	26.04.2006	Present : Hon'ble Sri K.V. Sachidanandan, Vice-Chairman.
		Pursuant to an advertisement dated 13-19 September 2003 (Annexure - 1) for recruitment to various categories posts of Teachers in the Kendriya Vidyalaya Bangathan, the applicants applied for the posts of Post Graduate Teacher, Trained Graduate Teacher and Primary Teacher and the applicants have been called for to appear in two stages written test. The applicants, 12 in numbers, have passed the written and interview and were subsequently issued offer of appointment provisionally on contract basis for a period of 1 year in their respective categories and they have been engaged right from 04.02.2005. According to averments made in the application, their appointments were provisional and their services would be regularised depending on the outcome of the inquiry undertaken by the respondents

This application is in form

for selection of the candidates and by impugned order annexure - 5 series dated 23.01.2006 time was granted up to 30 April 2006 making observation that the applicants have no vested right to claim for regularisation in KVS. Specific contention is that if no such inquiry is undertaken by the respondent the services of the applicants would have been regularised. The applicants are apprehending termination of their services at any point of time as per annexure - 5 series.

Heard Mr. J.L. Sarker, learned counsel for the applicants assisted by the Mr. M. Chanda, learned counsel and Mr. M.K. Mazumdar, learned counsel for the respondents.

Mr. M. K. Mazumdar, learned counsel for the respondents submitted that he would like to take instructions. Since the matter is urgent, he is directed to take instruction on or before 28.04.2006 and the matter will be listed on 28.04.2006.

In the interest of justice, it is directed to maintain status quo till such date.

28.4.2006

The applicants herein, 12 in numbers, are teachers selected in KVS after due process of selection. According to the applicants they have been given appointment in the respective schools, but as per Annexures 4 series the appointments were on provisional basis and also on contract basis wherein it is quoted that:

"In case, the enquiry Committee upholds his/her selection, the present provisional appointment will be deemed as appointment letter on regular basis w.e.f. the date of joining of the appointee."

It is made clear that this order has been necessitated to issue provisional appointment, since an enquiry is pending against the said selection.

In an identical case in O.A.93 of 2006 when the matter came up for hearing on the last occasion this court directed the counsel for the respondents to take instructions. Today when the matter came up for hearing the counsel for the respondents has produced a letter dated 27.4.06 wherein the period of provisional appointment on contract basis of the applicants has been extended up to 30.6.2006 or on conclusion of enquiry whichever is earlier.

Considering the issue involved I am of the view that this application has to be admitted. Application is admitted. Issue notice on the respondents. It is made clear that though the respondents have extended the appointment up to 30.6.06 there is a clause that their services can be terminated, if the report comes earlier. Considering the said

28.2.06

statement I direct the respondents that  
the applicant should not be terminated  
without the permission of this Court.

Post the matter on 1.6.06.

ORDER (ORAL)

K.V. SACHIDANANDAN (V.C.)

The Applicants are teachers selected in Kendriya Vidyalaya Sangathan (KVS for short) after due process of selection. Though they have been given appointment in the respective schools, their appointments were on provisional and contract basis which were issued on the ground that there is an inquiry against the entire selection process. The Applicants stated that if the Inquiry Committee upholds the selection, their appointments would be deemed as appointment on regular basis from the date of joining of the appointees. No notice was issued to the Applicants in respect of alleged inquiry that is being ordered by the Respondents on selection. Being aggrieved by the regularization of the Applicants they have filed the Original Applications seeking the identical reliefs.

