O R D E R (ORAL)

R.K.BATTA, J. (V.C)

The applicant challenged his transfer order dated 16.1.2004. The case of the applicant is that he has been stationed at N.F.Railway, Godown Goods Office at New Guwahati for two decades as a reward for sincere and dedication and he is presently holding the post of Head Commercial Clerk (Goods). He was transferred from New Guwahati Goods office to Karimganj vide impugned order dated 16.1.04. According to the applicant he is due to retire on 30.6.2005 and as per circular of periodical transfer of ~~staff~~ ^{Staff} he has to be excluded from the purview of periodical transfer. He also alleged that while making transfer seniority rules are not followed and despite there being juniors in the grade he has been transferred.

2. The respondents in their reply have denied the contention of the applicant regarding sincere and dedicated serving ^{ce} being the reasons for keeping him at Guwahati for two decades. The

R

respondents have further stated that the conduct of the applicant is under investigation and a vigilance case is against him as also four other staff members, one of whom namely Sankar Kanti Biswas has already been retired from 30.4.2004. The transfer application is opposed by the respondents.

3. Heard Sri G.K.Bhattacharyya, learned Advocate for the applicant and Sri S.Sengupta, learned Railway standing counsel for the respondents. Learned Advocate for the applicant submitted that the enquiry has already been completed and in view of the fact that the applicant is due to retire on 30.6.05 he should not have been transferred in view of the guidelines on periodical transfer. Learned counsel for the respondents has submitted before me that even though the applicant was transferred about 11 months ago yet he has not joined the station of transfer. It may be pointed out that for some time there has been an order of this Tribunal in Review Application No.15/2004 dated 10.11.04 that the applicant shall not be relieved till the next date.

4. The Apex Court in State of U.P. and Ors. vs. Gobardhan Lal, 2004(3) SLJ 244 has laid down ;

"It is too late in the day for any Government Servant to contend that once appointed or posted in a particular place or position, he should continue in such place or position as long as he desires. The transfer of an employee is not only an incident inherent in the terms of appointment but also implicit as an essential condition of service in the absence of any specific indication to the contra, in the law governing or conditions of service. Unless the order of transfer is shown to be an outcome of a mala fide exercise of power or violative of any statutory provision (an act or Rule) or passed by an authority not competent to do so, an order of transfer cannot lightly be interefered with as a matter of course or routine for any or every type of grievance sought to be made. Even administrative guidelines for regulating transfers or containing transfer policies at best may afford an opportunity to the officer or servant concerned to approach their higher authorities for redress but cannot have the consequence of depriving or denying the Competent Authority to transfer a particular officer/servant to any place in public interest and as is found necessitated by exigencies of service as long as the official status is not affected adversely and there is no infaction of any career prospects such as seniority, scale of

R-

pay and secured emoluments. This Court has often reiterated that the order of transfer made even in transgression of administrative guidelines cannot also be interfered with, as they do not confer any legally enforceable rights, unless, as noticed supra, shown to be vitiated by mala fides or is made in violation of any statutory provision.

A challenge to an order of transfer should normally be eschewed and should not be countenanced by the Courts or Tribunals as though they are Appellate Authorities over such orders, which could assess the niceties of the administrative needs and requirements of the situation concerned. This is for the reason that Court or Tribunals cannot substitute their own decisions in the matter of transfer for that of Competent Authorities of the State and even allegations of mala fides when made must be such as to inspire confidence in the Court or are based on concrete materials and ought not to be entertained on the mere making of it or on consideration borne out of conjectures or surmises and except for strong and convincing reasons, no interference could ordinarily be made with an order of transfer."

5. In the case before me no mala fides as such have been alleged by the applicant. Admittedly the applicant is stationed at N.F. Railway Goods Office at New Guwahati for two decades. The record shows that during surprise check conducted at Goods office/NGC by Vigilance some serious irregularities were detected and some of the staff members including the applicant were transferred and enquiry was started against the applicant and it is in view of this set of facts that the applicant was transferred from New Guwahati to another station since it was found by the respondents that it was not conducive to keep the applicant at the same station in view of the vigilance proceedings.

