O R D E RCHOWDHURY.J. (V.C.)

The equity and legitimacy of the selection from amongst the State Police Service officers to the Indian Police Service (IPS for short) in respect of Manipur segment of the Joint Cadre of the States of Manipur and Tripura is the core issue raised in both the applications. In view of the commonality of the issues the two applications were taken up for consideration together.

2. The facts in brief relevant for the purpose of adjudication of the proceeding are given herein below:

The committee set up in accordance with Regulation 3 of the IPS (Appointment by Promotion) Regulations, 1955 (hereinafter referred to as the Regulations) met for preparing a list of members of the State Police Service found suitable for promotion to the IPS on 20.12.2000 against two vacancies. According to the applicant in O.A.No.63/2001 he possessed the highest merit amongst the persons selected, but the respondents in a most unjust manner overlooked his case and selected respondent Nos.8 and 9 who were of lesser merit. Above all, the respondent Nos.8 and 9 were placed under suspension in connection with criminal cases. The applicant contended that serious charges of misappropriation of public money by abuse of power was brought against the respondent No.8 on the basis of FIR No.368 (7)/1993 of Imphal Police Station and a case under Section 120(B)/409/466/468/471 IPC read with Section 13(20) M/W Section 13(C) of the Prevention of Corruption Act, 1988 is pending before the Special Judge, Manipur East. Similarly, the respondent No.9, selected as No.2, was placed.....

placed under suspension on 16.2.1998, though subsequently the suspension order was revoked without prejudice to the departmental proceeding pending against him. A regular case namely FIR case No.322 (8) 98-IPS, under Section 121/121-A/400/212 IPC, 13 UA(P) Act and 25(1-B) Arms Act was registered at Imphal Police Station against the said respondent and chargesheet was published in the Court of the Chief Judicial Magistrate, Imphal against the said person. Despite the above facts, the Selection Committee selected the aforesaid two persons overlooking relevant considerations. The applicants thus assailed the process of selection of respondent Nos.8 and 9 and further sought for a direction from this Tribunal for a review selection and to consider the case of the applicants lawfully.

3. The respondents contested the claim of the applicant and written statement has been filed on behalf of respondent Nos.2 and 5 in both the cases. Written statement has also been filed on behalf of the Union of India apart from the private respondents. The respondent No.8 in his written statement while contesting the claim of the applicant stated that the allegations made against him are reckless. It was also mentioned that the concerned Government had already taken a decision to drop the prosecution against the respondent No.8. The respondent No.9, similarly, in his written statement referred to the judgment and order passed by the Chief Judicial Magistrate in the criminal case discharging the accused persons including the applicant vide order dated 21.4.2001.

4. Mr B.K. Sharma, learned Sr. Counsel for the applicant in O.A.No.63/2001 submitted that the decision making process of the Selection Committee was vitiated

since.....

since all relevant materials were not placed before the Selection Committee as to the integrity and other matters of the respondent Nos.8 and 9. The learned Sr. Counsel referring to the Regulations, more particularly as to the provisions regarding preparation of the list of suitable officers mentioned at Regulation 5 submitted that the Selection Committee under the law is required to consider the question of suitability of the officers for selection with reference to their integrity and should specifically record in their proceedings that they were satisfied from the remarks in the confidential reports of the officers selected by them for inclusion in the Select List that there was nothing against their integrity. Admittedly, the Selection Committee on the date of selection since not made aware of the proceedings mentioned, relevant materials were kept away from the Selection Committee and thereby affected the decision making process, contended Mr B.K. Sharma. The learned Sr. Counsel also submitted that particularly in the case of O.A.No.63/2001, the officer had a brilliant track record. Mr B.K. Sharma further contended that there was down gradation in the ACR of the applicant without adequate notice and therefore, the applicant in O.A.No.63/2001 did not receive fair consideration before the Selection Committee and thereby the applicant was denied the protection guaranteed under Articles 14 and 16 of the Constitution.

5. Countering the arguments of Mr B.K. Sharma, Mr A. Deb Roy, learned Sr. C.G.S.C., contended that under the constitutional and statutory scheme the eligible officers are only entitled for consideration of their case and there is no fundamental right for being appointed. The Selection Committee duly assessed the service records and

thereafter.....

thereafter on assessment of individual merit the high-powered committee selected the persons in accordance with law. Mr Deb Roy submitted that the State Government intimated the fact of sanctioning of prosecution in respect of respondent No.8. However, the fact of chargesheet filed in the Court of Law was not brought to the notice of the Commission before the meeting of the Selection Committee. In respect of respondent No.9 it was mentioned that some vigilance/criminal cases were pending against him and chargesheet was filed against him in the Court of Law. There is no embargo for inclusion of officers in the Select List whose integrity certificate is withheld by the State Government or against whom departmental/criminal proceedings are pending. Their inclusion in the Select List remain provisional subject to furnishing of the integrity certificate by the State Government. The officers are eligible to be appointed to the IPS if they are exonerated from the disciplinary/criminal proceeding etc and integrity certificate is issued by the State Government during the period the Select List remain operative in terms of Regulation 7(4). Mr Deb Roy submitted that the Selection Committee which met on 20.12.2000 also included the respondent No.9 in the Select List at serial No.2 provisionally subject to grant of integrity certificate and clearance of disciplinary/criminal proceeding pending against him. Mr Deb Roy submitted that the Selection Committee on the basis of materials on record could not treat the disciplinary/criminal proceeding pending against respondent No.8 as the said fact was not brought to the notice of the Selection Committee and therefore, he was included unconditionally. Till the filing of the written statement.....

18

statement the Select List was not approved. If before the approval of the Select List the State Government would have brought into the notice of the authority the Select List could have been modified and the name of respondent No.8 might have been made provisional in the Select List at the time of approval of the Commission in terms of the provisions of Regulation 7.

6. In this proceeding we are basically concerned with the process of selection. From the facts alluded, the State Government intimated that the prosecution sanction was accorded in respect of respondent No.8, but the Commission was not made aware that chargesheet was filed in the Court of Law against the said respondent before the meeting of the Selection Committee. The integrity certificate of respondent No.8 was issued by the State Government, whereas the integrity certificate in respect of respondent No.9 was withheld. The Selection Committee could not be faulted in considering the cases of respondent Nos.8 and 9 in the situation. As per the Government of India decision vide G.I., M.H.A. letter No.28/38/64-AIS (III) dated 5.1.1965, the Selection Committee is required to consider the question of suitability of the officers for selection with reference to their integrity and is required to consider record the satisfaction from the remarks of the confidential report of the officers selected. They are to act only on the basis of the materials furnished. On the materials available it is difficult to upset the assessment of the merits of the persons selected. No malafide or arbitrariness is discernible. There is no allegation of malafide against the Selection Committee. On consideration of the materials on record we are of the opinion that the Selection Committee fairly considered the case of the eligible.....

eligible officers on the basis of the service records. The Regulation is a complete code by itself, which has provided due safeguard.

7. In the set of circumstances we do not find any merit in these applications. Accordingly both the applications are dismissed. There shall, however, be no order as to costs.

The Applicant was the only candidate to have 5 "Outstanding" in his ACR's for the last five years which were taken into consideration by the selection committee against this the other candidates including the candidates namely the Respondents No. 8 and 9 whose names have been included in the select list of 2000-2001 did not have any consistent grading in their ACR's for the last five years, not to speak of having five "Outstanding" like that of the Applicant.

A comparative chart of ACR's grading of the said 6 officers is annexed as Annexure-2.

4/7 That as per the minutes of the selection committee held on 20.12.2000 the Respondents No. 8 and 9 have been selected for promotion to IPS forming the select list of 2000-2001. Unfortunately, although the Applicant was the most meritorious with an outstanding and unblemished service records, has been left out from being included in the select list due to improper consideration of his case vis-a-vis the Respondents No. 8 and 9. It will be most pertinent to mention here that the State of Manipur did not forward the full service particulars and details of their service to the selection committee, but for which the things would have been different and the name of the Applicant would have been invariably included and the names of the private Respondents would have been excluded. Apart from such serious lapses even the full ACR's of the

29

candidates were not sent as will be reflected from comparative statement at Annexure-2. In spite of such position, selection was carried out on the basis of incomplete ACR's. Be it stated here that the selection committee took into consideration the ACR's for the last five years viz 1994-95, 95-96; 96-97; 97-98 and 98-99. The State Manipur did not intimate anything regarding the pendency of disciplinary and criminal proceedings of very serious nature involving the very integrity of the Respondents No. 8 and 9 and only a half truth was conveyed to the selection committee in respect of Respondent No. 9 L.K. Haokip.

4.8 That the Respondent No. 8 who has been nominated as selectee No. 1 was placed under suspension by an order dated 21.7.93 in connection with FIR NO. 368 (7)/93 of Imphal Police Station registered under section 120(B)/409/466/468/471 IPC and section 13(20) M/W Section 13(C) of the Prevention of Corruption Act, 1988 which is now pending in the Court of the Special Judge Manipur East being registered as Special Trial No. 1/2000. The case has been registered alleging misappropriation of Rs. 35,698,92,601/- which was sanctioned for purchase of uniform items for Jawans of Manipur Rifles. The incident has come to light as 'Uniform Scan'.

Copies of the suspension order, revocation order and the charge sheet are annexed as Annexure-3, 4 and 5 respectively.

11/11/93

4.9 That similarly the Respondent No. 9 who has been nominated as selectee No. 2 was placed under suspension by an order dated 16.2.98 although the same was subsequently revoked without prejudice to the departmental proceeding pending against him. A regular FIR case No. 322 (B) 98-IPS, U/S 121/121-A/400/212 IPC, 13 UA(P) Act and 25(1-B) Arms Act was registered at Imphal P.S. against him and a chargesheet No. 32/IPS/99 dated 12.5.99 has already been submitted in the Court of the Chief Judicial Magistrate, Imphal against him. The charge relates to harbouring in his house the members of KNF(P) one of the active Extremist organisations operating in Manipur. 6 persons were arrested from his house and arms and ammunition were recovered as reflected in the charge sheet which has been registered as Cril(P) 10/99 in the Court of CJM, Imphal. Further a departmental proceeding is also pending against him initiated vide memorandum being No.4/59/76-MPS/DP(Pt) dated 22.4.99 for committing acts of misconduct, misobservation and financial impropriety, mismanagement of Home Guard involving a sum of Rs. 23,17,700/- sanctioned by the Home Department vide order No. 315(64)/97-H dated 9.2.98. The proceeding is now pending before the Commissioner of Departmental Enquiries being DE No. 1/4/CDE/2000.

Copies of the suspension & revocation orders are annexed as Annexure-6, 7, 8 and 9 respectively.

Copies of the FIR and the chargesheet are annexed as Annexure-10 and 10(1) respectively.

May

Further the copy of the memorandum is annexed as Annexure-11.

4.10 That apart from the above, prosecution has been accorded in respect of the Respondents No. 8 and 9 vide orders dated 28.9.98, 12.4.99 and 22.8.2000 in respect of their involvement in connection with the offence mentioned in the orders of sanction itself.

Copies of the orders dated 28.9.98, 12.4.99 and 22.8.2000 are annexed hereto as Annexure-12,13 and 14 respectively.

4.11 That the above facts which are of very serious nature involving the very integrity of the Respondents No. 8 and 9 who have been selected for appointment to IPS were never brought to the notice of the selection committee and those vital informations were deliberately withheld from the selection committee, but for which they would not have been selected. It will be pertinent to mention here that although the Government of Manipur in the department of Personal and Administrative Reforms (Personnel Division) had asked for informations as to whether any case is pending against the above mentioned 6 officers and the concerned department had clearly indicated about the pending cases, mentioned above, against the Respondent No. 8 & 9 but however to the best of the knowledge of the Applicant inspite of receipt of the said informations, same were not furnished and/or made known to the selection committee and the same were

May

deliberately withheld facilitating selection of the Respondents No. 8 and 9.

