Subject: Application for transfer from N. E. Region (Guwahati) to New Delhi-reg.  
(Through proper channel -- The Director of Legal Metrology New Delhi)

Respected Madam,

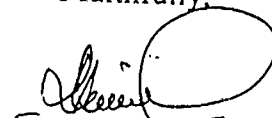

Respectfully, I am to invite your kind attention to refer my earlier letter dated 15-02-03 and 24-03-03 on the above subject and I beg to say that I was forcibly posted in remote area of N. E. Region at RRSL Guwahati since two years back (on 31<sup>ST</sup> January-2001) after my transfer from RRSL Ahmedabad and I have completed my fixed tenure of two years on 31<sup>ST</sup> January-2003 according to completion of my 20 years of Central Government Service under exiting rules and regulation for Central Government Servants when posted to North Eastern Region. My tenure has been completed successfully along with an opportunity to start a new laboratory under functioning condition.

My family had already been left behind since two years back, is facing so many difficulties. My mother has already been expired in my absence during the period of transfer. There is no any member to take care of my family after myself. Since my children are going to school other than Central schools and attending the critical stage of student life, it is too difficult to take care of him from the NE Region Guwahati.

It is requested that my transfer case may kindly be considered sympathetically with a choice posting to New Delhi or RRSL Faridabad.

With kind regard.

Yours faithfully,

1. Faridabad, his request could not be acceded to. In view of Govt. instructions and in public interest on the applicant having completed more than 2 years of service in the North-East Region, he was accordingly transferred outside the North-East region and posted at RRSI, Bangalore where a vacancy existed as on that date.

3. That the Respondents have no comments to the statements made in paragraph 2,3, 4.1, 4.2 of the applications.

4. That with regard to the statements made in paragraph 4.3 of the application, the respondents beg to state that as per official records, the family of the applicant is residing at Ahmedabad. He had claimed LTC for visiting his family which was staying at Ahmedabad during January, 2003 copy of letter dated 13-12-2002 regarding claim of LTC by the applicant is at Annexure-II. According to the instructions contained in OM dated 14-12-83, 1-12-88 and 22-7-98, the period of leave granted in excess of 15 days during the period of posting in the North-East region for each year is to be excluded for computing the 2 years period of tenure prescribed for North-East region. The applicant has completed 2 years in the North East region after excluding the period of leave availed of by the applicant till March, 2003.

5. That the Respondents have no comments to the statements made in paragraph 4.4 and 4.5 of the applications.

6. That with regard to the statements made in paragraph 4.6 of the application, the respondents beg to state that as per the then existing recruitment rules, the Educational Qualifications prescribed for the post of Metrological Asstt. which is the lowest grade in the Weights and Measures Cadre, were as under :-

'Master's degree in Physics or Mathematics (with Physics as a subject at degree level) or degree in Mechanical/Electrical/Electronics Engineering from a recognised University or Institution.'

*Sanjay*  
67107103

Sh. B.N. Tripathi, who possessed M. Com degree was working as Sr. Investigator in this Department. It was decided by the Govt. in 1985 to redesignate the posts of Sr. Investigator as Metrological Asstt. At the time of re-designation of the posts of Sr. Investigators as Metrological Asstt. the educational qualifications prescribed for the post of Metrological Asstt. were not insisted upon for the then existing incumbents.

Sh. A.S. Khan, who also possessed M.Com degree, applied for the post of Sr. Investigator. However, by the time his offer of appointment was issued, the posts of Sr. Investigators had been re-designated as Met. Asstt. and hence, he was appointed as Metrological Asstt. in this Department.

It may be seen from the above, that Sh. B.N. Tripathi and Sh. A.S. Khan do not possess educational qualifications prescribed for the cadre of Weights and Measures, which is an essential requirement for working in the Laboratories. The services of these 2 officers have, therefore, been utilised at the Headquarter for handling secretarial nature of work. Under these compulsions it is not feasible to transfer them to any of the laboratories of Weights & Measures Division, outside Delhi.

7. That with regard to the statements made in paragraph 4.7 of the application, the respondents reiterate the statement made in paragraph 2 of the written statement.

8. That with regard to the statements made in paragraph 4.8 of the application, the respondents have no comments as the transfer orders of the applicant from Guwahati to Bangalore have already been cancelled as stated in paragraph 2 above.

Sh. B.N. Dixit has already been promoted as Deputy Director, (Legal Metrology) w.e.f. 05-06-2003. However, the Govt. has not yet taken any decision on filling up of the vacancy caused by the promotion of Sh. Dixit.

9. That with regard to the statements made in paragraph 4.9 of the application, the respondents reiterate the statement made in paragraph 2 of the written statement.

10. That with regard to the statements made in paragraph 4.10 of the application, the respondents beg to state that the transfer orders of the applicant, dated 14-5-2003 have already been cancelled and hence no comments.

11. That with regard to the statements made in paragraph 4.11 of the application, the respondents beg to state that the applicant has not exhausted all the channels available to him in this Department before filing the case and hence it cannot be sustained.

12. That with regard to the statements made in paragraph 5.1 to 5.4 of the application, the respondents beg to state that the instructions contained in OM dated 14-12-83, 1-12-88 and 22-7-98 inter-alia provides that the Govt. servants posted in North-East region shall be posted to their choice place of posting on their completing 2 years of continuous service (for those Govt. servants who have completed more than 10 years of service), as far as possible. The posting and transfer of Govt. servants are made in public interest and are subject to availability of vacancies. This Department being a very small Department has little scope for acceding to the request for choice posting. The request of the applicant will, however, be considered at the appropriate time. This Department is not aware as to when the applicant has shifted his family from Ahmedabad to Delhi and as such has requested for posting accordingly.

13. That with regard to the statements made in paragraph 6 of the application, the respondents beg to state that it is denied that the applicant has exhausted all the remedial channels available to him for redressal of his grievances, as he has not given sufficient time to respond to his representation. However, the case shall be dismissed being violative of the provisions of the instructions governing filing the case in the Hon'ble Tribunal.

14. That the Respondents have no comments to the statements made in paragraph 7 of the application.

15. That with regard to the statements made in paragraph 8.1 to 8.4 of the application, the respondents beg to state that this Department's office Order No.44/2003 dated 14-5-2003 has already been cancelled and the applicant has been allowed to remain at Guwahati, i.e. his present place of posting. Hence the reliefs sought for are not sustainable.

16. That the Respondents have no comments to the statements made in paragraph 9, 10, 11, & 12 of the application.

Subeja  
07/07/03

17. That the applicant is not entitled to any relief sought for in the application and the same is liable to be dismissed with costs.