6. The main contention of learned counsel for the applicant is that the applicant is due to retire on 30.6.05 and in view of circular on periodical transfer he should not have been transferred within two years of the date of retirement and that only six months are now left. First of all, I must say that it is not a case of periodical transfer and as such the said circular ^{does} ~~may~~ not apply to the applicant. Even if ~~the~~ the circular applies, it provides that the employee due to retire within a period of 2 years should normally ^{be} excluded _h

R

from periodical transfer. Thus, though this is the normal rule, yet it does not totally bar transfers on other justifiable reasons. The continuation of the applicant at the station was not found to be conducive by the respondents, in as much as certain serious irregularities were detected in respect of which an enquiry was conducted which is said to be complete, ^{according to learned Adv for applicant, but} which fact is disputed by learned counsel for the respondents. Be that as it may, there is neither any mala fide in the transfer nor any violation of statutory rules. In the circumstances, the order of transfer of the applicant by the respondents cannot be faulted with and the decision taken by the respondents in the facts and circumstances cannot be substituted by this Tribunal.

In view of the above, I do not find any merit in this application and the application is hereby dismissed with costs.

_____Respondents.

1. DETAILS OF APPLICATION :

Particulars of the Orders against which the application is made :

The impugned Order of the Divisional Railway Manager (P), N.F.Railway, Lumding vide Office Order No. E/39-20(C)(T) Pt-II Dt. 16-01-2004 transferring the Applicant.

Copy of the Order is submitted as Annexure – A.

2. JURISDICTION :

The Applicant declares that the subject matter of the Application is within the jurisdiction of this Hon'ble Tribunal under Section 19 of the Administrative Tribunal Act, 1985.

Contd.....P/2 – Limitation.

3. **LIMITATION :**

The Applicant submits that the Application has been filed within the limitation period prescribed under Section 21 of the Administrative Tribunal Act, 1985.

4. **FACTS OF THE CASE :**

4.1 That the Applicant is the citizen of India and is, therefore, entitled to the rights and privileges guaranteed to the citizens of India under the Constitution.

4.2 That the Applicant has been serving the N.F. Railway Administration with most sincerity and dedication all through his service-life and as a reward of which he has been stationed at N.F. Railway's Goods Office at New Guwahati for about 2 (two) decades and currently holding the post of Head ^{Commercial} ~~Coaching~~ Clerk (Goods) in Scale Rs. 5000-8000/- in the same office.

4.3 That abruptly the Applicant was served with an order of transfer from the said New Guwahati Goods Office to Karimganj by the Divisional Railway Manager (P), N.F. Railway, Lumding vide his Office Order No. E/39-20(C)(T) Pt-II dated 16-01-2004.

Copy of the above order is submitted as ANNEXURE - A.

4.4 That the impugned order of transfer was issued to the Applicant when he was counting the days of his retirement which falls on 30-06-2005.

4.5 That immediately on receipt of the said transfer order the Applicant submitted a representation to the DRM/Lumding, the concerned competent authority for issuance and cancellation of such orders, requesting him to cancel the said order of transfer so as to arrest the plethora of problems to be faced by the Applicant for such transfer just at the fag end of his service-life.

The copies of the representations dt. 2-2-2004 and 16-5-2004 are annexed as ANNEXURES - B & F.

4.6 That while submitting the aforesaid representation the Applicant categorically highlighted the instructions communicated by the Railway Board vide their Circular No. E(NG) 61/TR2/16 dt. 21-8-61 that "An employee due to retire within a period of 2 years should be normally excluded from the preview of orders regarding periodical transfers."

Copy of the Rly. Board's above Circular is annexed as ANNEXURE - C.

Narayan Singh
30-7-04
Advocate

- 4.7 That, as ill-luck would have it, my above representation was not at all put up to the DRM and turned down by DCM as reflected in the letter issued by the office of the Divisional Railway Manager (P)/Lumding vide their No. ES/136/N(T) Dt. 19-4-2004.

