## ORDER (ORAL)

## SIVARAJAN, J. (V.C.)

The applicant is working as Assistant Commissioner, Central Excise, Nagaon since 1.1.2003. According to him, since he is posted in the N. E. Region, he is entitled to stay longer in the station of his posting on his option as per the transfer policy

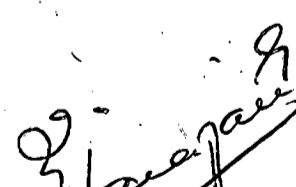

and he had duly intimated his willingness to continue in the present station on the ground of retirement only after one year and five months. It is the grievance of the applicant that in spite of submission of transfer proforma wherein these facts are stated he has been transferred to Kolkata.

2. I have heard Mr. J. L. Sarkar, learned counsel for the applicant and Mr. G. Baishya, learned Sr. C. G. S. C. for the respondents. Mr. Sarkar submits that this transfer order is passed towards the end of June which is against the normal norms that general transfer will be effected only in the month of March as far as possible. Counsel submits that the applicant is due to retire on 30.11.2006 and that the applicant had only completed two years of service in the present station. Counsel submits that the applicant had made representations dated 23.6.2005 (Annexure-F Series) before the second, third and fourth respondents. Counsel also relied on the orders passed by this Tribunal in the very same cases. Mr. Baishya, Sr. C.G.S.C., on the other hand, submits that these transfer order are passed after due consideration of relevant circumstances. He further submits that since this is a chain transfer of 276 officers any interim order to be passed will prejudicially affect public interest.

1/2

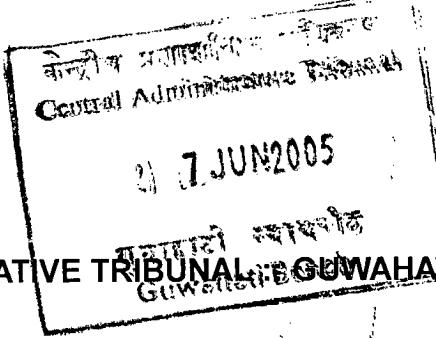

3. Having considered the rival submissions, I am of the view that this application can be disposed of at the admission stage itself with directions. Since the applicant in his transfer proforma submitted to the Government had clearly stated that he is due to retire on 30.11.2006 and that he had completed only two years of service in the present station, I direct the second respondent to consider the representation (Annexure-F Series) submitted by the applicant in the light of the above and pass appropriate orders thereon in accordance with law within a period of six weeks from today. In the meantime, if the applicant and the person who is to join in the place of the applicant have not been relieved as on today, the applicant will be allowed to continue in the present station till a decision is taken in the matter as directed hereinabove.

The application is disposed of as above. The applicant will produce this order before the second respondent for compliance.

TRANSFER POLICY - CBEC

2005

TRANSFER/ PLACEMENT POLICY FOR GROUP 'A' OFFICERS OF  
THE INDIAN REVENUE SERVICE (C & CE)

## INTRODUCTION

- 1.1 The Ministry of Finance has taken major initiatives for tax reforms, including reform of tax administration with an emphasis on reducing interface between the tax payers and administration; imparting greater transparency and minimizing discretion so as to ensure efficiency and recognition of merit and honesty.
- 1.2 The successful implementation of tax reforms depends on the efficiency of the delivery system. A significant contributor to the effectiveness of the administrative machinery is a credible human resource development policy, which offers opportunities for excellence and career advancement through a proper placement strategy.
- 1.3 The existing placement policy has been in place for over a decade. Based on the experience of its implementation, a review of the present system of transfers and postings was carried out. Accordingly, a new Transfer/ Placement Policy (hereinafter referred to as the Transfer Policy) for Group 'A' Officers of IRS (C&CE) has been formulated. The new transfer/placement policy shall come into effect from 1<sup>st</sup> April, 2005.

## SALIENT FEATURES OF THIS TRANSFER POLICY

- 2.1 a) The salient features of this Transfer are as follows: a) All transfer and postings of Group 'A' officers of IRS (C&CE) shall be effected by the Board/Placement Committee or on their recommendation as stated hereinafter;
- b) The Transfer policy has been formulated for officers at different levels;
- c) All stations have been categorized in three classes and tenure of stay in different classes of station has been prescribed;
- d) All posts have been divided into two categories, namely, Sensitive and Non-Sensitive;
- e) All posts have been categorized as field and non-field posts;
- f) Guidelines for dealing with different types of "compassionate grounds" cases have been laid down.;
- g) All annual transfer orders shall be normally issued by 30<sup>th</sup> April and, in any case, not later than 31<sup>st</sup> May of the year.

