This application is in form

M. B. No. 56,422/2000
for its disposal vide
O.A. 44/2000
Dated 18.2.2001

1.3.2001

By an order No.03/2000 dated 28.1.2001 the Commissioner of Customs North Eastern Region, Shillong transferred the applicant from Dowki L.C.S to Central Excise, Shillong. At the relevant time the applicant was working as Inspector at Dowki L.C.S. The aforementioned order placing the applicant Shri K.K.Malakar at the disposal of the Commissioner, Central Excise was assailed before the Tribunal in O.A.44/2000. The respondents contested the same and stated that as per the policy guidelines the applicant was transferred from Customs and Central Excise. It was inter alia stated that since the applicant has completed more than 9 years in Customs department he was required to be transferred in the light of the guidelines. The Tribunal considering the respective claims declined to intervene the aforesaid transfer order. Therefore,

contd..

1.3.2001 the order placing the applicant at the disposal of the Commissioner, Central Excise was upheld. As a consequence the concerned authority was to take steps for ^{the} release of the applicant from Dawki L.C.S and to place him with the disposal of Commissioner, Central Excise. While things rested at that stage the impugned order dated 16.2.2001 was passed transferring the applicant from Dawki L.C.S to Nampong L.C.S by the Commissioner of Customs, N.E. Region, Shillong. Apparently the order seems to be in ^{congruous} ~~contradictory~~ in view of the earlier decision that was taken by the respondents for placing the applicant at the disposal of the Commissioner, Central Excise.

Heard Mr K.N.Choudhury, learned Sr. counsel appearing for the applicant and also Mr A.Deb Roy, learned Sr.C.G.S.C for the respondents.

We are of the opinion that the respondents instead of transferring the applicant as a Customs Officer ought to have taken necessary steps to release the applicant at the disposal of the Commissioner, Central Excise for necessary posting. In our view the aforesaid order was passed due to some misgivings. Be that as it may, we are of the opinion that ends of justice will be met if a direction is issued on the respondents No.2 and 3 to pass necessary orders for posting the applicant under the Commissioner of Central Excise on his release from the Customs department. We accordingly direct the respondents to take necessary follow up action as directed and till then the operation of the order dated 16.2.2001 transferring the applicant from Dawki L.C.S to Nampong L.C.S shall be kept in abeyance insofar as it relates to the applicant until further order is passed to that effect by the concerned authority.

Represented by the Secretary,
Department of Finance,

- 2) Commissioner of Customs,
N.E. Region, Shillong.
- 3) Commissioner of Central Excise,

.... RESPONDENTS.

DETAILS OF APPLICATION :

1. Particulars of Order against which the Application
has been made :

contd... p 2.

Kshitendu. Mr. Malakar

2.

This application is made against the Order No. 05/2001 dated 16.02.2001 issued by the Commissioner of Customs, North-Eastern Region, Shillong transferring the Applicant from Dawki LSC under Shillong Customs Division to Nampong LSC under Dimapur Customs Division.

2. Jurisdiction :

The applicant declares that this Hon'ble Tribunal has got jurisdiction to adjudicate the matter in regard to which this application is made.

3. Limitation :

The applicant further declares that this application is well within the period of limitation prescribed under Section 21 of the Administrative Tribunal Act, 1985.

4. Facts of the Case :

4.1) That the applicant is a citizen of India and a permanent resident of the State of Assam in the district of Karimganj (Assam). The applicant joined the then Customs and Central Excise Department in the year 1984 as an Inspector. From 1984 to 1994 the applicant served the Agartala Customs Division in different Units. In 1994, the

contd... p 3.

3.

applicant was transferred to Karimganj Customs Division. Thereafter vide Order No. 4/99 dated 9.04.1999 issued by the Respondent No. 2, the applicant was transferred from Karimganj Division to Dawki LSC. It is pertinent to state herein that the applicant neither represented nor opted for the transfer, but complied with the said order. Barely after six months the applicant has again been transferred from Dawki LSC to Bholaganj LSC vide Order No. 22/99 dated 16.11.1999, issued by Respondent No. 2.