Copy of the above letter is annexed as ANNEXURE – D.

- 4.8 That against the decision of DCM (Divisional Commercial Manager) as communicated in the letter mentioned at Para 4.7 above the Applicant made an appeal to the DRM, (Divisional Railway Manager), N.F.Railway, Lumding, dated 29-04-2004 detailing the all aspects for cancellation of transfer order of the Applicant.

Copy of the said Appeal is annexed as ANNEXURE – E.

- 4.9 That the office of the Divisional Railway Manager, N.F.Railway, Lumding, vide their letter No. ES/136-N(T) Dt. 02.7.2004 informed that ADRM/LMG, though the Appeal was made to DRM, regretted the cancellation of transfer order to KXJ (Karimganj).

Copy of the above order is annexed as ANNEXURE – G.

- 4.10 That moreover, while making the transfer order mentioned above, the seniority rules were not followed. It would appear from the relative seniority list that despite having juniors in the grade this humble employee has been victimised when only 12 months of service is left for him. Moreover, Sri Shankar Kanti Biswas, CS (Goods)/NGC in Scale Rs. 6500-10500/- is withdrawn from NGC (Goods) and being utilised by DCM/GHY on “administrative ground”. Your good conscience would invariably agree, My Lord, that a Senior Supervisor within the ambit of highest scale cannot be “withdrawn” from a highly sensitive and commercially earning place of Rly’s New Guwahati Goods area and “utilised by DCM/GHY” on “administrative ground” like a ‘Minister without a portfolio’. This action of the Administration invites “DISCRIMINATION” and thereby hits the Arts. 14, 16(1) and 21 of the Constitution of India for the safeguards of the citizens in respect of their “Right to employment”.

Copy of the Seniority list is annexed as ANNEXURE – H.

- 4.11 That Sri Bakul Kr. Dey, who is junior to the Applicant and under order of transfer to BPB, i.e., Badarpur by the same impugned order of transfer, is now posted as Cash Witness under FA & CAO’s Cash Office at Maligaon, Guwahati-11.

Narayan Singh
3577/2004
Advocate

Narayan Singh

4.12 That the Applicant has been posted to a section at New Guwahati Goods Shed where Handling of Money Value Books has been stopped from 1-4-2003 and he is to perform the duties having no relation with the commuters of Railway.

4.13 That incidentally it is mentioned that the sanctity and the force of the impugned order of transfer has not been maintained and effected at all, save the pressure upon the Petitioner/Applicant for its operation, by the issuing authority, as Sri Sankar Kanti Biswas in the Senior Supervisory grade in Scale Rs. 6500-10500/- in the capacity of Chief Supervisor (Goods) as reflected under Sl. No. 1 of the Office Order No. E/39-20(C)(T) Pt-II Dt. 16-01-2004 is being utilised by DCM (Divisional Commercial Manager) Guwahati for his personal assignments in the name of "administrative work". Other Sri Bakul Kr. Dey, Senior Goods Clerk, as reflected under Sl. No. 4 of the said Office Order has been posted as "Cash Witness" in the FA & Chief Accounts Officer's Cash Office at Maligaon.

How the misuse of Public money is ! The above two works are done in other offices by persons of Junior Clerk's grade. These actions and examples of the Respondents are but arbitrary, whimsical and discriminating.

4.14 That in the aforementioned office order the Applicant's transfer has been shown as on "Administrative ground" and "vice existing vacancy", but it has not been reflected in the said Office order as to what was the administrative ground and from which date the vacancy at KXJ has been lying and how it had caused now the "administrative ground."

4.15 That it fails to understand that when the transfer order was issued with the approval of ADRM (Additional Divisional Railway Manager), then how the appeal for cancellation/modification/consideration could be reviewed and orders issued by the DCM/LMG (Divisional Commercial Manager, Lumding) upholding the earlier stand. This is a sheer indication of brazen decision, wanton attitude and vindictive policy to cause stringent hardships to a sincere employee for no fault of his own. Moreover, the DCM/LMG has arbitrarily exercised his excess use of and abuse of powers for reviewing a matter when the appeal is made to DRM (Divisional Railway Manager).

