... Respondents

By Advocate Mr.J.Lsarkar,Railway Counsel.

ORDER (ORAL)G.SIVARAJAN, J (VC):

The applicant retired from service of N.F.Railway, as Khalasi in the year 1989. As part of the retiral benefits his pension was fixed at Rs.752.00. The applicant made so many representations before the Respondents for fixing his pension at 50% of the last pay drawn by him. However, the Respondents have taken the view that since the applicant had taken leave without allowances for certain period during the last 10 months average of the salary drawn by him for the previous 10 months was taken and accordingly, by way of rectification, his pension was fixed at Rs.757.00 vide Annexure G.

2. According to the applicant he must get pension at Rs. 765.00 being 50% of the last pay drawn by him. Mr. A. Dasgupta, learned counsel for the applicant submits that the applicant had completed 37 years of qualifying service under Railways and the allegation that the applicant took leave without allowances within the last 10 month of service is not correct. Counsel submits that the calculation of pension made in Annexure G is not in accordance with law. I have also heard Mr.JL.Sarkar, learned counsel for the Respondents. He submits that though the applicant's pension was initially fixed at Rs. 752.00 per mensem it was correctly calculated in accordance with the Rules at Rs.757.00 per mensem by way of rectification and that the applicant is not at all entitled to get 50% of the last pay drawn (Basic Pay) under any rules in force at relevant time.

3. I have considered the rival submissions. Chapter VII of Central Civil Services (Pension) Rules, 1972 deals with regulation of amounts of Pensions. Rule 48 of the said Rules provides for retirement on completion of 30 years

*[Signature]*

qualifying service and Rules 49(2)(a) provides that in the case of Government servant retiring in accordance with the provision of these rules after completing qualifying service of not less than thirty three years, the amount of pension shall be calculated at fifty per cent of average emoluments, subject to a maximum of four thousand and five hundred rupees per mensem. Here it must be noted that prior on 1.1.96 the maximum amount was Rs. 1275/-. Thus it is clear that persons who have completed qualifying service of 33 years and more are entitled to get pension at 50% of the average emoluments Rule 34 of the Rules says that average emoluments shall be determined with reference to the emoluments drawn by a Government Servant during the last ten <sup>or</sup> months of his service. Now the Railways have taken the average emoluments as the average of last 10 months emoluments. The applicant has relied on a letter No. F(E)/III/97/PNI/22 dated 29.10.99 issued by the Railway Board in aid of his submissions. I have gone through the said circular. I find that the said circular was issued in implementation of Government decision on the recommendation of the 5<sup>th</sup> Pay Commission and revision relating to Pension /commutation. The circular does not in any way help the applicant either by the terms of the said circular or by analogy. Further, it was issued in relation to the option exercised by the applicant in regard to the revised pay scale. The circular also refers only to 50% of the average emoluments. The fact that the applicant had to his credit 37 years of qualifying service is no ground for fixing his pension at 50% of the basic pay last pay drawn by him.

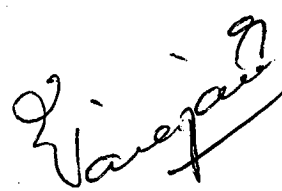

4. I find that the Respondents had clearly worked out the admissible amount of pensions as contemplated under Rule 49, read with Rule 34 of the Rules which is the average of last 10 months salary drawn. The applicant has got a case that the calculation is not correct, for, according to him he did not avail leave on loss

*[Signature]*

of pay at any time within the last 10 months of service. In the absence of proper evidence in that regard I am not in a position to take a view contrary to the one stated in Annexure G. There is no merit in this application. It is accordingly, dismissed. However, this will not preclude the applicant from pointing out mistake if any, in the calculation made by the respondents in the form of a representation in which case the respondents will verify the correctness of the said statement and intimate the result to the applicant promptly.

Application is disposed of as above.

