The applicant has filed a representation on 20.7.05 before the respondents, but no response is given to the applicant. The applicant filed an application in O.A. No.4 of 2005 and this Tribunal relying on the decision of the Supreme Court in B.Varadha Rao Vs. State of Karnataka and others, AIR 1986 SC 1955 (Para 6) disposed of the said O.A. directing the respondents to consider the representation of the applicant and also directed that the respondents, as far as possible, will defer the transfer of the applicant till 31.3.2006. Subsequent to the above order of the Tribunal the Respondents have passed the impugned

### ORDER (ORAL)

#### KHUSHIRAM (MEMBER-A)

The Applicant is employed as a Helper in the office of the Directorate of Advertising and Visual Publicity, (Ministry of Information and Broadcasting) at Guwahati. He was transferred, on 10.9.2004, from Guwahati to Kohima as against the vacant post of Chowkidar. He filed an appeal on 21.09.2004 for cancellation/modification of the transfer order and, subsequently, filed an O.A. No.223/2004 before this Tribunal, which was disposed of by order dated 29.09.2004 with a direction to the departmental authorities to dispose of his appeal within a specified time. The said direction of this Tribunal was complied with (by the appropriate authority) by passing of an order dated 5.10.2004-rejecting the appeal against the transfer. The said order dated 05.10.2004 was again challenged by way of filing yet another O.A. No.4/2005 before this Tribunal and by an order dated 22.6.2005/<sup>this Tribunal</sup> ~~passed in that O.A.~~ directed the Respondents not to implement the order of transfer dated 10.09.2004

respect of the Applicant till 31.3.2006 having regard to the education of his children at Guwahati. The Applicant was also directed to present his representation (along with a copy that order of this Tribunal) for consideration of the Department. Meanwhile, the stay order was directed to continue till disposal of the representation as per direction of the Tribunal. The Respondents vide order dated 1.8.2005 deferred the transfer of the Applicant till 31.3.2006; while rejecting the request for cancellation/modification of his transfer to Kohima. By a separate order dated 5.10.2004 the department also clarified that the Applicant would continue to hold post of Helper at Kohima. The Applicant has challenged the said orders by way of filing the present Original Application ~~CA~~ 76/2006 under Section 19 of the Administrative Tribunals Act 1985, on 27.3.2006, claiming that he was working in regional office Guwahati as Helper since 10.05.1988 but by the order dated 10.9.2004 he has been transferred to FEO Kohima against the vacant post of a Chowkidar and, thus, demoting him from Helper to Chowkidar in violation of the Government circulars. He also alleged that the transfer order has been passed with mala-fide intentions and is illegal and arbitrary and thus to be set aside.

2. The Respondents have filed a written statement explaining the difficulties in cancellation/modification of the transfer order. It has also been stated that the problems faced by the Applicant and his family are common to all employees and hence no exception could be made in respect of the Applicant by canceling his transfer order. It was also

pointed out that he has been allowed to continue at Guwahati in compliance with the direction given by this Tribunal; though there was acute shortage of staff in DAVP headquarters and vacant posts cannot be filled since they have been identified for abolition on downsizing the apparatus of the Govt. It was also stated that Kohima, where applicant is posted, is a part of North Eastern Region where the applicant has been employed that the Applicant has stayed at Guwahati for more than 17 years; that he has not faced any transfer since joining the Government service and that, therefore, they sought dismissal of the case and vacation of interim stay orders.

3. We have heard Mr M.U.Mandal, learned counsel appearing for the Applicant and Mr G.Baishya, learned Sr.C.G.S.C appearing for the Respondents.

4. Learned counsel for the Applicant has repeated the points already raised in different O.As of the Applicant and also stressed on the difficulties being faced by the Applicant and his family members.

