5. Bordumsa I&FC Division	May 1998 to November 2002.
6. Basar P.W.D Division	December 2002 to till date.

4.5 That your applicant while working in Bordumsa I&FC Division, Arunachal Pradesh, he was transferred on promotion in the grade of Divisional Accounts Officer vides letter No. E.D. Hemanta Chandra Das.

letter No. E.O. No. DA.Cell/44 dated 17.09.2001 and on promotion he was posted at Khuyathang, Imphal, Manipur in P.H.E Division. But due to serious ailment of the applicant he could not be able to join at Imphal and in the compelling circumstances he could not avail the promotional benefit in the gazetted Group B post of Divisional Accounts Officer, Grade-I, which would be evident from the letter bearing No. DA. Cell/2-46/92/Vol. II/160 dated 29.04.2002.

Copies of the promotion order dated 17.09.2001 and letter dated 24.04.2002 are enclosed herewith and marked as Annexure-2 and 3 respectively.

- 4.7 That it is stated that the applicant is suffering from serious ailment of Heart Disease, Disc problem, Thyroid stimulating hormone since 1998 and also undergone surgical operation for prostate glands on February, 2001. In this connection it may be stated that while he was undergoing medical investigation in the month of February, 2001 it has come to the notice that the applicant is suffering from Disc problem, namely; L5-S1 and L1-L2. It was stated as follows:

"LARGE AORTIC PLAQUE CAUSING MORE than 60% NARROWING WITH MONOPHASIC DISTOTLY BILAT ERRLLY"

In March, 2001 the applicant was advised for by-pass surgery, however due to acute financial problems the applicant could not undergo by-pass surgery. The applicant also advised for surgical operation for disc-

Hemendra Chandra Das.

problems, but the applicant could not go for operation due to aforesaid reasons.

The applicant was admitted at hospital w.e.f 20.07.2003 to 02.08.2003 at Dibrugarh for treatment of Pulmonary-koch with left sided pleural effusion. Again during October, 2003 the applicant went to APOLLO Hospital at Chennai where it was detected that the applicant is suffering from THYROID STIMULATING HORMONE and now he is under medical treatment of Apollo Hospital as well as he is also under the medical treatment at Dibrugarh.

It is relevant to mention here that the applicant was on leave on medical ground w.e.f 14.07.2003 to 20.12.2003, the aforesaid leave was sanctioned by the senior Accounts Officer vide the letter dated 16.02.2004. Copies of the Medical certificates and other relevant documents are enclosed herewith and marked as Annexure- 4 (Series)

- 4.8 That your applicant most surprisingly received the transfer and posting order dated E.O No. D.A Cell/120 dated 08.03.2004 only on 03.04.2004, whereby the applicant is now sought to be transferred and posted from Office of the Executive Engineer, Basar P.W.D

Hemendra Chandra Das

Division, Arunachal Pradesh to Building Division, P.W.D, Imphal, just after completion of 1 year 4 months at Basar Division. In the impugned order dated 08.03.2004 it is further instructed to the controlling officer to release the concerned official latest by 09.04.2004. However it is categorically submitted that the applicant has not yet been released from Basar Division but apprehending his release at any moment.

The aforesaid impugned order has been passed in total violation of the direction contained in the transfer policy issued by the Comptroller and Auditor General of India vides his letter No. 394-NGE (App)/11-98 dated 19.04.2000, wherein it is specifically mentioned in paragraph (f) that tenure posting should normally be for 3 years in a particular division and 6 years at a particular station. In para (b) it is further instructed that the option for posting at particular station should be invited from the individual officer and afford should be made to accommodate the officer at their choice places.

But surprisingly in the instant case no such choice was invited and efforts being made to accommodate the applicant in his choice station although he had submitted his representation prior to issuance of the impugned order for consideration of his posting nearby his home town i.e. at Jairampur, Namsai, Mao due to serious ailment but the impugned order has been passed in total violation of the instructions

Hemanta Chandra Das

contained in Comptroller and Auditor letter dated 19.04.2000.

It is further submitted that no one is posted in the place of the applicant and the said post is still holding by the applicant and on that score alone the impugned order of transfer and posting is liable to be set aside and quashed.

Copies of the impugned transfer order-dated 08.03.2004 and transfer policy dated 19.04.2000 are enclosed herewith and marked as Annexure-5 and 6 respectively.

