ORDER (ORAL)
SHRI M.K. GUPTA, MEMBER (J):

Rejoinders have been filed in each case, which are taken on record. With the consent of parties, we have taken up the cases for final hearing at admission stage.

2. Since the question of law involved in these O.As is identical, we propose to dispose of the abovesaid 39 O.As by this common order.

3. The applicants were appointed as Principal in different Kendriya Vidyalayas. One set of the said applicants had been appointed as Principals on regular basis and others had been appointed on deputation/ad hoc basis. Their grievance is common.

4. By ~~virtue of~~ present O.As they seek setting aside of the decision of the Chairman, Kendriya Vidyalaya Sangathan whereby direction had been given to Commissioner, Kendriya Vidyalaya Sangathan, to cancel or terminate their appointment to the post of Principal, KVS and also quashing such decision which culminated in termination order dated 18.11.2004 passed by the Commissioner, KVS.

5. It is an admitted fact that as far as the question of validity of orders passed in individual case vide order dated 18.11.2004 by the Commissioner, KVS is concerned, the same had been the subject matter before the Principal Bench of this Tribunal in O.A. No.281/2004, Mrs. Radha G. Krishan & Ors. Vs. KVS & Ors. decided on 21.12.2004.

6. After considering the rival contentions of the parties as well as noticing catena of judgements by the Hon'ble Supreme Court on various issues including the mandate of the principle of natural justice etc. the aforesaid termination order dated 18.11.2004, which is common to all applicants in present O.As as well as in the O.A before the Principal Bench, was quashed and set aside on the ground that when Rules and Regulations confer particular power on an authority only, the said authority should exercise the same rather than act on the directions of another, may be the superior authority. The Principal Bench noted that Commissioner, KVS in his impugned order had specifically stated that : "the undersigned has been directed by the Chairman, KVS to cancel the Appointment Order.....". Similarly, the Co-ordinate Bench in para 34 of the said judgement observed that:

"Ordinarily when the persons who had been appointed on regular basis as Principals, have a vested right as accrued in normal circumstances and they should have been given a chance to explain and thereafter taking stock of the totality of facts, an order could be passed pertaining to if they could be reverted to the lower post or note."

At the same time the Bench added that their aforesaid expression should be treated as opinion on merits. The Co-ordinate Bench also ruled that: "In all fairness, the applicants

could have been given opportunity to explain in this regard, particularly to those who have been regularly appointed."

7. After noticing various judgements, the Principal Bench also recorded the following conclusion:

"50. These facts which we have analysed, clearly indicate that so far as the post of the Principal is concerned, the appointing authority is the Commissioner of KVS and he is also the disciplinary authority to impose all penalties. So far as the Chairman is concerned, the powers are circumscribed by the Rules that have been framed. It does not give him the power to remove the concerned persons as against the requirement of the rules. It is true that under Rule 25 to which we have referred to above, the Chairman can exercise such powers as may be delegated by the Sangathan or the Board. But our attention has not been drawn to any such delegation of power by the Sangathan or the Board by amending the relevant rules conferring the powers of the appointment and of the disciplinary authority or any such other power which is vested with the Commissioner of KVS.

51. Once it is clear that the order has been passed on the dictate of the Chairman and not by the Commissioner applying his own mind as is clear from the tenor of the order, the orders in both the cases, on this ground, are liable to be quashed."

8. A close perusal of the aforesaid order passed by the Principal Bench would show that certain other observations were also made, which we are not repeating here except to reiterate. We as a Co-ordinate Bench are bound to follow the said precedent as held by the Hon'ble Supreme Court in S.I. Rooplal and Another vs. Lt. Governor through Chief Secretary, Delhi and Others, AIR 2000 SC 594. It is pointed out by learned counsel for the applicants that the Writ Petition (Civil) No.29-32 of 2005 as preferred before the Delhi High Court, wherein the validity of the said order had been

questioned. Vide judgement dated 25.1.2005 the High Court of Delhi maintained the order passed by the Principal Bench in so far as the termination of the Principals on the dictate of Chairman, KVS. As far as the other question relating to declaration that the petitioners were direct recruits on the post of Principal in KV and were entitled to be absorbed against their vacancies, it was not decided and the issue was remanded to the Tribunal for adjudication.

9. We may note that in all the O.As the order dated 18.11.2004 was filed subsequently byway of various Misc. Petitions filed which have also been taken up along with the O.As

10. Following the ratio and the dicta laid down in the aforementioned judgement we allow the present O.As and quash order dated 18.11.2004 passed by the Commissioner, KVS terminating the services of the applicants on the dictate of Chairman, KVS, with liberty to the respondents to take action in accordance with rules and law as held in para 52 of the aforesaid order passed by the Principal Bench.

