O R D E R (ORAL)

CHOWDHURY. J. (V.C.)

The issue relates to transfer and posting. By order dated 10.4.2002 the applicant who is working as Work Charged Khalasi in the North Eastern Investigating Division No.III, CWC, Jang was transferred to Chawnkte under Serchhip Sub Division, NEID-II, Aizwal. The applicant in this application assailed the legitimacy of the aforementioned order of transfer as arbitrary and discriminatory.

2. Mr B. Malakar, learned counsel for the applicant, fairly stated that the applicant duly complied with the order of transfer and joined in his place of posting and

submitted that the applicant did not impute any malafide on the part of the respondents. His only grievance is confined to his posting in Chawngte near the Bangladesh border which is a hard area. The learned counsel for the applicant contended that he opted for Alipurduar, but the authority did not consider his application for his posting in the proper perspective.

3. Mr A. Deb Roy, learned Sr. C.G.S.C., on the other hand stated that the applicant's case was duly considered. In addition, permission from the Ministry of Environment and Forests could not be obtained for conducting survey and investigation in areas falling under wild life sanctuaries and reserved forest coming under the jurisdiction of MSTLC Investigation Sub Division headquartered at Alipourduar. Consequently, work requirement was also reduced. Therefore, in these circumstances it was not considered appropriate to further strengthen the workcharged manpower.

4. Upon hearing the learned counsel for the parties and on consideration of the materials on record no illegality, as such has been committed in transferring and posting the applicant at Chawngte under Serchipp Sub Division, NEID-II, Aizawl. But then, the authority should not slam the door for posting the applicant at Alipurduar. If in future any vacancy arises, the authority should consider the applicant's case when vacancy arises at Alipurduar and consider his posting at Alipurduar, unless the applicant intimates his change of mind for posting at Alipurduar.

5. With the above observation, the application stands disposed of. There shall, however, be no order as to costs.

3. The applicant who was working as Regular Workcharged Khalasi under Nyukcharong Investigation Sub Division, Central Water Commission, Jang (Arunachal Pradesh) has filed application under Section 21 of the CAT Act, 1985. The application has sought relief that the transfer order, issued in violation of law so far it relates to the applicant, shall not be given effect to and the order be reversed or modified and the applicant be given his choice posting at Alipurduar as ascertained by the circular No. NEID-III/Adm-5/6182-87 dt. 4.12.2001 issued by Executive Engineer, North Eastern Investigation Division-III, Central Water Commission, Itanagar.
4. The applicant was appointed in North Eastern investigation Division No.I, Central Water Commission, Silchar (Assam) under North Eastern Investigation Circle, Central Water Commission, Shillong w.e.f. 16.08.1988 and continuously working under same unit..

5. The applicant was transferred by the Superintending Engineer, North Eastern Investigation Circle, Central Water Commission, Shillong competent authority from one division to another division in public interest and has already been relieved of his duties and also TTA/Pay advance has been paid to him as requested by him vide his applications dated 22.05.2002 (**Annex.I** and **Annex.II**). Subsequently, on his relief from Nyukcharong Investigation Sub Division, Jang on 31.05.2002 (A.N.), the applicant has already joined his duties at his new place of posting on 12.06.2002 (F.N.) (**Annex.XI**)

Parawise reply to OA No.164/2002 are as under :

Para-1 to 5 :

Needs no reply.

Para-6 :

Facts of the case :

Para-6(1) :

That with regard to para 6(1), the respondents have no comments to offer, being matter of record.

Para-6(2) :

That with regard to para 6(2), the respondents have no comments to offer, being matter of record.

Para-6(3) :

That with regard to para 6(3), the respondents state that on transfer from North Eastern Investigation Division No.I, Central water Commission, Silchar (Assam), the applicant was posted in the Sub-Division MSTLCISD-I, Central Water Commission, Alipurduar (West Bengal) w.e.f. 04.11.1996 functioning under North Eastern Investigation Division No.III, Central Water Commission, Itanagar. He was subsequently

transferred to Nyukcharong Investigation Sub Division (NISD), Central Water Commission, Jang within the same division owing to administrative exigencies and requirement of works. He joined at NISD Jang on 26.06.1998. The petitioner approached higher offices on service matters through Smt. Chinta Devi, his wife. This is tantamount to violation of Rule 20(3) of CCS (Conduct) Rules 1964. Hence, a office memorandum was issued to him vide O.M. No. NEID-III/Adm-10(iii)/2001/4437 dated 31.8.2001(Annex.III) advising him to desist from such activities.

Para-6(4) : That with regard to para 6(4), the respondents state that the facts have already been mentioned in reply to Para-6(3) above.

Para-6(5) : That with regard to para 6(5) the averments made are denied. The respondents state that the transfer from NISD Jang to North Eastern Investigation Division-II, Aizawl has been made in public interest as per administrative exigencies and requirement of works within the jurisdiction of North Eastern Investigation Circle, Shillong. The statement of the applicant that he has been transferred from one division to another division as punishment is false, misleading and trying to substitute the directive of the Tribunal by his own words. Transfer is an event in the service career and not a punishment.

-10-

29

As per provisions of the Rules, each Circle is a Unit for seniority and other service matters of Work Charged personnel in each categories of staff. Furthermore, as a policy followed by the Deptt normally no transfer of Work Charged employee is allowed from one Unit (Circle) to another. The request of the applicant for transfer to some Circle in Bihar was not found feasible on administrative grounds.