1. Particulars of the order of which this Application is made: -

The application is made against the wrong calculation of pension of the applicant. The payment of pension order was issued on 26.07.89. He was paid Rs. 752.00 as pension instead of Rs. 765.00 w.e.f 01.07.1989. The applicant submitted a number of representations stating the wrong fixation of pension. Therefore <sup>after</sup> the respondent authority issued a letter on 26.03.2004 whereby monthly pension of the applicant was reviewed and refixed as <sup>Rs</sup> 2307 instead of <sup>Rs</sup> 2330 w.e.f from 01.01.96.

2. Jurisdiction of the Tribunal: -

This application is within the jurisdiction of this Hon'ble Tribunal.

3. Limitation: -

This application is within the period of limitation.

4. Facts of the Case: -

(i) That the applicant is a citizen of India and a permanent resident of Bhakarivita, P.O. Bongaigaon, District: Bongaigaon, Assam.

(ii) That the applicant was a railway employee served under N.F. Railway. He joined on 10.06.1952 as Khalasi. He retired on 30.06.1989 as Fitter, Str, Grade I.

Photocopy of the identity cum service certificate of the applicant is annexed hereto and marked as Annexure: - A.

(iii) That the petitioner served under N.F. Railway for a period of 37 years. At the time of his retirement, he was in the scale of pay of Rs. 1320 – 2040/-. His basic salary at the time of retirement was Rs. 1530. According to the pension rule in force, pension is to be determined on the basis of 50% of average basic pay of last 10 months at presently

Nikhil Choudhary

retirement. So the applicant at the time of retirement was entitled to have Rs. 765/- (on the basis <sup>of</sup> scale of pay as recommended by 4<sup>th</sup> pay Commission) But his pension was fixed at Rs. 752.

Copies of the pension order and the calculation made by the respondent authority are annexed hereto and marked as Annexure: - B & C respectively.

- (iv) That the applicant did not avail of any extra ordinary leave during his last 10 month of service from 01.09.1988. Be it mentioned that in a year he was entitled to earn leave for one day for his working in a month. For the period of his absence during the last 10 months of his service period he was either on earn leave or on casual leave. From the concerned Railway establishment he was never informed that no casual leave or earned leave was available at his credit while he applied for his leave of absence from duty; nor he was ever informed that he was granted extra ordinary leave i.e. without pay for any day during that period. It is further to be mentioned that from 1.9.88 he never received less salary than his dues in the months concerned herein. The calculation chart regarding his service period in Annexure C is borne out of facts and is malafide and illegal, and it is a fallout of antipathy and vindictiveness of some of the Officials of the concerned Railway establishment. At any rate at no point of time the concerned Railway authority ~~never~~ informed the applicant that for any or more days he was granted extra-ordinary leave for the period concerning calculations of his pensions/<sup>retinal</sup>~~retiral~~ benefits. For the purpose of pension or other <sup>retinal</sup>~~retiral~~ benefits last 10 months

for the applicant has got to be reckoned from 1.9.88 till his retirement on 30.6.89. From 1.9.88 he was on the basic pay of Rs. 1530/- per month. As such his pension from 1.7.89 has got to be calculated as 765 per month and his subsequent <sup>retiral</sup> ~~retiral~~ benefits has to be accorded on that basis.

- (V) That the applicant on several occasions requested the respondent authority to rectify the wrong calculation and pay the actual due pension amount to him. The applicant submitted several representations. As the respondent authority did not pay any heed to his request, the applicant <sup>was</sup> compelled to served a legal notice on 13.5.04 through his lawyer under section 80 C.P.C for rectification of calculation of his pension and arrear payment since the date of retirement.

Photocopies of the representation dated 01.07.2003 and 08.10.2003 and legal notice dated 13.05.2004 are annexed hereto and marked as Annexure: - D, E & F respectively.

