By Mr. S. Sengupta, Railway Counsel.

O R D E R

SACHIDANANDAN, K.V. (V.C.)

The applicants, three in numbers, originally applied for the post of Diesel Assistant Driver (DAD in short) in response to the Employment Notice dated 01.10.1996. They appeared in the written, psychological and viva-voce tests and have qualified in all except in medical test so conducted by the respondents. In the medical test it is stated that they are not qualified to the category for which advertisement were made. Thereafter, vide letters all dated 20.2.2003 at Annexure-C Series applicants were again asked to appear in the re-medical examination for assessing their fitness for alternative appointment. The applicant were re-examined medically and found medically fit for alternative appointment. But thereafter nothing was heard. Applicants contend that since they have already qualified in the tests held earlier also been found medically fit subsequently, they are entitled for grant of alternative appointment. Hence, this Original Application seeking for the following reliefs:-

8.1 Direct the respondent authorities to absorb/applicants in any other alternate posts to which they are found medically fit pursuant to their re-medical examination conducted in March 2003.

(ii) Cost of the application.

(iii) Any other relief(s) may be entitled to under the facts and circumstances of the case and/or as may deem fit and proper considering the facts and circumstances of the case."

2. The respondents have filed a detailed written statement contending that applicant that the privilege for extending the benefit of alternative appointment has been withdrawn in 2001. No appointment order was issued to the applicant so their claim that they are entitled to alternative appointment cannot be accepted. In terms of the previous letter dated 20.8.1999 issued by the Railway Board there was a provision for considering the cases of medically unfit DADs against alternative posts, in equivalent grade, provided they fulfill other requirements of the alternative posts and also vacancies exists and General Managers of the Zonal Railways could consider such appointments on consideration of each individual case records. As such, divisional authorities were required to keep all details/particulars ready for future use, if required. These Railway Board's letters do not give any guarantee for appointment to any post to the medically unfit persons. Therefore, in view of the Railway Board's policy decision of 2001 there is no scope

for engaging any medically unfit personal in other category posts on the basis of their selection in other posts like DADs etc. and candidates selected for the category of Assistant Driver will not be eligible for any alternative appointment if they fail in the final medical examination before appointment.

3. We have heard Mr. G. Rahul, learned counsel for the applicant and Mr. S. Sengupta, learned Railway counsel for the respondents. Counsel for the parties have taken our attention to various pleadings, evidence and materials placed on record and we have given due consideration to the same. Counsel for the applicants submits that since the applicants have passed in the written, psychological and viva-voce tests and also in the re-medical examination, they are entitled for alternative appointment. The Railway counsel, on the other hand, submits that since no such rule for alternative appointment is in existence now, therefore, their case could not be considered for alternative appointment.

4. It is borne out from the records that the advertisement was of 01.10.1996, result of the interview was published on 09.01.1998, the applicants were medically tested and was found unfit for DAD, subsequently they were again asked to appear for re-

medical examination for alternative appointment on 20.02.2003 in which they were found fit. Counsel for the applicants has drawn our attention to Annexure-I of the reply statement, a copy of the Railway Board letter dated 20.08.1999, wherein it was stated that the General Manager has the authority to consider the requests from the candidates empanelled by RRBs but failing on prescribed medical test for alternative appointment. The Railway counsel, on the other hand, took our attention to Annexure-II of their reply statement wherein it has been specifically clarified that selected candidates for Asstt. Driver/ ASM/Motorman, if fail in the final medical examination, will not be eligible for alternative appointment. For better appreciation, paragraphs 4 & 5 of the said letter is reproduced below:-

"4. Candidates selected for the category of Assistant Driver/ASM/Motorman will also not be eligible for any alternative appointment if they fail in the final medical examination conducted by the Railway before appointment, for any reason.

5. The fact that candidates who fail in the Medical examination for these categories will not be eligible for any alternative appointment on the Railways should be mentioned clearly in the employment notice so as to discourage those candidates who do not fulfill the medical requirements from applying.

