ORDER (ORAL)

SIVARAJAN J. (V.C.)

The Chief Postmaster General, Assam Circle, Guwahati has issued a notification (Annexure - I) inviting applications from meritorious sports persons who are Indian citizens for the post of postman in the pay scale of Rs. 3050-4590/- plus other allowance as admissible to fill up the sports quota for the year 2001. Pursuant to the said notification, the applicant and the Respondent No. 10 who are sportsmen applied for the

post of postman. A Selection Committee was constituted for selection of postman with the Director, PTC, Guwahati as Chairman, the SSPOs, Guwahati, the Assistant Director (WLF), CO/Guwahati as Member and expert personnel nominated/deputed by Sports Authority, Government of Assam also as Member. An expert, Sri Pranab Saikia, Assistant Secretary, State Sports Council, Government of Assam, Department of Welfare and Sports was deputed for Athletic events. The meeting of the Selection Committee for selection of postman under sports quota Athletic (Track) event was held on 18.06.2004. In the meeting of the Selection Committee the 10th Respondent was selected. However, minutes were not signed by Sri Pranab Saikia, the Expert. When the applicant came to know about the selection of the 10th Respondent, she approached this Tribunal by filing the present Original Application challenging the selection of the 10th Respondent.

2. According to the applicant, her case was not considered by the Selection Committee for the reason that one of the members of the Selection Committee orally stated that the applicant had undergone major surgery and thereby the applicant was incapacitated from participating in sports event thereafter. According to the applicant, she was not physically unfit at all and that she has made representation before the Selection Committee alongwith medical certificates of fitness (Annexures - VI & VII). The applicant has also got a case that her track performance was better than that of the 10th Respondent.

3. The Respondents No. 1 to 9 have filed written statement. In page 5 of the written statement it is stated thus :

gpc

"Since there was a difference of opinion among the members of the Selection Committee in selecting a meritorious sports person in Athletic (Track) event and one of the members did not sign the proceedings of the Selection Committee, the recommendation made by the Selection Committee has been treated as void and invalid and it was decided to constitute a fresh Selection Committee with new members in consultation with the Director of Sports and Youth Welfare, Government of Assam for selection of the candidate against Athletic (Track) event afresh. Accordingly step was taken to reconstitute a Selection Committee by requesting the Director, Sports and Youth Welfare, Assam vide letter dated 21.7.04 (Annexure - X) to nominate a new member in place of the member nominated earlier in respect of Athletic (Track) events for further course of action. The Director, Sports and Youth Welfare vide his letter No. DSY/S/ESTT-1/2003/90 dated 26.8.2004 has nominated Sri S.S. Roy, District Sports Officer, Guwahati as a member of the Selection Committee to be reconstituted as per Annexure - XI"

The other averments made in the Original Application were also denied.

4. The 10th Respondent also filed written statement, wherein it is stated that 10th Respondent, pursuant to the notification (Annexure - I) applied for the post of postman and produced all track records obtained by him and the legally constituted Selection Committee considered the case of the applicant and the 10th Respondent and validly selected the 10th Respondent for the post of postman. Various other allegations made by the applicant in the application were also denied by the 10th Respondent.

5. We have heard Mr. M. Chanda, learned counsel for the applicant, Mr. M.U. Ahmed, learned Addl. C.G.S.C. for the official Respondents No. 1 to 9 and also Mr. D.K. Saikia, learned counsel for the Respondent No.

10.

per

6. As already noted, pursuant to the notification (Annexure - I), the applicant and the 10th Respondent applied for the post of postman in the sports quota. A Selection Committee was constituted with 4 members of which one of them, was a technical expert by name Sri Pranab Saikia. The Selection Committee convened its meeting for selection of the candidate on 18.06.2004 and they selected the 10th Respondent for the post of postman. Admittedly, the minutes of the said meeting was not signed by Sri Pranab Saikia. The applicant had immediately approached this Tribunal by filing this application. It so happens the respondents themselves have cancelled the selection made on 18.06.2004 as could be seen from page 5 of the written statement extracted hereinabove and fresh Selection Committee by changing the earlier technical expert Sri Saikia and substituting him by Sri S.S. Roy, District Sports Officer, Guwahati was constituted. In view of the pendency of this application Selection Committee did not meet thereafter and the selection process for the post of postman in the sports quota is now pending. Since the respondents themselves had cancelled the selection of the 10th Respondent, it is unnecessary for us to go into the various contentions raised by the applicant and by the respondents in this proceeding. Here it must be noted that though the 10th Respondent was selected for the post of postman in the sports quota and the respondents themselves have cancelled the said selection in July, 2004, the 10th Respondent has not challenged the said cancellation till date. It must be noted here that cancellation order stands and fresh selection has to be made.

7. In this context it is relevant to mention certain aspects which are relevant for proceeding with the selection. We find that selection already made on 18.06.2004 was cancelled and a decision taken to constitute fresh Selection Committee with new members in consultation with the

[Signature]

Director of Sports and Youth Welfare, Government of Assam for selection of the candidate against Athletic (Track) event. However, the communication dated 21.07.2004 (Annexure - X) shows that the request was made only for nomination of a new member in place of the member nominated earlier in respect of Athletic (Track) event for further course of action. Here it must be noted that the case of the applicant is that one of the members of the Selection Committee (other than the technical expert) has raised an objection to the consideration of the case of the applicant for selection by stating that the applicant had undergone major surgery which incapacitated her from participating in sports event in future. In the light of such allegation whether it will be proper on the part of the respondents to continue him in the Selection Committee is a matter to be considered by the concerned respondents, for, certain prejudice might be caused if the said member is allowed to continue in the Committee.

8. In this view of the matter, we are of the view that this application can be disposed of by directing the official respondents to constitute a proper Selection Committee as contemplated in relevant Rules to consider the case of the applicant and the 10th Respondent alongwith any other applicants, if any, for selection to the post of postman in sports quota strictly in accordance with the notification (Annexure - I) and the Rules, if any, regarding appointment in sports quota within a period of three months from the date of receipt of copy of this order.

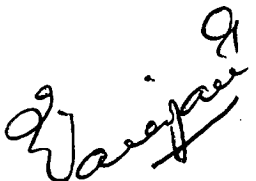

9. Here we must note the contention of Mr. D.K. Saikia, learned counsel for the 10th Respondent that the 10th Respondent was duly selected by a duly constituted Selection Committee and therefore, the respondents cannot cancel such selection. We have already stated that if

gpa

the 10th respondent was aggrieved by the cancellation order passed in July, 2004, he had an independent cause of action against the said cancellation order which he did not choose to avail. Counsel now submits that the 10th respondent intends to file an independent O.A. challenging the cancellation of the selection. We do not like to express any opinion about it other than to observe that it is too late. The 10th respondent, if he wanted to challenge the cancellation order had enough time to do so. We are not inclined to say anything more at this point of time.

The application is disposed of as above.

Applicant having full eligibility in terms of the advertisement, applied for the post earmarked for the discipline of Athletics.
- 02.06.2004- Respondents constituted one Selection Committee for selecting the candidates for appointment.
- 18.06.2004- Selection Committee meeting was held. Applicant's candidature was not taken into consideration due to a verbal complain made by one of the members of the Selection Committee who stated that the applicant is physically unfit for the post since she underwent a surgical operation. There was no documentary evidence, in support of the complaint.

Dipti Hazarika.

The Technical expert (Athletics), representing the Directorate of Sports, Govt. of Assam who was a member of the Selection Committee objected to the exclusion of the applicant without any documentary evidence.

But the Committee selected one Athlete whose performance records were inferior to that of the applicant in the track events. The Technical Member therefore did not accept the selection proceeding and submitted his note of objection in writing to the Respondent No.3.

30.06.2004-

Having learnt about her rejection, the applicant submitted representation enclosing therewith her medical fitness certificate from the Doctor and confirmed that she was completely fit and had been doing her regular practice both morning and evening and attending to all sporting activities in normal manner.

But Selection Committee relied on the unfounded complain aforesaid and adhered to their decision in an arbitrary manner.

Hence this application before the Hon'ble Tribunal.

DETAILS OF THE APPLICATION

1. Particulars of order(s) against which this application is made.

This application is made not against any particular order but against non-consideration of the applicant for selection for appointment to the post of Sports Person, advertised by the Respondents for recruitment against sports quota, inspite of her full eligibility her candidature was rejected on the alleged ground of physically unfit without consulting any Medical Expert and also in total violation of the guidelines/Rules of appointment under Sports quota with malafide intention.

2. Jurisdiction of the Tribunal.

The applicant declares that the subject matter of this application is well within the jurisdiction of this Hon'ble Tribunal.

3. Limitation.

The applicant further declares that this application is filed within the limitation prescribed under section-21 of the Administrative Tribunals Act, 1985.

4. Facts of the Case.

- 4.1 That the applicant is a citizen of India and as such she is entitled to all the rights, protections and privileges as guaranteed under the Constitution of India.

Dipti Negi

4.2 That the Chief Post Master General, Assam Circle, Department of Posts, vide his notification No. Staff/ 13-20/2001/Corr dated 11.03.2003 advertised for recruitment to the posts of Postal Assistant/Sorting Assistant, Postman and Group-D category post (total four nos. of posts) under Sports quota. The four posts so advertised were earmarked as one each for the disciplines of Table Tennis, Badminton, Chess and Athletics (Track events). The last date for submission of application was 30.04.2003.

(Copy of the advertisement dated 11.03.2003 is annexed hereto as Annexure-I).

4.3 That the applicant, having full eligibility in terms of the advertisement, applied for the post earmarked for the discipline of Athletics. After screening of all the applications, the respondents made a qualifying screening list wherein the name of the applicant appeared at Sl. No. 12 against the post of Postman alongwith others and the final selection was made by a Selection Committee by assessment of records. Accordingly the Respondent No.3 vides his order No. Staff/ 13-20/2001/Corr. dated 02.06.2004 constituted a Selection Committee with the following members.

1. The Director, PTC/Guwahati - Chairman.
2. The SSPO/Guwahati - Member.
3. The AD (WLF), CO/Guwahati - Member.
4. The expert personnel

Nominated/deputed by the

Sports Authority, Govt. of

Assam (event wise) - Member.

