O R D E R (ORAL)

CHOWDHURY J.(V.C.).

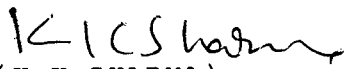

By the order dated 16.8.2000 the Assistant Director, National Sample Survey Organisation (FOD), Assam Region issued a direction to terminate the services of Contract Investigators working under the PLAN Scheme (WCFI & ES) with effect from the dates indicted against the applicants after expiry of the contract period and as per terms of contract made by the Government of India.

2. Mr. O.P. Bhati, learned counsel appearing on behalf of the applicant submitted that though the applicants were appointed on contractual arrangement against PLAN Scheme in the matter of contractual area the respondents also in discharging the public duties and in exercising of power are obliged to act justly, reasonably and fairly - apart from the duties of an ideal employer. Mr. A. Deb roy, learned Sr.C.G.S. on the other hand submitted that the applicants were appointed in terms of the contract for a period of one year or till SSC/Surplus Cell makes persons available for regular appointment therefore on completion of the period of one year they cannot calim for regularisation.

3. Considering the facts and and circumstances of the case we do not find any scope for interference with the order of termination. However, it would always open for the respodents to engage the applicants against any temporary vacancy till the persons join from Staff Selection Commission or Surplus Cell on regular basis so that the respondent

authority can take care of day to day need .

4. Subject to the observations made above the application is disposed of. There shall, however no order as to costs.

Thereafter, the respondent No.2 issued the "Admit Cards" to all the applicants giving the details with regard to the Roll No., Test Date, Time and Venue of the Written Examination to be held on 25.10.98 at Guwahati.

(c) That all the applicants appeared for the Written

Subsequently, by office Memorandums dated 23.12.98 the respondent No.3 communicated the offer of a purely temporary appointment on contract basis stipulating the terms of such appointment to the applicants No.1, 2 and 3 and such offer was communicated to the applicant No.4 by Office Memorandum dated 30.6.99.

Shri P. Das and others

... Applicants

... Respondents

IN THE MATTER OF:

Written Statement submitted by the Respondents No. 1, 2, 3, 4 and 5.

WRITTEN STATEMENT:

The humble respondents beg to submit their written statement as follows:

1. That a copy of the Original Application No. 310/2000 (in short application) has been served in the respondents and after going through the same the contents thereof are understood by them.
2. That the statements made in the said application which are not specifically admitted are hereby denied by the respondents.
3. That the interest of the respondents being common as raised in the application a common written statement has been filed by all the respondents.
4. That before traversing the various paragraphs in the application, the respondents beg to place before the Honourable Tribunal the following few extracts from the terms of contract of Appointment

(A) The applicants were appointed purely on contract basis following due procedures like advertisement in newspapers, conducting written tests, interview etc. for a period of one year or till regular candidates from SSC/Surplus Cell are available, whichever is earlier. The applicants Nos. 1, 2 and 3 were re-appointed on their being signing a fresh contract with this Organisation under the same terms and conditions, which clearly stated that the appointments were for a period of one year or till regular candidates from SSC/Surplus Cell became available, whichever is earlier.

- (B) The terms of contract of appointment right from the advertisement till signing of the contract between the applicants and this Organisation at the time of their joining the services clearly spelt out that the services rendered by the selected candidates on contract basis will not entitle the candidates to any claim or bestow any benefits whatsoever including the claim for any casual, Ad hoc, Temporary or regular service in the Organisation.
- (C) The appointee will be treated as belonging to group 'C' staff in receipt of pay below Rs. 4100/- per month for the purpose of grant of mileage allowance and daily allowance.
- (D) The appointment may be terminated at any time by five working days' notice given by either side viz., the appointee or the appointing authority without assigning any reason. The appointing authority, however, reserves the right of terminating the services of the appointee forthwith or before the expiry of the stipulated period of notice by making payment to him/her of sum equivalent to the salary for the period of notice or the un-expired portion thereof.
- (E) Moreover, it was also clearly stipulated in the terms of contract that the services of the selected candidates will stand automatically terminated at the expiry of the agreed contractual period.

Copies of the said advertisement and office memorandums for offer of appointments, wherein various terms and conditions of the contract of appointment are clearly stipulated, are enclosed herewith as Annexes A, B1, B2, B3 and B4.

