DETAILS OF APPLICATION

1. Particulars of order against which application is made.

I, the applicant am aggrieved by the inaction of Resp-1 on my application (A/7) of transfer to my choice place of posting on completion of 7 years of my tenure in N.E. Region i.e. at Shillong and a consequential order A/1 non-acceptance of my joining/reporting for duty by the office of respondent No.2 due to conditional medical fitness certificate (A/2). The certificate A/2 is not a conditional one but includes advice for future for me and office of Resp-2. The office of Resp-2 has denied me duties illegally and unauthorisedly. For joining in continuity without any leave did not require any fitness certificate. If my request A/7 could have been accepted the matter of A/1 could have not arisen. Therefore grievance of A/1 flows from inaction on A/7 of Resp-1.

2. Jurisdiction of the Tribunal.

The SSB Organisation is an organisation working under Cabinet Secretariat and I am a civilian employee in SSB. I am at present posted at Shillong. The Hon'ble Tribunal at Gauhati has its jurisdiction.

3. Limitation

The impugned order is dated 13.1.2000. The O.A. is within its limitation period.

4. Facts of the case.

- 4.01. I, a resident Indian; M.Sc. Mathematics with PGDCA, am a non-Gazetted DFO (CC) in SSB Since 28.12.87 and continued to be posted at Shillong since 31.5.93 (Annex A/4). As per advice of Resp-1 in A/6 in reply to my request A/5 I have completed my more than tenure prescribed. Accordingly, I have applied for transfer to SSB Directorate, New Delhi, the only choice place of posting. There are more than one post of DFO (CC) vaccant at SSB Directorate and all the posted DFO (CC) have completed their tenure at SSB Directorate.
- 4.02. I was detailed for CO/PC training and order to move on 8.1.2000 to T. C. Salonibari (A/10). But on 7.1.2000 suddenly I fell sick and couldnot move. On 10.1.2000, the next working day after 7.1.2000 I reported for duty (A/3) with a copy of medical prescription (A/11) of an AMA and produced medical sickness/fitness certificates (A/2) for geting exemption from the training course to my controlling office Resp-2.
- 4.03. On 13th Jan 2000 I was communicated that my joining at conditional fintness certificate cannot be entertained and accepted (A/13). I made request for reconsideration of the

decesion (A/14) as the fitness certificate is not necessary for joining of duty but of no avail.

4.04. Office has asked some clarification from AMA who has clarified that I was fit on Jan, 10th to resume my duty at Shillong Office and the advice added was for 10 days for recoupment of my health and there was no sickness. He has clerifies that medical fitness issued by an AMA, cannot be rejected without medical reasons (A/15). Therefore, my joining stands accepted. But the office is not allowing me to perform my duties inspite of reporting daily in the office which is against all rules established and amount to criminal proceedings.

4.05. No alternative is left for me, hence I approached the higher Headquarters with intimation to Respondant - 2 by a telegram requesting permission to join at SSB Directorate (A/16). Neither any reply from Resp-1 nor any indication for starting duties is received. Thus I am left hanging in uncertainty. To remove uncertainty I have asked permission from Resp-2 to seek instructions from heigher Headquarters by personally visiting SSB Directorate (A/17). But Resp-2 have denied permission as well as joining and insisted for submission of medical certificate of fitness from a competent authority which I have already submitted. I have requested (A/19) that the fitness certificate submitted is complete in it self with clerification of Doctor (A/15) and it need no other fitness certificate. Our office at Shillong is having two medical officers. Therefore, I have requested the office to direct the medical officers to clear the doubt.

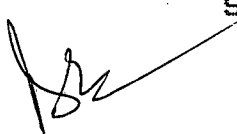

4.06.

