O R D E R

CHOWDHURY. J. (V.C.)

The applicant, in the begining was an officer in
the State Forest Service, Assam. He was appointed to the
Indian Forest Service (IFS for short) with effect from

12.2.1997 in terms of the Indian Forest Service (Appointment by Promotion) Regulations, 1966. By order dated 27.5.1998, the Government of India, Ministry of Environment and Forests determined 1991 as the year of allotment of the applicant alongwith nine other State Forest Service Officers borne on the Assam - Meghalaya Joint Cadre of IFS of Assam and Meghalaya in accordance with the provisions of IFS (Regulation of Seniority) Rules, 1968. The applicant made representation before the authority for antedating his year of allotment. Failing to get redressel from the authority the present O.a. is being presented assailing the action of the respondents and also for antedating the year of allotment.

2. The applicant contended that the respondents acted in a most illegal fashion in not holding the timely meeting of the Section Committee. The applicant also assailed the action of the respondents for not taking into account the State Deputation Reserve in computing the promotional vacancies. The further grievance of the applicant against the respondents was confined on the inaction on the part of the concerned authority in holding the triennial review which caused great failure of justice.

3. The respondent No.1 - Union of India as well as the respondent No.2 - State of Assam submitted their written statements opposing the claim of the applicant. The Union of India in its written statement, amongst others pleaded that the application was barred by limitation. In the written statement, the Union of India contended the the applicant could not be allowed to raise the issue of promotion from anterior date after a lapse of five years from the date of promotion. In the written statement.....

statement the respondents also asserted that there was no illegality on the part of the respondents in determining the year of allotment. The State of Assam also submitted its written statement denying and disputing the claim of the applicant.

4. Mr B. Chakraborty, the learned counsel for the applicant, strenuously contended that the applicant since became eligible for consideration as far back as 1981 and his case was not considered at the appropriate time for appointment to the All India Service in conformity of the Recruitment Rules which caused great failure of justice. The learned counsel asserted and contended that failure to hold the Selection Committee meeting in each year as per law, had affected his career seriously, not only in breach of the rules, but the same also caused great failure of justice. The learned counsel, referring to the IFS Cadre Rules contended that a statutory duty was cast on the Central Government to review the strength of the cadre within the time enjoined in the rules and the respondent authority failed to discharge its statutory obligation without any just cause. In reply to the contention of limitation raised by Mr A. Deb Roy, learned Sr. C.G.S.C., Mr Chakraborty contended that since a great injustice was caused to the applicant, the applicant is entitled for the equitable relief which was deliberately denied by the respondents. Mr Chakraborty contended that the applicant represented his cause and the respondent authority in oblivious to the statutory duty was dragging their feet for which the applicant was not responsible.

5. Admittedly, the applicant was appointed to the IFS as far back as February 1997 in terms of the IFS (Appointment by Promotion) Regulations, 1966. The applicant, however, chose to move the Tribunal in May 2002. "Equity" can come into aid only to the vigilant - "Vigilantibus Non Dormientibus Leges Subveniunt." Equity follows the law. A Tribunal or Court cannot overlook the spirit of the law of limitation. On the expiry of the period of limitation a right is accrued to the adverse party. Such party should be allowed to rest on the oar instead of exposing him to a worn out claim as was pithily observed by Lord Brightman in Yew Bon Tew Vs. Kenderaan Bas Maria, (1982) 3 All England Report 833:

"When a period of limitation has expired, a potential defendant should be able to assume that he is no longer at risk from a stale claim. He should be able to part with his papers if they exist and discard any proofs of witnesses, which have been taken, discharge his solicitor if has been retained and order his affairs on the basis that his potential liability has gone."

No rational justification was found as to why the applicant could not raise his grievance within the period of limitation. We, however, did not consider it to be appropriate to slam the door on the point of limitation. We, therefore, thought it apposite to address into the broader issues raised by the learned counsel for the applicant and therefore, perused the materials those were made available to us.

6. The materials on record clearly pointed out that in the State of Assam, it had a cadre strength of thirtythree senior duty posts before the cadre review in 1987. The promotion quota as per the amended Regulations 1998 was more than one-third of the senior duty posts and Central deputation reserve (i.e. 20% of the senior duty posts). The respondent No.1 in its reply asserted that

till.....

till the cadre review in the year 1995, the promotion quota for Assam segment from Assam - Meghalaya Joint Cadre of IFS was 20. Needless to state that appointments depend upon the availability of vacancies in promotion quota with due regard to seniority. From the reply submitted by the State of Assam it transpired that Selection Committee meetings were held in 1975, 1977 and 1982. In the year 1975, six officers were promoted to the IFS, seven officers in the year 1977 and eight officers were appointed to the IFS in the year 1982. The reply of the State Government did not indicate clearly as to whether any Selection Committee meeting was held in between 1983 to 1990. However, the matter was not required to be probed into in this O.A. on the basis of the pleadings. The reply, however, mentioned that no promotions were made in the year 1991 and 1993 due to intervention by the Court. The Selection Committee meeting was, however, held in 1994, wherein four officers were promoted to the IFS and seven officers were promoted to the IFS in the year 1996.

7. On consideration of all the aspects of the matter, even on merits we do not find any invalidity in the action of the respondents in preparing the Select List and flaws in cadre review on the fact situation. No injustice, as such is caused to the applicant requiring judicial review.

8. The Judgement of the Supreme Court in S. Ramanathan Vs. Union of India and others, reported in (2001) 2 SCC 118 referred to by Mr B. Chakraborty, learned counsel for the applicant, is a decision distinguishable on facts.

9. For all the reasons stated above, the application is liable to be dismissed and accordingly the same is dismissed. There shall, however, be no order as to costs.

27.2.75 was appointed as Assistant Conservator of Forests (ACF in short) and he joined in the post on 5.3.75. Thereafter vide an order No 17/74/151 dated 18.3.75, the applicant's service as ACF was regularised. The service of the applicant was later on confirmed vide an order No. 59/82/160 dated 16.11.89.

The copy of the initial appointment order dated 27.2.75 is annexed herewith as ANNEXURE-A.

3. That the humble applicant as ACF, served under different Forest Divisions, namely, South Kamrup Forest Division, Guwahati; Working Plan Division, Kachugaon & Haltugaon Division under Kokrajhar district till 19.1.81 with sincerity and dedication.

4. That vide an order dated 20.1.81, the applicant was duly promoted to the rank of Deputy Conservator of Forests (DCF in short). DFO Karbi Anglong West Division, Diphu; Afforestation Division, Diphu; DFO Darrang Division, Mangaldoi and Kamrup East Division, Guwahati. After serving at various divisions, the applicant at present is posted as Forest Utilisation Officer, Assam, a post in the rank of DCF where he was joined on 25.11.99 and still continuing in the same post till the date of filing this application. Be it stated here that the applicant served for 26 years with nothing adverse known against him and has remain stagnant in same post which is quite humiliating for him.

6. That on 16.11.89, the Respondent No. 2 published the draft gradation list of Class-I SFS Officers where in the name of the applicant appeared at serial NO. 18. The applicant craves leave to produce and rely on the gradation list dated 16.11.89 whenever required so.

7. That the applicant was finally appointed upon promotion to Indian Forest Services vide an order dated 12.02.97 which was again reissued under memo. No. FRE. 125/91/378 dated 14.02.97 by the Govt. of Assam..

A copy of the said order of promotion dated 12.02.97 is annexed herewith ANNEXURE C.