2. Heard Mr M. Chanda, learned Counsel for the Applicants in O.A. Nos. 100/2006, 102/2006, 116/2006, 117/2006 and 158/2006, Mr B. Choudhury, learned Counsel for the Applicants in O.A. Nos. 91/2006, 93/2006 and 94/2006 and also Mr M.K. Majumdar, learned Standing Counsel for the KVS for the Respondents in all the cases. The matters were came up for consideration for many times and the engagement of the Applicants were also extended by the Respondents from time to time and finally upto 31.12.2006. When the matter came up for hearing today, Mr M.K. Majumdar, learned Standing Counsel for the KVS produced an order dated 18.09.2006 and submitted that the services of all the Applicants have been regularized and order to that effect has been passed. Therefore, the matters can be disposed

of by a common order. The order which was produced by the Mr Majumdar, learned Standing Counsel is reproduced below:-

"This is regarding regularization of appointment of teachers (PGT/TGT/PRT) appointed on provisional contract basis in the year 2005, subsequently their period of contract was extended from time to time with the condition that their period of contract would be upto the last of period of extension or conclusion of enquiry by Santhyam Committee whichever is earlier. Now Ministry of HRD, Department of School Education and Literacy, UT-2 Section has informed vide letter No. F.3-2/2005-UT-2 dated 8<sup>th</sup> September 2006 that on the basis of the recommendations contained in the report submitted by Shri S. Santhyam on the procedure adopted by Kendriya Vidyalaya Sangathan (KVS) for selection and recruitment of various categories of teachers who were appointed on provisional contract basis, following decision is taken by the Ministry with the approval of the competent authority for immediate action :-

"The appointment of teachers of various categories who were appointed on provisional contract basis on the basis of the selection of candidates for the recruitment during 2004-05 be regularized immediately."

In this regard it is pertinent to mention that as per terms & conditions of offer of provisional appointment on contract, which was issued to all such teachers, there is a para which read as :-

"In case, the enquiry Committee upholds his/her selection, the present provisional appointment will be deemed as appointment letter on regular basis w.e.f. the date of joining of the appointee."

In view of the above, you are therefore directed to inform all the teachers (PGT/TGT/PRT) as per the format enclosed who were appointed on provisional contract basis in the year 2005 in the Kendriya Vidyalayas under jurisdiction accordingly.

It is further stated that the aforesaid decision of regularizing appointment would not mean that the service rules of KVS as applicable to employees of KVS from time to time and also other terms and conditions of appointment have been given a go by."

A format was also enclosed with the order to inform all the teachers (PGT/TGT/PRT) who were appointed on provisional/contact basis in the year 2005 to the Principal of the respective schools with the instruction to deliver the letter to the individual by obtaining receipt of the same. Learned Counsel for the Respondents submitted that since the order has been implemented by the Respondents, nothing subsist in the matters. Learned Counsel for the Applicants submitted that they have no instructions as to the regularization of services of the Applicants. However, learned Counsel for the Applicants submitted that the Applications may be closed with liberty to the Applicants to approach the appropriate forum, if they have any further grievances.

3. Recording the said submissions the O.A.s are closed with liberty to the Applicants to approach the appropriate forum, if they have any further grievances. No order as to costs.

Applicant No. 4 to 8 are working as Trained Graduate Teachers and Applicant No. 9 to 12 are working as Primary Teachers in Kendriya Vidyalayas under the administrative control of Assistant Commissioner,

Silchar Region and posted in different Kendriya Vidyalaya in the state of Tripura. All the applicants have been appointed and posted from outside the NE Region.

- 4.2 That the applicants pray permission to move this application jointly in a single application under Sec 4 (5) (a) of the Central Administrative Tribunal (Procedure) Rules 1987 as the relief's sought for in this application by the applicants are common, therefore, they pray for granting leave to approach the Hon'ble Tribunal by a common application.
- 4.3 That the Kendriya Vidyalaya Sangathan (for short KVS) published an advertisement in the Employment News dated 13-19 September 2003 for recruitment to the various categories of posts of Teachers in the KVS, the applicants in pursuance to the said advertisement applied for the posts of Post Graduate Teacher (for short PGT), Trained Graduate Teacher (for short TGT) and Primary Teacher (for short PRT) within the stipulated period. The respondents on scrutiny of the individual applications, found all the applicants eligible for the respective posts for which they have applied and accordingly all the applicants have been asked to appear in the written examination (first stage) on 21.12.2003, written test (second stage) on 14.02.2004 and also on 15.02.2004 and again they have been asked to appear in the interview from 15.04.2004 to 08.05.2004, all the applicants accordingly appeared in the written examination as well as in the interview on the scheduled dates fixed by the KVS and they fared well in the written examination as well as in the interview.