- 2.2 A correct and complete database is a sine qua non for operationalising the Placement Policy. CBEC shall ensure that the database containing the profiles of all Group 'A' officers is regularly updated.
- 2.3 All grievances arising out of the implementation of this Transfer Policy shall be addressed in accordance with the guidelines issued by the Department of Personnel & Training, only after the officer has joined his new assignment.
- 2.4 This Transfer Policy shall not be applicable to the transfer of Chief Commissioners / Directors General.

### **3.0 THE BOARD/ PLACEMENT COMMITTEE:**

- 3.1 The Board will recommend proposals for posting of Chief Commissioners / Directors General and Commissioners for approval of the Government i.e. Finance Minister through Revenue Secretary and Minister of State (Revenue). Joint Secretary (Administration), CBEC will serve as Secretary to the Board for this purpose.
- 3.2 The Placement Committee will be the final authority for transfer of officers below the rank of Commissioner, provided the case falls within the purview the existing guidelines. After the proposals are drawn up and approved by the Board, the Chairman shall consult MOS (R) before giving effect to the annual transfers proposals. Approval of the Government will be required in case a deviation from the existing guidelines has to be made.
- 3.3 The Placement Committee shall consist of the following:
  - a) Chairman;
  - b) Member (Personnel and Vigilance);
  - c) One Member of CBEC to be nominated, in rotation, by the Chairman of the Board for a period of six months; and
  - d) Joint Secretary (Admn.) posted in CBEC as its Member-Secretary
- 3.4 The minutes of the meeting of the Board/Placement Committee shall be drawn up and approved by all Members within 24 hours in a meeting (not by circulation). These must be approved by the competent authority within thirty days.

### **4.0 TRANSFER POLICY FOR OFFICERS AT DIFFERENT LEVELS**

- 4.1 In case of Commissioners and Chief Commissioners/ Directors General, the Board will recommend both the station of posting and the specific charge.
- 4.2 Officers below the rank of Commissioner will be placed at the disposal of the Chief Commissioner/ Director General concerned, for further deployment. While considering the officers for further deployment, the Chief

24

16

- Commissioner/Director General shall keep in mind the old cycle of posting of the said officer considering which Board has placed that officer at their disposal.
- 4.3 The normal practice is transfer on promotion. In individual cases this may give rise to hardship. Hence, this may be decided by the Board/Placement Committee. For this purpose, the grant of Senior Time Scale/Non Functional Selection Grade shall not be treated as promotion.
- 4.4 Directly recruited / newly promoted Group 'A' officers shall be given intensive training in accountancy for a period of 2-3 months during the period of probation / upon promotion. Upon completion of training, directly recruited officers shall be normally posted to a class 'A' station, whereas the officers promoted from Group 'B' to Group 'A' shall, on promotion, be transferred out of the station in which they were previously working, unless the balance service is less than three years. Further, in view of the sensitive nature of the job, Appraisers, on or after promotion to the post of Assistant Commissioner, will not continue to remain posted in the Commissionerate which exercised jurisdiction over the Customs House on whose cadre they were originally borne.
- 4.5 As far as possible, an officer shall spend the first nine years of his service on field posts. All posts in the Commissionerates of Customs, Central Excise, Service Tax and the Directorates of Revenue Intelligence and Central Excise Intelligence have been categorized as field posts. Officers upto and including the rank of Commissioners shall ordinarily be posted on field assignments for at least 5, 3 and 2 years respectively, in each of the first 3 decades of their career respectively. During the first six years, the officer shall not ordinarily be given a posting outside the department or sent on a deputation, and should be given exposure in Central Excise, Service Tax and Customs branches, as far as possible. After completing six years of service, an officer may be posted to the Board as an Under Secretary.
- 4.6 As far as possible, the senior most officer may be posted as the Executive Commissioner. However, once posted, a commissioner will not be moved out of the executive charge merely because an officer senior to him has replaced the hitherto junior non-executive Commissioner at that station.
- 4.7 The officers will, as far as possible, be rotated between the Customs and Central Excise branches every two years and adequate experience in Service Tax branch will also be ensured as far as possible. This shall be done after the Annual Transfers have been effected. At stations where there are separate Chief Commissioners of Central Excise and Customs, a committee of all such Chief Commissioners shall collectively decide on the rotation between the two branches at that station. At other stations, local rotation will be done jointly by the Chief Commissioners who exercise control over the posts located at that station.