Thus since Jan 10th the office has forcibly kept me out of duties inspite of reporting daily in the office and harrassing me by escorting me with Medical Officer(s) and other Officers time and again to the Civil Hospital/District Medical Authorities and Director Health services unauthorisedly. Also I am not allowed to sit in the office and transact the work. Thus, I am mentally tortured to extreme. At times, the room where I sit was locked. Also I am being called explanations to stop me from approaching the Hon'ble Tribunal and harass me more and more up-to mental imbalance. I have requested the office that the certificates submitted by me (A/2) with clerification of an AMA (A/15) gives no scope of any doubt regarding fitness. Inspite of it, I am not allowed to perform my duties. Therefore, as and when the joining is acknowledged I may be communicated at the addressess (A/20) since office of Resp-2 has made it quite impossible for me to enter the office premises. I feel risk in entering the complex and hence left the addresses for correspondence.

5. Grounds for relief with legal provisions

5.01. As per orders contained in A/18 my controlling authority is Resp-2 where I have attended duties of Jan, 7th and reported for duties on Jan, 10th explaing reasons for inability to comply the orders A/10 to move to T.C. Salonibari with Doctor, an AMA, prescription of advice and requested for exemptions from under going course on medical ground.

I have not applied for leave on medical ground since no absence from duty on a working day is recommended/advised by the AMA. The absence from duty is advice on Jan, 8th/9th i.e. Saturday and Sunday only which are not a working days and

weekly holidays/rests. I was not on leave on medical certificate neither I have requested any leave. Therefore, insistence for submission of medical certificates is not a pre-condition for reporting/joining duties in continuity. The advice incorporated is not hurdle to smooth discharge of my duties but surely a hurdle to undergo the said training for which I have requested exemption. The sick Officers/Officials claim re-imbursement for their medical treatment but since they have not been advised/requested leave on any working day, they are not required to produce fitness certificate for joining of duty in continuity. Also one of the Officers who has been sent back from Training Centre on medical ground due to inability to undergo the course or to continue the course was also not asked to produce medical fitness certificate before joining and was taken on duty as usual.

Therefore, the order of Resp-2 contained in A/1 & A/13 asking other fitness certificate in proper form only for rejoining for duty is illegal, discriminatory and violates general principle of performing daily duty in continuity and deserves to be set aside and quashed and period be treated as duty.

Office of the Resp-2 has illegally obstructed me by not allowing to perform lawful duties and allow govt work to suffer without any authority therefore, he deserves to be directed to pay me cost of application as well as maintenance for harrashing and mentally torturing me almost up-to mental imbalance also made a loss to Govt of India by forcibly not allowing me to render my services, as deemed proper.

5.02. I have completed more than my tenure in NE region i.e. Shillong and deserves to be posted to SSB Directorate, the choice place of posting. There are more than one post vacant and also all the posted DFOs(OC) have completed their normal tenure.

Therefore, there is no difficulty in posting me on transfer to SSB Directorate, New Delhi and as per orders contained in A/21 I deserves to be posted to my choice place of posting i.e. SSB Directorate, New Delhi. Therefore, Respondents deserves to post me on transfer to SSB Directorate, New Delhi.

5.03. The Office of Resp-2 is forcibly stoping me to perform my duties since Jan 10th inspite of reporting in the office which is a criminal offence to disrupt the public services. In the absence of any instruction I have requested Resp-1 for permission to join my duties at SSB Directorate A/16 but no reply received. I have sought permission to move SSB Directorate for further direction (A/17) but the request was turned down (A/18) with a threat to face departmental action. I am neither allowed to perform my duties nor to move higher Headquarters to redress my grievances. Resp-2 has also attempted to discourage to get redressal through Hon'ble Tribunal by threatening period to attend Hon'ble Tribunal as unauthorised absence. Resp-2 is obstructing me to attend my duties. I found many times locked the door of place of my sitting arrangement. I was not allowed to sit as no chair is there for me also I was Directed in the office not to touch the office belongings, as if I am turned an untouchable for the office over night. I am being served unnecessary memorandums to explain some trivial matters. I am not being

given signature as token of receipt of my applications/ representation submitted of Resp-2. I am facing an untouchable like situation in the office. Office of Resp-2 is deliberately obstructing me to discharge my public duties hampering public interest and thus amount to criminal act. I am living in Shillong all alone leaving my family members at Delhi the last place of posting. Therefore, in a state of extreme mental torture and loneliness it is very difficult to get proper physical and clinical care in case of any eventuality.