A copy of the Order dated 16.11.1999 is annexed hereto and is marked as Annexure - I.

4.2) That the applicant states that the Office of the Respondent No. 2 vide C. No. II(26)20/ET-III/95 dated 21-9.1999 has issued a Circular governing Annual General Transfer of Superintendents/Inspector Grade 6. As per the said Office Order/Circular, Inspector who have been posted continuously in the Divisional Office, Ranges, LSC/preventive post for a period of six years and above, three years and two years respectively will be due for transfer. From the above office order it can be gathered that the applicant who is working as Inspector in Land Custom Station at Dawki can be transferred only after two years. It would also be seen that the applicant worked for five years from 1994 to April, 1999 at Karimganj Division. This is the professed norms and this is what has been incorporated in the Office Order dated 21.9.1999. The Respondents must justify their

contd... p 4.

Kshitendu Mr. Malakar

4.

departure from such professed norms. It would thus be seen that the aforesaid transfer order dated 16.11.1999 has been issued in violation of the guidelines noted above.

A copy of the said Office Order dtd. 21.9.99 issued by the Office of the Respondent No. 2 is annexed hereto and marked as Annexure - II.

4.3) That the applicant states that apart from violating the guidelines issued by the Respondent No. 2, the Respondents have also violated the professed norms governing transfer in passing the aforesaid Order. It is brought to the notice of this Hon'ble Tribunal that the applicant's parents who are aged persons are staying at Karimganj. Both the parents are suffering from old age ailments and are under medical treatment and are not in a position to move to out. In this connection it would also be pertinent to mention that the applicant was transferred from Agartala Division to Karimganj Division in public interest and not at the option or request of the applicant. Therefore, having regard to the above guidelines, the Respondents are duty bound to allow the applicant to complete his tenure of two years at Dawki LSC.

4.4) That the applicant states that the applicant served the department with utmost sincerity and devotion and there is no blemish what-so-ever in his service career.

contd....

Kshitendra. Ks. Malakar

5.

Recently the applicant has been selected for Superintendent scale of pay under Assured Career Progression Scheme by the B.P.C.

4.5) That the applicant states that the Respondents while issuing the aforesaid order of transfer violated the professed norms formulated by the Department in the matter of transfer. As pointed out above, barely after six months of joining at Dawki, the applicant has again been transferred. The applicant never represented before the authority or opted for Dawki, which is 400 KM away from Karimganj. Yet the applicant complied with the order and joined at Dawki LSC. Having joined the Respondents must allow the applicant to complete the tenure. Such action on the part of the authority cannot be in the public interest. Atleast the Authority must justify the departure from the guidelines by producing the records.

4.6) That being aggrieved by the impugned order of the transfer, the applicant filed a representation to the Respondent No. 2 through proper channel on 19.11.1999, praying for recalling the order and prayed for allowing him to complete his tenure at Dawki LSC in terms of the Office Order dated 21.9.1999.

A copy of the representation dtd, 19.11.99 is annexed hereto and is marked as Annexure- III.

contd....

Kshitendu. Ur. Malakar

4.7) That the applicant states that the authority did not consider the representation filed by the applicant. Situated at thus the applicant had no option but to approach this Hon'ble Tribunal by way of filing O.A. No. 417/99. In the said Original Application the applicant pressed into service all the grounds mentioned above. This Hon'ble Tribunal being prima facie satisfied about the illegality committed by the authority in passing the order No. 22/99 dated 16.11.1999 was pleased to dispose of the O.A. No. 417/99 vide order dated 13.12.1999 with direction to the Respondents to dispose of the representation dated 19.11.99 submitted by the applicant by a speaking order. It was also ordered that till disposal of the representation the applicant shall be allowed to continue in his present place of posting, i.e. Dawki LSC Liberty was also given to the applicant to approach this Hon'ble Tribunal if he still feels aggrieved.

