ORDER**SIVARAJAN. J. (V.C.)**

The applicant is working as Additional Commissioner, Customs Preventive Commissionerate, N.E.R., Shillong since 18.3.2002. After completing three years of service in the North Eastern Region, pursuant to option called for by the Central Board of Excise and Customs, the applicant submitted option on 27.4.2005 (Annexure-C) for retention in the same station, i.e. Shillong for at least one year since his son is in the middle of the academic year. It is the grievance of the applicant that ignoring the said option, the applicant has now been transferred to Kolkata Commissionerate.

2. Mr J.L. Sarkar, learned counsel for the applicant, submits that since the applicant's son is studying at Shillong and is in the middle of the academic year he requested for his retention at Shillong itself at least for one year and without considering the said request the impugned order was passed.

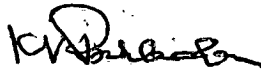

3. We have also heard Mr A.K. Chaudhuri, learned Addl. C.G.S.C. for the respondents.

4. Since the option exercised by the applicant in Annexure-C is not seen considered and since the impugned order was passed by considering the representations of various other persons, we are of the view that the respondents are to be directed to consider the case of the applicant also. For the said purpose, we direct the applicant to make a representation with reference to Annexure-C option within a period of ten days from today before the respondent No.1. If such a representation is filed the respondent No.1 will consider the same and pass appropriate orders within a period of six weeks thereafter. The

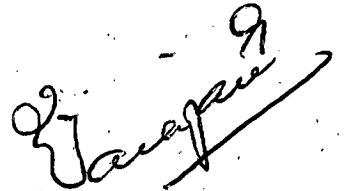

applicant will produce this order alongwith the representation before the respondent No.1 for compliance. If the application is filed within the time specified above, the respondents will retain the applicant in the present place till the disposal of the representation directed to be filed hereinabove.

The O.A. is accordingly disposed of.

Union of India & Ors.

Synopsis of the Application

That the applicant is working as Additional Commissioner, Customs Preventive Commissionerate, N.E.R., Shillong. He was posted to Shillong w.e.f. 18/03/2002.

That the applicant being posted in the North Eastern Region of India, he is entitled to stay longer in the station of his posting on his option as per the transfer policy of the Govt. of India.

That the applicant in response to the "Option" called by the Central Board of Excise and Customs, had duly intimated his willingness to continue in the station for at least one more year since his son is in the middle of the academic session.

That by order dated 10/06/2005, the applicant has been transferred to Kolkata Central Excise. It is stated that the applicant has not been released from his present post as yet.

The aforesaid transfer order has been issued without application of mind ignoring the existing policies of transfer and posting to the North Eastern Region and vice versa. The applicant has been posted out of the North Eastern Region without taking into consideration the facts and his option under the transfer policy. Moreover, the said transfer order has been issued on 10/06/2005 violating the deadline stipulated in the transfer policy.

This depicts hasty action and colourable exercise of power.

Signature of Applicant

4.3 That the applicant during his present tenure has been posted at Shillong w.e.f. 18/03/2002. Now, he is working as Additional Commissioner. Being posted in the North Eastern Region of India, he is entitled to certain special concessions and service benefits as per the directive of the Govt. of India regarding "Concessions when posted to the North Eastern Region, etc...".

Copies of the relevant instructions are enclosed as Annexure – A1 & A2.

4.4 The relevant instructions on "Tenure of posting" inter alia, stipulates that **the period of posting may be extended when the employee concerned is prepared to stay longer (or the officer on completion of tenure may be considered for station of his choice as far as possible).**

4.5 That the order of the Govt. of India extending service benefits to the officers serving in the North Eastern Region of India, is applicable, inter alia, to all Central Government Ministries/Departments.

4.6 **The Central Board of Excise & Customs, (CBEC)** under the Department of Revenue, Ministry of Finance, has recently formulated a New Transfer Policy for Group 'A' officers of the Indian Revenue Service (Customs & Central Excise). This transfer policy as mandated in the instruction itself, shall come into effect from the 1st April 2005.