5. Now, the issue centers round the question as to whether the applicants have got legal right for getting alternative appointment since they have been re-medically

examined and found fit for alternative appointment. Referring Annexure-2 learned Railway counsel contends that as per policy decision of the Railways such alternative appointment has been stopped. It is apparent that the Annexure-2 letter is issued by the Railway Board, Ministry of Railways, way back on 04.09.2001 but the applicants have been called for re-medical examination on 20.02.2003. The Railway counsel submits that aforesaid letter was communicated to respondents' office only on 08.04.2003, and therefore, the applicants were re-medically examined inadvertently. Counsel for the applicant, on the other hand, submits that since the advertisement was issued in 1996 and selection was done in 1998. the 2001 circular is not applicable in the applicant's case as the same has no retrospective effect, and therefore, the case of the applicants should have been considered by the respondents for alternative appointment in terms of prevailing rules as on 1998 during which the General Manager had ample power to consider such appointment, which was not done in this case. Counsel further argued that re-medical examination of the applicants after issuance of Annexure-2 circular suggests that respondents are considering applicants' case with reference to old rules.

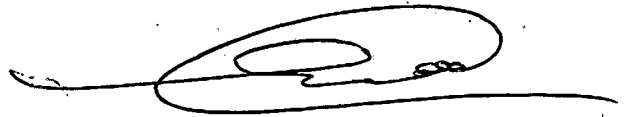

6. However, considering the entire aspects and upon hearing learned counsel for the parties, we are of

the opinion that applicants' case deserves sympathetic consideration. Therefore, we direct the applicants to make individual comprehensive representations pinpointing all these matters before the second respondent within one month from today and on receipt of such representations, the second respondent will consider the same or if he is not competent to consider such matters, will refer the same to the fourth respondent for taking a final decision passing appropriate orders communicating the same to the applicants within a time frame of three months thereafter.

The Original Application is disposed of as above. In the circumstances, no order as to costs.

## DETAILS OF APPLICATION

### 1. PARTICULARS OF THE ORDER AGAINST WHICH THE APPLICATION IS MADE:

The instant application is directed against the impugned action of the Respondent authorities in refusing to absorb the applicants in alternative jobs (Technical/Non-technical) as per their medical fitness in terms of the Order dated 04.03.2003 issued by the Respondent No. 3 herein.

### 2. JURISDICTION OF THE TRIBUNAL:

The Applicants declare that the subject matter in respect of which the application is made is within the jurisdiction of this Hon'ble Tribunal.

### 3. LIMITATION:

The Applicants further declare that the application is within the limitation period prescribed under Section 21 of the Administrative Tribunal Act, 1985.

### 4. FACTS OF THE CASE :

4.1 That the Applicants are citizens of India having their permanent residences within the State of Assam and are as such entitled to all the rights, privileges and protections guaranteed to the citizens of India under the Constitution of India and the laws framed thereunder. The applicants have a common and identical cause of action and as such have approached this Hon'ble Tribunal by filing a common Original Application.

4.2 That the Respondent No. 4 herein, i.e. the Railway Recruitment Board, Guwahati, vide its Employment Notice No. 2/96 dated 01.10.1996 published on 06.10.1996 invited applications from eligible candidates for the posts of Diesel Assistant Driver alongwith other posts. The applicants who were otherwise qualified for the said post individually applied for the same.

The applicants crave leave of this Hon'ble Court to refer to and rely upon the said Employment Notice

Bipin Chandra Saha

No. 2/96 dated 01.10.1996 at the time of hearing of the instant case.

- 4.3 That in response to the aforesaid applications so submitted by the applicants herein the Respondent No. 4 issued the interview call letters alongwith admit cards etc. in favour of the applicants. Accordingly, the applicants appeared in the written, psychological and viva-voce tests so conducted by the Respondent No. 4

Copies of the interview call letters are annexed herewith and marked as ANNEXURE – A series.

