.....
O R D E R

CHOWDHURY. J. (V.C.)

Both the cases were taken up for hearing together since
both the cases involved same and similar facts comprising same or similar
law.

2. Both the applicants assailed the order No.E-74/BCR/R1g dated 21.6.2000 promoting Shri K. Mahendra Kr Singh and Shri K. Leibak Macha Singh, respondent Nos.4 and 5 respectively in the applications. The aforementioned two respondents alongwith one Md. A.H. Ahmed were promoted under the 10% Biennial Cadre Review (BCR for short) Scheme posts in Grade IV on the basis of functional responsibilities with effect from the date noted against each name in the scale of pay of Rs.2000-3200 (old) and Rs.6500-10,500 (revised scale). Being aggrieved by the order of promotion, the applicant in O.A.No.348/2000, assailing the promotion of the aforementioned two respondents, submitted a representation before the respondent authority questioning his supersession. The applicant in O.A.No.347/2000 also stated in the application that she also preferred a representation before the respondent authority. Failing to get any response the applicants moved this Tribunal by two separate applications questioning the promotion of respondent Nos.4 and 5 as arbitrary and discriminatory. The thematic contents of their grievance is based on their seniority. The applicant in O.A. No.348/2000 specifically pleaded that he was senior to respondent Nos.4 and 5 and he was superseded and accordingly questioned his supersession by the said two respondents. The applicant in O.A.No.347/2000 also similarly pleaded and contended that she was also senior to the aforementioned two respondents.

3. The respondent Nos.1, 2 and 3 filed two separate written statements assailing the contentions of the applicants. According to the respondents as per the norms seniority is determined in order of merit indicated at the initial time of appointment. According to respondent Nos.1, 2 and 3 the respondent Nos.4 and 5 were senior to the applicants as was reflected in the Gradation List. of Telephone Operators as on 1.7.1978 and as on 31.7.1990 for the Manipur Engineering Division. The respondent Nos.4 and 5 were senior to the applicants as per the merit list of initial appointment as Telephone Operator. The respondent Nos.4 and 5 figured at serial No.1 and 2 respectively, whereas the applicant in O.A.No.348/2000 figured at serial No.5 in the Divisional

Gradation List and whereas the applicant in O.A.No.348/2000 figured at serial No.9 of the said Gradation List.

4. Mr B.K. Sharma, the learned Sr. Counsel for the applicant, assisted by Mr S. Sarma, learned Advocate, strenuously contended that the two applicants were senior to respondent Nos.4 and 5. Mr B.K. Sharma, the learned Sr. Counsel, cited the order dated 17.3.1980 issued by the SDO, Phones, by which the respondent Nos.4 and 5 who were officiating as Junior Supervisor were reverted to their present cadre as Telephone Operator with effect from 18.3.1980 as they were found junior as per the Circle Gradation List of 1979. On the other hand, by the aforementioned order the two applicants were given officiating charge to work as Junior Supervisor from 18.3.1980 on purely temporary basis. Referring to the Gradation List of 1992, the learned Sr. Counsel for the applicant stated that both the applicants' names were above the respondent Nos.4 and 5.

5. Mr B.C. Pathak, learned Addl. C.G.S.C., countering the arguments of Mr B.K. Sharma, submitted that the order dated 17.3.1980 as well as the approved Gradation List dated 23.7.1992 were not decisive. Mr Pathak submitted that the order dated 17.3.1980 was based as per the Circle Gradation List of 1979 and that too in giving officiating charge to the present two applicants. Similarly, the order dated 23.7.1992 was only mentioned as Draft Circle Gradation List of Telephone Supervisors and Telephone Operators as on 1.7.1992. Mr Pathak drew our attention to the Gradation List for Telephone Operators as on 1.7.1978 and as on 31.7.1990 wherein the names of respondent Nos.4 and 5 appeared before the applicants.

6. We have given our anxious consideration in the matter. On consideration of the materials on record it is difficult to hold that the applicants were senior to respondent Nos.4 and 5. On the other hand the materials on record clearly indicated that the seniority was to be fixed according to the position in the merit list on the basis of which

recruitment was made. Against the 10% BCR posts for SSA Cadre, the Divisional seniority was to be taken into consideration. In the circumstances it is difficult to uphold the contention of the applicants that the two applicants were senior to the respondent Nos.4 and 5 and that the said two respondents unlawfully superseded the applicants.