(Copy of screening list and order dated 02.06.04 are annexed hereto as Annexure-II and III respectively).

- 4.4 That pursuant to the order stated above and the request made by the Respondent No. 3 the Director of Sports and Youth Welfare, Govt. of Assam vide it's letter No. DSY/S/Estt.I/2003/70 dated 17.06.2004 deputed one Shri Pronob Saikia to represent the Directorate of Sports etc; Govt. of Assam for selection of Athlete to be recruited by the Respondents. In addition, the Directorate also deputed one Shri Pulak Lahiri to represent the Directorate for the said purpose.

(Copy of the letter dated 17.06.04 is annexed hereto as Annexure-IV).

- 4.5 That the Selection Committee mentioned above met on 18.06.2004 and understood to have made the final selection of the candidates. In fact, it was a paper selection made on the basis of scrutiny of track records only. It is learnt that in the meeting of the Selection Committee aforesaid, the candidature of the applicant has not been taken into consideration following a verbal complain made by one of the members stating that the applicant was not medically fit since she underwent a surgical operation of her knee in the last year. Acting on that unfounded complaint made by a member of the Selection Committee excluded the

applicant from being considered for the post although there was no documentary evidence or records whatsoever in support of the complain aforesaid with a malafide intention. The Technical expert, Athletics in the committee who was nominated as a member in the Selection Committee by the Director of Sports Govt. of Assam however, objected to this and opined that the applicant cannot be excluded on medical ground in such a manner simply on the basis of a verbal complain by a member without any documentary evidence. It is further learnt by the applicant from a reliable source that the Technical Expert (Athletics) even submitted his objection in writing to the Respondent No.3 vide his letter dated 18.06.2004 i.e. the day on which the Selection Committee meeting was held and in the said letter the Technical member stated that the entire facts and expressed his inability to accept the proceedings (Selection list) made by the Selection Committee.

- 4.6 That having learnt from reliable source regarding her exclusion from selection list on medical ground as stated above, the applicant immediately submitted one representation on 30.06.2004 to the Respondent No.3 confirming her physical fitness and enclosing therewith one fitness certificate from Dr. Anant Joshi of Mumbai who gave her medical treatment and conducted an

Debi K. Karmika

operation on 01.08.2003. In his certificate dated 27.06.2004, Dr. Joshi clearly mentioned that the applicant has since fully recovered and could resume normal sporting activities as well as competition. The applicant in her representation dated 30.06.04 also confirmed that she was under the treatment of Dr. Joshi for a short period in 2003 for her minor ailments and thereafter she has been completely fit and has been doing her regular practice both morning and evening and attending to all sporting activities normally.

(Copy of representation dated 30.06.04 and fitness certificate dated 27.06.04 are annexed hereto as Annexure-VI and VII respectively).

4.7 That the applicant most respectfully begs to submit that for selection of Athletes for All India Postal Competitions, the Department of Posts have set some minimum qualifying standards for each events and only those Athletes whose performances conform to those set standards can be selected for appointment as Sports Persons in the relevant field as notified by the All India Postal Sports Board. The said norms were made available to the Selection Committee at the time of selection for taking the said norms in the instant case as a matter of guiding principles.

(Copy of the extract containing the set norms is annexed hereto as Annexure- VIII).

4.8 That the applicant fully satisfied and fulfilled the standard as per the set norms which are properly

Dipti Hogriker

reflected in her statement of Bio-data and relevant certificates which were annexed and submitted by the applicant alongwith her original application when she applied for the post. But it is understood that the Selection Committee did not even examine her bio-data and certificates and rejected her candidature outright simply relying on a wrong and imaginary complain made by one of the members with malafide intention to give undue benefit to Respondent No. 10. Copies of her sports bio-data both original and updated are enclosed herewith for perusal of the Hon'ble Tribunal.

(Copies of Sports Bio-data both original and updated in respect of the applicant are annexed hereto as Annexure- IX and X respectively).

- 4.9 That the applicant participated in Athletic Competitions held at various places in the country in number of occasions in State level, Zonal level and National level meets in addition to Inter-state and Regional level competitions. She represented the State of Assam and East Zone in Athletic competitions on several occasions and she was awarded with Participation Certificates and performance-wise merit certificates in all cases and all those certificates were submitted by the applicant alongwith her original application which were available with the Selection Committee at the time of selection. Those certificates being voluminous, only few of those are appended herewith and the applicant craves to submit others at

Dipti Nagreka

the time of hearing should the Hon'ble Tribunal so desires.

(Copies of some certificates are annexed hereto as Annexure-XI series).

4.10 That the applicant further begs to state that she had some outstanding and landmark performances in the field of Athletics which are specially mentioned as under:-

- (a) Represented Assam in XI th East Zone Junior Athletic Championship, 1999 held at Calcutta and secured Silver medal in Heptathlon (i.e. 100m hurdles, 200m race, 800m race, Shot put, Javelin throw, High jump, Long jump)- (Annexure-XII-A).
- (b) Represented East Zone in the 12th ITC Inter-Zonal Junior Athletic Championships held at Hisar (Haryana) in December, 2000 and secured Silver medal in Heptathlon- (i.e. 100m hurdles, 200m race, 800m race, Shot put, Javelin throw, High jump, Long jump)- (Annexure-XII-B).
- (c) Represented East Zone in the 9th ITC Junior Inter-Zonal (National) Athletic Championship held at Calcutta in October, 1997 and secured Silver medal in 4/100 mtr. Relay- (Annexure-XII-C).
- (d) Participated in State level Athletic Competition held at Guwahati in December, 2002 and secured first position in 100m run, finishing in 13.56 seconds as against the set minimum qualifying of 14.5 seconds- (Annexure-XII-D).

Dipti Hograiker

- (e) Represented Assam in XVI th North East Sports Festival held at Agartala in February, 2002 and secured second position in 200m Sprint, finishing 28.2 seconds as against the set minimum qualifying standard of 31.0 seconds- (Annexure-XII-E).
- (f) Represented Assam in XVth North East Sports Festival held at Agartala in February, 2002 and secured second position in 4/100m run, finishing in 52.2 seconds as against the set minimum qualifying standard of 1.04.0 minutes.- (Annexure-XII-F).

From the above mentioned achievements, it is clearly evident that the applicant performed as per the set standards and guidelines notified by the All India Postal Sport Board regarding minimum qualifying standards of various events for the purpose of recruitment of Sports Persons. As such she was fully eligible for selection to the post applied for. Be it stated that the applicant has got a very good/unique track records which is far better than the track records of Respondent No. 10, as such, when proper selection is made on the basis of track records the case of the present applicant ought to have been considered on priority basis than the case of the Respondent No.10 for appointment.

(Copies of merit certificates are annexed hereto as Annexure-XII-A to F respectively).

Dipali Hazarika

4.11 That the applicant could learn from reliable source that inspite of her eligibility as per standards, her candidature was rejected on extraneous considerations stated above and one Shri Moon Changmai, Respondent No.10 whose name appeared at Sl. No. 16 in the screening list and whose records in the track events were not better in any respect than that of the applicant, has been selected against the post of Athletics. The applicant inspite of her better records in the Athletics, has been excluded from the selection, in an unjust, unfair, arbitrary and capricious manner.

4.12 That the applicant most humbly begs to submit that the requisite academic qualification specified in the advertisement was as under;-

(i) For the post of Postal Asstt/

Sorting Asstt. = 10+2 Standard passed.

(ii) For the post of Postman = Matriculation or equivalent.

(iii) For the post of Group 'D' = Middle School standard passed.

On the closing date of application i.e. on 30.04.2004 the applicant was only H.S.L.C passed but subsequently she passed Higher Secondary examination also, the result of which was declared after the closing date. As such she could apply only for the post under Sl. No. (ii) and (iii) above and could not apply for post under Sl. No. (i) above since her result of Higher Secondary examination was not declared till the

Dipti Negar

closing date of application. The applicant also passed Typing.

(Copy of pass certificate of H.S.L.C and H.S exams and Type writing are annexed hereto as Annexure-XIII series).

4.13 That it is stated that the Respondent No.10 was also only H.S.L.C passed on the closing date of application and passed H.S thereafter and as such was exactly similarly situated as the applicant in respect of academic qualification. But surprisingly, in the preliminary screening list, the educational qualification shown alongside the name of the applicant was H.S.L.C passed whereas the same was shown as H.S passed alongside the name of the Respondent No.10 although his result of H.S was not declared till the closing date of application. This clearly indicates that the H.S pass certificate of the Respondent No.10 was entertained even after the closing date of application, which is unfair, and against the settled law. This was presumably done in order to not only selecting the Respondent No.10 but with the intention of even placing him in the higher post of Postal Asstt. /Sorting Asstt. which is malafide, unfair, and based on extraneous considerations.

4.14 That the applicant most humbly begs to submit that due to rejection of her candidature without any valid reason in an unfair and unjust manner, the applicant is going to be deprived of her legitimate selection for

Dipali Hegarika

appointment as Sports Person against the discipline of Athletics, thereby causing irreparable loss to her. As such finding no other alternative, the applicant is approaching this Hon'ble Tribunal for protection of her legitimate rights and interests and it is a fit case for the Hon'ble Tribunal to interfere with and to protect the rights and interests of the applicant directing the Respondents to hold review selection strictly in terms of the set norms and guidelines in respect of different parameters, taking into considerations the track records of all the candidates including that of the applicant so as to make a fair selection.

4.15 That this application is made bonafide and for the cause of justice.

5. Grounds for relief(s) with legal provisions.

5.1 For that, the applicant is eligible for selection to the post of Sports Person against the Athletes quota in terms of the specifications prescribed in the advertisement.

5.2 For that, the applicant participated in number of Athletic Competitions at State, Zonal, Interstate and National level representing the State of Assam/East zone and won medals.

5.3 For that, the performance of the applicant in different Athletic events at State/Zonal/National level are in

Deepti Nagreika

conformity with the standards set by the All India Postal Sports Board for recruitment of Sports person.

