**ORDER (ORAL)**

**SIVARAJAN, J.(V.C.) :**

The applicant is working as Additional Commissioner, Central Excise Commissionerate, Dibrugarh from 6.1.2003 on his transfer from Mumbai. The applicant is presently aggrieved by his transfer from Dibrugarh to Kolkata as per order dated 10.6.2005 (Annexure-D). According to the applicant, when he was transferred

from Mumbai to N. E. Region he was allowed to retain the residential accommodation provided to him in Mumbai to enable his family members to reside there; the children of the applicant are studying in Class VIII and XII at Guru Nanak Khalsa College, Mumbai under the Maharashtra Board of Education, Mumbai; if the applicant has to relinquish the quarter in Mumbai that would jeopardize the academic careers of his children. It is also stated that the present transfer order has been issued only to help a few persons who made representations before the respondents. It is stated that transfer have been effected pursuant to the representations filed by some of the officers to the detriment of this applicant and similarly situated persons. It is also stated that the applicant having completed two years of service in the N. E. Region had applied for choice posting i.e. to Mumbai and that ignoring the said request he has been transferred to Kolkata.

2. We have heard Mr. J. L. Sarkar, learned counsel for the applicant and Mr. A. K. Chaudhuri, learned Addl. C. G. S. C. for the respondents. Similar cases in regard to transfer and posting of Superintendent in the Custom and Central Excise Department have come up before us wherein the parties submitted that transfers are effected in the month of June against the well accepted norms for which it is stated that transfer and posting will be effected only during March/April of each year. It is also pointed out that transfers are effected to the detriment persons by issuing transfer orders based on the representation made by other officers. We have disposed of the said O.A.s directing the applicants therein to make representations before the concerned authorities pointing out the irregularities.

3. In this case also it is seen that transfer order (Annexure-D) has been issued mainly considering the representations made by

certain Additional Commissioners and Joint Commissioners of Custom and Central Excise (paragraph 3 of Annexure-D). We are not sure as to whether the respondents have afforded opportunity to all the Additional Commissioners/Joint Commissioners to make representations seeking for transfer by obtaining option for choice posting or otherwise.

4. According to the applicant, he had completed requisite period of service in the North Eastern Region for getting choice posting and had made a request in that behalf. Why his request was not considered is not known. That apart, if the transfer of the applicant to Kolkata as per the impugned order is sustained, he will have to vacate the residential accommodation provided to him in Mumbai which would result in adversely affecting the education of his children at Mumbai. Keeping in mind the limited jurisdiction of this Tribunal in the matter of interfering with the transfer and posting of Government officers except in case where there is violation of statutory rules or allegation of malafide, we are of the view that this application can be disposed of at the admission stage itself with directions. Accordingly, we direct the applicant to make a detailed representation before the Secretary (Revenue), Ministry of Finance, Department of Revenue, Central Board of Excise & Customs within a period of two weeks from today. If such a representation is received, the said authority will consider the same and pass appropriate orders keeping in mind the observations made hereinabove and in accordance with law within a period of two months thereafter. Since we are prima facie satisfied that the transfer of the applicant from Dibrugarh, N. E. Region to Kolkata will adversely affect the education of the children of the applicant studying at Mumbai if the applicant is

asked to vacate the residential accommodation provided to him on account of this transfer, we direct the respondents to retain the applicant in the present station until a decision on the representation is taken.

The Original Application is disposed of as above. The applicant will produce this order along with the representation before the Government for compliance.

O.A. 140 /2005

Shri Chaten Rigzin

– Vs –

Union of India & Ors.

**Synopsis of the Application**

That the applicant is working as Additional Commissioner, Central Excise Commissionerate, Dibrugarh. He was posted to Dibrugarh w.e.f. 06/01/2003.

That the applicant was transferred from Mumbai to the North Eastern Region of India in 2003 as per the prevalent policy of the Govt. of India for the North East Region as per the policy and the applicant has retained quarter at Mumbai and left his family there so that his children's education is not hampered.

