## ORDER

### SIVARAJAN, I (V.C.) :

The applicant, a State Forest Service Officer who retired from service as Deputy Conservator of Forests (DCF) (SFS) on attaining the age of superannuation, has filed this application for the following reliefs:-

*"8.1 To direct the Respondents to consider the case of the applicant for promotion to the cadre of IFS w.e.f. 1988 onwards and after such consideration to promote him to IFS with retrospective effect with all consequential service benefits.*

*8.2 To direct the respondents to convene triennial cadre review and to review the cadre strength since 1988 following the mandatory provisions of IFS cadre Rules."*

The grievance of the applicant is that though he had become eligible for promotion to Indian Forest Service (IFS in short) in 1988, his case for promotion to IFS was not considered by the respondents till the date of his retirement on 28.2.2003. The applicant has approached this Tribunal only when the Union Public Service Commission (UPSC in short), New Delhi issued a communication dated 5.12.2002 (Annexure-8) wherein the UPSC had requested the Chief Secretary, Government of Arunachal Pradesh, Itanagar for a revised self contained proposal for preparation of year-wise select lists of 2000 and 2002 with certain information/documents. It was inter alia mentioned in paragraph 3 thereof as follows:-

*"It is also observed that the State Govt. have included the name of Shri A.K.Sen (DOB-01.03.1945) at Sr. No.1 in the eligibility list for the year 2002, whereas he is not eligible in*

*terms of Regulation 5(3) of IFS (Appointment by Promotion) Regulations 1966 as he has attained the age of 54 years of age as on 01.03.1999. This name may kindly be excluded from the eligibility list for the year 2002."*

The above observation has provoked the applicant to file this O.A.

2. The applicant has alleged that though the respondents are bound under the Indian Forest Service (Appointment by Promotion) Regulation, 1966, Regulation No.5 thereof to prepare a list of suitable officers (SFS) for promotion to IFS, although there were vacancies occurred every year since 1988 onwards the respondents did not convene DPCs to fill up the said vacancies. It is his case that if any selection committee meeting was held by the respondents for promotion to IFS for the years 1988 onwards till 1999 inclusive, the applicant would have been in the zone of consideration and would have got inducted in IFS. It is stated that the respondents never conducted any DPC under the aforesaid rules for the years from 1988 to 1996. The applicant has also stated that in the revised gradation list of ACF (SFS) as on 1.1.1983 the applicant appeared at Sl. No.35, when one Sri M. C. Baruah whose name appeared at Sl. No.33 having his date of birth 31.10.1941 challenged the inaction in convening the selection by filing O.A. No.345/1999 before this Tribunal he got reliefs based on the Tribunal order dated 21.5.2001 (Annexure-6). The applicant claimed that he is also entitled to the same treatment. The applicant in paragraph 4.13 of the application has stated that as per the information gathered by him there were four vacancies in the year 1996, two vacancies in the year 1997, two vacancies in the year 1998 and two vacancies in the year 1999 and that due to the non-convening of DPC the said vacancies could not be filled up from the eligible SFS

*Sp*

officers. The applicant, it is stated, came within the zone of consideration right from the year 1988. It is also stated that in the year 1988 as per Regulation No.5 of the Indian Forest Service (Appointment by Promotion) Regulation, 1966 the applicant completed the requisite eight years of service in the substantive capacity in the State Forest Service and as such his case was required to be considered for induction to IFS with retrospective effect by convening year wise DPC w.e.f. 1988 onwards. It is further averred that though the respondents had convened DPC in the year 2002 by clubbing the vacancies from 2000 to 2002 and prepared the list of suitable SFS officers for induction to IFS, the case of the applicant was not considered on the plea of his becoming over aged. It is stated that there are instances of persons who had crossed 54 years of age being considered for IFS. The names of S/Shri S. Choudhury, M. C. Baruah and B. C. Das were mentioned in this regard.

3. On behalf of respondent nos. 3 and 4 a written statement is filed. Paragraph 4 of the said written statement which is relevant for the purpose of adjudication of this case reads as under:-

*"4) That as regard the statements made in para 1 of the application, the deponent states that as per Sub Rule 5(2) of the Indian Forest Service (Appointment by Promotion) Regulation 1966 an State Forest Service Officer who has rendered 8 years service in the grade & substantive in the post of Assistant Conservator of Forests is eligible for promotion to Indian Forest Service cadre. The applicant was declared confirmed in the post of Assistant Conservator of Forests in State Forest Service w.e.f. 1.6.1999 vide No.For/114/E(A)/89/Pt/30942-31000 dated 20.10.2000. The name of the Applicant was recommended by the State Govt for his induction to Indian Forest Service cadre in the proposal submitted vide No.For/400/E-2/83/Vol-I/17702-04 dated 6.6.2001 and No.*

*Sp*

*For/400/E-2/83/Vol-I/636-38 dated 10.7.2002 respectively to the Govt of India, Union Public Service Commission, New Delhi. However his date of birth being 1.3.1945, he attained 54 years age as on 1.3.1999 and as such he was not considered eligible for promotion to Indian Forest Service cadre in terms of Regulation 3 of Indian Forest Service (Appointment by Promotion) Regulation 1966. Accordingly, the Union Public Service Commission, New Delhi vide letter No.10/22/2002-AIS dated 5.12.2002 directed the State Government to exclude the name of the applicant from the eligibility list for the year 2002. Accordingly name of the applicant was not recommended by the State Govt. while submitting proposal to Union Public Service Commission, New Delhi vide No.For/400/E-2/83/Vol-I/385-86 dated 18/12/2002 (for the year 2000) and No.For/400/E-2/83/Vol-I/387-88 dated 18/12/2002 (for the year 2002). However, the contention of the petitioner for not convening Departmental Promotion Committee by the Respondents for preparation of select list of suitable officers for promotion to the Indian Forest Service in the AGMUT Joint Cadre is not correct. The Departmental Promotional Committee meeting is convened by the Govt of India, Union Public Service Commission from time to time and Departmental Promotion Committee meeting held on 26.3.1996 and 18.12.99 and 21.12.2002 respectively by the Union Public Service Commission."*

The factual details are also stated in paragraph 12 of the written statement which also reads as follows:-

*"12) That as regard the statement made in para 4.8 of the application, the deponent states that the applicant while holding the post of Forest Ranger was promoted to the post of Assistant Conservator of Forests vide order dated 15.10.80 and he assumed the charge of the post of Assistant Conservator of Forests w.e.f. 29.10.80. As stated in para-1 an State Forest Service Officer becomes eligible for consideration for promotion/induction to Indian Forest Service only on completion of 8 years service in the post of Assistant Conservator of Forests and holding the said post in substantive capacity i.e. confirmed. Though the petitioner completed on 29.10.88 8 years service in the Grade he was not*

*pt*

*eligible for promotion to Indian Forest Service cadre w.e.f. 29.10.1988 because he did not fulfill the other condition of being becoming eligible for induction to Indian Forest Service Cadre i.e. not being confirmed in the post of Assistant Conservator of Forests till 1.6.1999 due to failure of passing departmental examination, which was conducted by the Department through Arunachal Pradesh Public Service Commission from time to time. He cleared the departmental examination during the month of March/99 and accordingly he was informed to have passed the departmental examination in all the subjects vide Notification No.For/10/E(AP)/91/19414-95 dated 1.6.99. The case of Applicant was recommended by the State Govt for his induction to Indian Forest Service cadre during 2001 vide letter No.For/400/E-2/83/Vol-I/17702-04 dated 6.6.2001 & during 2002 vide letter No.For/400/E-2/83/Vol-I/636-38 dated 10.7.2002 and No.For/400/E-2/83/Vol-I/385-86 dated 18.12.2002 and No.For/400/E-2/83/Vol-I/387-88 dated 18.12.2002. But for his having attained the age of 54 years as on 1.3.99, his name was dropped from the eligibility list as per UPSC's instructions communicated vide letter dated 5.12.2003."*

Various other details are also stated in the written statement.

4. The applicant has filed a rejoinder. In reply to paragraph 4 of the written statement it is stated in the rejoinder that the applicant's service stood confirmed w.e.f. 16.9.1986 as Assistant Conservator of Forests by operation of the recruitment rule wherein there has been specific mention regarding completion of such probationary period after two years. It is also stated that law is well settled that in absence of any blemish the authority is duty bound to confirm the service of the officer immediately after the expiry of the probationary period failing which applying the due provision the service of the applicant got confirmed by operation of law. It is also stated that according to the Recruitment Rules 20 (b), the service of the applicant should have been confirmed w.e.f. 16.9.1986 in the post

*SPR*

of Assistant Conservator of Forests instead of 1.6.1999. However, though the respondents in paragraph 12 of the written statement has stated, *"Though the petitioner completed on 29.10.1988 8 years service in the Grade he was not eligible for promotion to Indian Forest Service cadre w.e.f. 29.10.1988 because he did not fulfill the other condition of being becoming eligible for induction to Indian Forest Service i.e. not being confirmed in the post of Assistant Conservator of Forests till 1.6.1999 due to failure of passing departmental examination, which was conducted by the Department through Arunachal Pradesh Public Service Commission from time to time."*, no explanation is offered to the said statement in paragraph 7 of the rejoinder. Admittedly, the applicant had cleared the departmental examination only during the month of March, 1999 and accordingly he was informed to have passed the departmental examination in all the subjects vide notification No. For/10/E(AP)/91/19414-95 dated 1.6.1999.

5. We have heard Mr. S. Sarma, learned counsel for the applicant, Mr. A. K. Chaudhuri, learned Addl.C.G.S.C for the 1st and 2nd respondents and Mr. B. Banerjee, learned Government Advocate, Arunachal Pradesh appearing for the 3rd and 4th respondents. Mr. S. Sarma submits that the applicant was appointed as Assistant Conservator of Forests as per order dated 15.10.1980 (Annexure-4) in a substantive capacity; that he had meritorious and outstanding service career throughout and that he had completed 8 years of service as such on 29.10.1988. Counsel submits that there were vacancies for promotion to IFS since 1988 onwards till 1999 but the respondents did not convene the DPCs every year for selection to IFS as provided under the Indian Forest Service (Appointment by

*for*

Promotion) Regulation, 1966. Counsel submit that had the respondents convened the DPCs every year, the applicant would have been in the zone of consideration and in the absence of any disabling factors, such as disciplinary proceeding etc. and in view of the outstanding service career of the applicant, he would have been selected for promotion to IFS. Counsel submits that passing of departmental examinations is not a condition precedent for recommending the case of the applicant to the UPSC for promotion to IFS. He also submits that the applicant had crossed the age of 54 years only in March, 1999 and therefore, he was eligible for being considered for the years upto 1999. He also submits that the respondents have the power to consider the case even beyond the age of 54 years under the proviso to Rule 5 (3) of the Regulations and the applicant's case deserves to be considered for the year 2002 as originally recommended by the State Government. He submits that the respondents must be directed to conduct review DPCs for each year commencing from 1988 till 1999 (both years inclusive) and also in the year 2002 and to promote the applicant to IFS accordingly. Counsel has also relied on a decision of the Hon'ble Supreme Court in State of Punjab vs. Rupinder Kawal Sahib and Others, (2002) 10 SCC 179 in support.

