CHOWDHURY J.(V.C.).

The applicant at the relevant time was working as Trained Graduate Teacher (for short TGT) science and he was serving at Jawahar Navodaya Vidyalaya at Niangbari, District-Ri-Bhoi, Meghalaya. The Navodaya Vidyalaya Samiti (for short NVS) invited applications for filling up the posts of

Physical Education Teacher, Art Teacher, Music Teacher etc. It also advertised for filling up the post of Post Graduate Teacher in Biology. The applicant applied for the post through proper channel and his application was forwarded. The applicant however, did not receive any call letter. He submitted his representation before the authority. He was assured of issuing call letter, however, he was not called for the said selection test. It appears that finally appointments were made on the basis of that selection. The applicant moved to the Shillong Bench of the Gauhati High Court by way of filing a Writ Petition which was numbered as Civil Rule No. 124(SH)/1998. The High Court passed an interim order directing the respondents not to publish the result of the interview held for filling up the post of Post Graduate Teacher (Bio) against unreserved quota pending final disposal of that petition. The said interim order was vacated by order dated 21.7.1999. The Writ Petition was also transferred by the High Court to the Central Administrative Tribunal for want of jurisdiction.

2. The respondents submitted their written statement denying and disputing the claim of the applicant. The respondents in its written statement stated that an advertisement was made for direct recruitment by way of competition. The Samiti fixed its own norms for calling candidates for interview for direct recruitment at the ratio of 1:12 for each vacant post. There were 10 vacant posts for PGT (Bio). Accordingly 120 candidates appearing in the merit list were called for interview on 14th, 15th, and 16th September, 1998. In the merit list, the applicant stood at serial no. 123 since he had scored less marks than the overall merit among the candidates. The respondents stated

Contd...

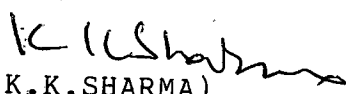

32

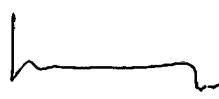

that the applicant was called for interview during 1997 since that particular year there was less response as there was only one vacancy in the region. During 1998 there were 10 vacancies and as such response was high against the advertisement. The application of the applicant was processed. Since there were candidates to earn higher marks than the applicant, those 120 candidates were called for and the applicant was not called for the interview.

3. We have heard the learned counsel for the parties at length. We are basically concerned as to the legitimacy of the process of appointment. Admittedly the respondents initiated the process of open advertisement and due publicity was given. It also received applications including that of the applicant. The respondents fixed the criteria for calling the candidates for interview for direct recruitment at the ratio of 1:12 for each vacant post. Against 10 vacancies they called for 120 candidates as per the merit list for screening the candidates. Mr. M.Chanda, learned counsel for the applicant first submitted that as per the merit list the applicant ought to have called for. We have gone through the records. From it appears that authority screened the candidates on the basis of merits. It fixed evaluation criteria as per the marks obtained in B.A./B.Sc/B.Com/M.A./M.Sc./M.Com in the concerned level and B.Ed/BT/and Lt level. In addition, some weightage were given on higher qualification, teaching experience etc. The evaluation criteria was never under challenge. In the circumstances no fault can be found in screening the candidates on the basis of marks. The selection process on that count cannot be faulted. The application of the applicant was considered and since he did not fit the bill and accordingly he was not called for interview. No infirmity as such is discernible.

Contd..

4. In the circumstances we find no merit in this application and accordingly the same is dismissed. There shall however, be no order as to costs.

..... Respondents

The humble petition of the above-named petitioner
Most Respectfully sheweths :

1. The petitioner is a citizen of India and working
in the Jawahar Navodaya Vidyalaya. He resides at the
address mentioned in the cause title and as such entitled

to all the rights and privileges guaranteed under the Constitution of India.

