O R D E R

CHOWDHURY J.(V.C)

By an order dated 4.4.2000 the applicant was transferred
from Doomdooma to Sarsawa . The said order is under challenge
as arbitrary and discriminatory. In the application the
applicant alleged mala fide against the respondents. The
respondents submitted its written statement denying the
allegation and stated that the order was passed in the
public interest.

2. Heard Mr. G.N.Das, learned counsel appearing for the applicant as well as Mr. A.Deb Roy, learned Sr.C.G.S.C. for the respondents. Mr. G.N.Das, learned counsel for the applicant however, did not press the allegation of mala fide. Mr. Das further submitted that the applicant being a low paid employee, having a family consisting of school going children, the impugned order of transfer will undoubtedly cause serious hardship and bring dislocation to the family peace. Mr Das also submitted that in the establishment so far no para medical staff were transferred, save and except for promotion. If the applicant is to act in terms of transfer order it will have serious repercussion in the family life, more particularly, in the education of the growing children. Mr Das also submitted that the impugned order itself *prima facie* shows that the order was not a routine transfer order. Without waiting for replacement the applicant was transferred. Mr Das submitted that unknowingly he might have rubbed his shoulder in a wrong place for which this order was passed and the applicant has already by the passage of time become sadder and sober and expressed his regret, if by his act or omission bruised the feelings of others. It is no doubt true that an employee has no right to continue in a particular place. Transfer of an employee is not unknown in the service jurisprudence but nonetheless such orders undoubtedly disrupt and disarrange the household equilibrium.

3. Be that as it may, considering all the aspects of the matter, more so, in view of the fact that the applicant pursuant to the order of transfer dated 4.4.2000 had joined his new place of posting at Sarsawa, I am of the view that

it is a fit case for the respondents to re-consider the order of transfer and pass appropriate order, considering the hardship more so, when the post is still vacant. While passing the order I have also taken note of the fact that the concerned Medical Officer has also expressed his opinion, considering the ground realities and informed the authorities about the situation of Doomdooma which was in the extreme corner of North Eastern Region due to adverse climatic and geographic condition including poor living status in a nearby area and in the upkeeping of the health highlighted the importance of a post of Sanitary Inspector. For the aforesaid reasons I direct the applicant to submit an appropriate representation before the Directorate within two weeks from today ventilating his grievance. If such representation is made, the respondents shall consider the same and pass an appropriate order taking a sympathetic view as well as the public interest. It is expected that the respondents shall complete the aforesaid exercise as early as possible, preferably within one month from the date of receipt of the representation.

With this the application stands disposed of. There shall, however, be no order as to costs.

1. Illegal and arbitrary action of the authorities in transferring the applicant from Aviation Research Centre, Doomdooma to Aviation Research Centre, Sarsawa by way of penalty w.e.f. 31.5.2000 (AN) in terms of the order No.ARC/Genl/284/95 dtd. 04.04.2000 passed by the Director General of Security, Block-V

Contd.../-

(East) R.K.Puram, New Delhi - 110066 (Respondent No.2). Order No.ARC/Genl/284/95 dtd. 10.04.2000 issued by the Respondent No.2 as communicated by the Respondent No. 4 in his office memorandum No. 109/Estt/DDM/99-4357 dtd. 11.04.2000 whereby the competent authority had approved the transfer order of the applicant from Doomdooma to Sarsawa w.e.f. 31.5.2000.

2. JURISDICTION OF THE TRIBUNAL.

The applicant declares that the subject matter of the orders against which they want redressal is within the jurisdiction of the Tribunal.

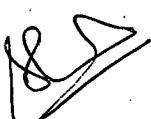

3. LIMITATION.

The applicant further declares that the application is within the limitation prescribed under section 21 of the Administrative Tribunals Act, 1985.

4. FACTS OF THE CASE :

1. That the applicant initially joined service under the respondent authority on 6.5.82 as a Sanitary Inspector at Doomdooma and he is continuing in the same post till date. Though the Applicant has rendered about 28 years' of service, he is holding the same post and there are no promotional avenues. Though there were

Contd.../-

several proposals and the Fourth and Fifth Pay Commission had recommended ~~at least~~ ^{at least} two promotional avenues, nothing has been done and the applicant is holding the same post, as stated above, for the last 28 years.