7. For the reasons stated above both the applications thus fail. Accordingly the applications are dismissed. The dismissal of the applications, however, would not preclude the respondents from considering the case of the two applicants for promotion to the next higher post as per law.

No order as to costs.

DETAILS OF APPLICATION

1. PARTICULARS OF THE ORDER AGAINST WHICH THE APPLICATION IS MADE :

This application is directed against an order dated 21.6.2000 issued under No. E-74/BCR/R1g/ by which juniors to the Applicant have been promoted under the 10% of BCR scheme posts in Group IV on the basis of functional responsibilities with effect from the dates

noted against their names as reflected in the order itself. The Applicant is aggrieved by her non-promotion to the said post.

2. JURISDICTION OF THE TRIBUNAL :

The Applicant declares that the subject matter of the application is within the jurisdiction of this Hon'ble Tribunal.

3. LIMITATION :

The Applicant further declares that the application is filed within the limitation period prescribed under Section 21 of the Administrative Tribunals Act, 1985.

4. FACTS OF THE CASE :

4.1 That the Applicant is a citizen of India and as such she is entitled to all the rights and protection guaranteed under the Constitution of India.

4.2 That the Applicant was appointed as a Telephone Operator alongwith nine others by an order dated 7.8.71 issued by the Divisional Engineer, Telegraphs, Jorhat Division, Jorhat. He was confirmed in her service and was promoted giving officiating charge to work as Junior Supervisor from 18.3.80.

4.3 That having regard to the stagnation being faced by the employees of the Telecom Department, the Respondents introduced Time Bound Promotion Scale (TBOP) and Biennial Cadre Review (BCR) Scheme providing upgradation on completion of 16 years and 26 years of

service. In the BCR scheme, it was further provided that 10% of the promotional posts would be confined to the BCR promotees.

The Applicant craves leave of this Hon'ble Tribunal to produce the copies of the aforesaid schemes as and when necessary.

4.4 That by an order dated 17.10.87, the Applicant was promoted/upgraded to the next higher scale of pay under the TBOP scheme and she being the senior most one, her name appeared at Sl. No.2 in the said order of promotion.

Copies of the order dated 7.8.71, 17.3.80 and 17.10.87 are annexed as ANNEXURES-1, 2 and 3 respectively.

4.5 That in the gradation list published in the year 1992, the name of the Applicant appeared at Sl. No. 78 and that of the private Respondents at Sl. No. 74 and 77 respectively.

A copy of the said gradation list as circulated by letter dated 23.7.92 is annexed as ANNEXURE-4.

4.6 That the Applicant got her further promotion on completion of 26 years of service in the basic cadre and the same was pursuant to her selection by the DPC as ordered under No. P-157/BCR/120 dated 19.6.97. In the said order also, the name of the Applicant appeared at Sl. No.2.

A copy of the said order dated 19.6.97 is annexed as ANNEXURE-5.

4.7 That the Applicant states that as already stated above under the BCR scheme 10% of the promoted posts for BCR scheme promotees and the Applicant being the second seniormost is entitled to get her such promotion and naturally she was expecting her such promotion. But to her utter surprise, the official Respondents have issued an order of promotion No.E-74/BCR/R1g dated 21.6.2000 by which the private Respondents have been promoted against 10% posts in the BCR with effect from 1.1.98. In the said order, the name of the Applicant does not appear and thus she has been superseded in the matter of promotion.

A copy of the said order dated 21.6.2000 is annexed as ANNEXURE-6.

4.8 That being aggrieved by her supersession in the matter of promotion under 10% BCR scheme, the Applicant submitted representations to the official Respondent, but the same has not evoked any response so far.

4.9 That the Applicant states that there is nothing adverse against the Applicant and there is also no impediment against the promotion of the Applicant under the 10% BCR scheme and her service career is by far better than the private Respondents and she could not have been found unsuitable for such promotion, but for extraneous reasons. Hence this O.A. towards redressal of grievance of the Applicant by way of granting the promotion which has been granted to her juniors with

effect from the same date with all consequential benefits.

5. GROUNDS FOR RELIEF WITH LEGAL PROVISIONS :

5.1 For that the Applicant being senior to the private Respondents and there being no adverse remarks and impediments against the Applicant, she could not have been superseded in the matter of promotion under the 10% BCR scheme.