- 5.4 For that, the applicant acquired a valuable right for being selected to the vacant post under Athletic quota for which advertisement was made.
- 5.5 For that, the candidature of the applicant has been rejected by the Selection Committee while conducted paper selection on the basis of track records and unfounded verbal complain made by one of the members of the Selection Committee that the applicant is medically unfit due to an operation undergone by her. It is categorically submitted that the applicant's track record is far better than the Respondent No.10 as such recommendation of selection committee for appointment of Respondent No.10 is highly illegal and unfair and the same is in total violation of guidelines/set norms.
- 5.6 For that, the selection committee rejected the candidature even without taking the records of the applicant into consideration and even in absence of any documentary evidence or further enquiries regarding the physical unfitness of the applicant complained of.
- 5.7 For that, the applicant on the contrary, submitted her physical fitness certificate from her attending Doctor but not considered by the Respondents.
- 5.8 For that, the Technical Expert (Athletics) in the Selection Committee made written objection and opined

Dipak K. K. K.

that the applicant cannot be rejected in such a manner in absence of any documentary evidence against her fitness.

5.9 For that, the performance records of the applicant in the track events are better than that of the candidate, understood to have been selected (Respondent No.10).

5.10 For that, the applicant submitted representation against her rejection on medical ground and further submitted relevant medical certificate in support of her physical fitness but not considered by the Respondents.

5.11 For that, the Selection Committee acted with malafide intention in the most unfair, unjust, arbitrary and illegal manner and in violation of the principles of natural justice and so also the provisions of Article 14 and 16 of the Constitution of India.

6. Details of remedies exhausted.

That the applicant states that she has exhausted all the remedies available to her and there is no other alternative and efficacious remedy than to file this application.

7. Matters not previously filed or pending with any other Court.

The applicant further declares that she had not previously filed any application, Writ Petition or Suit before any Court or any other authority or any other

Dipti Hegdekar.

Bench of the Tribunal regarding the subject matter of this application nor any such application, Writ Petition or Suit is pending before any of them.

8. Relief(s) sought for:

Under the facts and circumstances stated above, the applicant humbly prays that Your Lordships be pleased to issue notice to the respondents to show cause as to why the reliefs sought for by the applicant shall not be granted, call for the records of the selection and on perusal of the records and after hearing the parties on the cause or causes that may be shown, be pleased to grant the following relief(s):

- 8.1 That the selection and appointment of the Respondent No.10 Shri Moon Changmai be declared as void and illegal.
- 8.2 That the Respondents be directed to hold a review selection strictly in terms of the minimum qualifying standards of different Athletic events as set by the All India Postal Sports Board, taking into consideration the track records and present academic qualifications of the candidates including that of the applicant and also the representation and fitness certificate etc. submitted by the applicant.
- 8.3 Costs of the application.
- 8.4 Any other relief(s) to which the applicant is entitled as the Hon'ble Tribunal may deem fit and proper.

Dipti Hazare

9. Interim order prayed for.

During pendency of this application, the applicant prays for the following relief: -

- 9.1 That the Hon'ble Tribunal be pleased to restrain the respondents from appointing the Respondent No.10 or other person, if any selected, against the post under Athletic quota till the final disposal of this application. The applicant also prays that the instant application be disposed of expeditiously.

Sub: Recruitment of meritorious sportspersons in groups 'C' and group 'D' post for the vacancy of sports quota for the year 2001,

Sir,

In inviting a reference to the subject cited above, I have the honour to inform you that the meeting of the selection committee (athletics) to select one athlete for recruitment against Sports Quota on the basis of Sports Certificates was held under the Chairmanship of the Director, PTC, Guwahati in his office chamber today. Being one of the member as a representative of Directorate of Sports, Assam, I was also present in the said meeting. It is to be mentioned here that in that selection committee meeting, the candidature of the one good athlete (Miss Dipti Hazarika) has not taken into consideration on medical ground. One of the member of the selection committee has verbally complained that Miss Dipti Hazarika is not medically fit as she has performed a knee operation during last year under Dr. Anant Joshi of Mumbai. But without having any written evidence, it is quite impossible as well as unjustified on the part of the Selection Committee to reject the candidature of any qualified applicant.

So, under this circumstances, it will not be possible on my part to accept the proceedings (Selection List) of the said selection committee.

This is for favour of your kind information and necessary action.

Yours faithfully,

To,

The Chief Post Master General,
Assam Circle,
Maghdoot Bhawan, Panbazar,
Guwahati - 781001

Sub: Recruitment of Sports persons against Sports quota for the year, 2001

Sir,

In inviting a reference to the subject cited above I have the honour to draw your kind attention and sympathetic consideration for the following few lines.

That Sir, in response to your advertisement published in the Local Dailys/ Employment News for recruitment of sportspersons against the vacancy for the year, 2001 covering four disciplines i.e., Athletics, Badminton, Chess and Table Tennis and being an educated unemployee and also a meritorious athlete of the state, I also applied for the post of Postman/ Group 'D'. Accordingly my name was also there in the screening list for final selection.

But I am sorry to inform you that my name has been dropped from the final selection on medical ground (fitness) without having any documentary evident. It is for favour of your kind information that, I was under treatment of Dr. Anant Joshi, a renowned Sports Medicine Specialist (Master of Sports Science, U.S.A.) of India for a small period and now I am physically fit. My regular practice for both morning and evening are going on smoothly. In support of my claim, I am submitting herewith a copy of Medical Fitness Certificate (Xerox) duly issued by Dr. Anant Joshi of Mumbai for ready reference.

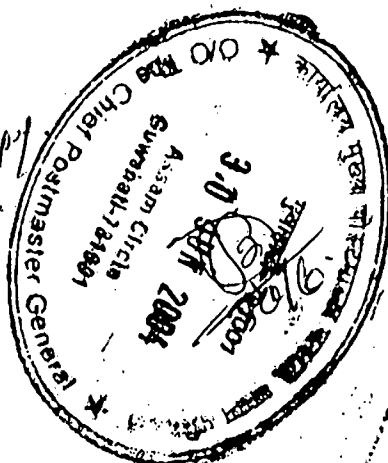

Under the above circumstances, now I have got no other way then to pray your honour for justice and for which act of your kindness, I shall leave no stone unturned to give you full satisfaction.

Yours faithfully,

In response to the advertisement published in the Employment News as mentioned above, the applications were received from the candidates and Ms. Dipti Hazarika was also one of the applicant who applied for the post of Postman under sports quota recruitment. It was decided by the Assam Postal Circle Sports Board to fill up the vacant post of Postman under sports quota by the sports person of Athletic (Track) event.

The selection process was undertaken and to include a prominent and technical person in the Selection Committee, the Director, Sports and Youth Welfare, Govt. of Assam, Guwahati was requested vide letter dated 7.1.04 (Annexure-III) to depute one prominent sports person to act as a member of the Selection Committee for selection of meritorious person in Athletic (Track) events. In response to above letter, the Director, Sports and Youth Welfare, Government of Assam, Guwahati-7 nominated Shri Pranab Saikia, Asstt. Secretary, State Sports Council of Assam as the representative in the Selection Committee for the Athletic (Track) events along with one other sports person vide his letter No. DSY/S/ESTT-1/2003/40 dated 5.2.2004 (Annexure-IV).

The Director, Sports and Youth Welfare, Government of Assam, Guwahati was also requested to fix a convenient date for conducting the practical test/trial for the applicant for selection of meritorious person in Athletic (Track) events vide letter dated 29.3.04 (Annexure-V). The Director, Sports and Youth Welfare, Government of Assam vide his letter No. DSY/S/ESTT-1/2003/59 dated 22.4.04 informed that the test on Athletic event may be skipped over as it was not feasible to hold the test due to ongoing monsoon and suggested to select the candidate for Athletic event on the basis of sports certificates (Annexure-VI).

A Selection Committee was then constituted vide No. Staff/13-20/2001/Corr. dated 2.6.2004 by the Chief Postmaster General, Assam Circle, Guwahati with the Director of Postal Training Centre, Guwahati as Chairman and the SSPOs, Guwahati Division, Guwahati, Asstt. Director (Welfare), O/o CPMG, Assam Circle, Guwahati and expert Members deputed by the Sports Authority, Government of Assam as members as per Annexure-VII.

The Selection Committee met on 18.6.2004 for selection of candidate for the post of ^Postman against Athletic (Track) events. After scrutiny of records/Bio-data, 5(five) candidates were taken into consideration zone on the basis of sports certificates. Accordingly, the Committee considered the candidature of these candidates keeping into account of the performance during the last two years i.e. 2002 and 2003. The records/performances

and sports achievements applicant namely Ms. Dipti Hazarika was also considered and examined by the Selection Committee along with others. After examining the furnished educational details, listed sports achievements, date of birth etc., the Selection Committee recommended the candidature of Shri Moon Changmai against the vacancy earmarked for Postman cadre in Athletic (Track) events subject to physical fitness and production and examination of original testimonials by the competent authority. The Minutes of the Selection Committee was prepared and then signed by the Chairman and members on 28.6.2004. A copy of the Minutes of the Selection Committee is enclosed as Annexure-VIII.

During the selection process Shri Pranab Saikia, Asstt. Secretary, State Sports Council, Guwahati along with Shri Pulak Lahiri eminent Sports person who was also deputed by the Department of Sports and Youth Welfare participated in the proceedings of selection of ^{meritorious} sports person against the vacancy earmarked for Postman cadre in Athletic (Track) events on 18.6.04. There were no difference of opinion during the proceedings of Selection Committee and the recommendations were drawn up in unison on 18.6.04. recommending the name of Shri Moon Changmai for the post of Postman in Athletic (Track) event. The minutes of the proceedings were sent to all the members for signature. All the members except Shri Pranab Saikia, Asstt. Secretary, State Sports Council, Guwahati signed the minutes. Shri Pranab Saikia did not sign the minutes of the Selection

Committee proceeding and submitted a letter dated 18.6.2004 to the Chief Postmaster General, Assam Circle, Guwahati Annexure-IX.