2. That the applicant belongs to para-medical staff and till date, to the best of the applicant's knowledge, no para-medical staff have been transferred without promotion. In point of fact, the applicants' predecessor has gone on retirement without any transfer after completing about 36 years' of service in the same station. The applicant has now suddenly been transferred to Sarasawa in the same grade and the applicant, because of certain earlier events, is convinced that his transfer has been made not in public interest or due to exigency of service but as a measure of penalty and as such he is approaching this Hon'ble Tribunal for relief due to him.

3. That the applicant begs to state that on 19.8.99, there was no doctor available in the Aviation Research Centre Hospital, Doomdooma and Maj. Dr. S.Choudhury from the Army who was posted to the S.F.C. Unit had come to the Aviation Research Centre Hospital to examine the patients. Maj. (Dr) Choudhury called applicant and wanted to examine the inventories, files etc. and because of some misunderstanding, there was an unpleasant incident for which Maj. (Dr) Choudhury was

Contd.../-

182

Part 152

very agitated and he had taken up the matter with the A.R.C. authorities. The matter was brought to the notice to the authorities in the A.R.C., Doomdooma and the applicant by his letter dtd. 24.8.99, recorded that he was extremely sorry for the incident and prayed apology for the same. Subsequently the applicant received letter No. 109/Estt/DDM/(Disc)/99/12685 dtd. 7.10.99 whereby the applicant was severely warned to keep ~~the~~ ^{well} check his temperament and not to misbehave in future with his superiors.

Copies of the letter dtd. 24.8.99 and 7.10.99 are annexed herewith and marked as ANNEXURES-I & II respectively.

4. That the applicant begs to state that because of the small incident due to misunderstanding, the applicant was severely warned and the matter ought to have been dropped. However, since a doctor from the Army was involved, the A.R.C. authorities at Doomdooma took it as a prestige issue and the applicant was given to understand that it was not the end of the matter and that other actions would be taken against him.

5. That, in such a situation, the applicant received the impugned order No. ARC/Genl/284/95 dtd. 4.4.2000 issued by the Respondent no. 2 transferring the applicant from ARC, Doomdooma to ARC, Sarasawa in

Contd.../-

18/3

the same post w.e.f. 31.5.2000. The aforesaid order was further communicated to the applicant by the respondents No. 4 and 5.

Copies of the aforesaid orders are annexed herewith and marked as ANNEXURES-III, IV & V respectively.

6. That the applicant, on 17.4.2000, submitted a representation to the Respondent No. 3 pointing out the difficulties to be faced by his children in the middle of the academic session. In his representation the applicant also pointed out that not a single para-medical staff was transferred without promotion and that since no substitute was posted in his place, the transfer was not essential.

Copy of the said representation is annexed herewith and marked as ANNEXURE-VI.

7. That the applicant, thereafter, received corrigendum dtd. 26.4.2000 whereby the applicant was directed to report to the Assistant Director (A) ARC, Sarasawa.

Copy of the said corrigendum is annexed herewith and marked as ANNEXURE-VII.

Contd.../-

Ref

8. That the applicant has not received any response to his representation filed by him and since no one has been posted in the Applicant's place, none has come to join. The respondent No. 5 under whom the applicant is working, by his letter No. 1416 dtd. 8.5.2000 addressed to the respondent No.4, has informed that it would be very difficult for him to maintain Sanitary conditions without a substitute, which fact will also show that the transfer was not made in the interest of public service.

Copy of the said letter dtd. 8.5.2000 is

annexed herewith and marked as ANNEXURE-

VIII.

9. That the applicant, on 12.5.2000, has submitted a reminder representation for cancellation of his transfer order but the applicant is convinced that no useful purpose will be served by waiting any longer and as such he is approaching this Hon'ble Tribunal.

Copy of the said reminder-representation

is annexed herewith and marked as ANNEX-

URE-IX.