2. The petitioner is a post-graduate in Zoology and Education. He joined the Navodaya Vidyalaya Samiti in the year 1991 as a trained Graduate Teacher (TGT), science and since then has been working in the Vidyalaya of the Samiti. The Navodaya Vidyalaya Samiti is an educational institution having schools at diverse places in India and is affiliated to the Central Board of Secondary Education. The schools are named as Jawahar Navodaya Vidyalaya (for short JNV) and the same is amenable to the writ jurisdiction of this Court.

3. During the month of May 1998, the Navodaya Vidyalaya Samiti (for short the Samiti) made an advertisement in the Employment News and a local News paper Karmakshetra dated 26.5.98, inviting applications for filling up the post of Post Graduate Teacher (Bio). The number of vacancies were declared as 10 (ten) under general category.

A translated copy of the Extract of the advertisement dt. 26.5.98 is annexed herewith as Annexure-1.

4. The petitioner being eligible having requisite qualification submitted his candidature by way of an application alongwith the requisite examination fees to the Regional Office of the Samiti at Shillong. The said application was made through proper channel and as such the same was duly forwarded by the Principal, JNV, Niangbari, vide letter dated 6.7.1998.

Copies of the application dated 1.7.98 and forwarding letter dated 6.7.98 are annexed herewith as Annexures 2 and 2A respectively.

COMMISSIONER OF AFFIDAVIT

5. Thereafter the petitioner was expecting to receive the call letter in response to his application. But unfortunately no call letter was issued to him although such letters were issued to other departmental candidates. However, on coming to know about issuance of call letters to other candidates, the petitioner went to the Regional Office at Shillong and came to know that the date of oral interview had already been fixed on 14th, 15th and 16th September '98.
6. The petitioner on being so informed about the date of interview enquired of his call letter in the Regional Office. But to utter shock and surprise of the petitioner the Assistant Director of the Samiti informed him that his name was not registered in the list of candidates but could not give any reason for such non-registration.
7. The petitioner thereafter met with respondent No.3 on 7.9.98 and submitted a detailed representation to him praying for issuance of call letter to him so as to enable him to appear in the interview. The said representation was also duly forwarded by the Principal, JNV, Niangbari. It is worth mentioning here that alongwith the said representation the petitioner again submitted copies of his application dated 1.7.98 for ready reference alongwith necessary particulars.

Copies of the aforesaid representation dated 7.9.98 and forwarding letter dated 7.9.98 are annexed herewith as Annexures 3 & 3 A respectively.

Contd....

8. The Deputy Director however, asked the petitioner to go after three days and assured him of issuing call letter on that day. The petitioner on being so assured again went to the Regional Office on 10.9.98 and submitted an application for allowing him to face interview whereupon respondent No.3 verbally informed him that his case was being considered. The respondent No.3 further asked the petitioner to go on 14.9.98 to face interview and the call letter would be issued on that day.

A copy of the aforesaid application dated 10.9.98 is annexed herewith as Annexure-4.

9. Thereafter the petitioner went to the Regional Office on 14.9.98 as per the direction of the respondent No.3 to face the interview. But surprisingly the petitioner was neither issued any call letter nor called for interview although other candidates were being interviewed under such circumstance, the petitioner again met the respondent No.3 at about 3-30 P.M. on 14.9.98 and enquired into the matter. The Respondent No.3 thereupon simply extended his regret and asked the petitioner to get ready for future year vacancies.

10. The petitioner states that in the year 1997 also there was an interview held by the respondents for filling up one post of Post Graduate Teacher. The petitioner also applied for the said post and ^{was called for} ~~faced~~ interview but unfortunately could not come out successful. Likewise this year

Contd....

also the advertisement was made and the petitioner applied with legitimate expectation that he would be called for interview. But he was not even issued the interview letter and as such could not face interview.

11. The petitioner states that he has a right to be called for interview in an open selection procedure. But in the instant case he has been deprived of his valuable right by the cryptic action of the respondents which is contrary to the established Principle of Law and the same is liable to be declared illegal.