## 5.0 CLASSIFICATION OF STATIONS, FIXATION OF TENURES OF POSTING AND ROTATION BETWEEN THEM

17

5.1 The various stations where Group 'A' officers may be posted have been categorized as Class 'A', Class 'B' and Class 'C' [Annexure I-III]. Such categorization is based on the twin criteria of revenue collection and the number of Commissioner level posts at a station.

5.2 The categorization of stations may be changed by the Board with the approval of the Government.

5.3 The States in the country have been divided into 4 areas viz. East, West, North and South [Annexure-IV]. An officer shall not serve in an 'area' for more than a total of 14 years (hereinafter referred to as a cycle) during his entire tenure up to and including the rank of Commissioner of which tenure in an 'A' station shall be for a maximum of 6 years. The tenure shall not be less than four years in a Class 'B' station and not less than two years in a Class 'C' station. The maximum total tenure of an officer in all Class 'A' stations during his service upto and including the rank of Commissioner shall be 16 years. The tenure of posting in Customs Overseas Intelligence Network shall not exceed three years. A stay of more than nine months in a station (to be computed as on 31<sup>st</sup> December of the previous year) will be treated as a complete year, and the length of the period of stay shall be counted from the date of joining. An officer posted in Class 'A' or 'B' station can opt to move to a lower category station after he has completed at least half his tenure in that station.

5.4 An officer shall be rotated between the three different classes of stations. After completing one cycle of posting, the officer shall be moved to another area. Further, as far as possible, an officer shall serve in at least two areas of the country viz. North, South, East, and West, during his career upto and including the rank of Commissioner.

It may be clarified that an officer can be posted from a Class 'A' station to a Class 'B' or Class 'C' station (not necessarily in that order) in any other area and vice versa, provided that if he had been posted in that area earlier, a minimum period of 2 years should have elapsed before he can be posted again to the same area (called cooling off period).

5.5 All postings in the Board and deputation to technical posts in the Department of Revenue, Central Economic Intelligence Bureau (CEIB), Enforcement Directorate, Authority for Advance Rulings (AAR), Competent Authorities (CAs), Appellate Tribunal for Forfeited Property (ATFP), Customs, Excise and Service Tax Tribunal (CESTAT) and Settlement Commission shall not count towards calculation of stay at a particular station/area but may be so counted at the option of the officer. However, an officer who has been on deputation to any one of the aforesaid bodies shall not ordinarily be considered for another deputation to any of the aforesaid organizations. When an officer applies for clearance for a posting on deputation, his previous history of postings will be considered while giving cadre clearance. An officer shall invariably be transferred out of the station in which he was

on deputation on his return.

- 5.6 In order to encourage officers to seek postings in Class 'C' station, the Government shall sanction:
  - a) At least one vehicle for office use in every Class 'C' station irrespective of the level of the officer heading the office; and
  - b) 100 per cent housing facilities at the Officer level to the extent possible.
  - c) The starting point for computing the stay in Class 'A', 'B' or 'C' station shall be the date of joining at the station.
- 5.7 Joint Secretary (Admn.) posted in CBEC as its Member-Secretary.
- 5.8 The officers after completing their tenure in North Eastern Region (Assam, Sikkim, Meghalaya, Mizoram, Manipur, Nagaland, Arunachal Pradesh and Tripura), Jammu and Kashmir, NACEN and its RTIs and Vigilance Directorate and CESTAT will get preference in posting to stations of their choice.
- 5.9 When a certain number of officers are due for moving out of a station to a new station or by local rotation to new postings in the same station for the reason of having completed their tenure, but cannot be so moved due to inadequate number of vacancies available, the officer who has served for longer periods will be moved first.
- 5.10 The station of the posting will be taken as the actual place where an officer is posted and not head quarters of Commissionerate/ Directorate to which the officer is posted.

#### **6.0 CATEGORISATION OF POSTS INTO SENSITIVE AND NON-SENSITIVE**

- 6.1 All posts in CBEC have been classified into sensitive and non-sensitive with the approval of the Government: **[Annexure-V]**
- 6.2 Ordinarily, the tenure of an officer on a sensitive post shall be two to three years at one stretch.