4.16 That this humble memorialist most humbly and with suave submission state that even on the face of prevailing system of all statutory Rules that an employee should not be disturbed of transfer on the fag-end of his service-life, i.e., when only two years is left to retire on Superannuation and in such circumstances should an order of transfer is made far from his settled working place and/or home town, it would be a colourable exercise of transfer on "administrative ground" and shall be used as cloak for punishment on "Bias"

and "malafide" and when this Malafide is proved "where power is exercised for extraneous or irrelevant considerations and or reasons, it is unquestionably a colourable exercise of power or fraud on power and the exercise of power is vitiated", as opined by the Hon'ble Apex Court.

- 4.17 That I have no malice against anybody's benefit. I have only grievance for the discrimination and differential treatment of administrative thought and action which causes unfair play and miscarriage of justice.
- 4.18 That the contents of the impugned orders are indicator of a clear 'motive to disentitle an employee from his lawful rights' for no fault of his own.
- 4.19 That the aegis for the Applicant's submission is covered not only by the Fundamental rights of the service matter but also by the Railway's own set of rules and, hence, it attracts unfair, unjust, irregular, bias and malafide actions of the administration to put the Applicant to both mental and pecuniary hardships when only 11 (eleven) months are left for his service.
- 4.20 That these humble Petitioner/Applicant most fervently prays that till finalisation of the Original Application placed before this Hon'ble Tribunal your Lordships may be kind enough to issue orders/directives to the N.F.Railway authorities to stay operation of the proposed Transfer Order mentioned above so as not to victimize the Petitioner/Applicant by this unfair, unjust, illegal and arbitrary issuance of transfer order.
- 4.21 That this humble Petitioner/Applicant most humbly and placidly submits that this petition may kindly be liberally and gracefully considered. Otherwise, this humble Petitioner/Applicant will suffer irreparable loss, stringent pecuniary hardships and mental agony to maintain two separate establishments with his meager income at the most end and crucial period of his service-life.

5. **GROUND FOR RELIEF :**

- 5.1 That the transfer is punitive simply because of the whims and caprices of those who are in the higher echelons of power.
- 5.2 That the colourable exercise of power in the name of "on administrative ground" vitiates the correct decision and causes miscarriage of justice.

// 6 //

5.3 Fairness of the Administrative Justice was not observed and the Railways own set of Rules flouted.

5.4 The impugned order has invited the infringement of Constitutional safeguards for the "Right to Equality" and "Right to Employment" and thereby hits the Articles of 14, 16(1), 21, & 309 of the Indian Constitution.

5.5 Discrimination is candidly expressed in the case of the Applicant. That there cannot be any discrimination of employment in regard to any policy and/or administrative ^{decision} and justice.

5.6 Fairness of the Administrative Justice was not observed and the Railways own set of Rules flouted. Transfer is made as an outcome of malafide exercise of powers and violative of Rly. Board's circular.

5.7 While regretting the Appeal of the Applicant, firstly it was not put up to the competent authority, and secondly when put up, no "Speaking orders" was reflected, Hence it postulates to be of "non application of mind" and ~~thereby~~ "miscarriage of justice."

5.8 Principles of Natural Justice have been totally evaded and thereby invited both "Bias" and "Malafide".

6. DETAILS OF REMEDY EXHAUSTED :

The Applicant declares that he has availed all the remedies available to him under relevant service rules mentioned under the above Annexures to the best of his capabilities and without getting the proper relief to his grievances he has come to this Hon'ble Tribunal for having Justice.

7. MATTERS NOT PREVIOUSLY FIELD OR PENDING WITH ANY OTHER COURT :

The Applicant most humbly submits that he did not previously file any application, writ petition or suit regarding the matter in respect of which this application has been made before any court or any other authority or any other Bench of the Tribunal nor any such application, writ petition or suit is pending before any Tribunal or Court in respect of the subject matter of this application.