12. The petitioner states that the action of the respondents in denying the petition his right to face interview violates the principle of Article 14 and 16 of the Constitution of India and therefore renders the selection procedure arbitrary and bad in law.

13. The petitioner states that the respondents ought to have issued him call letter in as much as he is an eligible candidate having post graduate degrees in Zoology and Education and having 7 years experience in teaching. But the same has not been done in the instant case. The selection procedure is therefore, apart from being irregular and unreasonable, vitiated for non-compliance of the provisions of law.

14. The petitioner submits that the respondents have acted in a manner which is wholly unjust and unfair and the same renders the selection procedure arbitrary and the same is therefore liable to declare void on this score alone.

Contd.....

15. The petitioner submits that the action of the respondents suffers from malafide exercise of power and the same is violative of Article 14 and 16 of the Constitution of India.

16. The petitioner submits that the respondents have given a complete go bye to the provisions of law in the matter of selection of the candidate rendering the entire procedure bad in law.

17. The petitioner submits that the action of the respondents in not issuing of any call letter to him and subsequently not allowing him to face interview without any cogent reasons amounts to hostile discrimination which is violative of Article 16 of the Constitution of India.

18. The petitioner states that he has demanded justice and the same has been denied to him in a cryptic manner, he has therefore no other alternative and efficacious remedy but to approach this Hon'ble Court and file this petition. The remedy sought for in this petition, if granted would be just, adequate and complete.

19. That this petition has been made bonafide and for the ends of justice.

In the premises aforesaid, it is thus prayed that Your Lordships would be pleased to admit this petition, call for the records and issue rule, calling upon the respondents to show

a further direction of like nature should not issue directing and/or commanding the respondents not to publish the select list without till consideration of the case of the petitioner, and in any event if the selection list has already been published, the same shall not be given effect to, and cause or causes being shown and upon hearing the parties be pleased to make the rule absolute;

-and-

Pending hearing of the rule the respondents be further directed not to publish the result of the interview held for filling up the post of Post Graduate Teachers(Bio) against which the petitioner submitted his candidature without considering his case and in any event if the selection list has already been published the same shall not be given effect to.

And for this act of kindness the petitioner as in duty bound shall ever pray.

Copy of the aforesaid Notification is annexed hereto and marked as Annexure - I.

4. That with regard to the statement made in paragraphs 3 and 4 of the O.A. the answering respondents have no comments to offer.

5. That with regard to the statement made in paragraph 5 of the O.A. the answering respondents beg to state that as per the Recruitment Rules framed by the Samiti for filling up the post of PGT (Post Graduate Teachers) the terms are as under :-

(a) For Commerce/Accountancy/ Economics 100% by direct recruitment.

(b) For other subjects 25% by Promotion and 75% by direct recruitment failing which transfer or deputation.

The applicant had applied for the post of PGT (Bio) as per the advertisement made in the Employment News for direct recruitment. In the open direct recruitment there will not be any priority for the departmental candidates for interview irrespective of the fact that, they are

fulfilling the minimum educational qualification prescribed for the post, but they will have to compete with other candidates who applied in terms of the advertisement. In the advertisement it was clearly mentioned that "Samiti" reserve the right to evolve an eligibility criteria to scrutinise the application to minimise the zone of consideration to call candidates for interview. Mere eligibility will not vest any right in any candidate for being called for interview and the Samiti's decision in this regard shall be final. No correspondence will be entertained in this regard. It is not a fact that all the departmental candidates were called for interview irrespective of their merit.