Copy of the Transfer Policy CBEC 2005 is enclosed as Annexure – B

4.7 That pursuant to the New Transfer Policy, the CBEC had called for options for postings from all individual Group-A officers of the Indian Revenue Service (C & CE).

4.8 That your humble applicant accordingly submitted his option on 27.04.2005 (Copy enclosed). The relevant portion of your applicant's option is reproduced below:-

"3. (Question in the Transfer proforma) If you want posting to a particular station, name the five different stations in order of preference and give reasons – (Answer):- I have completed 3 years in Class 'C' station,

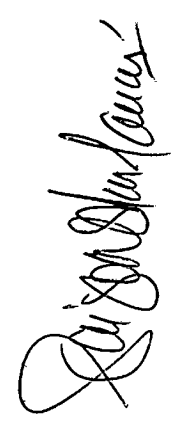

Singh & Associates

12

however, I want retention in the same station for at least one year since my son is in the middle of academic year".

Copy of Option / Transfer Proforma submitted to the CBEC is enclosed as Annexure – C.

4.9 That the order of transfer No. 91/2005 dated 10/06/2005 has been issued under which a number of Group 'A' officers have been transferred from one station to another. The name of the applicant also features against Sl.No. 76 of the said order. The applicant has been transferred and posted to Kolkata. It is stated that this order of transfer has been issued as a routine exercise of power and has been done without application of mind. The existing policies of transfer and posting in particular of the officers posted in the NE region have not been taken into consideration while issuing the common transfer order and as a result, although, the applicant is protected under the prescribed transfer policy, has been transferred out of the present place of posting without taking into consideration the facts and his option under the transfer policy.

Copy of the Transfer Order dated 10/06/2005 is enclosed as Annexure – D.

4.10 That the said order on transfer dated 10/06/2005 has been issued mechanically even ignoring the instruction and enunciated policy as laid down in the published transfer policy. The para 2.1 (g) of the said transfer policy (Annexure – B) stipulates as under:

" (g) All annual transfer orders shall be normally issued by 30th April and, in any case, not later than 31st May of the year."

The said transfer order ignores the above direction and as such is violative of the direction in the transfer policy. This prejudices cause and interest of the applicant particularly in the education of his child.

4.11 That the applicant reiterates that he has been working at Shillong and he has expressed his willingness in writing that he is willing to stay longer period at Shillong, his case deserves to be considered under the instruction that period of posting at Shillong may be extended when the employee concerned is prepared

to stay longer. The applicant has already expressed his willingness to stay for one more year.

4.12 That the son of the applicant is in the mid-academic session and the particulars are given below:

Master D.Panmei – KG II – Mayfair School, Shillong – 2005-06 Session

4.13 That your humble applicant is aggrieved at the manifest injustice meted out to him on the following grounds –

Signature

- (a) That the CBEC has shown no consideration to the very "Option" of the applicant praying for retention in the same station for only one more year on the ground of education of his son, who is in the middle of his academic year.
- (b) That the CBEC, by rejecting the prayer of your applicant for retention in the same station for only one more year, has violated the directive of the Govt. of India, regarding "Concessions when posted in the North Eastern Region" (Supra) which clearly spells out that "the period may be extended When the employee concerned is prepared to stay longer".
- (c) **Besides**, the impugned transfer order is also not in conformity with the present transfer policy of the CBEC on the following premises –
 - (i) Para 5.8 of the New Transfer Policy of the CBEC states that the officers, after completing their tenure in the North Eastern Region '**will get preference in posting to stations of their choice**'.
 - (ii) The words "station of their choice" is obviously an inclusive term and naturally includes in its ambit the choice of continuation in the present station of

posting and that too, only for one more year on the ground of child's education.

