The applicants are similarly  
situated person like those applicants in  
O.A. Nos. 247/2004 and 36/2006. The  
applicants are Doctor under the

State Governments to convert into Model Hospital to be run by the ESIC. The ESIC conveyed the decision to the State Government for consent. The Government of Assam communicated the consent to the Government of India and ESIC and decided to hand over the ESI Hospital to ESIC. The present applicant and the applicants in O.A. Nos. 247/2005 were on deputation to the ESIC. While so the earlier applicants filed the Original Application No. 247/2004 and by order dated 03.01.2006 considered the terms and conditions contained in Memorandum of Understanding (MOU) entered between the parties and also observed as follows:-

"8. Now, that the draft terms and conditions contained in Annexure - A to the M.P. 125/2005 has been practically approved by the State Government we direct the ESIC to proceed with the matter and to implement the terms and conditions contained in the MOU and the draft terms of absorption to the effect agreed to by the State Government in their written statement with a period of six months from the date of receipt of this order. If, on such implementation the applicants are entitled to pay and allowances, needless to say it has to be given to them from the date of their joining duty in the ESI Model Hospital."

Therefore, it is quite evident that six months time has been granted to the respondents for implementation of the terms and conditions contained in the MOU and the draft terms of absorption to the effect, agreed to the by the State Government in their reply statement.

Direction to be complied with will expire on 2nd July 2006. In the meantime, the materials place on record reveals that the respondents, ESIC is proceeding with selection for fresh Doctors from the open market. Four Doctors were selected. The apprehension of the applicants is that if such appointment is made he will be prejudicially affected/would be difficult in implementing the Court's order for want of vacancy. Therefore, the O.A. has been filed.

When the matter came up for admission hearing, this Court is of the view that notice has to be issued to the respondents. Accordingly, issue notice to the respondents. Six weeks time is given to the respondents to file reply statement.

Counsel for the applicant also insisted for an interim order to the effect that his interest should not be affected by virtue of such recruitment. On going to the materials place on record an interim order has to be granted. Therefore, this Court passes an interim order directing the respondents not to take action prejudicial to the interest of the applicant. In other words as far as the applicants are concerned, status quo as on today shall be maintained till the expiry of the period stipulated in the O.A. 247/2006.

**ORDER (ORAL)**

**M.R.MOHANTY,V.C:**

The Applicants of all these three cases are Doctors, engaged by the State Government( Assam ) in ESI Hospitals/Dispensaries. Employees State Insurance Corporation (in short, ESIC) decided to take over the management of the ESI Hospitals. While taking over management of the ESI Hospitals, the ESI Corporation entered into a Memorandum of Understanding (with the State of Assam) to take over services of the Doctors of ESI Hospitals. The matter, relating to absorption of those Doctors in the Services of ESI Corporation, was taking sometime and, pending completion of the formalities, the Doctors were shown to be on deputation from the State Services to ESIC Services. Since there<sup>was</sup> considerable confusion, those Doctors approached this Tribunal in O.A.No.247 of 2004; which was disposed of on 03.01.2006 with direction to the ESI Corporation,

to absorb such of the Doctors, who were continuing on deputation basis, in the services of ESI Corporation. However, the question of the date of absorption was left to be decided by the authorities of ESI Corporation. Since this Tribunal did not fix the date, with effect from which the Doctors were to be absorbed in ESI Corporation, the Corporation carried the matter (in W.P(C) No.3464 of 2007) to the Hon'ble Gauhati High court. During the pendency of the matter before the Hon'ble Court, the Corporation issued orders, on 17.09.2007 and on 08.10.2007, absorbing those Doctors in the Services of ESI Corporation. The Hon'ble High Court disposed of the said Writ Petition on 12.03.2008; because the matter relating to fixing the date of absorption was, by that time, pending before this Tribunal, in O.A.No.39 of 2008 being filed by the Doctors. The said case (O.A.No.39 of 2008) has already been disposed of on 11.04.2005 by this Tribunal, virtually, remitting the matter back to the ESI Corporation to take a decision pertaining to fixing the date with effect from which Doctors are/were to be shown absorbed in the Corporation. While taking such decision, the ESI Corporation has been asked to keep in mind the case of Doctors of Kerala, who are stated to have been absorbed in ESIC with effect from the date of their deputation.

2. During the pendency of aforesaid litigation, there was direct recruitment of Doctors by the ESI Corporation for the Hospitals in which the present Applicants are/were continuing on deputation basis. In the said premises, they apprehended that they may be repatriated. Therefore, the Applicants approached this Tribunal with the present Original Applications Nos. 36, 41 and 59 of 2006 filed under Section 19 of the Administrative Tribunals Act, 1985 and obtained interim

orders not to be repatriated till disposal of the issues initially raised in O.A. No.247 of 2004.

3. Heard Dr.J.L.Sarkar, learned counsel appearing for the Applicants in O.A. No.36 of 2006; Mr.M.Chanda, learned counsel appearing for the Applicants in O.A.No.41 and 59 of 2006 and Mr.R.Das, learned counsel appearing for the ESI Corporation. We have also heard Mrs. Manjula Das, learned counsel appearing for the State of Assam.

4. Since it is stated that the Applicants of all these three cases have already been absorbed in ESI Corporation vide orders dated 17.09.2007 and 08.10.2007 (with effect from 01.01.2006) there remains no apprehension now for their repatriation to the services of Assam State.

5. Since ESI Corporation is only to take decision, now, to fix the date from which the Doctors are to be absorbed in ESI Corporation, the Applicants should immediately file their representation to the ESI Corporation (as directed by us, on 11.4. 2008, in O.A.No.39 of 2008) by 15.05.2008.

6. For the reason of the aforesaid discussions, all the three cases now stand disposed of.

7. Send copies of this order to all the Applicants and to the Respondents of these cases in the address given in the O.As and free copies of this order be also handed over to the counsel appearing for the parties.

those hospitals under the fold of the ESIC. Pursuant to the decision, the authorities of the ESIC vide their D.O letter No. V-13/14/1/2001-Med.1 dated 17.05.2001 and letter No. V-13/14/1/2001-Med.1 (Col. II) dated 07.11.2002 requested the concerned state governments including the Govt. of Assam to accord their consent. (Copy of memorandum of understanding dated 04.04.2003 is annexed hereto for perusal of Hon'ble Tribunal as Annexure-III).

- 4.4 That pursuant to the MOU dated 04.04.2003, all the officers and staff working in the ESI Scheme under the Govt. of Assam were placed under the disposal of the ESIC. Accordingly, the Labour and Employment Department, Govt. of Assam vide its notification No. GLR.121/2003/8

Dr. (Mrs) Savitri Koley

dated 10.4.2003 placed the service of the applicants also under the disposal of the Model Hospital, Beltola, under ESIC on deputation w.e.f 04.04.2003. Initially the tenure of deputation for one year w.e.f 4.4.2003 and thereafter vide notification No. GLR.153/2003/Pt. I/159 dated 29.03.2004 of Govt. of Assam, it has been extended for another year w.e.f 04.04.2004 which would expire on 04.04.2005. Further, the ESIC authorities vide their letter No. A-11 (11) 1/03-DM (HQ) date 13.7.2004 communicated to the Govt. of Assam that the period of deputation of doctors and staff of the model hospital shall be three years from the date of taking over the hospital which means that the period of deputation of the applicants will now expire on 04.04.2006.

(Copy of notification dated 10.4.2003, dated 29.3.2004 and letter dated 13.07.2004 are annexed hereto for perusal of Hon'ble Tribunal as Annexures- IV, V and VI respectively).

4.5 That while placing the service of the applicants under the disposal of the ESIC, the detailed terms and conditions of the deputation were not precisely spelt out. Subsequently the ESIC invited options from the applicants alongwith others for their acceptance for pay and allowances as per ESIC norms or otherwise, during the period of deputation. The applicants submitted his option on 14.6.2003, which was forwarded, to the Medical Superintendent, ESI Model Hospital, Beltola by Govt. of Assam vide its letter No. GLR.153/2003/Pt.I/133 dated 17.9.2003. The applicants alongwith other similarly situated Medical Officers opted for the pay and other allowances/cadre pay as per ESIC norms, and furnished their respective date of increments etc. also vide their joint application dated 12/13.05.2003.