The Samiti's letter No. 1-1/98-NVS(Estt.) dated 5.6.1998 has fixed the criteria for calling candidates for interview for direct recruitment basis at the ratio of 1 : 12 for each vacant post. It was a fact that there were 10 vacancies for the post of PGT (Bio) under direct recruitment quota. Accordingly 120 candidates appearing first in the merit list were called for interview on 14th, 15th and 16th September, 1998. In the short listed merit list, the applicant's name stood at Serial No. 123 and he had scored less marks than the over all merit of the last candidate called for interview at Sl. No. 120. Hence it was undemocratic to call the applicant for interview or to consider his request.

Copies of the aforesaid Recruitment Rules, Advertisement and the Samiti's letter dated 5.6.1998 are annexed hereto and are marked as Annexures - II, III and IV respectively.

6. That the answering respondents deny the correctness of the statement made in paragraph 6 of the O.A. as it is absolutely misconceived. It is denied that the applicant's application was not registered into the Receipt Register, as a matter of fact his application was registered at Sl. No. 23 of the Receipt Register as is done in case of all applications.

A copy of the Receipt Register is annexed hereto and is marked as Annexure - V.

7. That with regard to the statement made in paragraph 7 of the O.A. the answering respondents beg to state that it was a fact that the applicant had submitted a representation to the respondent No. 4 through the Principal, JNV, Niangbari and further the said representation was examined and replied by the Respondent No. 4 vide letter No. 1-52/98-NVS (SHR)/3860 dated 8.9.1998.

A copy of the aforesaid reply to the representation is annexed hereto and is marked as Annexure - VI.

8. That with regard to the statement made in

paragraph 8 of the O.A. the answering respondents beg to state that it is not a fact that the respondent No. 4 has assured the applicant to issue call letters in his favour. The applicant never met the respondent No. 4 with his representation dated 10.9.1998 and the assurance by the respondent No. 3 to walk-in interview on 14.9.98 is baseless. The applicant never contacted the respondent No. 3 and the respondent No. 3 had never assured the applicant for the issuance of any call letter on 14.9.98 enabling him for attending the interview on 14.9.1998. The representation dated 10.9.1998 stated to have been submitted to the respondent No. 3 is baseless as the said representation has not been received by the respondent No. 3.

9. That the answering respondents deny the correctness of the statement made in paragraph 9 of the O.A. as it is absolutely misconceived. As a matter of fact the applicant was never directed by the respondent No. 3 to meet the respondent No. 4 in order to enable the applicant to face the interview on 14.9.1998. The Respondent No. 3 is the Head of the Organisation and his office is at A-39, Kailash Colony, New Delhi and, as such, the question of the applicant meeting the respondent No. 3 at 3:30 P.M. on 14.9.1998 is totally

baseless and trying to mislead this Hon'ble Tribunal for his selfish motive and sympathy.

10. That with regard to the statement made in paragraph 10 of the O.A. the answering respondents beg to state that it is a fact that the applicant was called for interview during the recruitment year 1997, since that particular year there was less response as there was only one vacancy in the region. However, during 1998 there were 10 vacancies and, as such, the response was high against the advertisement and as a matter of fact the applicant could not succeed along with the meritorious candidates and hence he was not called for interview as per the criteria.

11. That with regard to the statement made in paragraphs 11 and 12 of the O.A. the answering respondents beg to mention that it was clearly indicated in the advertisement as explained in Para 2 that the Samiti reserves the right to evolve an eligibility criteria to scrutinise the application to minimise the zone of consideration to call candidates for interview and mere eligibility will not vest any right in any candidate being called for interview and Samiti's decision in this regard shall be final. As a matter of fact the claim of the applicant

for being called for interview is devoid of any merit as it stands clear from the advertisement.

12. That with regard to the statement made in paragraphs 13 to 17 of the O.A. the answering respondents state that due weightage was given to academic qualification and experience of the documentary evidence produced by the applicant. Hence the allegation of the applicant that weightage of his Educational Qualification and experience not being taken into consideration is absolutely baseless.

13. That under the facts and circumstances stated above, it is respectively submitted that the application is devoid of any merit and the same deserves to be dismissed with cost.