4.14 From the above, it appears that while issuing the transfer order, the CBEC has not taken the National Policy of Transfer on North East as well as its own Transfer Policy into consideration.

4.15 The impugned transfer order affecting the applicant is not made in Public interest – rather, it reeks of discrimination, non-application of mind, etc. because retention of an officer, who hails from the region, for another year would instead have helped the public interest owing of the following reasons:-

Signature

- (i) Retention of quarters by officer from outside the region replacing the applicant could have been avoided.
- (ii) Similarly, saving the expenditure on double house rent to the replacing officer from outside the region could have helped the national exchequer.
- (iii) Posting of an unwilling officer (as the case may be) to a hardship station would not have helped the interest of the Department in particular and the Nation in general.

4.16 The delay in issuance of the Transfer order is in violation of CBEC's own deadline under Para 2.1(g) stipulating that –" All Annual Transfer orders shall normally be issued by 30th April, and, in any case, not later than 31st May of the year". The impugned transfer order, if implemented, will cause irreparable harm and loss to the applicant as his son is in the middle of the academic year.

4.17 The impugned transfer order has been issued on 10/06/2005 with direction to submit compliance report of relieve of officers by the 15th June 2005 and thus denying natural justice and opportunity to make legitimate representation (11th and 12th June being holidays). This depicts a very hasty action and speaks of the colourable exercise of power under camouflage.

4.18 That the said transfer order has been issued whimsically, and arbitrariness is writ large in the facts and circumstances of the case and as such is violation of the Articles 14 and 16 of the Constitution of India.

4.19 That the said transfer order is neither in public interest nor office exigency demands such transfer and facts and circumstances of the case demonstrate that wholesale transfer order has been issued without considering the individual circumstances of the officers, particularly of the applicant and as such the transfer order is not just and fair and is not within the ambit of fair administrative action.

Disputed Case

5. **Grounds for relief with legal provisions.**

5.1 For that the order of transfer has been issued in violation of the directive of posting and transfer as regards officers posted in NE region.

5.2 For that the order has been issued totally ignoring the consideration of the choice station posting for the officers working in NE region.

5.3 For that the prayer of the applicant explaining that he is prepared to stay longer for one more year which is permissible under the scheme for NE region has not at all been considered.

5.4 For that the order has been issued ignoring the academic interest of the child of the applicant, who is in the mid session.

5.5 For that the transfer order has been issued totally bypassing / ignoring the policy of transfer 2005.

5.6 For that the transfer order is not in public interest nor in exigency of service or reasonable administrative ground.

5.7 For that the order of transfer being arbitrary and whimsical is violative of the Article 14 and 16 of the Constitution of India.

5.8 For that the order of transfer is not just and fair.

5.9 For that malice in law and malice in fact is explicit in the facts and circumstances of the case.

**TRANSFER/ PLACEMENT POLICY FOR GROUP 'A' OFFICERS OF
THE INDIAN REVENUE SERVICE (C & CE)**

INTRODUCTION

- 1.1 The Ministry of Finance has taken major initiatives for tax reforms, including reform of tax administration with an emphasis on reducing inter-face between the tax payers and administration; imparting greater transparency and minimizing discretion so as to ensure efficiency and recognition of merit and honesty.
- 1.2 The successful implementation of tax reforms depends on the efficiency of the delivery system. A significant contributor to the effectiveness of the administrative machinery is a credible human resource development policy, which offers opportunities for excellence and career advancement through a proper placement strategy.
- 1.3 The existing placement policy has been in place for over a decade. Based on the experience of its implementation, a review of the present system of transfers and postings was carried out. Accordingly, a new Transfer/ Placement Policy (herein after referred to as the Transfer Policy) for Group 'A' Officers of IRS (C&CE) has been formulated. The new transfer/placement policy shall come into effect from 1st April, 2005.