(Copy of letter dated 17.9.2003 along with application dated 12.5.2003 is annexed hereto for perusal of Hon'ble Tribunal as Annexure-VII).

Dr. (Mrs) Savitri Xetokya

- 4.6 That thereafter, the Medical Superintendent, ESIC Hospital, Beltola vide his letter No. 432-A-23/11/1/2003-Fsit./1660 dated 29.9.2003, addressed to the Secretary to the Govt. of Assam, Labour and Employment department sought certain informations regarding options exercised by the applicants and wanted that the options should have been exercised by the Govt. of Assam.

(Copy of letter-dated 29.9.2003 is annexed hereto for perusal of Hon'ble Tribunal as Annexure-VIII).

- 4.7 That in reply to the letter dated 29.9.2003 aforesaid, the Commissioner and Secretary to the Govt. of Assam, department of Labour and Employment vide his letter No. GLR-153/2003/Pt.I/158 dated 29.3.2004 communicated to the Medical Superintendent, Model Hospital, ESIC, Beltola the detailed terms and conditions for deputation of doctors and staff to Model Hospital, ESI Corporation, Beltola. In the said letter it was requested interalia that necessary action be taken for releasing the salaries/cadre pay to the deputationists from the date of taking over of the Model Hospital i.e. 04.04.2003 as per option exercised by them individually and the service records of the applicants was also forwarded therewith.

(Copy of letter-dated 29.3.2004 is annexed hereto for perusal of Hon'ble Tribunal as Annexure-IX).

- 4.8 That the applicants, following submission of his option, had been persuading for fixation of his pay and allowances/cadre pay as per ESIC norms but with no result whatsoever. The applicants submitted representation which was forwarded by the Medical Superintendent, ESIC model Hospital, Beltola to the Medical Commissioner, ESIC New Delhi vide letter No. 432.13/19/1/2003-pay-fixation/128 dated 12.1.2004. Finding no response, the ESI Doctors Association, Assam vides its letter no. ESI/DA/OM/04/08 dated 27.5.2004 urged upon the Authorities of the ESIC to release the pay and allowances or cadre pay of the applicants

Dr. (Mrs) Sarita Koley

as per ESIC norms w.e.f 4.4.2003. But the respondents with their unusual apathy appear to be not at all alive on the issue. It is relevant to mention here that the ESI Doctors Association has been recognized by Govt. of Assam and the applicants is the member of the association. As such the said association persuaded the Respondents for payment of cadre pay to the applicants but with no result.

(Copy of letter dated 12.1.2004 and dated 27.5.2004 are annexed hereto for perusal of Hon'ble Tribunal as Annexure-X and XI respectively).

4.9 That the applicants most respectfully beg to submit that the respondents are not only showing their apathy in the matter of pay of the applicants as stated above but have been acting in similar fashion in the matter of permanent absorption of the applicants in the ESIC. In the MOU dated 04.04.2003, it has been specially mentioned that the officers and staff deputed to ESIC are absolutely free to give their option for permanent absorption in the ESIC as per existing rules of the Govt/ESIC.

The ESIC vide its letter No. A-37 (18) 1/2003-DM (HQ) dated 09.10.2003 and letter No. 432-A-27/19/1/203-Estt.? dated 10.11.2003 respectively notified some terms and conditions for absorption of the employees deputed to ESIC Model Hospital and invited options from the employees for their permanent absorption on the terms and conditions laid down, or for their repatriation as the case may be. The terms and conditions for absorption laid down by the ESIC contained some provisions which were inconsistent with law and prejudicial to the interest of the applicants. As such the applicants alongwith other staffs deputed to ESIC Hospital, Beltola submitted representations on 04.11.2003 and 22.11.2003 to the Govt. of Assam seeking some clarifications and objecting to some of the terms and conditions of absorptions, detrimental to their interests as specified in the letter dated 9.10.2003 and dated 10.11.2003 of the ESIC. The applicants therefore did not submit his option

*Dr. (Mrs) Sarita Koley*

for absorptions without proper clarification/ modification of the conditions objected by him although some of them submitted conditional options. The representation dated 22.11.03 aforesaid signed by 84 numbers of employees under deputation, including the applicants herein, was forwarded to the Secretary the Govt. of Assam, labour and Employment Department; by the Administrative Medical Officer, ESI scheme, Govt. of Assam vide its letter No. APO/Model Hosp/deputed staff/representation/03/6991 dated 2.12.2003 wherein it was stated that uncertainty prevailing with regard to permanent absorption of officers and staff of ESI Hospital, Beltola on deputation from Govt. of Assam to ESIC.

- 4.10 That the Head quarter office of the ESIC, New Delhi vide its letter no. A-37/18/1/2003-DM (HQ) dated 27.8.2004 has instructed the Medical Superintendent, ESI Model Hospital, Beltola to conduct a comparative study of the recruitment Rules(R/R) of the ESIC and that of the Govt. of Assam in respect of Posts, pay, qualifications etc. so as to ascertain the suitability of the employees deputed to the ESIC Model Hospital, Beltola for their permanent absorption.
- 4.11 That the applicants most respectfully beg to state that their service were placed under the ESIC in the interest of public service and following the MOU, mutually agreed upon by the Govt. of Assam and the ESIC. But unfortunately the applicants are neither getting his cadre pay as per the settled laws or MOU nor their case of permanent absorption in the ESIC is being taken due care of. As such the applicants are being denied justice and their present uncertain position has become a matter of great concern and anxieties for them.
- 4.12 That the Hon'ble Tribunal be pleased to direct the respondent Corporation to give due weightage to the experience of past services, specialization and their seniority, under the state respondent, in the matter of

Dr. (Mrs) Savitri Kothary

subscription, allotment of scale of pay, and in the matter of fitment in the Model Hospital.

- 4.13 That similarly situated employees, being highly aggrieved for non-consideration of their absorption as well as for non-payment of salary as per ESIC norms and more particularly in view of the impugned order bearing letter No. A-11 (11)-3/2003- DM (HQ) dated 30.11.2004, whereby HQ, Office of ESIC have sanctioned only 10% of deputation allowance with the ceiling of Rs. 500/- per month to the applicants and thereby virtually denied the payment of pay scales in ESIC norms, in such compelling circumstances many of the similarly situated employees/ doctors, who were placed on deputation like the present applicants approached this Hon'ble Tribunal through O.A. No. 247/2004 and also challenged the impugned order dated 30.11.2004, which was issued in violation of the decision arrived at by the respondent ESIC with the Govt. of Assam as per Memorandum of Understanding. However, the applicants at the relevant point of time did not approach this Hon'ble Tribunal but he is similarly situated employee like those applicants of O.A. No. 247/04 and entitled to similar benefits in the matter of absorption in ESI Model Hospital, Beltola.

Copy of the order dated 30.11.2004 is enclosed herewith for perusal of Hon'ble Tribunal as Annexure- XII.

- 4.14 That it is stated that the Director General, ESIC in his D.O letter No. U. 11/11/Assam/1/03-DM (HQ) dated 10.01.2003, it has been made clear by the Director General that deputationist are entitled to draw as per their option either to get pay of the deputationist fixed under normal rules or to draw pay of the post in parent department plus deputation allowance as per Govt. of India's rules and this option or choosing pay scales has to be made as a Hospital unit and not individually, therefore it is clear that subsequent impugned letter dated 30.11.2004 has been issued by the respondents Corporation contrary to the decision arrived at in the MOU

*Dr. (Mrs) Savita Katoke*

to deny the legitimate claims of the applicants to draw scale of pay as per ESIC norms, since the applicants specifically opted ESIC pay scales, therefore, it appears that the conduct of respondent Corporation is not fair in dealing with the applicants and their causes. It also appears that the impugned order dated 30.11.2004 is contrary to the opinion expressed by the Director General of the Corporation in his letter dated 10.01.2003.