5.2 For that the impugned order having been issued without taking into account the relevant considerations, same is liable to be set aside and quashed and/or alternatively directions are required to be issued for promotion of the Applicant from the same date as that of her juniors with all consequential benefits.

5.3 For that all along the Applicant having been promoted in all the grades along with her juniors and in all the promotion orders she having been placed above the juniors, there cannot be any earthly reason as to why she should have been ignored for promotion under 10% BCR scheme.

5.4 For that the Applicant having been illegally superseded in the matter of promotion under 10% BCR scheme, she is required to be restored with her such promotion from the same date as that of her juniors applying the test of next below rule and with all consequential benefits of salary, seniority etc.

5.5 For that in any view of the matter, the impugned order is not sustainable and liable to be set aside.

6. DETAILS OF REMEDIES EXHAUSTED :

The Applicant declares that she has no other alternative and efficacious remedy except by way of filing this application.

7. MATTERS NOT PREVIOUSLY FILED OR PENDING BEFORE ANY OTHER COURT :

The Applicant further declares that no other application, writ petition or suit in respect of the subject matter of the instant application is filed before any other Court, Authority or any other Bench of the Hon'ble Tribunal nor any such application, writ petition or suit is pending before any of them.

7. RELIEFS SOUGHT FOR :

Under the facts and circumstances stated above, the Applicant prays that this application be admitted, records be called for and notice be issued to the Respondents to show cause as to why the reliefs sought for in this application should not be granted and upon hearing the parties and on perusal of the records, be pleased to grant the following reliefs :

8.1 To set aside and quash the order dated 21.6.2000 (Annexure-6) and/or alternatively issue direction to promote the Applicant under the 10% BCR scheme in Grade-IV from the same date as that of her

juniors with all consequential benefits of salary, seniority etc.

8.2. Cost of the application.

8.3 Any other relief or reliefs to which the Applicant may be entitled and as may be deemed fit and proper by the Hon'ble Tribunal.

9. INTERIM ORDER PRAYED FOR :

Under the facts and circumstances of the case, the Applicant does not pray for any interim direction at this stage.

10.

The application is filed through Advocate.

11. PARTICULARS OF THE I.P.O. :

- i) I.P.O. No. : 20 501899
- ii) Date : 25/9/2000

Union Of India & Ors. Respondents

(Written statement filed by the Respondents No 1,2,3)

The written statement of the respondents No 1, 2 and 3 as follows :

1. That the copies of the OA.No 347 of 2000 herein after referred to as application have been served on the respondents and the respondents after going through the said application have understood the contents thereof.
2. That the statement made in the application save and except those which are specifically admitted and denied by the respondents.
3. That with regard to the statement made in paragraph 1 of the application the respondents beg to state that the statement of the applicant is not correct. As per Deptt. rules the persons recruited or promoted initially on a temporary basis are confirmed subsequently in an order different from the order of merit indicated at the time of their appointment. Seniority would be determined by the order of merit indicated at the time of initial appointment and not according to the date of confirmation. As per appointment letter No E-42/Rectt/T.O/54 dated 7th August 1971 the applicant's name was figured in Sl.No 9. The names of Shri K.Mahendra Kr Singh and Shri K.Leibakmocha Singh figured in Sl.No 1 and Sl.No 2 respectively. Hence the juniors to the applicant have not been promoted under the 10% of BCR scheme post in Group IV on the basis of functional responsibilities with effect from the dates noted against their names as reflected in the order. There is no question of applicants' grievance for the non - promotion to the said post. *(Annexed here as Annexures R1 and R2).*
4. That with regard to the statement made in paragraph 2 and 3 of the application the respondents have nothing to comment.
5. That with regard to the statement made in paragraph 4.1 of the application the respondents have nothing to comment.
6. That with regard to the statement made in paragraph 4.2 of the application the respondents beg to state that the applicant was appointed as telephone operator on 7.8.71 and her position was figured in the merit list as No 9. Officiating charge was given as per circle gradation list as per the date of confirmation which is different from the order of merit. Seniority would be determined by the order of merit only.

