ORDER**SIVARAJAN. J. (V.C.)**

The applicant is working as Joint Commissioner, Customs Preventive Commissionerate, N.E.R. Guwahati since 5.11.2002. He is entitled to stay longer in the station of his posting on his option as per transfer policy of the Government of India, according to him. It is stated that he is entitled to continue in the station as per the instructions of the Ministry of Personnel relating to posting of husband and wife in the same station especially when their children are below 10 years of age. Pursuant to option called for by the Central Board of Excise and Customs, the applicant, it is stated, submitted option to continue in the same station for at least one more year since his wife is employed as EAC in the Assam Civil Service and since his children are in the middle of academic session. It is the grievance of the applicant that ignoring the said option, the applicant has now been transferred to Kolkata Central Excise Commissionerate.

2. Mr. J.L. Sarkar, learned counsel for the applicant, submits that since the applicant's children are studying at Guwahati and is in the middle of the academic session and since his wife is also employed there he requested for his retention at Guwahati itself at least for one more year but without considering the said request the impugned order was passed.

3. We have also heard Mr A.K. Chaudhuri, learned Addl. C.G.S.C. for the respondents.

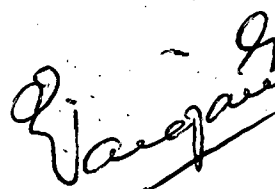

4. Since the option stated to have been exercised by the applicant is not seen considered particularly with reference to the fact that his wife is employed in Guwahati and children are in the mid

Jph

session of their studies and since the impugned order was passed by considering the representations of various other persons, we are of the view that the respondents are to be directed to consider the case of the applicant also. For the said purpose, we direct the applicant to make a representation with reference to the option within a period of ten days from today before the respondent No. 1. If such a representation is filed, the respondent No. 1 will consider the same and pass appropriate orders within a period of six weeks thereafter. The applicant will produce this order alongwith the representation before the respondent No. 1 for compliance. The respondents will retain the applicant in the present place till the disposal of the representation directed to be filed hereinabove provided the representation is filed within ten days.

The O.A. is accordingly disposed of.

Copies of the relevant instructions are enclosed as Annexure – A1 & A2.

4.4 That in addition to the legitimate admissibility mentioned hereinabove, the Central Board of Excise and Customs (CBEC) has clearly spelt out in its **transfer policy vide para 8.2 — "In case of working couples, if the spouse of an officer is working outside the department, posting in the same station may be allowed subject to the instruction issued by the Department of Personnel and Training on the issue."**

Copy of the Transfer Policy of CBEC of 2005 is enclosed as Annexure – B.

4.5 That the Ministry of Personnel, Public Grievance and Pensions in their Office Memorandum No. 28034/2/97–Estt.(A) dated 12/06/1997 vide para 2 of the said O.M. clearly mandates in spirit that request for posting of husband and wife at the same station should invariably be done, especially till their children are 10 years of age.

Copy of the said Office Memorandum dated 12/06/1997 is enclosed as Annexure – C.

4.6 That the instruction quoted from the Swamy's Handbook 2005 on "Posting of husband and wife at the same station" relating to where one spouse is employed under the Central Govt. and the other spouse is employed under the State Govt. is quoted below:

"(7) Where one spouse is employed under the Central Govt. and the other spouse is employed under the State Govt.:

The Central Govt. spouse may apply to the competent authority who may post the person to the station, or if there is no post in that station, to the State where the other spouse serves.

2. These are only illustrative and not exhaustive. **Cases not covered by the guidelines have to be dealt within the spirit of the guideline and the objective of enabling a husband and wife to lead a normal family life and ensuring the education and welfare of the children — as far as possible and within the constraints of administrative convenience."**

Copy of the instruction is enclosed as Annexure – D.

4.7 That the children of the applicant are not only below the age of 10 years but also in the mid-academic session and the particulars are given below:

Name	Age	Class	School
Master Nosezo Khieya	7 yrs.	Class II	Maria's Public School, Ghy.
Miss Jessica Khieya	3 yrs.	Group B	Maria's Public School, Ghy.

4.8 That the case of the applicant not only warrants justice and delivery of avowed intention of the Govt. of India in respect of posting of husband and wife together in order to enable them to lead a normal family life and look after the welfare of the children, especially till the children are of 10 years of age but also the relevant instructions on "Tenure of posting" inter alia, stipulates that **the period of posting may be extended when the employee concerned is prepared to stay longer (or the officer on completion of tenure may be considered for station of his choice as far as possible).**

4.9 That the applicant in response to the option called by CBEC clearly and in unambiguous words sought retention on the ground of his wife being employed as EAC in Assam Civil Services, Govt. of Assam, transferable within Assam.