Ref:- E 39-20(GC)(T) Pt.II dt. 16.01.2004.

Sub:- Request for cancellation of Transfer order.

Sir,

In the reference cited above, I beg to state that I have been ordered to be transferred from NGC to KXJ. In this connection I beg to state that I am due to retire from service in the month of June 2005. This transfer order is a big blow to me at the fag end of my service when I am left with less than one and half years to attain my superannuation. I shall be greatly disturbed at this juncture if I carry out this transfer order. Moreover, there is provision in the Railway Board vide circular No. D:E(G) 61 TRD/6 dtd 21.8.61 that an employee due to retire within a period of two years should be excluded from the purview of transfer order.

I, therefore, request you to arrange cancellation of my transfer order to save me from the purview of uncalled for harassment. Sir, it is for your information and satisfaction that I am not attached with any public work for the last one year.

Yours faithfully,

Narayan Singh

RAILWAY BOARD

New Delhi, dt. 21-8-61

D:R(3)61R2/16.

The General Managers,
All Indian Railways.

Sub: Periodical transfer of staff.

Board had issued orders from time to time about the periodical transfer of Station Masters, Commercial Clerks etc. who come in frequent contact with the public. These orders have been considered the matter further and have decided as follows:-

- (1) The Chain of transfer orders should not be long; transfers should be ordered in such a way that the chain does not involve more than three or four persons as far as possible in order that delays in carrying out the orders by one person will not affect the transfer of a number of persons.
- (2) An employee who is transferred from one station to another should be given weightage for priority in the matter of allotment of quarters at the new station to the extent of the period of his stay at the previous station provided his name had been on the waiting list at that station.
- (3) An employee due to retire within a period of 2 years should be normally excluded from the purview of orders regarding periodical transfers.
- (4) Merely (technical transfer) to a new headquarters whereby the concerned employee continues to serve on the same Section should be avoided as such transfers will result in the employee continuing to have contact with the same public.

Respectfully I beg to submit that since April '03' I have been working in the statement section in Good's Shed/NGC where there is no public dealings and I am at the sag end of my service life, leaving only 13 months to attend retirement.

The office order issued at the end of the DRM(P)/LMG dt. -16-01-04 transferred me to KXJ at no fault of me (at least not informed), is quite incompatible with the standing statutory policy instruction issued under Railway Board's Letter (Ref.1) Dt.21-8-61, not to disturb if 2 years service is left (copy enclosed).

Be that as it may, I am preparing for my permanent settlement and at this stage it is quite impossible for me to shift to other station leaving Guwahati.

In this context, most respectfully I beg to crave before your kind honour to be pleased to modify the order to accomodate me else where within greater Guwahati and oblize.

To

THE DRM/H.F. Railway,

Thro: Proper channel

Sir,

Sub: Appeal for cancellation of transfer of Sri Narayan Singh, HCC(Goods)/NGC.

Ref: DRM(P)/LMG's Office Order communicated under NO: E 39-20 (T) Pt.II dated 16-01-2004 followed by letter NO: ES/136-N(T) dated 19-4-2004.

At the outset I may be excused for intruding upon your valuable time for submitting this appeal for favour of your kind perusal and sympathetic consideration for cancellation of the orders under reference for transferring me to KXJ just on the eve of my retirement on superannuation :

- 1) That right since my employment I have been carrying out my duties entrusted to me by my superiors with all my diligence, sincerity and devotion to duty and there had been no adverse ACRs communicated to me throughout my career.
- 2) That as per prevailing system all employees are relieved of their public dealings where monetary transactions are involved and as a corollary I have been put to the Statement section of the NGC Goods Shed since April, 2003, where there is no public dealings.
- ✓ 3) That in the aforementioned Office Order my transfer has been shown as on " Administrative ground " and " vice existing vacancy "; but it has not been reflected in the said Office Order as to what was the administrative ground and from

which date the vacancy at KXJ has been lying and how it had caused now the "administrative ground."