Copy of the advertisement and few copies of the call letters are enclosed herewith for perusal of Hon'ble Tribunal as Annexure- 1 and 2 (Series) respectively.

- 4.4 That it is stated that the advertisement and the selection process has been carried out during the tenure of NDA (National Democratic Alliance)

S.D. Sarjal

20

Government, however, the results of the said selection was declared in the Website of the KVS in the month of May 2004. All the applicants have been declared selected for different categories of posts, namely; PGT, TGT and PRT. The KVS even after publication of the select list did not take any steps immediately for appointment of the selected candidates.

- 4.5 That most surprisingly after a lapse of about 8/9 months all the applicants have been issued offer of appointment provisional on contract basis in their respective categories for a period of 1 year with pre-condition that the services of the applicants shall be regularized with effect from the date of joining of the individual applicants depending on the outcome of a report/conclusion/recommendation/findings of the inquiry committee set up with the approval of the Competent Authority to conduct detailed enquiry into the procedure adopted by Kendriya Vidyalaya Sangathan for selection of candidates for teachers by employing private agency and give, inter-alia report/conclusion/recommendation/findings to ascertain as to whether any candidate has received any undue advantage by virtue of procedure adopted by Kendriya Vidyalaya Sangathan for the selection and recruitment of teachers for the year 2004-05. It is further stated in the said provisional appointment order that this provisional appointment is for a period of 1 year or on conclusion of enquiry giving it's report whichever is earlier. It is further clarified that this provisional appointment is purely temporary and will not confer any right for regularization, seniority etc. except in accordance with the terms and conditions laid down therein. It is further stated that in case before completion of the said enquiry if the period of 1 year expires then this provisional appointment may be renewed by the offeree and the discretion purely vests with the offeree. It is also clarified that in case the enquiry committee upholds their selection the present provisional appointment will be deemed as appointment letter on regular basis with effect from the date of joining of the appointee but if the enquiry committee gives a report/conclusion/recommendation/findings

S. D. Sanjay

to the effect that their selection has not been carried out in accordance with the selection procedure then the present offer will be withdrawn. However, all the selectees will be given age relaxation to the extent of 1 year and will be deemed to be eligible to participate in the next selection process thereafter. It is also made clear in case the enquiry committee uphold their selection in that event they will be treated on probation with effect from the date of joining for a period of 2 years which may be extended, however on successful completion of probation period they will be confirmed in service as per their turn in terms of Kendriya Vidyalaya Sangathan Rules on the availability of permanent vacancies.

In paragraph 4 of the offer of appointment letter it has been stated that during the provisional appointment and thereafter until their services are confirmed their appointment may be terminated by 1 month notice on either side without assigning any reason and the appointing authority has made it clear that they reserve the right to terminate the services of the appointee before expiry of the stipulated period of notice by making payment of sum equivalent to the pay and allowance for the period of notice or the un expired portion thereof. In clause 7 of the offer of appointment letter it has been stated that in case of any dispute or claim against the Kendriya Vidyalaya Sangathan in respect of service or any contract arising out of or flowing from this offer of appointment the Courts of Delhi alone shall have jurisdiction.

All the above conditions laid down in the offer of appointment letter are highly arbitrary, unfair and illegal but since the applicants are in need of better government jobs they had no other alternative but to accept the said terms and conditions and accordingly they reported for duties in different Schools as per direction contained in the offer of appointment letter. All the applicants have joined their services in the respective Schools within the stipulated period and till date they are serving in different Kendriya Vidyalayas in the cadre of PGT, TGT and PRT in the state of Tripura.

S.D. Sanyal

Copies of offer of appointment letter are enclosed herewith for perusal of Hon'ble Tribunal as Annexure- 3 (Series).

