O R D E R

MRS. LAKSHMI SWAMINATHAN, (V.C.) :

We have heard the applicant Shri S.P.Singh Yadav, in person at some length. The applicant is aggrieved by the non-action of the respondents in not paying him certain medical bills stated to be pending since 26.11.2001.

2. We note from the memorandum of parties that necessary parties have not been impleaded. We further note that there is not even a Misc. petition for condonation of delay, having regard to the provisions of sections 20 & 21 of the Administrative Tribunals Act, 1985. The applicant, <sup>18</sup>~~in person~~, has submitted that there is no question of delay because he has been repeatedly and continuously making representations to the respondents

BM

for re-imbursement of his medical bills pending since 26.11. 2001. Having regard to the settled principles of law on the subject we are unable to agree with the contentions of the applicant that this is a continuous cause of action.

3. In view of the above facts and circumstances of the case, the O.A. is dismissed on the grounds of bar of limitation as well as non-joinder of necessary parties, at the admission stage itself.

DETAILS OF APPLICATION :-

1. PARTICULARS OF THE ORDER AGAINST WHICH THE APPLICATION  
IS MADE :-

This application is made in connection with

non-disbursement of Medical Bills amounting Rs.17835/= (Rs. Seventeen Thousand Eight hundred Thirty Five only/-) pending in the office of the respondent since 26.11.2001.

**2. JURISDICTION OF THE TRIBUNAL :-**

The applicant declares that the subject matter of instant application for which he wants redressal is well within the jurisdiction of the Hon'ble Tribunal.

**3. LIMITATION :-**

The applicant further declares that the said application is under the limitation as prescribed U/S 21 of the Administrative Tribunal Act, 1985.

**4. FACTS OF THE CASE :-**

4.1 That the applicant is a citizen of India and at present resident of Tarun Nagar, Guwahati - 5 and as such he is entitled for all the rights and privileges guaranteed by the Constitution of India & other laws of the land.

4.2 That the applicant joined in Central Bureau of Investigation (CBI), Guwahati (ASSAM) on deputation from Uttar Pradesh Police in compliance with order dated 14.10.93 passed by Assistant Director (E)/CBI, New Delhi, and since then the applicant has rendered his services to this department.

22/11

4.3 That while serving in the department as Inspector, the wife of the applicant became seriously ill and was diagnosed and operated and accordingly a bill of Medical expenditure incurred on her treatment till her recovery of health amounting Rs.17835/= was submitted to this respondent for its disbursement but no action has been taken in this regard till date .

The photo copies of the documents submitted to the respondent on 26/11/2001 are annexed herewith and are collectively marked as Annexure - A/1.

4.4 That thereafter, the applicant submitted several requests letter dated 22.2.02, 7.4.03 and 10.6.03 to the respondent and also personally met him and made repeated verbal requests to disburse the pending Medical bills but the respondent did not take any action in this regard which has caused irreparable loss and injury to the applicant.

The applicant craves the leave of this Hon'ble Tribunal to produce the request letters at the time of hearing.

4.5 That adding insult to the injury the applicant was also placed under suspension w.e.f. 26.4.2000 and was also

22/11

released on 12.5.03 during the currency of suspension. Be it submitted that the Subsistence Allowances of the applicant is also not paid by the respondent and as such the applicant is under great financial hardships and is passing the time in mental distress and agony.

4.6 That the applicant most humbly submits that since then he is also prevented by the respondent to claim his Medical bills disbursement in respect of his entire family members which is against the provisions of law.

4.7 That there is no other alternative and efficacious remedy except this application which is filed bonafide for seeking justice before this Hon'ble Tribunal.

**5. GROUNDS FOR RELIEF WITH LEGAL PROVISIONS :-**

5.1 For that the action of non-disbursement of the Medical Bills by the respondent submitted to him on 26.11.2001 is illegal, arbitrary, malafide and perverse.

5.2 For that the entire family of the applicant is denied the right to health by the respondent and as such the action of the respondent for non-disbursement of the said bill is also in clear violation of the Authorised Medical Attendance Rules.