The Applicant craves leave of the Hon'ble Tribunal for a direction to the Respondents to produce the copies of the communications/correspondence pertaining to the integrity certificate of the officers considered for selection to IPS.

4.12 That the Applicant states that as per the informations gathered from the offices of the Respondents, the Respondents No. 8 and 9 have been selected for promotion to IPS as selectee No. 1 & 2 against the 2 available vacancies for promotion and both of them were graded as "Very Good" along with the Applicant and Shri S. Mangelemjao Singh. However, because of their seniority the Respondents No. 8 and 9 have been included in the select list as the sole selectees leaving aside the Applicant. As regards Shri A. Rajendro Singh and Shri S. Tualchinkham they have been graded as "Good" and thus naturally could not compete with the other four officers who have been graded as "Very Good". Going by the ACR's of the officers as reflected at Annexure-2 of this OA there is not even an iota of doubt that the Applicant has always scored a march over the other officers. Further he is the only recipient of presidential medal/award (twice) along with other awards/medals amongst the 6 officers who were considered for promotion to IPS. It is the

Navy

definite information of the Applicant that the fact of such a meritorious service of the Applicant was not brought to the notice of the selection committee. On the other hand the above mentioned deficiencies pertaining to the services of the Respondents No. 8 and 9 which ought to have been brought to the notice of the selection committee were deliberately not brought to its notice. Further, it appears that there was down gradation so far as ACR's of the Applicant are concerned so as to exclude his name from the select list to pave the way for inclusion of the names of the Respondents No. 8 and 9, while doing so contrary to the reflections in their ACR's coupled with their involvements in the cases mentioned above, there was upgradation in their ACR's. Such down gradation was done in respect of the ACR's of the Applicant without any notice to him as already stated above, the records pertaining to the meritorious service of the Applicant including the fact of he being an awardee of Presidential Medal/Award and other awards/medals were not placed on records and accordingly the selection committee was deprived of those materials very vital towards consideration of the case of the Applicant. Thus there was no proper consideration of his case, rather there was improper consideration and the same has resulted in miscarriage of justice.

The minutes of the selection committee meeting held on 20.12.2000 has not been made public and as such the applicant prays for a direction to the Respondents

May

to produce the records of the selection including the minutes of the meeting of the selection committee held on 20.12.2000.

4.13 That the Applicant states that as per the requirements of the above mentioned promotion regulation the selection committee in respect of a joint cadre must be comprised of the Director General of Police of the State whose officers are being considered. In the instant case the DGP, Manipur who was the better person to know the service credentials of the officers was not included in the committee and the DGP of the State of Tripura was included. Thus in absence of the DGP, Manipur the selection committee was not properly constituted and the relevant consideration were left out from the purview of the selection committee.

4.14 That the Applicant states that adding insult to the injury a move is on to issue integrity certificate in respect of the Respondents No. 8 and 9 facilitating their appointment to IPS. The Applicant has reliably learnt that the appointment of the said Respondents to IPS is being materialised very soon. The Government of Manipur for the reasons best known to them are moving fast towards issuing the integrity certificate so that the said Respondents are appointed in no time. It is under these circumstances that this OA has been filed seeking urgent and immediate relief. As already stated above the Applicant having already crossed the age of 54 years, this is his last chance for promotion to IPS.

Nayal

Had there been proper consideration of his case based on his ACR's and service records, he would have been selected for such promotion. Instead the Respondents No. 8 and 9 have been picked up for promotion to IPS inspite of their bad ACR's and service records.

4.15 That the Applicant states that as per the requirements of the promotion regulations, the select list should have been prepared in such a way so that it contains the names of the selected candidates twice the number of substantive vacancies anticipated in the course of the period of 12 months. Had this requirement been followed the name of the Applicant would have been included in the select list, he being next in line and thereby would have got a chance to be considered for promotion to IPS. Even if he is not promoted to IPS, his inclusion in the select list would have ensured consideration of his case for promotion to IPS in the next select list.

4.16 That the Applicant having come to know about his deprivation as stated above submitted a representation on 22.1.2001 before the UPSC with the copies thereof to the concerned authorities making a prayer therein for review of the select list prepared by the selection committee in its meeting held on 20.12.2000. Instead of repeating the contentions raised therein, the Applicant craves leave of the Hon'ble Tribunal to refer to the said representation and the contentions raised therein may be treated to be the contentions raised in this OA.

Haupt

A copy of the representation dated 22.1.2001 is annexed as Annexure-15.

4.17 That the Applicant states that as per the requirements of the promotions regulations the select list will attain its finality only then when the UPSC will consider the said select list and give its final approval to the same. Keeping in view such a provision in the regulation the Applicant has submitted the representation to the UPSC so that final approval is not given to the select list. However, it is the apprehension of the Applicant that the UPSC must have given the final approval to the select list without considering the aforesaid representation of the Applicant. The apprehension of the Applicant is further fortified from the speed at which the thing are being moved in favour of the Respondents No. 8 and 9 towards issuance of their integrity certificates which is the condition precedent for appointment to IPS on promotion. Having regard to the facts and circumstances of the case it is a fit case for passing an interim order as has been prayed for.

4.18 That the Applicant states that some of the annexures pertaining to the Respondents No. 8 and 9 as annexed to the OA are the photocopies obtained from the concerned deptt. and/or the court. The original documents from which the photo copies have been obtained being hand written, naturally the photo copies are not that legible as one expects. It is also not

Ameyh

possible to type out all the Annexures accordingly the Applicant prays for acceptance of those Annexures annexed to the DA, with a direction to the Respondents to produce the original records if considered necessary.

5. GROUND'S FOR RELIEF WITH LEGAL PROVISIONS :

5.1 For that the proper procedure having not been followed in the selection of MPS officers for promotion to IPS, such selection is not sustainable and liable to be set aside and quashed.

5.2 For that the State of Manipur having not placed the adverse materials against the Respondents No. 8 and 9 and the selection committee having been kept in dark about those materials, the names of those two Respondents having been included in the select list which is per-se illegal.

5.3 For that the Applicant having scored overall grading of "Outstanding" in all his ACR's relevant for the purpose of selection coupled with his excellent service records, he ought to have been selected for promotion to IPS in preference to the Respondents No. 8 and 9 who apart from not having outstanding service records like that of the Applicant also have adverse materials against them.

5.4 For that the charges pending against the selected candidates being very serious which may even render them unfit to be retained in service would have a vital

Manoj

bearing on the process of selection and the same having been withheld from the purview of consideration, the entire process of selection is liable to be reviewed.

5.5 For that the excellent service records of the Applicant having not been placed before the selection committee and the selection committee having considered only the ACRs of the Applicant and others, that too incomplete ACR's in respect of the Respondents No. 8 and 9 there was no proper consideration of the case of the Applicant and accordingly the entire process of selection is liable to be reviewed.

5.6 For that the haste in which things are being moved towards issuance of integrity certificates in respect of the Respondents No. 8 & 9 speaks volumes of the malafide and colourable exercise of power on the part of the official Respondents and accordingly judicial intervention is called for in the matter.

5.7 For that selection committee being not comprised of the most important member viz., the DGP of the State of Manipur, who was/is in the know how of the things, improper consideration crept up in the process of selection in which vital aspects of the matter were withheld, but for which the Applicant would have got his selection.

5.8 For that as per the requirements of the Regulation 5 of the promotion Regulation the size of the select list should have been double the number of vacancies and had that requirement been followed, the name of the

Nayal

Applicant would have been surely included in the select list facilitating his appointment to IPS by promotion against the available vacancies during the validity of the select list.

5.9 For that the selection committee ought to have considered the case of the Applicant with all its fairness more particularly having regard to the fact that the selection in question was the last opportunity for the Applicant.

5.10 For that the selection committee ought not to have been guided by the ACR's alone and ought to have considered all other relevant service records of the officers considered, but the selection committee even while considering the ACR's, down graded the grading of the Applicant and upgraded the gradings of the Respondents No. 8 and 9 without any reasonable basis.

5.11 For that in any view of the matter the impugned select list is not sustainable and liable to be set aside and quashed.

The Applicant craves leave of the Hon'ble Tribunal to urge other and such legal grounds as may be admissible to him at the time of hearing of the case.

6. DETAILS OF REMEDIES EXHAUSTED :

The Applicant declares that he has no other alternative and efficacious remedy except by way of filing this application. He is seeking urgent and

My

immediate relief.

7. MATTERS NOT PREVIOUSLY FILED OR PENDING BEFORE ANY OTHER COURT :

The Applicant declares that no other application, writ petition or suit in respect of the subject matter of the instant application is filed before any other Court, Authority or any other Bench of the Hon'ble Tribunal nor any such application, writ petition or suit is pending before any of them.

8. RELIEFS SOUGHT FOR :

Under the facts and circumstances stated above, the Applicant prays that this application be admitted, records, more particularly the records of the selection committee, be called for and notice be issued to the Respondents to show cause as to why the reliefs sought for in this application should not be granted and upon hearing the parties and on perusal of the records, be pleased to grant the following reliefs :

8.1 To set aside and quash the select list and/or the minutes of the selection committee meeting held on 20.12.2000 for promotion to IPS from amongst the members of MPS.

8.2 To direct the Respondents to hold a review selection placing all the relevant materials in respect of the officers as reflected under the head "Facts of the case".

8.3 Cost of the application.

8.4 Any other relief/reliefs to which the Applicant is

My

entitled to and as may be deemed fit and proper by the Hon'ble Tribunal.

9. INTERIM ORDER PRAYED FOR :

Pending disposal of the OA the Applicant prays for an interim order restraining the official Respondents from promoting the Respondents No. 8 and 9 to IPS pursuant to the impugned select list prepared on the basis of the minutes of the selection committee held on 28.12.2000

10.

The application is filed through Advocate.

In the store image CO-2nd BR being the consignor had already booked the date for inspection of the items he had received and also requested the A/S (P/H) and other members of the local committee to be present on the date fixed and inspected the items. A meeting of the committee consisting of the following officers was held on the date fixed at the B.M.H. and inspected the items received by the consignor from time to time.

1. Shri J. Pradeep Singh, A/S (P/H) - Chairman
2. " L.K. Haddup, Co. 1st Bn MR - Member
3. " N. Nigam from CO-2nd Bn MR - "
4. " S. Shingde Jot Bah, District Engineer - "
5. " X. Chandrashekar, Sr. Dy SP (R) - "

On configuration of the quantity available at the S.P. post of various uniform items which are recommended for acceptance by the Com. committee, the S.P. stamps were to distribute the items to the District S.P. and Co. 2nd Bn MR by making proper allotment of specific quantity to each of the S.P. and Unit commands and distribution was on 13/12/91 - P.H. 21.6.92 and PR 13/14/91 - P.H. 21.6.92.

The District S.P. and Commandants of MR Bn at had to collect the uniform items from the consignor CO-2nd Bn (under no 1) as per allotment order above.

The distribution of the uniform items were reflected on the 19.12.91 and in Clothing Ledger No. 1 maintained at 25.12.91. Some had been received and compared with the issue vouchers as well as the stock receipt. Reports of the District S.P. and MR Bn and the stocks were finally found during the physical verification by the A/S (P/H) and the S.P. have been taken into consideration. A check was made on the date of the investigation. Supplies of the items were published about the supply and receipt of the items by the consignor and no 1. The shortage of uniform items reported only when the items had been received by the consignor and no 1. In furtherance of the investigation, the S.P. allowed to make entries in the stock balance of the S.P. post with the necessary quantity found to be short in the stock ledger. However, A. Thompson, Dy. Co. 2nd Bn MR, who is the member and chairman of the committee from S.P. post had the 2nd Bn MR and as such he had not committed the alleged offence.

Further in furtherance of the criminal conspiracy he and no 1 and no 2 to prepare the false issue voucher to the reduction of the book balance in the stock register and thus appropriating the huge quantity of uniform items in the above work Rs 55,03,605.74.

