Registrar		There are 10 applicants, who are teachers selected in Kendriya Vidyalaya Sangathan (KVS in short) after due process of selection. Though they have been given appointment in the respective schools, their appointments were on provisional and contract basis which were issued on the ground that there is an inquiry against the entire selection process. It is further made clear that if the Enquiry Committee upholds the selection, the appointments will be deemed as appointment on regular basis from the date of joining of the appointees. No notice was issued to the applicants in respect of alleged inquiry that is being ordered by the respondents on the selection. The provisional appointment was for one year, which was upto 30th April 2006. By the extension order dated

DETAILS OF THE APPLICATION

1. Particulars of the order (s) against which this application is made:

This application is made not against any particular order but praying for a direction upon the respondents to treat the applicants as regular teachers at least from the date of their joining in service in the respective posts with

all consequential service benefits including seniority and monetary benefits, pursuant to their selection against the existing vacancies for the recruitment year 2004-2005 in the cadre of Trained Graduate Teacher and Primary Teacher in the Kendriya Vidyalaya Sangathan as per the advertisement published in the Employment News dated 13-19 September 2003 and further be pleased to direct the respondents to allow the applicants to continue in service in their respective posts till passing of the necessary order of regularization of their services.

2. Jurisdiction of the Tribunal:

The applicants declare that the subject matter of this application is well within the jurisdiction of this Hon'ble Tribunal.

3. Limitation:

The applicants further declare that this application is filed within the limitation prescribed under Section- 21 of the Administrative Tribunals Act 1985.

4. Facts of the case:

4.1 That the applicants are citizen of India and as such they are entitled to all the rights, protections and privileges as guaranteed under the Constitution of India. Applicant No. 1 and 4 to 10 are working as Primary Teachers. Applicant No. 2 and 3 are working as Trained Graduate Teacher in Kendriya Vidyalayas at Missamari and Mongoldoi in Assam under the administrative control of Assistant Commissioner, Guwahati Region. All the applicants have been appointed and posted from outside the NE Region.

4.2 That the applicants pray permission to move this application jointly in a single application under Sec 4 (5) (a) of the Central Administrative Tribunal (Procedure) Rules 1987 as the relief's sought for in this application by the

applicants are common, therefore, they pray for granting leave to approach the Hon'ble Tribunal by a common application.

4.3 That the Kendriya Vidyalaya Sangathan (for short KVS) published an advertisement in the Employment News dated 13-19 September 2003 for recruitment to the various categories of posts of Teachers in the KVS, the applicants in pursuance to the said advertisement applied for the posts of Trained Graduate Teacher (for short TGT) and Primary Teacher (for short PRT) within the stipulated period. The respondents on scrutiny of the individual applications, found all the applicants eligible for the respective posts for which they have applied and accordingly all the applicants have been asked to appear in the written examination (first stage) on 21.12.2003, written test (second stage) on 14.02.2004 and also on 15.02.2004 and again they have been asked to appear in the interview from 15.04.2004 to 08.05.2004, all the applicants accordingly appeared in the written examination as well as in the interview on the scheduled dates fixed by the KVS and they fared well in the written examination as well as in the interview.

(Copy of the advertisement is enclosed herewith for perusal of Hon'ble Tribunal as Annexure- 1).

4.4 That it is stated that the advertisement and the selection process has been carried out during the tenure of NDA (National Democratic Alliance) Government, however, the results of the said selection was declared in the Website of the KVS in the month of May 2004. All the applicants have been declared selected for different categories of posts, namely; TGT and PRT. The KVS even after publication of the select list did not take any steps immediately for appointment of the selected candidates.

4.5 That most surprisingly after a lapse of about 8/9 months all the applicants have been issued offer of appointment provisional on contract basis in their