8. That the total cadre strength in the Senior Duty Post in the year 1973 was 29 in Assam & Meghalaya cadre, and out of which the state of Assam was given 24 Senior Duty Posts of which 8 posts were meant for share in promotional quota at 33 1/3 %. Similarly in the year 1981, the

.....Contd.

A statement showing the position of Senior Duty posts as per deemed Authorised Cadre Strength is annexed here with as ANNEXURE-D.

9. That as there was no cadre review from 1981 onwards, the number of duty posts remained the same and the state wise allotment also remained unchanged. The various year wise duty posts which prevailed as per State Govt. Notified Authorised Cadre Strength and calculated as per Deemed Authorised Cadre Strength and promotion claimed therein upto 1990 are detailed below and the applicant craves leave to furnish the details of the preceding ^{year} if necessary at a later stage.

Year	As per State Govt. Notified Authorised Cadre Strength(NACS)				As per Deemed Authorised Cadre Strength (DACS)				
	NACS	Cent. Deputan.	Total	Promotional Quota at 33 1/3 %	DACS	Cent. Deptn.	State Deptn.	Total	Promotional Quota at 33 1/3 %
1981	29	6	35	11	60	12	7	79	26

1986	39	8	47	15	89	18	11	118	39

1989	50	10	60	20	98	20	25	143	48
1990	50	10	60	20	101	20	25	146	49

Thus it can be seen that when there was actually more number of posts, the authority calculated the percentage of promotional quota on Notified Authorised cadre Strength instead of Deemed Authorised Cadre Strength for which the SFS officers suffered. Further, as there was no cadre review, deemed cadre strength was also not taken into consideration and also the meeting of the annual selection committee was not held in time. The above figure also give the details of the applicant's position as per deemed cadre strength at the relevant period of time when he was eligible for appointment to IFS on promotion. In due course the position of the applicant elevated further due to death of two cadre officers.

The above number of posts remain stagnant till 1995 when the cadre strength was reviewed for the first time after 1978 though a mathematical adjustment was done in the year 1987 which cannot be termed as cadre review.

10. That it is stated that the calculation as described above for the number of posts has been arrived as per the decision given by the Hon'ble Central Administrative Tribunal, Calcutta Bench in O.A. No.994/1990 decided on 26/7/94 where in the Hon'ble Tribunal for uniformity of allocation of posts decided that service conditions of All India Service Officers are the same irrespective of the state cadre to which they belong. Hence there should

.....Contd.

be uniformity of criterion in all the states in determining the cadre strength as per IFS (Fixation of Cadre Strength) Regulations, 1964. The Hon'ble Tribunal while delivering the judgement, relied on the judgement and order passed by the Hon'ble CAT, Jabbalpur in TA 81/1986 (K.K. Goswami vs Union of India reported in 1987 (4) SLJ(CAT) 194 Jab). The said decision of the CAT, Jabbalpur Bench was assailed before the Hon'ble Supreme Court in SLP NO. 11025/1987 and vide order dated 18.4.88, the SLP was dismissed.

10.-A That earlier while calculating promotion post, on the strength of Senior Duty posts were done as per the schedule as enumerated under the IFS(Fixation of Cadre Strength) Regulations, 1966 where in item no. 5 was never taken into consideration as per Recruitment Rule existed upto 21.2.89. But the Hon'ble Calcutta CAT judgement observed that while calculating posts for the promotee quota, the item No.5 also needs to be added in determining the number of posts to be allotted to the SFS officers under promotion quota.

As such when the number of posts to be filled up by promotion in Assam & Meghalaya cadre as on 1.1.81 should have been 26 but it was shown as 11, i.e. short of 15 posts. The calculation as prescribed under the Regulations of Seniority Rules 1968 is shown in the table below:

Senior posts under the Assam & Meghalaya Cadre

	As per NACS	As per DACS
1. Total Senior Duty Posts:	29	60
2. Central deputation(20% of item 1 above)	6	12

.....Contd.

File Dan

-9-

3. Posts to be filled by promotion (33&1/2% of item No. 1,2&5 together)	11	28
4. Direct Recruit posts (Item No.1 -2)	24	53
5. Deputation Reserved (state) (15% of item No. 1 above)	Nll	7
6. Leave Reserve		

11. That the year wise duty posts and the promotee posts would have been from 1981 onwards upto 1983 in the following manner:

Year	DACS	Promotional Posts for SFS Officers	Promotional Posts granted on the basis of NACS	Resultant Shortfall in Promotion
1981	79	26	11	15
1982	82	27	15	12
1983	85	28	15	13

Describing the way as stated above, it can be seen that in 1981, there was a total 15 shortfall in promotees quota and for such the applicant who was entitled for promotion in 1981 as per the recruitment rules was illegally denied. The above discrepancies occurred due to not holding the mandatory triennial cadre review in time. Had the same been done, the applicant would have been appointed upon promotion way back in 1981. Thus from the year 1983 onwards where there should have been a notified cadre strength of 79, treated now as Deemed Authorised Cadre Strength arising out of non conducting of mandatory Triennial cadre Review and non preparation of Statutory Annual Select List. Because of such, the promotional quota which ought to have been increased remain below depriving the eligible SFS Officers of their legitimate dues.

.....Contd.

12. That it is stated that the state of Assam is a constituent of the Joint Cadre Authority in matters of notional allocation of the promotion quota for the then U.T./State constituents units as framed by the Ministry of Environment and Forest, Govt. of India which is the controlling authority. The Govt. of India accordingly vide official letter dated 25.1.95 sought concurrence from the constituents units for approval for distribution of notional allocation for promotion to the post of IFS.

13. That finally vide an order dated 27.5.98 issued by the Respondent No.1, the applicant's year of allotment in the IFS was fixed as 1991. The applicant having submitted a representation on 10.3.98 addressing the concerned authority of the Govt. of India which was duly forwarded by the Govt. Of Assam on 18.4.98 submitted another on 31.3.99 which was forwarded by the Govt. of Assam vide its communication dated 20.7.99. The copies of the order of allotment dated 27.5.98, the representation dated 10.3.98 along with the forwarding letter and the subsequent representation dated 31.3.99 are annexed herewith as ANNEXURE- E, F & G respectively.

14. That be it stated here that in response to the applicant's representation, the Respondent No. 1 has sought for comments vide its letter dated 20.8.99 from the respective Govt. of Assam and Meghalaya. Though the

.....Contd.

File Dar 26

Govt. of Meghalaya had sent their comments vide communication dated 21.8.99 under memo No. FOR. 73/99/10, the Govt. of Assam are yet to sent their comments and as such the matter till date could not be process and has been kept pending. The applicant making a last effort, on 5.1.2001 submitted another representation before the Respondent No. 1 and a copy of the same was also forwarded to the Prime Minister Office. In response to the same, very recently^{in the 1st part of 2002} the matter was enquired by the Office of the Prime Minister who has requested for an early action in this regard. Despite all this, the Respondent No. 2 are yet to sent their comments. Since the applicant's case has not been decided, it was for this reason the year of allotment order has not been passed till date for the promotion made in the year 1998-1999.

A copy of the representation dated 5.01.2001 is annexed herewith as ANNEXURE-H.

15. That the applicant begs to state that having appointed in a substantive and sanctioned posts which is very much evident from the allotted cadre strength for promotion quota, the unnecessary and unexplained delay caused in cadre reviewing and holding meeting of the selection committee upon wrong calculation of promotion posts has deprived the petitioner to get promoted to IFS from 1981 when same became due and when posts were readily available. The applicant ought to have been promoted from 1981 with year of allotment as 1977 when he was fit and suitable for the appointment to IFS.