6. Mr. A. K. Chaudhuri, Addl. C.G.S.C. appearing for the 1st and 2nd respondents submits that the UPSC had rightly requested the State Government to omit the name of the applicant from the list of 2002 since the applicant had crossed the age of 54 years in March, 1999. Mr. B. Banerjee, Government Advocate representing the State of Arunachal Pradesh and the 4th respondent submitted that though the applicant had completed 8 years of service in the post of Assistant

*gpa*

Conservator of Forests in the year 1988, he could not be considered for promotion to IFS for the years from 1988 to 1999 (both years inclusive) since he did not pass the departmental examination for confirming him in the said post. The Government Advocate further took us to paragraphs 4 and 12 of the written statement which we have already extracted above and submitted that as per sub-rule 5 (2) of the Indian Forest Service (Appointment by Promotion) Regulation, 1966 a State Forest Service officer, who has rendered 8 years service in the Grade and confirmed in the post of Assistant Conservator of Forests, is eligible for promotion to IFS cadre but the applicant was confirmed in the post of Assistant Conservator of Forests only w.e.f. 1.6.1999 vide notification dated 20.10.2000. He also submitted that the name of the applicant was sent for consideration in the select list in the year 2000 and 2002 but his case was not considered by the UPSC since he had attained the age of 54 years as on 1.3.1999. The Government Advocate further submitted that the Departmental Promotion Committee meeting was convened by the Government of India, UPSC from time to time and DPC meetings were held on 26.3.1996, 18.12.1999 and 21.12.2002. He further pointed out that only the Assistant Conservator of Forests holding the said post in a substantive capacity i.e. confirmed and who completes 8 years of service in the grade alone is eligible for consideration for promotion/induction to IFS. He submitted that the applicant was confirmed in the said post only w.e.f. 1.6.1999.

7. We have considered the rival submissions. There is no doubt that the applicant was promoted to the post of Assistant Conservator of Forests as per order dated 15.10.1980 and that he had completed 8 years of service in the said post on 29.10.1988. The fact

that the applicant has got meritorious service in the various posts held by him is not in dispute. However, the fact remains that the applicant was on probation since 29.10.1980 in the post of Assistant Conservator of Forests and he was confirmed in the said post, as already noted, only on 1.6.1999. The contention of the applicant is that he has become eligible for being considered for promotion/induction to IFS since 29.10.1988 having completed 8 years of service in the post of Assistant Conservator of Forests and since he has not crossed the age of 54 years from 29.10.1988 onwards till 1999. His further case is that there were vacancies in IFS every year since 1988 and that DPC on yearly basis was not being held regularly. The respondents in the written statement have stated that the DPCs were being convened from time to time and that DPC meetings were held on 26.3.1996, 18.12.1999 and 21.12.2002. The respondents have also stated in the written statement that there were 4 vacancies upto 1996, one vacancy in 1997, 2 vacancies in 1998 and 3 vacancies in 1999.

8. As already noted, according to the respondents, the case of the applicant for promotion/induction to IFS could not be considered for the years from 1988 till 1999 (both years inclusive) for the reason that he was not confirmed in the post of Assistant Conservator of Forests till June, 1999 since he did not pass the departmental examination. The stand of the applicant, as can be seen from the rejoinder filed by him, is that he, having satisfactorily completed the probation of the initial period of two years, in the absence of any misconduct or similar circumstances, must be deemed to have completed the period of probation after expiry of two years. In other words, his contention is that confirmation in the said post is

9/pt

automatic on the expiry of the period of probation or on the expiry of the extended period of probation and in the instant case since the applicant has got meritorious service through out the period, he must be deemed to have completed the probation and was confirmed in the post of Assistant Conservator of Forests since 1988. It is also his case that confirmation in the said post is not a condition precedent for promotion to IFS.

9. Let us now consider the Recruitment Rules of the State Forest Service. The applicant, admittedly, is a State Forest Service Class-I officer. He is covered by the Assam Forest Service (Class I) Rules, 1942. The post of Assistant Conservator of Forests is one of the 24 posts detailed in Rule 3. Rule 4 of the Rules deals with the source of recruitment – by direct recruitment and by promotion. Rule 4 (c) provides that appointment to the service shall be made by the Governor by promotion from the Provincial Forest Service or Subordinate Forest Service of men of proved merit and efficiency who are considered fit to hold charge of an important Forest Division. Rule 7 provides for appointment on probation. The said Rule says, *"Recruits (a) promoted to the Service from the Subordinate Forest Service (b) recruits under Rule 4 (a) on satisfactorily completing the course prescribed in Rule 6, and (c) direct recruits under Rule 4 (b) will be appointed to the Service subject to the conditions prescribed in Rules 8 and 9."* Rule 8 reads thus:-

*"8. Period of probation.- (a) member of the service appointed by promotion under Rule 4(c) shall be deemed to be on probation for a period of two years and shall within the said period pass such departmental examinations or tests as may be prescribed for the Service from time to time provided that he shall not be required to pass again any such examination*

*JP*

or test as he may already have passed before promotion, and provided also that the Governor may in an case extend or reduce the period aforesaid. A member so appointed on probation shall, if he fails to satisfy the Governor within the period aforesaid or any further period for which extension has been granted that he is in every respect fit for promotion, revert to his substantive post.

(b) Every member of the Service directly recruited under Rule 4(a) and (b) shall be on probation for 2 years from the date of commencement of service which shall be from the day following the convocation at the Forest College, or until he passes tests as aforesaid, whichever is later."

Rule 9 provides for confirmation which reads as follows:-

" Every member of the Service shall be confirmed in his appointment when -

- (i) he has completed the period of probation in Rule 8 (a) or 8 (b) as the case may be, and
- (ii) the Governor is satisfied that he is fit for confirmation."

Rule 10 (a) says, "Untill confirmed every member of the Service will unless his appointment is terminated, continue to hold his appointment on probation" and sub-rule (b) says, "Every confirmation shall be notified in the Assam Gazette."

10. From the above provisions, the following situations emerge:-

The appointment to the State Forest service from the Subordinate Forest Service by promotion is subject to the condition prescribed in Rules 8 and 9. Rule 8 provides for probation for a period of 2 years within which time the officer has to pass such departmental examination or test

*9pt*

as may be prescribed for the service from time to time. The Governor is given the power to extend or reduce the period of probation and a member who fails to satisfy the Governor within the aforesaid period that he is in every respect fit for promotion, has to be reverted to his substantive post. Further, Rule 9 provides for confirmation in his appointment when he has completed the probation under Rule 8 and the Governor is satisfied that he is fit for confirmation. This contemplates a written order of confirmation by the Governor. Added to this, Rule 10 (a) clearly says that until confirmed every member of the service will unless his appointment is terminated, continue to hold his appointment on probation and sub-rule (b) says that every confirmation shall be notified in the Assam Gazette.

11. The contention of the applicant, as already noted, is that once the period of probation or the extended period of probation is over there is an automatic confirmation for which no separate orders are required. The provisions of the Rules discussed above clearly indicate the necessity of a confirmation order and that too by notifying in the Assam Gazette. Thus, the contention of the applicant regarding automatic confirmation is against the Rules and therefore unsustainable. Even in the absence of Rules providing for confirmation the Supreme Court has time and again held that there is no question of automatic confirmation on the expiry of the period of probation and that a positive order of confirmation is required (See Registrar, High Court of Gujarat and Another vs. C. G. Sharma (2005) 1 SCC 132, Para 26 at Page 141, Commissioner of Police, Hubli &

Another vs. R. S. More 2003 (2) SLR 8 SC Paras 3 and 8 and M. P. Chandoria vs. State of M. P. and Others (1996) 11 SCC 173 Para 5 at Page 175).

12. Now let us see the provisions of the Indian Forest Service (Appointment by Promotion) Regulation, 1966. Rule 5 of the Regulation provides for preparation of list of suitable officers. The 3rd proviso to sub-rule (2) thereof reads as follows:-

*"Provided also that the Committee shall not consider the case of a member of the State Forest Service unless, on the first day of January of the year in which it meets, he is substantive in the State Forest Service and has completed not less than eight years of continuous service (whether officiating or substantive) in per cent(s) included in the State Forest Service."*

This proviso makes the position clear that the officers holding the post substantively in the State Forest Service alone are entitled for being considered by the Selection Committee. However, for the purpose of reckoning 8 years continuous service such service can be officiating or substantive. In other words, for reckoning the period of 8 years the officer need not be holding the post, in a substantive capacity. As already noted, under the Recruitment Rules of the State Forest Service for appointment in a substantive capacity the probation must be satisfactorily completed and only on confirmation it can be said that the officer holds the post in the State Forest Service in a substantive capacity. The following observations of the Supreme Court in H. F. Sangati vs. Registrar General, High Court of Karnataka and Others (2001) 3 SCC 117 at Page 121 Para 8:-

*"It is well settled by a series of decisions of this Court. .... that services*

*gr*

of an appointee to a permanent post on probation can be terminated or dispensed with during or at the end of the period of probation because the appointee does not acquire any right to hold or continue to hold such a post during the period of probation. (underlining supplied)."

A person holding a substantive post cannot be terminated or dispensed with otherwise than in accordance with law for he had acquired a right to hold such post. This position, the applicant could acquire only in June, 1999 that too by virtue of issuance of the notification in 2000 contemplated under Rule 10 of the Recruitment Rules. Thus, though the applicant had completed 8 years of continuous service in the post of Assistant Conservator of Forests in the year 1988, he was not eligible for being considered for selection to IFS until he was appointed substantively to the said post on confirmation which event happened only in June, 1999. Of course, the applicant crossed the age of 54 years only in March, 1999. Thus, the inhibition contained in the 3rd proviso to sub-rule (2) of Rule 5 of the Regulations was operative for the periods upto and including the year 1999.

13. In view of what is stated above, the claim of the applicant for consideration of his case for being promoted/inducted to IFS for the periods 1988 to 1999 (both years inclusive) cannot be sustained since the applicant was not holding the post of Assistant Conservator of Forests in a substantive capacity during the said period. Though Mr. Sarma, counsel for the applicant has relied on the decision of the Supreme Court in State of Punjab vs. Rupinder Kawal Sahib and Others (supra) the said decision, according to us, has no application to the facts and circumstances of this case. The said decision deals with

*[Signature]*

a totally different situation. Needless to say that since the applicant had crossed the age of 54 years in March, 1999 the inhibition contained in sub-rule (3) of Regulation 5 of the IFS (Appointment by Promotion) Regulations, 1966 applied and therefore in spite of the fact that the State Government had recommended the case of the applicant for inclusion in the select list for IFS for the years 2000 and 2002 the UPSC had rightly directed the State Government to delete the name of the applicant from the list to be forwarded by the State Government pursuant to the impugned communication.

