BARUAH J. (V.C.).

This application has been filed for correction of date of birth of the applicant. He passed his matriculation examination in the year 1961. As per the matriculation certificate his age was shown 18 years 1 month on the first of March, 1961. Calculating the said date his date of birth ought to have been 1.2.1943. However by mistake it was shown 1.2.1942. During the month of July, 1991 when the

XB

authority demanded the original matriculation certificate for verification and on production the authority calculated his date of birth 1.2.1943, meaning thereby he would attain the age of 58 years on 1.2.2001. At that time the mistake was detected. Immediately thereafter the applicant submitted his application for correction of his date of birth. According to the applicant Annexure-II itself indicates that he would be in service upto 1.2.2001, otherwise Identity Card would not be valid upto 1.2.2001. The application submitted by the applicant was rejected by Annexure-V order dated 19.9.1997 on the ground that the prayer for alteration of date of birth was made at the belated stage. Thereafter the applicant submitted Annexure-VI representation dated 31.12.1997 and the same was also rejected by Annexure VIII order dated 4.12.1998. Hence the present application.

2. In due course the respondents have entered appearance and filed written statement. In the written statement the stand is reiterated by saying that as per rule the application for alteration of date of birth ought to have been filed within a period of five years.

3. We have heard Mr. G.K.Bhattacharyya, learned counsel appearing on behalf of the applicant and Mr. B.C. Pathak, learned Addl. C.G.S.C. Mr. G.K.Bhattacharyya submits that here the main point is it was the case of clerical error. He further submits that it is well established principle of law that the time begins to run from the day of detection of mistake and the rules and procedures are hand maid of justice. These are made for the ends of justice. He further submits that the mistake was detected when the Identity Card was issued showing that he would continue till 1.2.2001, meaning

Contd...

thereby he would attain the age of 58 years on 1.2.2001, that itself will go to show his date of birth 1.2.1943 had been accepted by the department.

4. On hearing the counsel for the parties we find no reason to reject the prayer of the applicant. Annexure-IV shows that the applicant came to know about the mistake from the gradation list. It is not known when the said gradation list was published. Be that, at it may, the fact is that the matriculation certificate has not been disputed by the respondents. In paragraph 6 of the written statement the respondents have stated as under:

" It is mentioned here that the Service Book of an employee is the only vital and authentic document for all purposes till he retires from service and Identity card helps an employee both official and private life even in complex circumstances."

5. We feel that justice should not be defeated on technical ground as the matriculation certificate is not disputed. Annexure-II also shows that the authority accepted the date of birth as 1.2.1943 otherwise the Identity card would not have been made valid upto 1.2.2001. It ought to have been 1.2.2000 only.

6. Considering the entire facts and circumstances of the case we accept the date of birth of the applicant as shown in the matriculation certificate and in all probability in such type cases matriculation certificate should be taken as authenticated document.

7. In view of the above, we hold the date of birth of the applicant is 1.2.1943 and not 1.2.1942. Accordingly the application is allowed.

Considering the facts and circumstances of the case, we make no order as to costs.

SUB :- CORRECTION OF DATE OF BIRTH

Respected Sir,

I would like to apprise your honour that my date of birth in the Service Book as per my Matriculation Certificate was wrongly entered and for which, when I did not receive any redress from office inspite of several requests through representations, I had no other way left, but to take shelter in the Honourable CENTRAL ADMINISTRATIVE TRIBUNAL, Guwahati bench. The Honourable CAT has passed a judgement order to enter my correct date of birth in the Service Book as per my Matriculation Certificate.

The concerned branch who deals the matter has not taken any action to this effect since Jan 2000 as per the judgement of CAT, Guwahati Bench.

In view of the above, I would like to discuss and desire to show my all relevant documents to your honour in person for favour of your perusal and order.

Therefore, your honour is earnestly requested to allow me to discuss the matter in person at your convenient date and time. For which act of your kindness, I shall remain grateful to your honour Sir.