He and no 2 who was the ACQ. master of conspiracy in league with no 1 and no 3 authenticated the receipt and issue entries in the stock ledger and correct knowing fully well that most of the entries are incorrect. In furtherance to the conspiracy, he and no 3 used person the and no 2 counterfeiting the false issue vouchers prepared by no 3.

During investigation it has also been detected that no 3 under the direction of no 1 had prepared false issue voucher being counterfeited by no 2, storing issue of different items to subvert SgP and unit commanders thereby grouping in formation of different personnel of Civil Police and the persons are authorized to collect the uniform items from the company no 2 which has been supported by the expert opinion vide no. op/0/95/02 dt 1/2/95.

From the foregoing facts it is evident that uniform items worth Rs. 55,03,605.74 had been misappropriated by the 3 accused persons.

Accused no 1 was a member of the line committee to inspect the items delivered by the suppliers for acceptance/rejection. He had stated in his letter no. C/1/10/87-244/245 dt 28/12/92 and letter no. C/1/10/87-244/278 dt 11/1/93 that he was short receipt of some of the items as being not supplied by supplier firms which was quite unreasonable and unacceptable as the items of the given quantity had been inspected by the line committee including himself and the proceedings drawn and communicated to the DGP, Manipal for acceptance of the items approved and rejection of the items found sub-standard.

From the above facts and circumstances it has been well established that there is prima facie evidence against the accused no 1, 2 & 3 of Cr. no 4, for commission of the offence u/s 120B/409/468/471 IPC & Sections 13(2) read with Sec. 13(c) P.C. Act 1988.

Hence the three accused persons are sent up before the court of Hon'ble Judge empowered to stand their trial under the above indicted sections of law for the end of justice.

Hon'ble Judge is prayed to give the necessary order at an early date.

The documents are enclosed in Envelope B in the requisite exhibits in the course of the trial.

STATEMENT OF ARTICLES OF CHARGE

Mr. L.K. Haokip, LPS (now under suspension) is hereby charged of committing acts of misconduct, in-subordination and financial impropriety, mis-management of the Home Guard, Manipur as detailed below :

1. That, while working as Commandant, Home Guard of Manipur from 29.9.97 to 3.8.98 Mr. L.K. Haokip did not attend the office regularly and he functioned only from his own residence and he did not pay attention to his official works and as a result the periodical reports and returns to be submitted to the State Govt. and Central Govt. were never sent in time from the office of the Commandant, Home Guard, Manipur.

2. That, he had not properly utilised the money sanctioned by the Govt. of Manipur vide order No. 3/5(64)/97-II dated 9.2.98 for enrolment of Home Guard and their deployment for the last Parliamentary Election, 1998 held on 15th February, 1998 and the Home Guards who were enrolled were not given food in the mess of training centres, but the amount drawn for the purpose was shown as expended fully while purchasing ration items for the Home Guard with malafide intention. Moreover, the Home Guard deployed for security duty during the Parliamentary Elections were underpaid by manipulating the records by the Commandant. He had caused manipulation of records of procurement of ration items which were not procured fully but shown as issued correctly and physically.

3. That, he had enrolled more than 400 persons as members of the Home Guards and called out for training and duties without consulting the Commandant General, Home Guard, Manipur starting from 30th March upto 26th June, 1998 by issuing inappropriate orders. Moreover, those unauthorisedly enrolled Home Guards who did not attend the training programme during the month of April, 1998 were paid training allowances etc without any valid reason. Thus he had caused loss of Govt. money on unreported training.

4. The full name and address and parental name of the unauthorisedly enrolled members were never subjected to verification as laid down in the compendium of instructions for administration of the Home Guards circulated by the Ministry of Home Affairs, Govt. of India.

STATEMENT OF IMPUTATION OF MISCONDUCT OR
MISBEHAVIOUR IN SUPPORT OF ARTICLES OF
CHARGE.

1. Mr. L.K. Maokip while working as Commandant (Home Guard), Manipur did not attend the office of the Commandant (Home Guard) located at Porompat where all the ministerial staff and other functionaries normally attend office. He did not pay attention to his official works as was expected from a Govt. servant. He did not submit periodical reports and returns to the State Govt. as well as to the Central Govt. in time. As a result of his negligence and non-attendance of office the functioning of the Home Guard Organisation was in shambles.

2. The Govt. of Manipur vide order No. 215(64)/97-H dated 9.2.98 of the Home Department sanctioned a sum of Rs. 23,17,700 (Rupees twentythree lakhs seventeen thousand and seven hundred) only. As parade allowance, messing allowance and pocket allowance for a total of 3370 Home Guards and also as duty allowance for holding Parliamentary Elections in the month of February, 1998. However, he mismanaged the sanctioned amount and did not pay some of the Home Guards who were sent for duties during the election. Moreover, he manipulated the accounts by showing unsupplied ration items as having been procured and issued to the Home Guard personnel supposed to be undergoing training.

3. Mr. L.K. Maokip while function as Commandant (Home Guard) Manipur called out more than 400 persons as members of the Home Guard in the name of imparting training without the concurrence of the Commandant General (Home Guard), Manipur starting from 30.3.98 to 30.6.98. Although such called out persons were supposed to be undergoing training at 2nd En. Manipur Rifles under the supervision of the Asst. Comdt., Shri A. Anu Singh and Subedar M. Shange Meitel. These persons did not join in time and also did not complete the training. However, these volunteers were paid training allowance, messing allowance and pocket allowance fully without proper verification and reason. That on the night of 31.7.98 an Army Column led by Subedar J.B. Singh of 57 Mountain Division conducted search at the house where Mr. L.K. Maokip was residing. And whereas the DGP, Manipur vide his office letter No. PR/13/15/91-PRQ dated 16-4-92 allotted the uniform items of DGP Pool to the MR Bns and District Police of Manipur for the uniform items held by the CO 2nd MR.

And whereas the investigation further reveals that the CO 2nd MR issued the uniform items to the Manipur Rifle Battalions and District Police short of the quantity allotted by the DGP, Manipur to the respective Battalions and Districts.

And whereas the investigation further reveals that Shri N. Ngaripam Tangkhul, CO 2nd MR, (2) Shri K. Pishak Singh, AC(QM) and (3) Shri N. Jasobanta Singh, Hav. Store incharge of 2nd MR manipulated the quantity of uniform items issued to the MR Bns and District Police by preparing false receipt and forging the signature of the official authorised by the MR Bns and District Police to collect the uniform items allotted from the 2nd MR, thereby inflating the quantity more than the quantity issued to the MR Bns and District Police.

And whereas during investigation the total quantity of uniform item received by CO 2nd MR during 1991-92 being supplied by the above mentioned suppliers and the quantity actually available with the CO 2nd MR and the quantity actually issued to the MR Bns and District Police of Manipur were calculated and quantity of uniform items misappropriated would be calculated as Rs.55,03,505.94 paise. Thus it has been established that Shri (1) N. Ngaripam Tangkhul, CO 2nd MR, (2) K. Pishak Singh, AC(QM) 2nd MR, (3) N. Jasobanta Singh, Hav. Store incharge 2nd MR entered into a criminal conspiracy and in pursuance thereof they had misappropriated various uniform items of DGP Pool held by CO 2nd MR worth Rs.55,03,605.94 paise during the year 1991-92.

Now, therefore the Governor of Manipur being the authority competent to remove Shri (1) N. Ngaripam Tangkhul, CO 2nd MR, (2) K. Pishak Singh, AC(QM) 2nd MR, (3) N. Jasobanta Singh, Hav. of 2nd MR from office, after carefully examining the materials and circumstances in regard to the allegation of the case, considers that the said Shri (1) N. Ngaripam Tangkhul, (2) K. Pishak Singh, AC(QM) 2nd MR and (3) N. Jasobanta Singh, Hav. Store incharge 2nd MR should be prosecuted in the Court of law for commission of the offences u/s 420-43/409/466/468/471 IPC and Section 13(2) read with Sec. 13(1)(c) of P.C. Act 1988.

Now, therefore, the Governor of Manipur do hereby accord sanction under Section 197 Cr.P.C. and also under section 19(1)(b) P.C. Act for prosecution of the said (1) N. Ngaripam Tangkhul (54) s/o (L) N. Yangshung Tangkhul of Ningchow village, now CO 6th MR, (2) K. Pishak Singh (57) s/o (L) K. Ihotombi Singh of Kangabam Leikai, now Adtl.SP/UKhul and (3) N. Jasobanta Singh (37) s/o (L) N. 4. That, I beg to state and submit that the Hon'ble Supreme court in Union of India & Others - Vs- Dr. (Smt) Sudha Salham reported in A.I.R. 1998 S.C. 1094, held that

"If on the date of which the name of a person is considered by the Departmental Promotion Committee for promotion to the higher post, such person is neither under suspension nor has any departmental proceedings been initiated against him, his name, if he is found meritorious and suitable, has to be brought on the select list and the "sealed cover" procedure cannot be adopted. The recommendation of the Departmental Promotion Committee can be placed in a "sealed cover" only if on the date of consideration of the name for promotion, the departmental proceedings had been initiated or were pending or on its conclusion, final orders had not been passed by the appropriate authority".

Further, in Union of India -Vs- K.V. Jankiraman reported in A.I.R. 1991 S.C. 2010, the Supreme Court in respect of Promotion-sealed cover procedure -Resort to-when permissible, agreed with the decision of the Full Bench of the Tribunal that it is only when a charge-memo in a disciplinary proceedings or a charge sheet in a Criminal prosecution is issued to the employee that it can be said that the Departmental proceedings/Criminal prosecution is initiated against the employee and the sealed cover procedure is to be resorted to only after the charge memo/charge sheet is issued.

In view of the above, it is submitted that if the above Criminal prosecution cases and the Departmental proceedings pending against N. Ngaraipam, MPS and L.K. Haokip, MPS are brought before the D.P.C. meeting held on 20-12-2000 the sealed cover procedure would have been resorted to and their names should not be included in the select list prepared by the selection committee and the said concealment of facts before the D.P.C. had denied my right to promotion which is my fundamental rights under the Constitution of India.

5. That, I beg to state and submit that the Department concerned has not prepared the ACRs of the MPS Officers eligible according to the service record maintained in the Department.

I as an M.P.S. have been serving with dedication to my duties and as such I was awarded (i) President's Medal for Meritorious Service on the occasion of Independence day vide No. 4-HA/86/CA(II) dated 14-08-1986, (ii) Manipur Chief Minister's Police Medal for meritorious vide notification

No.8/14(2)/85-H dated 12-08-1993, (iii) President's Police Medal for distinguish service in the occasion of Independence day 1997 vide Govt. of India, Ministry of Home, New Delhi vide No.11019/11/97-PMA-CELL dated 14-08-1997. The then I.G.P., D.G.P. and Governor of Manipur wrote appreciation letters for awarding such meritorious medals.

The above awards are reflected in the ACR and the other MPS Officers eligible for promotion are not awarded as much as I was awarded. As a matter of fact, I am expecting that my grading is outstanding for 6(six) years continuously commencing from 1994 onwards.

True copies of the above awards and appreciation letters are enclosed herewith and marked as Annexures - A/10, A/11, A/12, A/13, A/14, A/15 and A/16 respectively.

6. That, I beg to state and submit that if the selection committee in the D.P.C. meeting held on 20-12-2000. classified the eligible officers as outstanding, very good, good or unfit as the case may be on the over all relative assessment of their service record as per Rule No. 5(4) of the Indian Police Service (Appointment by Promotion) Regulations, 1955, my name, I believe ought to have been listed as No.1 in the list prepared by the selection committee in as much as my service career or record is much better than the other eligible officers but the correctness of the memo prepared by the Department in this regard is very much doubted for the reasons not known to me and the sealed cover procedure is applicable to them in the present DPC.