Copy of the D.O letter dated 10.01.03 is enclosed herewith for perusal of Hon'ble Tribunal as Annexure- XIII.

- 4.15 That your applicants further beg to say that the Medical Commissioner ESIC, New Delhi vide letter bearing No. A-37 (18) 1/03-MED. IV dated 03.06.2005 it is informed to the Secretary, Govt. of Assam that a draft term and condition for absorption has been prepared and sent herewith for State Govt. employees who have been in deputation in ESIC Model Hospital, Beltola, Assam which was taken over by the ESIC on 04.04.2003, therefore, now it is proposed to absorb such employees in the Corporation service on their tendering resignation from State Govt. service and acceptance of the same by the State Government and subject to State Govt. and employees concern accepting the term of absorption. It is requested further that the enclosed draft terms and condition may please be examined and the views and acceptance of the terms by the State Govt. may be communicated so that draft terms can be placed for approval of the ESIC. Once these terms are finalized, option for absorption in ESIC services shall be entertained through the State Govt. only and not directly from employees. ESIC will not entertain any representation, grievance etc. directly from individual or the Union. It is further stated that since the matter is pending for long and there are litigations from some States, therefore, it has been requested to offer views and comments of the State Govt. if any taking in view of the relevant service rules as early as possible and in any case within a period of 3 months so that the matter may be taken up with the ESIC. It is also made clear that in case nothing is heard

*Dr. (Mrs) Savita Katoke*

from the Govt. of Assam within 3 months it would be presumed that the Govt. of Assam is on agreements with the proposed terms.

Therefore, it is quite clear from the Corporation letter dated 03.06.2005 that they are considering the absorption of the applicants in terms of the condition laid down in Memorandum of Understanding signed by the Govt. of Assam and ESIC authority.

Copy of the letter dated 03.06.2005 is enclosed herewith for perusal of Hon'ble Tribunal as Annexure- XIV.

- 4.16 That it is stated that this learned Tribunal finally decided the O.A. No. 247/2004 vide its judgment and order dated 03.01.2006 with the following observation and direction:

"6. We have considered the rival submissions. There is no dispute that the applicants are the State Government employees who are sent on deputation in the FSI Model Hospital under the FSIC. There is also no dispute that an MOU was entered into in regard to the terms and conditions of absorption of the applicants and other staff in the FSIC. However, the stand taken by the FSIC is that it did not contain all the terms and conditions and a draft terms and conditions was prepared and sent to the State Government for their approval. True, the State Government did not send any reply. However, the State Government in its written statement has practically agreed to the draft terms of absorption prepared and sent by the FSIC. In such circumstances, it is a matter for the FSIC to make the draft statement final taking into account the stand taken by the State Government in the written statement and to implement the same in respect of the doctors and all other State Government employees working on deputation in the FSI Model Hospital and being absorbed in the FSIC.

Dr. (Mrs) Sarali Kotoke

7. The applicants have got a case that they are entitled to get pay and allowances from 2003 onwards since they have submitted their option in terms of the MOU and the draft terms of absorption, particularly in view of the clauses contained in the MOU and in the draft terms of absorption to the effect that they will be absorbed from the date of deputation in ESIC or from the date they joining duty whichever is earlier. According to us, these are all matters which the ESIC has to consider and expeditious decision has to be taken.

8. Now, that the draft terms and conditions contained in Annexure- A to the M.P 125/2005 has been practically approved by the State Government we direct the ESIC to proceed with the matter and to implement the terms and conditions contained in the MOU and the draft terms of absorption to the effect agreed to by the State Government in their written statement within a period of six months from the date of receipt of this order. If, on such implementation the applicants are entitled to pay and allowances, needless to say it has to be given to them from the date of their joining duty in the ESI Model Hospital.

The Original Application is disposed of as above.

It is quite clear from the observation and direction of the learned Tribunal issued upon the respondents Corporation to proceed with the matter and to implement the terms and conditions contained in the MOU and the draft terms of absorption to the effect agreed to by the State Government in their written statement within a period of six months from the date of receipt of this order. But surprisingly immediately after passing of the judgment and order dated 03.01.2006 by this Hon'ble Tribunal, the respondents have started fresh recruitment of Medical officers by issuing offer of appointment to the fresh recruitees. It would be evident from the offer of appointment issued by the ESIC vide letter

*Dr. (Mrs) Savitri Kothari*

bearing Nos. A-12 (13)-4/2003-Me. IV-Col. IV dated 27.01.2006 and 02.02.2006, whereby four Doctors, namely; Dr. Worshim Khamrang, Dr. Poppy Hazarika, Dr. Monikanchan Saikia and Dr. Chongtham Nandamani have been issued offer of appointment. In this connection it may be stated that FSI Model Hospital Beltola, Assam is a 50 (fifty) bed Hospital and as per norms total sanctioned post of General duty Medical Officers is 26 only and now 20 doctors/Medical Officers including the applicants are working on deputation basis and 6 (six) regularly appointed Corporation Doctors are also working in the aforesaid Hospital and thereby altogether 26 doctors/Medical Officers are working against the total strength of 26 Medical Officers. Therefore, the applicants are apprehending that in order to defeat the legitimate claim of absorption of the applicants, the respondents Corporation have resorted to fresh recruitment of Medical Officers in the Model Hospital at Beltola with the sole intention to avoid implementation of the judgment and order dated 03.01.2006 passed by this learned Tribunal in O.A. No. 247/2004, knowing fully well that already 26 Medical Officers are working in the said Model Hospital against the total strength of 26 Medical Officers as such action of the respondents Corporation smacks malafide and such action is also in violation of the MOU and contrary to the order/direction passed by this Hon'ble Tribunal in the judgment and order dated 03.01.2006.

In the circumstances stated above strong suspicion has arisen in the mind of the present applicants that in the event of appointment of new recruits the Corporation may repatriate the applicants in his parent organisation, apprehending such an action, the present applicants is approaching before this Hon'ble Tribunal to protect the rights and interests of the applicants by passing an appropriate order/direction upon the respondents Corporation to allow the applicants to continue on deputation under the respondents Corporation till completion of the entire exercise of absorption as per terms contained in the MOU and also as per directions/order passed by this Hon'ble Tribunal in the judgment

*Dr. (Mrs) Sarita Kotoky*

and order dated 03.01.2006 in O.A. No. 247/2004 where 6 months time have been granted by the learned Tribunal to implement the terms and conditions contained in the MOU and the draft terms of absorption to the effect agreed to by the State Govt. in their written statement. Since the applicants is similarly situated like the applicants in O.A. No. 247/2004, therefore he is entitled to the benefit of judgment and order dated 03.01.2006, therefore, the Hon'ble Court be pleased to restrain the respondents to pass any adverse order of repatriation till consideration of his case for absorption.

Therefore, Hon'ble Court be pleased to direct the respondents to allow the applicants to continue in service in the ESI Model Hospital at Beltola, Assam till the process of absorption is completed.

Copy of the judgment dated 03.01.2006 judgment dated 03.01.2006 and memorandum dated 27.01.06, 02.02.06 are enclosed herewith for perusal of the Hon'ble Tribunal as Annexure- XV and XVI (Series) respectively.

4.17 That it is stated that when the MOU has been signed by the State Government as well as by the Corporation, it has been decided to set up a model Hospital out of existing Hospital by way of upgrading and modernizing the existing one under the scheme of Model Hospital and the Govt. of Assam also agreed on such proposal and given their consent and accordingly the Govt. of Assam handed over the ESI Model Hospital, Beltola to the ESIC with all assets, liabilities and existing infrastructures including the existing staff gazetted and non-gazetted those who were working in ESI Hospital placing them on deputation basis.

In the circumstances stated above a duty cast upon the respondents Corporation to absorb the applicants in terms of the MOU as well as in terms of the judgment and order dated 03.01.2006 passed by this Hon'ble Tribunal.