- 4.6 That it is stated that so far condition laid down in clause 7 of the offer of appointment letter regarding jurisdiction of filing of Court cases arising out of provisional appointment letter is highly arbitrary in view of the fact that the Kendriya Vidyalaya Sangathan has invoked the jurisdiction of the Central Administrative Tribunal by issuing necessary notification as required under the provision laid down in the Administrative Tribunal Act 1985 and as such in violation of the provision of the relevant Act 1985 the Sangathan cannot restrict the jurisdiction for filing Court cases in Delhi alone, such action of the Sangathan is in contravention of the provision of Section 14 of the Administrative Tribunal Act 1985. Moreover, the Principal Bench of the Central Administrative Tribunal is functioning from Delhi itself with Benches in different places, however, Central Administrative Tribunal is treated as one unit and as such filing of any application before any other Bench other than Delhi shall also liable to be treated that the same has also been filed before the CAT Principal Bench. Moreover, the Benches of CAT are functioning in different places other than Delhi to enable the employees to file cases within their own region and also in view of the intention to reduce the burden of cost of the litigation, as such Sangathan cannot compel the employees to file Court cases within the jurisdiction of Delhi, such action of the Sangathan in fact curtailing the fundamental rights of the employees to approach the competent court of law and as such Clause 7 of the offer of appointment letter is liable to be struck down and accordingly the Hon'ble Court be pleased to set aside and quash Clause 7 of the offer of appointment letter and further be pleased to admit the instant Original Application for adjudication of the grievances of the applicants. Moreover, in terms of the provision laid down in Article 58 of the Education Code for Kendriya Vidyalayas (Published in 2004), it has been specifically stated that in case of any dispute or claim arising as a

S.D. Sarjal

result of employment under the Sangathan the Central Administrative Tribunal alone shall have the jurisdiction. Therefore, respondent Sangathan cannot violate the provision laid down in their Education Code in order to restrain a particular section of the employees from approaching the different Benches situated in other places than Delhi. Therefore, the Hon'ble Tribunal be pleased to set aside and quash clause No. 7 of the offer of appointment letters (Annexure- 3 Series).

A copy of the extract of the Article 58 of the Education code for Kendriya Vidyalayas is enclosed herewith for perusal of Hon'ble Tribunal as Annexure- 4.

- 4.7 That it is stated that the applicants came to learn that the enquiry committee which was set up by the Government to conduct enquiry into the procedure adopted by the KVS for selection of candidates for teachers by employing private agency to ascertain as to whether any candidate has received any undue advantage by virtue of procedure adopted by the KVS during the recruitment year 2004-2005 in fact submitted it's report to the Government long back by the first enquiry committee so far the applicants came to learn that in the said report no procedural infirmity as regard selection of teachers is found but the Government was not happy with the report of the First Enquiry committee and therefore the Government again set up another committee for conducting the enquiry afresh and for submission of a report as per liking of the Government but at this stage it may be noted that it is almost about 2 years have elapsed from the date of declaration of the result but the subsequent enquiry committee could not submit it's report to the Government and as a result the employees are always working under the threat of termination of their services. It is relevant to mention here that the services of all the applicants has been extended by the Assistant Commissioner, Silchar Region upto 30<sup>th</sup> April 2006 or on conclusion of enquiry giving it's report whichever is earlier and

S.D. Sarjal

the said decision is communicated through separate memorandum individually to the applicants, one such memorandum bearing No. NF.2-16/PGT/2005-KVS (SR) 31525-27 dated 23.01.2006 addressed to Miss Dipti Sharma, applicant No. 3 is also enclosed along with other similar memorandum served upon the applicants.

It is relevant to mention here that from the contents of the extension order it is not clear as to when the Government is likely to receive the enquiry report, it may so happen that enquiry report might have been submitted by the enquiry committee even before 30<sup>th</sup> April 2006 without any knowledge of the applicants and if any adverse report is submitted by the enquiry committee in that event the services of the applicants will be terminated without passing any further extension order on 30<sup>th</sup> April 2006, apprehending such threat of termination of their services applicants are approaching before this Hon'ble Court for protection of their valuable and legal right by passing an appropriate interim order restraining the respondents from ousting the applicants from service or in other words an appropriate order of status quo ante may be passed in favour of the applicants till disposal of this Original Application.