Since there was a difference of opinion among the members of the Selection Committee in selecting a meritorious sports person in Athletic (Track) event and one of the members did not sign the proceedings of Selection Committee, the recommendation made by the Selection Committee has been treated as void and invalid and it was decided to constitute a fresh Selection Committee with new members in consultation with the Director of Sports and Youth Welfare, Government of Assam for selection of the candidate against Athletic (Track) event afresh. Accordingly step was taken to reconstitute a Selection Committee by requesting the Director Sports and Youth Welfare, Assam vide letter dated 21.7.04 (Annexure-X) to nominate a new member in place of the member nominated earlier in respect of Athletic (Track) events for further course of action. The Director, Sports and Youth Welfare vide his letter No. DSY/S/ESTT-1/2003/90 dated 26.8.2004 has nominated Shri S.S. Roy, District Sports Officer, Guwahati as a member of the Selection Committee to be reconstituted as per Annexure-XI.

Before awaiting further action in this case, the applicant namely Ms. Dipti Hazarika filed the present Original Application No. 172/04 before the Hon'ble Tribunal, Guwahati Bench seeking for direction to declare the selection of Shri Moon Changmai (Respondent No.10) as void and to

hold a review selection in Athletic events to select the candidate strictly in terms of minimum qualifying standards and taking into academic qualification of the candidates including that of the applicant.

The notice of the Hon'ble Tribunal was received by the O/o the Respondent No.3. In view of the interim order dated 9.8.2004 of the Hon'ble Tribunal to the effect that any appointment to the post shall be subject to the outcome of the application, the process of reconstitution of the Selection Committee and selection in the post earmarked for Athletic (Track) events has been suspended.

Parawise Comments :

1. That with regard to the statement made in para 1, of the application, the respondents beg to state that the contentions of the applicant in para of the OA are denied as the same are not based on facts. The duly constituted Selection Committee examined and considered the candidature of applicant in the selection of meritorious sports persons for the post of Postman under Sports Quota for the year 2001 along with other candidates. The selection was recommended by the Selection Committee on the basis of certificates of performance in Sports (Athletic events) produced by the candidates. It is totally incorrect that the case of the applicant was rejected on alleged ground of physical fitness of the candidates while considering/examination the certificates or other relevant

documents submitted by the candidates for appointment. Hence, the contentions of the applicant are imaginary and not based on facts and records.

as notified by the Assam Postal Circle. In response to the above request, the Director of Sports, Government of Assam, Guwahati nominated Shri Pranab Saikia, Asstt. Secretary, State Sports Council, Assam and other Shri Pulak Iahiri, Sports Analyst vide No. DSY/S/ESTT-1/2003/40 dated 5.2.2004 to represent in the Selection Committee to be formed for selection of sports person for Athletic (Track) events for the post of Postman. 8. The Directorate of Sports and Youth Welfare, Government of Assam, Guwahati was then requested to fix a date and venue for holding practical/field test of the candidates in the disciplines i.e. T.T., Chess, Badminton and Athletic (Track) events vide letter dated 29.3.04. In response to above letter, Directorate, Sports/Youth Welfare, Government of Assam, Guwahati vide their letter dated 22.4.2004 suggested to select the candidates against the Athletic events on the basis of sports certificates produced by the candidates as it was not feasible to hold field test on Athletic (Track) events due to ongoing monsoon.

Accordingly, the Respondent No.3 constituted a Selection Committee vide No. Staff 13-20/2001/Corr dated 2.6.2004 with the following members to select the sports person for appointment in the post of Postman against Athletic (Track) events of sports quota.

The Director, PTC, Guwahati	-	Chairman
The SSPOs, Guwahati	-	Member
The Asstt. Director(WLF), CO/Guwahati	-	Member
The expert personnel nominated/deputed by Sports authority, Govt. of Assam.		

(A copy of the letter is annexed herewith and marked as Annexure - VII.)

The contention of the applicant to the fact that final selection was made after screening the applications of the candidates and then the Selection Committee was constituted is not correct. The fact remains that the candidate was considered for selection as could be seen from the minutes of the proceedings of selection committee at Annexure-VIII.

5. That with regard to the statement made in para 4.4, of the application, the respondents beg to state that it is admitted as the same are based on facts in the records. It is further added that the Director of Sports and Youth Welfare, Government of Assam, Guwahati confirmed vide their letter dated 17.6.2004

the nomination of Shri Pranab Saikia and Shri Pulak Iahiri sports experts/Analyst who were already nominated earlier vide their letter dated 5.2.04 (ANNEXURE-IV)

A copy of the letter dated 27.6.2004 is annexed hereto and marked as Annexure - I.

6. That with regard to the statement made in para 4.5, of the application, the respondents beg to state that the Selection Committee met on 18.6.2004 to select the candidate for the post of Postman against Athletic (Track) events quota. After forming a consensus to select the candidate on the basis of performance certificates submitted by the applicants in the light of suggestion given by the Director of Sports & Youth Welfare (due to inability to hold field test on account of high monsoon) the Selection Committee scrutinized the sports performance of each candidate. After examination and scrutiny of relevant records and deliberations, the Selection Committee came to the conclusion and recommended the candidate namely Shri Moon Changmai to be most suitable and deserving on the basis of his performance certificates, sports achievements etc. against the vacant post of Postman in Athletic (Track) events subject to physical fitness and production and examination of original testimonials by competent authority.

proceeding of 18.6.04
A copy of the letter is annexed herewith and marked as Annexure -VIII.

The proceeding of the Selection Committee was prepared and signed by the Chairman and members on 28.6.04 except one member Shri Pranab Saikia who was deputed by the sports authority, Government of Assam, Guwahati. The reason for not signing the proceeding by the said Shri Saikia was not recorded in the minutes as his remarks *vide* dated 18.6.04 were only received in the concerned section on 29.6.04 even though it bears the office receipt stamp dated 21.6.04. Shri Saikia did not sign the minutes of the selection committee when it was sent to him for signatures on ground that the candidature of Ms. Dipti Hazarika (the applicant in this OA) was not taken into consideration on medical ground allegedly complained verbally by one of the members of the committee saying that the applicant is not medically fit as She underwent a knee surgery a year ago.

27.6.18-6-04

A copy of the letter ^{*is*} annexed herewith and marked as Annexure-IX.

The reasons put forward by Shri Pranab Saikia to justify his action for not signing the minutes/proceedings of the Selection Committee are irrelevant and immaterial. Shri Saikia neither raised any difference of opinion during the meeting of the Selection Committee and nor put forth any reasons for not accepting the selection ^{*recommended*} ~~test~~ recorded in the minutes/proceedings as required in such contingency. He went along with all other members of the committee recommendation to select Shri Moon Changmai (Respondent No.10) for the post of Postman. Then he abruptly refused to sign the minutes/

~~Slaves~~/proceeding of the Selection Committee for no tangible reason. In fact, the Selection Committee with consensus of all members recommended the candidate on the basis of the sports achievements certificates produced by the candidates. While doing so the achievements of each candidate including the applicant were analytically assessed and discussed as duly recorded in the proceeding. Nowhere there is any iota of fact that physical fitness or medical background of the candidates was discussed by the Selection Committee as sought to be made by the applicant. The Selection Committee found the candidature of Shri Moon-Changmai most suitable among the candidates including the applicant on the basis of the records on sports achievements and accordingly recommended for his selection. The contention of the applicant to the fact that she was rejected on medical ground is therefore incorrect and unfounded.

7. That with regard to the statement made in para 4.6, of the application, the respondents beg to state that submission of the representation dated 30.6.04 by the applicant with medically fitness certificate to further her case after the selection of candidate was over not called for. The question of medically fitness was not the aspect to be considered by the Selection Committee while selecting and recommending the suitable candidate.

Hence, the points raised by the applicant in para 4.6 of the OA are irrelevant in this case.

8. That with regard to the statement made in para 4.7, of the application, the respondents beg to state that it is submitted that the Selection Committee was guided with eligibility norms and principles spelled out in the advertisement for the post while recommending the selection of the candidate.

9. That with regard to the statement made in para 4.8, of the application, the respondents beg to state that it is not true. The Selection Committee examined the applications/Biodata and certificates produced by each candidate including the applicant taken into consideration very carefully and recorded the particulars in the proceedings of the Selection Committee (Annexure-VIII) invariably. The candidate, who was adjudged best on the basis of proof of sports achievements, was recommended for selection. The averment of the applicant to the allegation that the case of the applicant was rejected outright on the basis of wrong and imaginary complaint by one of the members of the Committee with mala fide intention to give undue benefit to Respondent No.10 are unfounded and not based on facts and records.

10. That with regard to the statement made in para 4.9, of the application, the respondents beg to state that the performance of the applicant in sports was carefully assessed on the basis of the sports certificate

produced by her with the application as done in cases of other candidates taken into consideration zone. The particulars of achievements were recorded accordingly in the ~~pro~~ proceeding of the Selection Committee as a comparative data to determine the best among the candidates.

11. That with regard to para 4.10, of the application, the respondents beg to state that same as in para 4.9 above.

12. That with regard to para 4.11, of the application, the respondents beg to state the same as in para 4.5 & 4.9 above.

13. That with regard to the statement made in para 4.13, of the application, the respondents beg to state that the educational qualification of the Respondent No. 10 was shown as H.S. passed instead of HSLC passed unfairly with intention to place the candidate in the higher post of Postal Assistant/Sorting Asstt. is not correct and not based on records. The application of Shri Moon Changmai (Respondent No.10) was rightly taken into consideration zone for ~~the~~ selection against the post of Postman for which educational qualification of HSLC passed was prescribed. The Selection Committee rightly noted the educational qualification of the Respondent No.10 in the minutes/ proceeding of the Selection Committee as per record. Hence there was no unfairness and extraneous consideration as alleged by the applicant.