Dr. (Mm) Savili Kotokg

4.18 That your applicants apprehending repatriation at any moment in view of fresh recruitment of Medical Officers beyond the total strength of 26 Medical Officers in the Model Hospital, Beltola, as such approaching this Hon'ble Tribunal. Therefore, the Hon'ble Court be pleased to pass an appropriate interim order protecting the right and interest of the applicants so that applicants shall not be repatriated to their parent organisation till consideration of his case for absorption as per direction contained in the judgment and order dated 03.01.2006 of this learned Tribunal.

4.19 That your applicants further begs to say that the applicants of O.A. No. 247/2004, apprehending their repatriation before implementation of the judgment and order dated 03.01.2006 again approached this Hon'ble Tribunal through O.A. No. 36/2006 (Dr. P.K. Sarma & Ors. -Vs- U.O.I & Ors.), and the Hon'ble Tribunal after hearing the parties was pleased to pass an ad-interim order of status quo in favour of those applicants on 08.02.2006. The applicants being similarly situated like those applicants of O.A No. 36/2006 entitled to similar protection of law, therefore, the Hon'ble Court be pleased to pass order of status quo in favour of the applicants as an interim measure till completion of absorption by the respondents Corporation in terms of the judgment and order dated 03.01.2006 passed in O.A. No. 247/2004.

(A Copy of the order dated 08.02.2006, passed by the Hon'ble Tribunal in O.A. No. 36/2006 is enclosed and marked as Annexure-XVII).

4.20 That your applicants further beg to say that another similarly situated General Duty Medical Officer, preferred an Original Application before this Hon'ble Tribunal, which was registered as O.A. No. 41/2006 (Dr. B. Banikya -Vs- U.O.I & Ors.). The Hon'ble Tribunal on consideration of materials on record was pleased to pass an interim order on 15.02.2006, restraining the respondents to repatriate the applicants till consideration

Dr. (Mrs) Sarita Kothiyal

of their regular absorption in terms of the direction contained in judgment and order dated 03.01.2006 passed in O.A. No. 247/2004. The applicants being similarly situated praying a similar interim order protecting the rights and interests of the applicants and restraining the respondents not to repatriate in their parent department, till consideration of their absorption in the respondent department. Be it stated that similar cases i.e. O.A. No. 41/2006 as well as O.A. No. 36/2006 are still pending before the Hon'ble Tribunal for further consideration.

Copy of the order dated 15.02.2006 passed in O.A. No. 41/2006 is enclosed herewith for perusal of Hon'ble Tribunal as Annexure-XVIII.

4.21 That this application is made bonafide and for the cause of justice.

5. Grounds for relief(s) with legal provisions:

- 5.1 For that, the applicants being similarly situated Medical Officer like those applicants in O.A. No. 247/04 entitled to the benefit of judgment passed by this Hon'ble Tribunal on 03.01.2006 i.e. to consider his case for absorption as well as payment of pay and allowance as per ESIC norms at least from the date of his joining at ESI Model Hospital, Beltola on deputation.
- 5.2 For that, it has been agreed upon by the ESIC as well as by the Govt. of Assam by signing the MOU on 04.04.2003 for permanent absorption of the applicants on the basis of their option in the upgraded ESI Model Hospital, Beltola and also in terms of the direction contained in the judgment and order dated 03.01.2006 passed in O.A. No. 247/2004 filed by the similarly situated employees.
- 5.3 For that, the applicants have acquired a valuable legal right for consideration of his absorption in the ESI Model Hospital, Beltola set up by the ESIC, in terms of the MOU signed on 04.04.2003 and also in view of

*Sr. (Ms) Savitri Kotokey*

the direction issued by this Hon'ble Tribunal upon the respondent Corporation in the judgment and order dated 03.01.06 passed in O.A. No. 247/04 as such passing of any order of repatriation after the judgment and order dated 03.01.2006 by the learned Tribunal amounts to violation of MOU signed on 04.04.2003 as well as such action will amount to violation of the direction passed by the learned Tribunal on 03.01.2006.

- 5.4 For that, fresh recruitments beyond the sanctioned strength of 26 General Duty Medical officers led to the presumption that the applicants who are now working on deputation may be repatriated to their parent department in the event of fresh recruitment of Medical Officers, which will also defeat the claim of the applicants and the same shall violate the doctrine of legitimate expectation.
- 5.5 For that, the respondents knowing fully well that already 20 doctors are working on deputation basis and 6 Medical Officers belongs to ESIC are already working against the total strength of 26 Medical Officers as per ESIC norms as such fresh recruitment beyond the strength of 26 Medical Officers, therefore, applicants may be repatriated by the authority of the Model Hospital in order to maintain the sanctioned staff strength as per ESIC norms.
- 5.6 For that, applicants apprehending repatriation at any moment as soon as new recruitees will join in the ESI Model Hospital at Beltola.
- 5.7 For that, decision to make fresh recruitment of Medical Officers by the respondent Corporation is contrary to the provision of permanent absorption agreed upon by the respondent Corporation in the MOU signed on 04.04.2003 as well as same is also in violation of assurance given to the Govt. of Assam through Corporation letter dated 03.06.2005 as well as such action is in violation of the direction passed by this Hon'ble Tribunal in its judgment and order passed on 03.01.2006.

*Dr. (Mrs) Sarila Kothary*

- 5.8 For that respondents resorted to fresh recruitment to avoid implementation of the judgment and order dated 03.01.2006 passed by this Hon'ble Tribunal.
- 5.9 For that decision of the Corporation to resort to fresh recruitment is contrary to the object laid down in the Corporation letter dated 17.05.2001 (Annexure- I) for setting up of Model Hospital by the Corporation.

6. Details of remedies exhausted.

That the applicants state that there is no scope to submit any representation at this moment, in view of the threat of repatriation, and there is no service rule to submit any appeal to the Higher Authority except approaching this Hon'ble Tribunal.

7. Matters not previously filed or pending with any other Court.

The applicants further declare that they had not previously filed any application, Writ Petition or Suit before any Court or any other authority or any other Bench of the Tribunal regarding the subject matter of this application nor any such application, Writ Petition or Suit is pending before any of them.

Dated: 17 May, 2001

Shri

The ESI Corporation at its last meeting held on 16.2.2001, chaired by the Hon'ble Union Labour Minister, had decided to set up some Model Hospitals in different States, with a view to improving the quality of medical services being provided to the ESI beneficiaries in various States, and to serve as a bench mark for upgradation of the other hospitals in the States.

2. The proposed 'Model Hospitals' will be selected out of existing hospitals which will be upgraded and modernized so that all requisite infrastructure facilities, staff and equipment as per the norms of the ESIC are available in the hospitals. Under the Scheme of 'Model Hospitals', the buildings will be renovated and expanded, wherever required, proper landscaping and horticultural work will also be carried out. Equipment required for proper functioning of the various departments shall be procured and qualified staff posted as per norms. The expenditure on maintenance and operation of the hospital is also likely to be met by the ESIC, subject to clearance by the Corporation at its next meeting.

3. Basic details of the Scheme of 'Model Hospitals' have already been furnished to the State Government vide letter No. V-13/14/2/2000-Med.I dated 23<sup>rd</sup> January, 2001. We had also requested the State Governments to let us have their suggestions with regard to the hospital to be selected, under the Model Hospital Scheme in their State. After considering the suggestions received from various State Governments, the ESI Hospital at ----- in your State is proposed to be taken up under the Model Hospital Scheme. While selecting the Hospital, important issues like the size of the Hospital, accessibility, IP No. in the Region and other such parameters have been taken into account.