.....Contd.

File No 27

16. That the applicant humbly begs to state that had the applicant been promoted to the post of IFS with year of allotment as 1981 when same became due, the petitioner would have been promoted by now, to a higher scale of pay. The applicant instead of getting the higher pay scale is being given lower pay scale and as such the pay scale has remain stagnant for the last few years which occurred due to non holding of cadre review and preparing annual select list. The applicant in this way not only lost his seniority but as well was deprived from better pay and packages.

17. That it is stated that the relevant service conditions relating to promotion, appointment, selection etc. in matters of IFS cadre in the present case, are governed by the following rules, namely-

1. **The IFS(Recruitment) Rules, 1966.** Rule 4 speaks about method of recruitment and Rule 4(b) provides for promotion from substantive members from State Forests Services. Rule 8 provides promotion from SFS cadre and also laid down that the number of person to be recruited.
2. **The IFS (Appointment by Promotion) Rules, 1966:** Rule 5 prescribes that every year list of eligible candidates who have completed 8 years of service has to be prepared which in case should include number of eligible candidates as 3 times the vacancy. The said rule also speaks about that the list has to be review every year and if there is any adverse entry same has to be communicated to the Central Govt. Rule 8 of the said Rule provides for the State Govt. to appoint person of SFS cadre to appoint in cadre posts.

.....Contd.

File Don 28

3. Rule 2 (g) of the IFS (Regulation of Seniority) Rules, 1968 defines a senior post as a post included and specified under item 1 of the Cadre of each state in the schedule to the IFS (Fixation of Cadre Strength) Regulations, 1966 and includes post included in the number of posts specified in item 2 and 5 of the said cadre when held on senior scale of pay, by an officer recruited to the Service in accordance with sub-rule (1) of Rule 4 or Rule 7 of the Recruitment Rules. The said calculation is also needs to be read along with the judgement and order so passed in O.A. No. 994/1990 as passed by the Hon'ble CAT, Calcutta Bench.

4. Rule 4(2) of the IFS (Cadre) Rules, 1966 prescribes that there should be timely review of cadre every 3 years.

5. Rule 8 (3) of the IFS (Recruitment) Rules, 1966 emphasis that Central Govt. may make appointment of persons from the SFS and when a vacancy occurs in a joint cadre which has to be filled up according to the provisions of this rule, vacancy shall, subject to the agreement in this behalf be filled by member of SFS of any one of the constituent state of the group.

18. That the applicant humbly states that the action of the Respondents in not promoting the applicant to the IFS cadre when posts were readily available and when same became due has been done in most arbitrary and mala fide manner exercising power colourably. The promotion ought to have been done by reviewing the cadre and holding meeting of the

Selection Committee in time and in the instant case there was no cadre review from time to time and for such irregularity, the applicant was subjected to loss of service benefits for no fault of his own.

19. That had the Respondents would have promoted the applicant against the vacant posts occurred under the cadre in the year 1981, the applicant could have been attending the senior cadre posts with better benefits by this time. In the instant case, the Respondents till date, has unnecessarily kept the matter hanging without taking any decision and as such the applicant was made to remain stagnant for years.

1973
1981

20. That recruitment of SFS officers to IFS was made in Assam in 1977 and then in 1983. Thereafter it was made in 1994, 1996 and in 1997 when the applicant was appointed to IFS with year of allotment as 1991.

It is very clear from the above scenario that during the last 21 years from 1977 to 1997, the meeting of the selection committee held for 5 (five) times only when it was mandatory to held so annually. Again in between 1981 and 1997, the selection committee held 4 times only. Had there been timely selection and holding of cadre review, the applicant would have appointed much earlier. This irregularity has caused immense hardships on the applicant.

The statements showing the year wise holding of Cadre Review and meeting of Annual Selection Committee are annexed herewith as ANNEXURE-I & J.

.....Contd.

J. K. Das

21. That the principle laid down in the IFS Service Rules for Triennial cadre review and preparation of annual select list for recruitment through promotion had a mythical status for Assam and later on for Assam & Meghalaya Joint cadre of IFS. The cadre management of SFS officers in Assam is so pathetic that the applicant who is of 1973-75 batch, has been promoted to IFS along with SFS officers of Meghalaya of 1978-80 and 1979-81 batch, who are 3 to 4 years junior to him in service. Persons such as Sri Andrew Lyngdoh, Sri C.P. Shullai, Sri K.S. Lyngdoh who were appointed in the year 1978-79 in the State Forest Services were also allotted the same year 1991 along with the applicant.
22. That the applicant begs to state that the Govt. of India issued a circular for holding DPC laying down the guidelines to be followed therein. The Respondents in the following case has overlooked such guidelines for which the applicant was made to suffer.
23. That the applicant further begs to state that when it being the admitted position that the applicant was eligible for promotion to IFS in the year 1981 after completing 8 years of service. It is also the admitted position that there was no cadre review and holding of selection committee meeting in time under the rules and guidelines. As a result of such unreasonable and unjust act, no SFS officers from the state could be promoted when posts were available at 33 1/3 % which has caused hardships to the applicant. The Respondent No.1 In a similar

circumstances admitting the hardships caused to the SFS cadre from the state of J & K and has allotted year retrospectively when same was due by issuing a notification dated 27.2.97. The applicant being similarly situated deserves similar treatment.

The copy of the notification dated 27.2.97 is annexed herewith as ANNEXURE K.

24. That it is stated that the selection committee which ought to have met every year for preparing a list panel as per rules framed under IFS (Appointment by Promotion) Rules, 1966, but the meeting of the selection committee has held 5 times in 20 years clubbing all the unfilled vacancies which is illegal. Had the meeting been held regularly, the applicant would have been promoted to IFS in the year 1981 when posts were readily available and when the same became due to the applicant.
25. That it is humbly stated here that the applicant is entitled to be promoted earlier to IFS as per explanation to the IFS (regulation of Seniority) Rules, 1968 and is also entitled to the benefit of officiating period also as he discharged duty of DFO in many cadre divisions with intimation to the appropriate authority with satisfaction before his induction to the IFS. The applicant also underwent various courses within India successfully during his service career.

26. That this Hon'ble Tribunal under similarly situated cases has issued direction directing the Respondents to review the entire matter in the light of the benefit given to other SFS officers for not holding the cadre review and selection committee meeting in time. The applicant being similarly situated also deserve similar order.

A copy of one of such order passed in O.A. 266/2000 is annexed herewith as ANNEXURE-L.

27. That being highly aggrieved by the arbitrary and mala fide act on the part of the Respondents in not promoting the applicant to the IFS cadre in the year 1981 with year of allotment as 1977, the applicant has approached this Hon'ble tribunal with a prayer to refix his year of allotment as 1977 by quashing/ setting aside and/or modifying the order of appointment to IFS dated 12.2.97 along with the year of allotment order dated 27.5.98 to the extent refixing his year of allotment as 1977 and restoring his pay and seniority retrospectively as done in the case of SFS of the state of Jammu & Kashmir. The applicant being similarly situated deserve same treatment.

Grounds for present application.

- a. For that the Respondents never took steps in holding meeting for cadre review as well as for preparation of lists for promoting SFS officer as prescribed under the Rules and clubbed the vacancies which is contrary to the rules and did not appoint IFS officer from the promotee quota in the

.....Contd.

subsequent years for which the applicant was denied for promotion to IFS cadre in 1981 when he was fit and eligible.