That the applicant's son T.Y. GERIL RIGZIN, is now studying in Class XII in Guru Nanak Khalsa College, Mumbai under the Maharashtra Board of Education, Mumbai. If the applicant is transferred to Kolkata, he has to relinquish the quarter in Mumbai and would thereby jeopardize the academic career of his son at this crucial juncture.

That the applicant being in the North Eastern Region is entitled to be posted back to the place of his "choice". The applicant opted for "Mumbai" where his family is retained. Accordingly he submitted his 'option' to the CBEC.

The aforesaid transfer order has been issued without application of mind ignoring the existing policies of transfer and posting to the North Eastern Region and vice versa. The applicant has been posted out of the North Eastern Region without taking into consideration the facts and his 'option' under the transfer policy. Moreover, the said transfer order has been issued on 10/06/2005 violating the deadline stipulated in the transfer policy.

The transfer order has been issued on 10/06/2005 with a direction to submit compliance report of relieve of officers by the 15<sup>th</sup> June 2005 and thus denying natural justice to make legitimate representation (11<sup>th</sup> and 12<sup>th</sup> June being holidays). This depicts hasty action and colourable exercise of power.

If the applicant is transferred to Kolkata at this very crucial juncture he will suffer irreparable loss.

**Details of the Application**

**1. Particulars of the order against which the application is made:**

This application is made against the order of transfer No. 91/2005 dated 10/06/2005 issued by the Central Board of Excise & Customs (CBEC), in violation of the norms of transfer and the directives regarding the transfer and posting in the North Eastern Region in particular.

## 2. Jurisdiction

The applicant declares that the subject matter of this application is within the jurisdiction of this Hon'ble Tribunal.

## 3. Limitation

The applicant declares that the subject matter of the application is within the time limit prescribed under Section 21 of the Administrative Tribunal Act, 1985.

## 4. Facts of the case

4.1 That the applicant is a citizen of India and as such is entitled to the rights and privileges guaranteed by the Constitution of India.

4.2 That the applicant is a member of the Appraisers Group 'B' Service and promoted to Group 'A', IRS (C&CE) Service in 1990. His history of posting is given below:

Sl. No.	Post held	Station	From	To
I	Senior Superintendent, Customs Preventive, Gorakhpur	Gorakhpur	20.01.90	May '91
II	Asstt. Collector, Customs Preventive, Varanasi	Varanasi	27.05.91	June '94
III	Asstt. Commissioner, Central Excise, Noida	Noida	11.07.94	June '98
IV	Deputy Commissioner of Customs (Airport)	Mumbai	01.07.98	Oct '00
V	Deputy Commissioner, Central excise	Mumbai	Nov '00	Nov '02
VI	Additional / Joint Commissioner, Central Excise	Dibrugarh	06.01.03	Till date

4.3 That the applicant during his present tenure has been posted at Dibrugarh w.e.f. 06.01.2003. Now, he is working as Additional Commissioner. That the applicant was transferred from Mumbai to North East Region on the basis of the Policy of Govt. of India.

4.4 That the Govt. of India's Policy on the transfer and posting of the North East Region bestow certain special concession and service benefits to the officers transferred to the North East Region. The Policy *inter alia*, states that –

- a) will be fixed tenure of two years.
- b) On completion of fixed tenure the officer will be posted to a station of his choice.
- c) Facility of retention of Govt. accommodation at the last place of posting (so that family and children could lead a normal family life undisturbed).

Copies of the relevant instructions are enclosed as Annexure – A1 & A2.

4.5 That the applicant as per the above stated policy retained the Govt. accommodation at Mumbai as his children were studying in the Sixth and Tenth Standard.

4.6 That the applicant's children are now studying in the Eighth and Twelfth Class in Mumbai under the Maharashtra Education Board.

4.7 **The Central Board of Excise & Customs (CBEC)** under the Department of Revenue, Ministry of Finance, has recently formulated a New Transfer Policy for Group 'A' officers of the Indian Revenue Service (Customs & Central Excise). This transfer policy as mandated in the instruction itself, shall come into effect from the 1<sup>st</sup> April 2005.

Copy of the Transfer Policy CBEC 2005 is enclosed as Annexure – B

4.8 That pursuant to the New Transfer Policy, the CBEC had called for options for postings from all individual Group-A officers of the Indian Revenue Service (C & CE).