Copy of the Transfer Proforma is enclosed as
Annexure – E.

4.10 That the order of transfer No. 91/2005 dated 10/06/2005 has been issued under which a number of Group 'A' officers have been transferred from one station to another. The name of the applicant also features against Sl.No. 99 of the said order. The applicant has been transferred and posted to Kolkata. It is stated that this order of transfer has been issued as a routine exercise of power and has been done without application of mind. The existing policies of transfer and posting in particular of the officers posted in the NE region and posting of husband and wife at the same station (especially when their children are below 10 years of age) have not been taken into consideration while issuing the common transfer order and as a result, although, the applicant is protected under the prescribed transfer policy, has been transferred out of the present place of posting without taking into consideration the facts and his option under the transfer policy.

Copy of the Transfer Order dated 10/06/2005
is enclosed as Annexure – F.

4.11 That the said order on transfer dated 10/06/2005 has been issued mechanically even ignoring the instruction and enunciated policy as laid down in the published transfer policy. The para 2.1 (g) of the said transfer policy (Annexure – B) stipulates as under:

" (g) All annual transfer orders shall be normally issued by 30th April and, in any case, not later than 31st May of the year."

The said transfer order ignores the above direction and as such is violative of the direction in the transfer policy. This prejudices cause and interest of the applicant in leading a normal family life and ensuring the education and welfare of their children, who are not only under the age of ten but also in the middle of academic session.

4.12 That the applicant reiterates that he has been working at Guwahati and he has expressed his willingness in writing requesting retention at Guwahati on the ground that his wife is serving in the cadre of Assam Civil Service (ACS) transferable within Assam. His case deserves to be considered under the instruction that period of posting at Guwahati may be extended when the employee concerned is prepared to stay longer. Further, the applicant is entitled to continue his stay in Guwahati under the explicit instructions of Govt of India (supra) as well as instruction contained under para 8.2 of the CBEC's new transfer policy (Annexure-B) on posting of husband and wife at the same station particularly when children are below 10 years of age. The applicant has already expressed his willingness to continue in the present station of posting.

4.13 That your humble applicant is aggrieved at the manifest injustice meted out to him on the following grounds –

- (a) That the CBEC has shown no consideration to the very "Option" of the applicant praying for retention in the same station because the spouse of the applicant is an employee of the Govt. of Assam and also on the ground of education of his children, who are below 10 years of age and are in the middle of their academic year.
- (b) That the CBEC, by rejecting the prayer of your applicant for retention in the same station, has violated the directive of the Govt. of India, regarding "Concessions when posted in the North Eastern

Region" (Supra) which clearly spells out that "the period may be extended When the employee concerned is prepared to stay longer and also the clear-cut instruction regarding posting of husband and wife at the same station.

(c) **Besides**, the impugned transfer order is also not in conformity with the present transfer policy of the CBEC on the following premises –

- (i) Para 5.8 of the New Transfer Policy of the CBEC states that the officers, after completing their tenure in the North Eastern Region '**will get preference in posting to stations of their choice**'.
- (ii) The words "station of their choice" is obviously an inclusive term and naturally includes in its ambit the choice of continuation in the present station of posting.
- (iii) Para 8.2 of the New Transfer Policy of the CBEC states that in case of working couples, if the spouse of an officer is working outside the Department, posting in the same station may be allowed subject to the instructions issued by the on this issue.
- (iv) The Department of Personnel and Training in its O.M. No. 28034/2/97-Estt. (A) dated 12/06/1997 (Annexure – C) has categorically decided that request for posting of husband and wife at the same station should invariably be done, especially till their children are 10 years of age.

4.14 From the above, it appears that while issuing the transfer order, the CBEC has not taken the National Policy of Transfer on North East, its own Transfer Policy and the directive of the Department of Personnel and Training into consideration.

4.15 The impugned transfer order affecting the applicant is not made in Public interest – rather, it reeks of discrimination, non-application of mind, etc. because retention of an officer, who hails from the region, would instead have helped the public interest owing of the following reasons:-

- (i) Retention of quarters by officer from outside the region replacing the applicant could have been avoided.
- (ii) Similarly, saving the expenditure on double house rent to the replacing officer from outside the region could have helped the national exchequer.
- (iii) Posting of an unwilling officer (as the case may be) to a hardship station would not have helped the interest of the Department in particular and the Nation in general.