- 4.4 That pursuant to the aforesaid tests, the Respondent No. 4 published the results of the same on 09.01.1998. All the applicants herein came out successfully in the said tests and were invited by the Respondent No. 3 vide letter dated 06.02.1998 to appear for the Medical Test. The said letter also categorically disclosed the fact that appointment letters for the post of Diesel Assistant Driver shall be issued upon successfully clearing the Medical Examination and in the meantime the candidates would be treated to be on probation for a period of 12 months.

Typed copies of the aforesaid letter dated 06.02.1998 are annexed herewith and marked as ANNEXURE – B series.

- 4.5 That the applicants had appeared in the Medical Examination conducted by the Respondent authorities and after undergoing all the tests they were found to be Medically unfit for the post of Diesel Assistant Driver.

- 4.6 That it is pertinent to state herein that although the applicants were found to be Medically unfit for the job of Diesel Assistant Driver, yet, they were otherwise fit for any other alternative appointment in the Railways. Considering this aspect the Respondent No. 3 vide letters dated 20.02.2003 advised the applicants to appear for further Medical Tests for assessing their fitness for alternative appointment.

Copies of the aforesaid letters dated 20.02.2003 are annexed herewith and marked as ANNEXURE – C series.

Bipin  
on 20.02.2003

- 4.7 That thereafter the Respondent authorities took a policy decision to absorb the applicants in any other alternative jobs (Tech/Non-Tech.) as per their medical fitness. This is reflected by the letter under No. E/233/Mech./APPTT/AP/DAD/Pt.I dated 04.03.2003 issued by the Respondent No. 3 herein to CMS/APDJ wherein the Respondent No. 3 directed the Re-medical Examination of the applicants alongwith 2 other candidates in order to absorb them in any other posts to which they would be found to be medically fit.

A copy of the aforesaid letter dated 04.03.2003 is annexed herewith and marked as ANNEXURE – D.

- 4.8 That thereafter the applicants were re-examined medically by the Respondent authorities and were found to be medically fit for alternative jobs.

Copies of the medical test certificates issued by the Respondents in favour of the applicants are annexed herewith and marked as ANNEXURE – E series.

- 4.9 That the applicants herein were all along made to believe that they would be absorbed in any alternative jobs by the Respondent authorities pursuant to their Re-medical Examination conducted in the month of March 2003. But till this date the Respondents have most deliberately and willfully refused to absorb the applicants.

## 5. GROUND FOR RELIEF WITH LEGAL PROVISIONS:

- 5.1 For that the Respondent authorities have acted in a manner contrary to their own decision by not considering the cases of these applicants herein for appointment to alternative posts till this date. The communication dated 04.03.2003 (Annexure – E) itself is self-explanatory in this regard. The respondents have themselves considered the applicants to be fit for other jobs apart from the job of Diesel Assistant Driver and as such had directed for their re-medical examination.

- 5.2 For that the Respondent authorities had on their own behalf directed the applicants to appear in the re-medical examination and had intimated them that they would be absorbed in alternative jobs. The applicants upon the

ripun  
ca  
dubw

bonafide belief and faith had appeared in the same and were duly declared to be fit for alternative posts. As such, upon such legitimate expectation of being appointed by the Respondent authorities, the applicants have not applied for any other job till this date and have forgone several other employment opportunities.