A copy of the said Order dated 13.12.1999 passed in O.A. No. 417/99 is annexed hereto and is marked as Annexure - IV.

4.8) That after passing of the order dated 19.12.99 in O.A. No. 417/99, the applicant immediately served a copy thereof before the respondents for compliance. But till date the respondents have not disposed of the representation. At least till date the respondents have not communicated anything to the applicant in this regard.

contd...

Kshitendru. Mr. Malakar

7.

4.9) That while the matter rested at this the applicant was shocked and surprised to receive the Order No. 03/2000 dated 28.01.2000 issued by the respondent No. 2 by which the services of the applicant has been placed at the disposal of the respondent No. 3, that too, in a different department.

A copy of the said Order No. 03/2000 dated 28.01.2000 is annexed hereto and is marked as Annexure - V.

4.10) That the applicant challenged the legality of the Order No. 3/2000 dated 28.1.2000 in O.A. No. 44/2000. It was contented that the respondents without complying with the order dated 13.12.1999 passed in O.A. No. 417/99 could not have passed the order dated 28.1.2000. However, relying upon Order No. 1/93 dated 16.6.1993 issued by the Principal Collector, Customs and Central Excise, it was contented by the respondents that the applicant having completed more than 4 years in Customs Formation is due for transfer to Central Excise Formation. Although an interim order was passed on 8.2.2000, but the O.A. No. 44/2000 filed by the applicant came to be dismissed on 9.2.2001.

A copy of the said Judgement and Order dated 9.2.2001 passed in O.A. No. 44/2000 is annexed hereto and is marked as Annexure - VI.

4.11) That from the Judgement dated 9.2.2001, it is

contd....

Kshitendu. Kr. Malakar

17
8.

evident that this Hon'ble Tribunal approved the action of the Respondents in transferring the applicant from Customs to Central Excise Formation. In this regard the Hon'ble Tribunal Tribunal relied upon the order No. 1/93 dated 16.6.93. As a matter of fact the respondent No. 2 is not competent to pass any order in respect of the applicant as the applicant was transferred to Central Excise Formation. Moreover, it was the stand of the respondent No. 2 in the Written Statement filed in Original Application No. 44/2000 that the applicant was released from the Custom Formation. Pursuant to the Judgement dated 9.2.2001 it was for the Respondent No. 3 to issue necessary order for posting of the applicant.

4.12) That while the matter rested at this the Respondent No. 2 most ~~unexpected~~ surreptitiously passed the impugned order No. 5/2001 dated 16.2.2001 whereby the applicant has been transferred from Dawki LCS under Shillong Customs Division to Nampong LCS under Dimapur Customs Division.

A copy of the said order dated 16.2.2001 is annexed hereto and is marked as Annexure - VII.

4.13) That the applicant states that if the applicant is to be retained in Customs Formation as is sought to be done, then the stand taken by the respondents that the applicant has been transferred to Central Excise Formation

contd...

Kshitish, Mr. Malakan

on completion of 4 years tenure in Customs loses all its force. As a matter of fact this Hon'ble Tribunal having approved the plea of the respondents that the applicant cannot be retained in Customs Formation, it is not open to the respondent No. 2 to retain the applicant again in Customs. This Hon'ble Tribunal did not interfere with the Order dated 28.1.2000 as according to this Hon'ble Tribunal the said Order is in conformity with order No. 1/93 dated 16.6.1993. Therefore, keeping in view the Judgement dated 9.2.2001 passed in Original Application No. 44/2000 the applicant is deemed to be in Central Excise and the only exercise that is left is to give a posting order to the applicant by the respondent No. 3.

4.14) That under the facts and circumstances stated above this Hon'ble Tribunal may be pleased to set aside the impugned order of transfer dated 16.02.2001 in so far as the applicant is concerned.

4.15) That this application has been filed bonafide and in the interest of justice.