4.9 That your humble applicant accordingly submitted his option on 02.04.2005 (Copy enclosed). The relevant portion of your applicant's option is reproduced below:-

3

**"3. ( Question in the Transfer proforma) If you want posting to a particular station, name the five different stations in order of preference and give reasons – (Answer):- Mumbai.**

**Reasons being** (a) I have completed my tenure of posting in North East. Therefore, as per DOPT's instruction, I am entitled to be posted to a place of my choice, and (b) My son is studying in the XII Class (Science) in Khalsa College, Matunga, Mumbai. It is of utmost importance that he is not disturbed at this crucial juncture of the academic year. So I should be posted to Mumbai."

Copy of Option / Transfer Proforma submitted to the CBEC is enclosed as Annexure – C.

4.10 That the order of transfer No. 91/2005 dated 10/06/2005 has been issued under which a number of Group 'A' officers have been transferred from one station to another. The name of the applicant also features against Sl.No. 243 of the said order. The applicant has been transferred and posted to Kolkata. It is stated that this order of transfer has been issued as a routine exercise of power and has been done without application of mind. The existing policies of transfer and posting in particular of the officers posted in the NE region have not been taken into consideration while issuing the common transfer order and as a result, although, the applicant is protected under the prescribed transfer policy, has been transferred out of the present place of posting without taking into consideration the facts and his option under the transfer policy.

Copy of the Transfer Order dated 10/06/2005 is enclosed as Annexure – D.

4.11 That the applicant during his tenure of hardship posting in the North East Region has sincerely and diligently served despite being away from the family, on the implied promise in the 'North East Transfer Policy' that after completion of the "tenure" in the North East Region, he would be posted to a place of his choice. Accordingly, he has opted for a posting at Mumbai where his family is retained. The order No. 91/2005 dated 10/06/2005 issued by the CBEC has

denied the applicant what is due to him thus violating the principles of promissory estoppels.

4.12 That the applicant's son Master T.Y. GERIL RIGZIN is studying in the XII Class in the Guru Nanak Khalsa College, Matunga, Mumbai under the Maharashtra Education Board. As per the Education Policy of the respective States, migration at XII Standard is not permitted. Thus, if the applicant is transferred to Kolkata, he is compelled to surrender the retention of his accommodation at Mumbai, where his family is staying and his son's academic career will be jeopardized and cause irreparable loss to the applicant.

Copy of the Reading Certificate is enclosed as Annexure – E.

4.13 That your humble applicant is aggrieved at the manifest injustice meted out to him on the following grounds –

- (a) That the CBEC by not accepting the "Option" of the applicant has denied the promise made in the North East Region Policy. Thus violating the promissory estoppels.
- (b) That the applicant as per the North East Policy of transfer has retained the Govt. accommodation at the last place of his posting and his children are studying in the Eighth and Twelfth Class in Mumbai. By not accepting the applicant's option by the CBEC in violation of its own Policy, the academic career of his children is under jeopardy.
- (c) **Besides**, the impugned transfer order is also not in conformity with the present transfer policy of the CBEC considering the fact that Para 5.8 of the New Transfer Policy of the CBEC states that the officers, after completing their tenure in the North Eastern Region '**will get preference in posting to stations of their choice**'.

6

4.14 From the above, it appears that while issuing the transfer order, the CBEC has not taken the National Policy of Transfer on North East as well as its own Transfer Policy into consideration.

4.15 The delay in issuance of the Transfer order is in violation of CBEC's own deadline under Para 2.1(g) stipulating that –" All Annual Transfer orders shall normally be issued by 30<sup>th</sup> April, and, in any case, not later than 31<sup>st</sup> May of the year". The impugned transfer order, if implemented, will cause irreparable harm and loss to the applicant, as his family who were allowed retention would be rendered homeless because his son will be writing Maharashtra Board's Twelfth Examination and cannot be shifted.