- 5.3 For that the Respondent authorities have acted in an illegal, arbitrary, malafide and unreasonable manner in refusing to appoint the applicants till this date in terms of their policy decision. Such refusal on the part of the Respondents have highly prejudiced the applicants, as they have been kept in the dark since March, 2003.
- 5.4 For that the actions of the Respondents apart from being illegal, arbitrary and malafide are violative of the applicants' fundamental rights as guaranteed under Articles 14, 16 and 21 of the Constitution of India.
- 5.5 For that as has already been mentioned hereinabove the respondents have already conducted written psychological and viva-voce tests upon the applicants and have found them to be eligible for jobs in the Railways. As such, when the applicants were found to be unfit in the medical test conducted for the post Diesel Assistant Driver the applicants were re-examined medically in order to absorb them in alternate posts. Such action on the part of the Respondents have led to bonafide and legitimate having accrued in favour of the applicants.
- 5.6 For that the very fact that the applicants were subjected to further medical test for assessing their fitness for alternative appointment and the issuance of the letter dated 04.03.2003 clearly goes to show that there existed and still exist certain vacancies in posts against which the applicants can be accommodated. It was in the backdrop of these facts and circumstances that a decision was taken to absorb/appoint the Applicants in posts for which they are found medically fit. As such, the action of the Respondents in failing to appoint the applicants in posts commensurating with their qualification and medical fitness is ex-facie illegal, arbitrary, malafide, unfair, unreasonable and capricious. The applicants have been discriminated against without any reasonable basis or justification. There has apparently been a mechanical approach to the issue at hand in total disregard to the rights guaranteed to the applicants under Articles 14 and 16 of the Constitution of India.

Bipin ch. Dehar

5.7 For that by subjecting the applicants to further medical tests for assessing their fitness for alternative appointment coupled with the issuance of the letter dated 04.03.2003, the Respondents held out a clear and unequivocal promise to the applicants. On such promise being held out, the applicants have been made to believe that appointment orders/letters would be issued shortly in their favour. On such belief, the applicants have forgone several employment opportunities that arose since March 2003 and as such have altered their position. Under these circumstances the Respondents are estopped from taking a different stand and/or to refuse to appoint the applicants in posts commensurating with their qualifications and medical fitness in the light of the settled principle of promissory Estoppel.

5.8 For that the actions taken by the respondents to re-examine the applicants medically have been so resorted to in view of some existing vacancies in the alternate posts. As such, the applicants have got a prima facie case in their favour. The applicants shall suffer irreparable loss and injury if the posts in which the applicants were supposed to be appointed are filled up by any other persons. The balance of convenience is strongly in favour of the applicants herein and thus it is a fit case where this Hon'ble Tribunal may be pleased to grant appropriate interim reliefs to the applicants.

5.9 For that this application is filed bonafide and in the interest of justice.

6. **DETAILS OF REMEDIES EXHAUSTED :**

The Applicants declare that they have no other alternative and efficacious remedy available to them except by way of this instant application.

7. **MATTERS NOT PREVIOUSLY FILED OR PENDING BEFORE ANY OTHER COURT :**

The applicants declare that no other application, writ petition or suit in respect of the subject matter of the instant application is filed before any other Court, Authority or any other Bench of the Hon'ble Tribunal nor any such application, writ petition or suit is pending before any of them.

Bipin an sda

8. **RELIEF SOUGHT FOR :**

Under the facts and circumstances stated above, the Applicant prays that this application be admitted, records be called for and notice be issued to the Respondents to show cause as to why the reliefs sought for in this application should not be granted and upon hearing the parties and on perusal of the records, be pleased to grant the following reliefs:

8.1 Direct the respondent authorities to absorb/appoint the applicants in any other alternate posts to which they are found medically fit pursuant to their re-medical examination conducted in March 2003.

8.2 Cost of the application.

4. That, for the sake of brevity, the meticulous denial of each and every statements of the applicants has been avoided without admitting the correctness of such statement.

The respondents do not admit any of the allegations / statements of the applicants except those which are either borne on records or are specifically admitted hereunder and the applicants are put to strictest proof of those statements which are either not borne on records or are not specifically admitted hereunder by the applicants. The reply is also confined only on those points which are relevant for the purpose of arriving at a decision in the case without admitting the correctness of other averments of the applicants.

5. That, the case is vexatious one without any substance and is the outcome of the after-thought of the applicant.
6. That, with regard to averments made at paragraphs 4.1, 4.2, 4.3, 4.4 and 4.5 of the application it is submitted that those statements which are borne on records are only admitted. It is also to submit herein that from the own assertion of the applicants in the application it is quite evident that :

- (i) No appointment letters were issued by the Railway Administration in favour of the applicants.
- (ii) Appointment on the Railways was dependent on successful clearance of the Medical Examinations prescribed for the post they applied for i.e. Diesel Assistant Driver.