14. Mr.S.Sarma has placed reliance on the 2nd proviso to sub-rule 3 of Regulation 5 of the IFS (Appointment by Promotion) Regulations, 1966. The said proviso reads thus:-

"Provided further that a member of the State Forest Service who has attained the age of fifty-four years on the first day of January of the year in which the Committee meets shall be considered by the Committee, if he was eligible for consideration on the first day of January of the year or any of the years immediately preceding the year in which such meeting is held but could not be considered as no meeting of the Committee was held during such preceding year or years."

This proviso, according to us, has no application since the DPC for the year 1999 was held by the UPSC on 18.12.1999. Further, the applicant was not eligible for being considered for the year 1999 since he was not holding the post of Assistant Conservator of Forests in a substantive capacity. The respondents had convened DPC for 2000 and 2002 vacancies of IFS. Since the proviso has no application for the reasons stated above the applicant is over aged and his name was rightly excluded.

For all these reasons the application is devoid of any merit. It is accordingly dismissed.

In the circumstances, there will be no order as to costs.

action of the respondents in not convening regular DPC for

A

4. FACTS OF THE CASE:

4.1. That the applicant is a citizen of India and as such he is entitled to all the rights, privileges and protection as guaranteed by the Constitution of India and laws framed thereunder.

4.2. That the applicant is a science graduate and after his graduation he underwent training in Forestry and Allied subjects at Northern Forest Rangers College at Dehradun in the year 1967-1969. After completion of the said course by obtaining Higher Standard Certificate, he got his initial posting at Namchik range, Changlang Forest Division as Forest Ranger and under the said capacity he had occasion to work at various places. The applicant during his service tenure attended/completed various training courses viz. -Advanced Wildlife Management Diploma Course, Central Crocodile Breeding Diploma Course, course of Inservice Training at State Forest Officers in the year 1993.

4.3. That the applicant had a distinguished service carrier, and the Govt. recognised his such brilliance in service number of times. The petitioner while was working as ✓ Forest Ranger in Namdapha Wildlife Sanctuary Mehao, he was awarded Commendation Certificate for his meritorious service by the Lt. Governor, Arunachal Pradesh on 26.1.1976.

A copy of the said certificate dated 26.1.76 is annexed herewith and marked as Annexure-1.

4.4. That as stated above the applicant during the year 1978-79 successfully completed a course in the Central Crocodile Breeding and Management Training Institute at Hyderabad and after clearing the examination he was awarded Diploma in Crocodile Breeding and Sanctuary Management on 30.9.79.

A copy of the said certificate dated 30.9.79 is annexed herewith and marked as Annexure-2.

4.5. That the applicant while was serving as Forest Ranger attached to the Tirap Wildlife Division applied for the post Assistant Inspector at Central Crocodile Breeding Institute at Hyderabad. However, the Chief Conservator of Forest, Arunachal Pradesh vide his letter dated 2.5.80 informed the chief Wildlife Warden, Arunachal Pradesh, Tirap that the application of the applicant could not be forwarded to the addressive as the Govt. couldn't spare the applicant due to shortage of trained Ranger in the department.

A copy of the said letter dated 2.5.80 is annexed herewith and marked as Annexure 3.

4.6. That the applicant had a distinguished and outstanding services carrier without any blemish and at no point of time he was communicated with any adverse remark, whatsoever during his service tenure. The respondents in consideration of his meritorious and outstanding service carrier promoted him to the post of Assistant Conservator of Forest vide order dated 15.10.1980 and accordingly he joined the said promotional post of Assistant Conservator of Forest (ACF in short) on 29.10.80.

A copy of the aforesaid order dated 15.10.80 is annexed herewith and marked as Annexure 4. ✓

4.7. That the applicant while was working as Divisional Forest Officer, Mehao Wildlife Division, he applied for the post of Assistant Director (Wildlife Preservation) in the Wildlife Regional Office under the department of Environment and Forest and Wildlife of Govt. of India. However the Chief conservator of Forest, Arunachal Pradesh vide his letter dated 3.6.88 informed the Chief Wildlife Warden, Arunachal Pradesh that due to acute shortage of trained officer in the Forest Department, A.P., the application filed by the applicant could not be forwarded.

A copy of the said letter dated 3.6.88 is annexed herewith and marked as Annexure 5.

4.8. That the applicant states that he got his promotion to ACF (State Forest Service) on 15.10.1980 and he assumed charge on 29.10.1980 taking into consideration this factual aspect of the matter he attained the eligibility for being considered for promotion in the rank of IFS w.e.f. 29.10.1988 but unfortunately due to the reasons best known

to the respondents no DPC was held till 1996. In the year 1996 select list of suitable officers (SFS) was prepared for promotion to the rank of IFS but the case of the applicant was not taken into consideration. As per the seniority list prepared by the respondents the applicant was very much within the zone of consideration and most of his juniors were included in the said list from which some of them got induction to IFS. It is stated that there is no dispute regarding the outstanding service career of the applicant and had the respondents took into consideration his case definitely he would have got inducted to IFS.

4.9. That the applicant states that since 1988 to 1996 the respondents never convene DPC as required under the rules in terms of Indian Forest Service (Appointment by promotion) Regulation 1966, Regulation 5 the respondents are duty bound to prepare a list of suitable officers (SFS) for promotion to IFS. Although there were vacancies occurred each year right from 1988 the respondents never convene DPC to fill up vacancies. had there been regular/year wise DPC the applicant could have come within the zone of consideration and he would have got the induction to IFS.

4.10. That the applicant states that the respondents circulated a revised gradation list of ACF (SFS) as on 1.1.83 and in the said gradation list the name of the applicant appeared at serial No.35. In this context it is pertinent to mention here that the name of one Sri M.C. Baruah whose name appeared at Sl. No.33, having his date of birth as 31.10.1941 making a challenge to the aforesaid in action on the part of the respondents preferred OA NO. 345/99 before this Hon'ble Tribunal praying for inclusion of his name in the select list for promotion to the rank of

IFS. Said Mr. Baruah also pointed out the fact that for the last several years no select list was prepared for promotion to the rank of IFS and as such he had to suffer for non-consideration of his case. The Hon'ble Tribunal after hearing the parties to the proceeding and after considering the law laid down by the Apex Court directed the respondents to consider the case of the applicant for promotion to IFS against the vacancy even when no select list was in force. Pursuant to the said judgment the concerned authority considered the case of said Mr. Baruah promoted him to the rank of IFS in terms of the said judgment.

A copy of the aforementioned judgment and order dated 21.5.2001 is annexed herewith and marked as Annexure-6.

4.11. That the applicant states that taking into consideration the gradation list of ACF (SFS) Officers as on 1.1.83 the case of the applicant is required to be considered for promotion to the rank of IFS, as was done in case of Sri. M.C. Baruah.

A copy of the said gradation list as on 1.1.83 is annexed herewith and marked as Annexure 7.

4.12. That the applicant states that as stated above there were vacancies available right from the year 1988 but the respondents never convened regular DPC for promotion to IFS amongst the SFS Officers and this has caused serious prejudice and the applicant had to suffer a lot in the matter of promotion. In the year 1966 there were four vacancies and as per the regulation the respondents

1996

A

forwarded a list of SFS officers. As per the information gathered by the applicant names of SFS officers were sent by the state of A.P. wherein the name of the applicant should have in at Sl. No.7 just below Sri M.C. Baruah. However the respondents never forwarded the name of the applicant although below Mr. Baruah and the present applicant, names of 7 juniors were sent for such promotion. As per the Regulation the respondents ought to have sent the name of 16 officials in order of seniority but the respondents did not follow the said Regulation.

4.13. That the applicant states that the applicant states that though there never vacancies the respondents never considered the case of the applicant right from 1988.

As per the information gathered by the applicant in the year 1996 there were four vacancies, 1997 two vacancies, 1998 two vacancies and in the year 1999 there were two vacancies.

Apart from that from 1988 to 1996 there were nos. of vacancies surfaced each year, but due to non-convening of year wise DPC, no-vacancy could be filled up from amongst the eligible SFS Officers. Admittedly the applicant came within the zone of consideration right from the year 1988 and he had occasions to hold the charge of cadre post right from the year 1986. During his 23 years of service as ACF he had occasions to hold the charge of the Division for about 17 years and this reflects the efficiency and outstanding service career of the applicant. The respondents however have not taken into consideration that aspect of the matter and for the reasons best known to them excluded the name of the applicant. In the year 1988 as per the Regulation 5 of IFS (Appointment by Promotion) Regulation, 1966 the applicant completed the requisite 8 years of service in the

35

substantive capacity in the state Forest Service and as such his case was required to be considered for induction to IFS with retrospective effect by reconvening year wise DPC w.e.f. 1988 onwards. The respondents in the year 2002 again convene the select committee meeting clubbing the vacancies from 2000 to 2002 and prepared the list of suitable SFS officers for induction to IFS. The case of the applicant however was not considered on the plea of his became over aged. The Under Secretary, UPSC wrote a letter dated 5.12.2002 to the Chief Secretary, Arunachal Pradesh clarifying some of the quarries made in this regard. In the same communication itself in para 2 it has been indicated that the vacancies of each year will required to be filled up from separate eligible list for each year without there being any clubbing of vacancies, and to that effect State Govt. A.P. has been requested to send separate eligibility list for each year. In the said communication itself it has been indicated that although the name of the applicant appeared at sl. No.1 in the eligibility list of 2002, his case was not considered as he attained the age of 54 as on 1.3.99. In fact there are instances where the respondents themselves have promoted Sri S. Choudhury ; M.C. Baruah and B.C. Das to IFS even though they were much above 54 years of age.

A copy of the said impugned communication dated 5.12.2002 is annexed herewith and marked as Annexure-8.

4.14. That the applicant states that since 1988 the Selection Committee meeting was held only thrice,

one in the year 1996 another in the year 1999 and lastly in the year 2002. It is stated that during the intervening years when no select list was prepared, vacancies surfaced but it was clubbed together and by a single DPC all the vacancies were filled up. It is pertinent to mention here that right from the year 1988 there has been no cadre review in A.P. cadre of IFS under AGMUT Joint Cadre as contemplated under Rule 4 of IFS Cadre Rules 1966. In terms of the said rules the respondents are duty bound to review the cadre strength in the interest of three years but in the instant case till date no such exercise has been made to review the cadre. For this above in-action on the part of the respondents in not complying the mandatory provisions of the rules the applicant had to suffer a lot in the matter of promotion.