- b. For that from the entire sequence of events as stated above it is apparent that the Respondents have caused unreasonably delay in holding the meeting of the Selection Committee since 1977 and in reviewing the cadre. The entire action was exercised malafidely and arbitrarily for which the case of promotion of the applicant to the IFS was further delayed and the year was reckoned as 1991 instead of 1977. As by getting promotion to IFS cadre, one is entitled to have better service benefits.
- c. For as per Explanation 1 of the IFS (Regulation of Seniority) Rules, 1968 ever since the first select list prepared by the Selection Committee constituted under Regulation 3 of the IFS (Appointment by Promotion) Rules, 1966, the period of continuous officiation in senior post declared has to be counted. Since the applicant was officiating in a senior posts from 1981 to 1997, hence his due date of promotion to IFS would be in the year 1981.
- d. For that it being apparent that the Respondents committed error and were blased in calculating the posts for SFS officers when the posts were readily available and the applicant ought to have been promoted to IFS in the year 1981 with year of allotment as 1977 and for such irregularity, the

.....Contd.

File No. 04

applicant was deprived of service benefit and seniority and his service remain stagnant for years.

- e. For that the Respondents have directly recruited regular IFS officer during this period, whereas as per IFS (Appointment by Promotion) Regulation, 1966, few seats at 33 1/3% and following the Hon'ble Calcutta CAT's judgement, ought to have gone in favour of SFS officers.
- f. For that the action of the Respondents in the instant case besides being arbitrary, illegal, malafide and biased is also violative of Article 16, 19 and 21 of the Constitution of India as because of violating of statutory provisions, the applicant was deprived of better service benefits to which he is legally entitled.
- g. For that the action of the Respondents in the instant case is patently malafide and punitive based on irrelevant and extraneous consideration. The order dated 27.5.98 thus needs to be modified in respect of the applicant by asking the Respondents to allot year of allotment as 1977 when it fell due to the applicant and when posts were readily available and he was within zone of consideration.
- h. For that the impugned action besides being arbitrary, illegal and malafide is also liable to be condemned and set aside as same has been done whimsically, capriciously and under colorable exercise of power.

.....Contd.

File Don - 35

i. For that the order so assailed and the entire exercise of power has been performed in violation of the principle of natural justice and administrative fair play. The orders as such is liable to be quashed and set aside.

j. For that in any view of the matter the impugned action is bad in law as well as in fact and as such the same is liable to be quashed and set aside.

5.-A Details of Remedies exhausted :-

The applicant declares that he has no other alternative remedy other than to approach this Hon'ble Tribunal for getting redressal.

6. Whether Any Appeal or Suit Is Pending In any Court With Regard To The Subject Matter In Agitation:

That the applicant further declares that there is no suits, application or writ petition pending before any court or tribunal with regards to the matter as agitated in this petition.

7. Details of Relief Sought for:-

Under the facts and circumstances stated above, the applicant humbly prays that this Hon'ble Tribunal may be pleased to admit this application, call for the records and after hearing the parties may be pleased to pass an order directing the Respondents to promote the applicant to IFS with retrospective benefit from the year 1981 with year of allotment as 1977 restoring his seniority with all retrospective service benefits by setting

aside and/or modifying the order/communication dated 12.2.97 (**Annexure-D**) to the extent of delayed promotion and wrong fixation of year of allotment of the applicant and 27.5.98 (**Annexure-G**) and/or pass such order/orders to which the applicant is entitled as per law and equity including the cost of the proceedings.

8. Interim reliefs if any :-

Under the present facts and circumstances, the applicant reserves his right to press for Interim order when situation arise and if there is necessity for the same.

9. Particulars of I.P.O :

I.P.O. No. dated for Rs. 50.00 (Rupees Fifty only) is enclosed.

Sub:- AWARDING YEAR OF ALLOTMENT CONSEQUENT UPON
APPOINTMENT IN THE INDIAN FOREST SERVICE .

Sir,

With great reverence and humility, I beg to submit the following by way of representation and request you to crave your kind indulgence to consider the same sympathetically .

1. That Sir, after successful completion of the training and obtaining the Diploma in Forestry from the Indian Forest College, Dehradun during 1973-75, I joined as an Asstt. Conservator of Forests in the year 1975 .

2. That Sir, after discharging my most sincere service over a period of 5(five) years, I was promoted to the rank of Deputy Conservator of Forests in 1981 and since then I have been serving in various capacities to best of my abilities .

3. That Sir, though I become eligible for Selection and promotion to Indian Forest Service in 1981 as per sub-rule (2) of Rule -5 of I.F.S. (Appointment by Promotion) Regulation, 1966, but I was selected for promotion to I.F.S. by the Selection Committee only on 07-08-96 i.e. after a long tenure of 23 years of service and notified vide Govt. of India's notification No.17013/02/96-IFS-II dt. 12-02-97 .

4. That Sir, due to repeated violations of the Rules by the Authorities in matters of timely revisions of Cadre Schedule and preparation of Annual Select list, I was deprived from getting the legitimate claim in due time . Many direct recruits I.F.S Officers were given promotion to senior time scale of pay violating the statutory rules.

5. That Sir, in this connection, I would like to draw your kind attention to sub-rule (3)(b)(ii) of Rule 6A of the I.F.S (Recruitment) Rules, 1966 wherein the state Govt. may withhold the appointment of an Officer to the Senior time scale pay till he/she passes the prescribed departmental examination. The Hon'ble Supreme Court in the Judgement dt. 15-8-97 on

Contd. P/2..

S.L.P. No. 16873 with 18567 and 19103 of 1995 has rules that no employee can enjoy promotion contrary to the statutory service Rule. But, with deep aggrieved and sorrow, I would like to mention here that due to repeated violation of the said statutory service rule, a good nos. of direct recruits who has not cleared the prescribed departmental examination, were promoted to senior scale violating the statute order.

6. That Sir, as per sub-rule (1) of Rule 5 of I.F.S (Appointment by Promotion) Regulation, 1966, it is mandatory to prepare select list every year. But in case of Assam State, Select list were not prepared for the following years -

From 1969 to 1975 & 1977

From 1979 to 1981

From 1983 to 1985

From 1987 to 1990

From the above, it would clear be seen that due to non-preparation of select list timely, the S.F.S. Officers serving in Assam-Meghalaya joint cadre suffered badly.

7. That Sir, as per I.F.S (Cadre) Rules, 1966, it is also mandatory that the Govt. of India, at a interval of every three years, revises the cadre strength. But in case of the Assam-Meghalaya joint cadre, cadre revision has not been done during 1969, 1972, 1975, 1981, 1984, 1990 and 1993. Due to non-revision of the cadre by the Authorities an unparallated stagnation in promotional prospects compared to other states has developed. This has adversely effect the joint cadre of Assam-Meghalaya and was denied from the claim of legitimate cadre strength. This has also caused a big set-back in the carrier of the humble petitioner.

8. That Sir, Rule 9(1) of I.F.S (Recruitment) Rules, 1966 stipulates that recruitment under Rules 8 in any state shall not exceed 33 1/3% of the number of Senior Duty Posts borne to the cadre of that state. Be it stated that Senior Duty Post has been defined under Rule 2(g) of I.F.S. (Regulation of seniority) Rules, 1963 which included the number of Posts Specified in item 1, 2 & 5 of the cadre Schedule of each State in the Schedule to the I.F.S (Fixation of cadre Strength) Regulation, 1966.