- (iii) The applicants were not found medically fit in the medical examination held for the post for which they applied and also selection held i.e. Diesel Assistant Driver.

7. That, as regards averments at paragraphs 4.6, 4.7 and 4.8 of the application it is to submit here-in that the letters dated 20-02-2003 and 04-03-2003 were issued by the Divisional Authorities 'for assessing the fitness of the candidates for alternative category posts and keep a complete record of the case for future use, if required. These were done keeping in view the previous letter of the Railway Board No. 99/E(R&B)/25/12 dated 20-08-1999. In terms of previous letter of the Railway Board dated 20-08-1999, there was a provision for considering the cases of medically unfit DAD's (Diesel Assistant Drivers) against alternative posts, in equivalent grade, provided they fulfill other requirements of the alternative posts and also vacancies exists and General Managers of the Zonal Railways could consider such appointments on consideration of each individual case records. As such, divisional authorities were required to keep all details / particulars ready for future use, if required. These letters of the Railway Board does not guarantee for appointment to any post to the medically unfit persons.

Under the extant orders of the Railway Board No. E(R&B) 2001/25/21 dated 04-09-2001, the privilege for extending the benefit of appointment in alternative category has been withdrawn and no further direction has been received yet which may empower Zonal Railway's to consider alternative appointments to medically unfit candidates. It is also quite a wrong statement / assertion that Respondent Authorities took a Policy decision to absorb the applicants in any other alternative jobs and that the letter dated 04-03-2003 gives them this right. Neither General Managers of Zonal Railways nor the Divisional Authorities have been empowered to take a Policy

decision in such cases, which are purely within the domain of the Railway Board. Further, as per rule the life of the panel is for 2 years. The panel for the post of DAD (in brief for Diesel Assistant Driver) was published on 09-01-1998, and it appears from averments at paragraph 5.2 of the application that no application for absorption in lower grade post in Category D was submitted by the applicant. It is also to mention herein that in the meantime the medical fitness standard of some Group 'D' posts have also undergone changes.

In this connection, the copies of the aforesaid orders / letters of the Railway Board's No. 99E (RRB)/25/12 dated 20-08-1999 and No. (RRB) 2001 / 25 / 21 dated 04-09-2001, and No. E(RRB) 2001 / 25 / 21 dated 08-04-2003 are annexed hereto as Annexure I, II and III respectively for ready perusal.

8. That, with regard to averments at paragraph 4.9 of the application it is submitted that the contention of the applicants that they were made to believe that they would be absorbed in any alternative jobs by the Respondent Authorities pursuant to their Re-medical examination, are not admitted as correct and hence denied herewith.

In this connection, it is also to submit here-in that :

- (i) Group 'D' posts are not of equivalent grade to that D.A.D. posts.
- (ii) The Criterion of recruitment / selection for Group 'C' and Group 'D' posts are quite different.
- (iii) The recruitment / absorption in Group 'D' posts are contingent on fulfillment of certain standard of fitness and medical examination and vacancy position etc.

- (iv) After issuance of the Railway Board's letter dated 04-09-2001 (Annexure II to this written statement), the power of Zonal Railway Authorities to absorb / offer alternative appointment to medically unfit candidates selected for DAD posts, have ceased. Para 4 of the said letter dated 04-09-2001 clearly lays down the following :

"Candidates selected for the category of Assistant Driver / ASM / Motorman will also not be eligible for any alternative appointment if they fail in the final medical examination conducted by the Railway before appointment, for any reason".

- (v) At the time of submission of the application for the post of D.A.D. the applicants were aware that there is no guarantee of employment in Railways and that to get employment they would be required to qualify in the medical examination set for DAD posts. There was no mention about the absorption of the medically unfit candidates in the alternative posts in the notification.