5.3 For that the non-communication of the follow-up action taken in the disbursement of the said bills till date is entirely against the principles of natural justice.

22/1

5.4 For that the non-payment of Subsistence Allowance to the applicant causing great financial hardships, is the denial of Right to Life as envisaged in Article 21 of the Constitution and therefore action of the respondent is per se illegal, arbitrary, vindictive and therefore action of the respondent are in clean breach of the Constitutional provisions.

5.5 For that due to non-disbursement of the said bill the applicant has suffered irreparable loss and injury in as much as the timely disbursement might have helped the applicant to bear his family expenditure at least for two months.

5.6 For that the applicant being the resident of far off place in the State of Uttar Pradesh, has no other source of income except his salaried income which has also been denied by the respondent on the various pretexts and as such the action of the respondent in non-disbursement of said bills is wilful, and intentional without any basis and thus the same is bad in law.

6. DETAILS OF THE REMEDIES EXHAUSTED :-

That the applicant has exhausted all the remedies available to him and at present there is no other adequate and equally efficacious remedy except this application filed before this Hon'ble Tribunal for seeking justice.

**7. MATTERS NOT PREVIOUSLY FILED OR PENDING BEFORE ANY COURT:-**

That the applicant declares that no other application /Writ Petition /suite in respect of this subject matter is pending before any other Court or any other branch of this Hon'ble Tribunal.

**8. RELIEF SOUGHT FOR :-**

Under the facts and circumstances as stated above it is most humbly and most respectfully prayed before your Lordship(s) to admit this application, issue notice, call for the records and after hearing the parties on the perusal of the record be pleased to grant the following reliefs to the applicant :-

8.1 To direct the respondent to disburse the pending Medical bill pending since 26.11.2001 to the applicant within a specified period.

8.2 To grant penal interest.

8.3 Costs.

8.4 To pass any other relief as your Lordship(s) as deem fit and proper to meet the interest of justice.

**9. INTERIM ORDER PRAYED FOR :-**

case, the question of violation of principle of natural justice does not arise as the petitioner was associated with the enquiry. He was given notice and he was heard and as such, non-compliance of Rule 9 also does not arise as much as the authority conducted the enquiry and in that enquiry the authority found the truth and passed the appropriate order. 10. Accordingly, this writ application shall be dismissed. Stay order, if any, passed earlier shall stand vacated. However, I make it clear that the petitioner shall be entitled to all the benefits on the strength of his qualification as a candidate to general caste and I hope and trust that the authority shall not adopt a vindictive attitude and adopt a magnanimous attitude in the matter. It is needless to say that cancellation of this particular appointment shall not be a bar for the petitioner to get an appointment in the Govt. Department in future as a general candidate. But his present appointment shall stand cancelled. 11. Both the Civil Rules stand disposed of accordingly. I make no order as to costs.

#### JUDGMENT & ORDER (ORAL)

J.N. SARMA, J. —

This writ application has been filed by a lady and that also by a Matron of the Civil Hospital at Nowgong. But ultimately she herself was ill and she went to Dibrugarh and there she consulted Dr H.N. Sarma, Professor of Obstetrics and Gynaecology, Assam Medical College, Dibrugarh and Doctor Binit Kumar Baruah, Asstt. Professor of the same Department. The attending Doctors on preliminary examination advised her Biopsy suspecting that she was suffering from Carcinoma of the uterus and it was found that she was suffering from Carcinoma. Doctor immediately advised her to attend an advanced Gynaecological centre outside the State of Assam for further treatment. It was also advised that the patient should be accompanied by an escort. She was advised to undergo major abdominal surgery for removal of the uterus. A copy of the reports are annexed to this writ application as Annexures-1, 2 and 3. The petitioner went to Calcutta and there she got herself treated in Lans Down Nursing and Research Centre at Calcutta and thereafter she attended the Thakur Pukur Cancer Centre