Copies of the memorandum extending the services of the applicants upto 30<sup>th</sup> April 2006 are enclosed herewith for perusal of the Hon'ble Tribunal as Annexure- 5 (Series).

- 4.8 That your applicants further beg to say that they are having requisite educational qualification for recruitment to the posts of PGT, TGT and PRT in KVS on regular basis, being satisfied with their eligibility and on receipt of the advertisement duly published in the Employment News dated 13-19 September 2003 submitted their candidature to the appropriate authority for consideration of their appointment for the post of teachers in KVS. All the applicants have gone through the rigorous process of selection which includes 2 stages of written test as well as interview and they have

37

successfully came out through the process of selection and finally selection list has been published by the KVS recommending the names of the applicants for appointment to the respective categories. The applicants are not at all concerned with the selection procedure adopted by the Government of India, however it is at the instance of the Government the applicants appeared in the rigorous system of selection and ultimately came out successfully in the said selection process. The advertisement was published for regular recruitment of the teachers in the cadre of PGT, TGT and PRT for the recruitment year 2004-2005 as such they are entitled to be absorbed on regular basis in view of the fact that they have been duly selected after observing all formalities required under the law, therefore selection of the applicants cannot be questioned at this belated stage.

4.9 That it is stated that the selection has been conducted in a very fair manner and there was no favouritism or no undue advantage granted to any candidates in the process of selection as such the allegation of undue advantage and decision of respondents Union of India to conduct an enquiry to ascertain as to whether there is any procedural violation in the process of selection, which has been conducted by engaging a private agency are after thought and same has been done with an ulterior motive to deny regular appointment to the applicants against the vacancies of 2004-2005. In this connection it may be stated that similar selection process has been adopted by the Government/KVS during the period from 2000-2003 and all the selected teachers have been regularly appointed as teachers as such denial of regular appointment to the similarly situated applicants on the alleged ground as indicated above is highly arbitrary, illegal and unfair and such action of the respondents is in violation of Article 14 of the Constitution of India.

4.10 That it is stated that the advertisement and selection of the applicants for appointment to the different categories of teachers has been conducted at

S.D. Sarjap

the instance of the Government and the applicants have gone the rigorous process of selection with the legitimate expectation that they will be considered for appointment against the vacancies of 2004-2005 in different Kendriya Vidyalayas, therefore, after declaration of the select lists the Government is not entitled to question the validity of the procedure of selection and also not entitled to raise the question at this stage to ascertain whether any undue advantage was given to any of the candidates while carried out the selection process. The question which is now raised by the Government after completion of the selection process regarding conduct of selection process by a private agency is nothing but done at the instance of a vested circle in order to deny the regular absorption of the applicants. The applicants are victims of a well-planned conspiracy at the highest level of the Government. It appears that a well-planned attempt is made to terminate the services of the applicants by managing a report from the enquiry committee as per liking of the Government and therefore a vested section of the Government who have constituted the enquiry committee are waiting for a report/recommendations/findings/conclusions as per their desire in order to terminate the services of the applicants. All the applicants are eligible for appointment to the respective cadre of teachers having brilliant academic career. Advertisement was published on all India basis for regular recruitment of the teachers in the KVS against the vacancies for the recruitment year 2004-2005 and all the applicants faced the competition on all India basis and thereafter declared selected and as such applicants are apprehending that the very enquiry committee which was constituted at the instance of the Government, there is every possibility of manipulating of the report as per desire of the vested circle who have instituted the enquiry alleging engagement of private agency. If the Government is so serious regarding any allegation of unfair means or malpractice they could have engaged a judicial enquiry commission to ascertain the allegation of undue advantage. Government also did not disclose anywhere in the offer of appointment letter that there are specific

allegation of favouritism made from any corner regarding the selection process as such offer of appointment of the applicants on provisional basis cannot be sustained in the eye of law and the applicants are liable to be treated as regular teachers duly selected through established procedure of law and as such Hon'ble Court be pleased to declare that the applicants be treated as regular teachers from the date of joining their services and further they are entitled to all consequential service benefits including seniority in their respective cadre.