4.15. That the applicant states that w.e.f. 28.2.2003 he was retired from his service as Deputy Conservator of Forest (DCP) (SFS) on attaining the age of superannuation. The applicant who had a distinguished service career had to retire as a State Forest Service Officer whereas most of his juniors have been given the benefit of promotion/induction to IFS. In their cases the respondents however have not raise the question of age at all. There are instances where State Govt. in consultation with Central Govt. of their own has relaxed the criteria of age bar taking into consideration the fact that in each selection Committee meeting the vacancies were clubbed together by a single DPC and all those vacancies have been filled up. As per the provision contained in the Regulation of 1966 the respondents ought not to have rejected the case

Adh

of the applicant on the ground of attaining his age of 54 years as since 1988 he was eligible for consideration for promotion to the rank of IFS coupled with the fact that no year wise panel was prepared for such promotion.

4.16. That the applicant states that in a nutshell the grievance raised by him is relating to the inaction on the part of the respondents in not convening year wise DPC and in not receiving the cadre strength violating the mandatory provisions of the Rules and Regulations. The applicant since retired from his service w.e.f. 28.2.2003 in the event of his inclusion in the select list would also be benefited by service of another two years as at the time of superannuation he was a State Forest Service Officer. The applicant highlighting his grievance has prepared representations to the concerned authority but same yielded no result in positive. The applicant inspite of his best efforts could not collect the exact data of vacancies arose since 1988 and he also could not get held of the minors of the select committee meetings held during these years and as such he craves leave of this Hon'ble Tribunal for a direction towards the respondents to produce those records at the time of hearing of this case.

4.17 That the applicant states that the respondents have acted illegally in not considering his case for promotion to the IFS as overaged. In fact, the respondents while clubbing the vacancies of number of years they failed to take into consideration the fact that for the proceedings years, the said selection should have been treated as review selection and eligibility of candidates should have been as of that date when the vacancies arose. The respondents, during the

service tenure of the applicant harassed him in each stage and even in case of his confirmation of service as ACF, the respondents did not consider his case as per the rules guiding the field and for that the applicant has preferred a writ petition before the Hon'ble High Court and the matter is now pending.

#### 5. GROUND FOR RELIEF WITH LEGAL PROVISION:

5.1. For that the action/inaction on the part of the Respondents in denying the legitimate promotion to the applicant in the cadre IFS is per-se illegal and violative of Art.14 and Art 16 of the Constitution of India and laws framed thereunder and as such action/inaction on the part of the respondents are required to be set aside and quashed.

5.2. For that the respondents have acted illegally in not following the mandatory provision of the Regulation in respect of preparation of select list each year and thereby caused undue hardship to the applicant and as such appropriate direction need be issued to the respondents to reconsider the matter of the applicant as of 1988 onwards and to promote him to the cadre of IFS with retrospective effect with all Consequential service benefits.

5.3. For that the respondents have acted contrary to the provisions contained in the Indian Forest Service Cadre Rules in not reviewing the cadre strength and as such

ld

appropriate direction need be issued to the respondents for review of the cadre strength as of 1988 onwards and to review the entire cadre of IFS in A.P. segment of AGMUT Joint Cadre.

5.4. For that the respondents have acted contrary to the settled proposition of law as well as rules guiding the field in rejecting the claim of the applicant by issuing the impugned communication dated 5.12.2002 more so when similarly situated employees got the benefit of age relaxation and as such the aforesaid impugned communication is not sustainable in the eye of law and liable to be set aside and quashed.

5.5. O R D E R (ORAL)

CHOWDHURY.J. (V.C.)

The subject matter of this proceeding pertains to appointment  
of members of the State Forest Service to the Indian Forest Service  
under the Indian Forest Service ( Recruitment) Rules, 1966 (hereinafter

Arrested  
Advocate

49 referred to as the Rules 1966) with the aid of the Indian Forest Service (Appointment by Promotion) Regulations, 1966 (hereinafter referred to as the Regulations 1966), in the following circumstances:

2. The applicant, at the relevant time, belonged to the State Forest Service of the State of Arunachal Pradesh. He was promoted as Assistant Conservator of Forests on 2.5.1979. He was subsequently promoted as Deputy Conservator of Forests. It was averred in the application that in course of time as per his service seniority he became eligible for consideration for promotion to the Indian Forest Service (hereinafter referred to as IFS) under the Rules 1966 read with the Regulations 1966. His name was recommended by the State Government in order of seniority as per the revised gradation list of Assistant Conservator of Forests (ACF for short) as on 1.1.1983 along with other eligible officers to the Government of India in November 1993. After 1993 also his name was recommended from time to time by the State Government till 1995. There was no meeting of the Selection Committee for preparing the Select List for selection to the IFS FROM 1993 to 1995. The meeting of the Selection Committee constituted under Regulation 5 of the Regulations 1966 was held only on 26.3.1996. The Selection Committee prepared the Select List and sent the same for approval to the Union Public Service Commission (UPSC for short). The UPSC vide communication dated 19.7.1996 approved the Select List of officers of the State Forest Service of Arunachal Pradesh cadre for promotion to the IFS prepared by the Selection Committee on 26.3.1996. The Select List consisted of six names and the name of the applicant figured at serial No.6 in respect of the State of Arunachal Pradesh. Above the applicant the name of one Shri S. Choudhury, a State Forest Service Officer, appeared at serial No.5. By order dated 26.9.1996, the first four officers of the said list, namely, Shri S.J. Jongsam (1978-80 batch), Shri R.K. Deori (1978-80 batch), Shri M.K. Palit (1979-81 batch) and Shri S. Thirunavukarasu (1979-81 batch) were appointed to

the IFS against the existing vacancies of the State of Arunachal Pradesh. S.C. Choudhury as well as the applicant, being aggrieved by their non-promotion to the IFS submitted representation which was forwarded to the Government of India, Ministry of Environment vide letter dated 19.6.1997 by the State of Arunachal Pradesh for consideration of their case for promotion to the IFS cadre. In the said communication the State of Arunachal Pradesh communicated to the Government of India that the allotted cadre strength of IFS in respect of State of Arunachal Pradesh was thirtyfour as per communication dated 26.10.1995 of the Government of India and the State of Arunachal Pradesh was having fourteen posts against promotion quota against which there were only twelve incumbents, leaving two clear vacancies against promotion quota available in the State of Arunachal Pradesh. The communication indicated that the aforesaid two vacancies were caused due to death of following two promotee officials while in service - (1) Late R.P. Neog, with effect from 13.5.1996 and (2) Late B.S. Beniwal, with effect from 7.4.1997.

By the aforesaid communication the Government of Arunachal Pradesh requested the Government of India to consider the case of Shri S.C. Choudhury as well as the applicant, State Forest Service Officers, from the Select List of IFS for appointment/promotion to the cadre of IFS against the promotional quota available in the State. The case of Shri Choudhury was considered and he was promoted to the IFS cadre with effect from 10.2.1998 vide Government of India's order dated 17.12.1997.

In the application the applicant also stated that Shri S. Thirunavakarasu who was appointed to the IFS from the State Service was junior to him in service, but overlooking the case of the applicant Shri S. Thirunavakarasu was promoted. The applicant moved the authority from time to time and finally submitted a lawyer's notice on 24.3.1999 on the respondents. The Principal Secretary, Environment and Forests, Government of Arunachal Pradesh by communication dated 23.4.1999 intimated the applicant that fresh proposals were submitted to the UPSC during December 1998, wherein the name of the applicant was also

recommended by the Government of Arunachal Pradesh alongwith other eligible candidates for induction in the IFS cadre. The communication inter alia, mentioned that the proposal was under consideration by the Government of India and the results were awaited. The applicant thereafter sent an application to the Inspector General of Forests and the Special Secretary, Ministry of Environment and Forests, Government of India, for inducting the applicant in the IFS cadre in the AGMUT cadre with retrospective effect, more so, in view of the fact that he was going to superannuate on 31.10.1999. Failing to get appropriate remedy the applicant moved the Tribunal by way of an application which was numbered and registered as O.A.No.255 of 1999. By order dated 25.8.1999 the Tribunal ordered the respondents to dispose of the representation already filed by the applicant by a reasoned order within the period prescribed. The applicant thereafter moved the competent authority for remedial measure by a representation dated 31.8.1999. On his failure to get remedy from the Administration, the applicant moved the Tribunal by way of this application, assailing the action of the respondents in not appointing him in the All India Service as per law.

3. The respondents submitted their written statement. The respondent Nos.1 and 2 in their written statement stated that meetings of the Selection Committee for promotion to the erstwhile Union Territory cadre, which was subsequently re-organised as Arunachal Pradesh - Goa - Mizoram - Union Territories (AGMUT) Joint Cadre of IFS could not be held in 1988 and subsequent years as the issues relating to the constitution of a Joint Cadre in place of the erstwhile Union Territory cadre consequent on the conferment of statehood to Arunachal Pradesh, Goa and Mizoram, constitution of a Joint Cadre, Authority to function as the State in relation to the service distribution of powers of the Joint Cadre Authority amongst the constituent States and the Union Ministry.....

Ministry of Environment and Forests, constitution of the Joint Cadre Authority exclusively for the IFS in the AGMUT Joint Cadre were being addressed and sorted out by the respondents in consultation with the Department of Personnel and Training and the Ministry of Law and Justice and the constituent State Governments of the Joint Cadre. It was further stated in the written statement that with the conferment of Statehood on the Union Territories of Arunachal Pradesh, Goa and Mizoram, participating in the then Union Territories cadre of the IFS, the Joint Cadre for Arunachal Pradesh - Goa - Mizoram - Union Territories (AGMUT) was notified by the Department of Personnel and Training vide Notification dated 3.4.1989. With the attainment of statehood by the aforesaid Union Territories the Joint AGMUT cadre came into existence. It took some time for the Joint Cadre Authority to make notional allocation of the promotion quota vacancies in the Joint Cadre among the four constituent units decided by the Joint Cadre Authority and accordingly the Selection Committee Meeting could be held only the year 1996. It was also asserted that the Selection Committee Meeting was held on 26.3.1996 and not 23.6.1996 as mentioned by the applicant. Shri S.C. Choudhury was promoted and appointed to the IFS to effect from 17.12.1997 on the vacancies caused due to the death of promotee IFS Officers. The case of Shri S.C. Choudhury who figured at serial No.5 alongwith the applicant, who figured at serial No.6 of the list was considered. Shri Choudhury was chosen for promotion to the IFS against the vacancy caused due to the death of Shri R.P. Neog on 13.5.1996. The applicant could not be promoted to the IFS against the vacancy caused by the death of Shri B.S. Beniwal on 7.4.1997 which happened more than 12 months after the date of preparation of the Select List i.e. on 26.3.1996. According to the respondents the scheme and structure of the rules as indicated in the clarification by the Department of Personnel and Training letter dated 12.1.1996 did not envisage operation of the Select List to fill up vacancies occurring beyond the period for which it was designed. The respondents also stated that.....

h

that pursuant to the direction of the Tribunal dated 25.8.1999 in O.A. No.255 of 1999 the competent authority disposed of the representation on 8.10.1999 by a speaking order and annexed the same alongwith their written statement. The respondents stated and asserted that there was justifiable reason for not holding the Selection Committee Meeting from 1988 to 1995. Cadre review of the Joint AGMUT Cadre was done in 1995 and adequate number of posts were allotted to the Arunachal Pradesh Unit of the Joint Cadre as a result of the Cadre review. The respondents in support of their stand, at para 5.4 of the written statement, stated that the reason for non-promotion of the applicant to the IFS was already explained, "the vacancy against which the Applicant claims promotion to IFS, unfortunately for him, occurred a few days too late i.e. on 7th April, 1997 instead of before 26th March, 1997."