5. That with regard to para 1 of the application the respondent beg to state that since the applicants were appointed under the terms and conditions of the contract as stipulated in the above paras, their services had been terminated on the expiry of the respective contractual period.
6. Those with regard to paras 2, 3 4(a), 4(b), 4(c), 4(d) and 4(e) the respondents beg to offer no comments.

7. That with regard to paras 4(f) and 4(g) the respondents beg to state that as in para 5 above the services of the applicants had been terminated on expiry of the contractual period.
8. That with regard to para 4(h) the respondents beg to state that the notice for Recruitment of Investigators in Pay-scale of Rs. 5000-8000 for the NSSO(FOD), New Delhi and its Zonal and regional Offices was notified by SSC in the 8-14 July, 2000 issue of the Employment News on the basis of letter No. A-32016/25/2000- Estt. II dated 13/09/2000 (Copy annexed^{as ANNEX-H}) requisitioned from the National Sample Survey Organisation (Field Operations Division), whereby an aggregate of 161 vacancies in the grade of Investigators were intimated to the Staff Selection Commission . This requisition was to fill up these 161 posts of Investigators on regular basis which the NSSO filled up on contract basis to facilitate smooth running of the field work, pending availability of qualified candidates from the SSC or Surplus Cell to fill the same on regular basis. This has been explicitly stipulated in the offers of appointments issued to the candidates by appointing authority, viz. Dy. Director., NSSO(FOD), Guwahati for their appointment to the post of Investigators on contract basis for a period of one year or till SSC/ Surplus Cell makes persons available for regular appointment. It is also to be submitted that the termination of the services of the applicants is purely on expiry of the contractual period as per terms and conditions of the contract of appointment and it has no relation with the advertisement for the recruitment to the post of Investigators in National Sample Survey Organisation(Field Operations Division)
9. That with regard to para 5(a) the respondents beg to state that although due procedure was followed for such appointment, the applicants agreed and signed the contract of Appointment voluntarily before joining the service. As such it is not unlawful to terminate the services of the applicants at the expiry of the contractual period.

10. That with regard to para 5(b) of the application the respondents beg to state that since the appointments were for a short period, performance appraisal as done for regular employees was not required and the services were terminated at the expiry of the contractual period. Considering the requirement in the Organisation again, applicants 1 to 3 were re-appointed on their being signing a fresh contract and their services were terminated on the expiry of the contractual period as per terms of the contract of Appointment.
11. That with regard to para 5(c) of the application the respondents beg to state that there was not any type of assurance of job security given to any of the Ex-contract Investigators as per the terms and conditions of the contract of Appointments as stated above. It has been made amply clear to the offers of appointment issued to the applicants that the appointment on contract basis would not entail any further appointment under the Government. It is also to state that the eligibility conditions, including the age-limits, have been included in the Notice for Recruitment of Investigators, 2000 as per the provisions of the Recruitment Rules for this posts, notified in the Gazette of India on 19th Feb. 1998.
12. That with regard to para 5(d) the respondents beg to state that in response to the Advertisements published in the Newspaper/Employment News they offered to work on contract basis and now their claim to confirm on service is not tenable. Further, it was made very clear in the offer of appointment that the services rendered by them on contract basis will not, by itself, entitle them to any claim or bestow on them any right, interest or benefit whatsoever, including the claims for any casual, ad hoc or temporary or regular service in Government. Legal arguments will be made at the time of hearing.
13. That with regard to para 5(e) and 5(f) the respondents beg to state that the appointments are subject to the terms and conditions contained in the contract of Appointments signed between the two parties and the respondents have not violated any terms and conditions as laid down in the Contract. As such there is no violation of the Law of Natural Justice and any type of Articles of the Constitution in implementing the contract.

14. That with regard to para 6 of the application, the respondents beg to state that the quoted Rule 23 of CCS (CCA), 1965 is not applicable to the applicants as they were appointed on purely contractual basis for a specific and limited period. As such they are not covered under these rules which are meant for temporary/regular employees.
15. That with regard to para 7 of the application the respondents beg to offer no comments.
16. That with regard to para 8 of the application the respondents beg to state that the applicants are not entitled to any relief or relieves whatsoever as prayed for and the interim order dated 28/09/2000 is liable to be vacated.
17. That with regard to para 9 of the application the respondents beg to state that the date of Examination for the Investigators' Examination, 2000 has been fixed as 12th November, 2000 well in advance, and has been so notified in the Notice published in the Employment News (8-14 July, 2000). Examination has been conducted by the SSC.
18. That in view of the facts and circumstances of the case, the application is liable to be dismissed with cost.