4.16 The impugned transfer order has been issued on 10/06/2005 with direction to submit compliance report of relieve of officers by the 15<sup>th</sup> June 2005 and thus denying natural justice and opportunity to make legitimate representation (11<sup>th</sup> and 12<sup>th</sup> June being holidays). This depicts a very hasty action and speaks of the colourable exercise of power under camouflage.

4.17 That the said transfer order has been issued whimsically, and arbitrariness is writ large in the facts and circumstances of the case and as such is violation of the Articles 14 and 16 of the Constitution of India.

4.18 That the said transfer order is neither in public interest nor office exigency demands such transfer and facts and circumstances of the case demonstrate that wholesale transfer order has been issued without considering the individual circumstances of the officers, particularly hardship posting already served by the applicant and as such the transfer order is not just and fair and is not within the ambit of fair administrative action.

4.19 That while issuing the transfer order, the applicant's well-reasoned, legitimate option for posting has not been considered in utter disregard of the factual evaluation of the hardship entailed in the remote area posting and existing Policy extending choice return posting avowed for serving in North Eastern Region. This shows the insensitive attitude of the CBEC towards the employees working under.

5. **Grounds for relief with legal provisions.**

5.1 For that the order of transfer has been issued in violation of the directive of posting and transfer of the applicant, who has completed mandatory tenure of posting in NE region.

5.2 For that the order has been issued totally ignoring the consideration of the "choice station" posting admissible to the applicant on his return posting from the North Eastern Region.

5.3 For that the order has been issued ignoring the hardship of the family who have been staying separately for the last years and the academic interest of the child of the applicant.

5.4 For that the transfer order has been issued totally bypassing / ignoring the policy of transfer 2005.

5.5 For that the transfer order is not in public interest nor in exigency of service or reasonable administrative ground.

5.6 For that the order of transfer being arbitrary and whimsical is violative of the Articles 14 and 16 of the Constitution of India.

5.7 For that the order of transfer is not just and fair.

5.8 For that malice in law and malice in fact is explicit in the facts and circumstances of the case.

5.9 The impugned transfer order, if implemented, will cause irreparable harm and loss to the applicant as his family is already separated for the last two years and his son is studying in the Twelfth Class under the Maharashtra Education Board and as per the Education Policy of the States, migration in the Twelfth Class is not permitted.

5.10 For that the order of transfer is result of colourable exercise of power.

2.10 For that the order of transfer is result of colourable exercise of power.

Class is not mentioned  
Board and as per the Education Policy of the State, migration in the Twelfth and the student is studying in the Twelfth Class under the Maharashtra Education and for the applicant as his family is a family separated for the last two years. The impugned transfer order, if implemented, will cause irreparable harm

2.8 For that the order of transfer is not in public interest not in exigency of service reasonable and administrative ground.

2.7 For that the order of transfer is not just and fair.

2.6 For that the order of transfer being arbitrary and whimsical is violative of the Articles 14 and 16 of the Constitution of India.

2.5 For that the transfer order is not in public interest not in exigency of service reasonable and administrative ground.

2.4 For that the transfer order has been issued totally bypassing / ignoring the policy of transfer 2003.

2.3 For that the order has been issued ignoring the hardship of the family who have been staying separately for the last years and the academic interest of the child of the applicant.

2.2 For that the order has been issued totally ignoring the consideration of the "holistic" posting admissible to the applicant on his return posting from the North Eastern Region.

2.1 For that the order of transfer has been issued in violation of the directive or posting and transfer of the applicant who has completed mandatory tenure of posting in NE region.

2. Grounds for object with legal provisions.

TRANSFER/ PLACEMENT POLICY FOR GROUP 'A' OFFICERS OF  
THE INDIAN REVENUE SERVICE (C & CE)

## INTRODUCTION

- 1.1 The Ministry of Finance has taken major initiatives for tax reforms, including reform of tax administration with an emphasis on reducing inter-face between the tax payers and administration; imparting greater transparency and minimizing discretion so as to ensure efficiency and recognition of merit and honesty.
- 1.2 The successful implementation of tax reforms depends on the efficiency of the delivery system. A significant contributor to the effectiveness of the administrative machinery is a credible human resource development policy, which offers opportunities for excellence and career advancement through a proper placement strategy.
- 1.3 The existing placement policy has been in place for over a decade. Based on the experience of its implementation, a review of the present system of transfers and postings was carried out. Accordingly, a new Transfer/ Placement Policy (herein after referred to as the Transfer Policy) for Group 'A' Officers of IRS (C&CE) has been formulated. The new transfer/ placement policy shall come into effect from 1<sup>st</sup> April, 2005.