4. Mr B.K. Sharma, learned Sr. Counsel appearing on behalf the applicant, submitted that the respondent authority in a most illegal fashion superseded the applicant ignoring his seniority. Mr Sharma referring to the records stated that the applicant was selected for the post of ACF on 30.4.1979 and he joined the post on 2.5.1979, whereas S. Thirunavakarasu was sent to the training long after the applicant joined as ACF on 2.5.1979. Mr B.C. Pathak, learned Addl. C.G.S.C.

as well as Mr B. Sinha, learned Government Advocate, Arunachal Pradesh stated that the service of the applicant on and from 2.5.1979 was only a stop gap arrangement and for that he was not entitled for seniority.

Mr Sharma, on the other hand, referred to a decision of the High Court as well as the Tribunal finally declaring the inter se seniority among the officers of the State. We are not inclined to go into the controversy since the present application can be decided without going into the said issues. On the face of the materials on record, the vacancy arose on 7.4.1997. According to the respondents the Select List expired on 26.3.1997 after expiry of one year from the date of the meeting of

The Selection Committee, which was actually held on 26.3.1996. The respondents stated that unforeseen/fortuitous vacancies that may occur during the period of next twelve months from the commencing of the list were to be filled up from the 'waiting list' part of the Select List, which was subject to a minimum of two and maximum of 20% of the substantive vacancies. The scheme and structure of the rules did not envisage operation of the Select List to fill up vacancies beyond the period for which it was designed which was twelve months commencing from the date of meeting. The sole ground for not considering the case of the applicant for appointment to the All India Service was the late emergence of the vacancy by twelve days.

5. Mr B.C. Pathak referred to Clause (g) of para 2 of the Regulations 1966 and para 5, more particularly, sub-para 4 of para 7. The IFS (Appointment by Promotion) Regulations, 1966, enclosed to the written statement by the respondents, was the Regulations those were brought in by the IFS (Appointment by Promotion) Second Amendment Regulations, 1997. By the said amendment Clause (g) was added to the definition by inserting the expression "'Year' means the period commencing on the first day of January and ending on the 31st day of December of the same year." The amendment came into force on 1.1.1998 and the same was notified by Notification No.G.S.R.734(E) dated 31.12.1997, published in the Gazette of India, Extraordinary Part II, Section 3(i) dated 31.12.1997. Prior to it Clause (g) was not there in the Regulations. As per the unamended Sub-regulation (4) of Regulation 7 of the Regulations 1966, the Select List was ordinarily to be in force until its review and revision, effected under sub-regulation (4) of Regulation 7, is approved under sub-regulation (1) or, as the case may be, finally approved under sub-regulation (2).

6. In the instant case the Selection Committee met on 26.3.1996 for the post of AGMUT Cadre. The amended rules came into force on 1st day of January 1998. Therefore, the amended rules could not stand in the way of the applicant for consideration of his case against

the other vacancy, which arose on the death of B.S. Beniwal on 7.4.1997. Sub-regulation (1) of Regulation 5, prior to the second amendment, reads as follows:

"(1) Each Committee shall ordinarily meet at intervals not exceeding one year and prepare a list of such members of the State Forest Service as are held by them to be suitable for promotion to the Service. The number of members of the State Forest Service included in the list shall not be more than twice the number of substantive vacancies anticipated in the course of the period of twelve months, commencing from the date of preparation of the list, in the posts available for them under rule 9 of the Recruitment Rules, or 5 per cent of the senior posts shown against items 1 and 2 of the cadre schedule of each State or group of States, whichever is greater."

As per Sub-regulation (1) of Regulation 5, the number of members of the State Forest Service to be included in the list was to be calculated as the number of substantive vacancies anticipated in the course of the period of twelve months commencing from the date of preparation of the list, in the posts available for them under Rule 9 of the Recruitment Rules or 5% of the senior posts shown against items 1 and 2 of the cadre schedule of each State or Group of States, whichever is greater. The Regulation enjoins that each Committee shall ordinarily meet at intervals not exceeding one year and prepare a list of such members of the State Forest Service as are held by them to be suitable for promotion to the Service. The expression 'ordinarily' means the anticipated vacancies to be considered, i.e. only those vacancies which may occur in twelve months from the date of meeting of the Selection Committee. It did not prevent the inclusion of the anticipated vacancies that occur after twelve months from the date of preparation of the Select List and before meeting of the next Selection Committee. The expression 'ordinarily' mentioned in Sub-regulation (1) of Regulation 5 is to be given a meaningful interpretation, keeping in mind the candidates kept in the waiting list to be promoted and to enable the Department to fill up the vacancies which are essential for its administration. Any other interpretation would be counter to the scheme of the Regulations. The view we have taken is in conformity with the view expressed

the Hyderabad Bench of the Central Administrative Tribunal in O.A.No.558 of 1997 disposed of on 26.2.1998, reported in 1999(3) SLJ (CAT) 86. In the aforesaid decision, the Hyderabad Bench took aid of the decision rendered by the Supreme Court in Nepal Singh Tanwar vs. Union of India, reported in 1998(1) Scale (SP) 7. In Nepal Singh's case the Supreme Court quashed the order of the Tribunal and upheld the appointment of Shri Nepal Singh to the All India Service. In the above case the Selection Committee for the year 1991-92 for promotion to the Indian Administrative Service Cadre met on 26.3.1992 and selected eight candidates for appointment to the All India Service against six vacancies. The first six persons were appointed against the six vacancies. Shri N. Singh was appointed on 12.8.1992 against the vacancy which became available by then. The Selection Committee for the next year 1992-93 did not meet till 12.8.1992. The appointment of Shri N. Singh was challenged before the Tribunal on the ground that he could not have been appointed as by then the list had exhausted. The Tribunal quashed the appointment holding that it was mandatory under the rules to prepare the list within one year and with the expiry of one year the previous Select List lapsed. The Supreme Court quashed the order of the Tribunal as erroneous and upheld the appointment of Shri N. Singh on 12.8.1992 even after a lapse of twelve months from the date of the meeting of the Selection Committee. In the instant case also no Select List was prepared till 7.4.1997. In the circumstances it was not justified on the part of the respondents to refuse to consider the case of the applicant for being appointed in the All India Services. For the foregoing reasons the rejection of the claim of the applicant for being appointed to the vacancy that surfaced on 7.4.1997 was not justified and accordingly the order No.22012/81/99-IFS.II dated 8.10.1999 of the Government of India, Ministry of Environment and Forests, New Delhi could not be sustained.

7. In the result the application is allowed. The respondents are directed to consider the case of the applicant for appointment to the Indian Forest Service Cadre against the vacancy that arose on the death of B.S. Beniwal on 7.4.1997 and pass necessary orders thereof. The respondents are directed to complete the aforesaid exercise within two months from the date of receipt of the order.

Debnarayan B. Das

3) That all the averments ~~in~~ and submission made in the Original Application (herein after referred as "Application") are denied by the answering Respondents save and ~~except~~ what has been specifically admitted herein and what appears from the records of the case.

4) That as regard the statements made in para 1 of the application, the deponent states that as per Sub Rule 5(2) of the Indian Forest Service (Appointment by promotion) Regulation 1966 an State Forest Service Officer who has rendered 8 years service in the grade & substantive in the post of Assistant Conservator of Forests is eligible for promotion to Indian Forest Service cadre. The applicant was declared confirmed in the post of Assistant Conservator of Forests in State Forest Service w.e.f. 1.6.1999 vide No.For/114/E(A)/89/Pt/30942-31000 dated 20.10.2000. Service Commission, New Delhi vide No. For/400/E-2/83/Vol-I/385-86 dated 18/12/2002 (for the year 2000) and No. For/400/E-2/83/Vol-II/387-88 dated 18/12/2002 (for the year 2002). However, the contention of the petitioner for not convening Departmental Promotion Committee by the Respondents for preparation of select list of suitable officers for promotion to the Indian Forest Service in the AGMUT Joint Cadre is not correct. The Departmental Promotion Committee meeting is convened by the Govt of India, Union Public Service Commission from time to time and Departmental Promotion Committee meeting held on 26.3.1996 and 18.12.99 and 21.12.2002 respectively by the Union Public Service Commission.

Copies of the order dated 20.10.2000, IFS (Appointment by Promotion) Regulations, 1966, Proposal dated 6/6/2001 and 10.7.2002, UPS's letter dated 5.12.2002, Proposals dated 18/12/2002 (for the year 2000) and dated 18/12/2002 (for the year 2002) are enclosed herewith and marked as Annexures-A, B, C, D, E, F and G respectively.

5) That as regard the statements made in paragraphs 2, 3, 4 and 4.1 of the application, the deponent states that same are matters of records and the deponent does not admit anything which are contrary to and inconsistent with the same.

6) That as regards the statements made in para 4.2. of the application, the deponent has nothing to comment since the statements is based on records. The

applicant was initially appointed as Forest Ranger w.e.f. 2.4.1969. During the course of his service in the Department and being an executive officer he was deputed for various training courses in different institutions in the country..

7) That as regard the statements made in paragraph 4.3 of the application, the deponent states that same are matter of records and the deponent does not admit anything which are contrary to and inconsistent with the same.

8) That as regard the statements made in para 4.4 of the application, the deponent states that on successful completion of a course in the Central Crocodile Breeding and Management Training Institute at Hyderabad and after clearing the examination during 78-79, the applicant was awarded Diploma in Crocodile Breeding and Sanctuary Management.

9) That as regard the statements made in para 4.5 of the application, the deponent states that same are matters of records and the deponent does not admit anything which are contrary to and inconsistent with the same.

10) That as regard the statements made in paragraph 4.6 of the application, the deponent states that the contention of the petitioner that he was promoted to the post of Assistant Conservator of Forests for his meritorious service in the department w.e.f. 29.10.1980 vide order No. For.233/72/Pt/25,453-505 dated 15.10.80 is not correct. In fact in course of time as per normal procedure and against available vacancy he was promoted to the post of Assistant Conservator of Forests vide order dated 15.10.80 as per recommendation of the Departmental Promotion committee alongwith other eligible officers.