7. That with regard to the statement made in paragraph 4.3 of the application the respondents beg to state that as per the scheme the time bound promotion was implemented.
8. That with regard to the statement made in paragraph 4.4 of the application the respondents beg to state that the benefit of promotion OTBP scheme was given to the TOs who have completed 16 years of service respectively without the basis of seniority list in the cadre of TOs. Seniority would be determined by the order of merit indicated at the time of initial appointment where the applicant's name was figured in Sl.No 9.
(The Scheme annexed here as Annexure R3).
9. That with regard to the statement made in paragraph 4.5 of the application the respondents beg to state that gradation lists published in the year 1992 was on the basis of confirmation in the cadre of TOs of the Circle as a whole and not according to the order of merit. Seniority would be determined by the order of merit indicated at the time of appointment.
(The Circle Gradation List dated 17-12-76 is annexed here as Annexure R4).

10. That with regard to the statement made in paragraph 4.6 of the application the respondents beg to state that the applicant got further promotion on completion of 26 years of service in the basic cadre. Even though the name of the applicant appeared at Sl.No 2, she cannot claim that she is senior most. Seniority would be determined by the order of merit indicated at the time of initial appointment. In the Divisional gradation list (The TO cadre is a Divisional cadre) of the Telephone Operator of Manipur Division as on 30.7.90 the applicant's name appeared at Sl.No10 in the order.

Clarification regarding fixation of Divisional Seniority for Promotion to Grade IV against 10% posts under BCR scheme annexed here as Annexure R5(A).

Gradation list of Telephone Operators as on 1-7-78 and as on 31-7-90 for the Manipur Engineering Division is annexed here as Annexure R5(B) and R5(C).

11. That with regard to the statement made in paragraph 4.7 of the application the respondents beg to state that under the BCR Scheme 10% of the promoted posts for BCR, the applicant was not superseded because Shri K.Mahendra Kumar Singh and Shri K.Leibakmocha Singh were senior to the applicant as per the merit list indicated at the time of initial appointment and in the Divisional gradation list of Telephone Operator as on 31.7.90. In the merit list at the time of initial appointment as Telephone Operator, they figured at Sl.No1 and Sl.No2 whereas applicant figured at Sl.No9 and in the Divisional gradation list, Shri K.Mahendra Kumar Singh and Shri K.Leibakmocha Singh figured at Sl.No2 and 3 and the applicant figured at Sl.No10. Hence the claim of the applicant is not correct and the application is liable to be dismissed with cost.

Divisional Gradation list of Manipur Engineering Division as on 31-7-90 is annexed here as Annexure R5(C).

Procedure for promotion from Grade III to Grade IV is annexed here as Annexure R6.

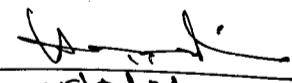

12. That with regard to the statement made in paragraph 4.8 of the application the respondents beg to state that the representation submitted by the applicant for promotion was considered and rejected on the ground that the claim is not correct as per the merit list indicated at the time of initial appointment.

- 17 -
28

13. That with regard to the statement made in paragraph 4.9 of the application the respondents beg to state that in no case her junior was granted promotion. Under the BCR scheme 10% of the promoted post for BCR scheme, the applicant being junior to the private respondents, was not entitled to get the promotion and hence the action taken by the respondents is correct. Hence the application is liable to be dismissed with cost.
14. That with regard to the statement made in paragraph 5.1 to 5.5 of the application the respondents beg to state that the applicant is not entitled for promotion. The applicant is junior to the private respondent as per merit list. The grounds prayed for relief is not maintainable in law as well as in facts and as such the application is liable to be dismissed with cost.
15. That with regard to the statement made in paragraph 6 and 7 of the application the respondents have nothing to comment.
16. That with regard to the statement made in paragraph 8.1 to 8.3 of the application regarding relief sought for the respondents beg to state that the applicant is not at all entitled to any of the relief sought for and as such the application is liable to be dismissed with cost.
17. That with regard to the statement made in paragraph 9,10,11,12 of the application the respondents have nothing to comment.
18. That the respondents beg to state that the applicant is not entitled to any of the reliefs sought for and as such the application is liable to be dismissed with cost.
19. That the respondents submit that in fact there is no merit in this case and as such the application is liable to be dismissed.