and Welfare Home for Radiotherapy and Brachy Therapy and also took various courses of Radiations as advised by the Doctors of the said Institution. The petitioner after completion of her treatment returned to Dibrugarh. It is stated herein that the husband of the petitioner accompanied the petitioner as Escort. Documents regarding her treatment are Annexure-4. The petitioner on her return to Dibrugarh submitted the medical reimbursement bill on 30.1.89 to the Director of Health Services, Hengrabari at Guwahati. Along with the bill, she furnished the relevant vouchers supporting her claim and necessary certificates of the attending Doctors. The total amount of the bill comes to Rs.34,774.19p. Certain classifications were called for with regard to the claim which she furnished in due course. The bill of the petitioner was not approved by the authority on the ground that the private Nursing Home is not recognized by the State of Assam for the purpose of reimbursement of the medical expenses. Hence, this writ application.

2. Though this writ application was filed in the year 1996, till today no affidavit-in-opposition has been filed. Today Mr K.H. Choudhury, Addl. Sr. Advocate, Assam has produced before me a written instruction received by him from the department. The only ground is that there is a report of the Committee of Assam Legislative Assembly with regard to this matter. That is quoted below:

"After a very careful consideration of the case in the light of the recommendation of the Hon'ble Committee, Government has found that any exception to the rules already in force may result into a series of demands of this nature. In such a situation it would be difficult for the Govt. to reject such cases once a precedent is set and it is also possible, that the applicants in such cases, after failing to receive Govt. approval may

obtain favourable court orders. In view of it is felt that rules in force shall be strictly in case of reimbursement of medical bill of Smt. Gouri Sen Gupta, Matron of Dibrugarh Medical College, Dibrugarh."

It is really a strange situation wherein it is stated that after failing to receive Govt. approval may obtain favourable court orders. That is why her claim was rejected by the authority on strict adherence to the rules regarding reimbursement of medical bill of Smt. Gouri Sen Gupta, the present petitioner. This matter is no longer res-integra inasmuch as the Apex Court in 3 decisions has settled the matter. The first decision in this regard is (1996) 2 SCR 336 (*Surjit Singh-Vs-State of Punjab and others*). That was a case where an employee of the Punjab Government was suffering from heart trouble. He even without approval of the Punjab Government went to London on his own. After coming back from London, he submitted a medical bill for reimbursement. The Punjab Government refused to pay the bill on the plea that there was no approval from the Government and as because the case was not referred by the Medical Board as required under the rules. Dealing with that aspect of the matter, the Apex Court in paragraph 12 has laid down the law as follows:

"The appellant therefore had the right to take steps in self preservation. He did not have to stand in queue before the Medical Board, the manning and assembling of which, barefacedly, makes its meeting difficult to happen. The appellant also did not have to stand to stand in queue in the government hospital of AIIMS and could go elsewhere to an alternative hospital as per policy. When the state itself has brought Escorts on the recognised list, it is futile for it to contend that the appellant could in no event have gone to Escorts and his claim cannot on that basis be allowed, on suppositions. We

think to the contrary. In the facts and circumstances, had the appellant remained in India, he could have gone to Escorts like many others did, to save his life. But instead he has done that in London incurring considerable expense. The doctors causing his operation there are presumed to have done so as one essential and timely. On that hypothesis, it is fair and just that the respondents pay to the appellant, the rates admissible as per Escorts. The claim of the appellant having been found valid, the question posed at the outset is answered in the affirmative. Of course the sum of Rs. 40,000 already paid to the appellant would have to be adjusted in computation. Since the appellant did not have his claim dealt with in the High Court in the manner it has been projected now in this Court, we do not grant him any interest for the intervening period, even though prayed for. Let the differences be paid to the appellant within two months positively. The appeal is accordingly allowed. There need be no order as to costs.