- 4.11 That it is stated that no order has been passed by the competent authority extending the services of the applicant and as such applicants are convinced and reasonably apprehending that their services will be terminated with effect from 30.04.2006 in terms of the extension order issued through the different memorandum.

In the circumstances stated above applicants finding no other alternative approaching before this Hon'ble Tribunal to protect the right and interest of the applicants by passing an appropriate order directing the respondents to regularize the services of the applicants and till such time the applicants be allowed to continue in their respective capacities.

- 4.12 That it is stated that the KVS, New Delhi again issued another advertisement in the Employment News dated 12-18 February 2005, for recruitment of teachers in the cadre of PGT, TGT and PRT for filling up the vacancies of 2005-2006, where applications have been invited latest by 25.03.2005 without regularizing the services of the present applicants who have been duly selected against the vacancies of the recruitment years 2004-2005. Therefore it appears that respondents deliberately delaying the regularization of the applicants on the pretext of enquiry report and therefore it smacks malafide as such applicants have no alternative but to approach this Hon'ble Tribunal for protection of their rights and interest.

S.D. Sarjot

A copy of the advertisement published in Employment News dated 12-18 February 2005 is enclosed herewith for perusal of Hon'ble Tribunal as Annexure- 6.

4.13 That this application is made bonafide and for the cause of justice.

5. Grounds for relief (s) with legal provisions:

- 5.1 For that, all the applicants pursuant to the advertisement issued in the Employment News dated 13-19 September 2003 against the vacancies of the recruitment year 2004-2005 have applied and have undergone rigorous selection process and thereafter declared selected for the posts of PGT, TGT and PRT in the KVS as such they have acquired a valuable and legal right for appointment on regular basis at least from the date of joining in their respective posts.
- 5.2 For that, the vacancies against which the applicants have been selected are regular vacancies as such applicants are entitled to be appointed on regular basis from the date of joining in their respective posts.
- 5.3 For that, the rigorous selection procedure have been adopted at the instance of the Government for appointment of teachers on regular basis in the KVS as such the same Government cannot question the validity of the selection procedure on the alleged ground that private agency has been engaged for selection of the teachers as such respondents Union of India are barred by law of estoppel, acquiescence and waiver to conduct any enquiry in this regard.
- 5.4 For that, during the year 2000-2003 similar process of selection has been adopted by the Government/KVS and all the selectees during the year 2000-2003 have been appointed on regular basis, therefore Government cannot raise the question of validity of similar selection process while

S.D. Sarojal

3

adopted during the recruitment year 2004-2005 more so when the applicants have been declared selected and already appointed on provisional basis otherwise such action of the Government will led to differential treatments towards the applicants which will be in violation of Article 14 of the Constitution of India.

- 5.5 For that, all the applicants are qualified to hold the respective posts of teachers having brilliant academic career and came out successful in the rigorous selection process without any undue favour or undue advantage.
- 5.6 For that, the selection has been conducted on all India basis and only the talented candidates have been selected/recommended for appointment to the posts of teachers.
- 5.7 For that, the applicants have applied for the respective posts of teachers pursuant to the advertisement dated 13-19 September 2003 and after a long waiting for almost a year, the applicants have been appointed provisionally subject to outcome of the alleged enquiry report which is not sustainable in the eye of law rather applicants are entitled to be appointed on regular basis.

- 5.9 For that as per provision laid down in Article 58 of the Education Code for Kendriya Vidyalayas, the jurisdiction lies with the Central Administrative Tribunal as such Clause 7 of the offer of appointment letter cannot over