14. That with regard to the statement made in para 4.14, of the application, the respondents beg to state that as already stated in para 4.5, 4.8 and 4.9 above, the recommendation for selection of the candidate was made on the basis of the sports achievement certificates produced by the candidates. The Selection Committee duly constituted for the purpose acted fairly without any favour to any particular candidate keeping the guidelines in the matter. The applicant has no justified reason to approach the Hon'ble Tribunal to intervene in the matter. The recommendation of the Selection Committee to select the best candidate was fair and proper and in no way the rights and privileges of the applicant have been abrogated. The applicant has also no locus standi to seek review selection on the basis of the unjust grounds stated in her application. However, in view of the difference of opinion in the wake of not accepting the minutes/proceeding of the Selection Committee by Shri Pranab Saikia, one of the members of the Selection Committee, the recommendation made by the Committee to select Shri Moon Changmai (Respondent No.10) has been treated as invalid with decision to reconstitute a fresh Selection Committee with new members in constitution with sports authority, Govt. of Assam for selection of the candidate afresh for the post of Postman under Athletic (Track) events. Accordingly, the Director of Sports and Welfare, Govt. of Assam was addressed by the Respondent No.3 vide letter

letter dated 21.7.2004 to nominate new member in place of the member nominated earlier in respect of Athletic (Track) events so as to reconstitute the Selection - Committee. The Director, Sports & Youth Welfare vide his letter No. DSY/S/ESTT-1/2003/90 dated 26.8.2004 has nominated Shri S.S. Roy, District Sports Officer, Guwahati as the substitute member of the Selection Committee to be reconstituted.

D.O. 21-7-04 and 26-8-04

A copy of the letter_^ are annexed herewith and marked as Annexure - X & XI.

In view of interim order dated 9.8.2004 of the Hon'ble Tribunal in the present OA further process of selection of candidate afresh has been kept in abeyance.

15. That with regard to the statement made in para 4.15, of the application, the respondents beg to state that in view of the above facts, the application has no merit and liable to be dismissed.

16. That with regard to the statement made in para 5.1 to 5.11, of the application, the respondents beg to state that the grounds mentioned to justify for relief's are denied as baseless and unreasonable in view of the facts of the case stated in the foregoing paras. Hence the application is liable to be dismissed.

Contd.....

17. That with regard to para 6 & 7, of the application, the respondents beg to offer no comments.

18. That with regard to the statement made in para 8.1 to 8.4, of the application, the respondents beg to state that in the above facts and circumstances stated by the Respondents, the relief sought for by the applicant is not justified and admissible by law. Hence the prayer of the applicant is liable to be dismissed.

19. That with regard to the statement made in para 9, of the application, the respondents beg to state that in the premises above, the prayer of the complainant for interim relief is not justified and therefore, the Hon'ble Tribunal be pleased to vacate the order issued on 9.8.2004 to suspend the selection process and dismiss the application so as to enable the Respondents to take up the process of selection legally and as per norms and rules.

6. As per letter no. Staff/13-20/2001/Corr dated 2-6-2004 of the o/o Chief Postmaster General, Assam Circle, Guwahati a list of total 9(nine) candidates (PA Cadre -3, Postman Cadre - 4 and Group 'D' Cadre-2) for Athletic (Track) events was produced before the Selection Committee for consideration. 2. Shri Dulu Gogoi
3. Shri Paragjyoti Baishya

POSTMAN CADRE

1. Miss Namita Dehingia
2. Miss Dipali Dewri
3. Miss Rinumoni Gohain
4. Shri Moon Changmai
5. Miss Dipti Hazarika

GROUP 'D'

1. Miss Monalisa Bora
2. Miss Rinumoni Gohain
3. Shri Sankar Dey

6.1 It appeared from the scrutiny of the applications that one Miss Monalisa Bora whose date of birth is 15.1.86 is under age i.e. her actual age as on 30.4.2003 was 17 years 3 months 15 days. Hence, her candidature was not considered by the selection committee as per Terms and Conditions of recruitment of meritorious sports persons.

6.2. It further appeared from the scrutiny of the applications of Miss Namita Dehingia, Shri Paragjyoti Baishya and Shri Dulu Gogoi that they participated in

Field Events / Track Events during the year 1999-2000 and during the year 2001 specialization (Javelin, Discus Throw and Shot-put). The committee was of the view that it is utmost essential to examine the performance / achievements of sports persons in this particular field during last couple of years for making a better, purposeful and reasoned selection. The expert Technical Members were of the view that in athletics (Track events), every now and then the performance is changing and higher and higher records are set by the athletes. Therefore, it is important to consider performance / achievement during last two years and for this purpose for the year 2002 and 2003. The other committee members were agreeable to this. Therefore, the Selection Committee did not deem fit the above

6.3 The Selection Committee finally considered the applications of Miss Rinumoni Gohain (Offered for the cadre of PA/PM/Gr'D'), Miss Dipali Dewri, Miss Dipti Hazarika, Shri Moon Changmai and Shri Sankar Dey for selection of meritorious sports person in Athletics track events. It is seen from the advertisement published in Employment News for the period from 29th March to 4th April'2003 that specific event has not been mentioned for selection by the Department. It is merely stated that the Department will recruit the meritorious Sports person; male or female event-wise.

6.4. Scrutiny of records / Bio-data of the above 5(five) candidates who had applied against Athletic events reveals that there is no suitable candidate represented / participated and secured position / prizes at National / International / All India Inter University & All India School Meets during last three years i.e. during the year 2001, 2002 & 2003 which are the basic eligibility criteria given in the Chief PMG, Assam Circle, Guwahati vide letter dated 11-3-2003 discussed above.

Sub: Recruitment of meritorious sportspersons in groups 'C' and group 'D' post for the vacancy of sports quota for the year 2001.

Sir,

In inviting a reference to the subject cited above, I have the honour to inform you that the meeting of the selection committee (athletics) to select one athlete for recruitment against Sports Quota on the basis of Sports Certificates was held under the Chairmanship of the Director, PTC, Guwahati in his office chamber today. Being one of the member as a representative of Directorate of Sports, Assam, I was also present in the said meeting. It is to be mentioned here that in that selection committee meeting, the candidature of the one good athlete (Miss Dipti Hazarika) has not taken into consideration on medical ground. One of the member of the selection committee has verbally complained that Miss Dipti Hazarika is not medically fit as she has performed a knee operation during last year under Dr. Anant Joshi of Mumbai. But without having any written evidence, it is quite impossible as well as unjustified on the part of the Selection Committee to reject the candidature of any qualified applicant.

So, under this circumstances, it will not be possible on my part to accept the proceedings (Selection List) of the said selection committee.

This is for favour of your kind information and necessary action.

Yours faithfully,

DEPARTMENT OF POSTS:INDIA
OFFICE OF THE CHIEF POSTMASTER GENERAL
ASSAM CIRCLE : GUWAHATI-781001

N. f/13-20/2001/Corr,
To

Dated Guwahati, the 21 July, 2004

The Director,
Sports & Youth Welfare, Assam,

Dispur, Guwahati-6.

Sub:- Recruitment of sports persons in Group-C and Group-D posts against sports quota for Athletic event.
Ref:- Your No.DSY/S/Estt-1/2003/59.

Sir,

In inviting a reference of this office letter No.Staff/13-20/2001/Corr dated 2.6.04, it is to intimate that the Selection Committee for selection of sports persons in athletic event met on 18.6.2004. The Dy. Director, Sports and Youth Welfare, Govt of Assam vide letter No.DSY/S/Estt-I/2003/40 dated 5.2.04 nominated Shri Pranab Saikia, Asstt Secretary, State Sports Council of Assam, Guwahati as Member and Shri Pulak Lahiri, prominent sports person & sports analyst to represent the Directorate of Sports and Welfare, Assam.

In this connection, please refer to your letter dated 22.4.04 wherein you have intimated that due to ongoing monsoon it would not be possible to conduct the athletic trial in the outdoor stadium till the monsoon is over and suggested to select the athlete based on the merit certificates in the field of sports submitted by the applicants with the help of expert personnel. The Selection Committee members were also agreeable to this and the candidates in the zone of consideration were examined on the basis of merit certificates submitted by them. It is unfortunate that Mr Pranab Saikia, the member nominated by the Sports Authority, Govt of Assam has raised an objection vide his letter dated 18.6.04 that the candidature of one good athlete has not been taken into consideration on medical grounds and therefore he cannot accept the proceedings of the selection committee and did not sign the minutes of the meeting. It is pertinent to mention that Mr Saikia has not raised any objection during the proceedings of the selection committee meeting as it evident from the minutes of the meeting. Moreover, it is not true that the candidature of one candidate coming in the zone of consideration has not been considered on medical ground. Shri Pulak Lahiri, prominent sports person & sports analyst who represented Directorate of Sports and Welfare, Assam for the purpose has not raised any objection regarding this matter.

Contd.....

However, since one of the members did not sign the minutes of the proceedings, the recommendations of the selection committee cannot be acted upon. The matter of recruitment of meritorious sports person in the athletic event is therefore badly delayed. The Chief Postmaster General, Assam Circle desires that a fresh selection committee may be constituted with new members for the purpose.

You are, therefore, requested to kindly nominate a new member other than one nominated earlier in respect of athletic event for taking further action at an early date.

Yours faithfully,

Miss Dipti Hazarika

... APPLICANT

- VERSUS -

Union of India & Ors.

... RESPONDENTS

IN THE MATTER OF:

Written statement filed on behalf of the
Respondent No. 10.

1. That I have been impleaded as Respondent No. 10 in the aforesaid O.A. No. 172/2004 and a copy of the said application has been duly served upon me. I have gone through the same and understood the contents thereof.
2. That all the averments and submissions made in the Original Application are denied by the answering respondent, save and except those which have been specifically admitted herein and that which appears from the records of the case.
3. That with regard to the statements made in paragraph 1 of the Original Application, the answering respondent state that the same are self revealing of the fact and that the applicant has no cause of action to file the instant application since the applicant being an unsuccessful candidate having participated in the selection process cannot challenge the same.
4. That with regard to the statements made in paragraph 2, 3, 4.1, 4.2, 4.3 and 4.4 of the Original Application, the answering respondent has no comments to offer.