#### **7.0 POSTINGS IN DIRECTORATES OF REVENUE INTELLIGENCE, CENTRAL EXCISE INTELLIGENCE, VIGILANCE AND SYSTEMS (CBEC)**

- 7.1 In the Directorates of Revenue Intelligence, Central Excise Intelligence, Vigilance and Systems, the respective Director General will propose a panel of names for the consideration of the Board/Placement Committee. Individual officers will be selected by the Board/Placement Committee, which will also indicate their station of posting.
- 7.2 The maximum length of tenure in the Directorates of Revenue Intelligence, Central Excise Intelligence and Vigilance will be three years, subject to the condition that

19 - 28

no officer shall spend more than six years in these Directorates during his entire service career.

#### 8.0 POSTING ON COMPASSIONATE GROUNDS

- 8.1 In case an officer seeks a posting to a particular station on medical grounds, the Board/Placement Committee is empowered to take a decision on his plea. However, if required, the Board/Placement Committee may refer the case to a Medical Board.
- 8.2 In case of working couples, If the spouse of an officer is working outside the Department, posting in the same station may be allowed subject to the Instructions issued by the Department of Personnel & Training on this issue.
- 8.3 In case where the spouse is also an officer of the Department, both the officers should be posted to the same station, If they are otherwise eligible, provided that, jointly, they do not occupy more than 50 per cent of the posts in that station.

#### 9.0 TRANSFER ON ADMINISTRATIVE GROUNDS OR IN PUBLIC INTEREST

- 9.1 Notwithstanding anything contained in this policy, Government may, if necessary in public interest, transfer or post any officer to any station or post;
- 9.2 An officer against whom the CVC has recommended initiation of vigilance proceedings, should not normally be posted or remain posted at the station where the cause of the vigilance proceedings originated. He shall also not be posted on a 'sensitive' charge. This restriction will remain in operation till such time the vigilance matter is not closed.

#### 10.0 AVAILMENT OF EARNED OR STUDY LEAVE AFTER ISSUANCE OF TRANSFER ORDERS

An officer under orders of transfer shall be granted Earned Leave or Study Leave only after he has joined his new place of posting. The period spent on Earned Leave or Study Leave will not count towards computation of tenure in that station or 'cooling off' period. Officers who proceed on Earned Leave or study leave without completing the minimum tenure prescribed for the station/area will have to rejoin the same station for completing the prescribed tenure. In other cases the Board/Placement Committee will decide their posting after they rejoin on completion of the Earned Leave/Study leave.

Original Application No. 127/2005

Date of Order : This the 13<sup>th</sup> day of June, 2005

The Hon'ble Sri Justice G. Sivarajan, Vice-Chairman

The Hon'ble Sri K.V. Prahladan, Administrative Member.

Smt. Kironmoyee Das  
Working as Superintendent,  
Central Excise, Amguri Range.

... Applicant

By Advocates Mr. J.L. Sarkar, Mr. A. Chakrabarty.

- Versus -

1. The Union of India represented by the  
Secretary, Ministry of Finance,  
Department of Customs and Central Excise,  
New Delhi.

The Chief Commissioner,  
Customs and Central Excise,  
North Eastern Region, Shillong.

... Respondents

By Mr. A.K. Chaudhuri, Addl. C.G.S.C.

ORDER (ORAL)

SIVARAJAN. I. (V.C.)

1. The matter relates to transfer and postings of Officers in the  
Grade of Superintendent Group 'B' of Central Excise and Customs  
Department on rotation basis.

2. The applicant is working as Superintendent, Central Excise,  
Amguri Range since March 2003. Her husband is also working in the

44

same department and is posted at Jorhat. The husband of the applicant while working as Superintendent at Sonari met with a road accident and had undergone surgery. Thereafter on the request of her husband she was posted at Jorhat with effect from June 2003. It is stated that the husband of the applicant is not yet completely cured and he still needs care and attention of the family members. The children of the applicant is studying in educational institutions at Jorhat and are in mid session.

3. The applicant is presently aggrieved by her transfer from Amguri Range in Assam to Dimapur Customs Division in Nagaland as per orders dated 3<sup>rd</sup> and 6<sup>th</sup> June, 2005.

4. It is stated that the transfer orders made in June 2005 is against all the accepted norms for transfer contained in Annexure - A and B of the application and are made only to oblige certain Superintendents out of turn and against the norms as could be seen from Annexure - D order itself. According to the applicant apart from the violation of the transfer norms even the well accepted policy of accommodating husband and wife in the same station is violated even though there was no public interest or exigencies of service other than to oblige certain employees. It is also stated that though a representation is filed there is no response.