VERIFICATION

I, Shri C.Murmu, Vigilance Officer, o/o the Chief General Manager, North Eastern Telecom Circle, Shillong – 793 001 as authorized do hereby solemnly declare that the statements made above in the Petition are true to my knowledge, belief and information and I sign the verification on this ...15th..... day of ~~February~~..... 2001.

DECLARANT

CHAPTER 38

SENIORITY

[Government of India, Department of Personnel and Training, Office Memorandum No. 20011/5/90-Estt (D), dated the 4th November, 1992.]

1. Seniority to be determined by the order of merit indicated at the time of initial appointment.—The seniority of Government servants is determined in accordance with the general principles of seniority contained in M.H.A. O.M. No. 9/11/55-RPS, dated the 22nd December, 1959 (see Section II). One of the basic principles enunciated in the said OM is that seniority follows confirmation and consequently permanent officers in each grade shall rank senior to those who are officiating in that grade.

2. This principle has been coming under judicial scrutiny in a number of cases in the past; the last important judgment being the one delivered by the Supreme Court on 2-5-1990, in the case of Class II Direct Recruits Engineering Officers' Association v. State of Maharashtra. In para. 47 (A) of the said judgment, the Supreme Court has held that once an incumbent is appointed to a post according to rule, his seniority has to be counted from the date of his appointment and not according to the date of his confirmation.

3. The general principle of seniority mentioned above has been examined in the light of the judicial pronouncement referred to above and it has been decided that seniority may be delinked from confirmation as per the directive of the Supreme Court in para. 47 (A) of its judgment, dated 2-5-1990. Accordingly, in modification of the General Principle 3, proviso to General Principle 4 and proviso to General Principle 5 (i) contained in O.M. No. 9/11/55-RPS, dated the 22nd December, 1959 and para 2.3 of OM, dated the 3rd July, 1986, it has been decided that seniority of a person regularly appointed to a post according to rule would be determined by the order of merit indicated at the time of initial appointment and not according to the date of confirmation.

4. These orders shall take effect from the date of issue of this Office Memorandum. Seniority already determined according to the existing principles on the date of issue of these orders will not be reopened even if in some cases seniority has already been challenged or is in dispute and it will continue to be determined on the basis of the principles already existing prior to the date of issue of these orders.

II
Consolidated Orders on Seniority

Government of India, Department of Personnel and Training,
 Office Memorandum No. 22011/7/86-Estt. (D), dated the 3rd July, 1986.

Instructions issued from time to time laying down the principles for determining seniority of persons appointed to services and posts under the Central Government have been consolidated in this Office Memorandum. The original communications consolidated here are reproduced (items I to VID) at the end of this OM.

Seniority of Direct Recruits and Promotees

2.1 The relative seniority of all direct recruits is determined by the order of merit in which they are selected for such appointment on the recommendations of the UPSC or other selecting authority, persons appointed as a result of an earlier selection being senior to those appointed as a result of a subsequent selection.

2.2 Where promotions are made on the basis of selection by a DPC, the seniority of such promotees shall be in the order in which they are recommended for such promotion by the Committee. Where promotions are made on the basis of seniority, subject to the rejection of the unfit, the seniority of persons considered fit for promotion at the same time shall be the same as the relative seniority in the lower grade from which they are promoted. Where, however, a person is considered unfit for promotion and is superseded by a junior such persons shall not, if he is subsequently found suitable and promoted, take seniority in the higher grade over the junior persons who had superseded him.

2.3 Where persons recruited or promoted initially on a temporary basis are confirmed subsequently in an order different from the order of merit indicated at the time of their appointment, seniority would be determined by the order of merit indicated at the time of initial appointment and not according to the date of confirmation.

2.4.1 The relative seniority of direct recruits and of promotees shall be determined according to the rotation of vacancies between direct recruits and promotees which shall be based on the quota of vacancies reserved for direct recruitment and promotion respectively in the Recruitment Rules.

2.4.2 If adequate number of direct recruits do not become available in any particular year, rotation of quotas for the purpose of determining seniority would take place only to the extent of the available direct recruits and the promotees.