## SALIENT FEATURES OF THIS TRANSFER POLICY

- 2.1 a) The salient features of this Transfer are as follows: a) All transfer and postings of Group 'A' officers of IRS (C&CE) shall be effected by the Board/Placement Committee or on their recommendation as stated hereinafter;
- b) The Transfer policy has been formulated for officers at different levels;
- c) All stations have been categorized in three classes and tenure of stay in different classes of station has been prescribed;
- d) All posts have been divided into two categories, namely, Sensitive and Non-Sensitive;
- e) All posts have been categorized as field and non-field posts;
- f) Guidelines for dealing with different types of "compassionate grounds" cases have been laid down;
- g) All annual transfer orders shall be normally issued by 30<sup>th</sup> April and,

*certified to be true copy  
for Advocate*

in any case, not later than 31<sup>st</sup>  
May of the year.

α  
v

- 2.2 A correct and complete database is a sine qua non for operationalising the Placement Policy. CBEC shall ensure that the database containing the profiles of all Group 'A' officers is regularly updated.
- 2.3 All grievances arising out of the implementation of This Transfer Policy shall be addressed in accordance with the guidelines issued by the Department of Personnel & Training, only after the officer has joined his new assignment.
- 2.4 This Transfer Policy shall not be applicable to the transfer of Chief Commissioners /Directors General.

### 3.0 THE BOARD/ PLACEMENT COMMITTEE:

- 3.1 The Board will recommend proposals for posting of Chief Commissioners /Directors General and Commissioners for approval of the Government i.e. Finance Minister through Revenue Secretary and Minister of State (Revenue). Joint Secretary (Administration), CBEC will serve as Secretary to the Board for this purpose.
- 3.2 The Placement Committee will be the final authority for transfer of officers below the rank of Commissioner, provided the case falls within the purview the existing guidelines. After the proposals are drawn up and approved by the Board, the Chairman shall consult MOS (R) before giving effect to the annual transfers proposals. Approval of the Government will be required in case a deviation from the existing guidelines has to be made.
- 3.3 The Placement Committee shall consist of the following:
- a) Chairman;
  - b) Member (Personnel and Vigilance);
  - c) One Member of CBEC to be nominated, in rotation, by the Chairman of the Board for a period of six months; and
  - d) Joint Secretary (Admn.) posted in CBEC as its Member-Secretary
- 3.4 The minutes of the meeting of the Board/Placement Committee shall be drawn up and approved by all Members within 24 hours in a meeting (not by circulation). These must be approved by the competent authority within thirty days.

#### 4.0 TRANSFER POLICY FOR OFFICERS AT DIFFERENT LEVELS

19

- 4.1 In case of Commissioners and Chief Commissioners/ Directors General, the Board will recommend both the station of posting and the specific charge.
- 4.2 Officers below the rank of Commissioner will be placed at the disposal of the Chief Commissioner/ Director General concerned, for further deployment. While considering the officers for further deployment, the Chief Commissioner/Director General shall keep in mind the old cycle of posting of the said officer considering which Board has placed that officer at their disposal.
- 4.3 The normal practice is transfer on promotion. In individual cases this may give rise to hardship. Hence, this may be decided by the Board/Placement Committee. For this purpose, the grant of Senior Time Scale/Non Functional Selection Grade shall not be treated as promotion.
- 4.4 Directly recruited / newly promoted Group 'A' officers shall be given intensive training in accountancy for a period of 2-3 months during the period of probation / upon promotion. Upon completion of training, directly recruited officers shall be normally posted to a class 'A' station, whereas the officers promoted from Group 'B' to Group 'A' shall, on promotion, be transferred out of the station in which they were previously working, unless the balance service is less than three years. Further, in view of the sensitive nature of the job, Appraisers, on or after promotion to the post of Assistant Commissioner, will not continue to remain posted in the Commissionerate which exercised jurisdiction over the Customs House on whose cadre they were originally borne.
- 4.5 As far as possible, an officer shall spend the first nine years of his service on field posts. All posts in the Commissionerates of Customs, Central Excise, Service Tax and the Directorates of Revenue Intelligence and Central Excise Intelligence have been categorized as field posts. Officers upto and including the rank of Commissioners shall ordinarily be posted on field assignments for at least 5, 3 and 2 years respectively, in each of the first 3 decades of their career respectively. During the first six years, the officer shall not ordinarily be given a posting outside the department or sent on a deputation, and should be given exposure in Central Excise, Service Tax and Customs branches, as far as possible. After completing