10. That the applicant begs to state that from what is stated above, it would be apparent that the applicant was transferred because of the incident of

Contd.../-

SD

August, 1999 and not for any public interest and that the transfer was not essential. Moreover, the fact that no substitute has been posted inspite of the difficulties to the faced, as recorded by the Sr. Medical Officer, Respondent No.5, will show that the transfer order has been passed malafide. The respondent authorities, by circular No.ARC/Accts/BE/Genl/99/218 dtd. 5.5.99, had laid down the guidelines on expenditure management and among others, it was laid down that transfers which were not essential should not be made and as such the impugned transfer order was passed in violation of their own guidelines.

Copy of the said guidelines is annexed herewith and marked as ANNEXURE-X.

5. GROUND FOR RELIEF WITH LEGAL PROVISIONS:

I. For that the action of the authority in issuing the impugned transfer order in the middle of the academic session would uproot the family of the applicant causing irreparable harm to him. The transfer order, if carried into operation, would surely ~~disrupt~~ disrespect the education of the applicant's children and would also lead to numerous other complications and problems resulting in acute hardship and demoralisation and as such the impugned transfer order is bad in law and liable to be set aside.

Contd.../-

II. For that the impugned transfer order was issued arbitrarily in colourable exercise of power. The order was issued by way of penalty and therefore punitive and arbitrary and as such the impugned transfer order is bad in law and liable to be set aside.

III. For that the instant transfer order was issued not in the interest of public service but by way of penalty as a sequel to the unfortunate incident of August, 1999 and as such the impugned order is bad in law and liable to be set aside.

IV. For that, in any view of the matter, the action of the authorities in transferring the applicant is bad in law and liable to be set aside.

6. DETAILS OF THE REMEDIES EXHAUSTED.

The applicant had filed a representation which was followed by a reminder-representation but no response has been received by the applicant till date.

7. MATTERS NOT PREVIOUSLY FILED OR PENDING WITH ANY OTHER COURT/TRIBUNAL.

The applicant further declares that he has not previously filed any application, writ petition or suit regarding the matter in respect of which this

Contd.../-

application has been made before any court or any other authority or any other Bench of the Tribunal nor any such application, writ petition or suit is pending before any of them.

8. RELIEF SOUGHT:

It is, therefore, prayed that Your Lordships would be pleased to admit this application, call for the entire records of the case, ask the respondents to show cause as to why the impugned transfer orders should not be set aside and quashed and after perusing the causes shown, if any and hearing the parties, set aside and quash the impugned transfer orders dtd. 4.4.2000 and 10.4.2000 (Annexure-III and IV) and/or pass any other order/orders as Your Lordships may deem fit and proper.

And for this act of kindness, the applicant, as in duty bound, shall ever pray.

9. INTERIM ORDER, IF ANY, PRAYED FOR.

It is further prayed that Your Lordships would also be pleased to stay the

Contd.../-

operation of the said impugned transfer orders pending final disposal of this application by this Hon'ble Tribunal inasmuch as the applicant would suffer irreparable loss and injury if the operation of the impugned transfer orders is not stayed.

10. Does not arise. The application will be personally presented by the advocate of the applicant.

11. Particulars of the postal order in respect of the applicant fee.

I.P.O. No. OG 497244 dtd. 16-5-2000 issued by the Guwahati Post Office at Guwahati is enclosed.

Sub: Request for cancellation of transfer.

Respected sir,

With due respect, I have the honour to request the following few lines for your kind consideration and early action please.

a) Sir, my daughter studying at class XII in Assamese medium college and it is middle of her academic session. I am not in a position to leave her alone at here. Further also there is no hostel facility available at her college. My posting place Sarsawa, there is no Assamese Medium College where she can get admission on my transfer for which she has to lose her one year academic session i.e. class XII.

b) My son who is also B.Sc. final year student, on my transfer it will be disturb to him for his final year study. Also he is suffering from CARDIAC (RHD) problems and under treatment. At present, if I go on transfer, it may effect him as well my family members and will put me in agony.