4. The Scheme for Model Hospital has been formulated after studying in detail the quality of medical services being provided through the ESI Hospitals in the State, the maintenance and running of these hospitals by the State Governments, in particular. There has been a great deal of dissatisfaction amongst the beneficiaries towards the ESI medical services provided through the State run hospitals and this has also been the subject of criticism at various forums, including from the beneficiaries and the representatives of the industry. As you would be aware, the ESI Scheme is unique in that, the funds for the Scheme are primarily contributed by the beneficiaries and the industry. Their representatives on the Corporation have repeatedly been suggesting that there is a need to upgrade the quality of medical services being provided. The Scheme of 'Model Hospital' is being formulated with a view to selecting as far as

Sub: Payment of the ESIC Pay & Allowances to the Deputationists of  
the ESIC Model Hospital, Beltola, Guwahati-22.

Respected Madam,

This is in continuation of our previous letter No.ESI/DA/OM/04/02 dt. 23.2.04 whereby we demanded to pass orders to release the Pay & Allowances of the ESIC to deputationists on the strength of the written individual option to accept the Pay & Allowances of the ESIC of India as sought from your end. It is the prerogative of the deputationists either to elect (opt) the pay scales of the Parent Deptt. plus Deputational Allowances or to get the Pay & Allowances of the Foreign Deptt. without having any discretion on the part of the Foreign Deptt. to dictate or to guide. On this count our choice was to claim and accept the Pay and Allowances of the ESIC and not of the Parent Deptt. Also according to the Memorandum Of Understanding (MOU) signed by the ESIC and the Govt. of Assam we are free to accept the ESIC Pay and Allowances as per our individual options.

It is worth mentioning that the Labour and Employment Deptt., the Govt. of Assam, Dispur, vide its letter No. GLR.153/2003/P.1/150 dt. 29.3.04 intimated you in clear terms the queries made by your office vide letter No. A-11/11/3/2003-DM(HQ) dt. 16.2.04 regarding the Terms and Conditions of Deputation of Doctors and Staff to the ESIC Model Hospital, Beltola, requesting you to take necessary action for releasing the Staff to the deputationists from the date of handing over of the hospital (i.e.4.4.2003) as per option already exercised by them individually. The said letter is nothing but an option by the State Govt. on behalf of the deputationists with particular reference to your letter No. 132-A-23/11/1/2003-Eat.1660 dt. 29.9.03.

Option to serve in deputation is purely on consideration of financial benefit and the delay caused from your end to release the Pay & Allowances of the ESIC of India even after lapse of one year becomes a matter of concern for us to ventilate our demand once again without making any further correspondence with the State Govt. on this count (Pay & Allowances).

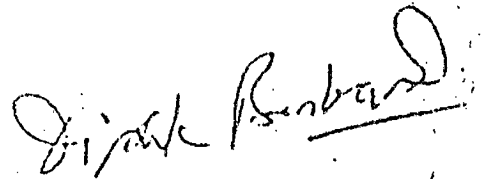

We honestly claim that we the deputationists doctors & staff are now working as per the norms of the ESI Corporation (Model) Hospital w.e.f 4.4.2003.

It is therefore, prayed that your good-self would realise the gravity of the situation as mentioned in our letter dated 23.2.04 and request you to act on it with immediate effect otherwise we would be compelled to seek justice from the Honourable Court.

Thanking You.

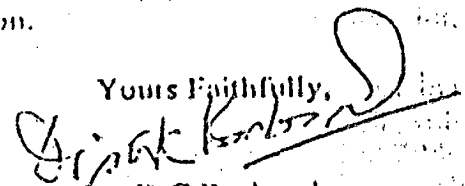

Yours Faithfully,

D.O. No. U.11/11/Assam/1/03-DM(HQ)  
Dated the 10<sup>th</sup> January, 2003.

Dear Sh. Basumalary,

Kindly refer to the discussions held in the meeting between the representatives of ESI Corporation and State Government on 30.12.02 in your chamber regarding the terms and conditions in connection with handing over the ESI Hospital, Belatola to ESI Corporation by the State Government. In this connection, the draft Memorandum of understanding received by this office has been examined and our views on various issues thereon, are as under:-

1. As regards handing over of infrastructure of the hospital excepting the land to ESI Corporation is concerned, it is clarified that, as a matter of policy, Corporation constructs hospitals out of its own corpus and hands over the same to State Governments for running the ESI Scheme. Since the title of the land is vested in the name of the Corporation, it is not possible to hand over the infrastructure while retaining the land thereof.
2. The MOU also specifies that individual option either to accept Corporation pay scale or State Government pay scale plus deputation allowance from the Officer/ Staff will be called for. The terms and conditions regarding deputation forwarded to the State Govt. by ESI Corporation mention about the option either to get pay of the deputationist fixed under normal rules or to draw pay of the post in parent department plus deputation allowance as per Govt. of India Rules. ~~THE OPTION~~  
~~(OPTION) OF pay scales has to be made as a hospital~~  
~~OPTION~~

Accepted  
Jais  
Advocate

It has also been proposed that the administrative officer of the hospital will be on deputation from State Govt. with the Corporation. This is again not in conformity with policy of the Corporation relating to model hospitals.

4. It has also been laid down in the MOU that Corporation will consider local educated unemployed youth of the State against the future need of manpower of the hospital. Such a restriction on Corporation has not been found to be acceptable as staff/ Officers are recruited as per Recruitment Regulations for the post in the Corporation and posts are advertised centrally by the Corporation.

With regards,

Yours sincerely,

O R D E R (O R A L)

SIVARAJAN, J. (V.C.) :

The applicants 19 in number are working as Medical Officers in the ESI Model Hospital, Beltola, Guwahati, Assam, (under the Employee State Insurance Corporation (for short ESIC) on deputation from the Government of Assam. They have filed this application seeking for the following reliefs:-

"8.1 That the Hon'ble Tribunal be pleased to direct the Respondents to give the cadre pay and allowances to the applicants at ESIC norms and at par with that of their counterparts in the ESIC w.e.f. 04.04.2003, with all consequential service benefits.

8.1A That the Hon'ble Tribunal be pleased to set aside and quash the order bearing letter No. A-11(11)-3/2003-DM(HQ) dated 30.11.04.

8.2 That the Hon'ble Tribunal be pleased to direct the respondents to refix the pay of the applicant with immediate effect.

8.3 That the Respondents be directed to formulate the detailed terms and conditions for permanent absorption of the applicants in accordance with law and without any prejudice to the interest/prospects of the applicants and to absorb them thereafter in the ESIC on their individual option within a reasonable time frame."

2. The case of the applicants is that the ESIC had entered into a Memorandum of Understanding (for short MOU) dated 26.12.2002 (Annexure A) containing the terms and conditions under which the services of the applicants and other staff of the State Government deputed in the ESI Model Hospital have to be absorbed in the ESIC. It is

9/11

stated that pursuant to the terms and conditions contained in the MOU the applicants and the other staff were asked to give their option to accept the scale of pay in respective cadre/categories of posts in the ESIC as per the existing norms/rules of the ESIC and that the applicants, pursuant to same, had given their option as early as in 2003. It is grievance of the applicants that they are not being paid pay and allowances of the ESIC opted for by them till date. It is also stated that the ESIC had prepared a draft terms of absorption (Annexure-A to the H.P.125/2005) and forwarded the same to the State Government which has not been finalised so far. It is stated that in Clause-3 of the draft terms of absorption it is provided that an employee opting for absorption has to resign from the State Government service and his absorption in Corporation service will take effect from the date of deputation in ESIC or from the date he joins the duty in the ESIC whichever is earlier. It is also stated that Clause-12 of the draft also provides that pay of an absorbed employee will be fixed as per Fundamental Rules of Govt. of India and Regulation 7(4) (a) of ESIC (Staff & Condition of Service) Regulations, 1959. The grievance of the applicants, as can be seen from the petitions, is that the ESIC has not so far implemented the MOU and the draft scheme which prejudicially affects them. ESIC has filed its written statement. The applicants have filed rejoinder. Respondents 6 & 7 have also filed written statement.