Para-6(6)

That with regard to para 6(6), the respondents state that the facts are mentioned in reply to para 6(5) above.

Para-6(7) :

That with regard to para 6(7), the respondents state that the applicant has not annexed the copy of his option for choice posting at Alipurduar as a supporting document and hence his statement can not be accepted contents. In any case, ascertaining choice of posting doesn't bind the competent authority to transfer an employee to his indicated choice place of posting. In addition, permission from Ministry of Environment and Forests could not be obtained for conducting survey and investigation in areas falling under wild life sanctuaries and reserved forest coming under the jurisdiction of MSTLC Inv. Sub Divn- headquartered at Alipurduar. Consequently, work requirement are very reduced at present. As such, it is not considered appropriate to further strengthen the workcharged manpower. Moreover, overall 33

workcharged staff had applied for posting at Alipurduar in response to the Circular No. NEID-III/Adm-5/6182-87 dated 4.12.01 (**Annex.IV**). Transfers are, in general, effected on the basis of the requirement of exigencies to the requirement of work and administrative requirement. The name of the applicant has been recommended for transfer to other division with seven other persons according to the exigencies of works and administrative requirement and were according to the prevailing workcharged staff service rules. Hence, allegation of malafide intention is baseless and therefore, denied. The rules and guidelines issued by the department from time to time has not been violated in effecting transfer of the applicant.

Para-6(8) :

That with regard to para 6(8), the respondents state that the petitioner has submitted an application dated 07.05.2002 (**Annex.V**) requesting for his retention at Jang. At the same time Shri A.H. Barbhuiya, Workcharged Khalasi also submitted an application dated 07.05.2002 (**Annex.VI**) separately expressing his willingness to be transferred to North Eastern Inv. Divn-I, CWC, Silchar or North Eastern Inv. Divn-II, CWC, Aizawl. These applications were received by Assistant Engineer, Nyukcharong Investigation Sub Division, Jang on 14.05.02 and by the respondent on 22.05.02

vide AE, NISD, Jang's letter No. NISD/CWC/Jang/WC/Estt/Vol.VII/491 dated 14.05.2002 (**Annex.VII**). Both the applications were forwarded to the competent authority vide letter No. NEID-III/WC/PF-136/2770-71 dt. 31.5.2002 (**Annex.VIII**). Thus, the statement submitted by the petitioner that his request has been turned down by the Executive Engineer, North Eastern Investigation Division-III, CWC, Itanagar respondent No.2 is baseless and attempts to mislead the Hon'ble Tribunal.

In the meantime, the Applicant applied for TTA Advance vide his letter dt. 22.05.2002 (**Annex.I**). He was subsequently relieved from Jang on 31.05.2002 in pursuance of the said transfer order.

Para-6(9) :

That with regard to para 6(9) the respondents state that transfer of the petitioner has been made in public interest on administrative exigencies and requirement of work following the prevailing service rules for Work Charged employees.

Para-7 :

That with regard to para 7, the respondents state that workcharged establishment refers to those whose pay, allowances etc. are directly chargeable to 'Works'.

Workcharged staff is employed on the actual execution of specific work, sub-works of a specific work etc. and question

of posting again tenure place is not applicable in the case of the applicant as he is working under North Eastern Investigation Circle, Central Water Commission, Shillong and can be posted within the jurisdiction of Circle office in public interest/administrative exigencies in the North Eastern States where works are in progress/investigation. The Circle office is a Unit, as per service rules, for workcharged establishment for the purpose of maintaining their seniority/promotion/transfer within the jurisdiction of the Unit (Circle).

The tenure fixed by the Government applies to those Central Government employees who are posted from outside North Eastern Region to within the N E region whereas the applicant was appointed under North Eastern Investigation Circle, Central Water Commission, Shillong and his services were required under the Works Site of a specific work or sub-works of a specific work within the jurisdiction of Circle Office. The statement submitted by the applicant is wrong and is intended to mislead the Hon'ble CAT.

Para-8 :

That with regard to para 8, the respondents state that the transfer order has been issued in public interest based on administrative exigencies and requirement of work. The petitioner has already been relieved of his duties w.e.f. 31.05.2002 (A.N.) vide Office order No. NISD/CWC/Jang/

2000/479-83 dt. 10.5.2002(**Annex.IX**) and also paid TTA/Pay advance on his own request vide applications dated 22.05.2002 (**Annex.I** and **Annex.II**) and sanctioned vide office order No. NEID-III/Adm-88/2844-47 dt. 4.6.2002 (**Annex.X**). The applicant has already joined at his new place of posting (**Annex.XI**).

The request of the petitioner for choice posting at Alipurduar is misleading in nature as stated in reply to Para 7 above and which may not be accepted. As such, the claims of applicant is devoid of any merit, the relief sought for by the Applicant may not be entertained.

Para-8(A) : That with regard to para 8(A), the respondents state that the petitioner has already been relieved from his duties and joined at his new place of posting as stated in reply to para 8 above. As such the interim relief sought for by the Applicant may not be entertained and petition dismissed.

Para-9 : The applicant has not availed of all departmental remedies available.

Para-10 to 13 : No comments to offer being matter of record.

PRAYER

In view of the submissions made herein above, the averments made by the petitioner in the instant OA are devoid of any merit and not maintainable under the law. Hence, it is prayed that, this Hon'ble Tribunal be pleased to dismiss the said OA with costs.