9. That Sir, though the Senior Duty Posts were defined, as stated above the Selection Committee while preparing the Select list always keep considering the item No. 1 & 2 of the cadre schedule ignoring item No.5 and thus an anomalous situation was created. The anomalous question was challenged before the Hon'ble CAT, Jabalpur Bench. The Hon'ble Tribunal in their judgement hold the 33 1/3% of item No.5 of the Cadre Schedule should always be taken into account while computing the size of the promotional quota, which was later on supported by the Hon'ble Supreme Court in their order dt. 18-4-88.

10. That Sir, in view of the above, the promotional quota for the Assam-Meghalaya joint cadre during, 1991 should have been atleast 30 and in the event of vacancies in the Assam unit would have been 9 and not 4. Accordingly, the select list prepared in 1991 would have contained names of 18 Officers instead of 8 and - My position being 12th in number as per the State Seniority list, would have surely appeared in the 1991 select list and I strongly believe and claim that not only my name would have appeared in the Select list but also I should have been appointed in the I.F.S. in the year 1991 itself.

11. That Sir, the fixation of seniority and year of allotment is guided by Rule 3(2)(c) read with explanation 1, 2 & 4. The following statement will establish that I had been continuously posted against cadre posts or through proxy by my juniors Since 1981 till the date of my promotion to I.F.S.

1981 - 90 - J.Das (Self)

1990 - 91 - P.P.Changkakoti

1991 - 93 - P.Kakoty / A.S.Laskar

1993 - 95 - P.Kakoty / S.Nayan

1995 - 97 - J.Das (Self)

12. That Sir, having being promoted to the I.F.S, I am feeling very much apprehensive of my year of allotment. I, therefore pray that while awarding the year of allotment, your benign self would kindly give due weightage to all the point raised in the representation and my position should be equated with any of the Officers upto 1988 batch of direct recruits, who though got promotion in gross violation of the statutory Rules as quoted in para 4 & 5, yet not passed the Departmental examination.

Contd. P/4 .

In the light of the above submissions it is fervently prayed that while awarding year of allotment your benign self would kindly examine all the points raised in the petition and consider my humble submissions with justice and fair-play and for this act of kindness I shall ever remain grateful to you .

Yours faithfully ,

(JITU DAS)

Sub : Application requesting for change of Year of Allotment and deemed date of appointment on the basis of decision taken by the Government of India, in the interpretation of Indian Forest Service Cadre Rule (4) as applied in the State of Jammu & Kashmir vide Government of India in the Ministry of Environment and Forest's notification No. 18014/07/95-IFS-II, Dt. 27.02.1997 and the principle of computation of promotion quota in K.K. Goswami - Vs - Union of India decided in the Central Administrative Tribunal, Jabalpur Bench in T.A. No. 01 of 1986 dated 9.6.87 and upheld by the Hon'ble Supreme Court of India in No. 3464/95, Dt. 24.8.95 and further explained by the Central Administrative Tribunal, Calcutta Bench in D.K. Basu - Vs - Union of India in O.A. No. 994/90, Dt. 26.7.1994 duly accepted by the Government of India & further upheld by the Central Administrative Tribunal, Guwahati Bench in Shri Ibobi Singh - Vs - Union of India & Ors. In O.A. 15/95 dated 20.01.1999.

Ref : (i) G.O.I's notification No. 17013/02/96-IFS-II, Dt. 27.5.98 and (ii) Indian Forest Service Civil List of 1998.

Sir,

1. Most respectfully, I would like to submit the following facts for your kind perusal and active consideration for redressal of my grievances.

2. That Sir, after a long tenure of 24 years in the State Forest Service, I was inducted in the Indian Forest Service vide Government of India's Notification F.No. 17013/02/96-IFS-II, Dated 12.2.97, though I was eligible for recruitment in the Indian Forest Service way back in 1981.

3. That Sir, the principles laid down in the Indian Forest Service rules for Triennial Cadre Review and preparation of annual Select List for recruitment through promotion had a mythical status for Assam and latter on for Assam - Meghalaya Joint Cadre of I.F.S. If the Triennial Cadre Review would have been there in time and Select List would have been prepared, I would have got promotion to the I.F.S. long back with much earlier year of allotment. But because of the denial of this legitimate aspiration, I have suffered immense hardships.

4. That Sir, now it has been brought to my notice that the Government of India vide their notification No. 18014/07/95-IFS-II, Dated 27.02.1997 had interpreted the Rule 4 of the Indian Forest Service Cadre Rules to the effect that the post created by the State Government would be deemed encadred just after one year and every year, the promotion quota would be computed on this principle.

5. That Sir, the Government of India had complied with the decision given by the Central Administrative Tribunal, Calcutta Bench in O.A. No. 994/90 in the matter of

Copy

withd. 8/2/99.

- 35 -

D.K. Besu - Vs - Union of India (UOI) in which the Tribunal has specifically ordered for computation of promotion quota in the I.P.S., strictly in accordance with the judgement passed by the Central Administrative Tribunal, Jabalpur Bench in the case of K.K. Goswami - Vs - Union of India from 1980 onwards and to give seniority and the consequential benefits on the basis of proforma fixation due to enhancement in promotion quota from the retrospective date.

6.1. That Sir, in view of para 4 and 5 above, I have collected the data right from 1966 regarding the number of senior duty posts created under the Government of Assam and subsequently under both the Governments of Assam and Meghalaya on annual basis, which are appended as Annexure - IA & IB.

6.2. That Sir, on the basis of the principle of deemed encadrement of the senior duty posts created by the State Governments after one year and in view of the judgements passed by the Central Administrative Tribunals, Jabalpur Bench and Calcutta Bench about inclusion of the post under item no. 5 of the cadre schedule for computation of the promotional quota, a detailed calculation has been shown in a statement appended herewith as Annexure - II.

6.3. That on the basis of Annexure - II above, I have prepared two statements, viz. Statement - 'A' and Statement 'B'. The Statement 'A' gives details of authorised senior duty posts as per notification valid on the date of eligibility of the undersigned. The Statement 'B' shows the strength of senior duty posts and the number of posts under item no. 5 on the basis of deemed encadrement of the senior duty posts created by the State Government for computation of promotion quota on the date of eligibility of the undersigned.

STATEMENT - 'A'

AS ON 01.01.1981

AUTHORISED CADRE STRENGTH OF SENIOR DUTY POSTS UNDER
ASSAM WING AS COMPUTED ON THE PRINCIPLE OF DEEMED
ENCADREMENT ON THE DATE OF ELIGIBILITY OF THE
APPLICANT

(i)	Item No. 1 of deemed authorised cadre strength (D.A.C.S.) as on date of eligibility (as per interpretation of Rule 4 of the Cadre Rules given in Jammu & Kashmir Notification; details given in Annexure - I).	60
(ii)	Item No. 2 of D.C.S. 20% of (i)	12
(iii)	Item No. 5 of D.A.C.S. 15% direct recruit, i.e. 31	7
(iv)	Promotion quota as per D.A.C.S. $[33 \frac{1}{3}\% \text{ of } (i) + (ii) + (iii)]$	26
(v)	Number of persons working against promotion quota	13
(vi)	Vacancies in promotion quota as per D.A.C.S. (iv-v)	13

7. That from the above analysis, it is apparent that my chance of getting inducted in the Indian Forest Service in the year 1981 was not there, however, the fact remains that in successive years with very rapid extension of the department, large number of posts were created.