5. Mr G.Baishya, learned Sr.C.G.S.C for the Respondents pointed out that since the transfer of the Applicant in 2004 he had avoided compliance of the order till date under orders of the Tribunal and earlier also his transfer was deferred upto 31.3.2006 on account of his children's education. Once that date is over, he again avoided compliance of the order of transfer and managed to get stay order and had continued to stay at Guwahati. It is stated that the academic session in Guwahati is from January to December; but last time the Applicant claimed that his

children's education session will be over in March and the new Education session was to start from April and that is why he was allowed to continue at Guwahati till 31.3.2006. He cited the decision of S.C.Saxena vs. U.O.I & Ors. Reported in (2006) 9 SCC 586 (para-6) wherein the Hon'ble Supreme Court has held that "a Government servant cannot disobey a transfer order by not reporting at the place of posting and then go to a court to ventilate his grievances. It is his duty to first report for work where he is transferred and make a representation as to what may be his personal problems. This tendency of not reporting at the place of posting and indulging in litigation needs to be curbed." He also cited the decision of State of U.P. & another vs. Siyaram and another, reported in (2004) 7 SCC 405 wherein the Supreme Court has held that "transfer is not only an incident of service, but a condition of service as well and is necessary in public interest and efficiency in public administration – No govt. servant or employee of a public undertaking has any legal right to be posted forever at any one particular place or place of his choice."

6. In the instant case, the Applicant has taken advantage of the system and managed to avoid compliance with the transfer order by obtaining stay orders from the Tribunal from time to time, and has continued to stay at Guwahati without any regard for the exigencies of public service and requirement of the department. The applicant has proved himself to be a habitual litigant, who invents excuses for avoidance of the compliance of the transfer order.

7. In the light of the foregoing discussions, we find no merit in this O.A; which deserves to be dismissed. This case is, therefore, dismissed.

8. Consequently, the interim order dated 28.3.2006, as extended from time to time, stands vacated.

9. There will, however, be no order as to costs.

ORDER (ORAL)

SIVARAJAN. I. (V.C.)

The applicant, a Helper under the respondent No.4 in the Regional Office, Directorate of Visual Publicity, Ministry of Information and Broadcasting, Guwahati, was transferred from that office to Kohima as per order dated 10.9.2004 (Annexure-5). The applicant then filed a representation (Annexure-6) before the respondent No.2. Later he filed O.A.No.223 of 2004 before this Tribunal which was disposed of by order dated 29.9.2004. The Tribunal directed the appropriate authority to consider the appeal for cancellation/modification of the transfer order within ten days. The said direction was complied with by order dated 5.10.2004 (Annexure-9). The request of the applicant was rejected. The applicant challenges the said order in this O.A. Interim order was passed on

19.1.2005 as follows:

"In the meantime, however, respondents shall not implement the order of transfer dated 10.9.2004 in respect of the applicant only till the next date."

This order is extended from time to time and is in force even today.

2. According to the applicant he has got personal problems like education of this children, illness of his wife etc., apart from the fact that this transfer is made in the month of September.
3. The respondents have filed a written statement wherein it is stated that one Shri Diwan Singh, Chowkidar, Field Exhibition Office, DAVP, Kohima to DAVP, New Delhi made a request for his transfer in the light of the Circular regarding choice posting. After completion of the required service in the North Eastern Region he

*Am,*

was given a posting to New Delhi. It is further stated that there is acute shortage of staff at DAVP headquarters as well as its field offices located all over India and that the applicant has been transferred to Kohima in public interest. The personal problems projected by the applicant in his representation were also considered; it is stated.

4. We have heard Mr U. Mandal, learned counsel for the applicant and Ms U. Das, learned Addl. C.G.S.C. for the respondents. They made submissions on the lines of respective pleadings of the parties. Learned counsel for the applicant has also relied on a decision of the Supreme Court in B. Varadha Rao Vs. State of Karnataka and others, AIR 1986 SC 1955 (para 6) and submitted that low paid employees cannot be transferred particularly during unscheduled time which will disturb the education of their children. Ms U. Das, on the other hand, submits that the applicant was transferred only on public interest and that too after completion of a considerable period at the same station, i.e. Guwahati.