4.16 The delay in issuance of the Transfer order is in violation of CBEC's own deadline under Para 2.1(g) stipulating that – "All Annual Transfer orders shall normally be issued by 30th April, and, in any case, not later than 31st May of the year". The impugned transfer order, if implemented, will cause irreparable harm and loss to the applicant in leading a normal family life as his children are in the middle of the academic year.

4.17 The impugned transfer order has been issued on 10/06/2005 with direction to submit compliance report of relieve of officers by the 15th June 2005 and thus denying natural justice and opportunity to make legitimate representation (11th and 12th June being holidays). This depicts a very hasty action and speaks of the colourable exercise of power under camouflage.

4.18 That the said transfer order has been issued whimsically, and arbitrariness is writ large in the facts and circumstances of the case and as such is violation of the Articles 14 and 16 of the Constitution of India.

4.19 That the said transfer order is neither in public interest nor office exigency demands such transfer and facts and circumstances of the case demonstrate that wholesale transfer order has been issued without considering the individual circumstances of the officers, particularly of the applicant and as such the

transfer order is not just and fair and is not within the ambit of fair administrative action.

5. **Grounds for relief with legal provisions.**

5.1 For that the order of transfer has been issued in violation of the directive of posting and transfer as regards officers posted in NE region and also directive of the Department of Personnel and Training on the posting of husband and wife at the same station.

5.2 For that the order has been issued totally ignoring the consideration of the choice station posting for the officers working in NE region and also in disregard of the explicit instruction on posting of husband and wife at the same station especially when their children are below 10 years of age.

5.3 For that the prayer of the applicant explaining that he is prepared to stay longer which is permissible under the scheme for NE region has not at all been considered.

5.4 For that the order has been issued ignoring the objective of enabling working couple to lead a normal family life and the academic interest of the children of the applicant, who are in the mid session.

5.5 For that the transfer order has been issued totally bypassing / ignoring the policy of transfer 2005 and also the declared instructions on posting of working couple at the same station.

5.6 For that the transfer order is not in public interest nor in exigency of service or reasonable administrative ground.

5.7 For that the order of transfer being arbitrary and whimsical is violative of the Articles 14 and 16 of the Constitution of India.

5.8 For that the order of transfer is not just and fair.

5.9 For that malice in law and malice in fact is explicit in the facts and circumstances of the case.

5.10 For that the delay in issuance of the Transfer order is in violation of CBEC's own deadline under Para 2.1(g) stipulating that – "All Annual Transfer orders shall normally be issued by 30th April, and, in any case, not later than 31st May of the year". The impugned transfer order, if implemented, will not only disarray normal family life of the applicant but also cause irreparable harm to the education of his children, who are in the middle of the academic year.

5.11 For that the order of transfer is result of colourable exercise of power.

5.12 For that in any view of the matter the applicant is entitled to the relief sought for.

6. **Details of the remedies exhausted.**

The applicant declares that there is no other efficacious remedies under any rule and this Hon'ble Tribunal is the only forum to adjudicate the subject matter. However, he has filed representation / option without any result.

7. **Matters not previously filed and pending with any other court.**

That the applicant declares that he has not filed any case on the subject matter before any court, forum or any other institution.

8. **Reliefs sought for.**

Under the above facts and circumstances, the applicant prays for the following reliefs:

8.1 The name of the applicant (Sl.No. 99) be deleted from the impugned transfer order dated 10/06/2005.

8.2 The applicant may be allowed to continue at his present place of posting.

96

8.3 Any other relief or reliefs as the Hon'ble Tribunal may deem fit and proper.

The above reliefs are prayed for on the grounds stated in para 5 above.

9. **Interim relief.**

During the pendency of this application, the applicant prays for the following interim reliefs:

9.1 The transfer order dated 10/06/2005 of the applicant (Sl.No. 99) be suspended / stayed and he may be allowed to continue at his present place of posting.