A copy of the order dated 15.10.80  
is annexed herewith and marked as

- 11) That as regard the statements made in para 4.7 of the application, the deponent states that same are matter of records and the deponent does not admit anything which are contrary to and inconsistent with the same.
- 12) That as regard the statements made in para 4.8 of the application, the deponent states that the applicant while holding the post of Forest Ranger was promoted to the post of Assistant Conservator of Forests vide order dated 15.10.80 and he assumed the charge of the post of Assistant Conservator of Forests w.e.f. 29.10.80. As stated in para-1 an State Forest Service Officer becomes eligible for consideration for promotion/induction to Indian Forest Service only on completion of 8 years service in the post of Assistant Conservator of Forests and holding the said post in substantive capacity i.e. confirmed. Though the petitioner completed on 29.10.88 8 years service in the Grade he was not eligible for promotion to Indian Forest Service cadre w.e.f. 29.10.1988 because ~~he~~ he did not fulfil the other condition of being becoming eligible for induction to Indian Forest Service Cadre i.e. not being confirmed in the post of Assistant Conservator of Forests till 1.6.1999 due to ~~fixtux~~ failure of passing departmental examination, which was conducted by the Department through Arunachal Pradesh Public Service Commission from time to time. He cleared the departmental examination during the month of March/99 and accordingly he was informed to have passed the departmental examination in

all the subjects vide Notification No. For/10/E(AE/91/19414-95 dated 1.6.99. The case of ~~Applicant~~ Applicant was recommended by the State Govt for his induction to Indian Forest Service cadre during 2001 vide letter No. For/400/E-2/83/Vol-I/17702-04 dated 6.6.2001 & during 2002 vide letter No. For/400/E-2/83/Vol-I/636-38 dated 10.7.2002 and No. For/400/E-2/83/Vol-I/385-86 dated 18.12.2002. ~~But~~ and No. For/400/E-2/83/Vol-I/387-88 dated 18.12.2002. But for his having attained the aged of 54 years as on 1.3.99, his name was dropped from the eligibility list as per UPSC's instructions communicated vide letter dated 5.12.2003.

A copy of the Notification dated 1.6.99 is annexed herewith and marked as Annexure-I.

13) That as regard the statements made in paragraph 4.9 of the application, the deponent ~~W/A~~ states that this is concerned with the Govt of India, Ministry of Environment & Forests, New ~~Delhi~~ Delhi, However, it may be stated that the Govt of India, Ministry of Environment & Forests, New Delhi/Union Public Service Commission could not convene Departmental Promotion Committee from 1988 to 1996. The Departmental Promotion Committee meeting for promotion of State Forest Service Officer to Indian Forest Service was held during the year 1996 on 26.3.1996. As per select list the following eligible officers who were senior to the Applicant ~~W~~ as per Revised Gradation List of Assistant Conservator of Forests as on 1.1.83 issued vide No. For/180/E-2/84/21316-364 dated 3-30/7/1998 were promoted to Indian Forest Service cadre vide Govt of India, Ministry of

1. Shri R. Moddi(ST)
2. Shri S.J.Jongsam(ST)
3. Shri R.K.Deori(ST)
4. Shri Thirunaavukarasu.

It may be added that though the applicant was in the zone of promotion to Indian Forest Service cadre w.e.f. 29-10-88 but because of his failure to pass the Departmental examination and not being substantive in the state Forest Service till 1-6-1999, his name was not recommended by the State Govt for his promotion to Indian Forest Service cadre till 2000. On his being confirmed in the post of ACF w.e.f. 1.6.99, his name was recommended by the State Govt during 2001 & thereafter during 2002.

Copies of the Revised gradation lists dated 3-30/7/1993 and notification dated 26.9.96 are annexed herewith and marked as Annexures J & K respectively.

14) That as regard the statements made in paragraph 4.10 of the application, the deponent state that the Revised Gradation list of Assistant Conservator of Forests as on 1.1.83 was published on 3-30/7/1993(1993) vide No. For.180/E-2/84/21316-364 dated 30/7/1993. In the said gradation list, his name was under Sl.No.35. It may be stated that as Shri M.C. Baruah was substantive in the State Forest Service and in the zone of eligibility for promotion to Indian Forest Service cadre, his name was

recommended by the State Govt. for his induction to Indian Forest Service cadre from time to time. His name was also in the select list of 1996-97 as communicated by the Govt. of India, Ministry of Environment & Forests vide No.32012/1/93-IFS-I dated 23-7-1996. However, he could not be promoted during the year 1996 alongwith other selected officers due to non-availability of vacancy. Meanwhile Shri M.C. Baruah being date of birth 30-10-41 and attaining age of superannuation retired from State Forest Service w.e.f. 31-10-1999. Thereafter he filed a case ~~before~~ before the Hon'ble Central Administrative Tribunal, Guwahati Bench, Guwahati for his promotion to Indian Forest service cadre. The case was numbered as OA No.345/1999. It is fact that as per judgement dtd 21-5-2001 of the Hon'ble Tribunal, Shri M.C. Baruah was promoted to Indian Forest Service cadre w.e.f. 10.2.1998 vide Govt of India, Ministry of Environment & Forests Notification No.A-18011/6/99-IFS-I dated 8.8.2001.

Copies of letter dated 23-7-1996, Judgement dated 21-5-2001 and Notification dated 8.8.2001 are annexed herewith and marked as Annexures L, M and N respectively.

15) That as regard the statements made in paragraph 4.11 of the application, the deponent states that the case of applicant is quite different from that of Shri M.C. Baruah. The applicant became substantive in the State Forest Service only w.e.f. 1-6-1999 i.e. from the date he was declared confirmed in the post of Assistant Conservator of Forests (State Forest service)

But in view of attaining age of 54 years on 1-3-99 he became not eligible for promotion to Indian Forest Service Cadre in terms of Regulation 5(3) of Indian Forest Service (Appointment by promotion) Regulation 1996. Therefore, his prayer for consideration of his promotion to India Forest Service cadre at par with that of Shri M.C. Baruah is not tenable at all in the instant case.

16) That as regard the statements made in paragraph 4.12 of the application, the deponent states that the name of the applicant was not recommended by the State Govt for his promotion to Indian forests Service cadre, as he was not confirmed in the State Forest Service prior to 1999. ORDER (ORAL)

CHOWDHURY.J. (V.C.)

The subject matter of this proceeding pertains to appointment  
of members of the State Forest Service to the Indian Forest Service  
under the Indian Forest Service (Recruitment) Rules, 1966 (hereinafter

referred to as the Rules 1966) with the aid of the Indian Forest Service (Appointment by Promotion) Regulations, 1966 (hereinafter referred to as the Regulations 1966), in the following circumstances:

2. The applicant, at the relevant time, belonged to the State Forest Service of the State of Arunachal Pradesh. He was promoted as Assistant Conservator of Forests on 2.5.1979. He was subsequently promoted as Deputy Conservator of Forests. It was averred in the application that in course of time as per his service seniority he became eligible for consideration for promotion to the Indian Forest Service (hereinafter referred to as IFS) under the Rules 1966 read with the Regulations 1966. His name was recommended by the State Government in order of seniority as per the revised gradation list of Assistant Conservator of Forests (ACF for short) as on 1.1.1983 along with other eligible officers to the Government of India in November 1993. After 1993 also his name was recommended from time to time by the State Government till 1995. There was no meeting of the Selection Committee for preparing the Select List for selection to the IFS FROM 1993 to 1995. The meeting of the Selection Committee constituted under Regulation 5 of the Regulations 1966 was held only on 26.3.1996. The Selection Committee prepared the Select List and sent the same for approval to the Union Public Service Commission (UPSC for short). The UPSC vide communication dated 19.7.1996 approved the Select List of officers of the State Forest Service of Arunachal Pradesh cadre for promotion to the IFS prepared by the Selection Committee on 26.3.1996. The Select List consisted of six names and the name of the applicant figured at serial No.6 in respect of the State of Arunachal Pradesh. Above the applicant the name of one Shri S. Choudhury, a State Forest Service Officer, appeared at serial No.5. By order dated 26.9.1996, the first four officers of the said list, namely, Shri S.J. Jongsam (1978-80 batch), Shri R.K. Deori (1978-80 batch), Shri M.K. Palit (1979-81 batch) and Shri S. Thirunavukarasu (1979-81 batch) were appointed to

the IFS against the existing vacancies of the State of Arunachal Pradesh. Shri S.C. Choudhury as well as the applicant, being aggrieved by their non-promotion to the IFS submitted representation which was forwarded to the Government of India, Ministry of Environment vide letter dated 19.6.1997 by the State of Arunachal Pradesh for consideration of their case for promotion to the IFS cadre. In the said communication the State of Arunachal Pradesh communicated to the Government of India that the allotted cadre strength of IFS in respect of State of Arunachal Pradesh was thirtyfour as per communication dated 26.10.1995 of the Government of India and the State of Arunachal Pradesh was having fourteen posts against promotion quota against which there were only twelve incumbents, leaving two clear vacancies against promotion quota available in the State of Arunachal Pradesh. The communication indicated that the aforesaid two vacancies were caused due to death of following two promotee officials while in service - (1) Late R.P. Neog, with effect from 13.5.1996 and (2) Late B.S. Beniwal, with effect from 7.4.1997. By the aforesaid communication the Government of Arunachal Pradesh requested the Government of India to consider the case of Shri S.C. Choudhury as well as the applicant, State Forest Service Officers, from the Select List of IFS for appointment/promotion to the cadre of IFS against the promotional quota available in the State. The case of Shri Choudhury was considered and he was promoted to the IFS cadre with effect from 10.2.1998 vide Government of India's order dated 17.12.1997. In the application the applicant also stated that Shri S. Thirunavakarasu who was appointed to the IFS from the State Service was junior to him in service, but overlooking the case of the applicant Shri S. Thirunavukarasu was promoted. The applicant moved the authority from time to time and finally submitted a lawyer's notice on 24.3.1999 on the respondents. The Principal Secretary, Environment and Forests, Government of Arunachal Pradesh by communication dated 23.4.1999 intimated the applicant that fresh proposals were submitted to the UPSC during December 1998, wherein the name of the applicant was also recommended.....

recommended by the Government of Arunachal Pradesh alongwith other eligible candidates for induction in the IFS cadre. The communication inter alia, mentioned that the proposal was under consideration by the Government of India and the results were awaited. The applicant thereafter sent an application to the Inspector General of Forests and the Special Secretary, Ministry of Environment and Forests, Government of India, for inducting the applicant in the IFS cadre in the AGMUT cadre with retrospective effect, more so, in view of the fact that he was going to superannuate on 31.10.1999. Failing to get appropriate remedy the applicant moved the Tribunal by way of an application which was numbered and registered as O.A.No.255 of 1999. By order dated 25.8.1999 the Tribunal ordered the respondents to dispose of the representation already filed by the applicant by a reasoned order within the period prescribed. The applicant thereafter moved the competent authority for remedial measure by a representation dated 31.8.1999. On this failure to get remedy from the Administration, the applicant moved the Tribunal by way of this application, assailing the action of the respondents in not appointing him in the All India Service as per law.

