- 4.5 That after letter dated 7.9.2000 the applicant was waiting for a favourable reply and call for screening but the same did not come to him. - 5.2 That in pursuance of scheme of the respondents authorities and in response to the applicant's application dated. 3.12.99 the applicant had been duly selected / screened for absorption in Grade - D Category after long official procedure. The repeated assurances and the positive actions of the respondents and their conduct has created a legitimate expectation to the applicant now the respondents are estopped from going back from their promise. Because of the actions and assurances of respondents the applicant did not try for any other job and has become over aged for applying for any other job.