23

respective categories for a period of 1 year with pre-condition that the services of the applicants shall be regularized with effect from the date of joining of the individual applicants depending on the outcome of a report/conclusion/recommendation/findings of the inquiry committee set up with the approval of the Competent Authority to conduct detailed enquiry into the procedure adopted by Kendriya Vidyalaya Sangathan for selection of candidates for teachers by employing private agency and give, inter-alia report/conclusion/recommendation/findings to ascertain as to whether any candidate has received any undue advantage by virtue of procedure adopted by Kendriya Vidyalaya Sangathan for the selection and recruitment of teachers for the year 2004-05. It is further stated in the said provisional appointment order that this provisional appointment is for a period of 1 year or on conclusion of enquiry giving it's report whichever is earlier. It is further clarified that this provisional appointment is purely temporary and will not confer any right for regularization, seniority etc. except in accordance with the terms and conditions laid down therein. It is further stated that in case before completion of the said enquiry if the period of 1 year expires then this provisional appointment may be renewed by the offeree and the discretion purely vests with the offeree. It is also clarified that in case the enquiry committee upholds their selection the present provisional appointment will be deemed as appointment letter on regular basis with effect from the date of joining of the appointee but if the enquiry committee gives a report/conclusion/recommendation/findings to the effect that their selection has not been carried out in accordance with the selection procedure then the present offer will be withdrawn. However, all the selectees will be given age relaxation to the extent of 1 year and will be deemed to be eligible to participate in the next selection process thereafter. It is also made clear in case the enquiry committee uphold their selection in that event they will be treated on probation with effect from the date of joining for a period of 2 years which may be extended, however on successful completion of probation period they will be confirmed in service

as per their turn in terms of Kendriya Vidyalaya Sangathan Rules on the availability of permanent vacancies.

In paragraph 4 of the offer of appointment letter it has been stated that during the provisional appointment and thereafter until their services are confirmed their appointment may be terminated by 1 month notice on either side without assigning any reason and the appointing authority has made it clear that they reserve the right to terminate the services of the appointee before expiry of the stipulated period of notice by making payment of sum equivalent to the pay and allowance for the period of notice or the unexpired portion thereof. In clause 7 of the offer of appointment letter it has been stated that in case of any dispute or claim against the Kendriya Vidyalaya Sangathan in respect of service or any contract arising out of or flowing from this offer of appointment the Courts of Delhi alone shall have jurisdiction.

All the above conditions laid down in the offer of appointment letter are highly arbitrary, unfair and illegal but since the applicants are in need of better government jobs they had no other alternative but to accept the said terms and conditions and accordingly they reported for duties in different Schools as per direction contained in the offer of appointment letter. All the applicants have joined their services in the respective Schools within the stipulated period and till date they are serving in different Kendriya Vidyalayas in the cadre of TGT and PRT in the state of Assam.

(Copies of offer of appointment letter are enclosed herewith for perusal of Hon'ble Tribunal as Annexure- 2 Series).

4.6 That it is stated that so far condition laid down in clause 7 of the offer of appointment letter regarding jurisdiction of filing of Court cases arising out of provisional appointment letter is highly arbitrary in view of the fact that the Kendriya Vidyalaya Sangathan has invoked the jurisdiction of the Central Administrative Tribunal by issuing necessary notification as required under the provision laid down in the Administrative Tribunal Act

7

1985 and as such in violation of the provision of the relevant Act 1985 the Sangathan cannot restrict the jurisdiction for filing Court cases in Delhi alone, such action of the Sangathan is in contravention of the provision of Section 14 of the Administrative Tribunal Act 1985. Moreover, the Principal Bench of the Central Administrative Tribunal is functioning from Delhi itself with Benches in different places, however, Central Administrative Tribunal is treated as one unit and as such filing of any application before any other Bench other than Delhi shall also liable to be treated that the same has also been filed before the CAT Principal Bench. Moreover, the Benches of CAT are functioning in different places other than Delhi to enable the employees to file cases within their own region and also in view of the intention to reduce the burden of cost of the litigation, as such Sangathan cannot compel the employees to file Court cases within the jurisdiction of Delhi, such action of the Sangathan in fact curtailing the fundamental rights of the employees to approach the competent court of law and as such Clause 7 of the offer of appointment letter is liable to be struck down and accordingly the Hon'ble Court be pleased to set aside and quash Clause 7 of the offer of appointment letter and further be pleased to admit the instant Original Application for adjudication of the grievances of the applicants. Moreover, in terms of the provision laid down in Article 58 of the Education Code for Kendriya Vidyalayas (Published in 2004), it has been specifically stated that in case of any dispute or claim arising as a result of employment under the Sangathan the Central Administrative Tribunal alone shall have the jurisdiction. Therefore, respondent Sangathan cannot violate the provision laid down in their Education Code in order to restrain a particular section of the employees from approaching the different Benches situated in other places than Delhi. Therefore, the Hon'ble Tribunal be pleased to set aside and quash clause No. 7 of the offer of appointment letters (Annexure- 2 Series).

