ORDER

SIVARAJAN, J.(V.C.) :

Pursuant to a notification inviting applications for the post of Senior Scientific Research Assistant issued by the second respondent and published in the Employment News for the week commencing from 2.11.2002 - 8.11.2002 (Annexure-I) the applicant applied for the said post. She had passed in the written examination held on 29.6.2003. The applicant was the only candidate among the

g

25 candidates who appeared in the written test and secured qualifying marks. The second respondent sent a call letter to the applicant asking her to attend the office of the R.R.B., Guwahati for documentary verification on 7.1.2004. The applicant, however, did not get the call letter. On enquiry made by the applicant, she came to know that the call letter was returned with the endorsement 'NOT KNOWN'. Since the applicant did not appear in the interview on 7.1.2004, on the strength of the directive of the Railway Recruitment Control Board in terms of letter No. 99/E(RRB)/25/39 dated 11.02.2000, she was given a second chance for appearing in the documentary verification which was fixed on 9.2.2004 and a registered letter was sent to her in the address shown in the application form. The same was also returned by the Postal Department with an endorsement as 'NOT FOUND'. Based on the procedure prescribed in the Board's letter mentioned above the candidature of the applicant has to be cancelled and the next candidate in the order of merit should be called for verification of certificates and empanel, if found eligible. Hence the applicant was not afforded any further chance. Since there was no other eligible candidate to be called for verification of documents the Chief Personnel Officer, N. F. Railway was intimated the said fact by letter dated 10.2.2004. According to the applicant, even on the earlier occasion she did not receive the call letter for the written test sent in the address shown in the application form; she, on coming to know of the written test fixed, approached the respondents and got a duplicate call letter and appeared in the written test. It is also her case that she gave her mother's office address in office of the second respondent

for future correspondence and despite the said request respondent again sent the call letter for the documentary verification in the address shown in the application form and admittedly the call letter was returned with the endorsement 'NOT KNOWN'. The applicant has further stated that she approached the authorities pointing out the same and requested for an opportunity for verification of documents. It is also stated that the applicant's father also submitted a representation dated 22.6.2004 (Annexure-VI) before the first respondent stating the above facts and requesting for issuance of necessary selection/appointment letter/call letter for viva-voce to the applicant. The grievance of the applicant is that the respondents have not so far responded to the said request. The applicant has also stated that the post of Senior Scientific Research Assistant is still lying vacant.

2. The respondent nos. 1 and 2 in their written statement had clearly admitted that the applicant had passed in the written test and that she was the only eligible candidate to be called for verification of documents. The admitted case is that the call letters for the written examination and for the verification of documents were sent in the address of the applicant shown in the application form. It is also an admitted position that earlier when the applicant did not get the call letter for the written examination, she approached the second respondent and got a duplicate call letter for the same. As already noted, it is also the case of the applicant that she gave the address of her mother's office for future communication. The respondents in their written statement as such do not dispute the said fact. Their only case is that having regard to the large volume of applications received

Gps

it is not practicable to acknowledge the application form or any subsequent correspondence received from the applicant and that the correspondence are being made only in the address shown in the application form. Though as a general proposition it can be so, having regard to the fact that the applicant did not get the call letter for the written examination sent from the second respondent's office and since the applicant had approached the said authority and obtained a duplicate call letter and also requested for sending future correspondence in the address given subsequently, respondents ought to have noted the change of address then and there in their records to avoid a future contingency as occurred in the present case. Whatever that may be, the fact remains that following the procedure prescribed in the Railway Board's letter the candidature of the applicant was cancelled. Since there was no other qualified hand, the fact was reported to the Chief Personnel Officer, N. F. Railway.

3. The third respondent has also filed written statement wherein it is stated that on receipt of the call letter the postman concerned had made effort to trace out the addressee but in vein. It is also stated that in the above circumstances the call letter was returned to the department with the endorsement as 'NOT KNOWN'. Ms. U. Das, learned Addl. C.G.S.C. appearing on behalf of the third respondent submits that there is no lapses or laches on the part of Postal Department in the matter.