Contd.../-

c) My family members are born and brought up in Assamese culture and society, due to my transfer from N.E. Zone to North Zone, it will disturb for my family, and it will be a discrimination my part.

d) Moreover, no San/Insp. has been transferred/disturbed by posting to any other station since inspection of ARC establishment and in my case without substitute also transfer has been made which is purely discrimination. Even, I being a low paid para-medical staff in ARC in the past in my service tenure, there is not a single case where without promotion para-Medical staffs are being transferred so far. But mine is a single case where disturbing is a discrimination.

e) Sir, as per Govt. Circular No.ARC/ACCTTS/BE /GENL/99/218 dated 5.5.99 due to financial austerity measures "Transfer which are not essential may not be made. This will reduce the impact on the grant of transfer TA/DA". As without substitute, I am under transfer order, hence cancellation as requested.

f) As per ARC Hqrs. letter No.ARC/COORD/17/87 dated 6.9.88 (Clause B) anybody was is transferred should be given minimum time of 3 months. Sir, since I have not been even received the formal transfer order (except communication of SMO) and my effective date also on 31.5.2000 which is too short notice, the cancel-

lation of my transfer may kindly be considered which will reduce mental agony of self and my family.

g) Further in one occasion my DD(A) Mr.S.C.Kukreja told me about my taste of transfer. Now I get a transfer order which is a bolt from the blue. - Is it a taste of vindictiveness ?

h) At Charbatin-4 posts are in San/Insp grade since 1964, so far 3 have been retired from ARC Base, worked through out their live. No transfer was made to them till their retirement. So there is no precedence over the transfer for a low paid non promotional Sanitary Inspector. However, my case has been considered for transfer which is completely a vindictive.

i) I am not allowed to draw the benefits of SDA as I am NE Region local candidate, If such so why my transfer to other station i.e. Sarsawa. In this respect a case is under-prejudices at Guwahati CAT.

Under the above circumstances your kind honour is requested to cancel my transfer for which I shall be grateful to you.

Thanking you sir,

Yours faithfully,
Sd/-B.P.Saikia,

Sub : Transfer of Sanitary Inspector Sri B.P. Saikia from ARC
Doom Dooma to ARC Sarsawa.

Please refer to ARC Hqrs Neg No ARC/GEN/294/95 dated
10.4.2000 regarding the subject mentioned above.

ARC Doom Dooma is situated at extreme corner of N.E. Region and covers a vast land of area including FRU, MHL. Due to adverse climatic and geographical condition, including poor living status in the near by area, greater responsibilities also involved for supervision, prevention of Communicable disease and frequent liaisoning with Civil Medical authorities, for which the post of Sanitary Inspector is most essential.

More over, the duties of Sanitary Inspector are arduous and manifold and involves wide ranging field duties. To look after hygiene and sanitation in the campus, prevention of Communicable and tropical disease like Malaria, pure drinking water supply, children immunization, Hygiene etc along with other SHO related Medical jobs are assigned by Sanitary Inspector.

To handle the poisonous chemicals like DDT, BHC, Malathion, Pyrethrum, K-othorine etc responsible official are essential and Sanitary Inspector's supervision is a must. Presently FRU MHL station is being provided with the facilities in regular manner.

This station is equipped with high speed spraying machine running by Motor and have to be handle with proper care and supervision to avoid accident to the handling staffs i.e. ANM. At present Monsoon season has approached and spraying activities are also increased at Doom Dooma and MHL station.

Considering all the facts, without substitute of Sanitary Inspector at this station will hamper all SHO jobs. Unlike other station CST/SWA we donot have more number of Sanitary Inspectors.

From only one Sanitary Inspectors who is entrusted with certain Hospital works like Hospital Inventories, maintanance of SHO chemical consumption records/ correspondences, maintain of Hospital surrounding etc. This Hospital provides only basic requirement with less number of staffs. From the limited resources if Sanitary Inspector taken out without any substitute then things will be in haywhere and the normal work will be jeopardised.

Hence authorities is requested that without substitute transfer of present Sanitary Inspector to Sarshwa to be re-consider for better function of Hospital and SHO activities on public interest.

Dated the, 05/05/99.

Sub :- GUIDELINES ON EXPENDITURE MANAGEMENT_FISCAL PRUDENCE AND AUSTERITY.

Reference is invited to this office memorandum No. ARC/Accts/BE/98(3)-1122 dated 28.09.98 vide which a copy of Ministry of Finance (Dept. of Expenditure) OM No.F-19(1)-E-II(A)/98 dated 20.8.98 and a copy of DO No. IFA/BE/30/XX/DG(S) dated 18.9.98 issued by the Addl. Secretary & Financial Adviser, Cab. & Sectt. addressed to the Director, ARC, was forwarded for enforcing austerity in Govt. expenditure.