A.K. Srivastava

3

(A copy of the extract of the Article 58 of the Education code for Kendriya Vidyalayas is enclosed herewith for perusal of Hon'ble Tribunal as Annexure- 3).

4.7 That it is stated that the applicants came to learn that the enquiry committee which was set up by the Government to conduct enquiry into the procedure adopted by the KVS for selection of candidates for teachers by employing private agency to ascertain as to whether any candidate has received any undue advantage by virtue of procedure adopted by the KVS during the recruitment year 2004-2005 in fact submitted it's report to the Government long back by the first enquiry committee so far the applicants came to learn that in the said report no procedural infirmity as regard selection of teachers is found but the Government was not happy with the report of the First Enquiry committee and therefore the Government again set up another committee for conducting the enquiry afresh and for submission of a report as per liking of the Government but at this stage it may be noted that it is almost about 2 years have elapsed from the date of declaration of the result but the subsequent enquiry committee could not submit it's report to the Government and as a result the employees are always working under the threat of termination of their services. It is relevant to mention here that the services of all the applicants has been extended by the Assistant Commissioner, Guwahati Region upto 30th April 2006 or on conclusion of enquiry giving it's report whichever is earlier and the said decision is communicated through separate memorandum individually to the applicants, one such memorandum bearing No. F.8-7/PRT/2005-KVS (GR)/18623-25 dated 20.01.2006 addressed to Shri A.K. Srivastava, applicant No. 1 is also enclosed along with other similar memorandum served upon the applicants.

It is relevant to mention here that another extension order has been issued recently vide letter No. F.11-1/2005-06-KVS/Estt-II dated 27.04.2006 in favour of the present applicants as well as in favour of the other

B.K. Gupta
A.K. Srivastava

similarly situated employees, whereby services of the applicants has been extended upto 30th June 2006 with exactly similar terms and conditions as imposed in earlier extension order. Moreover, from the contents of the extension order it is not clear as to when the Government is likely to receive the enquiry report, it may so happen that enquiry report might have been submitted by the enquiry committee even before 30th June 2006 without any knowledge of the applicants and if any adverse report is submitted by the enquiry committee in that event the services of the applicants will be terminated without passing any further extension order on or before 30th June 2006, apprehending such threat of termination of their services applicants are approaching before this Hon'ble Court for protection of their valuable and legal right by passing an appropriate interim order restraining the respondents from ousting the applicants from service or in other words an appropriate order of status quo ante may be passed in favour of the applicants till disposal of this Original Application.

(Copies of the memorandum extending the services of the applicants upto 30th April 2006 and 30 the June 2006 are enclosed herewith for perusal of the Hon'ble Tribunal as Annexure- 4 (series) and 5 respectively).

4.3 That your applicants further beg to say that they are having requisite educational qualification for recruitment to the posts of TGT and PRT in KVS on regular basis, being satisfied with their eligibility and on receipt of the advertisement duly published in the Employment News dated 13-19 September 2003 submitted their candidature to the appropriate authority for consideration of their appointment for the post of teachers in KVS. All the applicants have gone through the rigorous process of selection which includes 2 stages of written test as well as interview and they have successfully came out through the process of selection and finally selection list has been published by the KVS recommending the names of the

applicants for appointment to the respective categories. The applicants are not at all concerned with the selection procedure adopted by the Government of India, however it is at the instance of the Government the applicants appeared in the rigorous system of selection and ultimately came out successfully in the said selection process. The advertisement was published for regular recruitment of the teachers in the cadre of TGT and PRT for the recruitment year 2004-2005 as such they are entitled to be absorbed on regular basis in view of the fact that they have been duly selected after observing all formalities required under the law, therefore selection of the applicants cannot be questioned at this belated stage.

4.9 That it is stated that the selection has been conducted in a very fair manner and there was no favouritism or no undue advantage granted to any candidates in the process of selection as such the allegation of undue advantage and decision of respondents Union of India to conduct an enquiry to ascertain as to whether there is any procedural violation in the process of selection, which has been conducted by engaging a private agency are after thought and same has been done with an ulterior motive to deny regular appointment to the applicants against the vacancies of 2004-2005. In this connection it may be stated that similar selection process has been adopted by the Government/KVS during the period from 2000-2003 and all the selected teachers have been regularly appointed as teachers as such denial of regular appointment to the similarly situated applicants on the alleged ground as indicated above is highly arbitrary, illegal and unfair and such action of the respondents is in violation of Article 14 of the Constitution of India.