SALIENT FEATURES OF THIS TRANSFER POLICY

- 2.1
 - a) The salient features of this Transfer are as follows: a) All transfer and postings of Group 'A' officers of IRS (C&CE) shall be effected by the Board/Placement Committee or on their recommendation as stated hereinafter;
 - b) The Transfer policy has been formulated for officers at different levels;
 - c) All stations have been categorized in three classes and tenure of stay in different classes of station has been prescribed;
 - d) All posts have been divided into two categories, namely, Sensitive and Non-Sensitive;
 - e) All posts have been categorized as field and non-field posts.
 - f) Guidelines for dealing with different types of "compassionate grounds" cases have been laid down;
 - g) All annual transfer orders shall be normally issued by 30th April and,

*Certified to be true copy
Asst. Secretary*

in any case, not later than 31st
May of the year.

- 2.2 A correct and complete database is a sine qua non for operationalising the Placement Policy. CBEC shall ensure that the database containing the profiles of all Group 'A' officers is regularly updated.
- 2.3 All grievances arising out of the implementation of This Transfer Policy shall be addressed in accordance with the guidelines issued by the Department of Personnel & Training, only after the officer has joined his new assignment.
- 2.4 This Transfer Policy shall not be applicable to the transfer of Chief Commissioners /Directors General.

3.0 THE BOARD/ PLACEMENT COMMITTEE:

- 3.1 The Board will recommend proposals for posting of Chief Commissioners /Directors General and Commissioners for approval of the Government i.e. Finance Minister through Revenue Secretary and Minister of State (Revenue). Joint Secretary (Administration), CBEC will serve as Secretary to the Board for this purpose.
- 3.2 The Placement Committee will be the final authority for transfer of officers below the rank of Commissioner, provided the case falls within the purview the existing guidelines. After the proposals are drawn up and approved by the Board, the Chairman shall consult MOS (R) before giving effect to the annual transfers proposals. Approval of the Government will be required in case a deviation from the existing guidelines has to be made.
- 3.3 The Placement Committee shall consist of the following:
- a) Chairman;
 - b) Member (Personnel and Vigilance);
 - c) One Member of CBEC to be nominated, in rotation, by the Chairman of the Board for a period of six months; and
 - d) Joint Secretary (Admn.) posted in CBEC as its Member-Secretary
- 3.4 The minutes of the meeting of the Board/Placement Committee shall be drawn up and approved by all Members within 24 hours in a meeting (not by circulation). These must be approved by the competent authority within thirty days.

4.0 TRANSFER POLICY FOR OFFICERS AT DIFFERENT LEVELS

- 4.1 In case of Commissioners and Chief Commissioners/ Directors General, the Board will recommend both the station of posting and the specific charge.
- 4.2 Officers below the rank of Commissioner will be placed at the disposal of the Chief Commissioner/ Director General concerned, for further deployment. While considering the officers for further deployment, the Chief Commissioner/Director General shall keep in mind the old cycle of posting of the said officer considering which Board has placed that officer at their disposal.
- 4.3 The normal practice is transfer on promotion. In individual cases this may give rise to hardship. Hence, this may be decided by the Board/Placement Committee. For this purpose, the grant of Senior Time Scale/Non Functional Selection Grade shall not be treated as promotion.
- 4.4 Directly recruited / newly promoted Group 'A' officers shall be given intensive training in accountancy for a period of 2-3 months during the period of probation / upon promotion. Upon completion of training, directly recruited officers shall be normally posted to a class 'A' station, whereas the officers promoted from Group 'B' to Group 'A' shall, on promotion, be transferred out of the station in which they were previously working, unless the balance service is less than three years. Further, in view of the sensitive nature of the job, Appraisers, on or after promotion to the post of Assistant Commissioner, will not continue to remain posted in the Commissionerate which exercised jurisdiction over the Customs House on whose cadre they were originally borne.
- 4.5 As far as possible, an officer shall spend the first nine years of his service on field posts. All posts in the Commissionerates of Customs, Central Excise, Service Tax and the Directorates of Revenue Intelligence and Central Excise Intelligence have been categorized as field posts. Officers upto and including the rank of Commissioners shall ordinarily be posted on field assignments for at least 5, 3 and 2 years respectively, in each of the first 3 decades of their career respectively. During the first six years, the officer shall not ordinarily be given a posting outside the department or sent on a deputation, and should be given exposure in Central Excise, Service Tax and Customs branches, as far as possible. After completing

six years of service, an officer may be posted to the Board as an Under Secretary.

