ORDER

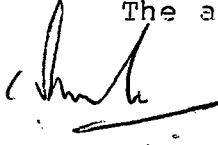

Per Hon'ble Mr. Justice B.S.Raikote, Vice Chairman

This application is filed challenging the validity of Annexure-A1 and Annexure-A2 dated 8/9.11.1994 and 12.12.1994. By the impugned orders options were sought from the ECR officials for assigning the duties of trunk-route

Section on the basis of the rotation. It is submitted that such rotation, stated in Ann.A1 and Ann.A2, started w.e.f. 1.1.1995. It is submitted from both sides that the different trunk routes are assigned on the basis of year-wise and the trunk route in question is for the year 1995. From the reading of both letters, it appears that it is an administrative arrangement for assigning duty for the year 1995. It is not the case of the applicants that their juniors are assigned such duty and the applicants and other similarly placed persons are not. It is further the case of the applicants that they should be assigned less responsible posts of trunk route being juniors. But we find that it is a matter of routine administration of Railway Mail Service to assign certain duties on different sections. Therefore, the impugned proceedings do not call for any interference. At any rate that the arrangement for the year 1995 and we are in the year 2000. Therefore, the cause does not survive and the application has, therefore, become infructuous. For the above reasons, we pass the order as under:

The application is dismissed but without costs.