- (vi) That the respondent No. 3 i.e. Assistant Work Manager, EWS sent a letter on 02.06.2004 in reply to the legal notice to the concerned Advocate of the applicant enclosing a copy of revised calculation sheet of average emoluments of the applicant <sup>and</sup> has shown the basis pension of the applicant as Rs. 757/- instead of Rs. 765/-. In this calculation sheet 2 days i.e. 06.05.1989 to 07.05.1989 has been included and shown altogether 300 days from 14.08.1988 to 30.06.1989.

Photocopies of the letter dated 02.06.2004 along with the calculation

16

sheet is annexed hereto and marked as

Annexure: - G.

- (vii) That the Sr. Account Officer, the respondent No. 4 on 26.03.2004 issued a letter to the Manager U.C.O. Bank, Bongaigaon Branch where from the applicant draw his pension intimating <sup>the</sup> ~~of~~ revised pension of the applicant of Rs. 2307 w.e.f 01.01.1999 as per 5<sup>th</sup> pay commission. The actual pension of the applicant should have been of Rs. 2331. Due to initial wrong calculations the applicant has <sup>been</sup> suffering pecuniary loss affecting his livelihood.

Copy of the letter dated 26.03.2004 is annexed hereto and marked as

Annexure: - H.

5. Grounds with legal provisions: -

Being aggrieved by action of the respondents the applicant begs to prefer this application on the following amongst other.

-Grounds-

- (a) For that the pension amount was fixed wrongly by excluding 23 days from 01.09.1988 onward and wrongly calculating a period from 14.08.1988 to 31.08.1988. Instead of 1.9.88 on which date the applicant got an increment in his scale of pay as recommended by 4<sup>th</sup> pay commission.
- (b) For that reckoning the period from 14.08.1988 to 31.08.1988 the pension amount of the applicant was calculated to lower amount than his due.
- (c) For that the action of the respondent authority of wrong calculation of the pension of the applicant caused pecuniary loss. The action of the respondent is malafide, arbitrary, capricious, illegal and without sanction of law.

17  
Nikhil Chaturvedi

- (d) For that the calculation sheet including revised one were prepared without applying their mind by the respondent authority and without authority of law. The revised calculation sheet which was enclosed with the letter dated 02.06.2004 by the Assistant Work Manager in reply the legal notice of the applicant was prepared incorporating 2 days i.e. 06.05.1989 to 07.05.1989 without showing any reason why the two days were not taken into count in the first calculation sheet and why it was incorporated in the revised calculation sheet.
- (e) For that the action of the authority concern affects the livelihood of the applicant and as such is violative of Article 21 of the Constitution of India.
- (f) For that the pension is a property and no citizen<sup>can</sup> be deprived of the same against the procedure established by law as contemplated under Article 300A of the Constitution of India. In this case applicant has been illegally deprived of his due pension due to arbitrary action of the respondent authority and he is entitled to have his actual pension with the interest accrued therein.

6. Details of Remedy Exhausted: -

The applicant preferred several representations before the concerned authority but the authority did not pay the due pension. The applicant has no other alternative but to approach this Hon'ble Court.

7. Matter not pending before any Court / Tribunal

The applicant declares that no application has been filed before any Court or Tribunal for adjudication.

8. Relief Sought

The applicant, therefore, prays that this Hon'ble Tribunal may be pleased to: -

- (i) Direct the respondents to pay the due pension fixing the pension at Rs. 765/- instead of Rs. 752/- and other retrial benefit from the date of retirement.
- (ii) Interest on the amount from the date on which the dues should have been released till making of payment.
- (iii) Any further or other order / orders as this Hon'ble Tribunal may deem fit and proper.

9. Interim Relief: -

The applicant does not pray for any interim relief at this stage.

P.P.O. No. PEN/NBQ/EWS/106 (S) Rev. Dt. 4.4.01 and  
Service certificate (Photostat copy enclosed). And  
Photostat copy of previous average emoluments is also enclosed.