six years of service, an officer may be posted to the Board as an Under Secretary.

20

4.6

As far as possible, the senior most officer may be posted as the Executive Commissioner. However, once posted, a commissioner will not be moved out of the executive charge merely because an officer senior to him has replaced the hitherto junior non-executive Commissioner at that station.

4.7

The officers will, as far as possible, be rotated between the Customs and Central Excise branches every two years and adequate experience in Service Tax branch will also be ensured as far as possible. This shall be done after the Annual Transfers have been effected. At stations where there are separate Chief Commissioners of Central Excise and Customs, a committee of all such Chief Commissioners shall collectively decide on the rotation between the two branches at that station. At other stations, local rotation will be done jointly by the Chief Commissioners who exercise control over the posts located at that station.

#### 5.0 CLASSIFICATION OF STATIONS, FIXATION OF TENURES OF POSTING AND ROTATION BETWEEN THEM

5.1

The various stations where Group 'A' officers may be posted have been categorized as Class 'A', Class 'B' and Class 'C' [Annexure I-III]. Such categorization is based on the twin criteria of revenue collection and the number of Commissioner level posts at a station.

5.2

The categorization of stations may be changed by the Board with the approval of the Government.

5.3

The States in the country have been divided into 4 areas viz. East, West, North and South [Annexure-IV]. An officer shall not serve in an 'area' for more than a total of 14 years (hereinafter referred to as a cycle) during his entire tenure up to and including the rank of Commissioner of which tenure in an 'A' station shall be for a maximum of 6 years. The tenure shall not be less than four years in a Class 'B' station and not less than two years in a Class 'C' station. The maximum total tenure of an officer in all Class 'A' stations during his service upto and including the rank of Commissioner shall be 16 years. The tenure of posting in Customs Overseas Intelligence Network shall not exceed three years. A stay of more than nine months in a station (to be computed as on 31<sup>st</sup> December of the previous year) will be treated as a complete year, and the length of the period of stay

shall be counted from the date of joining. An officer posted in Class 'A' or 'B' station can opt to move to a lower category station after he has completed at least half his tenure in that station.

21  
30

5.4

An officer shall be rotated between the three different classes of stations. After completing one cycle of posting, the officer shall be moved to another area. Further, as far as possible, an officer shall serve in at least two areas of the country viz. North, South, East, and West, during his career upto and including the rank of Commissioner.

It may be clarified that an officer can be posted from a Class 'A' station to a Class 'B' or Class 'C' station (not necessarily in that order) in any other area and vice versa, provided that if he had been posted in that area earlier, a minimum period of 2 years should have elapsed before he can be posted again to the same area (called cooling off period).

5.5

All postings in the Board and deputation to technical posts in the Department of Revenue, Central Economic Intelligence Bureau (CEIB), Enforcement Directorate, Authority for Advance Rulings (AAR), Competent Authorities (CAs), Appellate Tribunal for Forfeited Property (ATFP), Customs, Excise and Service Tax Tribunal (CESTAT) and Settlement Commission shall not count towards calculation of stay at a particular station/area but may be so counted at the option of the officer. However, an officer who has been on deputation to any one of the aforesaid bodies shall not ordinarily be considered for another deputation to any of the aforesaid organizations. When an officer applies for clearance for a posting on deputation, his previous history of postings will be considered while giving cadre clearance. An officer shall invariably be transferred out of the station in which he was on deputation on his return.