4. We have also heard Mr. G. K. Bhattacharyya, learned Sr. counsel for the applicant and Mr. B. C. Pathak, learned counsel for the Railways. Now the fact remains that nobody had been appointed to

the post of Senior Scientific Research Assistant pursuant to the notification (Annexure-I). Admittedly, out of 25 candidates who appeared for the written examination the applicant alone came out successful and she alone was called for interview. In the circumstances, notwithstanding the fact that the candidature of the applicant was cancelled in the circumstances mentioned above, if the said vacancy is still available and if no further selection was made pursuant to any further notification for this post, the respondents will consider the case of the applicant provided she makes a detailed representation before the second respondent/Chief Personnel Officer, N. F. Railway within two weeks from today. We are sure that since the applicant alone cannot be found fault with for non-receipt of the call letter for interview/verification of documents, respondents will consider the case of the applicant sympathetically and take a decision within a period of three months thereafter.

The Original Application is disposed of as above. The applicant will produce this order along with the representation before the concerned respondents for compliance.

1. PARTICULARS OF THE ORDER AGAINST WHICH THE APPLICATION IS MADE

Action of the Respondent authorities in not discharging their duties properly thereby depriving the applicant from right to appointment in the office of Respondent No.1.

2. JURISDICTION OF THE TRIBUNAL:

The applicant declares that the subject matter of the order against which he wants redressal is within the jurisdiction of this Tribunal.

3. LIMITATION :

The applicant further declares that this original application is being filed within the time limit as prescribed U/S 21 of the Administrative Tribunal Act, 1985.

4. FACTS OF THE CASE :

1. That the applicant begs to state that she is a resident of Assam and after completing her study in M.A. (Psychology) in the year 2002 she was looking for employment.

2. That, the applicant states that an advertisement was issued by the Respondent, No.2 on

the week commencing from 2.11.02 - 8.11.02 issue of "The Employment News" inviting applications from persons for various posts. Amongst the posts, a post of Sr. Scientific Research Assistant, meant for reserved candidate was also advertised and the last date of receiving application was 2.12.02.

A copy of the advertisement published in the Employment Newspaper is annexed herewith and marked as Annexure-I.

3. That, in pursuance to the advertisement issued by the Respondent No.2, the applicant having the requisite qualifications for the post of Sr. Scientific Research Assistant, the applicant applied for the same giving all particulars in details.

4. That, the applicant did not receive any response to the application but after sometime the applicant came to know from her friends that the written examination was going to be held on 29.6.03 and as no call letter was received by her, the applicant made inquiry in the office of the Respondent No.2 and she was issued a duplicate call letter bearing Roll No. 20100019 on 28.6.03. Thereafter the applicant appeared in the written examination. The performance of the applicant was excellent and the applicant, in view of her performance and qualifications was confident that

she would be selected and called for the interview and be appointed to the post.

A copy of the call letter is annexed herewith and marked as Annexure-II.

5. That, thereafter the applicant was expecting that she would be called for interview, but nothing happened for a long time. Thereafter the applicant made enquiry into the matter in the office of Respondent No.2 and she came to know that as per office record, the selection letter of the applicant, was posted through the Guwahati Railway Mail Service (RMS) on 9th January, 2004 under registration No. 4181 addressed to the applicant at her home address.

6. That the applicant begs to state that when she took the duplicate call letter for written test, she made an application before the Respondent No.2 giving her mother's office address as change of address for future communication, but the Respondent No.2 instead of sending the selection letter to her mother's office address posted the same to her home address.

7. That the applicant, then submitted a petition before the In-charge Customer Care Centre, in the office of Respondent No.3 on 16.6.04 stating

the above facts with the prayer to make an enquiry into the matter and to let her know the result.

8. That on 17.6.2004, the applicant received a letter from the In-charge, Guwahati Customer Care Centre, stating that on enquiry it was revealed that the registered letter issued by the Respondent No.2 to the applicant was returned to the sender on 22.1.04 with remark "NOT KNOWN" by the Khanapara Post Office.

A copy of the letter is annexed herewith and marked as Annexure-III.

9. That, thereafter, the applicant's father submitted a representation before the Respondent No.1 stating the above facts with the prayer to consider the above facts and circumstances and be pleased to issue the necessary selection/appointment letter/call letter for viva-voce to the applicant, as issued earlier, but till date there has been no response. The applicant further states that the post of Sr. Scientific Research Assistant is still lying vacant.