8. That during 1978, the first review of the cadre took place for the Assam - Meghalaya Joint Cadre, i.e. after 12 years from the date of creation of Indian Forest Service but this review of the cadre was not done subjectively since as many as 23 senior duty posts created by the Government of Assam were not included in the Indian Forest Service Cadre. All these 23 posts were one year and more old. Hence, the scenario of the Statement - 'B' above in 1983 would have been as below :

STATEMENT - 'B'

AS ON 01.01.1983

(i)	Item No. 1 of D.A.C.S.	64
(ii)	Item No. 2 of D.A.C.S., i.e. 20% of (i)	13
(iii)	Item No. 5 of D.A.C.S., i.e. 15% of the direct recruits	8
(iv)	Promotion quota as per D.A.C.S., i.e. $[33 \frac{1}{3}\% \text{ of } (i) + (ii) + (iii)]$	28

(vii)	No. of officers working against promotion	19
(viii)	Vacancy under promotion quota as per D.A.C.S. [(vi)-(vii)]	12

9. That sir, on the basis of the deemed date of encadrement of the senior duty posts created by the State Government as per interpretation of Rule 4 of the Cadre Rule, I have worked out the deemed date of promotion of all the promotee Indian Forest Service Officers of the State. I am enclosing herewith a statement as Annexure - III for favour of your kind perusal, wherein my name and position is clearly shown against serial no. 33. However, due to retirement vacancy of Sl. No. 1 & 6 of Annexure-III and due to the death of Sl. No. 12, my position gets elevated to 30 and hence my eligibility is confirmed as in (vi) of the above statement 'B'.

In view of the aforesaid submission, it is humbly prayed that based on the D.A.C.S. given in the Statement - 'B' as on 01.01.1983, the date of promotion and consequent year of allotment may kindly be re-fixed and notified accordingly.

Sub : Representation of State Forest Service Officers of Assam for change in
Year of allotment in the I.F.S.

Sir,

I am forwarding herewith the representations submitted individually by the following officers selected in the Indian Forest Service from the State Forest Service Cadre with their particulars as shown below :

Sl.No. (as per seniority)	Name of the officer	Year of recruitment to S.F.S.	Year of selection to I.F.S.	Year of cadre allotment
1	2	3	4	5
1.	Shri Sarat Ch. Phatowali	1967	1995	1990
2.	Shri Tapash Kr. Das	1971	1995	1990
3.	Shri Surendra Nath Buragohain	1972	1995	1990
4.	Shri Binod Biharee Nobis	1973	1995	1990
5.	Shri Kanak Ch. Dutta	1971	1997	Not yet allotted
6.	Shri Surajit Dutta	1972	1997	1991
7.	Md. Shaherul Islam	1972	1997	1991
8.	Shri Hara Prasad Phukan	1972	1997	1991
9.	Shri Durga Kanta Basumatary	1973	1997	1991
10.	Shri Jitu Das	1973	1997	1991

The representations are based on the notification of the Government of India, Ministry of Environment and Forests vide No. 18014/07/95-IFS-II, Dated 27.02.1997, which pertain to review of the year of allotment of the State Forest Service Officers of Jammu & Kashmir State and refixing the deemed year of allotment on the basis of deemed cadre posts arising out of non-conversion of posts created to the cadre for a considerable length of time (copy enclosed for ready reference). Thus, a post was

ntpal xan.

considered as a deemed cadre post one year after its creation and accordingly the whole cadre strength at the point of time on which an officer should have got his due year of allotment was considered and refixed.

I am also enclosing herewith a copy of the order dated 20.01.99 of the Central Administrative Tribunal, Guwahati Bench in Shri Ibbi Singh Vs - Union of India and Others in O.A. No: 15 of 1995, which upheld the principle as pointed out in the representations for favour of your ready reference.

I have carefully gone through each of the representations submitted by the officers as listed above and to state that the scenario that has emerged in the State of Assam is no different than what was in Jammu & Kashmir. The relevant annexures submitted alongwith the representations are based on facts and figures only and the computation and inference made thereof have the strong ground to warrant favourable consideration. The cases as represented merit the similar consideration as have been meted out to the State Forest Service Officers of Jammu & Kashmir State.

I would request you to kindly send the representations to the Government of India in the Ministry of Environment and Forests with strong recommendations for favourable review as has already been done by the Government of India in the case of the State Forest Service Officer of Jammu & Kashmir vide notification No 18014/07/95-IFS-II, Dt. 27.02.97.

An early action is requested.

Sub :- Application requesting re-fixation of year of allotment and the date of appointment in the Indian Forest Service.

Ref. :- Letter Nos FE. 24/36/99-A dated 31.03.1999 from the P. C. C. F. Assam to the Secretary to the G. O. I., Ministry of the Environment & Forests; FRE. 36/99/72 dated 20.07.1999 from the Jt. Secretary to the Govt. of Assam, Forest Department and No 16011/ 02/99 - IFS II dated 20.08.1999 from the Under Secretary to the Govt. of India, Ministry of Environment and Forests, New Delhi.

Sir,

In inviting your kind attention to the letter cited under reference, I would most respectfully submit the following facts for favour of your perusal and expeditious redressal of my grievances.

1. That sir, how apathetic the office of the Principal Secretary to the Govt. of Assam, Forest Department towards the promotee Forest officers is amply manifest in their responses to such an important issue. While the P.C.C.F. Assam, on receipt of my representation forwarded it on 31.03.1999, the office of the Principal Secretary to the Govt. of Assam, Forest Department took almost four months to forward it to the Govt. of India on 20.07.1999. But it was heartening to find the quick response from the Govt. of India in their letter dated 20.08.1999 before expiry of even one month from the date of receipt of the letter from the Jt. Secy. to the Govt. of Assam, Forest Department.

2. That sir, while the issue related to the promotee forest officers, with longer part of their service life spent, had been languishing in some unattended file of the office of the Principal Secretary to the Govt. of Assam, Forest Department for more than 16 months (I), it was heartening to note the promptness of the same office in obtaining the approval of the Joint Cadre Authority, meeting them at the G.N.B air port, Guwahati, for the promotion of the direct recruit I.F.S officers as soon as it became due to them.

3. That sir, the Principal Secretary to the Govt. of Assam was reminded on several occasions for taking immediate actions in the matter but his studious indifference in the matter can only be construed as a

ntpal xas
...

- 41 - 5

premeditated design to debar the indigenous people from getting their due aspiration fulfilled, I am enclosing here with copies of some of the reminders given to the Commissioner and Secretary to the Govt. of Assam Forest Department for your kind perusal.

4. That air, The latest judgement given by the Hon'ble Supreme Court of India in Civil Appeal no. 2560 of 1999 on 07.12.2000. (S. Ramanathan - appellant Vs Union of India - respondent) has set the matter related to my prayer of antedated promotion with consequent fixation of correct year of allotment at an Irrevocable status. This land mark judgement of the Hon'ble Supreme court has set at rest all doubts and misconceptions regarding the responsibilities and obligations of the authorities vis - a - vis the legitimate aspirations of the employees.

In view of the foregoing paras and particularly para 1 to 3, I would most fervently request your kind intervention in this matter and to take expeditious actions for redressal of my grievances.

No. 18014/07/95 - IFS-II
Government of India
Ministry of Environment and Forests

Paryavaran Bhavan, C.G.O. Complex,
Lodhi Road, New Delhi - 110003.
Dated the 27th February, 1997.