9.2 Any relief or reliefs as the Hon'ble Tribunal may deem fit and proper.

2005

TRANSFER/ PLACEMENT POLICY FOR GROUP 'A' OFFICERS OF
THE INDIAN REVENUE SERVICE (C & CE)

INTRODUCTION

- 1.1 The Ministry of Finance has taken major initiatives for tax reforms, including reform of tax administration with an emphasis on reducing inter-face between the tax payers and administration; imparting greater transparency and minimizing discretion so as to ensure efficiency and recognition of merit and honesty.
- 1.2 The successful implementation of tax reforms depends on the efficiency of the delivery system. A significant contributor to the effectiveness of the administrative machinery is a credible human resource development policy, which offers opportunities for excellence and career advancement through a proper placement strategy.
- 1.3 The existing placement policy has been in place for over a decade. Based on the experience of its implementation, a review of the present system of transfers and postings was carried out. Accordingly, a new Transfer/ Placement Policy (herein after referred to as the Transfer Policy) for Group 'A' Officers of IRS (C&CE) has been formulated. The new transfer/ placement policy shall come into effect from 1st April, 2005.

SALIENT FEATURES OF THIS TRANSFER POLICY

- 2.1 a) The salient features of this Transfer are as follows: a) All transfer and postings of Group 'A' officers of IRS (C&CE) shall be effected by the Board/Placement Committee or on their recommendation as stated hereinafter;
- b) The Transfer policy has been formulated for officers at different levels;
- c) All stations have been categorized in three classes and tenure of stay in different classes of station has been prescribed;
- d) All posts have been divided into two categories, namely, Sensitive and Non-Sensitive;
- e) All posts have been categorized as field and non-field posts.
- f) Guidelines for dealing with different types of "compassionate grounds" cases have been laid down;
- g) All annual transfer orders shall be normally issued by 30th April and,

in any case, not later than 31st

- 2.2 A correct and complete database is a sine qua non for operationalising the Placement Policy. CBEC shall ensure that the database containing the profiles of all Group 'A' officers is regularly updated.
- 2.3 All grievances arising out of the implementation of This Transfer Policy shall be addressed in accordance with the guidelines issued by the Department of Personnel & Training, only after the officer has joined his new assignment.
- 2.4 This Transfer Policy shall not be applicable to the transfer of Chief Commissioners /Directors General.

3.0 THE BOARD/ PLACEMENT COMMITTEE:

- 3.1 The Board will recommend proposals for posting of Chief Commissioners /Directors General and Commissioners for approval of the Government i.e. Finance Minister through Revenue Secretary and Minister of State (Revenue). Joint Secretary (Administration), CBEC will serve as Secretary to the Board for this purpose.
- 3.2 The Placement Committee will be the final authority for transfer of officers below the rank of Commissioner, provided the case falls within the purview the existing guidelines. After the proposals are drawn up and approved by the Board, the Chairman shall consult MOS (R) before giving effect to the annual transfers proposals. Approval of the Government will be required in case a deviation from the existing guidelines has to be made.
- 3.3 The Placement Committee shall consist of the following:
- a) Chairman;
 - b) Member (Personnel and Vigilance);
 - c) One Member of CBEC to be nominated, in rotation, by the Chairman of the Board for a period of six months; and
 - d) Joint Secretary (Admn.) posted in CBEC as its Member-Secretary
- 3.4 The minutes of the meeting of the Board/Placement Committee shall be drawn up and approved by all Members within 24 hours in a meeting (not by circulation). These must be approved by the competent authority within thirty days.

4.0 TRANSFER POLICY FOR OFFICERS AT DIFFERENT LEVELS

- 4.1 In case of Commissioners and Chief Commissioners/ Directors General, the Board will recommend both the station of posting and the specific charge.
- 4.2 Officers below the rank of Commissioner will be placed at the disposal of the Chief Commissioner/ Director General concerned, for further deployment. While considering the officers for further deployment, the Chief Commissioner/Director General shall keep in mind the old cycle of posting of the said officer considering which Board has placed that officer at their disposal.
- 4.3 The normal practice is transfer on promotion. In individual cases this may give rise to hardship. Hence, this may be decided by the Board/Placement Committee. For this purpose, the grant of Senior Time Scale/Non Functional Selection Grade shall not be treated as promotion.
- 4.4 Directly recruited / newly promoted Group 'A' officers shall be given intensive training in accountancy for a period of 2-3 months during the period of probation / upon promotion. Upon completion of training, directly recruited officers shall be normally posted to a class 'A' station, whereas the officers promoted from Group 'B' to Group 'A' shall, on promotion, be transferred out of the station in which they were previously working, unless the balance service is less than three years. Further, in view of the sensitive nature of the job, Appraisers, on or after promotion to the post of Assistant Commissioner, will not continue to remain posted in the Commissionerate which exercised jurisdiction over the Customs House on whose cadre they were originally borne.
- 4.5 As far as possible, an officer shall spend the first nine years of his service on field posts. All posts in the Commissionerates of Customs, Central Excise, Service Tax and the Directorates of Revenue Intelligence and Central Excise Intelligence have been categorized as field posts. Officers upto and including the rank of Commissioners shall ordinarily be posted on field assignments for at least 5, 3 and 2 years respectively, in each of the first 3 decades of their career respectively. During the first six years, the officer shall not ordinarily be given a posting outside the department or sent on a deputation, and should be given exposure in Central Excise, Service Tax and Customs branches, as far as possible. After completing