2. AS(SR) Cab.Sectt. vide para 3 of his circular instruction No. 5/99 dt. 24.03.99 (Copy enclosed) as further emphasised the need to restrict all the expenditure especially the expenditure on non-salary secretariat expenditure i.e. TA office expenses POL etc to the maximum extent possible.

Some of the areas where economy could be effected are mentioned below for guidance and necessary action.

i) ECONOMY IN THE EXPENDITURE OF TA.

Our sanctioned BE 99-2000 under this head is Rs. 127.00 lakh. Our actual expenditure under in 98-99 was Rs. 176.39 lakhs. In other words allocation this year is just 72% last years actual expenditure. In view of austerity measures announced by the Govt. there is no likely hood of Govt. enhancing allocation under TA any further. In view of the above all wings are requested to issue suitable instructions to their subordinate authorities to curtail the expenditure under TA as far as possible. The following tips should help in bringing down the expenditure under TA.

(✓) a) Transfers which are not essential may not be made. This will reduce the impact on the grant of Transfer TA/DA.

b) Tour should be authorised when it is absolutely necessary.

c) Foreign tour may be undertaken in extreme unavoidable circumstances only so that the expenditure under this head is kept at the barest minimum possible. The funds sanctioned under the head foreign travel in BE 99-2000 is Rs. 120 lakhs only. Therefore all the proposals for overseas tour will have to be subjected to careful security to keep the expenditure within the sanctioned allocation.

Contd. p/2.

ii) OFFICE EXPENSES /POL :-

Drastic measures are also required to be imposed on Office Expenses and POL. All out efforts are to be made to bring down the expenditure on Electricity and Telephone bills. All purchases and other expenditure which are not essential may be kept in abeyance.

This has the approval of Director ARC.

O.A. No. 167/2000

Shri B.P. Saikia

....Applicant

-vs-

Union of India & Ors.

IN THE MATTER OF :

Written Statement submitted by
respondent No. 1, 2, 3, 4

WRITTEN STATEMENT

The humble respondents beg to
submit their written statement
as follows :

1. That with regard to the statements made in para 1, the respondents beg to state that Shri B.P. Saikia, Sanitary Inspector, the applicant in this OA was transferred from ARC Doom Dooma to ARC Sarsawa w.e.f. 31.5.2000 vide order No. ARC/Gen/284/95 dated 4.4.2000 and corrigendum of even number dt. 26.4.2000 in public interest and not as a measure of penalty.

A copy of the order is annexed herewith
and marked as Annexure 'A'.

2. That with regard to the statements made in para 2, and 3, the respondents beg to offer no comments.

3. That with regard to the statements made in para 4 (i), the respondents beg to state that the applicant joined as Sanitary Inspector in the Office of Deputy Director (A), ARC, Cabinet Secretariat, Doom Dooma, Assam and is holding the same designation eversince. The applicant was offered the post of Sanitary Inspector vide Memo No. 102/DDM/72.1335 dated 6.4.72 with various conditions relating to his appointment. In terms of Para (iii) of the offer of appointment issued vide the aforesaid memo dated 6.4.72, while in service, he is transferable to any place in India in the interest of public service. Having accepted this condition, the applicant was appointed to the post w.e.f. 6.5.72. The post of Sanitary Inspector belong to ARC(Para Medical) Service and is an isolated post. In isolated post, the promotional avenues are not available when compared with other organised cadres. Government have from time to time introduced various schemes extending the services/ financial benefits to Govt. servants holding such

isolated posts. In situ is one such scheme introduced by Govt. DP&T OM No. 10(1)/E.III/88 dated 13.9.91 under which the eligible personnel were granted financial benefits. The applicant himself has been granted this benefit vide order No. ARC/Gen1/62/93(IV) dated 14.8.98. Government of India, DP&T vide their OM No. 35034/1/97-Estt(D) dated 9.8.99 introduced yet another scheme of Assured Career Progression to Government Servants who have not got any promotions during their career or holding the isolated posts where no promotion avenues are available. Under this scheme, the Govt. Servants who have put in 24 years or more of service without getting any career progression would be granted two financial upgradations (i) on completion of 12 years of service and (ii) on completion of 24 years of service. His case has already been recommended for grant of one financial upgradation, as admissible under the ACP scheme as he has been approved by the screening Committee held for this purpose and orders to this effect are under issue. Therefore it is incorrect on the part of the applicant to state that he is continuing to the post in which he was initially appointed without any financial benefits.