7. That, I beg to state and submit that having regard to my eligibility to the promotion to I.P.S. according to which the selection Committee cannot consider a member of the MPS who has attained the age of 54 years on the 1st day of January of the year in which it meets under Rule No. 5(3) of the Regulation, 1955 as my date of birth is 1st February, 1946 and having reported that N. Ngaraiam, MPS and L.K. Haokip, MPS against whom Departmental proceeding and Criminal Prosecution as mentioned above are pending have been selected by the selection committee in the DPC meeting held on 20-12-2000, the present representation for reviewing the DPC meeting held on 20-12-2000 is filed for not placing the facts relating to the suspension, departmental proceedings and criminal prosecution pending against them at the time of consideration by DPC. And the said fraudulent acts of the department concerned have deprived my rights of promotion as guaranteed and envisaged by the Constitution of India. Not only that, the rule of Natural justice has been denied to me.

8. That, it may not be out of place to submit that in a case reported in ATR 1987(I) CAT 547 it is held that the proceeding of the DPC can be reviewed if full facts were not placed before it earlier. Relying on the above point I beg to submit that the DPC proceeding of the DPC meeting held on 20-12-2000 should be reviewed for not placing the departmental proceedings and Criminal prosecutions pending against N. Ngaraipam, MPS and L.K. Haokip, MPS before the DPC and the sealed cover procedure is applicable to them.

9. That, I beg to state and submit that the fraudulent acts above-said of the Department and intentional concealment of facts by the Department concerned has rendered denial of my right of promotion and denial of the Rule of law and the Principles of Natural Justice as well.

10. That, I beg to state and submit that if the DPC proceedings of 20-12-2000 is not reviewed as stated above my chance of being promoted to I.P.S. shall be denied in my life which is an irreparable loss to me and the proceedings of the D.P.C. held on 20-12-2000 may be reviewed on compassionate ground.

11. That, I beg to state and submit that the commission in exercise of the power under Rule 7 of the Regulation, 1955 may be pleased to pass an order for review of the DPC for taking into consideration of the facts as given above relating to N. Ngaraipam, MPS and L.K. Haokip, MPS.

Regard being had to the above, the undersigned pray that the proceedings of the DPC meeting held on 20-12-2000 be reviewed in the interest of justice and public policy.

For which act of kindness, I shall ever remain grateful to you.

Yours faithfully,

WRITTEN STATEMENT ON BEHALF OF THE UPSC (RESPONDENT
NO. 2 & 5)

1. I, Manjit Kumar S/o Shri Bujha Ram, aged 44 years, working as Under Secretary in the office of the Union Public Service Commission, Dholpur House, Shahjahan Road, New Delhi am authorised to file the present reply statement on behalf of Respondent No. 2 & 5. The deponent is also fully acquainted with the facts of the case deposed below:

2. That the deponent has read and understood the contents of the above Original Application and in reply he submits as under:

3.1 The Union Public Service Commission being a Constitutional Body under Articles 315 to 323 part XIV Chapter-II of the Constitution discharge their functions, duties and Constitutional obligations assigned to them under Article 320 and other relevant Articles of the Constitution of India as per the Rules and Regulations in force.

3.2 Under Article 312 of the Constitution, the All India Service Act, 1951 was passed by the Parliament. In exercise of the powers conferred by sub-section(1) of

10/1

section 3 of the All India Service Act 1951, the Central Government after consultations with the State Governments have framed various Recruitment Rules for recruitment/promotion to the IAS/IPS/IFS. In pursuance of these rules, the IPS (Appointment by Promotion) Regulations, 1955 have been framed by the Government of India duly approved by the Hon'ble President as per provisions of the Constitution of India (Article 309). In accordance with the provisions of these Regulations, the Selection Committee presided over by the Chairman or a Member of the Union Public Service Commission makes selections of the State Police Service officers for promotion to the Indian Police Service based on the proposal and records sent by the concerned State Government including the seniority list and other relevant documents.

3.3 Thus, in discharge of their Constitutional obligations the Union Public Service Commission, after taking into consideration the records received from the State Government under Regulation 6 and observations of the Central Government received under Regulation 6A of the Promotion Regulations, accord their approval to the recommendations of the Selection Committee in accordance with the provisions of Regulation 7 of the aforesaid Regulations. Selections so done in a just and equitable manner on the basis of relevant records and following the relevant Rules and Regulations are not open for interference by any authority whatsoever, inasmuch as, it would tantamount to curtailment or modification of the Constitutional powers of the Union Public Service Commission.

PRELIMINARY SUBMISSIONS

4.1 Most respectfully, the deponent submits that selections of State Police Service Officers for promotion to the IPS are governed by the IPS (Appointment by Promotion) Regulations 1955. Regulation 3 of the said Regulations provides for a Selection Committee consisting of the Chairman of the Union Public Service

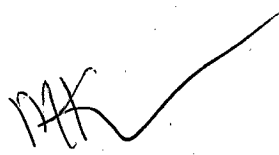

Commission or where the Chairman is unable to attend, any other Member of the Union Public Service Commission representing it and in respect of the Joint cadre of States of Manipur and Tripura the following officers as members: -

- i) Chief Secretary to Government of Manipur
- ii) Chief Secretary to Govt. of Tripura
- iii) D.G. & I.G. of Police, Govt. of Manipur
- iv) D.G. & I.G. of Police, Govt. of Tripura
- v) A nominee of the Government of India not below the rank of Joint Secretary.

The meeting of the Selection Committee is presided over by the Chairman/Member, UPSC.

4.2 In accordance with the provisions of Regulation 5(4) of the said Regulations, the aforesaid Committee duly classifies the eligible SPS officers included in the zone of consideration as 'Outstanding' 'Very Good' 'Good' or 'Unfit', as the case may be, on an overall relative assessment of their service records. Thereafter, as per the provisions of Regulation 5(5) of the Promotion Regulations, the Selection Committee prepares a list by including the required number of names, first from the officers finally classified as 'Outstanding', then from amongst those similarly classified as 'Very Good' and thereafter from amongst those similarly classified as 'Good' and the order of names within each category is maintained in the order of their respective *inter se* seniority in the State Police Service.

4.3 The ACRs of eligible officers are the basic inputs on the basis of which eligible officers are categorised as 'Outstanding', 'Very Good', 'Good' and 'Unfit' in accordance with the provisions of Regulation 5(4) of the Promotion Regulations. The Selection Committee is not guided merely by the overall

grading that may be recorded in the ACRs but in order to ensure justice, equity and fair play makes its own assessment on the basis of in-depth examination of service records of eligible officers, deliberating on the quality of the officer on the basis of performance as reflected under various columns recorded by the Reporting/Reviewing Officer/Accepting Authority in the ACRs for different years and then finally arrives at the classification to be assigned to each eligible officer in accordance with provisions of Promotion Regulations. While making an overall assessment, the Selection Committee takes into account orders regarding appreciation for meritorious work done by the concerned officer. Similarly, the Selection Committee also keeps in view orders awarding penalties or any adverse remarks communicated to the officer, which, even after due consideration of his representation have not been completely expunged.

4.4 The matter relating to assessment made by the Selection Committee has been contended before the Hon'ble Supreme Court in number of cases. In the case of Nutan Arvind Vs. UOI & others, the Hon'ble Supreme Court have held as under:

"When a high level committee had considered the respective merits of the candidates, assessed the grading and considered their cases for promotion, this Court cannot sit over the assessment made by the DPC as an appellate authority."

[(1996) 2 SUPREME COURT CASES 488]

4.5 In the matter of UPSC Vs. H.L. Dev and Others. Hon'ble Supreme Court have held as under: -

"How to categorise in the light of the relevant records and what norms to apply in making the assessment are exclusively the

MAA

functions of the Selection Committee. The jurisdiction to make the selection is vested in the Selection Committee.”

[AIR 1988 SC 1069]

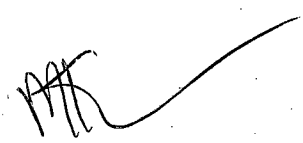

4.6 In the case of State of Madhya Pradesh Vs. Shrikant Chapekar, the Hon'ble Supreme Court have held as under: -

“We are of the view that the Tribunal fell into patent error in substituting itself for the DPC. The remarks in the ACR are based on the assessment of the work and conduct of the official/officer concerned for a period of one year. The Tribunal was wholly unjustified in reaching the conclusion that the remarks were vague and of general nature. In any case, the Tribunal outstepped its jurisdiction in reaching the conclusion that the adverse remarks were not sufficient to deny the Respondent his promotion to the post of Dy. Director. **It is not the function of the Tribunal to assess the service record of a Government servant, and order his promotion on that basis. It is for the DPC to evaluate the same and make recommendations based on such evaluation.** This Court has repeatedly held that in a case where the Court/Tribunal comes to the conclusion that a person was considered for promotion or the consideration was illegal, then the only direction which can be given is to reconsider his case in accordance with law. It is not within the competence of the Tribunal, in the fact of the present case, to have ordered deemed promotion of the Respondent.”

[JT 1992 (5) SC 633]

4.7 In the case of Dalpat Abasaheb Solunke Vs. B.S. Mahajan, the Hon'ble Supreme Court have held as under: -

“It is needless to emphasise that it is not the function of the Court to hear appeals over the decisions of the Selection Committees and to

scrutinise the relative merits of the candidates. Whether a candidate is fit for a particular post or not has to be decided by the duly constituted Selection Committee which has the expertise on the subject."

[AIR 1990 SC 434]

4.8 In the case of Smt. Anil Katiyar Vs. UOI & Others, the Hon'ble Supreme Court have held as under: -

"Having regard to the limited scope of judicial review of the merits of a selection made for appointment to a service of civil post, the Tribunal has rightly proceeded on the basis that it is not expected to play the role of an appellate authority or an umpire in the acts and proceedings of the DPC and that it could not sit in judgement over the selection made by the DPC unless the selection is assailed as being vitiated by malafide or on the ground of it being arbitrary. It is not the case of the appellant that the selection by the DPC was vitiated by malafide."

[1997(1) SLR 153]

Hon'ble Tribunal would appreciate that in view of the aforementioned authoritative pronouncements of the Hon'ble Supreme Court, the assessment made by the Selection Committee constituted under Regulation 3 of the Promotion Regulations is not open for scrutiny by any authority/institutions or an individual.

FACTUAL POSITION OF THE CASE

5.1 It is most respectfully submitted that a meeting of the Selection Committee for promotion of SPS officers to IPS cadre of Manipur-Tripura Joint Cadre (Manipur Segment) was held on 20.12.2000 to prepare the Select List of the year 2000. The maximum number of State Police Service officers to be included in the

4

✓

Select List was 2 (two) against existing 2 (two) vacancies in the promotion quota of the State Cadre as determined by the Central Govt. in terms of Rule 4(2)(b) of the IPS (Recruitment) Rule 1954 read with Regulation 5(1) of the Indian Police Service (Appointment by Promotion) Regulations 1955. As per the provisions of the IPS Promotion Regulations, the zone of consideration was 6. The Govt. of Manipur vide their letter dated 12.9.2000 (received in the office of UPSC on 12.10.2000) submitted a proposal to the Commission for convening the Selection Committee Meeting for preparing the Select List of 2000. The name of the Applicant was included at Sl. No. 5 of the eligibility list furnished by the State Govt. The names of the Respondent Nos. 8 and 9 were included at Sl. No. 3 and 4 of the eligibility list.

5.2 The State Govt. also furnished the information regarding the disciplinary/criminal proceedings pending against the eligible officers. It was *inter-alia* intimated by the State Govt. that a prosecution sanction had been accorded in respect of Respondent No. 8, Sh. N. Nagaraipam. However, the fact that a charge-sheet had been issued to him was not brought to the notice of the Commission before the meeting of the Selection Committee. In respect of Sh. L.K. Haokip, Respondent No. 9, it was intimated by the State Govt. that a vigilance case and a criminal case was pending against him and a charge-sheet had been filed in the court of law on 12.5.1999.