- 4.6 As far as possible, the senior most officer may be posted as the Executive Commissioner. However, once posted, a commissioner will not be moved out of the executive charge merely because an officer senior to him has replaced the hitherto junior non-executive Commissioner at that station.
- 4.7 The officers will, as far as possible, be rotated between the Customs and Central Excise branches every two years and adequate experience in Service Tax branch will also be ensured as far as possible. This shall be done after the Annual Transfers have been effected. At stations where there are separate Chief Commissioners of Central Excise and Customs, a committee of all such Chief Commissioners shall collectively decide on the rotation between the two branches at that station. At other stations, local rotation will be done jointly by the Chief Commissioners who exercise control over the posts located at that station.

5.0 CLASSIFICATION OF STATIONS, FIXATION OF TENURES OF POSTING AND ROTATION BETWEEN THEM

- 5.1 The various stations where Group 'A' officers may be posted have been categorized as Class 'A', Class 'B' and Class 'C' [**Annexure I-III**]. Such categorization is based on the twin criteria of revenue collection and the number of Commissioner level posts at a station.
- 5.2 The categorization of stations may be changed by the Board with the approval of the Government.
- 5.3 The States in the country have been divided into 4 areas viz. East, West, North and South [**Annexure-IV**]. An officer shall not serve in an 'area' for more than a total of 14 years (hereinafter referred to as a cycle) during his entire tenure up to and including the rank of Commissioner of which tenure in an 'A' station shall be for a maximum of 6 years. The tenure shall not be less than four years in a Class 'B' station and not less than two years in a Class 'C' station. The maximum total tenure of an officer in all Class 'A' stations during his service upto and including the rank of Commissioner shall be 16 years. The tenure of posting in Customs Overseas Intelligence Network shall not exceed three years. A stay of more than nine months in a station (to be computed as on 31st December of the previous year) will be treated as a complete year, and the length of the period of stay

shall be counted from the date of joining. An officer posted in Class 'A' or 'B' station can opt to move to a lower category station after he has completed at least half his tenure in that station.

- 5.4 An officer shall be rotated between the three different classes of stations. After completing one cycle of posting, the officer shall be moved to another area. Further, as far as possible, an officer shall serve in at least two areas of the country viz. North, South, East, and West, during his career upto and including the rank of Commissioner.

It may be clarified that an officer can be posted from a Class 'A' station to a Class 'B' or Class 'C' station (not necessarily in that order) in any other area and vice versa, provided that if he had been posted in that area earlier, a minimum period of 2 years should have elapsed before he can be posted again to the same area (called cooling off period).

- 5.5 All postings in the Board and deputation to technical posts in the Department of Revenue, Central Economic Intelligence Bureau (CEIB), Enforcement Directorate, Authority for Advance Rulings (AAR), Competent Authorities (CAs), Appellate Tribunal for Forfeited Property (ATFP), Customs, Excise and Service Tax Tribunal (CESTAT) and Settlement Commission shall not count towards calculation of stay at a particular station/area but may be so counted at the option of the officer. However, an officer who has been on deputation to any one of the aforesaid bodies shall not ordinarily be considered for another deputation to any of the aforesaid organizations. When an officer applies for clearance for a posting on deputation, his previous history of postings will be considered while giving cadre clearance. An officer shall invariably be transferred out of the station in which he was on deputation on his return.