3. The respondents submitted their written statement. The respondent Nos.1 and 2 in their written statement stated that meetings of the Selection Committee for promotion to the erstwhile Union Territory cadre, which was subsequently re-organised as Arunachal Pradesh - Goa - Mizoram - Union Territories (AGMUT) Joint Cadre of IFS could not be held in 1988 and subsequent years as the issues relating to the constitution of a Joint Cadre in place of the erstwhile Union Territory cadre consequent on the conferment of statehood to Arunachal Pradesh, Goa and Mizoram, constitution of a Joint Cadre Authority to function as the State in relation to the service distribution of powers of the Joint Cadre Authority amongst the constituent States and the Union Ministry.....

Ministry of Environment and Forests, constitution of the Joint Cadre Authority exclusively for the IFS in the AGMUT Joint Cadre were being addressed and sorted out by the respondents in consultation with the Department of Personnel and Training and the Ministry of Law and Justice and the constituent State Governments of the Joint Cadre. It was further stated in the written statement that with the conferment of Statehood on the Union Territories of Arunachal Pradesh, Goa and Mizoram, participating in the then Union Territories cadre of the IFS, the Joint Cadre for Arunachal Pradesh - Goa - Mizoram - Union Territories (AGMUT) was notified by the Department of Personnel and Training vide Notification dated 3.4.1989. With the attainment of statehood by the aforesaid Union Territories the Joint AGMUT cadre came into existence. It took some time for the Joint Cadre Authority to make notional allocation of the promotion quota vacancies in the Joint Cadre among the four constituent units decided by the Joint Cadre Authority and accordingly the Selection Committee Meeting could be held only in the year 1996. It was also asserted that the Selection Committee Meeting was held on 26.3.1996 and not 23.6.1996 as mentioned by the applicant. Shri S.C. Choudhury was promoted and appointed to the IFS with effect from 17.12.1997 on the vacancies caused due to the death of two promotee IFS Officers. The case of Shri S.C. Choudhury who figured at serial No.5 alongwith the applicant, who figured at serial No.6 of the list was considered. Shri Choudhury was chosen for promotion to the IFS against the vacancy caused due to the death of Shri R.P. Neog on 13.5.1996. The applicant could not be promoted to the IFS against the vacancy caused by the death of Shri B.S. Beniwal on 7.4.1997 which happened more than 12 months after the date of preparation of the Select List i.e. on 26.3.1996. According to the respondents the scheme and structure of the rules as indicated in the clarification by the Department of Personnel and Training letter dated 12.1.1996 did not envisage operation of the Select List to fill up vacancies occurring beyond the period for which it was designed. The respondents also stated that.....

h

that pursuant to the direction of the Tribunal dated 25.8.1999 in O.A. No.255 of 1999 the competent authority disposed of the representation on 8.10.1999 by a speaking order and annexed the same alongwith their written statement. The respondents stated and asserted that there was justifiable reason for not holding the Selection Committee Meeting from 1988 to 1995. Cadre review of the Joint AGMUT Cadre was done in 1995 and adequate number of posts were allotted to the Arunachal Pradesh Unit of the Joint Cadre as a result of the Cadre review. The respondents in support of their stand, at para 5.4 of the written statement, stated that the reason for non-promotion of the applicant to the IFS was already explained, "the vacancy against which the Applicant claims promotion to IFS, unfortunately for him, occurred a few days too late i.e. on 7th April, 1997 instead of before 26th March, 1997."

4. Mr B.K. Sharma, learned Sr. Counsel appearing on behalf of the applicant, submitted that the respondent authority in a most illegal fashion superseded the applicant ignoring his seniority. Mr Sharma referring to the records stated that the applicant was selected for the post of ACF on 30.4.1979 and he joined the post on 2.5.1979, whereas Shri S. Thirunavakarasu was sent to the training long after the applicant joined as ACF on 2.5.1979. Mr B.C. Pathak, learned Addl. C.G.S.C. as well as Mr B. Sinha, learned Government Advocate, Arunachal Pradesh stated that the service of the applicant on and from 2.5.1979 was only a stop gap arrangement and for that he was not entitled for seniority. Mr Sharma, on the other hand, referred to a decision of the High Court as well as the Tribunal finally declaring the inter se seniority among the officers of the State. We are not inclined to go into the controversy since the present application can be decided without going into the said issues. On the face of the materials on record, the vacancy arose on 7.4.1997. According to the respondents the Select List expired on 26.3.1997 after expiry of one year from the date of the meeting of

the.....

the Selection Committee, which was actually held on 26.3.1996. The respondents stated that unforeseen/fortuitous vacancies that may occur during the period of next twelve months from the commencing of the list were to be filled up from the 'waiting list' part of the Select List, which was subject to a minimum of two and maximum of 20% of the substantive vacancies. The scheme and structure of the rules did not envisage operation of the Select List to fill up vacancies beyond the period for which it was designed which was twelve months commencing from the date of meeting. The sole ground for not considering the case of the applicant for appointment to the All India Service was the late emergence of the vacancy by twelve days.

5. Mr B.C. Pathak referred to Clause (g) of para 2 of the Regulations 1966 and para 5, more particularly, sub-para 4 of para 7. The IFS (Appointment by Promotion) Regulations, 1966, enclosed to the written statement by the respondents, was the Regulations those were brought in by the IFS (Appointment by Promotion) Second Amendment Regulations, 1997. By the said amendment Clause (g) was added to the definition by inserting the expression "Year" means the period commencing on the first day of January and ending on the 31st day of December of the same year." The amendment came into force on 1.1.1998 and the same was notified by Notification No.G.S.R.734(E) dated 31.12.1997, published in the Gazette of India, Extraordinary Part II, Section 3(i) dated 31.12.1997. Prior to it Clause (g) was not there in the Regulations. As per the unamended Sub-regulation (4) of Regulation 7 of the Regulations 1966, the Select List was ordinarily to be in force until its review and revision, effected under sub-regulation (4) of Regulation 5, is approved under sub-regulation (1) or, as the case may be, finally approved under sub-regulation (2).

6. In the instant case the Selection Committee met on 26.3.1996 for the post of AGMUT Cadre. The amended rules came into force on 1st day of January 1998. Therefore, the amended rules could not stand in the way of the applicant for consideration of his case against

the.....

the other vacancy, which arose on the death of B.S. Beniwal on 7.4.1997. Sub-regulation (1) of Regulation 5, prior to the second amendment, reads as follows:

"(1) Each Committee shall ordinarily meet at intervals not exceeding one year and prepare a list of such members of the State Forest Service as are held by them to be suitable for promotion to the Service. The number of members of the State Forest Service included in the list shall not be more than twice the number of substantive vacancies anticipated in the course of the period of twelve months, commencing from the date of preparation of the list, in the posts available for them under rule 9 of the Recruitment Rules, or 5 per cent of the senior posts shown against items 1 and 2 of the cadre schedule of each State or group of States, whichever is greater."

As per Sub-regulation (1) of Regulation 5, the number of members of the State Forest Service to be included in the list was to be calculated as the number of substantive vacancies anticipated in the course of the period of twelve months commencing from the date of preparation of the list, in the posts available for them under Rule 9 of the Recruitment Rules or 5% of the senior posts shown against items 1 and 2 of the cadre schedule of each State or Group of States, whichever is greater. The Regulation enjoins that each Committee shall ordinarily meet at intervals not exceeding one year and prepare a list of such members of the State Forest Service as are held by them to be suitable for promotion to the Service. The expression 'ordinarily' means the anticipated vacancies to be considered, i.e. only those vacancies which may occur in twelve months from the date of meeting of the Selection Committee. It did not prevent inclusion of the anticipated vacancies that occur after twelve months from the date of preparation of the Select List and before meeting of the next Selection Committee. The expression 'ordinarily' mentioned in Sub-regulation (1) of Regulation 5 is to be given a meaningful interpretation, keeping in mind the candidates kept in the waiting list to be promoted and to enable the department to fill up the vacancies which are essential for its administration. Any other interpretation would be counter to the scheme of the Regulations. The view we have taken is in conformity with the view expressed

by the Hyderabad Bench of the Central Administrative Tribunal in O.A.No.558 of 1997 disposed of on 26.2.1998, reported in 1999(3) SLJ (CAT) 86. In the aforesaid decision, the Hyderabad Bench took aid of the decision rendered by the Supreme Court in Nepal Singh Tanwar vs. Union of India, reported in 1998(1) Scale (SP) 7. In Nepal Singh's case the Supreme Court quashed the order of the Tribunal and upheld the appointment of Shri Nepal Singh to the All India Service. In the above case the Selection Committee for the year 1991-92 for promotion to the Indian Administrative Service Cadre met on 26.3.1992 and selected eight candidates for appointment to the All India Service against six vacancies. The first six persons were appointed against the six vacancies. Shri N. Singh was appointed on 12.8.1992 against the vacancy which became available by then. The Selection Committee for the next year 1992-93 did not meet till 12.8.1992. The appointment of Shri N. Singh was challenged before the Tribunal on the ground that he could not have been appointed as by then the list had exhausted. The Tribunal quashed the appointment holding that it was mandatory under the rules to prepare the list within one year and with the expiry of one year the previous Select List lapsed. The Supreme Court quashed the order of the Tribunal as erroneous and upheld the appointment of Shri N. Singh on 12.8.1992 even after a lapse of twelve months from the date of the meeting of the Selection Committee. In the instant case also no Select List was prepared till 7.4.1997. In the circumstances it was not justified on the part of the respondents to refuse to consider the case of the applicant for being appointed in the All India Services. For the foregoing reasons the rejection of the claim of the applicant for being appointed to the vacancy that surfaced on 7.4.1997 was not justified and accordingly the order No.22012/81/99-IFS.II dated 8.10.1999 of the Government of India, Ministry of Environment and Forests, New Delhi could not be sustained.

7. In the result the application is allowed. The respondents are directed to consider the case of the applicant for appointment to the Indian Forest Service Cadre against the vacancy that arose on the death of B.S. Beniwal on 7.4.1997 and pass necessary orders thereof. The respondents are directed to complete the aforesaid exercise within two months from the date of receipt of the order.

No order as to costs.

OA No.148/03

Union of India & Ors.

REJOINDER TO THE WRITTEN STATEMENT SUBMITTED BY  
RESPONDENT NO.3 & 4.

