ORDER

Oral order (per Hon. Mr. R. Rangarajan, Member (Admn.))

Heard Mr. S . Lakshma Reddy and Mr. V. Rajeswara Rao.

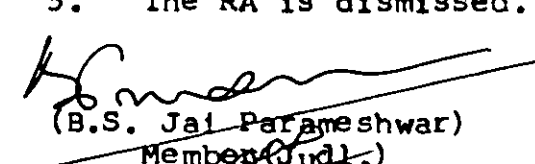

2. This RA is filed by the applicant, in the OA for reviewing the judgement in OA.10/99 dated 3-3-2000. The para-6 of the judgement is very clear. However, the applicant, submit~~s~~ that the order in OA.665/90 has not been implemented and then they were given seniority from 1984 and because showing seniority from 1990 some were placed above them, which is against the direction given in OA.665/90.

3. We have already stated in para-6 that the applicant, ^{not} have~~ing~~ brought out the names of any body promoted in between 1984, 1985 and 1990. If the names have been brought out probably that would have been considered.

Having not done so the applicants want^t to inject the new point which is not in accordance with law. If the direction given in OA.665/90 is not implemented in spirit the applicants have to go elsewhere for remedy. Filing RA is not a remedy. Even if some body else is shown above them the review cannot be taken note of such things without those employees being shown as Private respondents in the OA.

4. In vew of the above points we do not see any reason to review the judgement and we see no ~~error~~ ^{error} apparent in the order passed in the OA. However, the applicants are at liberty to take such appropriate remedy as deemed fit.

5. The RA is dismissed. No costs.