11. Accordingly O.As and Misc. petitions are disposed of. No costs.

6. Since then, the applicant is serving as Principal, Kendriya Vidyalaya, Borjhar, Guwahati on deputation basis.

7. To the utter shock and surprise of the applicant, the Respondent No.1 issued a press release dated 19-11-2004 whereby it was stated that the appointments of all the Principals who were initially appointed on deputation basis and later on regularised have been cancelled. It was stated that directions have been issued to repatriate those Principals to their parental posts/cadre. The reason given was that the regulations were made in violation of the Rules of KVS and the reservation Rules of the Government of India. It was stated that the appointments on regular basis have deprived the candidates of reserve category.

A translated copy of the said press release dated 19-11-04 is enclosed herewith and marked as ANNEXURE - E - 'D'

8. A news item was also published in the daily newspaper "The Hindu" on 20-11-04 wherein it was reported that the Respondent No.1 cancelled the appointment orders of over 300 Kendriya Vidyalaya Principals on the ground that these appointments were

9. Tyagi, Principal, No.1 Faridabad KVS, whereby his appointment as Principal on regular basis has been cancelled. It is stated therein that since his appointment on regular basis is void ab-initio, the cancellation of the same without issuing show cause notice is justified. Shri S.K. Tyagi has been directed to hand over the charge of Principal to the Vice-Principal/Senior most PGT immediately and report to the Principal-in-Charge in the same Kendriya Vidyalaya as PGT (Physics).

A copy of the said office order dated 18-11-04 is enclosed herewith and marked as ANNEXURE - F

10. The applicant is similarly placed like Shri S.K. Tyagi. The press release dated 19-11-04 covers the case of the applicant as well.

Receipt - Venerable Sirs

VII. GROUNDS:

1. For that the press release dated 19-11-04 and the decision contained therein are bad in law as well as on facts and the same are as such liable to be set aside and quashed.
2. For that the applicant is eligible and qualified to hold the post of Principal, KVS. In pursuant to the advertisement issued in December, 2002, he submitted application for the post of Principal. He came out successful in both the written test and in the interview. Thereafter, he was appointed as Principal on deputation basis as per the approval of the competent authority. His deputation periods was extended, which period is valid up to 29-07-2005.
3. For that the applicant was appointed against vacancies in the General and OBC category, and not against vacancies in the SC/ST category. His appointment was not at the expense of any SC/ST candidate.
4. For that the appointment of the applicant as Principal was made in accordance with the relevant provisions of the Education Code and there was no violation of any provisions of the KVS Rules or any constitutional provisions.
5. For that no notice was issued to the applicant or any opportunity of hearing was granted to him before taking the impugned decision. The impugned decision is in gross violation of the principles of natural justice and the same is as such liable to be set aside and quashed.

Dr. Rajat Kumar Singh

6. For that the applicant's appointment letter was valid upto 29-07-2005. His case for regular appointment is under consideration and he would be appointed on such as and when vacancies against General and OBC categories arises.

7. For that the clarification given that since the appointment order for the post of Principal is void-ab-initio, the cancellation of the same without issuing show cause notice is justified in law, is wholly untenable. Far from being void-ab-initio, the appointment order of the applicant for the post of Principal is legally valid and does not suffer from any infirmity. The impugned cancellation is most unjustified, illegal and arbitrary.

8. For that after becoming the Principal, the applicant's name was removed from the seniority list of PGTs. The applicant is senior to all the PGTs of his school. The impugned decision, if given effect to, would require the applicant to serve under his juniors.

9. For that as per the press release, the respondents are only contemplating amendment of the relevant service rules. The applicant's appointment was made as per the existing service Rule after following the due process of law. The same cannot therefore, be termed as illegal or unconstitutional.

10. For that after appointment of the applicant as Principal, there has been substantial improvement in the results for both classes' internal examinations in the KVS, Borjhar, Guwahati. Repatriation

Receipt Keenwar Circle

of the applicant would be wholly detrimental to the interest of the students and the school.

11. For that the impugned cancellation/repatriation would cause serious prejudice to the applicant. It would entail adverse civil consequences upon the applicant. Besides, it would cause extreme humiliation to the applicant which will have a demoralizing effect not only on the applicant but also on the whole school. Therefore, it become all the more necessary to atleast issue a show cause notice to the applicant, which is the minimum requirement.

12. For that the impugned decision can be justified only by reasons other than relevant and bonafide. No reasonable person properly instructed in law could have taken such a decision as has been done in the instant case. The impugned decision has been influenced by wholly irrelevant and extraneous considerations.