3. We have heard Dr. J.L. Sarkar assisted by Mr. M. Chanda, learned counsel appearing for the applicants, Mr. B. C. Pathak, learned counsel for the ESIC and Mrs. M. Das, learned Govt. Advocate for the State of Assam. Dr. Sarkar submits that according to the MOU and as per the draft terms of absorption which are undisputed documents the applicants are entitled to pay and allowances applicable to ESIC once it is opted by the applicants and that they are being denied of such benefits in spite of their opting for the same. Dr. Sarkar also submits that the stand taken by the ESIC is that the draft terms and conditions sent to the State Government has not yet been approved by the State Government. Counsel took us to the communication dated 3.6.2005 issued by the ESIC to the Secretary to the State of Assam forwarding the draft terms and conditions for the approval of the State Government and submitted that in the said communication it is specifically stated by the ESIC that "Incase, we do not hear from you within three months we will presume that you are in agreement with the proposed terms" but the ESIC is not proceeding with the matter under one pretext or the other. Counsel further submits that the ESIC must be directed to expedite the implementation of the MOU and the draft terms of absorption. Counsel further submits that the Corporation must also be directed to disburse the pay and allowances applicable to their counterparts in the ESIC from 2003 onwards urgently and to implement the other terms and

8/11

4. Mr. B. C. Pathak, counsel appearing for the ESIC submits that the ESIC has brought out a scheme in the 12<sup>th</sup> Meeting of the ESIC held on 20.2.2002 for setting up model ESI Hospitals in 15 places in different States and it is pursuant to the said scheme an MOU has been entered into between the Representatives of ESIC and the Government of Assam. Counsel further submits that the MOU did not contain all the terms and conditions for the absorption of the State Government staff deputed to the ESI Model Hospital and the Corporation has prepared a draft terms and conditions in the matter of absorption of such staff which was forwarded to the Government of Assam for their approval as early as on 3.6.2005 but the matter is delayed solely for the reason that the State Government did not respond to the same. Counsel also submits that the Corporation is concerned not only with the State of Assam but also with the Model Hospitals set up in 14 other States and that a uniform terms and conditions have to be approved. Counsel further submits that it is only thereafter the question of disbursement of pay and allowances to the applicants and to the other staff as per ESIC norms can be decided. Counsel also pointed out that having regard to the lengthy procedure involved in the matter of absorption of the deputationists including the approval from the Central Government some substantial time is required for its implementation.

5. Mrs. H. Das, Govt. Advocate for the State of Assam, submits that the State of Assam has filed a written

9/11

82

statement wherein the State Government had practically approved the draft terms and conditions and therefore there is no difficulty for the ESIC to proceed with the matter. Mrs. Das further submits that the State Government has already instructed the Corporation to release pay and allowances to the deputationists as per the ESI norms and therefore there is no difficulty in making payment to the applicants and other staff.

6. We have considered the rival submissions. There is no dispute that the applicants the State Government employees who are sent on deputation in the ESI Model Hospital under the ESIC. There is also no dispute that an MOU was entered into in regard to the terms and conditions of absorption of the applicants and other staff in the ESIC. However, the stand taken by the ESIC is that it did not contain all the terms and conditions and a draft terms and conditions was prepared and sent to the State Government for their approval. True, the State Government did not sent any reply. However, the State Government in its written statement has practically agreed to the draft terms of absorption prepared and sent by the ESIC. In such circumstances, it is a matter for the ESIC to make the draft statement final taking into account the stand taken by the State Government in the written statement and to implement the same in respect of the doctors and all other State Government employees working on deputation in the ESI Model Hospital and being absorbed in the ESIC.

*[Handwritten signature]*

82

7. The applicants have got a case that they are entitled to get pay and allowances from 2003 onwards since they have submitted their option in terms of the MOU and the draft terms of absorption, particularly in view of the clauses contained in the MOU and in the draft terms of absorption to the effect that they will be absorbed from the date of deputation in ESIC or from the date they joining duty whichever is earlier. According to us, these are all matters which the ESIC has to consider and expeditious decision has to be taken.

8. Now, that the draft terms and conditions contained in Annexure-A to the M.P. 125/2005 has been practically approved by the State Government we direct the ESIC to proceed with the matter and to implement the terms and conditions contained in the MOU and the draft terms of absorption to the effect agreed to by the State Government in their written statement within a period of six months from the date of receipt of this order. If, on such implementation the applicants are entitled to pay and allowances, needless to say it has to be given to them from the date of their joining duty in the ESI Model Hospital.

The Original Application is disposed of as above.

Original Application No. 247/2004 and by order dated 03.01.2006 considered terms and conditions contained in Memorandum of Understanding (MOU) entered into between the parties and also observed as follows :-

"8. Now, that the draft terms and conditions contained in Annexure - A to the M.P. 125/2003 has been practically approved by the State Government we direct the ESIC to proceed with the matter and to implement the terms and conditions contained in the MOU and the draft terms of absorption to the effect agreed to by the State Government in their written statement with a period of six months from the date of receipt of this order. If, on such implementation the applicants are entitled to pay and allowances, needless to say it has to be given to them from the date of their joining duty in the ESI Model Hospital."

Therefore, it is quite evident that six months time has been granted to the respondents for implementation of the terms and conditions contained in the MOU and the draft terms of absorption to the effect, agreed to by the State Government in their reply statement.

Direction to be complied with will expire on 2nd July 2006. The apprehension of the applicants is that if such appointment is made they will be prejudicially affected/ would be difficult in implementing the Court's order for want of vacancy. Therefore, the O.A. has been filed.

Dr. (Mrs.) Savita Kakoty and another ..... Applicants

Union of India and Others ..... Respondents

(Written statements filed by the respondents No.1 to 5)

The written statements of the respondents are as follows:

1. That a copy of the original Application No.41/2006 (hereinafter referred to as the 'application') has been served on the respondents including the respondent No. 1. The respondent No.1 has requested the Employees' State Insurance Corporation to defend the case on their behalf vide letter No.38016/1/2005-55-1dated 17.1.2005. The respondents have gone through the contents of the application and understood the contents thereof.
2. That same and except those statements made in the application, which are specifically admitted all other statements are hereby denied.
3. That before traversing the various statements made in the application, the respondents begs to give a brief resume of the facts and circumstances of the case as under:
  - (i) That the "Employees' State Insurance Corporation" (hereinafter referred to as the "corporation" is a statutory body established under "The Employees' State Insurance Act,

1948" (hereinafter referred to as the "Act"). The Corporation is a body corporate having separate, distinct legal entity and is a juristic person who can sue or could be should by its name. It is a State within the meaning of Article 12 of the Constitution of India. The Corporation is constituted with a body of members as defined in the Act. The function of the Corporation is also carried out and executed by two other bodies, namely, the "Standing Committee" (referred to as the "Committee") and the "Medical Benefit Council" (referred to as the "Council"). In addition to the above, there are "Regional Boards" which are also constituted under the Act to assist the functioning of the Corporation in the different region of the country. The Act also provides that if in the opinion of the Central Government, the Corporation or the Standing Committee persistently makes default in performing the duties imposed on it by or under the Act or abuses its powers, the Government may by notification in the Official Gazette, supersede the Corporation or in the case of the Standing Committee, supersede in consultation with the corporation, the Standing Committee. The corporation, Standing Committee, Medical Benefit Council, Regional Boards require to discharge their functions within the parameters of the provisions of the Act, the Employees' State Insurance (General) Regulations, 1950 and the Employees' State Insurance (Central) Rules, 1950. Therefore all such matters relating to finance, manpower, management of hospitals including the conditions of service etc are carried out only after a decision taken by such statutory authorities at different level of with power, authority and official hierarchy.

- (ii) That the corporation vide its D.O. letter No. V-13/14/1/2001-Med.I dated 17.5.2001 wrote to the Chief Secretaries of different states and thereby informed that the E.S.I. Corporation at its last Meeting held on 16.2.2001 had decided to set up some Model Hospitals in different states with a view to improve the quality of medical

services being provided to the E.S.I's beneficiaries in various states and to serve as a bench mark for up-gradation of the other Hospitals in the states. By the said letter it was also made clear about the object and reason for the setting up of such Model Hospitals.