5. Grounds for relief with legal provisions :

5.1) For that the respondents committed manifest error of law apparent on the face of the records in passing the order dated 16.2.2001 which is inconsistent with the

contd....

Kshitendra Kr. Malakar

stand taken by the respondents in Original Application No. 44/2000. Therefore the impugned order is legally not sustainable.

5.2) For that the respondents having taken the plea in Original Application No. 44/2000 to the effect that the applicant has been rightly transferred to Central Excise Formation in view of Order No. 1/93 dated 16.6.93, it is not open to the respondent No. 2 to retain the applicant in Customs especially after the order dated 9.2.2001 was passed in Original Application No. 44/2000 by which the order dated 28.1.2000 transferring the applicant to Central Excise has been upheld.

5.3) For that in view of the Judgement dated 9.2.2001 passed in Original Application No. 44/2000 the applicant is deemed to have been transferred to Central Excise. Moreover, the respondent No. 2 could not have passed the impugned order dated 16.2.2001 after having taken the stand in Original Application No. 44/2000 that the applicant has been released from Customs. In any case it is for the respondent No. 3 to pass necessary order for posting of the applicant in Central Excise. Therefore, the impugned order is exfacie arbitrary and legally not sustainable.

5.4) For that the applicant has been discriminated

contd...

Kshitemulu. Mr. Malakar

in the matter of transfer and posting in violation of the aforesaid office order dated 21.9.1999.

5.5) For that the impugned order is legally not sustainable as admittedly the same is violative of the aforesaid office order and professed norms, in as much as the applicant has not completed his tenure posting at Dawki LCS.

5.6) For that the action of the Respondents in not disposing of the representation dated 19.11.1999 and communicating the result of the applicant is also violative of the law laid down by the Apex Court. It is true that transfer orders can be issued in administrative exigency but in effecting such transfers, the Authority is bound to take note of the guidelines governing such transfers. Further, if any representation is filed, the same has to be disposed of having regard to the guidelines as well as the hardship faced by the Government Servant. The same having not been done, the impugned order is legally not sustainable.

5.7) For that the respondents have violated administrative fair play and has displayed abject arbitrariness in passing the impugned order.

6. Details of remedies exhausted :

That the applicant begs to state that he

contd...

Kshitendra Kr. Malakar

has exhausted all the remedies available to him and there is no other alternative remedy than to approach the Hon'ble Tribunal by way of filing this application.

7. Matters not previously filed or pending before any other court :

That the applicant further begs to declare that he has not previously filed and writ petition/ application or suit before any court or authority or any other Benches of the Hon'ble Tribunal regarding the grievances for which this application has been made and nor they are pending before any of them.

8. Relief sought for :

Under the facts and circumstances, the applicant prays that the instant application be admitted, records be called for and after hearing the parties on the cause or causes that may be shown and on perusal of the records be further pleased to grant the following relief.

8.1) To set aside and quash the impugned Order No. 05/2001 dated 16.2.2001 issued by Commissioner of Customs, North Eastern Region, Shillong, Respondent No. 2 as far as applicant is concerned.

contd....

Kshitendu. Mr. Malakar

13.

8.2) To direct the Respondent No. 3 to issue necessary order for posting of the applicant under Central Excise Formation.

8.3) Cost of the application.

8.4) Any other relief/reliefs to which the applicant is entitled to under the facts and circumstances of the case and as may be deem fit and proper.

9. Interim Order prayed for :

Pending disposal of the application the applicant prays that the impugned order No. 05/2001 dated 16.2.2001 as far as applicant is concerned be suspended.

10. The application is filed through Advocate.

11. Particulars of the I.P.O.

Respected sir

Most humbly and respectfully, I lay the following few lines before your sagacious mind for sympathetic consideration.

That Sir, I am an Inspector and have been transferred from Karimganj Division to Dawki L.C Station as per order of the Commissioner of Customs vide his office order no 4/99 Dated 09.04.99, communicated under endorsement no II(3)I/ET/CC/CELL/SH/99 Dated 04.04.99. It is pertinent to mention that I have neither represented nor opted for this unit, but complied with the order of the administration.