To

The Chief Secretary,
Govt. of Jammu & Kashmir,
Srinagar.

Sub : Indian Forest Service - J & K Cadre - Revision of seniority of officers
appointed on the basis of 1995 Select List.

Sir,

I am directed to say that S/Shri V.P. Modi and 27 other State Forest Service Officers of your State were appointed to the Indian Forest Service (IFS) of J & K Cadre by promotion vide this Ministry's Notification No. 17013/07/95-IFS-II dated 12.9.95. all the 28 officers were assigned 1991 as their Year of Allotment in terms of the provisions of rule 3 (2) (a) and 3 (2) (c) of the IFS (Regulation of Seniority) Rules, 1968 vide this Ministry's Order No. 18014/7/95-IFS-II, Dt. 30.10.95.

2. Representations have been received from the officers concerned that if the Select List had been prepared annually, as envisaged in the IFS (Appointment by Promotion) Regulations, 1966, they would have been appointed to IFS earlier and consequently they would have got higher Year of Allotment than 1991 and higher seniority position than assigned now.

3. The Government of Jammu & Kashmir also recommended the relaxation of Rules/Regulations in order to assign higher Year of Allotment and seniority to the officers concerned, because the Select List of 1995 from which the above said 28 officers were appointed was prepared after a gap of about 20 years.

4. The matter has been considered carefully. It is felt that undue hardship has been caused to these officers due to delays in the Conduct of Cadre Reviews and holding of Selection Committee meetings. If the Selection Committee meetings were held annually, these officers would have been appointed to IFS much earlier and would have got higher Years of Allotment and seniority.

5. In view of the undue hardship caused to the officers concerned, the Central Government, in exercise of the powers conferred by rule 3 of the All India Services (Conditions of Service - Residuary Matters) Rules, 1960, as a ONE TIME measure is pleased to assign deemed dates of appointment to the service as shown in Column "3" and determination of Year of Allotment as shown in Column "4" of the table below. Accordingly, the deemed date of appointment of these officers have been worked out on the basis of deemed, cadre review, inclusion of their names from the year 1980 onwards which is calculated on the basis of vacancies in promotion quota at the appropriate periods and then applying the provisions of rule 3 of the IFS (Regulation of Seniority) Rules, 1968, on the basis of their deemed dates of appointment to the IFS for assigning Year of Allotment and inter-se seniority. (Statements A and B indicating as to how the vacancies were arrived at and the names of officers, who would be accommodated against each vacancy are enclosed for information.

ORDER

CHOWDHURY J. (V.C.).

The applicant originally entered into the State Forests Service in Arunachal Pradesh. He came to this Tribunal earlier for not considering his case for appointment in the Indian Forest Cadre in the year 1986 in terms of Indian Forest Service (Appointment by Promotion) Regulations, 1966 read with Indian Forest Service (Recruitment) rules 1966. The Tribunal by its judgment and order dated 12.12.1995 in O.A. No. 140/91 directed the Government of India to consider the proposal of

the State Government in respect of the applicant forwarded on 5.11.1993 taking note of the fact that vigilance case and the adverse remarks were also expunged during the pendency of the matter. The applicant was thereafter appointed in the Indian Forests Service vide Notification dated 26.2.1996 in the A.P. segment. The applicant did not receive his year of allotment. He again moved this Bench by way of an Original application which was numbered and registered as O.A. No. 238 of 1998. By order dated 10.11.1999 the application was disposed of directing the respondents to consider the representation filed by the applicant and dispose of the matter by a reasoned order. Pursuant to the said order the respondents passed the order dated 3.5.2000 which is assailed in this proceeding. The Government of India indicated that in the year 1986 the applicant was considered by the Selection Committee and the Selection Committee found him unfit for appointment to the Indian Forest Service. He was again considered in the subsequent selection. The name of the applicant was at the bottom of the list at serial No. 6. Since there were only three promotion vacancies at that time the applicant could not be appointed to IFS on the basis of the Select List. On granting of Statehood to Arunachal Pradesh, Mizoram and Goa in 1987, the Union Territories cadre of the IFS had to be reconstituted. The newly formed cadre was named as the AGMUT cadre. In the process, the Selection Committee could not meet at regular interval after 1987 and the Selection Committee met only in 1996 and on the basis of the Selection Committee Meeting held on 1996 the applicant alongwith others were appointed on 26.9.1996. The legitimacy of the action of the respondents including the aforesaid order is under challenge as arbitrary and discriminatory.

2. Mr. B. Chakraborty, learned counsel appearing on behalf of the applicant, has drawn our attention to the fact that in its delay in holding the Selection Committee Meeting.

Contd...

learned counsel for the applicant submitted that the respondent authority failed to discharge its statutory obligation in holding the Selection Committee Meeting each and every year and thereby failed to comply with the mandatory requirement enjoined in the regulation 5 of the IFS (Appointment by Promotion) Regulation. The learned counsel also submitted that the respondent authority failed to consider the case of the applicant in proper perspective and thereby caused grave failure of justice. Mr. A. Deb Roy, learned Sr. C.G.S.C. for the respondents contesting the claim of the applicant submitted that the case of the applicant was considered by the respondents and when found fit he was promoted. Mr. A. Deb Roy, learned Sr. C.G.S.C. submitted that due to reconstitution of the cadre authority the Selection Committee meeting could not be held in accordance with Regulation 5. The learned Sr. C.G.S.C. placed before us the Minutes of the Meeting of the Selection Committee held on 31.12.1987 along with the minutes of the Selection Committee Meeting dated 26.3.1996. Admittedly the Selection Committee Meeting was held in the year 1987. Thereafter no Meeting of the Selection committee was held till 26.3.1996 that too at the intervention and direction of the Principal sit of the Tribunal. A perusal of the Regulation 5 it appears that Selection Committee Meeting shall ordinarily meet at intervals not exceeding one year and prepare a list of such members of the State Civil Service as are held by them to be suitable for promotion to the service. The said clause also required that the number of members of the State Civil Service included in the list shall not be more than twice the number of substantive vacancies anticipated in the course of the period of twelve months commencing from the date of preparation list. Under clause (2) the Selection Committee was required to consider the cases of members of State Civil Service in the order of a seniority in that service of a number which was

equal to five times. (subsequently reduced to three times) the number referred to in clause (1). If clause (1) is read with the provisions of the Regulation 5 it is mandatory in holding Selection Committee Meeting at intervals not exceeding one year and for preparation of a list of members of the State Civil Service those are suitable for promotion in the service. The rules clearly point out that eligibility of the persons to be considered both in the matter of length of service and age under clause (2) and (3) of Regulation 5 is with reference to the first date of January of the year in which the Selection Committee meets and the number of members of the State Civil Service to be considered for selection is also linked with the number of substantive vacancies anticipated in the course of the period of twelve months commencing from the date of preparation of list. The decision no longer res integra in view of the consistent decision of the Supreme Court rendered in Syed Khalid Rizvi v. Union of India, 1993 Supp (3) SCC 575 and Union of India Vs. Vipinchandra Hirajal Shah, 1996 (6) SCC 721.

Admittedly the respondents in the instant case failed to hold the Selection Committee meeting after 1987 till 1996. Reasons assigned by the respondents in its delay in holding the Selection committee meeting cannot be said to be a good reason.