5.6

In order to encourage officers to seek postings in Class 'C' station, the Government shall sanction:

- a) At least one vehicle for office use in every Class 'C' station irrespective of the level of the officer heading the office; and
- b) 100 per cent housing facilities at the Officer level to the extent possible.
- c) The starting point for

computing the stay in Class 'A',  
'B' or 'C' station shall be the  
date of joining at the station.

22

31

- 5.7 Joint Secretary (Admn.) posted in CBEC as its Member-Secretary
- 5.8 The officers after completing their tenure in North Eastern Region (Assam, Sikkim, Meghalaya, Mizoram, Manipur, Nagaland, Arunachal Pradesh and Tripura), Jammu and Kashmir, NACEN and its RTIs and Vigilance Directorate and CESTAT will get preference in posting to stations of their choice.
- 5.9 When a certain number of officers are due for moving out of a station to a new station or by local rotation to new postings in the same station for the reason of having completed their tenure, but cannot be so moved due to inadequate number of vacancies available, the officer who has served for longer periods will be moved first.
- 5.10 The station of the posting will be taken as the actual place where an officer is posted and not head quarters of Commissionerate/ Directorate to which the officer is posted.

#### **6.0 CATEGORISATION OF POSTS INTO SENSITIVE AND NON-SENSITIVE**

- 6.1 All posts in CBEC have been classified into sensitive and non-sensitive with the approval of the Government: [Annexure-V]
- 6.2 Ordinarily, the tenure of an officer on a sensitive post shall be two to three years at one stretch.

#### **7.0 POSTINGS IN DIRECTORATES OF REVENUE INTELLIGENCE, CENTRAL EXCISE INTELLIGENCE, VIGILANCE AND SYSTEMS (CBEC)**

- 7.1 In the Directorates of Revenue Intelligence, Central Excise Intelligence, Vigilance and Systems, the respective Director General will propose a panel of names for the consideration of the Board/Placement Committee. Individual officers will be selected by the Board/Placement Committee, which will also indicate their station of posting.
- 7.2 The maximum length of tenure in the Directorates of Revenue Intelligence, Central Excise Intelligence and Vigilance will be three years, subject to the condition that no officer shall spend more than six years in these Directorates during his entire service career.

#### **8.0 POSTING ON COMPASSIONATE GROUNDS**

31

- 8.1 In case an officer seeks a posting to a particular station on medical grounds, the Board/Placement Committee is empowered to take a decision on his plea. However, if required, the Board/Placement Committee may refer the case to a Medical Board.
- 8.2 In case of working couples, if the spouse of an officer is working outside the Department, posting in the same station may be allowed subject to the instructions issued by the Department of Personnel & Training on this issue.
- 8.3 In case where the spouse is also an officer of the Department, both the officers should be posted to the same station, if they are otherwise eligible, provided that, jointly, they do not occupy more than 50 per cent of the posts in that station.

**9.0 TRANSFER ON ADMINISTRATIVE GROUNDS OR IN PUBLIC INTEREST**

- 9.1 Notwithstanding anything contained in this policy, Government may, if necessary in public interest, transfer or post any officer to any station or post;
- 9.2 An officer against whom the CVC has recommended initiation of vigilance proceedings, should not normally be posted or remain posted at the station where the cause of the vigilance proceedings originated. He shall also not be posted on a 'sensitive' charge. This restriction will remain in operation till such time the vigilance matter is not closed.

**10.0 AVAILMENT OF EARNED OR STUDY LEAVE AFTER ISSUANCE OF TRANSFER ORDERS**

An officer under orders of transfer shall be granted Earned Leave or Study Leave only after he has joined his new place of posting. The period spent on Earned Leave or Study Leave will not count towards computation of tenure in that station or 'cooling off' period. Officers who proceed on Earned Leave or study leave without completing the minimum tenure prescribed for the station/area will have to rejoin the same station for completing the prescribed tenure. In other cases the Board/Placement Committee will decide their posting after they rejoin on completion of the Earned leave/Study leave.