Thanking you Sir,

Yours faithfully,

SUB :- CORRECTION OF DATE OF BIRTH AND CONSEQUENT CORRECTION
ON THE DATE OF SUPERANNUATION.

Ref :- List of employees due for retirement between July 2001
and December 2003 circulated vide HQ DGAR's letter
No.I.11023/1/98-Est/299 dated 12 July 2001.

Sir,

I have the honour to submit most respectfully the
following for your very kind and sympathetic consideration.

1. Under the HQ DGAR's letter dated 12th July 2001,
quoted above, a copy of which is enclosed, my date of retire-
ment has been shown at serial No.15 to be 1st February 2002(FW).
In this connection, I would like to mention the following :-

(a) My date of birth was erroneously recorded to be
1st February 1942, in the Service Book. But according
to the Matriculation Certificate, my date of birth
is 1st February 1943.

(b) Having failed to persuade the authorities of
HQ DGAR to correct my date of birth in the Service
Record as per Matriculation Certificate. I was
compelled to move the Hon'ble Central Administrative
Tribunal, Guwahati Bench, through an application,
being numbered 174 of 1998, for correction of my date
of birth as per Matriculation Certificate, which is
1st February 1943.

(c) At the time when the Application was filed
before the Hon'ble Central Administrative Tribunal,
Guwahati Bench, the age of Superannuation was 58 years,
but this was subsequently raised to 60 years,
following the recommendation of the fifth Central Pay
Commission.

(d) The said Hon'ble Central Administrative Tribunal
Bench at Guwahati disposed of the application
observing, inter alia, in Para 5 of the order (Oral)
dated 11-1-2000 that --- "justice should not be
defeated on technical ground as the matriculation

Contd.....2/-

certificate is not disputed." - - - - "the authority accepted the date of birth as 01-2-1943, otherwise the identity card would not have been made valid upto 01-2-2001 - - - -". Again in Para 7 of the said Order (Oral) dated 11-1-2000, the said Hon'ble CAT observed - - - - "We hold the date of birth of the Applicant is 01-2-1943, and not 01-2-1942 - - - -".

(e) Having waited for a long time, I submitted a representation on 8th November 2000 to the august authority of the DGAR enclosing a copy of the Order (Oral) dated 11-1-2000 of the Hon'ble CAT, Guwahati Bench, Praying for correction of the date of my birth as per the order of the Hon'ble CAT on the basis of the age recorded in the Matriculation Certificate.

(f) That the HQ DGAR, instead of correcting the date of my birth as per the order dated 11-1-2000 of the Hon'ble CAT, preferred a Writ Petition, being numbered as W.P.(C) 7274/2000, before the Hon'ble Guwahati High Court, Principal Bench, Guwahati. A division Bench of the said High Court by an order dated 3-1-2001 dismissed the petition "in limine" observing, inter alia, "No interference with finding of fact based upon Matriculation Certificate - - - -". A copy of the Hon'ble High Court order is enclosed. However, in the 1st Paragraph of the order, the Hon'ble High Court has observed that "according to the corrected date of birth, he would retire on 1st February 2001." This is obviously based on the calculation of 55 years age of superannuation which was subsequently enhanced to 60 years.

2. This order of the Hon'ble Guwahati High Court confirms my date of birth to be 01-2-1943 according to the Matriculation Certificate as held by the Hon'ble CAT, but the date of retirement is still being shown to be 1st February 2002, that is calculating the age of retirement to be 60 taking the date of birth to be 01-2-1942, the date of birth is to be 01-2-1943, and the date of superannuation is 01-2-2003.

In the premises of the above, I pray to your honour kindly to implement the order of the Hon'ble CAT, confirmed by the Hon'ble Guwahati High Court, and correct the date of retirement as 01-2-2003 on attaining the age of superannuation which is now 60, taking my date of birth as on 01-2-1943, and not 01-2-1942.

Thanking you sir.

Yours faithfully,