5.3 As per the provisions of the IPS Promotion Regulations, the Selection Committee which met on 20.12.2000 considered the ACRs and other service records of the eligible officer as furnished by the State Govt. On an overall relative assessment of their service records the Selection Committee assessed the Applicant and Respondent Nos. 8 and 9 as 'Very Good'. The Respondent Nos. 8 and 9, being senior to the Applicant, were included in the Select List at Sl. No. 1 and 2 respectively whereas the name of the Applicant could not be included in the

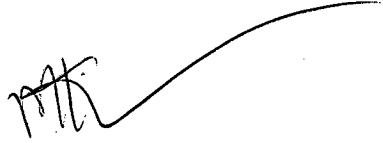

List due to the statutory limit on the size of the Select List. The name of the Respondent No. 9, Sh. L.K. Haokip was, however, included provisionally in the Select List subject to clearance of disciplinary and criminal proceedings pending against him and grant of integrity certificate by the State Govt. in terms of the provisions of the IPS Promotion Regulations Respondent No. 8 was included unconditionally as the fact of issue of a charge-sheet to him or filing in a court of law was not brought to the notice of the Selection Committee by the State Govt. The Select List is yet to be approved by the Commission in terms of Regulation 7 after obtaining the observations of the State Govt. of Manipur, the Joint Cadre Authority of Manipur-Tripura and the Govt. of India (MHA).

CONTENTIONS OF THE APPLICANT

6. The Applicant has made the following contentions in the OA:-

- (i) That the Applicant has a distinguished service career and at no point of time there was any occasion to communicate to him any adverse remarks. The Applicant have scored overall grading 'Outstanding' in all his ACRs relevant for the purpose of selection coupled with his excellent service records he ought to have been selected for promotion to IPS in preference to the Respondent No. 8 and 9.
- (ii) That the State of Manipur did not forward the full service particulars and details of the service career of Respondent Nos. 8 and 9 to the Selection Committee. The State Govt. did not intimate anything regarding pendency of disciplinary and criminal proceedings of very serious nature involving the very integrity of Respondents 8 and 9 but for which the name of the Applicant would have been included in the Select List and the names of the Respondent Nos. 8 and 9

would have been excluded. Respondent No. 8 who has been nominated selectee No. 1 was placed under suspension by an order dated 21.7.93. The criminal case registered under prevention of corruption act is now pending in the court of Special Judge, Manipal East. The charge-sheet has been filed in the court of law. Similarly, Respondent No. 9 who has been nominated as selectee No. 2 was placed under suspension by an order dated 16.2.98 and the departmental proceedings are still pending against him. Though the suspension order in respect of both the officers have been revoked, prosecution sanctions have been accorded in respect of both the officers in some fresh cases. The vital information in respect of Respondent No. 8 and 9 were deliberately withheld from the Selection Committee. On the other hand, the information regarding presidential medals/awards received by the Applicant was withheld by the State Govt. from the Selection Committee.

- (iii) That the Selection Committee ought not to have been guided by the ACRs alone and ought to have considered all the relevant records of the officers concerned, but the Selection Committee even while considering the ACRs downgraded the grading of the Applicant and upgraded the gradings of the Respondents No. 8 and 9 without any reasonable basis. That there was downgradation of the ACRs of the Applicant so as to exclude his name from the Select List to pave the way for inclusion of the name of Respondent No. 8 and 9. However, there was upgradation in the ACRs of Respondents No. 8 and 9 contrary to the reflections in their ACRs coupled with their involvements in the case mentioned above. The downgradation of ACRs was done without any notice to him. Further, the Selection Committee was deprived of information regarding meritorious

service of the Applicant. Thus, there was no proper consideration of his case that has resulted in miscarriage of justice.

- (iv) That the Selection Committee in respect of a joint cadre must be comprised of the Director General of Police of the State whose officers are being considered. In the instant case, the DGP, Manipur who was the better person to know the service credentials of the officers was not included in the Committee and the DGP of the State of Tripura was included. Thus, in the absence of the DGP of Manipur, the Selection Committee was not properly constituted.
- (v) That there is a move to issue integrity certificate in respect of Respondent No. 8 and 9 facilitating their appointment to IPS which is malafide and misuse of the official powers on the part of official respondents.
- (vi) That the size of the Select List should have been double the number of substantive vacancies anticipated in the course of the period of 12 months. Had this requirement been followed, the name of the Applicant would have been included in the Select List.
- (vii) That the Applicant had submitted a representation on 22.1.2001 before the UPSC with the copies thereof to the concerned authorities with a prayer to review the Select List prepared by the Selection Committee in its meeting held on 20.12.2000 and not to give final approval to the Select List. However, it is the apprehension of the Applicant that the UPSC must have given the final approval to the Select List without considering the aforesaid representation of the Applicant.

REPLY TO THE CONTENTIONS

7.1.1 As regards the contentions made in para 6(i), it is respectfully submitted that for making an overall relative assessment, the Selection Committee as per practice followed in the Union Public Service Commission examines the service records of each of the eligible officers, with special reference to the performance of the officers during the last five years (preceding the year in which the Select List is being prepared.). The Selection Committee deliberates on the quality of the officer as indicated in the various columns recorded by the reporting/reviewing officer/accepting authority in the ACRs for different years and then after a detailed mutual deliberation and equitable discussion finally arrives at a classification assigned to each officer. While doing so, the Selection Committee also reviews and determines the overall grading recorded in the CRs to ensure that the overall grading in the CRs is not inconsistent with the grading/remarks under various specific parameters or attributes. The Selection Committee takes into account orders regarding appreciation for the meritorious work done by the officers concerned and also keeps in view orders awarding penalties or any adverse remarks duly communicated to the officer, which, even after due consideration of his representation by the competent authority are not expunged.

7.1.2 It is further submitted that the Committee undertakes a the detailed exercise as enumerated above, with a view to ensure objectivity, equity and fair play in the Selections. Regulation 5(4) simply prescribes that the Selection Committee will classify the officers into four different categories i.e., 'Outstanding', 'Very Good', 'Good' and 'Unfit', as the case may be, on an overall relative assessment of his service records. The IPS (Appointment by Promotion) Regulations, 1955, do not provide for the detailed methodology on how to classify the officers and it is solely the domain of the Selection Committee manned and

mt

presided over by competent and able members to devise its own norms and yardsticks for evaluation of the ACRs. The Selection Committee is, as per Regulations, presided over by the Chairman or a Member of the Union Public Service Commission who have got adequate expertise in the field. The Selection Committee adopts a uniform and consistent norm or yardstick for evaluation that is applied to all States/Cadres. The Applicant is substituting his own judgement to that of a statutorily set-up Selection Committee which consists of very high ranking and responsible officers. The assessment made by the high powered Selection Committee is not open to challenge/scrutiny by any authority/institution or an individual as already averred in the various pronouncements made by the Hon'ble Supreme Court enumerated in para 4 above.

7.1.3 In this connection, it is further submitted that the grading given by reporting/reviewing officer in the ACRs reflects the absolute merit of the officers reported upon whereas the classification made by the Selection Committee on the basis of deep examination of the service records of all the eligible officers in the zone of consideration reflects the merit of the officer in relation to other officers in the zone of consideration. The Selection Committee adopts uniform and consistent norms and yardsticks in order to ensure equity, justice and fairplay in the assessment of ACRs. The modes, norms and yardsticks adopted by the Selection Committee constituted under Regulation 3 of IPS (Appointment by Promotion) Regulations, 1955 for making just and equitable assessment of ACRs are not open for scrutiny by any institution or individual. The Hon'ble Supreme Court vide their judgement dated 22.3.1988 while deliberating upon a similar issue in the matter of UPSC Vs. H.L. Dev and Ors. have held as under:-

"How to categorise in the light of the relevant records and what norms to apply in making the assessment are exclusively the

MAK

functions of the Selection Committee. The jurisdiction to make the selection is vested in the Selection Committee”.

7.1.4 It is respectfully submitted that absence of any adverse remarks in the ACRs of an officer does not imply that the officer gets automatically selected by the Selection Committee. It is the overall assessment of ACRs of the officer vis-à-vis other officers in the zone that forms the criteria for merit selections. The statement of ACRs enclosed with the OA perhaps indicate the gradings of the ACRs which are confidential documents of the State Govt and they may be making submissions in this regard. As already submitted above, the Selection Committee adopts uniform and consistent norms and yardsticks in order to ensure justice, equity and fairplay in the matter of selection. Selection Committee is statutorily set up body which includes the Chairman or a Member UPSC as its President and several very senior officers both from the State Govt. and Govt. of India as its members. The basic idea behind setting up of a Selection Committee statutorily is to ensure equity, justice, fairplay and objectivity in selections. Thus, the contention of the Applicant that he ought to have been selected by the Selection Committee only on the basis of ACRs is misconceived, misguided and malicious.

7.2.1 As regards the contention made in 6(ii), it submitted that as already mentioned in paras 5.1 and 5.2, the State Govt. furnished the relevant information/documents to the Commission alongwith the complete proposal for convening the meeting of the Selection Committee for preparing the Select List of the year 2000. The State Govt. intimated that a prosecution sanction had been accorded in respect of Sh. N. Nagaraipam, Respondent No. 8. However, the fact that a charge-sheet had been filed in a court of law was not brought to the notice of the Commission before the meeting of the Selection Committee. In respect of Sh. L.K. Haokip, Respondent No. 9, it was mentioned that some vigilance/criminal

MAK

cases were pending against him and a charge-sheet had been filed against him in the court of law. The integrity certificate of Respondent No. 8, Sh N. Nagaraipam had been issued by the State Govt. whereas the integrity certificate of Respondent No. 9, Sh. L.K. Haokip was withheld.

7.2.2 In this connection, it is submitted that Regulation 5(4) of IPS Promotion Regulations specifically provides for inclusion of officers in the Select List whose integrity is withheld by the State Govt. or against whom departmental or criminal proceedings are pending or against whom anything adverse which renders them unsuitable for appointment to service comes to notice of the State Govt. However, their inclusion in the Select List remains provisional subject to furnishing of integrity certificate by the State Govt. or clearance from departmental/criminal proceedings or expunctions of adverse remarks. The disciplinary/criminal proceedings shall be treated as pending if a charge-sheet has been issued to the officer concerned or filed in a court of law. These officers are eligible to be appointed to IPS if they are exonerated from the disciplinary/criminal proceedings or the adverse remarks are expunged or their integrity is certified by the State Govt., as the case may be, during the period the Select List remains in force in terms of Regulation 7(4). There is no bar under the regulations to include such officers in the Select List. However, their appointments to the IPS can be made only after their names are made unconditional in the Select List by the Commission strictly in accordance with the provisions of first proviso to Regulation 7(4). The intention of the Promotion Regulations is not to penalise such officers unless their guilt is proved. The Selection Committee that met on 20.12.2000 included Respondent No. 9 in the Select List at Sl. No. 2, provisionally subject to grant of integrity certificates and clearance of disciplinary/criminal proceedings pending against him in accordance with the provisions of IPS Promotion Regulations. In respect of Respondent No. 8, the disciplinary/criminal proceedings could not be treated as pending in terms of

MT

IPS Promotion Regulations as the fact of issue of charge-sheet to him or filing in court of law was not known to the Selection Committee and was included unconditionally. Further, if before the approval of the Select List the State Govt. informed that a charge-sheet has been filed in a court of law against Respondent No. 8, the Select List prepared by the Selection Committee of 20.12.2000 can be suitably modified and his name can be made provisional in the Select List at the time of approval by the Commission in terms of the provisions of Regulation 7. Thus the contention of the Applicant that the officer(s) provisionally included in the Select List was inferior and blameworthy is against the statutory provisions of IPS Promotion Regulations. The contention of the Applicant is, therefore, malicious misconceived and not tenable both in law and fact. Regarding the issue of a charge-sheet to Respondent No. 8 prior to the SCM, the State Govt. may be making separate submission in this regard.