24
10/17

5. That the statements made in paragraph 4.5 of the Original Application are incorrect and hence denied by the answering respondent. In this connection, the answering respondent begs to state that the recruitment of meritorious sports persons in the Department of Posts was conducted by a duly constituted Selection Committee which had some experts in the field of sports as its members. Therefore, the contention of the applicant that the selection process was vitiated or biased does not have any ground to stand on. The Selection Committee after carefully scrutinizing the track records of different candidates and after a detailed discussion found that the applicant was medically unfit since she had undergone a knee operation. Hence, the Committee decided that the applicant was unfit for selection to the post as per SAI Scheme norms. The deponent deems it pertinent to mention herein that with regard to the contentions made by the applicant in the same para, that a member of the Selection Committee had raised certain serious objections towards the non inclusion of the applicant and had subsequently submitted a written objection vide his letter dated 18.06.2004 (Annexure – 5 of the Original Application), the deponent humbly begs to state that as per the informations received by the applicant from reliable sources, the said Member of the Selection Committee has got some personal relationships with the applicant. As such, it is evident that the objections raised by the Member are purely borne out of his personal relationship with the applicant and has been raised with no other purpose but to give some undue benefits to the applicant. Moreover, the deponent begs to submit that the said objection submitted by the Member vide his letter dated 18.06.2004 has been duly considered by the other Members of the Selection Committee and has not been found to be tenable. It was the decision of the Selection Committee not to include the applicant of the instant O.A. As such, this Hon'ble Tribunal may not be pleased to sit over appeal on a decision taken by the duly constituted Selection Committee.
6. That with regard to the statements made in paragraph 4.6 of the Original Application, the answering respondent beg to state that on having come to learn about her exclusion from the Selection list on medical ground, the applicant immediately obtained a fitness certificate from Dr. Anant Joshi of Mumbai who conducted an operation on 01.08.2003. Had she being medically fit the applicant ought to submit the fitness certificate along with her application and/or prior to the date of interview. However, the fitness certificate, which Dr. Joshi had issued was on 27.06.2004 which clearly implies that the applicant was not medically fit at the time of submission of

her application. The fitness certificate was obtained only after her name was excluded from the Select List.

7. That with regard to the statements made in paragraph 4.7 of the Original Application, the deponent states that the authenticity documents annexed as Annexure – VIII of the Original Application is subject to the scrutiny of this Hon'ble Tribunal, since the same does not reveal the purport for which the said guidelines have been laid down.
8. That the answering respondents categorically deny the statements made in paragraph 4.8 of the Original Application since the same are vague and misleading. The Selection Committee only after perusing the records of all the candidates found that the applicant is unfit for selection to the post as per SAI schemes/norms. There was no malafide on the part of the Selection Committee. The applicant's contention is a mere figment of her imagination. The applicant was mainly not selected only the two grounds (i) she was unfit as she had undergone a knee surgery, (ii) performance and achievements were much less than the Respondent No. 10. Further the fitness certificate so issued by Dr. Anant Joshi clearly states that the applicant had undergone knee surgery and hence the statements made contrary thereto in para 4.8 are categorically denied.
9. That with regard to the statements made in paragraph 4.9 of the Original Application, the answering respondent begs to state that in the advertisement for All India Postal Competition (i.e., Annexure 1 to the Original Application) it was specifically mentioned that "preference" will be given to those candidates who have represented a State or the Country in the National or International competition in Table Tennis/Badminton/Chess and Athletics (Track events).

It may further be pointed out before the Hon'ble Tribunal the performance in Track events of the Applicant (Dipti Hazarika) and the Respondent No. 10.

<u>Track Event</u>	<u>Moon Changmai</u>	<u>Dipti Hazarika</u>
1. 100 meter hurdles	1. Medal in National Level (Gold), Calcutta	-
	2. Gold/Silver in State Level	-
2. 200 meter run	1. Gold in State Level	-
3. 100 meter dash	Gold in State Level	-
4. 400 Meter running event	Gold in State Level	-
5. 800 meter running event	Gold in State Level	-
6. 1500 meter running event	Gold in State Level	-
7. 5000 meter running event	Gold in State Level	-
8. 10,000 meter running event	Gold in State Level	-
9. Relay		
4 X 100	1. Gold Medal in National Level	1. Silver in National level
4 X 400	2. Medal in State Level	2. Silver in NESP (200mt)
4 X 100	3. Bronze Medal in Orissa	3. Gold in State Level (100 mt.)
4 X 400	4. Bronze Medal	-
4 X 100	5. Bronze Medal in Jamsedpur	-

A comparison of the track events clearly indicates that the performance of the Respondent No. 10 is much better than that of the applicant.

Copies of track events and field events and also the Medal Tally of the applicant and the Respondent No. 10 are annexed herewith and marked as ANNEXURE – A Colly.

10. That the deponent categorically denies the statements made in paragraph 4.10 of the Original Application. The deponent states that he is a regular Athlete of

the State of Assam. He has represented the State Athletic team in different East Zone, Inter Zone and National Championship for the last 5 years since 1996 and has won several medals for the State of Assam. The deponent further begs to point out before this Hon'ble Tribunal that since the applicant underwent a knee operation on 01.03.2003 she has not participated in any event/competitions whereas the Respondent No. 10 has participated in (1) 15th Zone Athletic meet at Cuttak (Orissa) from 19th – 20th August 2003, (2) 3rd Ryan National Jr. Federation Cup from 3rd – 5th October 2003 in Chennai, (3) 49th National School games held at Jalpaiguri from 10th - 15th January, 2003, (4) Ryan Federation Cup, Jamshedpur from 20th - 21st May, 2004, 5. Selected for the 16th East Zone Athletic Championship, Kolkatta from 18th – 19th September, 2004.

Copies of certificates issued by the Secretary Assam Amateur Athletics Association to the deponent are annexed herewith and marked as ANNEXURES – B & C respectively.

This clearly shows that the applicant is not at all medically fit for any competition after her knee injury. Therefore, she could not enclose any certificate which could show that she participated in any events after her knee operation whereas on the other hand the deponent is totally medically fit and ready to undergo any type of physical/game test which may be conducted if the Department so desires.

The answering respondent further begs to place before this Hon'ble Tribunal that the landmark performance, which the applicant has mentioned is prior to her knee injury. Therefore, merely saying that the applicant is eligible is not at all satisfactory. For recruitment of Sports Persons the Sports Board will not only see the past records but also the present track records and therefore, it was only on these points that the applicant was not selected. It is further stated that the deponent has won medals at the National Level (Gold Medal – 8, Silver Medal – 5, Bronze – 8) whereas the applicant has never won any medal at the National Level. As such, the averments made in paragraph 4.10 stating not the applicants performance was better than the deponent, are categorically denied.

Copies of some such certificates showing that he has represented various State/National Level competitions are annexed herewith and marked as ANNEXURE – D Colly.

11. That with regard to the statements made in paragraph 4.11 of the Original Application, the deponent states that they are mere repeatations and further reiterate the statements made in the foregoing paragraphs of the instant written statement.
12. That with regard to the statements made in paragraphs 4.12 and 4.13 of the Original Application, the answering respondent states that he has specifically mentioned in the application that he has appeared in the HSSLC Examination and the results were to be declared shortly, whereas the applicant has not mentioned the same. Further, if while processing the applications of the contenders the Committee has erroneously taken into consideration the qualification of the deponent as H.S. Passed, the deponent cannot be held responsible for the same.
13. That with regard to the statements made in paragraph 4.14 of the Original Application, the answering respondent states that merely contending that her selection was legitimate is not enough. However, it is pertinent to mention herein that the applicant's performance during the training period was also not satisfactory. The applicant due to her unfitness was also not selected in the Inter Zone athletic meet, which was scheduled to be held on 15th October to 17th October, 2004 whereas the deponent has been selected for the same. The answering respondent further begs to place before this Hon'ble Tribunal that only because her name was not selected by the Selection Committee, the applicant has filed this Original Application. The Supreme Court has held in a catena of decisions that if a candidate takes a calculated chance and appears at the interview, then, only because the result of the interview is not palatable to him, he cannot turn round and subsequently contend that the process of interview was unfair or the Selection Committee was not properly constituted. Therefore, no irreparable loss or injury would be caused to the applicant. Merely on the applicant's apprehension or suspicion that her name was not considered it cannot be said that the process of assessment/selection was vitiated. Hence there is no substance in the grievances of the applicant and therefore the Original Application ought to be rejected at the threshold.

14. That none of the grounds averred in the Original Application are valid grounds and no fundamental right of the applicant has been infringed in any way. Under the facts and circumstances as have been narrated above, it is submitted that the instant application is devoid of any merit and same is liable to be dismissed at the very threshold.

VERIFICATION

I, Shri Moon Changmai, son of Sri Hari Prasad Changmai, aged about 22 years, resident of village Bethbari, Changmai Gaon, in the district of Sibsagar, Assam do hereby solemnly affirm and verify that the statements made in paragraphs, 1, 2, 3, 4, 5(pt), 6(pt), 7, 8, 9(pt), 12(pt), 13 to 14 are true to my knowledge and those made in paragraphs 5(pt), 6(pt), 9(pt), 10, 12(pt) being matters of record derived therefrom, which I believe to be true and the rest are my humble submissions before this Hon'ble Tribunal.

And I sign this verification on this the 8th day of November, 2004 at Guwahati.

2. That with regard to the statements made in Para 1, 4.2, 4.3 and 4.4 of the application, the answering respondent begs to state that the Chief Post Master General, Assam Circle (respondent No.3) published one advertisement dated 11.03.2003 (Annexed as Annexure-I to the application) inviting applications for recruitment of sports persons under sports quota against four nos. of vacancies which included one post of postman cadre in athletics (track

The said member however could not produce any supporting documents/records in order to substantiate his submission which unfounded and unconfirmed. Acting on the said complaint, the other members of the selection committee excluded the candidature of the applicant Miss Dipti Hazarika from being considered. The answering respondent being a technical expert in the committee found that the applicant has very good track records in Athletic events which merits consideration and as such objected to such outright exclusion of the candidature of the applicant Miss

Hazarika merely on the basis of an unfounded and unconfirmed verbal complain of a member and that too without any relevant certificate or document of fitness or otherwise of the applicant which was neither available before the selection committee nor was a relevant issue for the selection committee to decide since the matter could be taken care of at the time of post-selection medical examination of the candidate. Since the majority of the members did not agree to the views of answering respondent and selected another candidate Shri Moon Changmai whose performance were inferior to that of the applicant Miss Hazarika in the track events, the answering respondent did not agree with the selection and recorded his dissent by way of addressing a letter on 18.06.04 itself to the Respondent No. 3 stating therein the infirmity in selection as stated above.