It is shocking that once again I am ordered to be transferred to Bholaganja LCS in term of the order no 22/99 Dated 16.11.99 of the Commissioner of Customs, Shillong and that too within a spell of 6 months for no apparent reason. It is irony of fate that I am transferred on public interest to Dawki and I have complied with the order and once I settled my family score, I am again transferred to Bholaganja, which has brought me severe hardship.

In this regard, I like to mention that the transfer policy formulated by you and communicated to this office vide Shillong Division Cno II(27)1/ET/AC(SH)/Cus-DIV/95/799-801 Dated 14.10.99 forwarding the memo of the Joint Commissioner (P&V) no II(26)20/ET/III/95/60975-1037 Dated 23 sept.99 has categorically enunciated the transfer policy and it was made 2 years criteria for a station posting and moreover, those who are ripe for the transfer were given option to submit their choice of posting. I have neither completed 2 years nor given a chance to submit an option, as I do not come under any criteria for transfer. I have consciously not done any wrong in my works nor my superior ever noticed anything adverse, hence I do not deserve punishments by way of frequent transfers, while others more senior were not touched.

That Sir, I feel aggrieved by the frequent transfers, not in consonance with the transfer policy and feel denied of equitable justice, as some will be transferred based on policy and option, hence I lodge my grievance before your honour for sympathetic consideration.

Under the circumstances, I fervently pray to your good self to kindly retain me at my present place of posting at Dawki or else I may be allowed to move to the appropriate authority for seeking justice.

Yours faithfully

K. K. Malakar

Inspector, Dawki LCS

Present : Hon'ble Mr Justice D.N.Baruah,
Vice-Chairman.

The applicant has approached this Tribunal challenging the frequent transfer orders. According to the applicant within months he was transferred from one place to another for the second time, which has caused great hardship to the applicant and the members of his family. He submitted Annexure-III representation dated 19.11.1999 but as nothing was done and the transfer order was going to be implemented the applicant has approached this Tribunal.

Heard Mr K.N.Choudhury, learned counsel for the applicant and Mr B.C.Pathak, learned Addl.C.G.S.C for the respondents. It is true that frequent transfers cause dislocation and hardship to the members

<p>is audit of the family. The rule also suggests that a person normally should not be transferred within 2 to 3 years. However on the prayer of the employee transfer can be made prior to that also. The impugned transfer order does not indicate any such emergent nature. On considering the submissions of the learned counsel for the parties I feel that the authority should dispose of the representation as early as possible, at any rate, within a period of one month from the date of receipt of this order and communicate the same to the applicant. While disposing of the representation the authority shall look to the relevant rules and various decisions of the apex Court and pass a reasoned order. Till disposal of the representation the applicant shall be allowed to continue in his present place of posting. If the applicant is still aggrieved he may approach this Tribunal.</p> <p>The application is disposed of. No order as to costs.</p>	13.12.99

SHARMA K.K., MEMBER (A).

In this application the applicant has challenged the order of transfer No.3/2000 dated 28.1.2000 issued by the Commissioner of Customs, Shillong transferring the applicant from Dawki Land Customs Station to Central Excise, Shillong.

2. The applicant joined the Customs and Central Excise Department in the year 1984. From 1984 to 1994 the applicant served the Agartala Customs Division in different units. In 1994 he was transferred to Karimganj Customs Division vide order No. 4/99 dated 9.4.99. The applicant was transfereed from Karimganj. Division to Dawki Land Customs Station within six months vide order No. 22/99 dated 16.11.99 the applicant was transferred from Dawki Land Customs Station to Bholaganj Land Customs