- 4) That the ground of " administrative", as is understood from the very nature of the transfer order itself, postulates to be colourable issuance of orders for deliberately harassing this dutiful, dedicated and sincere employee, and that too, when his only 13 months of service is left to finally retire,
- 5) That against such rudimentary, ruptural, arbitrary and unfair order of transfer mentioned above I preferred an appeal to your good conscience for favour of sympathetic consideration & equitable justice please vide my application dated 02-02-04 ; but from the DRM(P)'s letter dated 19-4-2004, which was signed by one APO- Mr Mukherjee, it appears that my aforementioned appeal for consideration has not been reached to your benign hand for reviewing the matter and disseminating justice to this humble employee who is now reckoning for his final settlement of shelter and family affairs' performances as rightful duty of the head of the family. The said letter of 19-4-04 indicates that it was issued " as per orders of DCM/LMG ".
- ✓ 6) That it fails to understand that when the transfer order was issued with the approval of ADRM, then how the appeal for cancellation/modification/consideration could be revived and orders issued by the DCM/LMG upholding the earlier stand. This is a sheer indication of brazen decision, wanton attitude and vindictive policy to cause stringent hardships to a sincere employee for no fault of his own. Moreover, the DCM/LMG has arbitrarily exercised his excess use of and abuse of powers for reviewing a matter when the appeal is made to DRM.
- ✓ 7) That this humble memorialist most humbly and with suave

submission state that even on the face of prevailing system of all statutory Rules that an employee should not be disturbed of transfer on the fag-end of his service-life, i.e., when only two years is left to retire on superannuation, ^{and in such circumstances} should an order of transfer is made far from his settled working place and/or home-town, it would be a colourable exercise of transfer on " administrative ground " and shall be used as cloak for punishment on "Bias" and "malafide" and when this Malafide is proved " where power is exercised for extraneous or irrelevant considerations and or reasons, it is unquestionably a colourable exercise of power or fraud on power and the exercise of power is vitiated", as opined by the Hon'ble Apex Court.

8) That moreover, while making the transfer order mentioned above, the seniority rules were not followed. It would appear from the relative seniority list that despite having juniors in the grade this humble employee has been victimised when only 12 months of service is left for him. Moreover, Sri Shankar Kanti Biswas, CS (Goods)/NGC in Scale Rs 6500 - 10500/- is withdrawn from NOC (Goods) and being utilised by DCM/GHY on " administrative ground ". Your good conscience would invariably agree, Sir, that a senior supervisor within the ambit of highest scale cannot be " withdrawn " from a highly sensitive and commercially earning place of Rly " NGC Goods area and " utilised by DCM/GHY " on " administrative ground " like a 'Minister without a portfolio'. This action of the Administration invites " D I S C R I M I N A T I O N " and thereby hits the Arts. 14, 16(1) and 21 of the Constitution of India for the safeguards of the citizens in respect of their " Right to employment ".

9) That I have no malice against anybody's benefit. I have only grievance for the discrimination and differential treatment.

of Administrative thought and action which causes unfair play and miscarriage of justice .

10. That, sir, this much consideration and favour I can claim from my employer that they should take a lenient view of all aspects and shall not disturb me from this present place of posting just on the verge of my retirement considering my whole hearted service culminated at the cause of the Administration.

In the premises above, I would, therefore, fervently pray that your magnanimity be gracious enough to look into my appeal profoundly and review the transfer order under reference most sympathetically considering my present condition and the mental agony of me and my family members just on the eve of my retirement and accord your benign orders for cancelling the said transfer order and/or modifying the orders for my stay at greater Guwahati-complex according to my pay, post, scale & capacity and thereby oblige.

The photo copies of my above transfer order, the letter of DEM(P) and my representations are enclosed for ^{for} of your ready-reference and kind perusal.

I shall remain ever grateful to you for your kind consideration and susceptible orders please.

With all humility and regards,

DA: As above.

IN THE MATTER OF :

Written Statement for and on behalf of
the respondents.

The answering respondents most respectfully sheweth
as under :

1. That, the answering respondents have gone through
the copy of the application filed by the applicant and have
understood the contents thereof.