- 5.6 In order to encourage officers to seek postings in Class 'C' station, the Government shall sanction:

- a) At least one vehicle for office use in every Class 'C' station irrespective of the level of the officer heading the office; and
- b) 100 per cent housing facilities at the Officer level to the extent possible.
- c) The starting point for

computing the stay in Class 'A', 'B' or 'C' station shall be the date of joining at the station.

30

- 5.7 Joint Secretary (Admn.) posted in CBEC as its Member-Secretary
- 5.8 The officers after completing their tenure in North Eastern Region (Assam, Sikkim, Meghalaya, Mizoram, Manipur, Nagaland, Arunachal Pradesh and Tripura), Jammu and Kashmir, NACEN and its RTIs and Vigilance Directorate and CESTAT will get preference in posting to stations of their choice.
- 5.9 When a certain number of officers are due for moving out of a station to a new station or by local rotation to new postings in the same station for the reason of having completed their tenure, but cannot be so moved due to inadequate number of vacancies available, the officer who has served for longer periods will be moved first.
- 5.10 The station of the posting will be taken as the actual place where an officer is posted and not head quarters of Commissionerate/Directorate to which the officer is posted.

6.0 CATEGORISATION OF POSTS INTO SENSITIVE AND NON-SENSITIVE

- 6.1 All posts in CBEC have been classified into sensitive and non-sensitive with the approval of the Government: **[Annexure-V]**
- 6.2 Ordinarily, the tenure of an officer on a sensitive post shall be two to three years at one stretch.

7.0 POSTINGS IN DIRECTORATES OF REVENUE INTELLIGENCE, CENTRAL EXCISE INTELLIGENCE, VIGILANCE AND SYSTEMS (CBEC)

- 7.1 In the Directorates of Revenue Intelligence, Central Excise Intelligence, Vigilance and Systems, the respective Director General will propose a panel of names for the consideration of the Board/Placement Committee. Individual officers will be selected by the Board/Placement Committee, which will also indicate their station of posting.
- 7.2 The maximum length of tenure in the Directorates of Revenue Intelligence, Central Excise Intelligence and Vigilance will be three years, subject to the condition that no officer shall spend more than six years in these Directorates during his entire service career.

8.0 POSTING ON COMPASSIONATE GROUNDS

- 8.1 In case an officer seeks a posting to a particular station on medical grounds, the Board/Placement Committee is empowered to take a decision on his plea. However, if required, the Board/Placement Committee may refer the case to a Medical Board.
- 8.2 In case of working couples, if the spouse of an officer is working outside the Department, posting in the same station may be allowed subject to the instructions issued by the Department of Personnel & Training on this issue.
- 8.3 In case where the spouse is also an officer of the Department, both the officers should be posted to the same station, if they are otherwise eligible, provided that, jointly, they do not occupy more than 50 per cent of the posts in that station.

9.0 TRANSFER ON ADMINISTRATIVE GROUNDS OR IN PUBLIC INTEREST

- 9.1 Notwithstanding anything contained in this policy, Government may, if necessary in public interest, transfer or post any officer to any station or post;
- 9.2 An officer against whom the CVC has recommended initiation of vigilance proceedings, should not normally be posted or remain posted at the station where the cause of the vigilance proceedings originated. He shall also not be posted on a 'sensitive' charge. This restriction will remain in operation till such time the vigilance matter is not closed.

10.0 AVAILMENT OF EARNED OR STUDY LEAVE AFTER ISSUANCE OF TRANSFER ORDERS

An officer under orders of transfer shall be granted Earned Leave or Study Leave only after he has joined his new place of posting. The period spent on Earned Leave or Study Leave will not count towards computation of tenure in that station or 'cooling off' period. Officers who proceed on Earned Leave or study leave without completing the minimum tenure prescribed for the station/area will have to rejoin the same station for completing the prescribed tenure. In other cases the Board/Placement Committee will decide their posting after they rejoin on completion of the Earned leave/Study leave.