(iii) That the Corporation in its 121<sup>st</sup> Meeting held on 14<sup>th</sup> December, 2001 approved the Memorandum and the proposal for modernization of one Hospital in each State as Model Hospital. Accordingly the Corporation in its 122<sup>nd</sup> Meeting held on 20.2.2002 considered the matter of setting up of Model Hospitals. Amongst other, the Meeting resolved that the staffing of the proposed Model Hospitals will be as per E.S.I norms and standards approved by the Corporation. Except the posts of Medical Superintendents, Joint Director/Deputy Director (Administration and finance), all staff will be taken from the State Government concerned on deputation. In case the State Government is unable to provide the requisite number of staff, the corporation will be free to appoint persons on part-time or contract basis till such time staff is provided. According to the said resolution, the existing E.S.I. Hospital in Beltola, Guwahati, Assam was also considered to be converted to a Model Hospital. The said proposal was approved by Standing Committee on 2.7.2001.

(iv) That the Government of Assam conveyed its consent thereby favouring taking over of E.S.I. Hospital (Beltola) as a Model Hospital by the E.S.I. This was communicated vide letter No. GLR.131/2001/123 dated 22.11.2002. The Government of Assam, again, vide their letter No. GLR.131/2001/169 dated 16.12.2002, Constituted a Committee for the decision making process to prepare the ground and modalities for handing over the E.S.I. Hospital including the staffing pattern. In response, the Corporation also constituted a eight member Committee for handing over and taking over of the said Hospital. This was communicated vide letter No. U-16/25/Model/Assam/2002-Med.II dated 17.12.2002.

- (v) That the Government of Assam again wrote to the Government of India regarding the process of handing over the E.S.I., Hospital, Beltola and informed the Government of India that it had decided to handover the E.S.I. Hospitals of mutually agreed terms and conditions. But in the Meeting held on 26.12.2002 when the MOU was prepared and presented, the E.S.I. representative did not agree on certain issues relation to the local recruitment in respect of certain posts on the basis of Corporation's norms. Therefore, the said MOU was sent to the Government of India for a decision for final settlement. This was communicated vide letter No. GLR.131/2001/170 dated 30.12.2002. The Corporation vide its D.O. letter No. V.11/11/Assam/1/03-DM(HQ) dated 10.11.2003 informed the Government of Assam about the views of the Corporation on the issues incorporated in the draft MOU. With regard to the issue regarding the handing over of the infrastructure of the Hospital except the land to the Corporation, the Corporation made it clear that since the title of the land is vested in the Corporation, it would not be possible to handover the infrastructure which retaining the land thereof. It was further made clear that the terms and conditions regarding deputation and the option either to get pay of the deputationist fixed under normal rules or to draw pay of the post in parent department plus deputation allowances as per Government of India rules. This option for choosing pay scabs was to be made as a Hospital Unit and not individual. It was also clarified that the demand for posting of administrative officer from the State Government on deputation was not in confirmative with the policy of the Corporation relating to Model Hospitals. The matter demand let down in the MOU appointment of unemployed youth of the State against the future need of manpower, was also clarified as not acceptable so far as the staff/officers are recruited as per statutory recruitment regulation and the part are advertised centrally by the Corporation. The Government of Assam, however, accepted the terms and conditions of E.S.I. Corporation and took a final decision

to handover the hospital to the Corporation vide its letter No. GLR.131/2001/Pt/1/12 dated 17.2.2003 and also requested the Corporation to fix a date for such handing over and taking over. The Corporation, accordingly, informed the Government of Assam by fixing 31.3.2003 for such handing over and taking over. This was communicated vide letter No. U-16/25/Model/Assam/2002-Med.II dated 28.3.2003.

(vi) That ultimately, a MOU was signed between the representatives of the Corporation and the Government of Assam excluding the matter regarding employment/appointment of staff etc. and the matter of Hospital Advisory Committee as suggested in the draft MOU marked as 'A' and 'B' in the said MOU and specifically with the foot-note in that regard. The MOU was signed on 4.4.2003. The Government of Assam vides their letter No. GLR.153/2003/Pt.I/158 dated 29.3.2004 accepted the various terms and condition of deputation of as many as 25 numbers of doctors. By the said communication, the Government of Assam made it clear that the deputationist will be entitled to retain their Grade pay of their parent department plus 10% deputation allowance. The Government of Assam placed the services of the doctors w.e.f. 4.4.2003 on deputation to the Model Hospital vide their Memo No. GLR.121/2003/8-A dated 10.4.2003. The answering respondents crave the leave of this Hon'ble Tribunal to allow them to rely upon and to refer the contents of the said MOU dated 4.4.2003 and the letter dated 29.3.2004 at the time of hearing of the case.

(vii) That the period of deputation of the incumbents deputed to Model Hospital was further extended by one-year w.e.f. 4.4.2004 by the Government of Assam vide Memo No. GLR.153/2003/Pt.I/159-A dated 29.3.2004.

(viii) That in the mean time, the doctors numbering as many as 19 approached this Hon'ble Tribunal through the O.A. No. 247/2004 and thereby sought relief for grant of pay and allowances at par with the counterparts in the Corporation

-86-

w.e.f. 4.4.2003 with all consequential services benefits, sought quashing of the impugned Order dated 30.11.2004 to re-fix the pay of the doctors with immediate effect and for formulation of detailed terms and condition for permanent absorption. This Hon'ble Tribunal heard all the sides, perused the records and observe that the date of fixation of pay and allowances on the basis of MOU or as per draft terms of absorption as to whether that should be from the date of deputation or from the date they joined, duty are all matters which the E.S.I.C. has to consider and to take expeditions decision. The Hon'ble Tribunal also held that the draft terms and condition as in Annexure - A to the MP 125/2005 has been approved by the State Government. Therefore, this Hon'ble Tribunal directed the respondent to proceed the matter and to implement the terms and condition contained in the MOU and the draft terms of absorption to the effect agreed by the State Government within a period of six months from the date of receipt of the order.

- (ix) That the Corporation has created various posts for E.S.I.C. Model Hospital, Beltola, Guwahati, Assam, consequent upon taking over the said hospital vide letter No. U-16/18/1/ESIC/Chin chwad/2003-Med.IV dated 10.1.2006. According to the said sanction letter the 26 numbers of G.D.M.O. post and 13 numbers of specialists has been created among other various post. On the other hand, the Corporation issued letter of appointment to as many as four direct recruit Medical Officer as Insurance Medical Officer, Grade - II, out of which only one has joined in service.
- (x) That the Standing Committee of the Corporation finalized the terms and condition of absorption of the State Government Employees uniformly for its all the Model Hospitals including that of Guwahati, Assam. This was communicated by the Corporation through letter No. A-37(18)1/2003-DM(HQ.) dated 24.2.2006. By the said letter the approved terms and conditions of absorption was also enclosed. It was also clarified that the said terms and conditions be

circumstances among the employees and also for their either for absorption or for repatriation. It was also made clear that such employee must tender resignation from the service of the parent department and the acceptance of the same by the State Governments. Certain employees were categorized and excluded from the preview of absorption while the format for such exercise of option were also enclosed. The Corporation has also given clear direction to all the Model Hospitals the procedure and steps to be followed and taken in the exercise of absorption of employees vide letter No. A-37(18)1/2003-DM(HQ) dated 24.2.2006. By the said policy decision taken by the Standing Committee in its Meeting held on 13.12.2005 also made it clear that the effective date of absorption of employees will be 1.1.2006. This has been fixed as a matter of policy decision keeping in mind to avoid administration inconvenience of working out and recovering leave salary and pension contribution from the respective State Government and maintaining the uniformity in the date of absorption of all employees. The Corporation, a gown, vide their letter No. A-37(18)1/2005-DM(HQ)/1174 dated 17.3.2006 further made it clear that certain clarification has been made by the Director General of the Corporation to the terms and conditions of absorption. By the said communication, the Corporation also directed the various Medical Superintendents of Model Hospitals to complete the process of absorption of Group 'C' and 'D' employees by the first week of April and in any case latest by 10.4.2006. It was also made clear that the cases of GDMOs, Specialists and other Group 'A' and 'B' employees for whom the Director General is the appointing authority, be scrutinized by the Committee and forwarded with the recommendation to Head Quarter by 10.4.2006 positively. Accordingly, as stated above the process of absorption is being completed very soon.