Sir,

I, Shri Nikhil Chakraborty Ex. HSK/I/Fitter under Foreman of EWS/BNGN beg to state that I am drawing less pension w.e.f 1.7.89 to onwards due to wrong calculation of 9 months 28 days average emoluments instead of 10 months at the time of retirement on 30.6.89 AN. Immediately before retirement my basis pay (i.e. w.e.f. 1.9.88 to 30.6.89) was Rs. 1530.00. At the time of retirement on June /89 my full pay was Rs. 1530.00 as there was no L.W.P. during that months.

My service particulars are given below: -

1. Date of appointment : 10.6.52
2. Date of Birth : 11.6.31
3. Date of retirement : 30.6.89 AN.
4. Designation : Ex-HSK/I/Fitter.
5. Date of Last increment as on 1.9.88 Rs. 1530.00 in scale Rs. 1320-2040(Rs.).
6. Length of qualifying service : 37 Yrs. 20 days.

That Sir, my 10 months average emoluments @ Rs. 1530.00 (i.e. Last full pay drawn without L.W.P.) was not taken into account at the time of retirement. 9 months 28 days average emoluments instead of 10 months was taken into account. In no case total periods of average emoluments should not be less than 10 months (i.e. 300 days).

In that case 2 days average emoluments calculated less. As a result I am drawing less pension since 1.7.89 to 31.12.95 Rs. 752.00 instead of Rs. 765.00 (i.e. Rs. 13.00 less drawn).

That Sir, average emoluments will mean average emoluments drawn during the last 10 months qualifying service.

Sirs,

By this notice U/S 80 of C.P.C, I am under instruction from my client Sri Nikhil Chakraborty S/o Late Narendra Ch. Chakraborty, Ex-HSK/1/Fitter, a resident of Bhakaribhita, Bongaigaon under P.O. & Dist. Bongaigaon (Assam) to sue the Union of India owing and representing by you if no relief is granted within 60(sixty) days from the date of receipt of the this notice for the following cause of action: -

(a) Name and Address of Intending Plaintiff:

S/o Late Narendra Ch. Chakraborty  
Bhakavibhita, Bongaigaon,  
P.O. & Dist. Bongaigaon (Assaom).

(b) **Cause of Action:**

- (i) That my client retired from Railway service on 30/6/1989 who served as HSK Grade - I / Fitter under Foreman of EWS / BNGN.
- (ii) That, after retirement from his service my client started drawing the monthly Pension under basic pay of Rs. 1530.00. You made a wrong calculation of average emoluments 9 months 28 days (i.e. 298 days) instead of 10 months (i.e. 300 days) as my client completed his service in full and retired on 30.6.89 and his pension had been calculated w.e.f 1-7-89. The Pension of my client should have 50% of average basic pay. But my client had been drawing Rs. 752.00 instead of 765.00 since 1/7/89 to 31/12/95.
- (iii) That, my client sent the letters on 1/7/03, 8/10/2003 and on 4/12/03 in this regard to your for regularization and to take into account the average emoluments of 10 months. Taking consideration of that letter you through your letter being No. PEN/NBQ/EWS/106/B dtd. 26.3.2004 reviewed and refixed monthly Pension of my client as Rs. 2307/- w.e.f 1/1/96 as per 5<sup>th</sup> Pay Commission. But the said renewed and refixed Pension amount should have been 2330/- instead of 2307/- w.e.f 1/1/96, from the date of retirement. Thus a less amount of Rs. 13/- is being calculated by you. Which include the 4<sup>th</sup> and 5<sup>th</sup> Pay Commissioner entrancement of pay structure.
- (iv) That, my client had visited on several occasions to your office to enquire about the irregularities and to correct the Pension amount. But on each and every occasions you justified your calculation and denied my client to correct Pension amount. Due to your laches and negligence my client has to suffer financial loss despite serving long 37 years in Railway Service diligently and sincerely.

- (c) **Relief Claimed:** To rectify the monthly pension amount and to refix the amount from Rs. 2307/- to 2320/- and to make payment of arrear Pension since the date of retirement.

Yours faithfully,

(Samir Kr. Sarkar)