13. For that the impugned decision is vitiated by arbitrariness and unreasonableness. There is arbitrary exercise of power by the authority in the present case. The Respondents have acted illegally in taking the impugned decision and the same is violative of Articles 14 and 16 of the Constitution of India. There has been total non-application of mind by the Respondents to the relevant factors while issuing the impugned order. There is malice in law as well as on facts and the same has vitiated the impugned decision. The applicant has been subjected to an unfair treatment and the same has prejudicially affected him.

Dr. J. K. Verma

14. For that in any view of the matter, the impugned decision is wholly untenable and the applicant is entitled to the reliefs as prayed for in this application.

15. For that the Respondent No.1 vide press release on 19-11-2004 has cited the following three reasons for cancellation of the appointments -

- i) The percentage of marks was increased from 45% to 50% in the Master Degree as one of the essential qualifications making many aspirants ineligible for appointment. The Scheduled Caste, Scheduled Tribe, OBC and General category candidates have been deprived of their rights and equality of opportunity. Constitutional provisions on equality of opportunity have been violated.
- ii) Appointments were made against backlog quota of SC and ST vacancies.
- iii) Regularisation of deputation Principals is unconstitutional and violative of appointment rules.

16. For that the above reasons are flimsy, frivolous and devoid of merit. There has been precedence of increasing the percentage of marks in the essential condition by the UGC for lecturership. The increase in percentage of marks has only been applied to Principals of the KVS and PGTs, TGTs and PRTs, though in their cases the percentage of marks was also increased from 45% to 50%. The

Dr. Rajat Kumar Singh

regularisation of the Principals has been only against regular vacancies of General and OBC categories.

VIII. Details of the remedies exhausted:

As the applicant has challenged the legality and correctness of the impugned decision and has prayed for setting aside/quashing of the same, he has not submitted representation before the authority as the same would not only be a futile exercise but also render his challenge redundant.

IX. Matter not previously filed or pending with any other Court:-

The applicant has not filed any other case/application in any other Court/Tribunal regarding the present subject matter.

X. Reliefs sought:-

Under the facts and circumstances, the applicant prays for following reliefs :-

1. For a declaration that the applicant's appointment as Principal on deputation basis which is valid upto 29-07-2005 is legal and valid,
2. To set aside and quash the impugned press release dated 19-11-2004 (Annexure - E) in so far it relates to the applicant,
3. To pass such further order or orders as this Hon'ble Tribunal may deem fit and proper,

Dr. Jyoti K. Kulkarni

4. Costs of the proceeding.

XI. Interim order prayed for:-

Pending disposal of the present application, the applicant prays for an interim direction to the Respondents not to disturb the service of the applicant as Principal of Kendriya Vidyalaya, Borjhar, Guwahati and/or pass such interim order/orders as may be deemed fit and proper.

The Ministry of HRD cancels appointment of Principals
on deputation basis.

NEW DELHI

Dt-19.11.2004

The Ministry of HRD has cancelled the appointed of all the Principals who were initially appointed on deputation basis and later, on regularised in violation of the rules of KVS and the reservation rules of Govt. of India. The Ministry has also directed to repatriate the principals to their parental posts/cadre. A special drive will be launched to fill up the vacant post of Principals reserved for SC/ST. Besides this, the remaining vacancies will be filled up by all categories. The recruitment rules for Principals in KVS will be modified. As per this, one has to secure at least 45% marks at the Master Degree for direct recruitment. For appointment to the post of Principal on promotion, the employee has to serve at least one year as Vice Principal (Now three years).

The decisions were taken after thorough study of documents.

The 65th Meeting of the Board of Governors was held on 19th March, 1999 the mode of appointment of Principal by Commissioner was decided in the meeting. The study of documents reveals that the guidelines have not been followed due to which injustice has been done to the reservation as well as general category candidates. Apart from it, right to equal opportunity as laid down in constitutional articles, has also been flouted as a result of which employees belonging

to reserved as well as general categories have been deprived of opportunities to face competition. It has also been known that such principals who were appointed on deputation basis were regularised afterwards. In such cases, the Commissioner has violated the directive of the Hon'ble Supreme Court in regard to reservations. Thus, the Commissioner KVS has deprived the candidates of reserved category from their legitimate right though they had requisite qualification for the post of Principal.

There are 140 Principals on deputation who have been regularised in violation of rules. Besides this, 187 persons have been appointed as Principal on deputation basis. These persons are working against vacancies of reserved as well as general categories.