I have also completed my tenure in NE region on continuously being posted in Shillong wef May, 31st, 1993 (A/9) and there are vacant posts available at SSB Directorate, New Delhi.

To avoid permanent loss and injury to me and my family members as an INTRIM the Resp-1 deserves to be directed to accept my reporting at SSB Directorate for further duties and Resp-2 deserves to be directed to arrange me my payments at SSB Directorate till disposal of this application.

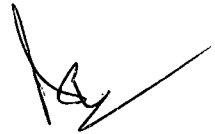

6. Remedies exhausted

I have submitted a number of representations to Resp-2 for performing of duties and also approached the Resp-1 by submitting a telegram regarding not allowing to perform duties in Shillong office requesting for permission to join at SSB Directorate. On completion of my tenure I have applied for transfer in Nov 98 and no reply received so far. Therefore, no remedy left for me except to knock at the door of Hon'ble Tribunal to get justice.

7.

Matter not previously filed or pending with any other court

I did not institute any other proceeding anywhere for similar relief.

8. Relief(s) sought

On the grounds explained above the Hon'ble Tribunal will be pleased to grant the following :-

- 8.01. Respondents be directed to accept my joining/reporting for duties wef Jan, 10th, 2000 in continuity by treating the period as duty.
- 8.02. Respondents be directed to transfer me to SSB Directorate with all transfer benefits.
- 8.03. Respondents be directed to pay damages for intentional harassment, mental torture and diruption of public services as deem proper.
- 8.04. Cost of application.
- 8.05. Any other relief may also be granted.

9. Intrim relief, if any, prayed for

Pending disposal of this original application the Hon'ble Trubunal may be pleased to direct the Respondents :-

- 9.01. I may be permitted to report Resp-1 at SSB Directorate with direction to Resp-1 to accept my joining at SSB Directorate for futher duties.
- 9.02. Resp-2 be directed to arrange payments of my salary etc at my place of duty i.e. SSB Directorate.
- 9.03. Any other relief may also be granted.

MEMORANDUM

Shri Sukesh Kumar, DFO(CC) may refer to his application dated 10.1.2000 submitting therewith Medical prescription of illness and thereafter an application dt. 11.1.2000 enclosing therewith Medical fitness certificate issued by Clinical Research Unit for Homeopathy. On scrutiny of the Medical fitness certificate it is observed that the Doctor has not followed the prescribed procedure while issuing the certificate as the certificate is to be issued in a specific form in which no addition is required, it should be specific whether fit or not fit on the day of issue of the certificate, but the certificate has made some addition which is not in accordance with the prescribed Medical certificate. Hence, his joining on duty on conditional Fitness certificate, could not be entertained and accepted.

Through Proper Channel  
Sub:- explanation

Sir,

Kindly refer to your memo. No. 8810-11 dated 7.8.96 and 9170-71 dated 19.8.96 regarding submission of petition to the Hon'ble Director and Hon'ble Principal Director SSB.

Sir, in this regard my petitions dated 10.03.95, 28.11.95, 6.12.95, 12.12.95 regarding regularisation of transfer and various petitions dated 22.03.96, 17.04.96, 18.04.96, 25.4.96, 9.5.96, 30.5.96, 17.6.96 regarding promotion may kindly be referred to.

In accordance with the order no. 14/SSB/A2/87(45)/691-96 dated 26.6.96 regarding regularisation of transfer from retrospective effect it seems that my earlier petitions were not considered. Therefore I have requested the quick insight in my case to expedite the un-duly delayed, since March 1995, justice.

Only to get the expeditious justice, un-duly delayed I have submitted the applications for hearing in person to the Hon'ble Principal Director to explain my points and un-justice being done to me and seeking for an early justice for lawful joining at SSB Directorate and early convening of D.P.C. delayed since Feb. 1996.

Since petitions are being ignored and the decision, seemingly, being avoided and unduly delayed over my petitions. I am forced to approach the authorities as per the submission of petition rules.

Therefore it is requested to your goodself that it is in order with the submission to petition rules and is not a violation of the conduct rules. I have obeyed all the instructions but due to un-due delay in justice and ignorance of my applications has forced me to submit the applications.