- 4.9 That is stated that transfer order has been issued in violation of the transfer policy issued by the Comptroller and Auditor General of India, more particularly clause (b), (d), (e) (f), (g) and (h) has been deliberately ignored and violated by the Sr. D.A.G (Admn) while issuing the impugned transfer and posting order, moreover the applicant has joined at Basar in the month of December, 2002 and hardly completed 1 year 4 months, where is his tenure is 3 years in a particular division. No option was invited from the applicant as required under the rule. Representation of the applicant for choice station posting has not been considered where the applicant has categorically submitted that he is suffering from serious ailment, on that ground alone the impugned order of transfer and posting is liable to be set aside and quashed.

Hemendra Chandra Das

4.10 That your applicant submitted representation dated 10.12.2003 prior to issuance of the impugned order, wherein the applicant requested for his posting in nearby station from his home town and categorically stated that his case may be considered for posting at Jairampur, Namsai, Mao but to no result. The applicant again submitted a representation on 05.04.2004 for reconsideration of his transfer and posting order due to his serious ailment. The applicant apprehending that he may be released at any moment from the present place of posting.

In such compelling circumstances the applicant approaching this Hon'ble Tribunal for protection of his right and interest by passing an appropriate order/interim order directing the respondents to accommodate the applicant in any of the places near his home town by giving the interim order of transfer and posting in the light of the instruction of the transfer policy guideline.

Copies of the representations dated 10.12.2003 and dated 05.04.2004 are enclosed herewith and marked as Annexure-7 and 8 respectively.

4.11 That it is stated that the applicant has only 4 and half years of service in his credit and the applicant is in verge of his retirement and on consideration of his serious ailment. The applicant is entitled to be posted at his choice station near his hometown in terms of transfer policy.

Hemendra Chandra Das.

It is further submitted that one post of Divisional Accountant Grade-I is still vacant at Namsai in addition to the post held by the applicant at Basar.

4.12 That this application is made bonafide and for the cause of justice.

5.2 For that, due to serious ailment the applicant could not attend at office with effect from 14.07.2003 to 20.12.2003 on the medical ground and the leave of the aforesaid period was duly sanctioned by the respondent.

No. 394-NGE(App)/11-98

To

All P.H. Accountants General/Accountant General
Dealing with the cadre of Divisional Accountants.

Sir/Madam,

The need to evolve some clearly defined norms and a uniform and transparent policy of transfer and posting of Divisional Accounts Officers/Divisional Accountant was being felt for some time. Though transfer is an incidence of service of Divisional Accountant, it should be effected in such a way that it causes minimum inconvenience to the individuals and at the same time it fulfils the administrative requirements. It has, therefore, been decided to prescribe the following broad parameters for transfer and posting of Divisional Accounts Officers/Divisional Accountants which should be followed scrupulously and uniformly.

- (a) transfer and posting should normally be made once in a year and annual transfers should be timed properly so that these may not disturb the academic session.
- (b) list of Divisions likely to fall vacant during the year should be publicised well in advance.
- (c) Divisions should be properly graded by following the instructions issued in this regard from time to time and posting of officers should be made in the appropriately graded Divisions;
- (d) Option for posting in particular station(s) should be called for from the individuals and efforts should be made to accommodate the officers at the place of their choice, subject too availability of vacancy and on basis of seniority. The adverse comments given by the Inspecting Officer auditing the accounts of the Divisions, adverse remarks made by the Executive Engineers on the performance of the Divisional Accounts Officers/Divisional Accountants which are finally substantiated and the performance in proper and timely submission of accounts may also be kept in view;

- (e) a transfer Committee comprising the Group Officer in charge of works, Accounts and two other Indian Audit & Accounts Department officers of the rank of Sr. Dy. Accountant General/Dy. Accountant General, to be nominated by the Pr. Accountant General/Accountant General should be formed to consider the case of transfer.
- (f) tenure of posting should normally be three years in a particular Division and six years at a particular station;
- (g) an officer should normally be allowed to serve the last three years of his service life at a place of his choice even if it results in his stay in the same place etc. beyond the normal tenure.
- (h) a general order indicating transfers and postings of all officers should be notified in addition to individual posting orders that may be issued.

Dispensation of the set norms could be made only in every exceptional circumstances, to be recorded in writing, on account of extreme personal circumstances which are quite distinguishable.