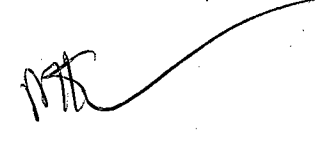

7.3.1 As regards the contention made in para 6(iii), it is respectfully submitted that the Selection Committee which met on 20.12.2000 assessed the service records of the SPS officers in the zone of consideration as furnished by the State Govt. As already submitted in reply to the contentions in para 6(ii), the selections of Respondent No. 8 and 9 have been made on the basis of overall relative assessment of their service records strictly in accordance with the provisions of IPS Promotion Regulations. As already submitted in para 4.3 above, the ACRs of the officers in the zone of consideration are the basic inputs to the Selection Committee for making selections. The ACRs dossiers contain the appreciation or adverse remarks/orders of penalties, if any, in respect of the officer concerned. The grading given by the reporting/reviewing officer in the ACRs reflects the absolute merit of the officers reported upon whereas the classification made by the Selection Committee on the basis of deep examination of service records of all the eligible officers in the zone of consideration reflects the merit of the officer in comparison with the other officers in the zone of consideration. The

Selection Committee adopts uniform and consistent norms and yardsticks in order to ensure equity, justice and fair-play in the assessment of ACRs. It is further submitted that the Selection Committee abides by the provisions of the IPS Promotion Regulations and these do not stipulate that the reasons are to be recorded by the Selection Committee for the assessment or selections made by them. However, Regulation 5(4) of the IPS Promotion Regulations requires that the Selection Committee classify the eligible officers as 'Outstanding', 'Very Good', 'Good' and 'Unfit' as the case may be on an overall relative assessment of their service records. It is reiterated that it is the prerogative of the Selection Committee to adopt certain norms and yardsticks for making just and equitable assessment of ACRs.

7.3.2 As regards the contention of the Applicant that his complete service records were not placed before the Selection Committee, it is respectfully submitted that the service records as furnished by the State Govt. was placed before the Selection Committee. The State Govt. who maintains the service records of SPS officers of State may make further submissions in this regard. As such, the contentions made by the Applicant regarding selections made by the Selection Committee only on the basis of assessment of ACRs, are without any basis and hence not tenable.

7.4 As regards the contention made in para 6(iv), it is submitted that the Selection Committee to make promotions to the IPS is constituted under Regulation 3 of the IPS Promotion Regulations. Regulation 3(3) clearly provides that the absence of a member other than the Chairman or the Member of the Commission shall not invalidate the proceedings of the Committee if more than half of the members of the Committee had attended its meetings. Thus, the absence of Director General of Police, Manipur who was a member of the Selection Committee does not entail any illegality or vitiate in the selections made

by the Selection Committee. The meeting of the Selection Committee was held in the office of the Union Public Service Commission at New Delhi and it was attended by the Chief Secretary, Govt. of Manipur, the Chief Secretary, Govt. of Tripura, DGP, Govt. of Tripura and I.G., Border Security Force, a Govt. of India nominee. Thus, the argument that only DGP, Govt. of Manipur could have furnished proper information to the Selection Committee relating to the work, service credentials of the officers in the zone of consideration has no force as the Selection Committee cannot be guided by personal predilections. The Selection Committee is required to make assessment on the basis of the service records which are placed before the Selection Committee. Even though, DGP, Manipur is a member of the Selection Committee, it cannot be argued that his absence has affected the assessment of the officers by the Selection Committee which comprised of five other senior members including the Member of the UPSC who presided over the Selection Committee. It is further submitted that the Selection Committee Meeting for preparing the Select List of the year 2000 had to be convened by 31.12.2000 as per the provisions of the IPS Promotion Regulations. The proposal from the State Govt. for convening the meeting of the Selection Committee was received only on 12.10.2000. The proposal was scrutinised and deficiencies were called for from the State Govt. and after duly examining the same, the Commission fixed the meeting for 20.12.2000. The State Govt. were requested by the Commission vide Fax message dated 1.12.2000 to make it convenient to attend the meeting of the Selection Committee as per schedule alongwith other members of the Selection Committee. However, DGP, Govt. of Manipur could not attend the meeting as per schedule on 20.12.2000. As the quorum of the meeting was complete in terms of the provisions of the IPS Promotion Regulations, the Selection Committee proceeded to prepare the Select List of the year 2000. It is worthwhile to mention that the Commission have a busy schedule and their schedules are prepared well in advance and it is not possible for the Commission to postpone the meetings without valid reasons.

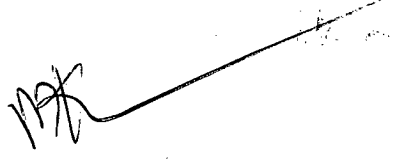

MR

Moreover, the framers of the IPS Promotion Regulations have provided for quorum on foreseeing such eventualities and have not made any exception for the absence of a member of the Selection Committee other than the Chairman or the Member of the Commission. As such, it is submitted that this contention of the Applicant is based on his own perception and is without any merit.

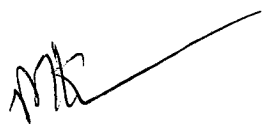

7.5 As regards the contention made in para 6(v), it is submitted that the integrity certificate of SPS officers are issued or withheld by the State Govt. The matter is primarily within the domain of the State Govt. who may be making necessary submissions in this regard.

7.6 As regards the submissions made in para 6(vi), it is respectfully submitted that the IPS Promotion Regulations have since been amended on 31.12.1997 and the Provisions quoted by the Applicant relating to the size of the Select List have since been modified. As per the amended provisions of Regulation 5(1), the number of members of the State Police Service to be included in the list have now to be determined by the Central Govt. in consultation with the State Govt concerned and shall not exceed the number of substantive vacancies as on the first day of the January of the year in which the meeting is held. As such, the size of the Select List for the year 2000 was 2 (two) against existing 2 (two) vacancies as on 1.1.2000 in the promotion quota of the State cadre as determined by the Central Govt. in terms of Rule 4(2)(b) of IPS Recruitment Rules, 1954 read with Regulation 5(1) of the IPS (Appointment by Promotion) Regulations 1955. The contentions made by the Applicant in this para are, therefore, based on wrong information relating to the provisions of IPS Promotion Regulations.

7.7 As regards the contentions made in 6(vii), it is respectfully submitted that the State Govt. of Manipur vide their letter dated 6.2.2001 have submitted their observations on the representation dated 22.1.2001 of the Applicant. The

State Govt. have stated that the fact of filing of charge-sheet against Sh. N. Nagaraipam, Respondent No. 8 was not intimated to the Commission as it was reportedly not known to the department at that time. The State Govt. have further stated that entire ACR dossiers of the 6 (six) eligible officers in the zone of consideration were placed before the Selection Committee and that the fact and period of suspension of Respondents No. 8 and 9 in the last 8 years was also intimated to the Commission. In this connection, it is submitted that the entire service records of the eligible officers received from the State Govt. were placed before the Selection Committee. As already submitted in para 7.2.1 to 7.2.3 in reply to the contentions made in para 6(ii), it is submitted that there is no bar in the IPS Promotion Regulations to include the name of the officers against whom disciplinary/criminal proceedings are pending. There is no provision in the IPS Promotion Regulations to follow a sealed cover procedure for selections for promotion to IPS. Such officers are included provisionally subject to clearance of disciplinary/criminal proceedings pending against them. Regulation 7(4) of IPS Promotion Regulations further provides that the Select List shall remain in force till the 31st day of December of the year in which the meeting of the Selection Committee was held or upto 60 days from the date of approval of the Select List by the Commission under the provisions of Regulation 7(1), whichever is later. The names of provisionally included officers in the Select List can be made unconditional by the Commission on a proposal received from the State Govt., during the period when the Select List remains in force, to declare a provisionally included officer in the Select List as unconditional. The Commission decides on the matter within a period of 90 days or before the date of meeting of the next Selection Committee, whichever is earlier and if the Commission declares the inclusion of the provisionally included officer in the Select List as unconditional and final, the appointment of the concerned officer shall be considered by the Central Govt. under Regulation 9 and such appointments shall not be invalid merely for the reason that it was made after the Select List ceased to be in force. It

is submitted that the Select List prepared by the Selection Committee on 20.12.2000 is yet to be approved by the Commission in terms of Regulation 7. The process of approval of the Select List is in progress and the observations of the State/Central Govt. and Joint Cadre Authority in terms of Regulation 6 are being received. In view of the submissions made above, the contentions made by the Applicant in this para are denied.

8 That save those points which have expressly been admitted hereinabove others may be deemed to have been denied by the answering Respondent.

9. That in the premises as aforesaid it is respectfully submitted that the present application is devoid of merit and is not maintainable both in law and fact and as such it is liable to be dismissed with costs in so far as the answering Respondent is concerned.

In the matter :-

Reply affidavit for and on behalf
of the Respondent No.9.

I, L.K.Haokip, M.P.S. now serving as Superintendent of Police, C.I.D., Crime Branch, Manipur, do hereby solemnly state as follows :-

1. That I am the respondent No.9 in the present proceedings/case and as such I am competent to swear this affidavit. I have gone through the application as well as the annexures enclosed therewith and I am fully conversant with the facts of the same.
2. That the Respondent No.9 begs to submit that the application of the applicant is not maintainable for there is no cause of action in as much as the result of the Selection Committee held on 20-12-2000 for promotion to I.P.S. from amongst the cadre officers of the Manipur Police Service including Respondent No.9 is not yet published and as such the application is premature and deserves outright dismissal/rejection.
3. That with reference to paragraph No.1 to 3 of the application under reply the answering Respondent No.9 begs to submit that since the result of the selection Committee held on 20-12-2000 for promotion of the Manipur Police Service cadre officers to IPS is not yet published there is no question of the inclusion or non inclusion of the names

of the answering Respondent or the applicant in the select list as of now and as such there is no question of violation of statutory Rules, Regulations and Government guidelines holding the field, and also of running the period of limitation for filing application for challenging the said selection.

4. That with reference to paragraph No.4.1 and 4.2 of the application the answering Respondent have nothing to say.

5. That with reference to paragraph No.4.3 and 4.4 of the application the answering Respondent begs to submit that the applicant entered the services of the Manipur Police way back in the year 1964 (31-3-64) as Sub-Inspector of Police and during this relevant period the minimum age for entering service as Sub-Inspector of Police under direct recruitment is 20 years as per relevant Recruitment Rules. As per record, the recorded date of birth of the applicant is 30-01-46 which means that the applicant entered his service on 31-3-1964 when he was hardly 18(eighteen) years of age whereas under the relevant recruitment rules the minimum age for joining service as Sub-Inspector of Police is 20(twenty) years. Under the facts and circumstances stated above there is every room to have doubt that the applicant's original date of birth has been illegally changed/manipulated. In any case the date of birth of the applicant cannot be later than March 1944 for joining his service as Sub-Inspector of Police on 31-3-1964.

Copies of the Gazette notification showings the minimum age for entries in service as Sub-Inspector of Police are annexed as Annexure-'A'.

6. That as regards paragraph No.4.5 of the application under reply, the answering Respondent begs to submit that the submission of the applicant that he was illegally left out in the last selection held on 20-12-2000 for promotion to IPS due to improper consideration of his case, is false, incorrect and misleading in as much as the result of the selection held on 20-12-2000 is not yet published. It is a matter of surprise that how did the applicant gain access to the records of the proceedings of the said selection Committee and that too before the result is made public ;

Further it is submitted that as already stated in paragraph No.5 above the applicant has already crossed 54 years of age on 1-1-2000 and he was not eligible to be included in the zone of consideration for promotion to I.P.S. in the selection committee held on 20.12.2000. Yet the applicant managed to have his name included in the zone of consideration by showing his dubious date of birth (30.01.46).

It is also submitted that the applicant's submission that the said year being the last year eligible for consideration of the applicant for promotion to P.P.S. has got no relevance to the rules for the said promotion as the applicant is not required to get promotion merely because it is his last chance.