- (xi) That the Government of Assam again raised some objection relating to the terms of absorption vide their letter No. GLR.131/2001/Pt-III/70 dated 9.3.2006. The Corporation

-88-

considered the said issue of the Government of Assam and clarified the same vide their letter No. A-37(18)1/2005-DM(HQ) dated 31.3.2006.

(xii) That the applicant doctors belong to the services of the Govt. of Assam and the Govt. of Assam has placed them on deputation vide Notification No. GLR.121/2003/8 dated 10.4.2003 (Annexure IV in the application) for a fixed term to the corporation under the Ministry of Labour, Govt. of India. The applicants are not yet absorbed in the services of the Corporation as there is no such rules or provisions for such absorption in the corporation. The matter of absorption has to be adopted and passed by a resolution by the highest policy making authority of the Corporation acting within the parameters of law and the statute by which the corporation has been established. That being a matter of policy decision vested with the discretion of the statutory authorities of the statutory corporation, this Hon'ble Tribunal may not interfere in such policy matter as the law in this regard is well settled. There is nothing to show on records that the respondents have ever acted illegally or arbitrarily in such policy matters or otherwise or such policy is vitiated with malafide or hostile discrimination.

(xiii) That the Govt. of Assam, the parent department (the employer of the applicants) had opted Pay Scales of State Govt. plus deputation allowance for the applicants deputed to the ESI Hospital, Beltola, Assam vide notification No. GLR153/2003/Pt.I/159 dated 29.3.2004 and the applicants are enjoying the said pay scale. Hence, the demand of the applicants for pay scale of the Corporation is not supported by any provision of law and valid without they being absorbed in the Corporation. In this connection it may be mentioned here that so far there has not been any policy formulation for absorption of such doctors on deputation in the corporation. It is not an isolated case like the present application before this Hon'ble Tribunal. The corporation is

- 89 -

115

running their hospitals in other States also in the Union by adopting the same procedures and in the similar manner. If any policy decision is taken in future for absorption of such doctors, such policy decision and terms and conditions for such absorption shall be made uniformly applicable to all such doctors on deputation in the country including the State of Assam. Regarding absorption, the Corporation had circulated terms and conditions of absorption among the individual deputationist doctors and staff of all the 10 Model Hospitals taken over by the Corporation throughout the country. On receipt of feed back from all concerned, including the ESI Model Hospital, Beltoola, it was felt as matter of policy that there was a need to review certain terms and conditions to bring in uniformity in the process which includes absorption of the employees of 10 different State Governments. The said terms and conditions are examined by the Corporation. Keeping in view the facts that the matter of absorption of the deputationist staff is being examined thoroughly and it is to be followed by a final policy decision to be taken by the members of the Corporation, the highest policy making authority and as such, the instant application is premature and the same is liable to be dismissed.

- (xiv) That the applicants have been paid the deputation allowances in addition to the pay scales as per the respective scales of the parent department. As the applicants have paid their salaries as per pay scales of the parent department as agreed by the parent department and also the deputation allowance in agreed terms, there is no cause of action to justify filing of this instant application at this stage. The question of absorption of the applicant by the corporation is a matter of policy involving expenditure and the schemes of the corporation and such decision is to be taken at different levels by different statutory authorities and with the approval of the Central Government. Such matter of policy formulation, unless it is done and that too arbitrarily, is matter within the exclusive domain of the

executives and the statutory authorities. Law is well settled that no court or Tribunal should interfere in such matter of policy decision. The answering respondents crave the leave of this Hon'ble Tribunal to allow them to produce such evidence/ records of payment of deputation allowances to the applicants at the time of hearing of the case.

The answering respondents also state that this application is not maintainable as the same has been filed prematurely as the Order dated 3.1.2006 passed by this Hon'ble Tribunal in O.A. No. 247/2004 is yet to be fully complied with and implemented. Unless that is done, on or before 2.7.2006 or within such extended period, if any such extension is sought and granted, nothing could be challenged relating to the matter of absorption.

The answering respondents crave the leave of this Hon'ble Tribunal to allow the respondents to rely upon and refer to the statements made in the written statements in O.A. No.36/2006 to be as statements made in this application. The annexure annexed to the said O.A. 36/2006 above may also be considered as annexure appended to these written statements.

4. That with regard to para 1 that with regard to the statements made in para 1 of the Application, the respondents reassert that the instant Application is premature and is liable to be dismissed with cost. However, the applicant in this O.A. was not the applicant in O.A. No.247/2004. However, the applicants in this O.A. were not the applicants in O.A. No.247/2004.
5. That with regard to statements made in para 2 and 3, the respondents have no comment to offer.
6. That with regard to statements made in para 4.1, the respondents state that these being matter of records, nothing is admitted which are not borne on such records. It is significant to note here that the date of appointment and

also the date of deputation are all different in case of the different applicants in all the O.A. No.36, 41 and 59. Therefore, the date of absorption cannot be on different dates as it is a matter of policy involving expenditure.

7. That with regard to the statements made in para 4.2 to 4.20, the answering respondents crave the leave of this Hon'ble Tribunal to allow the respondents to rely upon and refer to the statements made in the written statements in O.A. No.36/2006 to be as statements made in this application. The annexure annexed to the said O.A. 36/2006 above may also be considered as annexure appended to these written statements.
8. That with regard to para 5.1 to 5.9 That with regard to the statements made in para 5.1 to 5.8, the answering respondents state that the grounds put forwarded by the applications are without any substance and not bases on any legal provision. Hence, the grounds shown by the applicants cannot sustain in law and as such the application is liable to be dismissed as futile and without any merit. The settled provision of law is that the deputationists have no right to claim absorption. If it is so, a deputationist cannot impose precondition for such absorption unless rules permit. However the respondents beg to state that the direct recruitment made is irrelevant in this case as the recruitment so made relates to the vacancy of New Delhi as clarified herein above.
9. That with regard to the statements made in para 6 and 7, the respondents state that the application has been filed without any basis as stated above. Hence, there cannot be any alternative remedy to re-agitate their claim afresh which has been sealed and seized by the order dated 3.1.2006 in O.A. NO. 247/2004.
10. That with regard to the statements made in para 8.1, 8.2, 8.3 and 8.4, the respondents state that in view of the facts and circumstances of the case and the provisions of law the

-92-

11a

applicants are not entitle to any relief whatsoever as prayed for and the application is dismissed with cost. It is also submitted that the order dated 3.1.2006 passed by this Hon'ble Tribunal in O.A. No. 247/2004 is being implemented within the time framed and the process is rigorously on and it is expected that the process would be completed by 3.7.2006 if not within such extended time if at all permitted by this Hon'ble Tribunal. As stated hereinabove, the provisions of MOU dated 4.4.2003 as executed between the authorities except the excluded clauses has already been superceded by the approved terms and conditions of absorption which has got the cognizance of this Hon'ble Tribunal which are specific and detail in nature and the process of absorption is being carried out as per provisions of the said terms and conditions which are nothing but specific clauses of the General Clauses of the MOU. Hence, the application is futile and in tenable in law and liable to be dismissed with cost.

11. That with regard to the statement made in para 9.1 and 9.2, the respondents respectfully submitted that under the above facts and circumstances and the provisions of law the interim order of stay is liable to be vacated and or be modified as this Hon'ble Tribunal may deem fit and proper.

In the premises aforesaid, it is respectfully prayed that your Lordship's would be pleased to hear the parties, peruse the records of the case and after hearing the parties and perusing the records would also be pleased to dismiss the application with cost.