4.10 That it is stated that the advertisement and selection of the applicants for appointment to the different categories of teachers has been conducted at the instance of the Government and the applicants have gone the rigorous process of selection with the legitimate expectation that they will be

considered for appointment against the vacancies of 2004-2005 in different Kendriya Vidyalayas, therefore, after declaration of the select lists the Government is not entitled to question the validity of the procedure of selection and also not entitled to raise the question at this stage to ascertain whether any undue advantage was given to any of the candidates while carried out the selection process. The question which is now raised by the Government after completion of the selection process regarding conduct of selection process by a private agency is nothing but done at the instance of a vested circle in order to deny the regular absorption of the applicants. The applicants are victims of a well-planned conspiracy at the highest level of the Government. It appears that a well-planned attempt is made to terminate the services of the applicants by managing a report from the enquiry committee as per liking of the Government and therefore a vested section of the Government who have constituted the enquiry committee are waiting for a report/recommendations/findings/conclusions as per their desire in order to terminate the services of the applicants. All the applicants are eligible for appointment to the respective cadre of teachers having brilliant academic career. Advertisement was published on all India basis for regular recruitment of the teachers in the KVS against the vacancies for the recruitment year 2004-2005 and all the applicants faced the competition on all India basis and thereafter declared selected and as such applicants are apprehending that the very enquiry committee which was constituted at the instance of the Government, there is every possibility of manipulating of the report as per desire of the vested circle who have instituted the enquiry alleging engagement of private agency. If the Government is so serious regarding any allegation of unfair means or malpractice they could have engaged a judicial enquiry commission to ascertain the allegation of undue advantage. Government also did not disclose anywhere in the offer of appointment letter that there are specific allegation of favouritism made from any corner regarding the selection process as such offer of appointment of the applicants on provisional basis

cannot be sustained in the eye of law and the applicants are liable to be treated as regular teachers duly selected through established procedure of law and as such Hon'ble Court be pleased to declare that the applicants be treated as regular teachers from the date of joining their services and further they are entitled to all consequential service benefits including seniority in their respective cadre.

4.11 That it is stated that although order has been passed by the competent authority extending the services of the applicants but still they are convinced and reasonably apprehending that their services will be terminated on or before 30.06.2006 in terms of the extension order issued by the Joint Commissioner KVS.

In the circumstances stated above applicants finding no other alternative approaching before this Hon'ble Tribunal to protect the right and interest of the applicants by passing an appropriate order directing the respondents to regularize the services of the applicants and till such time the applicants be allowed to continue in their respective capacities.

4.12 That it is stated that the KVS, New Delhi again issued another advertisement in the Employment News dated 12-13 February 2005, for recruitment of teachers in the cadre of PGT, TGT and PRT for filling up the vacancies of 2005-2006, where applications have been invited latest by 25.03.2005 without regularizing the services of the present applicants who have been duly selected against the vacancies of the recruitment years 2004-2005. Therefore it appears that respondents deliberately delaying the regularization of the applicants on the pretext of enquiry report and therefore it smacks malafide as such applicants have no alternative but to approach this Hon'ble Tribunal for protection of their rights and interest.

It is relevant to mention here that many of the applicants either cross the upper age limit and some of them may cross the upper age limit shortly for any other Government job, after acceptance of the offer of

appointment in KVS with the anticipation that since they have fared well in the interview and declared selected on the basis of their performances in the interview as such they are likely to get absorption on regular basis, but surprisingly till date their services has not been regularised on the pretext of pendency of the enquiry report, therefore Hon'ble Court be pleased to direct the respondents to treat the applicants as regular teacher at least from the date of their joining in KVS.

(A copy of the advertisement published in Employment News dated 12-18 February 2005 is enclosed herewith for perusal of Hon'ble Tribunal as Annexure- 6).

