By Advocate Sri A.Deb Roy, Sr.C.G.S.C.

O R D E R (ORAL)

K.V.SACHIDANANDAN, JUDICIAL MEMBER,

The main averment of the applicant in the O.A is that as per the provisions of the Recruitment Rules of FD Agents the persons seeking employment to the post should be a 'permanent resident of the locality' where one has to be appointed.

2. The respondents have filed a detail written statement containing that the process of selection was
- h

conducted where 8 (eight) persons were attended the selection and the 4th respondent was appointed after having acquired the highest marks in the HSLC Examination. Whereas the applicant has acquired the low marks far from the gradation of the 4th respondent. Therefore, 4th respondent was appointed. It is also contended that the rule stipulated for such selection is no longer in existence as the Chief Postmaster General, Guwahati vide his letter dated 10.10.2000 the selection for appointment to ED posts "permanent residence in village/delivery jurisdiction of the ED post office" need not be insisted upon as pre condition. Therefore, there is no fault in the selection process.

3. We have heard Shri Bhaskar Sarma, learned counsel for the applicant and Sri A. Deb Roy, learned Sr.C.G.S.C for the respondents. The learned counsel has taken us to the various materials, pleadings and records. We have given due consideration to the arguments made by them. The short facts for consideration is that the 4th respondent who was appointed on merit in the selection process is not a permanent resident of Negheriting area. The forcefull contention that the applicant's counsel pressed before us is that since he is not the resident of the area the selection of 4th respondent is vitiated by wrong selection. The learned counsel for the respondents has taken us to the decision taken by the Chief Postmaster General on the subject.

4. On the very outset and on going through the Annexure-1 intimation letter sent to the applicant dated 3.1.2003 which was a requisition sent by the Superintendent of Post Offices to the Employment Exchange, wherein it is specifically made clear that candidates belonging to places other than post office village can also apply for the post and such candidate should shift the residence to PO village in the event of his selection. The selected candidate should produce a proof to that effect within the date prescribed by the authority.

Apart from that it is also pointed out by the learned counsel that the Chief Postmaster General letter and instruction on the subject that "selection for appointment to Ed posts permanent residence in village/delivery jurisdiction of the ED Post office need not be insisted upon as pre-condition. Therefore, the Service Rules for Postal ED Staff (Eighth Edition of Swamy's Compilation) as pointed out by the learned counsel has no longer in force. Moreover, we ^{are} of the considered view that from the above observation the respondents cannot fault with the selection on the basis of such a misinterpretation of rules. Apart from that we find that the applicant was in a very low rank out of the 8(eight) candidates in the process of selection even assuming the O.A is allowed he is nowhere to be for selection. In the circumstances O.A is devoid of merit and accordingly the same is dismissed. No order as to costs.