5. We have heard Sri J.L. Sarkar, learned counsel for the applicant and Sri A.K. Chaudhuri, learned Addl. C.G.S.C. for the respondents. We are of the view that since the representation submitted by the applicant is pending before the second respondent this application can be disposed of at the admission stage itself.

6. Norms for transfer of Group 'B' Officers in North East are contained in Annexure - A. Further, so far as the Central Excise and Customs department is concerned the norms are stated in Annexure - B. As per Annexure - B a Superintendent is entitled to continue in the same station for 4 to 6 years continuously. The applicant, does not appear to have continuous service in the same station for 4 to 6 years but only 2 years and odd. That apart, the husband and wife being government employees working in the same department are entitled to be accommodated in the same station unless any public interest or exigency of service warrant otherwise (See Bank of India V Jagjit Singh Mehta AIR 1992 SC 519). If the transfer is made in public interest and for administrative reasons the Courts would not interfere since there will be complete chaos in the administration which would not be conducive to public interest. The proper course for the affected party is to file representation before the higher authority and it is for that authority to pass appropriate orders.

7. In the instant case the transfer orders shows that these transfers are not made in public interest or in the exigencies of Administration. Annexure - D order shows that the said order was the result of representations made by certain Superintendents. It is not clear whether any representations were invited from the Superintendents for transfer so as to say that no further representations will be entertained unless the officers join their new places of postings.

8. We, prima facie, feel that the impugned orders were passed without considering the guidelines rather, throwing the guidelines to

wind. We do not wish to state more since the application is being disposed of at the admission stage itself.

9. Since the applicant has filed a representation before the 2<sup>nd</sup> respondent the said authority will consider the same and pass appropriate orders keeping in mind the guidelines, the observation made hereinabove and in accordance with law within a period of one month from the date of receipt of this order. Since the applicant wants to supplement the representation she is directed to file additional representation with copy of the guidelines - Annexure A & B to the 2<sup>nd</sup> respondent within one week from today. This order will also be sent alongwith for compliance. If the applicant is not relieved till this day she will be retained in the present post till the disposal of the application as directed herein above.

ORDER (ORAL)

SIVARAJAN J.(V.C)

In all these cases the applicants challenged the propriety of the transfer orders dated 3.6.2005 and 6.6.2005 issued by the Commissioner of Central Excise and Customs. Apart from their individual circumstances, according to them these orders are passed in patent violation of the accepted norms regarding transfer of Group B employees contained in Annexures A and B. It is the contention of the applicants that these orders have been issued with the sole purpose of obliging certain Superintendents by soliciting

Ap/

representations from them. It is also stated that persons like the applicants are not afforded an opportunity to make representations before the Commissioner in regard to their peculiar circumstances. It is stated that the applicant in O.A.No.130/2005 is undergoing treatment for serious ailments and in O.A.131/2005 the mother of the applicant is undergoing treatment for cancer and that there is only one Cancer Institute for treatment in Guwahati for the entire North East Region. It is their grievance that the applicants were never informed of the intention of the respondents to effect transfers and postings during the month of June contrary to the well accepted norms that transfers and postings of Group B officers will be effected only in the month of December or at the latest by 31<sup>st</sup> January of each year. It is also their contention that as per the norms prescribed in Annexure-A and B, particularly Annexure B where it is specifically stated that the normal tenure of Superintendent in a particular station is for a continuous period of 4 to 6 years and that without any valid reason the applicants, who have not completed more than 2 to 3 years have been transferred out from Guwahati to distant places without their volition.

2. I have heard Mr J.L.Sarker, learned counsel appearing for the applicants and Mr A.K.Chaudhuri and Mr M.U.Ahmed, learned Addl.C.G.S.Cs for the respondents. Mr Sarker pointed out that the impugned transfer orders cannot be sustained for the sole reason that these orders are passed in the month of June, when the children of the applicants are in the mid academic session of their studies. Counsel submits that these orders have been issued at this late hour only to oblige certain Superintendents in the department by getting representations from them. Counsel also submits that the transfer

Ch.

orders are passed in patent violation of the well accepted norms contained in Annexures A & B, which are made with mala fide intention. Counsel also drew my attention to the order dated 3.6.2005, from which it is seen that pursuant to representations made by more than 20 Superintendents they have been transferred to places of their choice and it is stated that they are not entitled to TA/DA since the transfers were made as per their requests. Counsel submits that no further proof is required to establish mala fides in the matter.