4. That with regard to the statements made in para 4.6 of the application, the answering respondent begs to state that it is understood that the applicant had some minor ailments and underwent a surgical operation on 01.08.03. The closing date for application was on 30.04.03 and as such the applicant was fit on the closing date of application and even thereafter, following her recovery, she was completely fit for all sporting activities which is evident from the medical certificate annexed to the application.
5. That with regard to the statements made in para 4.7, 4.8, 4.9 and 4.10 of the application, the answering Respondents beg to state that the applicant Miss Dipti Hazarika and Shri Moon Changmai (Respondent No. 10) were candidates for the post of Postman cadre in Athletics alongwith other candidates. As per advertisement, the candidate for the said post in Athletics has to be selected on the basis of their performances in track events. Further, as per the norms laid down by the Respondent department, there are specified qualifying standards for each track events in respect of

timings, as shown in Annexure-VIII of the application. The track events include 100M, 200M, 400M, 800M, 1500M race and 100M hurdles etc. while the events like Long jump, High jump, Javelin throw, Shot put, 400M (Heptholon), 800M (Heptatholon) etc. fall under field events. From their bio-data and available comparative records it could be revealed that the applicant Miss Hazarika had better performances in track events and won medals in 100M, 200M, 400M, 800M, 100M hurdles whereas Shri Moon Changmai performed better in field events i.e. Long jump, Triple Jump only. The timings of Miss Hazarika are also above the qualifying standards specified by All India Postal Sports Board. Further, Miss Hazarika secured medals in Heptathalon (in 200M, 800M, & 4/100 M Relay) in National level tournament which is a tough event since there are three track events and four field events in Heptatholon and in order to secure a position in Heptatholon, one athlete have to perform equally good in all the seven events. As such selection of Shri Moon Changmai and exclusion of the candidature of Miss Dipti Hazarika without examining her records inspite of her better records in track events was opposed by the answering respondent in the selection committee's meeting.

6. That with regard to the statements made in para 4.11 of the application, the answering respondents begs to state that inspite of his objection as stated above, the selection committee selected the Respondent No.10 Shri Moon Changmai for the vacant post of Postman cadre in Athletics by ignoring the candidature of the applicant Miss Dipti Hazarika although her performance records in the track events were much better than the Respondent No. 10. The proceedings of the selection committee's meeting were prepared and signed on 28.06.04 i.e. 10 days after the selection was made and the answering respondent was also asked to sign the proceedings. Surprisingly the objection raised by the answering respondent during the selection was not recorded in the

proceedings and as such the answering respondent wanted to sign the proceedings by recording his note of dissent which he was not allowed. It is understood that the Respondent No. 3 thereafter vide his letter dated 21.07.04 requested the Director of Sports and Youth Welfare to nominate a new member in place of the answering respondent in the selection committee. The answering respondent does not have any objection in the event of nominating a new member as Technical expert in the committee but only maintains that the reconstituted selection committee should include the unbiased persons only and prays that the Hon'ble Tribunal be pleased to examine the records of the candidates and fairness of the selection process thereof since the exclusion/replacement of the answering respondent from the selection committee due to his lawful objection leads to further doubtful apprehensions about the fairness of selection, as done in the earlier occasion.

7. That with regard to the statements made in para 4.12 and 4.13 of the application, the answering respondent begs to state that those being matters of records, the answering respondent does not have any comments to offer.
8. That the answering respondent submits the facts and circumstances stated above before the Hon'ble Tribunal for perusal and consideration.

Miss Dipti Hazarika

-Vs-

Union of India and Ors.

-And-

In the matter of:

**Rejoinder submitted by the Applicant against
the written statement submitted by the
Respondents.**

The applicant above named most respectfully begs to submit as follows: -

- 1. That the applicant has gone through the written statements and has understood the contents thereof.**
- 2. That the applicant categorically denies the statements made under "Brief History of the case" in the written statement except those which are matters of records and begs to state that the facts stated therein have been misrepresented and the statement made in page-4 of the written statement that the achievements of the applicant was also considered and examined by the selection committee alongwith others is not true. Further, the statement made in the same page No. 4 that there were no difference of opinion during the proceeding of the selection committee held on 18.06.04 is false which the respondents themselves have contradicted in the concluding lines of the same para by stating that one of the members in the**

committee Shri Pranab Saikia representing the Directorate of Sports and Youth Welfare, Govt. of Assam, submitted a letter dated 18.06.04 and did not sign the minutes of the proceeding. The fact remains that in the selection committee's meeting held on 18.06.04, the candidature of the applicant has not been taken into consideration and her achievements have not been examined at all following a verbal complain made by one member Shri Pulak Lahiri stating that the applicant was not medically fit since she underwent a surgical operation of her knee in the last year. Basing on that unfounded complaint, the Selection committee excluded the applicant from being considered for the post although there was no documentary evidence whatsoever in support of the said complaint which was malafide and unsustainable. Situated thus, the Technical expert for Athletic expert for Athletic events Shri Pranab Saikia who was nominated as a member in the Selection committee by the Director of Sports, Govt. of Assam, objected to this in the Selection committee meeting itself and opined that the applicant cannot be excluded on medical ground merely on the basis of a verbal complain by a member without any documentary evidence. Shri Saikia even lodged his note of dissent vide his letter dated 18.06.04 (Annexed as Annexure-V to the O.A) which the Respondents have also admitted. But the Selection proceeding was prepared/drawn after 10 days from the date of meeting and surprisingly the point aforesaid pertaining to the candidature of the applicant which was raised by Shri Pranab Saikia during the selection committee's meeting was deliberately omitted from the proceedings which was signed by other members on 28.06.04 which Shri Saikia was also asked to sign. It is understood that Shri Saikia wanted to sign the proceeding by recording his note of dissent which he was not allowed and as such he did not sign the proceedings. The subsequent actions of the Respondents

whereby only Shri Saikia has been excluded from the selection committee due to his lawful objection and a new member Shri S.S. Roy, District Sports Officer, Guwahati has been nominated/inducted in the committee, amply indicate the malafide intention and ulterior motive of the Respondents which has been done only with the plea and intention to give effect to their unfair selection in favour of a particular candidate to the post in question, depriving the applicant in spite of her better achievements. By such actions of the Respondents it is evident that the selector has been considered more important than the selection process.

3. That the applicant categorically denies the statements made in Para-1, 4 and 5 of the written statement and begs to state that the material facts have been suppressed by the Respondents. In the selection committee's meeting held on 18.06.04, the records of the applicant were not at all examined but the candidature of the applicant was rejected outright on the basis of a verbal complaint made by one of the members Shri Pulak Lahiri alleging that the applicant was not medically fit since she underwent a surgical operation of her knee in the last year. Since there was no documents or evidence available before the selection committee in support of the complaint so made, the technical expert in the committee Shri Pranab Saikia raised objection against the exclusion of the applicant from being considered and pointed out that the applicant cannot be excluded on the basis of an unsubstantiated complaint and maintained that the selection committee should not act on hearsay basis without having any medical certificate etc., if any. But the committee being guided by an unfounded complaint aforesaid excluded the candidature of the applicant from being considered/examined even in spite of the written objection lodged by Shri Saikia vide his letter submitted on 18.06.04 itself, and selected one Shri Moon Changmai

for the post of Postman in Athletic (Track) events ignoring the better records of achievements of the applicant in Track Events. As such the selection was not transparent, proper, purposeful and effective as contended by the Respondents but it was malafide, biased and based on extraneous considerations, since the opinion of a vital member of the selection committee who was nominated by the Govt. of Assam as a Technical expert, was ignored recording any reason thereof.

4. That the applicant emphatically and categorically denies the statements made in Para 6 of the written statement and begs to submit that the selection of Shri Moon Changmai as the most suitable and deserving candidate against the post of Postman in Athletic (Track) events is not based on records since the applicant had better records of achievements in Track events than that of Shri Moon Changmai and as such the technical member in the committee Shri Pranab Saikia objected to the unfair selection. It is pertinent to mention here that as per the advertisement, the recruitment to the post of Postman in Athletics has to be made from the candidates in Track events only. Track events include 100 M, 200 M, 400M, 800M, 100M Hurdles, 1500 etc. whereas High Jump, Long Jump, Javelin throw, Shot put etc. fall under the Field events. Record shows that the applicant had better achievements in respect of position and timings in Track events than that of Moon Changmai at National level whereas Shri Moon Changmai had performed in field events only. As such selection of Shri Moon Changmai on the basis of his performance in field events is contrary to the requirements specified in the advertisement since it was specified in the advertisement that performance in the track events were the requirements for recruitment to the post of Postman in Athletic and it is the applicant who had better records in track events.

Further, the anomalies in the Selection process pointed out by the technical member Shri Pranab Saikia during the selection and the letter of objection filed by him on 18.06.04 even bears the receipt stamp dated 21.06.04 of the official of the Respondents as stated by the Respondents in Page 11 of the written statement but this was not recorded in the Minutes of selection committee proceeding which was signed on 28.06.04 i.e. after 7 days of the receipt of the letter of objection at their end on a vague plea that the said letter was received in the concerned section on 29.06.04 which amply indicates as to how the things were managed to their convenience and likings.

It is surprising that even thereafter, the Respondents have averred the false statement that Sri Saikia did not have any difference of opinion during the meeting and went along with other members of the committee recommendation to select Sri Moon Changmai for the post of postman which in fact, was vehemently opposed by Sri Saikia during the meeting itself. The achievement of the appointment were not examined which Sri Saikia objected to and as such there was no consensus as stated by the Respondents. The statements averred by the Respondents are therefore false, malafide and concocted.

Further, it is understood that Sri Saikia wanted to sign the minutes by recording his note of dissent which he was not allowed.

5. That with regard to the statements made in para 7 and 8 of the written statement the appointment submitted her medical fitness certificate since her candidature was rejected on alleged medical ground only by the selection committee as stated in the preceding paragraphs. The selection committee did not act according to rules and in terms of the advertisement in question.