It may also not be out of place to mention that some of the Officers of the rank of A.O. and even higher officers e.g. D.I.G. and J.D./ D.O.s of SSB have also forwarded the advance copies to the higher authorities and irrespective of the instance the advance copies of applications were entertained.

Further, I want to explain my domestic/private problems. That are:-

1. My father aged around 70 years is a patient of asthma since 15-20 years. As the old age advances he is facing trouble in coping up with the sickness. He needs constant physical and clinical care.

Sir, my mother aged around 70 years has received a strong electric shock. She is also very weak and needs full time care.

C.T.C  
21.1.2001  
Sir, My wife is too weak to cope-up these domestic affairs full of the peculiar problems and hence often remains sick due to severe migraine feasts. She also requires constant tension free atmosphere supported with the male family member.  
Assistant Director (O.L.)  
आयकर बाबुल दामोदर

010 the Commissioner of Income Tax  
Shillong  
Sir, myself is also under heavy pressure from the office administration by the orders passed from time to time and not communicating any final decision on my regular requests. The situation has put me in a state of quandry hence I often remain sick. Now also I am not feeling well.

At such a juncture I am ordered to transfer in a span of less than 3 years that seems to be un-justified and needed to be amended/re-considered immediately.

My domestic/private problems and self sickness I could not proceed to Shillong. I have expressed this in my earlier request. Un-justice has pushed me at the verge of starvation for not getting my salary since May '96 due to not considering my requests.

Sir, I now requests your goodself to kindly approach the administrative authorities at SSB Directorate to get the order dated 26.6.96, by consideringa my earlier request referred above, ammended and allow me to join my duties at SSB Directorate to complete my tenure, at the earliest.

And if it is deemed proper to give substitute at Shillong Division, there are many D.F.Os posted at SSB Directorate who have completed their normal tenure at SSB Directorate namely:-

- |                      |            |
|----------------------|------------|
| 1. Sh. D.N.Saini     | since 1991 |
| 2. Sh. Shyam Lal     | Since 1991 |
| 3. Sh. K.Purushotham | Since 1992 |
| 4. Sh. Ram Jattan    | Since 1992 |

and all other D.F.O.'s posted at SSB Directorate barring One or Two, have completed their normal tenure at SSB Directorate.

Therefore, it is requested to your goodself to approach the competent authority to kindly ammend the seemingly discriminatory order and allow me to join my lawful duties at SSB Directorate to complete my normal tenure. This lawfulact of kindness will help me in managing my collapsing domestic/private affairs and to re-affirm confidence and faith in the justice of the administrative authorities.

If possible an early hearing from the competent authority may kindly be arranged at an early date to explain my grievances in person.

This act of kindness will be highly obliged.

Your's faithfully

Sub: Reconsideration of memorandum No. 570 dt 13/1/2K

Sir,

Kindly refer to your memo No. E1/10-D-131/SD/98/570 dated 13.1.2000 regarding my joining and medical fitness certificate. In this regard following is submitted for necessary consideration; and action please :-

1. I have joined my duties as usual as no absence from duty on any working day has been advised. On 7.1.2000 have attended my duties for last half as far the first half. I have gone to Guwahati and similarly I have reported for duties on 10.1.2K after two days weekly rest. I have produced medical prescription as I was under order of movement and I have similarly requested that I could not move on account of advice of Doctor for T.C. Salonibari. Further I have not been advised any absence from duty and hence leave therefore I have reported for duty as on 10.1.2K and continuing till date.

2. I have not produced medical fitness certificate for joining of my duties but to vindicate my inability to move to T.C. Salonibari. I was not on medical leave; so that before joining of duties a fitness certificate is required. I have produced fitness to vindicate the advice of Central Government Doctor an AMA for avoiding long journey and heavy physical work on the basis of which I have requested exemption attending the course. The fitness is not required for joining of duties as continuity as no leave on medical certificate is requested/sanctioned.