3. Mr A.K.Chaudhuri, learned Addl.C.G.S.C on the other hand submitted that there is no illegality in the transfer orders. The guidelines issued in the form of executive orders will not stand in the way of the respondents effecting transfers in public interest or in the exigencies of the administration. Standing Counsel also submits that this Tribunal will not interfere in transfer matters and it is for the applicants, if they are aggrieved, to make representation before the respondents.

4. I have considered the rival submissions. A Division Bench of this Tribunal had occasion to consider the challenge to the very same transfer orders in O.A.127/2005 and rendered judgment on 13.6.2005. Direction was issued to the respondents to consider the representation made by the applicant therein in the light of the guidelines and also not to relieve her from the present place until the representation is disposed of. The guidelines clearly show that the transfer orders are to be issued only in the month of December and as far as possible before 31<sup>st</sup> January of each year and such a norm was fixed only to take care of the interest of the children of the officers who are studying in educational institutions and not to affect their studies adversely. In these cases it is specifically averred by the

90/1

applicants that their children are studying in the educational institutions and they are in the mid academic session. That apart, Annexures A & B guidelines would show that Superintendents of the Customs and Central Excise department will normally have a continuous service in a particular station for 4 to 6 years. In these cases both the aforesaid norms are seen violated and the only reason for departing from the aforesaid well accepted norms I could gather from the impugned orders is that representations made by the certain Superintendents were considered and transfers are effected to suit their convenience. To put it differently there was no public interest nor any exigencies of service involved in these transfers. Though normally guidelines issued by way of executive orders may not have any binding effect in the absence of any public interest or administrative exigencies, the respondents are bound to make transfers and postings on the lines of the guidelines issued that to after due discussions, deliberations with the Association of employees. In the instant case it is seen that the applicants have made representations against the transfer/posting order dated 3.6.2005 and no interim orders have been passed thereon. In view of the alleged violation of the guidelines, particularly, those discussed hereinabove the concerned respondent, namely, the Chief Commissioner of Customs and Central Excise will consider the representations made by the applicants with reference to the guidelines (Annexures A & B) and the observations made hereinabove and take a decision thereon within a period of one month from the date of receipt copy of this order. If the applicants want to supplement the representations they are free to do so within a period of one week from today. The Chief Commissioner, Central Excise and Customs shall consider the

- 5 -

Individual representations submitted by the applicants as directed above and pass a reasoned order. In the meantime, if the applicants have not so far been relieved from the respective post held by them they will be allowed to continue in the said post and same place until a decision is taken as directed above.

The O.As are disposed of accordingly.

The applicants will produce this order alongwith the additional representation to be made within one week from today to the respondents.

ORDER

SIVARAJAN. J. (V.C.)

The applicant is working as Additional Commissioner, Customs Preventive Commissionerate, N.E.R., Shillong since 18.3.2002. After completing three years of service in the North Eastern Region, pursuant to option called for by the Central Board of Excise and Customs, the applicant submitted option on 27.4.2005 (Annexure-C) for retention in the same station, i.e. Shillong for at least one year since his son is in the middle of the academic year. It is the grievance of the applicant that ignoring the said option, the applicant has now been transferred to Kolkata Commissionerate.

2. Mr J.L. Sarkar, learned counsel for the applicant, submits that since the applicant's son is studying at Shillong and is in the middle of the academic year he requested for his retention at Shillong itself at least for one year and without considering the said request the impugned order was passed.

3. We have also heard Mr A.K. Chaudhuri, learned Addl. C.G.S.C. for the respondents.

4. Since the option exercised by the applicant in Annexure-C is not seen considered and since the impugned order was passed by considering the representations of various other persons, we are of the view that the respondents are to be directed to consider the case of the applicant also. For the said purpose, we direct the applicant to make a representation with reference to Annexure-C option within a period of ten days from today before the respondent No.1. If such a representation is filed the respondent No.1 will consider the same and pass appropriate orders within a period of six weeks thereafter. The

Ans/

applicant will produce this order alongwith the representation before the respondent No.1 for compliance. If the application is filed within the time specified above, the respondents will retain the applicant in the present place till the disposal of the representation directed to be filed hereinabove.

The O.A. is accordingly disposed of.
