This application has been filed by the 5  
applicants seeking certain directions to the respondents.

The facts are :

883

Contd..

The applicant and some other persons were working as casual workers in Group D posts under the Telecom Department. Their engagements were casual. After working for sometime they had been granted temporary status with effect from 1.10.1989 as per the prepared Scheme. But even after such long period their services have not been regularised. On the other hand by an Order dated 26.9.1995 issued by the Divisional Engineer (Planning & Administration), Office of the Telecom District Manager, Guwahati, services of the ten persons had been regularised as Mazdoors. The contention of the applicants is that these persons are much junior to the applicants. Besides, they were given temporary status later than the applicants. Hence the present application.

2. I have heard Mr S. Sarma, learned counsel, appearing on behalf of the applicants and Mr G. Sarma, learned Addl. C.G.S.C. appearing on behalf of the respondents.

3. Mr S. Sarma submits that the applicants have been discriminated as ten persons, junior to them had already been regularised with effect from 1.4.1995 overlooking the claim of the applicants. The representation dated 20.2.1997, Annexure 3, has also not been disposed of.

4. In this case the respondents have not filed written statement. However, Mr G. Sarma has made verbal submissions.

5. On hearing the learned counsel for the parties I feel it will be expedient if the Annexure 3

83

representation dated 20.2.1997 is disposed of as early as possible at any rate within a period of two months from the date of receipt of this order. However, if the applicants are still aggrieved by the order they may approach the appropriate authority.

6. With the above direction the application is disposed of. Considering the facts and circumstances of the case, I make no order as to costs.