4. That with regard to the statements made in para 4(ii), the respondents beg to state that in

terms of the conditions of his appointment, the applicant has an All India transfer liability. Transfer and promotion are two different aspects of service of a Govt. servant, which need not to be inter related. It is not correct that a predecessor of the applicant, has gone on retirement from the same station after 36 years of service without any transfer. As a matter of fact, there is only one sanctioned post of Sanitary Inspector at ARC Deon Deoma which the applicant has been holding since his appointment w.e.f. 6.5.72 and the organisation itself has come into being only on Sept. 1963. The transfer of the applicant, as is evident from order dated 4.4.2000 is made in public interest and not as a measure of penalty.

5. That with regard to the statements made in para 4.3, the respondents beg to state the applicant himself has admitted that he misbehaved with his superiors for which action has been taken and completed by issuing him a warning. This has no relation with his transfer to ARC Sarsawa which is made in the interests of public service. The only intention of the applicant is to avoid a transfer for which he is otherwise duty bound which is in the interest of public service.

6. That with regard to the statement made in para

4.4, the respondents beg to state that there is no relation between the transfer of the applicant with the misconduct he was involved in with his superiors earlier.

7. That with regard to the statements made in para 4.5 the respondents beg to offer no comments.

8. That with regard to the statements made in para 4.6, the respondents beg to state that the orders relating to the transfer was issued on 4.4.2000, effective from 31.5.2000. In the Government of India normally transfers are ordered keeping in view the academic interest of the children of the Govt. servants and the academic session starts during the June/July every year. From impugned transfer orders It may be seen that the orders are well timed giving the applicants sufficient time in advance to manage the academic interests of his children. The applicant has already sought deferment of his transfer by three months vide his application dated 22.5.2000 on the grounds that he didnot receive transfer TA advance without which he is not able to reserve his tickets for his journey to the new place of posting and secondly for the operation his daughter has to undergo for appendix(Appendicitis) in the month of june. His request for deferment has been granted by

Headquarter and the applicant has been informed vide No. ARC/Gen/1/284/95 dated 29.5.2000. It has also been stipulated that on expiry of the period of deférment he would be relieved from ARC Doom Dooma. It is further submitted that on the one hand the applicant has sought a deférment of his transfer by 3 months, which has since been granted and on the other hand filed the present OA by presenting misleading facts.

Copies of the above two letters are enclosed herewith and marked as Annexure B and C respectively.

9. That with regard to the statements made in para 4.7, the respondents beg to offer no comments.

10. That with regard to the statements made in para 4.8, the respondent beg to state that the ARC has got three main bases where the services of the Sanitary Inspector are extended. Sarsawa is one of them where there was a requirement of posting one Sanitary Inspector. As the incumbent Sanitary Inspector at Sarsawa resigned from the post in December, 99, it was felt administratively proper to post one Sanitary Inspector at Sarsawa at this stage. It was conscious decision of the competent authority to transfer the applicant to Sarsawa. As regards providing substitute, the matter is receiving attention of the competent authority.

11. That with regard to the statements made in para 4.9, the respondents beg to state that vide his representation dt. 17.4.2000, addressed to Director, ARC (Respondent No. 3) advance copy of which was received, requesting for cancellation of transfer was examined. The request was not considered favourably and the applicant was informed through respondent No. 4 vide memo No. ARC/Genl/284/95 dated 22.5.2000 that his request for cancellation of transfer had been rejected by the Director, ARC and the applicant may be informed and relieved accordingly. The applicant has since been informed vide memo No. 6005 dated 27.5.2000.

Copy of the above letter dated 27.5.2000 is annexed here to and marked as Annexure D.

12. That with regard to the statements made in para/10, the respondents beg to state that the circumstances leading to the transfer of the applicant and providing a substituted have already been stated above.