1. That the applicant has been served with a copy of the written statement filed on behalf of the Respondent Nos. 3 and 4. The applicant has gone through the same and have understood the contents of the same. Save and except the statements which are specifically admitted herein below, other statements made in the written statement may be treated as total denial. The statements which are not borne on record are also treated as total denial and the respondents No.3 & 4 are put to the strictest proof thereof.

2. That with regard to the statement made in paragraph 1, 2 & 3 of the written statement, the deponent offers no comment on it.

3. That with regard to the statement made in paragraph 4 of the written statement, the deponent while denying the contention made therein begs to state that his service stood confirmed w.e.f. 16.9.86 in the post of Assistant Conservator of Forest by operation of the recruitment rule wherein there has been a specific mention regarding

completion of such probationary period after 2 years. The law is well settled that, in absence of any blemish the authority is duty bound to confirm the service of its officer immediately after the expiry of probationary period failing which applying the due provision the service of the incumbent got confirmed by operation of law. The respondents while dragging the matter of confirmation of the applicant to an indefinite long period without any reason and finally after repeated persuasion of the matter his service was confirmed vide notification dated 20.10.2000 in the post of Assistant Conservator of Forest in State Forest Service w.e.f. 1.6.99 without there being any explanation to that effect. Admittedly the applicant had an unblemished service career and at no point of time during his such probationary period, he was not communicated with any adverse remark. It is noteworthy to mention here that according to the recruitment rule, 20(b), the service of the applicant should have been confirmed w.e.f. 16.9.86 in the post of Assistant Conservator of Forest instead of 1.6.99. The respondents neither confirmed the service of the applicant nor his period of probation was extended after 16.9.86 and as such by operation of law his service automatically stood confirmed w.e.f. 16.9.86. Since the applicant successfully completed the probationary period and thereafter he was regularised to the post of Assistant Conservator of Forest on 16.9.86, his service stood confirmed in the post of Assistant Conservator of Forest w.e.f. 16.9.86. As per the service rules an employee who got his confirmation in the lower post, got his confirmation automatically in the next higher post from the date of regularisation. The applicant whose service was confirmed as Forest Ranger got automatic

- 3 -

confirmation in the next higher post of Assistant Conservator of Forest on the date of his regularisation i.e. 16.9.86. That the respondents illegally didn't recommend the case of the applicant during the time of preparation of the select list of 1976-97 and thereby he was deprived of his legitimate claim of inclusion in the cadre of IFS for the said period. The respondents intentionally delayed the matter and sent his proposal for inclusion to IFS vide order dated 6.6.81 and 10.7.82. However by that time he was overaged.

4. That with regard to the statement made in paragraph 5, 6, 7, 8, 9 of the written statement, the deponent does not admit anything contrary to and inconsistent with the records of the case.

5. That with regard to the statement made in paragraph 10 of the written statement the deponent while denying the contentions made therein begs to state that during the year 1979 the applicant underwent training in Central Crocodile Breeding and Sanctuary management and awarded diploma by the Institute. In the year 1980 the applicant applied for the post of Assistant Inspector, Central Crocodile Breeding Institute but applicant was not spared as because at the relevant point of time there was no other efficient officer available in the Deptt. and the said fact was communicated to him vide letter dated 2.5.80. Similarly the applicant got another opportunity while he just completed 8 years of service as Assistant Conservator of Forest. The applicant at that relevant point of time i.e. in the year 1988 he applied for the post of Assistant

Director (wildlife and preservation) in the wildlife Regional Office under the Deptt. of Environment of Forest and wildlife but the applicant was not spared on the same ground as prevailed in the year 1980 and the said fact was communicated to the applicant vide letter dated 3.6.88. It is therefore the Respondent No.3 and 4 can not deny the fact that the applicant had an outstanding service career.

6. That with regard to the statement made in paragraph 11 of the Written Statement, the deponent while reiterating and reaffirming the statement made above as well as in the OA, begs to state that during his service career he got number of opportunities having wide exposure but due to non releasing him the services under the respondents, he had to forgo those opportunities.

7. That with regard to the statement made in paragraph 12 of the written statement, the deponent while reiterating and reaffirming the statements made above as well as in the OA begs to state that by operation of the recruitment rule more particularly the Rule 20(b), the service of the applicant got regularised on 16.9.86. As per the said rule the probationary period is 2 years and said rule also prescribed the criteria regarding performance and satisfactory service during the period of probation. Admittedly during the probationary period the respondents never found any sort of unsatisfaction during the course of holding the responsibility by the deponent, nor the said probationary period of the deponent was extended meaning thereby the deponent had an unblemished service career and the respondents has no cause to deny him the benefit of

- 5 -

confirmation on 16.9.86 or soon thereafter. However, the respondents dragged the matter of confirmation of service of the applicant for about 12 years and by an order dated 20.10.2000 the service of the applicant was confirmed in the post of Assistant Conservator of Forest in the State Forest Service w.e.f. 1.6.99. The allegation of the respondents regarding non fulfillment of service conditions for being confirmed in the post of Assistant Conservator of Forest till 1.6.99 is baseless and same is not tenable only on the ground that persons similarly situated like that of the applicant have been confirmed even with less meritorious service than that of the present applicant. Surprisingly enough the applicant who attained the eligibility for being promoted in the rank of IFS w.e.f 29.10.88, the respondents did not convene DPC year wise since 1988 till 1996 and same has caused serious prejudice both in the matter of his confirmation as well as consideration of his case for promotion to the rank of IFS.

8. That with regard to the statement made in paragraph 13 of the written statement, the deponent while reiterating and reaffirming the statement made above as well as in the QA, begs to state that the respondents have admitted the fact that from 1988 to 1996 they could not convene DPC violating the mandatory provisions contained in the rules holding the field. The respondents convened DPC on 26.3.96 and promoted persons even without insisting passing of such departmental examination and as such the contention raised by the respondents regarding passing of the departmental examination is baseless and self contradictory.

9. That with regard to the statement made in paragraph 14, 15, 16, 17 of the written statement, the deponent while reiterating and reaffirming statement made above begs to state that raising the similar issue one Sri M.C.Barua preferred OA 345/99 before this Hon'ble Tribunal and the Hon'ble Tribunal after hearing the parties to the proceeding was pleased to allow the said OA granting him all the consequential benefits and pursuant to which the present respondents themselves have implemented the same providing the consequential service benefits. It is therefore a fit case wherein Your Lordships would graciously be pleased to grant similar relief to the present applicant providing him all the consequential service benefits. This is pertinent to mention here that Sri M.C.Baruah in his OA, likewise the present applicant, raised the issue of non convening of year wise DPC by the respondents and the present applicant also reiterating the same issue and claiming similar relief has come under the protective hands of this Hon'ble Court seeking similar relief arising out of identical cause of action. It is also worth mentioning that during the year 1988-1996 and also thereafter there were vacancies available for promotion in the cadre of IFS due to retirement etc. But the respondents without there being any (cogent) ground did not consider the case of the applicant. Had there being year wise DPC since 1988, the case of the present applicant would have been come under the purview of consideration for promotion to the rank of IFS in those years but due to inaction on the part of the respondents he has to suffer irreparable loss and injury. The respondents at a belated stage took a decision to consider the case of the present applicant i.e. in the year 1999 when he became overaged for

90  
133

such consideration. The respondents without there being any sanction carried forward the vacancies occurred prior to 1999 and clubbing up of those vacancies they withhold the DPC violating the settled proposition of law as laid down by the Hon'ble Apex Court. As such the action/inaction on the part of the respondents is not at all sustainable in the eye of law and liable to be set aside and quashed.

10. That with regard to the statement made in paragraph 18 of the written statement, the deponent while denying the contention made therein begs to state that admittedly during the years 1988-2002 the respondents have exercised the mandatory provision of the rule regarding Financial Cadre Review only in the years 1995 and 2002. As per the rules the respondents are duty bound to hold Financial Cadre Review after every 3 years but admittedly in the instant case where there should have been 3 Financial Cadre Review the respondents could done only 2 and in the instant written statement there is no explanation as to why such Cadre Review was done. In absence of such explanation the respondents have virtually admitted their inaction and on this score alone the impugned action/inaction on the part of the respondents in denying legitimate promotion of the applicant is liable to be set aside and quashed.

11. That with regard to the statement made in paragraph 19 & 20 of the written statement, the deponent while reiterating and reaffixing the statement made above begs to state the respondents themselves have admitted that right from the year 1988 - 2003 there were continuous accumulation/existence of sufficient vacancies to

accommodate the applicant in the cadre of IFS but as stated above the respondents have failed to explain the reason as to why those vacancies were allowed to remain unfilled for years together. Had there being timely Triennial Cadre Review and year wise DPC as contemplated under the rules, the applicant who become due for his such promotion in the 1988 itself got the benefit of such promotion. By now he would have continued to enjoy the benefit of an IAS Officer. Taking into consideration those admitted facts, the Hon'ble Tribunal may be pleased to direct the respondents to convene Review DPC, for promotion to the cadre of IFS right from the year 1988 onwards and thereafter they consider the case of the applicant using the same yard stick and to promote him to the cadre of IFS with retrospective effect providing all consequential service benefits.

12. That with regard to the statement made in paragraph 21 of the written statement the deponent while reiterating and reaffirming the statements made above begs to state that admittedly the respondents have without there being any cogent ground adopted the policy of clubbing up of vacancies which is impermissible in terms of the various Apex Court decision. Apart from that the respondents now in their written statement have tried to justify their action showing a subsequent clarification dated 5.12.02 which has only prospective effect and same can not be treated as a tool to justify their inaction committed during the years 1988 onwards. The law laid down by the Apex Court is very clear in this aspect and the Hon'ble Apex Court in number of cases have laid down the law that the vacancies occurred at a particular point of time will have to be filled up by the

rules prevailing at that point of time not by the subsequent clarification issued in this regard.

13. That with regard to the statement made in paragraph 22 and 23 of the written statement, the deponent while reiterating and reaffirming the statements made above as well as in the OA begs to state that the respondents have acted contrary to the settled proposition of law and as such their entire action/inaction are liable to be set aside and quashed.

14. That with regard to the statement made in paragraph 24 of the written statement deponent while reiterating and reaffirming the statement made above as well as in the OA begs to state that the respondents being the competent authority can not seek their responsibility by showing the guiding principles which has got no force when the matter requires due consideration.

15. That with regard to the statement made in paragraph 25, 26, 27, 28, 29, 30 & 31 of the written statement, the deponent while reiterating and reaffirming the statements made above begs to state that entire action/inaction on the part of the respondents is not at all sustainable and same are liable to be set aside and quashed issuing appropriate directions towards consideration of his case for promotion to the cadre of IFS by convening Review DPC at least as of 1996-97 and to promote him accordingly providing all consequential service benefits.

In view of the facts and circumstances stated above the OA deserves to be allowed with cost.