4.13 That this application is made bonafide and for the cause of justice.

5. Grounds for relief (s) with legal provisions:

5.1 For that, all the applicants pursuant to the advertisement issued in the Employment News dated 13-19 September 2003 against the vacancies of the recruitment year 2004-2005 have applied and have undergone rigorous selection process and thereafter declared selected for the posts of PRT and TGT in the KVS as such they have acquired a valuable and legal right for appointment on regular basis at least from the date of joining in their respective posts.

5.2 For that, the vacancies against which the applicants have been selected are regular vacancies as such applicants are entitled to be appointed on regular basis from the date of joining in their respective posts.

5.3 For that, the rigorous selection procedure have been adopted at the instance of the Government for appointment of teachers on regular basis in the KVS as such the same Government cannot question the validity of the selection procedure on the alleged ground that private agency has been engaged for selection of the teachers as such respondents Union of

India are barred by law of estoppel, acquiescence and waiver to conduct any enquiry in this regard.

- 5.4 For that, during the year 2000-2003 similar process of selection has been adopted by the Government/KVS and all the selectees during the year 2000-2003 have been appointed on regular basis, therefore Government cannot raise the question of validity of similar selection process while adopted during the recruitment year 2004-2005 more so when the applicants have been declared selected and already appointed on provisional basis otherwise such action of the Government will lead to differential treatments towards the applicants which will be in violation of Article 14 of the Constitution of India.
- 5.5 For that, all the applicants are qualified to hold the respective posts of teachers having brilliant academic career and came out successful in the rigorous selection process without any undue favour or undue advantage.
- 5.6 For that, the selection has been conducted on all India basis and only the talented candidates have been selected/recommended for appointment to the posts of teachers.
- 5.7 For that, the applicants have applied for the respective posts of teachers pursuant to the advertisement dated 13-19 September 2003 and after a long waiting for almost a year, the applicants have been appointed provisionally subject to outcome of the alleged enquiry report which is not sustainable in the eye of law rather applicants are entitled to be appointed on regular basis.
- 5.8 For that it is learnt that the enquiry committee set up by the Government initially did not find any infirmity in the process/procedure of selection of the teachers but the Government not being satisfied with the findings of the 1st enquiry committee, again set up another enquiry committee so that

findings and reports of the subsequent committee may come as per choice of the vested circle working in the Government and as such the enquiry has been delayed deliberately which smacks malafide.

- 5.9 For that as per provision laid down in Article 58 of the Education Code for Kendriya Vidyalayas, the jurisdiction lies with the Central Administrative Tribunal as such Clause 7 of the offer of appointment letter cannot override the provision laid down in the Education Code and moreover, provisions of Education Code shall prevail over the Clause 7 of offer of appointment letter as such the clause 7 of the offer of appointment is void ab initio.
- 5.10 For that applicants are apprehending their services may be terminated or they will be ousted on or before 30th June 2006 in view of the direction contained in the extension order dated 27.04.2006 (Annexure- 5) in spite of the fact that applicants have been duly selected pursuant to an advertisement for recruitment against the vacancies of the recruitment year 2004-2005 as such they have acquired a valuable and legal right for regularization of their services.

6. Details of remedies exhausted.

That the applicants declare that they have exhausted all the remedies available to and there is no other alternative remedy than to file this application.

7. Matters not previously filed or pending with any other Court.

The applicants further declare that they had not previously filed any application, Writ Petition or Suit before any Court or any other Authority or any other Bench of the Tribunal regarding the subject matter of this application nor any such application, Writ Petition or Suit is pending before any of them.

3. Relief (s) sought for:

Under the facts and circumstances stated above, the applicants humbly pray that Your Lordships be pleased to admit this application, call for the records of the case and issue notice to the respondents to show cause as to why the relief (s) sought for in this application shall not be granted and on perusal of the records and after hearing the parties on the cause or causes that may be shown, be pleased to grant the following relief(s):

- 3.1 That the Hon'ble Tribunal be pleased to direct the respondents to absorb the applicants as regular teachers in their respective posts with immediate effect at least with effect from the date of joining in service with all consequential service benefits including seniority etc.
- 3.2 That the Hon'ble Tribunal be pleased to direct the respondents to allow the applicants to continue in service in same capacity till applicants are absorbed on regular basis in terms of prayer No. 1.
- 3.3 That the Hon'ble Tribunal be pleased to set aside and quash the condition laid down in clause No. 7 regarding jurisdiction in the offer of appointment letters of the individual applicants (Annexure- 2 Series).
- 3.4 Costs of the application.