2.5.1 Modified vide G.I., Deptt. of Per. & Trg., O.M. No. 2001/5/90-Estt. (D), dated the 4th December, 1992.

In other words, to the extent direct recruits are not available, the promotees will be bunched together at the bottom of the seniority list below the last position up to which it is possible to determine seniority, on the basis of rotation of quotas with reference to the actual number of direct recruits who become available. The unfilled direct recruitment quota vacancies would, however, be carried forward and added to the corresponding direct recruitment vacancies of the next year (and to subsequent years where necessary) for taking action for direct recruitment for the total numbers according to the usual practice. Thereafter in that year while seniority will be determined between direct recruits and promotees, to the extent of the number of vacancies for direct recruits and promotees as determined according to the quota for *that year*, the additional direct recruits selected against the 'carried forward' vacancies of the previous year would be placed *en bloc* below the last promotee (or direct recruit as the case may be), in the seniority list based on the rotation of vacancies for that year. The same principle holds good for determining seniority in the event of carry forward, if any, of direct recruitment or promotion quota vacancies (as the case may be) in the subsequent year.

Sub:- Biennial Cadre Reviews.

Annexure R3

For some time past the Staff unions have been pressing for acceptance of their demand for Second Time Bound promotion on completion of 26 years of service in the basic grade. After careful consideration, it has been decided that this concept is not acceptable.

2. However, with a view to provide relief from stagnation in the grade, Government have accepted the need for a biennial cadre review i.e. (once in two years), under which posts could be upgraded on the basis of functional justification. The following instructions are accordingly issued:-

- (i) Biennial cadre reviews will be applicable for only those cadres in Groups CED for which scheme of 'One Time Bound Promotion' on completion of 16 years of service in the basic grade is already in existence.
- (ii) This Scheme of 'Biennial Cadre Reviews' will be applicable only to those regular employees who were in service as on 1-1-90, and not later entrants.
- (iii) Biennial Cadre Reviews will be conducted in respect of the eligible cadres at the level of circles who control these cadres.
- (iv) At the time of review the number of officials who have completed/would be completing 26 years of service in the basic grades (including time spent in higher scales/OTIF) will be ascertained. The persons will be screened by the duly constituted Review Committee to assess the performance and determine their suitability for advancement.
- (v) In the Biennial Reviews, suitable number of posts will be created upgradation based on functional justification.
- (vi) Creation of posts by upgradation will be in the scales

vii) Pay of the officials after Biennial Cadre Reviews will be fixed under the provisions of FR 22-C, as amended from time to time.

viii) Necessary posts will be created by upgradation under the powers of CGs in consultation with their accredited finance.

ix) The first Biennial Cadre Review for eligible cadre/officials may be conducted immediately covering the period upto 30-6-92 to ascertain the eligible official who have completed/will be completing 26 years of service or more as on the crucial dates, namely, the date of the review, 1-1-91, 1-7-91 and 1-1-92. The number of posts needed to provide for the promotion of the eligible persons will be determined and will be sanctioned/activated in 4 instalments, the first immediately, the second on 1-1-91, the third on 1-7-91 and the fourth on 1-1-92. With these posts, it should be possible to provide for promotion of those employees who have completed 26 years of service or more on the above crucial dates, subject to their otherwise being found fit. The criterion for promotion will be seniority, subject to selection.

Order implementing the first instalment of cadre review should be issued before 30-11-90.

In the second cadre review, which will cover the period from 1-7-92 to 30-6-94, which should be completed before 1-7-92, the required number of posts needed to be released in half-yearly instalments on 1-7-92, 1-1-93, 1-7-93 and 1-1-94 to cater for promotion of those who would have completed 26 years of service on the 4 crucial dates, will be ascertained and sanctions released in appropriate instalments so that the promotions of eligible personnel could be notified on due dates.

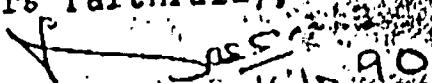

(10-23)

Supervisory allowance now admissible to OTBP cadres
will be abolished in all cadres covered under this scheme
W.G.f. 1-12-90.

xi) Creation of posts by upgradation under the Biennial Cadre Review will be by matching savings to the extend of 1% cut on basic cadre and 5% cut on supervisory cadre. These cuts (under Biennial cadre review) are in addition to the existing cuts of 5% in basic cadres and 15% in supervisory cadres under the OTBP Scheme.

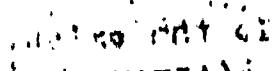

This issues with the concurrence of Finance Advice vide their U.O. No. 13044/90-FA-13 dated 16-10-90.