7. That, with reference to paragraph No.4.6 of the application under reply it is denied that the Applicant, who is a promotee MPS officer of 1981 batch, has got a better service record than the Respondents No.8 and 9 who are direct recruit MPS officers of 1975 batch. It is highly questionable and objectionable as to how the applicant came to know the

grading of the officers including his own and of other officers, which are highly confidential as it amounts to violation of the provisions of the official Secrets Act and official decorum and norms, on the part of the Applicant to gain access to the said confidential documents. From the conduct of the Applicant as shown in his application under reply it may be submitted that if averments of the Applicant regarding the ACRs is correct, there is every possibility that the Applicant might have managed and manipulated the ACRs in his favour and against the Respondent No.8 and 9.

It may be pertinent to mention here that in the present application under reply the applicant stated that the Respondents No.8 and 9 have been selected for promotion to IPS in the selection committee held on 20.12.2000 and the said selection is being challenged in the present case before this Ld. Tribunal on one hand and on the other the answering Respondent No.9 received a true copy of the CAVEAT application dated 2nd April, 2001 filed by the Applicant in the Hon'ble Gauhati High Court, Imphal Bench. The CAVEAT application discloses that the Applicant files the same in expectation of a Writ Petition likely to be filed by the answering Respondent (non-Caveator) praying for a writ/order/direction in the nature of Mandamus for directing the concerned authorities to declare the result of the Selection Committee meeting held on 20/12/2000 for preparing a list of members of the Manipur (State) Police Service (MPS) under Regulation 5 and 7 of the Indian Police Service (Appointment by Promotion) Regulation, 1955 for promotion to the Manipur/Tripura Joint Cadre of the I.P.S.

The present application under reply and the Caveat application mentioned above are quite contradictory. The applicant files the present application on mere surmise and not basing on facts that constitute cause of action. Therefore, the application is liable to be rejected/dismissed.

Photocopy of the Caveat application dated 2nd April, 2001 is enclosed as ANNEXURE-8.

8. That, with reference to paragraph No.4.7 of the application under reply the answering Respondent No.9 begs to reiterate that the result of the meeting of selection committee held on 20.12.2000 is not yet published and the averments/allegations made in the said application are based on surmise. The averments made in the said paragraph speaks volumes of about the integrity of the applicant himself who could get access to the records of the proceedings of the said selection committee meeting held on 20.12.2000 at New Delhi for which result is also not yet published.

Regarding the applicant's averment that the Selection Committee took into consideration the ACRs for the last five years viz 1994-95, 1995-96, 1996-97, 1997-98 and 1998-99 the answering Respondent have nothing to comment except that during the said period there was no disciplinary proceedings pending against the Respondent No.9 and also there was no charge sheet filed against the answering Respondent during the said period in connection with any criminal case.

9. That, regarding the averments made in paragraph No.4.8 the answering Respondent No.9 has nothing to comment and the same is to be replied by the Respondent No.8.

10. That, with reference to paragraph No.4.9 and 4.10 of the application under reply the answering Respondent begs to submit that a false case being FIR No.322(8)98 IPS, U/S. 121/121-A/400/212 IPC, 13 UA(P) Act and 25(I-B) was registered against six persons initially and the same FIR was later on manipulated and the name of the answering Respondent was also included as the 7th(Seventh) accused at the behest of some interested person and charge sheet dated 12.5.99 was submitted. The case has been disposed of finally by the Chief Judicial Magistrate, Imphal on 21.04.2001 holding that there is no material for framing charge against the accused and all the accused persons have been discharged from the liability of the case. It is also submitted, as stated in paragraph No.8 above, during the relevant period from 1994-1995 upto 1998-99 there was no departmental proceeding pending against the answering Respondent.

Copy of the Judgment and order dated 21.04.2001 passed by the Ld. CJM, Imphal is annexed as ANNEXURE-C.

11. That, with reference to paragraph No.4.11 of the application under reply the answering Respondent begs to say that as stated above the result of Selection Committee meeting held on 20.12.2000 is not yet published, the allegations and averments of the Applicant made therein are unfounded, baseless and cannot be believed as the Applicant or the answering Respondent are not supposed to know all those things.

.. 8/-

12. That, as regards the allegations and averments made in paragraph No.4.12 of the application under reply the answering Respondent submits that the same are wild allegations which are devoid of truth. It is for the Selection Committee to select or not to select any candidate according to their wisdom and practice, basing on the materials they require. Until the result of the said selection is out the Applicant and also the answering Respondent cannot question anything pertaining to the said selection. Therefore, the submission of the Applicant that his case was not properly considered or that there was improper consideration and the same has resulted in miscarriage of justice is out and out false, hence denied.

The ACR gradings mentioned by the Applicant is his own assessment based on no material basis and as such cannot be acted upon.

From the submissions made by him in his application under reply it is apparent that the Applicant has lost sight of the aspect that he is junior to the Respondents No.8 and 9 by more than 6(six) years.

13. That, as regards paragraph No.4.13 of the Application under reply it is submitted that the composition of the Selection Committee was made as per rules governing the Manipur and Tripura joint Cadre of I.P.S. However, it is submitted that this matter may be best replied by the concerned Respondent.

14. That, as regards paragraph No.4.14 and 4.15 of the application under reply the answering Respondent No.9 submits that he has no knowledge if a move is on in the

Government of Manipur for issuing the integrity certificate in respect of the Respondents No.8 and 9. From the submissions of the applicant it may not be wrong to say that the Applicant is indulging in the habit of stealing confidential documents from different departments including UPSC which per se speaks about his integrity being a responsible officer of the Manipur Police. Otherwise, the present O.A. has been filed by the Applicant on mere surmise. It is submitted that the applicant has been playing hide and seek game from his initial appointment as Sub-Inspector of Police way back on 31.03.1964 in which his minimum age for joining the said service was 20 years and later on he managed to show his date of birth as 1.2.1946 for the purpose of including his name among the eligible candidates for promotion to I.P.S. in the Selection Committee meeting held on 20.12.2000. Thus, the Applicant has shown that he has two different sets of dates of birth viz one for entering in service and another for other service benefits. From all the said acts and conduct of the Applicant it is submitted that he has not come with clean hands in filing the present O.A. and the same deserves dismissal.

15. That, with reference to paragraph No.4.16,4.17 and 4.18 of the application under reply the answering Respondent begs to state that since the result of the said Selection Committee is not yet published there is no question of deprivation of any right of the Applicant. The rests of the averments are to be dealt with by the concerned authorities.

16. That, as regards to paragraph No.5.1 to 5.11. of the application under reply, the answering Respondent No.9 begs to submit that the grounds stated therein may be raised by and available to the applicant only after the cause of action for filing the present case has taken place i.e., after the result of the said Selection Committee held on 20.12.2000 has been made public as stated in the foregoing paragraphs. Therefore, the grounds made by the Applicant are premature and not tenable and deserves outright rejection.

17. That, as regards paragraph No.6 and 7 of the application under reply, the Applicant is put to strict proof of the contents thereof.

18. That, with reference to paragraph No.8 and 9 of the application under reply the answering Respondent begs to state that in view of the facts, circumstances and statements made in the foregoing paragraphs of this reply affidavit the Applicant has no cause of action and he is not entitled to any of the reliefs in as much as the application is premature and as such the Applicant has no right to install the process of selection without any tangible ground/basis and merely on surmise. Therefore the Applicant is not entitled to the interim relief for restraining official Respondents from promoting the persons duly selected by the selection Committee to the post of IPS during the pendency of this application.

The application of the applicant is devoid of merit and deserves to be dismissed.

6. The trial of warrant cases by Magistrates of cases instituted on a police report deals in Chapter XIX of Cr.P.C. from Sec. 238 to Sec. 243. As Sec. 238 Cr.P.C. have already complied with proceeded U/S 239 Cr.P.C. The parties are heard on whether there is sufficient ground for framing charges against the accused or not. At the very outset, the Ld. counsel for the accused submitted that there is no sufficient ground for framing charge against the accused. The Ld. counsel submitted that the sanction issued U/S 39 Arms Act was issued by District Magistrate, Imphal West who is incompetent to issue the same in the present case. He submitted that the alleged occurrence took place at the house of the accused at New Lambulane which is situated within the Imphal East District. Hence, sanction U/S 39 Arms Act in the present case is to be issued by the District Magistrate, Imphal East. As the sanction was issued by the incompetent authority, it is an invalid sanction and no prosecution can be launched U/S 25(1-B) against the accused.

P.P. on 5-4-2001 filed an application dated 5-4-2001 stating amongst other that through bonafide mistake the prosecution sanction was obtained from the District Magistrate, Imphal West. Considering the fact that the case was investigated by police station which is within the jurisdiction of District Magistrate, Imphal West instead of obtaining the said sanction from the District Magistrate, Imphal East and prayed for withdrawal of the charge sheet with a prayer for allowing to file fresh charge sheet after obtaining prosecution sanction against the accused persons. The said application was rejected Vide Order dated 19.4.2001.

proper and competent authority. Hence, the present sanction is a wrong sanction. Hence, by virtue of Sec. 39 Arms Act, prosecution against the accused under Sec. 25(I-B) Arms Act cannot be instituted.

9. The next point to be considered is that whether in the above facts and circumstances, charge under Sec. 212 I.P.C. should be framed against the accused No. 7 or whether there is any materials for framing charge U/S 212 I.P.C. against the accused No. 7. For framing charge U/S 212IPC, prosecution is to show the following materials. Viz.

- (i) an offence must have been committed i.e.; completed, and there must be an "offender"
- (ii) there must be harbouring or concealment of the person known or reasonably believed to be the offender; and
- (iii) there must be intention on the part of the accused, to screen the offender from the legal punishment i.e mere giving of food and shelter as a matter of ~~high~~ humanity, to a person in distress is not punishable.

10. Prosecution case is that the accused No. 7 Lulkhel Khaijamang Haokip has harboured the accused No. 1 to 6 on the said day of occurrence knowing or having reason to believe at the time that they have committed an offence U/S 400 I.P.C. read with Sec.120-B I.P.C. and Sec.

25(I-B) Arms Act with the intention to screen them from legal punishment, and thereby committed an offence U/S 212 IPC of the offence regarding Sec. 400 I.P.C. Id.

Sessions Judge, Manipur East held that there is no material for framing charge under Sec. 400I.P.C. In order to make a person triable under this Section i.e. S.212 I.P.C. there must be in the first place, the commission of an offence. Hence, the first thing to be proved is that an offence had been committed by the person harboured and until he is convicted of the offence, no prosecution can be launched U/S 212 I.P.C. for harbouring the offender (Parichan Singh 1944 P.W. N . 521), Sec. 212 I.P.C. never speaks of harbouring an accused or an absconder. It concerns for

harbouring of an offender with intention to screen him

from punishment. The accused No.1 to 6 like other accused are presumed to be innocent untill they are convicted after due procedure. Further, the intention required U/S 212 I.P.C. is to screen the offender from legal punishment. But not to screen the accused from legal prosecution. There can be no legal punishment unless the offender was guilty. Only Court can say after necessary proceeding that they are offender or not. But, the accused persons are still not subjected to any proceeding and untill the Court has pronounced upon the fact, a prosecution for harbouring the accused is clearly prematured. So long as there is not a clear finding of guilt as against the said accused No.1 to 6 in respect of the alleged offences by a competent Court, there cannot be any prosecution against accused No.7.

11. Apart from the above discussions in the present case as there is no proper sanction for prosecution, of the accused No.1 to 6, this Court is not competent to proceed the case against the accused No. 1 to 6.

-AND-

IN THE MATTER OF :-

Reply affidavit for and on
behalf of the Respondent No.8.

I, N.Ngaraipam, M.P.S., now serving as Commandant, Home Guards(V), Manipur, Imphal do hereby take oath and solemnly state as follows:

1. That, the deponent herein is the Respondent No.8 and as such he is competent to swear this affidavit. The deponent gone through the application as well as annexures annexed thereto and understood the contents of the same. All the Statements made in this reply affidavit are true to the knowledge of the deponent and these statements are made on the basis of records.
2. That, at the outset the Respondent No.8 submits that the application is not maintainable for the reason that no cause of action has taken place as yet as no promotion has been made to any person whatsoever. Till today, the result of the selection for promotion to IPS from amongst the Manipur Police service cadre is not published and as such the application is premature and liable to be dismissed/rejected on this ground.