5. We have considered the rival submissions. Admittedly, the transfer of the applicant is in the months of September. He has stated that his children are in the middle of the academic session. This Bench, as already noted, has stayed the transfer of the applicant. He is now continuing in the same place. Now the education of his children are in the mid session. In the circumstances, having regard to the fact that an interim order has been issued and that the respondents might have filled up the vacancy at Kohima (Ms U. Das, on instructions, submits that the post is still vacant), we direct the applicant to make a representation pointing out the peculiar circumstances within one month from today. If any such

*[Signature]*

representation is filed, the respondents will consider the same and take a decision in the matter within a period of two months thereafter. Having regard to the education of the children of the applicant (if the same is properly established with materials) the respondents, as far as possible, will defer the transfer of the applicant till 31.3.2006.

6. The O.A. is disposed of as above. The applicant will produce this order alongwith the representation as directed for compliance.

7. The Interim order already passed will continue till the disposal of the matter as directed.

Most respectfully I have the honor to state that I have been working as Helper in the Office of the Regional office, DAVP, Guwahati since 1988.

Sir My elder son Shri Rajan Sharma is a handicapped boy who could not move alone and as such my attendance is must to look after him (Certificate of handicapped is enclosed).

Sir, my wife has been suffering from diabetes since last 2/3 years. She has also developed other secondary complication leading to periplume neuritic and she must need an attendance to take care of her. Moreover my son and two daughters are reading in class VII, VI and V in Assamese Medium schools and as such in the midst of session they should not be suffered.

Sir, I have been also suffering from hypertension and hepatitis and as such I am not in a position to arrange double establishment at Guwahati as well as at Kohima as the low paid employee.

Considering the above facts and circumstances the order of transfer dtd 10/09/04 may kindly be cancelled /modified and I may be allowed to work at Gauhati as a helper in view of the medical ground and other humanitarian ground in the interest of justice

Encl : As stated above.

O.A. No. 76 OF 2006

Union of India and Ors.

Respondents

The written statement on behalf of the Respondents above named:-

WRITTEN STATEMENT OF THE RESPONDENTS

MOST RESPECTFULLY SHEWETH:

- 1) That with regard to the statements made in paragraph 1 of the Application the respondent denied that the applicant has been demoted to the post of Chowkidar from the post of Helper, as alleged. This issue has already been settled in OA No. 4/2005 filed by the applicant in this Hon'ble Tribunal.
- 2) That with regards to the statement made in paragraph 3 of the application the respondents have no comment.
- 3) That with regards to the statements made in paragraph 4.1 of the application the answering respondents have no comment.
- 4) That with regards to the statement made in paragraph 4.2 of the application the respondents beg to state that those are matter of

contd....p. /-

Filed by  
the respondents  
through counsel for Sr. Case

records and are repetition of the facts stated by the applicant in OA No. 4/2005 filed by him in this Hon'ble Tribunal.

5) That with regards to the statements made in paragraph 4.3 of the application the respondents while denying the statements made therein beg to state that the applicant has been transferred from Regional Office, DAVP, Guwahati to Field Exhibition Office DAVP, Kohima as Chowkidar. In fact, he has been transferred as Helper and will continue to perform his duties attached to the post. However, he has been transferred against the vacant post of Chowkidar, which carries identical scale of pay to facilitate him to draw salary etc. Thus, there is nothing illegal, malafide, arbitrary or discriminatory action on the part of respondents, as alleged.

6) That with regards to the statement made in paragraph 4.4 of the application the respondents beg to state that as per directions of the Hon'ble Tribunal dated 29.9.2004 passed in OA No. 223/04, the respondents considered representation dated 21.9.2004 of the applicant against his transfer to Kohima. After considering all aspects/circumstances leading to his transfer, it could not be found possible to cancel/modify the transfer order dated 10.9.2004. A reply

contd....p. /-

has been given to the applicant. The applicant had submitted a representation dated 20.7.2005, which was considered sympathetically and he was given a reply on 1.8.2005. Copy of the reply has been annexed by the applicant as Annexure-15 in the application.