3. By not holding the Selection Committee Meeting for a long period unfairly affected the career progress of the applicant and persons like situated. Delay in holding the Selection Committee Meeting undoubtedly caused undue hardship on the applicant, if the selection committee meeting would have held timely the applicant would have earned appointment much earlier in the Indian Forest Service and thereby would have got higher year of allotment and seniority. The respondents in the instant case while disposing of the case of the applicant over looked those aspect of the matter which caused grave failure of justice. Needless to state that powers are entrusted on the authority for relaxation of rules and regulations in cases mentioned in Rule 3 of the All India Services (Conditions of Services Residuary matters) Rules

-50-
65

1960. We had to refer to the said Rules in view of the fact that in similar cases the Government of India took such decision to render justice and to avoid injustice. Attention was brought by Mr. B. Chakraborty, learned counsel for the applicant to the decision rendered by the Government of India, Ministry of Environment and Forests vide Memo No. 18014/07/95-IFS.II dated 28.2.1997 pertaining to IFS -J & K Cadre. In those cases also the Government of India took a decision in terms of the All India Services (Conditions of Services Residuary matters) Rules, 1960 to mitigate the hardship that arose due to the delay in holding the meeting of the Selection Committee. This case is also not different. The principles of equality requires to be consistently applied and prohibits measures which make unjustifiable and unfair within classes and individuals. We do not see any reason why the respondents shall not consider the case of the applicant and also similarly situated persons if any, for determining the date of appointment on the basis of vacancies and by allotting year of allotment as per the rules.

In view of the conclusion reached above, we direct the respondents to take up the matter afresh in accordance with law and pass a reasoned order. The respondents are directed to complete the above exercise as expeditiously as possible preferably within three months from the date of receipt of the order.

5. Subject to the observations made above, the application stands disposed of. No costs.

I do not admit any of the allegations/ averments made in the application which are not supported by records. The Statement which are not specifically admitted hereinafter are to be deemed as denied.

2. That in regard to the statements made in paragraph 4.1 of the application the answering respondent has nothing to make comment on it.

6. That in regard to the statements made in paragraph 4.5 of the application, the answering respondent has nothing to make comment on it as they are being matters of records.

7. That the statements made in paragraph 4.6 and 4.7 of the application are admitted by the answering respondent.

8. That the statements made in paragraph 4.8 of the application are being matters of records and as such the answering respondent has no comment on it.

9. That in regard to the statements made in paragraph 4.9 of the application, the answering respondent begs to state that it is fact that the triennial cadre review was not done at regular intervals. Further, it is stated that there is no cadre strength as Deemed Authorised Cadre strength (DACS). As per provision of Rule 4 of the Indian Forest Service (Cadre) Rules, 1966, the Strength and composition of the Cadre shall be determined by the Central Government in consultation with the State Government. Accordingly, the Central Govt. notified the cadre strength from time to time. 10. That in regard to the statements made in paragraph 10 of the application the answering respondent has nothing to make comment on it.

33 1/3

11. That with regard to the Statements made in paragraphs 4.10 A and 4.11 of the application, it is stated that as per provision of Rule 9 of the Indian Forest Service (Recruitment) Rules, 1966, the number of promotion posts shall not exceed 33 1/3 percent of the number of posts as shown under item (Senior duty posts) and item (Central deputation reserve posts) of the cadre. The calculation shown by the applicant under Column DACS does appear to be done as per rules. The Indian Forest Service (Recruitment) Rules, 1966, amended by the Government of India in the year 1997 vide Govt. of India's Notification No. 14015/51/96-AIS(I)-C, dated 31-12-97 . As per the said ammendment Rules, 1997 the number of promotion posts shall not exceed 33 1/3 percent of the Senior Duty posts, central deputation reserve posts, State deputation reserve posts and the training reserve posts of the cadre with effect from 1st day of January, 1998. But, the applicant in his ~~extend~~ calculation computed the promotion

posts including the State deputation reserve posts with effect from 1981. Therefore, the computation of promotion quota under DACs by the applicant from 1981 are not according to rule.

A copy of the Govt. of India's Notification dated 31.12.97 is annexed herewith and marked as Annexure-I.

12. That in regard to the statements made in paragraph 4.12 of the application the answering respondent has nothing to make comment on it as they are being matters of records.

13. That with regard to the Statements made in paragraphs 4.13 and 4.14 of the application, it is stated that the year of allotment of the applicant was fixed as 1991. Further the representation made by the applicant is under examination.

14. That with regard to the statement made in paragraphs 4.15 and 4.16 of the application, it is stated that as per rules of Indian Forest Service (Appointment by promotion) Regulation, 1966, the applicant became eligible for consideration to I.F.S. in the year 1981, but the appointment depend upon the availability of vacancies in promotion posts with due regard to Seniority. In 1981 there were 11 promotion posts and against these notified

cadre strength, there were 12 officers in position. Hence there was no scope of applicant's promotion to I.F.S. in 1981.

A copy of Govt. of India's Notification No.16016/29/75-AIS (IV-A), dated 6.1.78 and a list of promotion officers are annexed hereto and marked as Annexure II and III respectively.

15. That in regard to the statements made in paragraph 4.17 of the application, it is stated x that these are the provisions of Rules.

16. That in regard to the Statements made in paragraphs 4.18 and 4.19 of the application, it is stated that the calculation of promotion posts under DACs by the applicant from 1981 is not according to rule. The ammendment rules i.e. the Indian Forest Service(Recruitment)Amendment Rules,1997 came into force only from 1-1-98. Hence he had no scope for promotion to Indian Forest Service in 1981.

17. That in regard to the statements made in paragraph 4.20 of the application, it is stated that the position of holding the meeting given by the applicant is not correct. Selection Committee Meeting was held as follows :-

- Annexure-IV.
- 1977 - 7 officers were promoted to I.F.S.
- Annexure-V.

- Annexure-VI.

Contd...P/7...

- 1991 - No promotion was made due to Court Case.
- 1993 - No promotion was made due to Court Case.
- 1994 - 4 officers were promoted to I.F.S. - Annexure- VII.
- 1996 - 7 officers were promoted to I.F.S. - Annexure-VIII.
(including the applicant)

18. That with regard to the statements made in paragraph 4.21 of the application, it is stated that there are definite number of promotion posts for Assam and Meghalaya Segment of the Joint Cadre, State Forest Service Officers of the respective segment are promoted to Indian Forest Service against the vacancies occurred in respective Segment. There is no relation of State Forest Service officers in between two segments in the matter of promotion to Indian Forest Service.

19. That in regard to the statement made in paragraph 4.22 of the application, the answering respondent has nothing to make comment on it.

20. That in regard to the statements made in paragraph 4.23 of the application, the humble deponent/answering respondent reiterate and reaffirmed the statements made in paragraph 14 of this written statement. Further it is stated that the calculation of promotion quota under

Contd....P/8..

DACs by the applicant from 1981 are not according to rule. In 1981 there were 11 promotion posts and against these notified cadre strength, there were 12 officers in position. Hence there is no scope of applicant's promotion to Indian Forest Service in 1981.

21. That in regard to the statements made in paragraph 4.24 of the application, the humble answering respondent begs to State that the holding of Selection Committee Meeting depends upon the availability of vacancy or vacancies. In the year 1981 there was 11 promotion posts as per Govt. of India's Notification No. 16016/29/75-AIS dated 6.1.78. There were 12 men in position in 1981 for being promoted to I.F.S. against the 11 promotion posts, which is shown in Annexure-D to the application.