six years of service, an officer may be posted to the Board as an Under Secretary.

4.6

As far as possible, the senior most officer may be posted as the Executive Commissioner. However, once posted, a commissioner will not be moved out of the executive charge merely because an officer senior to him has replaced the hitherto junior non-executive Commissioner at that station.

4.7

The officers will, as far as possible, be rotated between the Customs and Central Excise branches every two years and adequate experience in Service Tax branch will also be ensured as far as possible. This shall be done after the Annual Transfers have been effected. At stations where there are separate Chief Commissioners of Central Excise and Customs, a committee of all such Chief Commissioners shall collectively decide on the rotation between the two branches at that station. At other stations, local rotation will be done jointly by the Chief Commissioners who exercise control over the posts located at that station.

5.0 CLASSIFICATION OF STATIONS, FIXATION OF TENURES OF POSTING AND ROTATION BETWEEN THEM

5.1

The various stations where Group 'A' officers may be posted have been categorized as Class 'A', Class 'B' and Class 'C' [Annexure I-III]. Such categorization is based on the twin criteria of revenue collection and the number of Commissioner level posts at a station.

5.2

The categorization of stations may be changed by the Board with the approval of the Government.

5.3

The States in the country have been divided into 4 areas viz. East, West, North and South [Annexure-IV]. An officer shall not serve in an 'area' for more than a total of 14 years (hereinafter referred to as a cycle) during his entire tenure up to and including the rank of Commissioner of which tenure in an 'A' station shall be for a maximum of 6 years. The tenure shall not be less than four years in a Class 'B' station and not less than two years in a Class 'C' station. The maximum total tenure of an officer in all Class 'A' stations during his service upto and including the rank of Commissioner shall be 16 years. The tenure of posting in Customs Overseas Intelligence Network shall not exceed three years. A stay of more than nine months in a station (to be computed as on 31st December of the previous year) will be treated as a complete year, and the length of the period of stay

shall be counted from the date of joining. An officer posted in Class 'A' or 'B' station can opt to move to a lower category station after he has completed at least half his tenure in that station.

5.4

An officer shall be rotated between the three different classes of stations. After completing one cycle of posting, the officer shall be moved to another area. Further, as far as possible, an officer shall serve in at least two areas of the country viz. North, South, East, and West, during his career upto and including the rank of Commissioner.

It may be clarified that an officer can be posted from a Class 'A' station to a Class 'B' or Class 'C' station (not necessarily in that order) in any other area and vice versa, provided that if he had been posted in that area earlier, a minimum period of 2 years should have elapsed before he can be posted again to the same area (called cooling off period).

5.5

All postings in the Board and deputation to technical posts in the Department of Revenue, Central Economic Intelligence Bureau (CEIB), Enforcement Directorate, Authority for Advance Rulings (AAR), Competent Authorities (CAs), Appellate Tribunal for Forfeited Property (ATFP), Customs, Excise and Service Tax Tribunal (CESTAT) and Settlement Commission shall not count towards calculation of stay at a particular station/area but may be so counted at the option of the officer. However, an officer who has been on deputation to any one of the aforesaid bodies shall not ordinarily be considered for another deputation to any of the aforesaid organizations. When an officer applies for clearance for a posting on deputation, his previous history of postings will be considered while giving cadre clearance. An officer shall invariably be transferred out of the station in which he was on deputation on his return.

5.6

In order to encourage officers to seek postings in Class 'C' station, the Government shall sanction:

- a) At least one vehicle for office use in every Class 'C' station irrespective of the level of the officer heading the office; and
- b) 100 per cent housing facilities at the Officer level to the extent possible.
- c) The starting point for

computing the stay in Class 'A', 'B' or 'C' station shall be the date of joining at the station.