A copy of the representation is annexed herewith and marked as Annexure-IV.

10. That, the applicant has now come to know that the Respondent No.2 in his letter No.RRB/G/CON/155 dated 10.2.2004 addressed to the Chief Personal Officer, N.F. Railway, Maligaon had stated that only 13 out of 25 candidates appeared in the written examination and out of 13 candidates only one candidate could secure qualifying mark and was called for viva-voce test on 7.1.04, but the candidate was absent on that day.

It appears that as stated in the above paragraphs the applicant was called for the interview but due to negligence of the respondent authorities she did not receive the call letter.

11. That, being highly aggrieved by the said impugned action, the applicant is approaching this Hon'ble Tribunal for relief.

5. GROUND FOR RELIEF WITH LEGAL PROVISIONS :

I. For that, in the given facts and circumstances of the case, the action of the authorities is highly illegal and bad in law and is liable to be quashed and set aside.

II. For that, the action of the authorities particularly the Khanapara Post Office under Respondent No.3 in not taking due care and diligence in delivering the call letter to the applicant and thereby causing

great prejudice to the applicant and as such the same is bad in law and liable to be set aside.

- III. For that, the action of the Respondent No.2 in sending the call letter for viva-voce test to her home address inspite of knowing the fact that previously the applicant did not ~~received~~ the call letter for written test and she took a duplicate one from them and further she made an application giving her mother's office address for future communication and as such the action of the authorities is highly arbitrary ^{and discriminatory} in depriving the applicant from her right to participate in the process of employment and as such the same is bad in law and liable to be set aside.
- IV. For that, in any view of the matter the impugned action of the authorities is bad in law and is liable to be set aside.

6. DETAILS OF REMEDIES EXHAUSTED:

The applicant through her father had submitted a representation dated 22.6.04 before the Respondent No.1 but till date there has been no response.

8. PRAYER:

It is, therefore, prayed that Your Lordships would be pleased to admit this application, call for the entire records of the case, ask the Respondents to show cause as to why a direction shall not be issued directing the Respondent No.2 to issue a call letter to the applicant for viva-voce test for the Sr. Scientific Research Assistant Post and after perusing the causes shown, if any and hearing the parties direct the Respondent No.2 to issue a fresh call letter to the applicant for viva-voce

(Written statements filed by the Respondent No.1 and 2)

The written statements of the Respondents are as follows:-

1. That a copy of the Original Application No. 184/04 (hereafter referred to as the "application") has been served on the respondents. The respondents have gone through the same and understood the contents thereof.
2. That save and except these statements which are specifically admitted by the respondents, the rest of the statements made in the application may be treated as denied.
3. That with regard to the statements made in Para 1 of the application, the respondents deny the allegations and state that it is the applicant who is to be blamed for not furnishing her own complete, clear, communicable and known address in her Application Form. As the address was not properly given, the postal authority, the respondent No.3 failed to find out her address and could not locate her house for delivering the letter

addressed to her. So far as the respondent No.2 is concerned, they gave wide circulation of the information by notification published in the Newspaper. On the other hand, if there was any deficiency of service on the part of the respondent No.3, such deficiency not being connected to any conditions of service, the Central Administrative Tribunal is not the appropriate Forum to vindicate the claims of the applicant. In that case, the applicant should have approached the Consumer Redressal Forum with appropriate jurisdiction. Hence, there is no cause of action to justify any reason for filing of this application and as such this application is liable to be dismissed with cost.

Examination scheduled to be held on 29.6.2003 was as well published in the newspapers. In that advertisement it was clearly mentioned that "all letters had already been dispatched to the eligible candidates. The eligible candidates who do not receive the call letter may contact RRB, Guwahati, alongwith 2 copies of passport photographs and other relevant documents between 10.00 to 17.00 hours on 26.6.2003 and 27.6.2003". In view of the above advertisement, request of

✓ The petitioner was correctly entertained and duplicate call letter was issued to the petitioner to enable her to appear in the written examination conducted on 29.6.2003. Therefore, as per procedure followed by RRB, Guwahati a duplicate call letter bearing Roll No. 20100019 for proposed written examination was issued to the petitioner. Result of the written test held on 29.6.2003 for the post was declared on 28.11.2003. The same was published in the local dailies and Employment News. Amongst other, the statements published in The Sentinel on 3.12.2003 are quoted below:

✓ Based on her performance in the written examination; the petitioner was provisionally found suitable for appearing in the Verification of Documents and was called for appearing in the Verification of Documents fixed on 07.01.2004. Despite indication in the result published in the newspaper, Call letter bearing No. RRB/G/41/90/Pt.II dated 8.12.2003 was sent to her to attend the office of the RRB, Guwahati for documentary verification on 7.1.2004. As per record, the above Call letter has so far been not returned by the postal department till date. As such, it is presumed that the petitioner had received the same. ✓ The Registered letter was returned back by the Postal Department with an endorsement as "NOT FOUND".

It is pertinent to mention here that as per para 2(iii) of above Board's letter, which read as "in the event of a candidate failing to turn up even after sending a second registered letter, his candidature may be cancelled and the next candidate in order of merit (duly taking in to account whether vacancy is for UR, SC or ST/OBC/Ex Serviceman) should be called for verification of certificates and empanel, if found eligible" the case of the applicant was considered. Hence, no further chance was afforded to the applicant. It may be also mentioned here that there was no other eligible candidate to be called for verification of documents and as such the Chief Personnel Officer, NF Railway was intimated vide this office letter No. RRB/G/CON/155 dated 10.02.2004.

The copies of the advertisement dated 29.6.03, result dated 3.12.03, 1st call letter dated 8.12.03, letter dated 11.02.2000, application form dated 25.11.02, 2nd call letter dated 9.1.04 and letter dated 10.2.04 are annexed hereto as Annexure R1, R2, R3, R4, R5, R6 and R7 respectively.

7. That with regard to the statements made in Para 4.6 of the application, the respondents deny the correctness of the

statements. The respondents further state that as per item No. 12 of Note in the Advertisement dated 2.11.2002 vide Employment Notice No. 1/2002, which read as "(12) The decision of RRB in all matters relating to eligibility, acceptance or rejection of the applications, issue of free Rail Passes, penalty for false information, mode of selection, conduct of written examination and interview, skill/ psychological test, allotment of examination center, selection, allotment of posts to selected candidates etc. will be final and binding on the candidates and no enquiry or correspondence will be entertained by the Railway Recruitment Board in this regard", the respondents followed those instructions strictly. As per item No.(13), which read as "The Railway Recruitment Board is not responsible for any postal delay or wrong delivery", the respondent No.1 and 2 can not any way be responsible for the non-delivery of the call letter by the postal department. Hence, the request for change of postal address was not acceptable and possible to maintain as Railway Recruitment Board, Guwahati is to go by the given information only in the process of handling large number of applications relating to various recruitment process. Due to very large volume of applications, there is no system of issue of acknowledgement of any applications and applications sent through the Registered posts and Courier Services. Any further correspondence from the Railway Recruitment Board is made as per the address given in original application only. Any candidate giving incorrect address runs the risk of his or her own.

The copy of the Employment Notice dated 02.11.2002 is annexed hereto as Annexure R8.

8. That with regard to the statements made in Para 4.7 and 4.8 of the application, the respondents state that those matter pertain to the postal department exclusively, hence the answering respondents have no comment to offer. However, the answering respondents crave the leave of this Hon'ble Court to allow them to refer and rely upon the written statements of the respondent No.3 if filed in the case at the time of hearing.

10. That with regard to the statements made in Para 4.10 and 4.11, the respondents state that for the reasons as stated above, the petitioner being the lone candidate was called for viva voce test but due to her own failure to appear for the same, her case could not be considered. It was a sheer case of negligence on the part of the applicant herself and not a case of negligence on the part of the respondents as alleged. The respondents are statutory authorities and they are guided by the statutory rules and guidelines for selection and appointment of candidates to the post of Senior Scientific Research Assistant as per extant Rules. Therefore, from the facts and circumstances of the case and the provisions of the rules, there can be no scope for issuing a fresh call letter for document verification and to grant any relief as prayed by the applicant.