THE HINDU, Saturday, November 20, 2004

Appointments of 300 KV principals cancelled

By Our Special Correspondent

NEW DELHI, NOV. 19. The Human Resource Development Ministry today cancelled the appointment orders of over 300 Kendriya Vidyalaya principals issued during the Murli Manohar Joshi regime, as these appointments were "made in violation of" rules and constitutional provisions on equality of opportunity. Cancelling the appointments, the Ministry also issued orders repatriating them to their parent cadre.

These appointments were made in exercise of the Commissioner's power to appoint principals and cleared at the 65th meeting of the Board of Governors of the Kendriya Vidyalaya Sangathan (KVS) on March 19, 1999.

The appointments were initially made on a deputation basis and subsequently many of the appointees were regularised "in violation of the KVS rules and

reservation rules of the Government."

Given the vacuum that will be created in a number of Kendriya Vidyalayas across the country, the Ministry simultaneously announced that a drive would be undertaken to fill the backlog of vacancies for principals from the Scheduled Caste and Scheduled Tribe categories followed by a general recruitment for all categories to fill up the remaining vacancies.

The Recruitment Rules for principals in KVS will be amended to make 45 per cent at the post-graduate level the qualifying mark for direct recruits.

The qualifying mark had been increased to 50 per cent by the previous regime "to the disadvantage of the reserved categories."

The rules will be amended to reduce the number of years for promotion as principal from vice-principal.

According to the ministry, the

decision to cancel the appointments was taken after a scrutiny of documents relating to the 65th Meeting of the Board of Governors of KVS. "These documents revealed that the Commissioner's power to appoint principals was not followed strictly resulting in injustice to persons belonging to both reserved and general categories."

Besides, constitutional provisions on equality of opportunity were violated as persons belonging to reserved/general categories did not get an opportunity to compete for the posts.

"Also, while appointing the deputationists on regular basis as principals, who were initially taken on deputation for a fixed tenure, the then Commissioner had not followed the Supreme Court judgment on reservation thereby depriving the legitimate rights of persons belonging to the reserved categories from getting appointed as principals in KVS," the ministry said.

O.A No.273/2004

IN THE MATTER OF:

Sri Ranjit Kumar Sinha

Applicant

The Union of India & others

Respondents

Written Statement filed by the
Respondents No.2 & 3:

I, Sri U.N. Khawarey, the Assistant Commissioner, Kendriya Vidyalaya Sangathan, Regional Office, Guwahati, do hereby solemnly affirm and file the written statement on my behalf and on behalf of Respondent No.2 as under:-

1). That I have been served with a copy of the Original Application, I have gone through the contents thereof. I am competent to serve this Written Statement on being supplied with comments from the Head-quarters on behalf of the respondents, they being official respondents. I am fully acquainted with the facts and circumstances of the case.

2). That the deponent states the allegations / averments which are not borne out by records are denied and not admitted. Any averments / allegations which are not specifically admitted hereinafter are deemed to be denied.

3). That the deponent begs to apprise that the grievance of the applicant is that by issuing the order of cancellation of appointment and their repatriation to the substantive post their right have been violated, whereas the applicant has no right to submit that any of their right have been violated inasmuch as in the advertisement it is clearly mentioned that the term of deputation shall be for a period of one year extendable from year to year upto a maximum period of five years and will be governed by the existing instructions of the Government of India relating to deputation and that the Kendriya Vidyalaya Sangathan deserves the right to repatriate the deputationist at any point of time even before completion of the approved deputation period without assigning any reason.

4). That with regard to the statements made in paragraphs 6.2, 6.3, 6.4, 6.5, 6.6, the respondent states that these are matter of records and does not submit any comment.

5). That with regard to the statements made in paragraphs 7 and 8, the respondent denies the correctness of the same for, the decision of the Chairman in cancelling the appointment made on deputation basis is lawful.

Contd... ..

Had the applicants been appointed as per Rule of the Kendriya Vidyalaya Sangathan, then there was no need for the Kendriya Vidyalaya Sangathan to take action in the manner it has taken now. To allow the applicant to continue in the post would mean to giving a go-bye to all the Constitutional provisions and the Kendriya Vidyalaya Sangathan would remain a silent spectator by suppressing the legitimate rights of those persons who were eligible for being either promoted or recruited as Principals. It is submitted that the then Commissioner who happened to be the appointing authority appointed Principals on deputation basis on year to year basis. Simultaneously, the then Commissioner was approving clubbing of all the posts earmarked for General and OBC / other reserved category and went on appointing Principals on regular basis who were working on deputation, although no such provisions were not made in the recruitment Rule for the post of Principal. In all, upto now, there are 140 candidates whose appointments have been regularised against the Rules and as many as 187 persons working on deputation basis as Principals in various Kendriya Vidyalayas. These persons (Regularised as well as on Deputation) are occupying the posts meant for the reserved as well as general category candidates. The Commissioner's power to appoint Principals in the manner decided by the BOG was not followed strictly resulting in injustice to persons belonging to reserved / general category. The appointments made by the then Commissioner cannot stand the scrutiny of law inasmuch as there has been a flagrant violation