- 5.7 Joint Secretary (Admn.) posted in CBEC as its Member-Secretary
- 5.8 The officers after completing their tenure in North Eastern Region (Assam, Sikkim, Meghalaya, Mizoram, Manipur, Nagaland, Arunachal Pradesh and Tripura), Jammu and Kashmir, NACEN and its RTIs and Vigilance Directorate and CESTAT will get preference in posting to stations of their choice.
- 5.9 When a certain number of officers are due for moving out of a station to a new station or by local rotation to new postings in the same station for the reason of having completed their tenure, but cannot be so moved due to inadequate number of vacancies available, the officer who has served for longer periods will be moved first.
- 5.10 The station of the posting will be taken as the actual place where an officer is posted and not head quarters of Commissionerate/Directorate to which the officer is posted.

6.0 CATEGORISATION OF POSTS INTO SENSITIVE AND NON-SENSITIVE

- 6.1 All posts in CBEC have been classified into sensitive and non-sensitive with the approval of the Government: **[Annexure-V]**
- 6.2 Ordinarily, the tenure of an officer on a sensitive post shall be two to three years at one stretch.

7.0 POSTINGS IN DIRECTORATES OF REVENUE INTELLIGENCE, CENTRAL EXCISE INTELLIGENCE, VIGILANCE AND SYSTEMS (CEC)

- 7.1 In the Directorates of Revenue Intelligence, Central Excise Intelligence, Vigilance and Systems, the respective Director General will propose a panel of names for the consideration of the Board/Placement Committee. Individual officers will be selected by the Board/Placement Committee, which will also indicate their station of posting.
- 7.2 The maximum length of tenure in the Directorates of Revenue Intelligence, Central Excise Intelligence and Vigilance will be three years, subject to the condition that no officer shall spend more than six years in these Directorates during his entire service career.

8.0 POSTING ON COMPASSIONATE GROUNDS

32

- 8.1 In case an officer seeks a posting to a particular station on medical grounds, the Board/Placement Committee is empowered to take a decision on his plea. However, if required, the Board/Placement Committee may refer the case to a Medical Board.
- 8.2 In case of working couples, if the spouse of an officer is working outside the Department, posting in the same station may be allowed subject to the instructions issued by the Department of Personnel & Training on this issue.
- 8.3 In case where the spouse is also an officer of the Department, both the officers should be posted to the same station, if they are otherwise eligible, provided that, jointly, they do not occupy more than 50 per cent of the posts in that station.

9.0 TRANSFER ON ADMINISTRATIVE GROUNDS OR IN PUBLIC INTEREST

- 9.1 Notwithstanding anything contained in this policy, Government may, if necessary in public interest, transfer or post any officer to any station or post;
- 9.2 An officer against whom the CVC has recommended initiation of vigilance proceedings, should not normally be posted or remain posted at the station where the cause of the vigilance proceedings originated. He shall also not be posted on a 'sensitive' charge. This restriction will remain in operation till such time the vigilance matter is not closed.

10.0 AVAILMENT OF EARNED OR STUDY LEAVE AFTER ISSUANCE OF TRANSFER ORDERS

An officer under orders of transfer shall be granted Earned Leave or Study Leave only after he has joined his new place of posting. The period spent on Earned Leave or Study Leave will not count towards computation of tenure in that station or 'cooling off' period. Officers who proceed on Earned Leave or study leave without completing the minimum tenure prescribed for the station/area will have to rejoin the same station for completing the prescribed tenure. In other cases the Board/Placement Committee will decide their posting after they rejoin on completion of the Earned leave/Study leave.

The undersigned is directed to say that on the subject mentioned above, Government has issued detailed guidelines vide O.M. No. 28034/7/86-Estt.(A) dated 3.4.1986. The Fifth Central Pay Commission has now recommended that not only the existing instructions regarding the need to post husband and wife at the same station need to be reiterated, it has also recommended that the scope of these instructions should be widened to include the provision that where posts at the appropriate level exist in the organization at the same station, the husband and wife may invariably be posted together in order to enable them to lead a normal family life and look after the welfare of the children, especially till the children are 10 years of age.

