered accordingly. No costs.