6. That the applicant categorically denies the statements made in para 9, 10, 11 and 12 of the written statement and begs to state that the application/Biodata and certificates produced by the applicant was not taken into consideration at all due to the verbal complaint of one of the members stating that the applicant was not physically fit because of her undergoing a surgical operation of kncc in the last year, which was unfounded and unsubstantiated and eventually proved to be false by the medical fitness certificate produced by the applicant. The particulars of the applicant recovered in the selection proceeding as stated by the Respondents, were incorporated in the proceedings afterwards just as an eye wash since the proceeding was made 10 days after the selection committee's meeting.
7. That the applicant categorically denies the statements made in para 13 of the written statement and begs to state that on the closing date of application, the Respondent No. 10 was only HSLC passed since his result of H.S examination was not declared till then and as such how it was shown as H.S passed in the records produced by the Respondent No. 10 as averred by the official respondents. It clearly indicates that either a false record was submitted by the Respondent No. 10 on the date of application showing higher qualification or such record was entertained by the Respondents even after closing date of the application through back door.
8. That the applicant denies the statements made in para 14 of the written statement and begs to state that the selection committee did not act fairly and made recommendations with biasness, without examining the performances of the applicant and making any comparative assessment whatsoever. Although the Respondents have stated that a fresh selection committee has been constituted but

18/7

that is just to manoeuvre the things since it is not clearly mentioned whether any substitute member has been inducted in the committee to replace the other member Shri Pulak Lahiri also who made an unfair and false complaint against the applicant during the selection which eventually led to the exclusion of the applicant from being considered. The respondents have only mentioned that Shri Pranab Saikia who made a lawful complaint against the infirmities in selection has been excluded from the committee and one Shri S.S. Roy, District Sports Officer has been included in his place which further reflects on the fairness of the constitution of the fresh selection committee. This has been done again to implement the selection made earlier in disguise with a colourable exercise of power. As such, the rights and privileges of the applicant has clearly been denied and hence the applicant definite locus-standi to approach this Hon'ble Tribunal for justice.

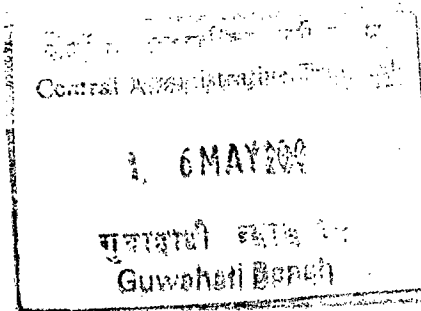

9. That the applicant categorically denies the statements made in para 15, 16, 18 and 19 of the written statement and begs to state that the applicant has full merit and the reliefs sought for by the applicant and the grounds stated therefore are justified, reasonable, legal and the application deserves to be allowed with cost and the interim orders passed by this Hon'ble Tribunal on 09.08.04 and 10.09.04 be continued till the disposal of this application.
10. That in the facts and circumstances, the applicant humbly submits that she is entitled to the reliefs prayed for and the original application deserves to be allowed with cost.

VERIFICATION

I, Miss Dipti Hazarika, Daughter of Late Khagen Hazarika, aged about 22 years, resident of Dr. B. Barooah Road, P.O- Ulubari, Guwahati-7 do hereby verify that the statements made in Paragraph 1 to 10 of the rejoinder are true to my knowledge and I have not suppressed any material fact.

O.A. No.172/2004

Miss Dipti Hazarika.

-Vs-

Union of India and Ors.

-And-

In the matter of:

Rejoinder submitted by the Applicant
against the written statement submitted by
the Respondent No.10.

The applicant above named most respectfully begs to submit as follows:-

1. That the applicant categorically denies the statements made in paragraph 2 and 3 of the written statements and begs to state that the applicant has bonafide cause of action which led to the filing of this application wherein the fairness in the selection process has been challenged and not the participation thereto.
2. That the applicant categorically denies the statements made in para 5 of the written statements and further begs to state that the respondent has fairly admitted that there were some experts in the selection committee but lost sight of the facts that it is the said expert who himself objected to the selection due to the exclusion of the applicant from consideration for selection and that too on an unauthenticated and unfounded complaint of medical unfitness of the applicant which was unfair and illegal particularly in view of the fact that the applicant had

better track records than that of the respondent No.10. It is relevant to mention here that the records of the applicant were not even examined by the selection committee on the plea of a vague complaint that the applicant was medically unfit which was not only false but was not a matter to be looked into by the selection committee but was a matter to be decided in the subsequent medical fitness test by medical experts as provided under the procedure.

The contention of the respondent that the aforesaid expert member in the selection committee has got some personal relationship with the applicant is a sheer stretch of his own imagination and a bluntly false statement, made with the malafide intention of maligning the reputation of the member and misleading this Hon'ble tribunal for which they are subject to the strictest proof thereof.

3. That with regard to the statements made in Para 6 and 7 of the written statements, the applicant begs to submit that the last date for submission of application was 30.04.2003 and the surgical operation of the applicant was conducted on 01.08.2003. As such the applicant was completely fit on the date of submission of the application and therefore submission of fitness certificate alongwith application is irrelevant and out of question. She however submitted the relevant fitness certificate when she came to learn that her candidature was not considered on the ground of medical unfitness which was a false pretext as proved from the medical certificate dated 27.06.2004 issued by the attending doctor Shri Anant Joshi. The applicant was completely fit on the date of submission of application and also on the date of impugned selection (18.06.2004) and even thereafter. But the selection committee was bent upon their bias selection vis-à-vis unfair exclusion of the applicant on a false plea of medical fitness which is within the domain of medical experts only to decide and not for the selection committee to

take care of and even the objection raised by the technical expert in the committee in the matter also went unheard of and ignored.

Further the document annexed as Annexure-VIII to the Original Application contains the standard guidelines for selection as framed by the respondent department and the said norms were made available to the selection committee at the time of selection which the committee deliberately ignored.

4. That the applicant categorically denies the statements made in para 8 of the written statements and begs to submit that the selection committee did not pursue the records of the applicant at all as stated by the respondent but was rejected outright with their pre-set mind that the applicant was medically unfit. The respondent has stated that selection has been made as per SAI scheme/norms but he has not produced/annexed the said scheme/norms with his written statements as contended by him for perusal of this Hon'ble Tribunal. Further, the applicant has neither been unfit nor having less performance than the respondent No.10 as averred by the respondent. As such the statements are not sustainable in the eye of law.

5. That the applicant categorically denies the statements made in Para 9 of the written statements and begs to state that the list of track events and medals shown therein (at page 4 of the written statements) against his name are totally false since he had never participated/performed in most of those events as shown and as such no certificates for those have been enclosed in the annexures, nor the events shown therein correspond to those shown in the annexures. This apart documents annexed now with the written statements were also not produced with the original application for job as evident from the written statements filed by the

Govt. respondents. Further, he has shown a wrong picture under the column of the applicant indicated therein where he has deliberately kept dotted blanks against her name whereas the applicant won several medals in track events, which the respondent No.10 had suppressed. These have been shown deliberately for misleading this Hon'ble Tribunal with a wrong picture regarding his comparative performances with that of the applicant in national level as well as state level. The actual performances of the applicant and that of the respondent No.10 in the track events in State level as well as in national level have however been furnished in a statement which is annexed hereto along with relevant certificates for perusal of the Hon'ble Tribunal. It is evident from the statement annexed hereto that while the applicant won several medals in track events in the state level as well as national level, the respondent No.10 drew a blank which by itself speaks about the comparative performance of both of them.

(Copy of statement of performance are annexed hereto as Annexure-A series).

6. That the applicant categorically denies the statements made in para 10 and 11 of the written statements and begs to submit that the list of competitions/games which the respondent has claimed to have participated during 2003-2005 and the documents annexed thereto are all pertaining to field events and not Track events. It was clearly mentioned in the advertisement (Annexure-I to the O.A) that for the post of Athletics discipline the candidate shall be selected from Track events only. As such the contention of the respondent highlighting his performance/efficiency in the events which are not wanted in the advertisement for the post in question and submission of documents thereto is a deliberate attempt to divert the attention of this Hon'ble Tribunal by enlarging the volume of the written statements by

way of annexing some unwanted and irrelevant and eclipse his actual performances in the desired field. Admittedly, the applicant could not participate in competitions for a short spell only due to her injury and thereafter she has been taking part in all sporting events and as such she is totally medically fit. As such the statements made in para 10 of the written statements are not only false and misleading but misrepresentation of facts as well.

7. That with regard to the statement made in para 12 of the written statements, the applicants begs to say that the respondents has fairly admitted that the selection committee has erroneously shown his qualification as H.S. Passed which he was actually not. This clearly indicates the mind-set of the selection committee since it is not a case of omission or mistake but a case of deliberate twisting of facts which has been done with the only purpose of giving some additional weight age and favour to the respondent No.10 for selection.
8. That the applicant categorically denies the statements made in para 13 of the written statements and further begs to reiterate that the applicant could not participate in the athletic competitions for some time due to her injury but thereafter she has been taking part in all sporting events and as such it cannot be perpetual bar for her selection against the post applied for. Further the decisions of the Supreme Court referred to in the statements are irrelevant here since those decisions relate to the cases where the concerned candidate appears before the interview and participates in the selection process. But in the instant case it was a unilateral confidential selection made by the selection committee on the basis of records only without the candidate being interviewed/tested and that too in an

unfair and biased manner as stated in the preceding pages hereinabove. On this score alone the original application deserves to be allowed with costs.

9. That the applicant emphatically denies the statements made in para 14 of the written statements and begs to submit that all the grounds stated in the Original application are valid and in conformity with law and there is a definite infringement of the fundamental right of the applicant occasioned by unfair and arbitrary exclusion of her candidature inspite of her better performance records and eligibility for selection in the post applied for. As such the application is full of merit and deserves to be allowed with costs.
10. That in the facts and circumstances the applicant most humbly submits that she is entitled to the relief's prayed for, and the O.A deserves to be allowed with costs.

VERIFICATION

I, Miss Dipti Hazarika, Daughter of Late Khagen Hazarika, aged about 22 years, resident of Dr. B. Barooah Road, P.O- Ulubari, Guwahati-7 do hereby verify that the statements made in Paragraph 1 to 4 and 6 to 12 are true to my knowledge and those made in Paragraph 5 are true to my legal advice and I have not suppressed any material fact.

And I sign this verification on this the ____ day of May, 2005.