2. The Government, after considering the matter, has decided to accept this recommendation of the Fifth Central Pay Commission. Accordingly, it is reiterated that all Ministries/Departments should strictly adhere to the guidelines laid down in O.M. No. 28034/7/86-Estt. (A) Dated 3.4.86 while deciding on the requests for posting of husband and wife at the same station and should ensure that such posting is invariably done, especially till their children are 10 years of age, if posts at the appropriate level exist in the organization at the same station and if no administrative problems are expected to result as a consequence.
3. It is further clarified that even cases where only the wife is a government servant, the concession elaborated in para 2 of this O.M. would be admissible to the government servant.

(2) A Government servant whose spouse is allotted accommodation at the same station by Central/State Government, an Autonomous Public Undertaking or semi-Government Organization will not be eligible for house rent allowance irrespective of whether or not the non-allottee employee resides in that accommodation.—*FR & SR, Part - V.*

9. Central Government Health Scheme.—(1) The spouse drawing higher pay will contribute to the Scheme. Parents of the non-contributing employee will not be eligible for the Scheme's benefits.

(2) However, a female contributor has the option to include her parents-in-law, instead of her parents, in the family for availing of the medical benefits.—*G.I., M.H., O.M. No. F. 6 (1)-54-Hosp., dated 31-5-1954 and F. 4 (1)-18/63 - H, dated 3-3-1966.*

(3) If both the Government servants contribute, parents of both will be eligible for the benefits.

(4) Judicially separated couple are treated as separate entities.—*G.I., M.H., O.M. No. F. 21-12/63-H. (M), dated 16-12-1964.*

10. Allotment of Residence.—(1) The title of each of them will be considered independently.

(2) Only one residence will however, be allotted, except in the case of judicial separation.

(3) If the husband/wife who is an allottee of a residence is subsequently allotted a residential accommodation in the same station from a Pool to which the Allotment Rules, 1963, do not apply, he/she should surrender any one of the residences within one month. This condition will not, however, apply if they do not reside together due to judicial separation.—*SR 317 - B-4 (4) & (5).*

11. Posting of husband and wife at the same station

[Swamy's — Complete Manual on Establishment and Administration]

The Government has laid down the following guidelines for the cadre controlling authorities to consider requests of husband and wife when both are Government servants and employees of Public Sector Undertakings for posting at the same station, with utmost sympathy:—

(1) *Where the spouses belong to the same All India Service or two of the All India Services, namely, IAS, IPS and IFS (Group 'A'):*

The spouses will be posted to the same Cadre by providing for a Cadre transfer of one spouse to the Cadre of the other spouse subject to their not

being posted by this process to their home cadre. Postings within the Cadre will, of course, fall within the purview of the State Government.

(2) Where one spouse belongs to one of the All India Services and the other spouse belongs to one of the Central Services:

The Cadre controlling authority of the Central Services may post the officer to the station, or if there is no post in that station to the State where the other spouse belonging to the All India Service is posted.

(3) Where the spouses belong to the same Central Service:

The Cadre controlling authority may post the spouses to the same station.

(4) Where one spouse belongs to one Central Service and the other spouse belongs to another Central Service:

The spouse with the longer service at a station may apply to the appropriate Cadre controlling authority who may post the said officer to the station, or if there is no post in that station to the State, where the other spouse belonging to the other Central Service is posted.

(5) Where one spouse belongs to an All India Service and the other spouse belongs to a Public Sector Undertaking:

The spouse employed under the PSU may apply to the competent authority who may post the person to the station, or if the PSU has no post therein, to the State where the other spouse serves.

(6) Where one spouse belongs to a Central Service and the other spouse belongs to a PSU:

The PSU spouse may apply to the competent authority who may post the officer to the station, or if the PSU has no post therein, to the State where the other spouse serves. If, however, the request cannot be granted because the PSU has no post in the said station/State, then the Central Service spouse may apply to the appropriate Cadre controlling authority who may post the person to the station, or if there is no post in the station, to the State where the PSU spouse serves.

(7) Where one spouse is employed under the Central Government and the other spouse is employed under the State Government:

The Central Government spouse may apply to the competent authority who may post the person to the station, or if there is no post in that station, to the State where the other spouse serves.

2. These are only illustrative and not exhaustive. Cases not covered by the guidelines have to be dealt with in the spirit of the guidelines and the objective of enabling a husband and wife to lead a normal family life and ensuring the education and welfare of their children — as far as possible and within the constraints of administrative convenience.—Chapter 62.