2. That, the application suffers for want of valid cause of action. The applicant agitated about the transfer matter, which is one of the incidence of his service in the Railways. The applicant Head Commercial Clerk (Goods) in scale Rs. 5000 - 8000/- at New Guwahati of Lunding Division of N.F. Railway has been transferred and posted in same Lunding Division of N.F. Railway against existing vacancy at Karinganji Station in same pay and scale on administrative ground in January '04 under DRM(P)/N.F. Railway, Landings Office Order No. E/39-20(G.C.)(T) Pt.I dated 16.01.2004, copy of which has been annexed as Annexure-A to the application.

3. That, the applicant has got no right for filing the case as none of his existing right etc. has been infringed and by his transfer his pay scale of pay and post etc. were not affected.

4.(a) That, the applicants representation against his transfer were already disposed of by the competent authority much earlier. As will appear from the Annexures D and G to the application his appeals/representations dated 2.2.04, 29.4.04 and 16.5.04 were duly considered by proper the competent authority and were disposed of with speaking orders after due application of mind with remarks inter-alia that his transfer does not come within the purview of periodical transfer and same was done on administrative ground and that he should comply with/carry out the transfer and posting Order to Karinganji immediately without delay and that his appeals for cancellation of transfer order were not acceded to.

4.(b) That in view of above, the present case filed by the applicant on 2.8.2004 or so without complying with the Administration's Order is nothing but an attempt to delay the transfer matter and an attempt to frustrate the Administration's Order validly passed in the case, more so, when the applicant was clearly intimated by the competent authorities in response to his appeals that his request for cancellation of the transfer Order cannot be acceded to and he should carry out the transfer order.

5. That, the application is not maintainable in its present form and is fit one to be dismissed in limine.

6. That, for the sake of brevity the meticulous denial of each and every statements/allegations of the applicant as made in the application has been avoided, without admitting the correctness of those averments which are not specifically admitted hereunder.

Further, the respondents do not admit any of the allegations/statements of the applicant except those which are either borne on records^{or} are not specifically admitted by the respondents.

The respondents have been advised to confine their replies only on those points which are relevant in the case for the purpose of Judicial decision in the case.

7. That, the case is quite vexatious one without any substance and is the outcome of the afterthought of the applicant.

-: 4 :-

8. That, with regard to averments at paragraphs 4.1, 4.2 and 4.3 of the application it is submitted that the Applicant who was posted at New Guwahati Railway Station as Head Commercial Clerk (Goods) has been transferred to Karimganj Railway Station in same post and pay scale and pay on administrative ground.

His assertions that he had been continuously continuing in same station i.e. New Guwahati for about 2 decades as a reason on consideration of his sincere and dedicated service, is not admitted as correct since posting/
Continuity of a staff ^{at a} particular station is dependant on administrative necessity and ^{for} better utilisation/distribution of staff on work necessity etc.

9. That, with regard to averments at paragraphs 4.4, 4.5, 4.6, 4.7, 4.8 and 4.9 of the application it is submitted that the applicant is due to retire on 30.6.2005 on superannuation as his date of birth is 18.6.1945 and this retirement date cannot be a valid ground for frustrating the order of transfer when such order has been passed on Administrative ground and same is not a periodical transfer and Railway Board's circulars etc. as quoted by the applicant is not applicable to his case. His retention at New Guwahati Railway Station or near about is not conclusive to the Railway's interest and not deniable etc. which may deter Vigilance departments proceedings ^{etc} against him and some 3 others (who have also been ordered for transfer to other stations). Moreover as per his statement he is already serving at this particular station (at New Guwahati Station) for the last 20 years.

Further, his appeals dated ~~22.04.04~~ 2.2.04, 29.4.04 and 16.5.04 were duly considered by competent authority i.e. ADRM/Lunding and same was communicated to him vide Divisional Railway Manager (P)/Lunding's letter dated 2.7.2004 (Copy of which annexed as Annexure 'G' to the application).