Station. It is claimed that the respondent No.2 issued a circular on 21.9.99 giving the transfer guidelines. As per the said circular Inspectors who had been posted continuously in LCS/ Preventive post were due for transfer after two years. As such the applicant who was working at Land Customs Station, Dawki could be transferred only after two years. It is stated that the transfeer order dated 16.11.99 has been issued in violation of the guidelines issued by the respondent No.2. It is stated that the parents of the applicant are staying at Karimganj and they are not keeping good health and they are under medical treatment. The applicant has two school going children. As the transfer is made in the mid year the same will effect their academic career. The applicant had never represented before the respondents for posting at Dawki. The applicant prays that he should be allowed to complete his tenure at Dawki. The applicant made a representation dated 19.11.99 with respondent No.2 through proper channel. The said representation is still pending. As the respondents did not consider the representation dated 19.11.99 the applicant approached this Tribunal by filing O.A. 417/99. By order dated 13.12.99 this Tribunal gave direction to the respondents to dispose of the representation of the applicant dated 19.11.99 within one month by staying the order of transfer. Till disposal of the representation, the applicant was allowed to continue in his present place of posting. While the applicant was expecting the disposal of his representtion he was surprised to receive the impugned order No. 3/2000 dated 28.1.200 by which the services of the applicant have been placed at the disposal of Collector of Central Excise. The applicant has challenged this order alleging that it is irregular,

arbitrary and malafide especially when the representation filed by the applicant is still pending for disposal. It is claimed that the applicant cannot be transferred to any place without disposing the representation dated 19.11.99. The applicant has prayed for setting aside the impugned order of transfer dated 28.1.2000.

2. Shri B.C.Das, learned counsel appearing on behalf of the applicant argued that as per the transfer policy which has been placed at Annexure-2 to the O.A. the Inspector working in Land Customs Station would be due for transfer only on completion of two years at a station. As the applicant was posted at Dawki on 9.4.99 on transfer he was not due for transfer.

3. The respondents have filed written statement. Shri Deb Roy learned Sr. C.G.S.C. argued that Customs and Central Excise are the two branches of the same department. As per the transfer policy Inspectors are due for transfer after four years in one branch. The applicant has completed nine years in customs with a break of four months. The children of the applicant are studying at Karimganj and not staying with the applicant at Dawki. His parents are also not staying with him. He pointed out that transfer of the applicant to Shillong would not be in any way inconvenient to the applicant as Karimganj, where his family stays, is nearer to Shillong than Dawki or Bholaganj. He referred to Annexure 1 to the written statement which is the order dated 16.6.93 of Principal Collector of Customs and Central Excise, Calcutta laying down the established policy of the department. As per the guidelines Inspectors of Customs and Central Excise work for a period not exceeding four years in one branch and with a maximum of two years within one station. He submitted that the applicant has been

working in Customs department for more than nine years. If the applicant has been transferred to the Central Excise Department on completion of nine years the transfer cannot be considered arbitrary, as it is as per the established policy of the department. He submitted that two years posting at a station should be within the limit of ^{4 yrs} in either branch of the Department. He also argued that the transfer of the applicant was made as per the transfer guidelines of Department and it cannot be said to be in violation of the order of the Tribunal passed in O.A. No. 417/99 dated 13.12.99. He also relied on the decision of this Tribunal in O.A. 231/99 dated 24.11.99 in the case of Shri Pranab Sikdar Vs. U.O.I & Ors. which was also a case of transfer from Customs wherein the Tribunal held that "the period of stay in a particular station according to the guidelines dated 30.6.1994 is normally 4 years. But premature transfer of an employee can be directed by a competent authority if administratively required. The administrative necessities are best known to the authority concerned and he is the best judge how to meet such necessities."

4. I have considered the submissions made by the learned counsel for the applicant as well as for the respondents. It is seen that the applicant has completed more than 9 year in customs department and as per the terms and guidelines issued by the Principal Collector of Customs and Central Excise the normal stay in one branch of the department is four years. Having completed nine years in customs department the applicant was overdue for transfer. The applicant has been transferred after a long stay in customs department.