3. The fitness certificate is also not a conditional one. the portion added by hand is only an advice for future and at present there is no such condition. your office memo dated 11.1.2000 regarding 2nd thought for medical is a continuity of the same. Therefore, the medical fitness certificate cannot be termed/is not a conditional one.

Now at last it is therefore, requested that since there is no gap in attending duties/office and not leave is requested therefore the medical fitness certificate cannot be a pre-condition for joining of duties.

The prescription slip and the medical certificate with extraremarks/ advice was produced only to request for exemption from the course on medical ground that I am not fit to undergo the course otherwise fit for official duties.

Therefore, it is requested that I may kindly be allowed to sign the attendance register for all the days together and to come as and when I was/am on duty in continuity as I am continuously reporting for duties and attending office. Reply of request of exemption may kindly be conveyed at an early date please.

I will be grateful for this act of kindness.

Yours faithfully,

Dear Sir,

Please take a reference of your discourteous letter No. E.1/10-D/131/SD/98/607-09 dtd. 14.1.2K regarding fitness certificate issued to Sh. Sukesh Kumar DFO(CC). First of all it is not understood how the CCS(CCA) rules are related with this matter. Please make a correction and note it for future that CCS(CCA) Rules are in no way related to Medical fitness certificates.

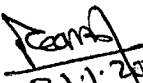

I take this opportunity to make a mention to your communication and feel that the reference made may be from CCS(Leave) Rules and these are in no way related/applicable to the matter as no medical leave is recommended on any working day.

I would also like to take an opportunity to again make a correction once more to the main remarks quoted as Note No. 2 related to fitness since there exists no such note related to fitness certificate. This Note No. as quoted seems to be copied erroneously from the Notes given below the Form 3 and 4 related to Sickness and not with fitness as mentioned *ibid*.

Now as far fitness is concerned to a patient, it is well judged by the ailment followed by progress of recovery and response to medication/treatment. This can in no manner be restricted to Form 5 in any way. But in that event also the certificates furnished is in conformity with Form 5. Moreover a Doctor has first of all to see the health condition of patient and interest of Government of India as well. A Doctor cannot be dictated by any vested interested authority to fulfill their desires contrary to the principles of medical practice/profession. Therefore keeping all these under consideration I have advised in the interest of health condition of Patient in conjunction with interests of Government of India.

The patient Sh. Sukesh Kumar was very much fit to resume his official duties at his Shillong Office on 10.1.2000 and further advice/precaution was added for further recurrence of illness which is an endorsement of my advice mentioned on the prescription slip. I have taken Shillong and the office being on other floors than the Ground floor under consideration and issued the fitness certificate to him. He was fully fit on 10.1.2000 to resume his official duties in Shillong.

There is no condition in it. It is an additional advice for 10 days to the patient as well as to the office for recoupment of his health and to avoid further recurrence of sickness which was absolutely necessary. The advice mentioned is in accordance with the principle of medical practice/profession and can not be challenged in such a way.

You are very much at liberty to challenge it in front of any medical authorities. Further let me know your authority to reject the fitness certificate issued by me, an A.M.A. under CS(MA) Rules 1944, engaged in research work since last 12 Years so that proper constitutional measures could be initiated under relevant medical rules as well for cost of defamation for unauthorisedly rejecting the fitness certificate issued under proper authority.

It is for your kind information that a medical fitness certificate issued by me, an AMA, engaged in research work for past 12 years, can in no way be rejected without any medical reasons. The certificate issued is in order and is in conformity to principle of medical practice/profession and hence need no interference and explanation.

Sincerely yours,

Kindly refer to your office memorandum dated 21.1.2000 regarding fitness certificates. The fitness certificate is from a Competent Medical Authority an A.M.A. and working in Government of India establishment declared A.M.A. for state and Central Government employees and their families.

The certificate is complete in itself and further the A.M.A. has also clarified the matter vide his letter dated 20.1.2000.

Therefore, it needs no other fitness certificates but then also the S.M.O. Div. Hqrs. should have been asked to check me up for fitness when I am reporting daily in the office.

Now, also it is requested that S.M.O. Div. Hqrs. may be directed to give the required fitness certificate.

Now, it is requested that my joining may please be acknowledged.