7) That with regards to the statement made in paragraph 4.5 of the application the respondents beg to state that the issues involved have already been settled in OA No. 4/2005 filed by the applicant. The respondents deny that they ignored the personal problem of the applicant while considering the representation dated 21.9.04. In fact, the personal problems have also been taken into account vis-à-vis immediate requirement of the applicant at Field Exhibition Office, DAVP, Kohima. It is needless to mention that all employees share the common problems like illness of family members, children's education or other domestic problems. Hence it may not be possible to make exception in respect of any one for deferment or cancellation of transfer orders, where services of these employees required urgently in public interest. Keeping in view the fact that children of the applicant are studying in mid session, this Hon'ble Tribunal has also directed the respondents, while disposing OA No. 4/2005, to defer transfer order of

contd...p. /-

the applicant till 31.3.2006. In view of these directions, the applicant has been allowed to continue at Guwahati till 31.3.2006.

8) That with regards to the statement made in paragraph 4.6 of the application the respondents denied that the representation dated 20.7.2005 of the applicant have been ignored. He has been allowed to continue in Guwahati till 31.3.2006 as per directions dated 22.6.2005 of this Hon'ble Tribunal in OA No. 4/2005.

9) That with regards to the statement made in paragraph 4.7 of the application the respondents beg to state that the matter relating to mid term session in respect of children of the applicant has already been considered by this Hon'ble Tribunal while disposing OA No. 4/2005, filed by the applicant. He has been allowed to continue at Guwahati till 31.3.2006 so that his children can complete academic session. Now the applicant is deliberately avoiding to proceed to Kohima in the new academic session of 2006-07 by way of filing the present OA, which does not contain any fresh issue. As such, the applicant is violating this Hon'ble Tribunal's directions dated 22.6.2005 in OA No. 4/2005.

10) That with regards to the statements made in paragraph 4.8 of the application the respondents beg to state that, this issue has also

contd...p. /-

already been settled in OA No. 4/2005. However, it may again be stated that the Government of India have provided certain incentives/facilities admissible to various categories of civilian Central Government employees serving in North Eastern Region including the states of Manipur and Nagaland. Among these incentives, there is a fixed tenure of posting 3 years at a time (for employees with 10 years of service or less) and of 2 years at a time (for employees with more than 10 years of service). On completion of fixed tenure, the concerned officers may be considered for posting to a station of their choice as far as possible. Keeping in view the instructions, Shri Diwan Singh has been considered for transfer from Field Exhibition Office, DAVP, Kohima to DAVP, New Delhi on his request. He was initially appointed at Field Exhibition Office, DAVP, Imphal on 10.7.2000 and thereafter transferred to Field Exhibition Office, DAVP, Kohima on 4.6.2002. He has therefore, served in the North Eastern Region for more than 4 years. He had requested for his posting at the choice of station i.e. Delhi. Keeping in view his tenure of postings in the North Eastern Region, his request was considered and he has been transferred to DAVP, New Delhi. There is acute shortage of staff in DAVP headquarters as well as its field offices located all over India. The vacant posts cannot be filled since they have been identified for abolition on downsizing. In order to achieve maximum targets on publicizing policies, programmes and achievements of the Government

contd.p /-

for which the field units of DAVP are mainly responsible, the work being carried out through existing strength by transferring the staff from such units where staff strength is comparatively better to other units, where staff position is grim. Among these arrangements, the applicant, who has been working at Regional Office, DAVP, Guwahati since 10.5.1988 and has not faced any transfer, has been considered for posting at Field Exhibition officer, DAVP, Kohima which is facing acute shortage of staff and there is no Group-D employee at present. Every efforts is made by the respondents not to transfer low-paid Group-D employees except on request and in exigencies of public service. If transfer has to be made in exigencies of public service, possibilities are explored to transfer the low paid staff at the nearest station. As such, the applicant has been considered for posting at Kohima i.e. another station located within the North Eastern Region where his services are required urgently.

11) That with regards to the statements made in paragraph 4.8 of the application it is denied that no reply was given to the applicant in response to his representation. In compliance with the directions dated 22.6.2005 of this Hon'ble Tribunal in OA No. 4/2005, a reply was given

contd....p. /-

to the applicant on 1.8.2005 in response to his representation dated 20.7.2005.