Contd....

of Constitutional provisions vis-à-vis persons belonging to reserved / general category who could not gather opportunity to compete for the post of Principal. Even the Hon'ble Supreme Court's Judgment on reservation has not been followed while operating the recruitment Rules thereby depriving the legitimate right of persons in the reserved category from getting appointed as Principals ever since the then Commissioner started regularising the deputationists as Principals who were initially appointed for a fixed tenure.

6). That with regard to the statements made in paragraphs 6.9 and 6.10, the respondent states that since filing of the Misc Petition 120/04 by which the impugned order has been annexed the defect being cured and the respondent does not offer any comment.

7). That with regard to the grounds set forth in the application in paragraph VII, the deponent submits that these grounds are ill founded and no legs to stand to support the claim of the applicant for the irregularities and illegalities as mentioned in above paragraph being committed in appointing the applicant in the initial, it has violated the provisions as under:

I. Direct recruitment quotas of ST/ SC/ OBC categories have been utilized by the deputationist's incidentally, reservation rules are not applicable when the posts are filled up with by way of deputation. Similarly, promotion quotas of all candidates have been utilized by deputationist.

Contd....

Deputationists for such period frustrated the very purpose of reservation Rules.

II. By denying the opportunity of competing for the post of Principal to the general public, the Constitutional Provisions have been violated.

Therefore, from the above it is seen that no action contrary to law has been taken by the respondent and the actions have been taken in accordance with the Constitutional provisions and further more the applicants have no vested rights conferred upon them to seek quashing of the order dated 18-11-2004 and in the circumstances it is submitted that the applicant have not made out any case for interference by this Hon'ble Tribunal.

It is further submitted that, as submitted above there were irregularities committed by the then Commissioner, the present Commissioner referred the matter to the Chairman for taking a decision although the Commissioner himself had pointed out the following steps to rectify the same and details that was put forward by the Commissioner in this regard are as follows:

"Considering this blatant violations in the recruitment rules for the posts of Principals the following policy decisions are proposed to rectify the situation:

i. The order of appointment issued to the Principal on deputation for regularising their

service as Principals while working on deputation may be cancelled.

ii. All the deputationist working as Principal may be repatriated to their parent cadre.

iii. Recruitment Rules for Principals may be amended providing for 45% qualifying marks in Master Degree in case of direct recruitment and in case of promotees minimum 1 year qualifying service as Vice Principal in the Kendriya Vidyalaya for promotion to the post of Principal.

iv. Special Recruitment drive may be made for SC and ST to fill up the backlog vacancies followed by the general recruitment for all categories to fill up the remaining vacancies".

Thereafter, on getting the direction from the Chairman, the Commissioner proceeded to issue the order dated 18-11-2004. A reading of the order dated 18-11-2004 itself makes it clear that the Commissioner had applied his mind and it is only the applicant who are twisting the facts.

As submitted in the preceding paragraphs, the chairman, KVS who is duty bound to implement the decisions of the BOG has after going through the records took a decision in the manner resulting the issuance of the order dated 18-11-2004. This order had not been issued in violation of any principles of natural justice but to protect the constitutional provisions. It is further submitted that the orders has not been issued by way of punishment but the same

Contd....

has been passed for, their appointments as Principals when effected by contravening the rules. It is submitted that the order dated 18-11-2004 is not primitive in nature inasmuch as the applicant's original position has been restored and therefore question of civil rights having been violated does not arise.

It is most specifically submitted that since there is no right for the applicant to continue as Principal on deputation and his further continuance would have harmed the interest of the organisation, it was the high time that a decision was taken in this regard to review the appointment made. Had the appointment were made in accordance with rule no review would have taken place and therefore it cannot be stated that the order dated 18-11-2004 repatriating the applicant is illegal. It is further submitted that no prejudice is caused to the applicant and even if the principle of natural justice were to be followed the result would have been same inasmuch as appreciating the rule of deputation the applicant would not have got any right to continue in the post.

8). In view of the above it is submitted that there is no merit in the O.A and the O.A is liable to be dismissed with cost, it is also prayed that in view of the above the interim order passed by this Hon'ble Tribunal may be vacated.