10. That, with regard to averments/allegations at paragraphs 4.10., 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17 and 4.18 of the application it submitted that the contention of the applicant that New Guwahati Goods Office is highly sensitive and commercially earning place of the Railway is admitted. The transfer order against the 4 staff including the applicant had to be issued in greater administrative interest and especially when his conduct was under investigation and vigilance case was there. Out of 4 staff, one Sankar Kanti Biswas, C.S. (Goods)/New Guwahati who was also transferred and withdrawn from New Guwahati Railway Station on administrative ground has already retired from Railway service on 30.4.2004. It is also submitted that the Divisional Commercial Manager, Lunding never reviewed the transfer order which was approved by the ADRM/Lunding. The Order of the Divisional Commercial Manager/Lunding was issued with the approval of the ADRM/Lunding. It is denied that there has been any discrimination in the case as alleged or there has been any violation of Article 14, 16(1) and 21 of the Constitution of India and that the applicant has any 'Right to employment' as per his Sweet Will or the seniority list Annexed as Annexure H to the application has got any relevance in the case or that the sanctity and the force of the impugned order of transfer has not been maintained and effected. It is emphatically denied that there has been any mis-use of public money as alleged by the applicant or that actions of the Respondents are arbitrary, whimsical and discriminatory. It is too much for the applicant (vide Para 4.14 of the application) to ^{assent} that the administration should

have intimated to him ^{or let him} know as to from which date the vacancy at Karinganj Railway Station (where he has been transferred) is lying vacant and how it can be termed as the administrative ground etc. It is denied that there has been any brazen decision, wanton attitude and vindictive policy to cause stringent hardship on the applicant, as alleged.

It is also denied that there has been any colourable exercise of power or malafide or that the transfer order was issued to disentitle him from his lawful right as alleged or that the transfer aspect has been used as cloak of punishment and on 'Bias' or extraneous or irrelevant considerations and/or reasons or as a fraud on power etc. as alleged. It is submitted that the applicant has gone out of the way as he failed to mention that the Apex Court's opinion as contended by him was passed in exactly similar cases or not and in what case. Such irrelevant assertions are quite inadmissible and uncalled for.

It is also reiterated that the instant transfer order is not covered by the Railway Board's Circular for periodical transfer or/and that the transfer order had to be issued under special circumstances for the administrative interest and there is no illegality in issuing same. Further, transfer is an incidence of service and does not fall within the purview of punishments detailed in the Railway Servants Discipline & Appeal Rules 1968, and that the transfer order was passed and his representations were disposed of with ^{reasoned order} after due application of mind and due consideration of the case.

11. That, with regard to averments at paragraph 4.19 of the application it is submitted that all the allegations of the applicant as made in this paragraph are incorrect and hence denied. It is submitted that there has not been any

violation of Fundamental right in service matter as alleged, or, there is any violation of Railway's own set of rules which might attract unfair, unjust, irregular, bias and mala fide actions of Administration or that for any hardship as alleged by the applicant, the Railway administration is liable, or, that the applicant will suffer irreparable loss by such transfer etc. as alleged.

12. That, in view of what have been submitted in above paragraphs of this written statement none of the grounds for relief as mentioned in paragraphs 5 of the application and the relief as sought for under paragraphs 8 and 9 of the application are sustainable under law and fact of the case and thus the prayers of the applicant are liable to be rejected.

13. That, it is submitted that all the actions taken in the case by the respondents are quite legal, valid and proper and in consonance to the provisions of extant rules on the subject and have been taken after due application of mind and concept of natural Justice as well and that the present case of the applicant is based on wrong premises and suffers from mis-conception and mis-interpretation of rules and laws on the subject besides being a surmise only and is the result of after-thought action in order to frustrate the government action or cause delay in the implementation of the legally valid order.

14. That, the answering respondents crave leave of the Hon'ble Tribunal to file additional written statement, if found necessary on receipt any further information etc. about the case, for ends of Justice.

15. That, under the facts and circumstances of the case, as stated in foregoing paragraphs of the written statement, the instant application is not maintainable under law and fact of the case and is fit one to be dismissed.