12) That with regards to the statement made in paragraph 4.9 of the application the respondents beg to state that, similar is the case of Sri R.C. Deka, who has been transferred in exigencies of public service from Regional office, DAVP, Guwahati to Field Exhibition Office, DAVP, Tura where he is only Group 'D' employee. On his transfer, Shri Deka has since reported for duty at Tura. There is no malafide intention in issuing transfer orders dated 10.9.2004 in respect of the applicant and other employees. As such there is nothing illegal, arbitrary or discriminatory as alleged.

13) That with regards to the statements made in paragraph 4.10 of the application the respondents beg to state that, in view of the position explained in above paragraphs, the applicant may be directed to comply with the order dated 10.9.2004 on his services are required urgently at Field Exhibition Office, DAVP, Kohima. The issues involved in the present OA have already been settled in OA 4/2005.

Contd...p. /-

14) That with regards to the statements made in paragraph 5.1 of the application the respondents beg to state that, as explained in paragraph 4.8 above, Shri Diwan Singh has been transferred at the choice place of posting after completion of his fixed tenure in the North Eastern Region. This is in accordance with the Government instructions. The applicant, who has been continuously working in Guwahati for more than 17 years and has not faced any transfer ever since his joining in Government service, has been considered for transfer to Kohima since his services are required urgently. Therefore, there is nothing arbitrary, malafide, illegal or discriminatory, as alleged.

15) That with regards to the statement made in paragraph 5.2 of the application the respondents beg to state that, considering the mid session of his school going children, this Hon'ble Tribunal has allowed the applicant to stay in Guwahati till 31.3.2006 while disposing OA 4/2005. The applicant deliberating avoiding his transfer by way of filing the present OA in which no fresh issue has been raised.

16) That with regards to the statement made in paragraph 5.3 of the application the respondents beg to state that, while denying the contentions made in the corresponding para of OA the respondents

contd...p. /-

*R. K. Sengupta*

beg to state that applicant has not been transferred as Chowkidar. Every effort is made not to transfer low paid Group-D employees. Yet in exigencies of public service they are to be transferred at a station where their services can be utilised at the maximum. As regards Government instructions on posting of husband and wife at the same station, request of the applicant has been considered with utmost sympathy. It was not found possible within the constraints of administrative convenience to allow the applicant to continue at Guwahati.

17) That with regards to the statement made in paragraph 5.4 of the OA the application, the respondents beg to state that the family problems as stated by the applicant have been considered sympathetically but it could not be found possible to accede to them due to exigencies of public service.

18) That with regards to the statement made in paragraph 5.5 of the application the respondents beg to state that, the same are not correct. There are Group 'D' staff at Guwahati offices of DAVP after the relief of applicant on his transfer to Kohima. It is for the respondents to see that services of their staff are utilised at the maximum on the basis of workload.

Contd...p. /-

19) That with regard to the statement made in paragraph 5.6 of the application the respondents beg to state that, in view of the position explained in the foregoing paragraphs and the fact that the issues raised in the present OA have already been settled in OA No. 4/2005 the applicant may be directed to report for duty at Field Exhibition Office, DAVP, Kohima where his services are required urgently.

20) That with regards to the statement made in paragraph 6 of the application the respondents have no comments.

21) That with regards to the statement made in paragraph 7 of the application the respondents beg to state that, the applicant has previously filed similar application by way of OA No. 4/2005 in this Hon'ble Tribunal which was decided vide order dated 22.6.2005.

22) That with regards to the statement made in paragraph 8 & 9 of the application the respondents beg to state that, in view of position stated above, no relief need be granted to the applicant. The Hon'ble Tribunal may be pleased to vacate the interim order dated 28.3.2006.

23) That with regards to the statement made in paragraph 10, 11 & 12 of the application the respondents have no comments.

5. That with regard to the statement made in paragraph 7,8 & 9 in the written statement the applicant denies the same and begs to state that the issues noticed in the present O.A.No.76/06 have not been decided and settled in O.A.No.4/05 and the petitioner has been working at Gauhati in view of the order dtd.22.6.05 and as per the interim order dtd. 28.3.06 passed in O.A.No.76/06 which has been extended from time to time till date.