The allegation of the applicants that the Respondents have most deliberately and willfully refused to absorb the applicants, is hereby emphatically denied. The applicants have no legal right for absorption against any other alternative category posts.

If they had any genuine grievance they could easily get the same clarified from the Railway Administration. It is observed that, instead they are now agitating on the issue when it is already time barred from the date on which panel of DAD was formed and also from date when alleged medical re-examination, as contended by the applicant, was held.

9. That, in view of what have been submitted in the foregoing paragraphs of this written statement, none of the grounds for relief as mentioned at paragraph 5 of the application and relief as sought for under paragraphs 8 and 9 of the application are sustainable under law and fact of the case and the prayers of the applicant are liable to be rejected.

It is also to mention here-in that

- (i) It is not correct that the respondent authorities have acted in a manner contrary to their own decision / Policy or the Annexure E to the application (Letter dated 04-03-2003 issued by the Alipurduar Division) can give them any right for being appointed against alternative different grade post like group 'D' post. The letter dated 04-03-2003 cannot bind the Government legally, *for such appointment*.
- (ii) It is denied that the applicants were all these period waiting with legitimate expectation for being appointed in alternative post in Railways or that the applicants did not apply for any other job till this date, on this ground. The Railway Administration did not guarantee them that they would be appointed against alternative post, and, such allegations are unfounded and beyond the knowledge of the respondents.
- (iii) It is denied that the Respondent Authorities have acted in an illegal, arbitrary, malafide, capricious, discriminatory and unreasonable manner, in refusing ~~to~~ to appoint the applicants. It is to mention

Contd.....P/7

that no communication / representation from the applicants appears to have been received and hence question of issuing refusal letter in disposal of their representation, if any, does not appear to be correct, more so, after issuance of the Railway Board's letter dated 04-09-2001 there can be no question of appointing these applicants in alternative lower grade posts.

- (iv) It is also denied that there has been any violation of Fundamental Rights as guaranteed under Articles 14, 16 and 21 of the constitution of India or that viva-voce test or psychological Test give them any rider for being appointed in alternative posts.
- (v) The letter dated 04-03-2003 (Annexure E to the Application) cannot be treated as a Policy decision of competent official. The contention of the applicant regarding alleged Promissory Estoppel is quite unfounded and hence not admitted. Further, the principle of promissory estoppel is not available against Government in exercise of its legislative, sovereign or executive powers.
- (vi) In view of the Railway Board's Policy decision of 2001 there is no scope for engaging any medically unfit personal in other category posts on the basis of their selection in other posts like DAD etc.
- (vii) It is denied that the balance of convenience is in favour of the applicants. The question of suffering

35  
Railway Board

irreparable loss and injury does not arise.

- (viii) That, the selection / appointment procedures have been prescribed under rules framed under the Constitution of India and no personnel engaged on Public duties can override these rules, either by overt or covert action and there is no scope for ignoring some or escaping from the set rules having the constitutional binding on any other plea.

No policy decision can be taken by any official in contravention to set rules. The policy decision has been laid by Railway Board under their letter No. E (R&B) 2001 / 25 / 21 dated 04-09-2001 mentioning clearly that candidates selected for the category of Assistant Driver will not be eligible for any alternative appointment if they fail in the final medical examination before appointment.

- (ix) It cannot be claimed that the applicants fulfill all the conditions for appointment to Group 'D' posts, where the selection procedure are quite different.
- (x) That, in view of the extant rule in force, there is no locus standi of the aforesaid letter of the DRM(P) / APDJ dated 04-03-2003 as to claim some extra benefit of absorption in other categories, nor so when such grant of privileges / benefits are quite against the extant rules / Laws / Railway Board's order dated 04-09-2001 in force.

(xi) The Zonal Railways are to function under the parameters of Government Guidelines and rules set forth / embodied in Indian Railway Establishment Manuals, Codes, Circulars etc.

