JUDGEMENT

(Per Hon'ble Shri H. Rajendra Prasad, M(A))

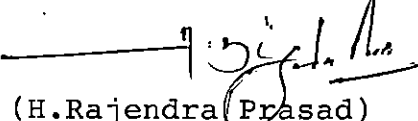

Heard Mr. G.V. Subba Rao for the Applicants and Mr. N.R. Devraj for the Respondents.

2. The Applicants were candidates at a departmental examination for promotion to Intermediate Apprentice (TXR) conducted on 12th December, 1998. Even though the applicants successfully completed the written part of the examination on four earlier occasions too, they had not been selected, apparently on the result of their inadequate performance at the viva-voce test, which forms of a part of such Examinations. On the present occasion, however, none of them managed even to pass the written examination. Arising out of this failure the applicants now raise a number of allegations which have serious vigilance implications.

3. In our view this is a fit case which should receive the attention of SDGM and Chief Vigilance Officer, with a view to clearing-up suspicions which seems to hang around the conduct of the said examination and the manner of selections. We need scarcely add that it is hardly in the interests of department to allow such suspicions to remain uninvestigated. This should be done early and such follow-up action as may be called for - depending on the findings of the enquiry - should be ordered, including, if necessary, the cancellation of the examination and rescinding of the results.

4. The OA is disposed of in terms of the above observation, and with a further direction that the result of recently concluded Intermediate Apprentice TXR Examination shall not be declared prior to the final clearance of SDGM.

5. Thus the OA is disposed of.