Contd....3/-

3. That, as regards para No.1 & 3 of the application under reply, the answering Respondent No.8 denies the statement that the non-inclusion if any of the name of the applicant in the select list for promotion to IPS was the result of violation of Statutory Rules or Regulations or Guidelines holding the field. It is unfortunate that the applicant without having full knowledge and facts of the selection as well as consideration of all the eligible candidates for promotion who are within the zone of consideration, filed the application on assumption and mere surmise and that too even before the result of the selection. Hence, the application is very much premature and not maintainable. At the same time, since, the time for challenging the selection has not come up, there is no question of running the period of limitation.

4. That, as regards para No.2 of the application, the answering Respondent No.8 have nothing to say.

5. That, as regards para No.4.1 and 4.2 the answering Respondent have nothing to say.

6. That, as regards para No.4.3, the answering Respondent No.8 submits that as per the then relevant recruitment rules, the age limit for entering service as Sub-Inspector of Police by

direct recruitment is minimum 20 yrs. and maximum 25 yrs. As per record, the recorded date of birth of the applicant is 30-01-46. However, if he entered service as Sub-Inspector of Police on 31/3/64 he should be minimum 20 yrs. of age on this day. Hence, his date of birth should be prior to 1944 for entering service as Sub-Inspector of Police on 31-3-64. In the situation, the applicant has crossed the age limit for consideration for promotion to IPS and as such he is not even eligible for consideration. Accordingly, as per facts of the case there is every room to have doubt in the date of birth of the applicant.

7. That, as regards para No. 4.4 of the application, the answering Respondent has nothing to say.

8. That, as regards para No. 4.5 of the application under reply, the answering Respondent No. 8 submits that the fact that the present year being the last year eligible for consideration has got no relevance to the rules for promotion to IPS as the incumbent is not required to be promoted merely because it is his last chance.

9. That, as regards para No. 4.6 of the application under reply, the answering Respondent No. 8 submits that the averment/statement made herein are merely self praising. It is not only the appli-

cant who has a distinguished service but it is also the answering respondent who has perhaps better service record than the applicant. Apart from this, it is not understood as to how the applicant has gathered informations, which are highly confidential. It is highly questionable as to how the applicant has come to the conclusions that he has got as many as 5 outstandings during the last five years. More so as to how he has come to know of the gradings of the answering respondents. The applicant is liable to be punished as per the law for having access to the documents, which are highly confidential. It is also possible that if the averments made regarding ACRs is correct there is every possibility that the applicant might have managed and manipulated the ACRs in his favour and against the respondent 8 & 9.

10. That, as regards para No. 4.7, of the application, the answering Respondent No. 8 submits that it is highly questionable and objectionable as to how the applicant has come to know of the results of the selection Committee which is not even made public as yet. It is also questionable as to how the applicant has come to know that the entire details about respondent 8 & 9 were not placed before the Selection Committee.

Contd...6/-

If at all any disciplinary or criminal proceedings are pending against any of the incumbents it is not for the applicant to have a knowledge of the same as to whether the same has been placed before the selection Committee or not. Mere pendency of such proceedings does not debar anyone from being considered for promotion. Disciplinary proceeding should be initiated against the applicant himself for giving false informations regarding his date of birth as stated in the foregoing paragraph and for acquiring confidential documents and using it.

11. That, as regards para No. 4.8 & 4.10 of the application, the answering Respondent submits that it is a serious matter and highly objectionable that the applicant has come to know of the fact that the respondent No. 8 has been nominated as selectee No. 1 though the result of the said selection has not yet been made public. The amount of allegedly misappropriated as mentioned in the application is to the tune of more than 356 (three hundred fifty six) crores which is unimaginative as even the entire budget of the State for the said period did not reach that amount. Therefore the applicant deserves to be severely penalised for making such reckless allegation wherein the figure is given in such a manner as if the

Contd...7/-

161

applicant has the full knowledge of the same. Such an act of the applicant making wild allegation to such density amounts to giving misinformation to the Hon'ble Court which amounts to perjury and hence the applicant should not be left unpanished. As regards the charges it is submitted that the Govt. had already taken the decision to drop the same as it was found to be baseless and unsustainable. Further, mere according of sanction for prosecution of a Criminal charge against the Respondent No.8 does not mean that the charges are proved and that the encumbant can not be considered for promotion. Apart from that the Govt. of Manipur had already took a decision to dropped the prosecution against the Respondent No.8, However, the same is yet to be materialised.

12. That, as regards para No.4.9 of the application under reply, the answering Respondent No.8 have nothing to say as the same is to be replied by the Respondent No.9.

13. That, as regards para No.4.11 of the application under reply the answering Respondent No.8 submit, that it is for the Selection Committee to consider about the suitability of the candidates who are to be selected or not. The examinee cannot be the examiner himself. The applicant being a candidate himself is not supposed to know the results of the selection before the same is made public

Contd....8/-

and this is exactly what has happened in the present case. All the charges that has been levelled against the respondent No.8 are the handiworks of some vested interest and from the disclosures made in the applications the involvement of the applicant himself cannot be ruled out. None of the charges has been proved therefore respondent No.8 cannot be victimised on the basis of mere allegations and reports which is yet to be proved. Hence, it is denied that any information was deliverately withheld from the Selection Committee by the concerned authority.

14. That, as regards para No.4.12 of the application under reply, the Respondent No.8 submits that the contents of the present para is highly objectionable as it contains the disclosures which are highly confidential which could not be made public even after the declaration of the result of the Selection Committee. The averment are such that it appears that the applicant himself was not only a member of the Selection Committee but he was the Chairman of the same. A candidate is never supposed to know what has been stated in the present application.

The respondent No.8 has been awarded the Presidents' Police Medal for gallantry for his excellent valour shown during the C.I. operations apart from other medals he received.

Contd...9/-

The entire sub-para contained facts and figures as well as submission which cannot be possibly stated by a candidate in petition filed by him. It is reiterated that the applicant is liable to be prosecuted for having access to the contents of the minutes of the Selection Committee which is confidential and which cannot be made public even after the announcement of the result.

The ACR gradings stated by the applicant is his own calculation and not based on any materials. Hence, the same has nothing to do with the present case.

15. That, as regards para No. 4.13 of the application under reply, the answering Respondent No. 8 submits that a Committee for selection of suitable persons for appointment of State Police Officers to I.P.S. by promotion has been constituted under Regulation No. 3 of the Indian Police Service (Appointment by Promotion) Regulations, 1955; which runs as follows.

"3. Constitution of the Committee to make selection:-

(1) There shall be constituted for a State Cadre or & Joint Cadre a Committee constituting of the Chairman of the Commission or, where the Chairman is unable to attend, any other Member of the Commission representing it and the following other member namely:-

(a) For State other than Joint Cadre:

i) Chief Secretary;

ii) Officer not below the rank of Secretary to the Government incharge of Home Department;

iii) Director-General and Inspector-General of Police;

Contd...10/-

Where no Cadre post of Director-General and Inspector General of Police exists, then the Inspector General of Police;

- iv) A member of the Service not below the rank of Deputy Inspector-General of Police; and
 - v) A nominee of the Govt. of India ~~not~~ below the rank of Joint Secretary.
- (b) For joint Cadre posts other than Arunachal Pradesh Coa-Mizoram-Union Territories:
- i) Chief Secretary to the Govts. of the Constituent States;
 - ii) Director-General and Inspector General of Police of the Constituent States;

OR

Where no cadre posts of Director, General and Inspector-General of Police exists, then the Inspector General of Police of the constituent States:

- iii) A nominee of the Govt. of India not below the rank of Joint Secretary.
- (c) For Joint Cadre of Arunachal Pradesh-Coa-Mizoram Union Territories;
- i) Chief Secretary, Govt. of Arunachal Pradesh;
 - ii) Chief Secretary, Govt. of Coa;
 - iii) Chief Secretary, Govt. of Mizoram;
 - iv) Chief Secretary, Delhi;
 - v) Chief Secretary, Pondichary;
 - vi) Inspector General of Police, Arunachal Pradesh;
 - vii) Inspector General of Police, Coa;

- viii) Inspector General of Police, Mizoram;
ix) Commissioner of Police, Delhi;
x) Inspector General of Police, Pondichery;
xi) Chief Secretary, Andaman and Nicobar Islands.
xii) Inspector General of Police, Andaman and
Nicobar Islands.
xiii) Joint Secretary (UT) Ministry of Home Affairs;
xiv) One nominee of the Govt. of India not below
the rank of Joint Secretary;

NOTE :-1. (Omitted)

(2) (The Chairman or the member of the Commission shall preside at all meetings of the Committee at which he is present.

(3) The absence of member, other than the Chairman or member of the Commission, shall not invalidate the proceedings of the Committee if more than half the members of the Committee had attended its meetings."

In the circumstances, since the Selection Committee consists of the Respondent No. 3 to 7, the Committee is a duly constituted committee as provided under Regulation No. 3 of the I.P.S. (Appointment by promotion) Regulations, 1955.

16. That, as regards para No. 4.14 and 4.15 of the application under reply, the answering Respondent No. 8 submits that the applicant is not supposed to know everything which is going on ⁱⁿ the Govt. of Manipur. The applicant is worried of the integrity

Contd...

of the answering Respondent but he failed to see his own integrity in stating many facts which are not supposed to be in his knowledge and more so when such facts are mere surmise. The applicant has flouted all the norms and rules of official secrets and have disclosed all i.e. Secret and confidential which are of highly irregular in nature and the same are made only for the purpose of gathering sympathy of the Hon'ble Tribunal and not for any other purpose.

Hence, the applicant failed to approach the Tribunal with clean hands and as such his application is liable to be rejected. From the statements made in this paras, it is indicated that the applicant is seemed to have been knowing everything about the selection as well as the action of the Hon'ble Tribunal. Such acts are highly objectionable as it could be a miscarriage justice if the applicant is let to go off without any penal action.

17. That, as regards para No. 4.16, 4.17 and 4.18 of the application under reply, the answering Respondent No. 8 have nothing to say as the same are to be dealt with by the authority concerned.

18. That, as regards para No. 5 of the application under reply, the answering Respondent No. 8 submits that the grounds described under ground No. 5.1 to 5.11 are the grounds to be dealt with after the cause of action of the present case has been taken place. Hence, these grounds can not be considered in a premature petition.

Contd...11/-

The challenge to a promotion is to be made only when the result of the selection Committee is available and the promotion has been made and not prior to the completion of the selection process leading to the promotion. At the same time, the gradings of the ACRs of all the concerned candidates are to be appreciated by the Selection Board only and the gradings are not supposed to be known by any candidate and as such the grounds made by the applicant are not tenable and deserves to be rejected outright.

19. That, as regards para No. 6 & 7 of the application under reply, the answering Respondent have nothing to say except that the correctness of the same are subject to the strict proof to be made by the applicant.

20. That, as regards para No. 8 & 9 of the application, the answering Respondent submits that in view of the facts and statements made in this reply affidavit the applicant is not entitled to any of the reliefs inasmuch as the application is premature and the applicant has no right to install the process of selection except his right to challenge the promotion after the issuance of the order of promotion and not prior to such occurrence. If such selection process is installed on the mere surmise of the applicant that will amount to open a flood

Contd....12/-

gate and no employee can get promotion by the entire finance in the process of selection. Hence, the applicant is also not entitled to the interim relief for restraining the official Respondent from promoting the persons duly selected by the Selection Committee to the post of IPS during the pendency of the application.

V E R I F I C A T I O N

Verified that the statements made in this Reply Affidavit in para No. 1 to 20 are true to my knowledge and these statements are made on the basis of records.