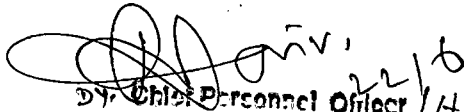

10. That, it is submitted that all the actions taken in the case by the respondents are quite legal, valid and proper and in consonance to the provisions of extant rules on the subject and have been taken after due application of mind and that the present case of the applicant is based on wrong premises and suffers from misconception and mis-interpretation of rules and laws on the subject besides being based on surmise only.

11. That, necessary enquiries are still in progress. The respondents crave leave of the Hon'ble Tribunal to permit them to submit additional written statement, if found necessary, for the ends of justice.

12. That, in view of what have been submitted in the foregoing paragraphs of the written statement, the application is fit one to be dismissed.

RRCB No. 5/2001  
New Delhi, dated 4/09/2001

The Chairmen,  
All Railway Recruitment Boards.

Sub: Medical examination of candidates at the time of certificate verification.

\*\*\*\*\*

It has been reported by the RRBs that a large number of candidates, selected for critical safety categories of Assistant Drivers and Assistant Station Masters are being found medically unfit after empanelment. Some candidates appear for selection to these categories even while they are aware that they do not conform to the medical standards required for the job. Perhaps they do so because of the provision of alternative employment in the event of failure. However, this leads to vacancies for long period in these important critical safety categories, which is not desirable from safety point of view.

2. The issue has been considered in the light of the above situation in RRCB meeting and it has been decided that, for the categories of Assistant Drivers and ASMs, the candidates may be asked to enclose a medical certificate from an eye specialist regarding vision in a prescribed Performa when they apply for these posts. Only those candidates who conform to notified standards of vision need apply.

3. It has also been decided that, at the time of certificate verification, the selected candidates may be sent to nearest Railway hospital for a vision test. Those who fail in the vision test, need not be empanelled.

4. Candidates selected for the category of Assistant Driver/ASM/Motorman will also not be eligible for any alternative appointment if they fail in the final medical examination conducted by the Railway before appointment, for any reason.

5. The fact that candidates who fail in the medical examination for these categories will not be eligible for any alternative appointment on the Railways should be mentioned clearly in the employment notice so as to discourage those candidates who do not fulfill the medical requirements, from applying.

ORIGINAL APPLICATION NO. 61 OF 2005

IN THE MATTER OF :

O.A. NO. 61/2005

Sri Bipin Ch. Deka & Ors.

.... Applicants

-VERSUS-

The Union of India & Ors.

.... Respondents

-AND-

IN THE MATTER OF :

A Rejoinder filed on behalf of the Applicants of the aforesaid Original Application against the Written Statement filed by the Respondents therein.

REJOINDER

I, Sri Bipin Chandra Deka, son of Sri Kabindra Deka, aged about 37 years, resident of Sankar Nagar, Noonmati, Guwahati-781 020 in the district of Kamrup, Assam do hereby solemnly affirm and state as follows :-

1. That, I am the Applicant No. 1 in the instant case. A copy of the Written Statement filed by the Respondents has been duly served upon my Counsel. I have gone through the same and understood the contents thereof. Being well conversant with the facts of the case, I am competent to swear this Rejoinder. I have been duly authorized by the Applicant Nos. 2 and 3 to swear this Rejoinder on their behalf.
2. That, the Applicants herein have preferred the present Original Application, inter alia, assailing the actions of the Respondent Authorities in refusing to appoint

Filed by:  
The Applicant  
FOR UOI, By  
Mr. R.S. Chowdhury

the Applicants in alternative jobs as per their medical fitness in terms of the decision taken by the Respondent Authorities on 04.03.2003.