To,

Accountant General (A & E)
Meghalaya, Arunachal Pradesh and Mizoram Etc.

(Through proper channel)

Sub :- Transfer of Sri H.C Das, DAO-I from Basar Division, PWD AP. To Building Division, PWD, Imphal, Manipur.

Ref:- Your transfer order No. E.O No. DA Cell/ 120 Dated 8/3/2004.

Sir,

With due respect I beg to state that, I have been transferred from Bordumsa-IFCD Division to Basar PWD Division vide order No. DA Cell/ 54 Dated 3/10/2002 on the basis of my representation No. Nil dated 19/12/2001.

Accordingly I have joined at Basar PWD Division with additional charge of IFCD Division on 9th December, 2002 as directed by your good office.

That Sir, it has been clearly mentioned that I am suffering un bearable pain in my back due to degenerative desiccation of my L5- S1 and L1 - L2 Discs which may require immediate surgery according to Specialist at Gauhati Medical College. Further during my visit to Apollo Hospital, Chennai in 2001 for my prostate operation it came to light during detailed investigations by Dr. V. Balaji, MBBS, MS(Gen), FRCS (Eng), FRCS(Edin), FRCS(Gen.) & FICS, renowned vascular and transplant surgeon, that blood circulation in my legs have reduced by 60% for which I am unable to walk even 200 Mtr. At a stretch after which my legs gets unconscious and becomes stiff after which I have to sit even on road side to regain consciousness in my legs. For that Dr. Balaji has advised for immediate by pass surgery without any delay, which involves a very huge amount of money which I can not afford by any means after maintaining my family as I am the only earning member of my family. Since I have been unable to undergo the by pass surgery, my condition today is worse than it was in 2001 and is further deteriorating day by day. I am also suffering from Diabetes Mellitus for which I am taking high dosage of Insulin injection twice a day regularly. Also I am suffering from acute hypertension. It is also known by your good self from my leave application that on 13th July 2003 to 21st December, 2003(about Six months), I was on leave on medical ground due to my severe illness. During this period I under gone treatment at Tinsukia and also at a nursing home at Dibrugarh for TB again. During this period I went to Appolo hospital, Chennai again for prostate problem and other complications and ended up undergoing another operation. Upon further investigation it was found out that I am suffering from thairoid problem due to which occasionally my entire body gets swelled up.

On the above circumstances I have already repeated requested your good office to consider my transfer case get me posted at a place near my home town like Jiarampur, Namsai, Miao Etc. Etc. so that I can suddenly visit specialists from Appolo Hospital, Chennai at Dibrugarh, whose treatment I am taking.

That Sir, I have already forgone my promotion as DAO- I from Bordumsa to Bishnupur PHE Division, Manipur with additional charge of Bridge Division, Khuyathang, Imphal vide E.O No. DA Cell/ 44 dated 17th September 2001 due to all the above facts. Now since my health has further deteriorated, I am now even less able to take long distance journey as my movements have been further restricted by specialists.

That Sir, I am the only earning member of my family and have a un married daughter and un employed son with my ailing wife who is suffering from spondalitis , heart problem, rheumatics Etc. Etc. and there is no other person to look after me except my family member, those are residing at my home town Tinsukia & can visit me immediately in case of an emergency if I be posted near my home town. I am also going to retire within a few years.

Sir I am very much surprised to see my transfer order No. quoted above within only 15 months of my joining at Basar to Imphal, the same place where I could not proceed even on promotion from Bordumsa in 2001 for which I had to forgo my promotion for 15 months. Further I was asked by the authority vide circular No. DA Cell/2-1/96-97/173 Dated 24/12/96 to submit the option. Accordingly I had opted for Arunachal Pradesh which was forwarded by the Executive Engineer, Tawang Electrical Division Vide No. TED/PF-32/96-97/6659-60 dated 21/9/97, which is also controversial while my transfer order is being issued for Manipur.

That Sir, I have already served the following remote and disturbed localities of Nagaland, Manipur and Arunachal Pradesh and never disobeyed even represent any negative attitude. 61

Phek, Zunhebato (of Nagaland), Lamphelpot (of Manipur), Tawang, Bordumsa (of Arunachal Pradesh).

But since I am suffering from serious illness, now I am compelled to request your good office to consider my transfer case by posting me near my home town or till then I may be allowed to continue at Basar. In this connection my representation dated 10th December, 2003 may please be referred to.

Thanking you.
