By the order of the Trial ~~Panel~~ *Panel* dated 19.5.92, the respondents were directed to consider the prayer of the applicants for providing them avenues of promotion. Feasibility and of giving promotion to the drivers and modalities were specifically left to be out by the respondents. The respondent stated that instructions have since been issued on 22.2.92 (Annexure.R/1) making drivers eligible for insitu promotion.

2. The learned counsel for the petitioner has submitted that promotion must necessarily involve higher grade, higher status and better chances of promotion. No authority in support of this contention has, however, been cited. He has referred to the meaning of the word 'promotion' in Chambers 20th Century Dictionary. The meaning of the word is "the act of promoting : advancement or in honour: encouragement....." The meaning of the word promote is earlier given "to bring forward: to further : to further the progress of : to raise to a higher grade" Even this dictionary meaning nowhere says that promotion must involve all the three ingredients viz. higher grade, higher status and higher responsibility. In fact, the meanings of the word 'Promote' as given in the dictionary is to raise to a higher grade and not specified in the order of the Tribunal that promotion shall necessarily involve change of grade, status or designation.

3. The learned counsel for the petitioner has also referred to the statement of the Tribunal recorded in the Tribunal's order that a promotion of Drivers to the post of Transport Supervisor in the pay scale of Rs. 1400-2000