13. That with regard to the statements made in para 5, the respondents beg to state that the impugned transfer orders was issued on 4.4.2000 effective from 31.5.2000. The academic session starts during June/July every year as a policy, the transfer of Govt. servants are effected keeping the academic interests of the children of the Govt. employees. In the case of the applicant also this aspect has been given due consideration as is evident from the timing of issue of

orders of his transfer. Hence the averments in this para does not merit consideration.

14. That with regard to the statements made in para 5.II, the respondents beg to state that the applicant being a Central Govt. employees with contractual transfer liability was transferred in interest of public service only.

15. That with regard to statements made in para 5.III, the respondents beg to state that the transfer of the applicant is made in public interests. Transfer as a measure of administrative requirement is not bad in law and hence the impugned order is not liable to be set aside.

16. That with regard to the statements made in para 5.IV, the respondents beg to reiterate the statements made above.

17. That with regard to the statements made in para 6, the respondents beg to state that the representations submitted by the applicant were duly examined by the competent authority and reply furnished to him vide endorsement No. 6005 dated 27.5.2000 through Civil Assistant Surgeon, Grade-I ARC Hospital Doon Dooma. The applicant has submitted an application to the respondent No. 3 seeking deferment of the transfer by three months for treatment of his daughter who was to undergo a surgical operation for appendicitis which was scheduled for the month

of June 2000 and also for not receiving transfer TA advance. This request was considered favourably and the extension sought was granted to him upto August 2000. The applicant was duly informed granting of deferment of transfer upto August 2000 as received vide Message No. ARC/Gen/284/95 dated 29.5.2000 dated which has endorsed through CAS I, ARC Hospital, Doom Dooma, It may, thus be seen that the applicant himself has accepted the genuiness of the transfer orders and was prepared to go to the new place of posting. It is not, therefore, understood as to why this application has been filed before the Hon'ble CAT ~~xxxxxx~~.

18. That with regard to statements made in para 7, the respondents beg to ~~offer~~ no comments.

19. That the respondents beg to state that the present application is devoid of merit and it is liable to be dismissed with cost as the transfer order was issued in the interest of public service.

20. That the respondents beg to state that the impugned order transferring the applicant from ARC Doom Dooma to ARC Sarsawa effective from 31.5.2000 which now stands deferred upto 31.8.2000 was issued in public interest after due consideration of various factors like administrative requirement, the duration of stay of the applicant in the same and present station, academic session, the liability of the applicant for

for transfer anywhere in India etc. Therefore, it is respectfully submitted that the request for stay of the impugned order may not be granted and the application dismissed with costs, in view of the facts submitted in the preceding paras.

21. That with regard to the statements made in para 10, 11, and 12 the respondent beg to offer no comments.

Sub : REQUEST FOR DEFERMENT OF TRANSFER FOR
OF 3 MONTHS UPTO AUG, 2000.

Respected Sir,

Kindly refer to your office Msg. No.ARC/Genl/220/99 dated 10.5.2000, copy forwarded to me vide DD(A) office letter No. DD/1 dated 20.5.2000, for information.

Sir, I fervently requested your honour by submitt-
ing an application dated 17.4.2000 address to you through proper
channel which was sent to ARC Hqrs by DD(A) Doom Dooma via
letter No. 1028 dated 26.4.2000, requesting for cancellation
of my transfer to Sarsawa on genuine ground.

In this respect, S.M.O. (ARC Hospital) from Dooma
filed his letter No. 1028 dated 12.5.2000 and conse-
quently on 19.5.2000 address to DD(A) Doom Dooma
canceling my transfer from Dooma Dooma to Sarsawa with a subs-
stitute which was deliberately rejected by DD(A) Doom Dooma and
have taken a vindictive attitude that I should be relieved on
compliance of ARC Hqrs instruction.

Due to an incident occurred in the month of Aug.99
with Maj. Chaudhary a SFF Doctor who is not my immediate officer
is a close friend of DD(A) Doom Dooma which has taken a turn in
my transfer. Because he asked me to show all the files and docu-
ments pertaining to Hospital where secrecy is maintained and
wants to devulge the things to him, which I objected.

Sir, I applied T.A. advance for my transfer but
have not received the same from the office of DACS till date for
which I am unable to reserve my journey ticket. More over, it is
too late to get a finalized reservation with a short time parti-
cularly in the summer season.