11. That with regard to the statements made in para 5.I to 5.IV of the application showing the different grounds to vindicate the cause of filing of the application are not tenable in law as the grounds shown by the applicant are no grounds at all in view of the facts and circumstances of the present case and the settled position of law as stated hereinabove in this written statements. Apparently, the respondent No.1 and 2 has not done anything contrary to any provisions of law or violated any legally enforceable right of the applicant. Hence, the application is liable to be dismissed as devoid of any merit.

NDA govt EPF interest likely at 8.5 pc

Earlier while adopting a resolution on power, Naidu challenged Congress high command to an open debate to prove if the quality of power supplied in Andhra Pradesh was better than the power being supplied in Congress ruled states. Naidu called upon the cadre to effectively tackle the Congress campaign of free power to farmers in the next month's Jana Chaitanya Yatra which is aimed to go to every village.

It in UP

's support

which generated considerable debate in the party.

Ajit Singh virtually snapped ties with NDA government at the Centre and BSP-BJP coalition government in UP, by quitting Union Cabinet recently and withdrawing five of RLD ministers from the Mayawati government.

In the 1999 Lok Sabha polls, RLD had an electoral tie-up with Congress but it ended soon after Singh joined Union Cabinet headed by Atal Behari Vajpayee.

SP leaders Yadav and Amar Singh had approached Congress leadership on several occasions to form a coalition government to keep "communal and opportunistic forces" out of power but did not succeed as Congress repeatedly said "it is not not involved in juggling game of any government".

NEW DELHI, May 29— The Central Board of Trustees of Employees Provident Fund Organisation is likely to cut the EPF interest by one per cent from the present 9.5 per cent when it meets on May 31, despite Labour Minister Sahib Singh Verma's continuous efforts to prevent a reduction.

The move perpetuated by pressure from Finance Ministry, comes in the backdrop of Central Board of Trustees Finance and Investment sub-committee's suggestion of at least a 0.5 per cent reduction in interest on EPF.

The panel had envisaged three interest rate structure of 8.0, 8.5 and 9.0 per cent, with nine per cent yielding deficit and TT others earning surplus for the fund.

"CBT chairman is left with no other option but to cut the interest rate by one per cent, if it was to earn a surplus", one of the members told PTI, adding the fund could earn a surplus of around Rs 218.98 crore if it went ahead with 100 basis points cut.

Considering the political overtones, the sources said CBI might not go for a 1.5 per cent reduction, though the Finance Ministry officials were of the view that only such a drastic reduction could make the EPF viable in the long-term due to the repeated cuts in Special Deposit Scheme (SDS).

However, some officials apprehend that Verma may seek to buy time from taking a decision on the sensitive issue as they cited the recent instances involv-

ing the introduction of CAS (Conditional Access System) and Value-added Tax.

A marginal 0.5 per cent cut to 9.0 per cent would get the CBI into problems owing to projected deficit of Rs 105.18 crore since the liabilities would be Rs 5,819.23 crore and the income Rs 5714.05 crore.

The sources apprehend that the meeting could witness some chaos especially considering that the Left-parties led trade unions had been clamouring for restoration of 12 per cent.

One of them even said it would

try 'fight tooth and nail' to restore at least the existing 9.5 per cent which the North Block officials termed as "exorbitant and unsustainable" even in the short run.

Though Verma maintained he would try to retain 9.6 per cent and ruled out any during the budget session of Parliament, the sources cited there was "a bit of softening of stance" by the Labour Minister in the recent times.

"Of late, he (Verma) has not been commenting anything specific on the rates", the sources said.

The Chairman,

Sub: Action to be taken in case of candidates failing
to turn up on the dates of verification of
certificates.

As you are aware, in most of the selections, interviews have been dispensed with. It has been noticed that in certain cases, candidates called for verification of certificates do not turn up on the specified date of verification, for whatever reasons, despite issue of call letters by registered post and notice in Employment News.

2. The above matter has been considered by the Board and it has been decided that the following procedure may be followed:

- (i) Candidates equal to number of vacancies should be called in the first instance, by issue of call letters through registered post and also publication of roll numbers in Employment News/Rozgar Samachar.
- (ii) In the event of a candidate not turning up (or his candidature being rejected on account of deficiencies in certificates), the panel should not be held up. Instead, a provisional panel should be sent to the indenter advising that more names will follow.
- (iii) Another registered letter should be sent to the candidate giving 15 days time from the date of posting of the letter, calling him for verification of certificates.