The Supreme Court has pointed out that it is always not necessary to wait for the approval of the Medical Board. There is no necessity to stand in the queue before the Medical Board because it is well known situation that the Medical Board shall meet according to its convenience and in the meantime the patient may die. It was further pointed out by the Apex Court that there is no need to go for a particular approved institution. He can go to any institution of his choice, but he will be paid the medical reimbursement according to the rate of approved institution. (ii) the next case of this point is (1997 2 SCC 83) (*State of Punjab and others-Vs-Mohinder Singh Chawla and ors*). That of course was a case where the Punjab Govt. approved the referred case of the patient of a particular hospital as there was no specialized treatment available in the State

of Punjab and permission was given to go outside the State. That was done, but only the controversy was that whether the patient shall be paid the room rent of that particular hospital. The Supreme Court allowed it. The Supreme Court said that room rent of that particular hospital is a part of the medical expenses and that must be reimbursed by the State Government. (iii) The next case on this point is (1998) 4 SCC 117 (*State of Punjab and ors-Vs-Ram Lubhaya Bagga and ors*). There a challenge was made to the policy formulated by the State of Punjab with regard to the reimbursement of medical bill. The Supreme Court said that a policy cannot be challenged, because that is wisdom of the authority. But at the same time, the Supreme Court referred to the earlier law and the Supreme Court pointed out as follows: A right, it correlates to a duty upon another individual that is employer, government or authority. The right of one is an obligation of another. Hence the right of a citizen to live under Article 21 casts obligation on the state. This obligation is further reinforced under Article 47, it is for the State to secure health to its citizen as its primary duty. The Supreme Court further pointed out in this case as follows:

"When we speak about a right, it correlates to a duty upon another, individual, employer, government or authority. In other words, the right of one is an obligation of another. Hence the right of a citizen to live under Article 21 casts obligation on the State. This obligation is further reinforced under Article 47, it is for the State to secure health to its citizen as its primary duty. No doubt the Government is rendering this obligation by opening government hospitals and health centres, but in order to make it meaningful, it has to be within the reach of its people, as far as possible, to reduce the queue of waiting lists, and it has to provide all

facilities for which an employee looks for at another hospital. Its upkeep, maintenance and cleanliness has to be beyond as person. To employ the best of talents and tune up its administration to give effective contribution. Also bring in awareness in welfare of hospital staff for their dedicated service, give them periodical, medico-ethical and service-oriented training, not only at the entry point but also during the whole tenure of their service. Since it is one of the most sacrosanct and valuable rights of a citizen and equally sacrosanct sacred obligation of the State, every citizen, of this welfare State looks towards the State for it to perform its this obligation with top priority including by way of allocation of sufficient funds. This in turn will not only secure the right of its citizen to the best of their satisfaction but in turn will benefit the State in achieving its social, political and economical goal. For every return there has to be investment. Investment needs resources and finances. So even to protect this sacrosanct right finances are an inherent requirement. Harnessing such resources needs top priority."

3. That being the position, this writ application is allowed and the authority is directed to pay the amount of Rs.34,774.19 p. within a period of one month from the date of receipt of this order, with interest @18% from 31.1.89. The petitioner also shall be paid a cost of Rs.2500/- heard Mr A. Roy, learned Sr. Advocate for the petitioner and Mr K.H. Choudhury, learned Addl. Sr. GA, Assam assisted by Mr B. Goswami, GA, Assam for the Respondents.

JUDGMENT AND ORDER (ORAL)

N.C. JAIN, J. —

This revision petition has been filed by Nathuni Singh only against the order of the Deputy Commissioner, Karbi Anglong, Diphu dated 19.7.91. The case of the prosecution in brief was that on the night of 23.10.90 Forest staff caught red handed Truck No. NLN 1939 along with its driver Surendra Kumar Das and some labourers. Truck was alleged to have been loaded with six pieces of logs and was proceeding towards Dimapur in a clandestine manner through jungle route avoiding forest check. According to the case of the prosecution the logs were brought from Daldoli Reserve Forest. The said truck and logs were seized and the accused persons were arrested. The petitioner was admittedly not present and was summoned at a later stage, he being the owner of truck.

2. The learned trial Court after trial found only Surendra Kumar Das guilty of the offences under Section 25, 40/41 of the Assam Forest Regulation. The petitioner has admittedly not