3. That, save and except the statements and averments made in the Written Statement, which have been specifically admitted herein below, the rest shall be deemed to have been denied by the Applicants.
4. That, with regard to the statements made in paragraph 1 of the Written Statement, the Applicants have got no comments to offer.
5. That, the Applicants categorically deny the statements made in paragraphs 2 to 5 of the Written Statement since the same are not based upon actual facts.
6. That, with regard to the statements made in paragraph 6 of the Written Statement, it is a fact that they had been called for interview and Medical test for the posts of Diesel Assistant Driver (D.A.D.), however, the Respondents had further directed the Applicants to appear for interviews for appointment in alternative posts. As such, the Applicants were under the genuine belief that the authorities are considering their case for appointment.
7. That, while categorically denying the statements made in paragraph 7 of the Written Statement, the Applicants reiterate the statements made in paragraphs 4.6, 4.7 and 4.8 of the Original Application and further state that the Applicants had appeared for interviews in the year 1997 and as such, the said Order dated 04.09.2001 cannot be applied to them retrospectively. Further, it is evident from Annexure-E series of the Original Application that the Applicants had been re-examined on 06.03.2003 and had been found fit to be appointed in alternative jobs. As such, the contentions of the Respondents contrary thereto are categorically denied.
8. That, while categorically denying the statements made in paragraph 8 of the Written Statement, the Applicants once again reiterate that they had appeared for interviews in the Year 1997 and as such, they were eligible to be called for further medical examination for assessing their fitness for alternative appointments as per the then prevalent scheme. The scheme dated 04.09.2001, as has been stated in the Written Statement itself, was circulated to this office only on 08.04.2003, whereas the Applicants had been duly called for alternative appointments in the month of March, 2003 itself. Be it further stated herein that after having run from pillar to post for being given alternative appointments, in the office of the Respondent Authorities, and not having been able to secure any

positive reaction therefrom, the Applicants were constrained to approach this Hon'ble Tribunal for ends of justice to be met.

9. That, while denying the statements made in paragraph 9(i) of the Written Statement, the Applicants reiterate the statements made in paragraphs 8 and 9 of the Original Application. The statements made in paragraph 9(ii) are controverted to the extent that the Applicants were under bonafide belief in the year 1997 when they had applied for being appointed to the post of DAD, they could have been appointed against alternative posts since a scheme existed in this regard. The contentions in paragraph 9(iii) are denied by the Applicants/Deponent and the Deponent further reiterates the statements and averments made in paragraph 8 of the Rejoinder herein above. The statements made in paragraphs 9(iv) and 9(v) of the Written Statement are denied by the Applicants and it is humbly reiterated that the letter dated 04.03.2003 (Annexure-E) clearly indicates that certain vacancies existed against which the Applicants could have been accommodated.
  
10. That, while categorically denying the statements made in paragraphs 9(vi), 9(vii), 9(viii), 9(ix), 9(x) and 9(xi) of the Original Application, the Deponent humbly states that the Respondents, in a most malafide manner, are trying to mislead this Hon'ble Tribunal with regard to the application of the Policy decision as has been laid down by the Railway Board vide their letter dated 04.09.2001. The Written Statement does not make any whisper about the retrospective effect of the said Policy decision of 2001, and as such, the Applicants cannot be equated/brought within the ambit of the said policy decision since they had applied for the post of DAD in the year 1997, at which time the scheme for alternative appointments was very much in force. As such, all statements, averments/contentions made contrary thereto are categorically denied.
  
11. That, the statements made in paragraphs 10, 11 and 12 of the Original Application are categorically denied by the Applicants and it is reiterated that the Applicants have a prima facie case in their favour and are entitled to all the

reliefs which have been prayed for in the Original Application. The Applicants humbly state that the grounds put forth in the Original Application are good and tenable grounds for this Hon'ble Tribunal to intervene in the matter and accordingly grant appropriate relief to the Applicants.

12. That, the statements made in this paragraph and in paragraphs 1 to 11 are true to my knowledge and those made in paragraphs being matters of record are true to my information derived therefrom, which I believe to be true and the rest are my humble submission before this Hon'ble Tribunal.

And I sign this Rejoinder on this 2<sup>nd</sup> day of August, 2006 at Guwahati.

Shri Bipin ch. Deka.
