O R D E R (ORAL)

KHUSHIRAM, (MEMBER-A)

Since all these applications involve common questions of law and almost similar facts, all the six cases are being disposed of by this common order with the consent of the parties.

2. These Original Applications No. 154/07, 155/07, 27/07 and 28/07 have been filed by the Applicants who are working in different capacities in the office of Accountant General (A&E) Meghalaya, Shillong. On the bifurcation of this office into five offices of the Accountant General, Assam, Meghalaya, Mizoram, Arunachal Pradesh, Nagaland etc. The staff was allocated/deputed to different offices on the basis of their seniority and option given by them. Applicants have challenged the circular No.3307 dated 12.7.2006, Establishment Order No.198 dated 21.11.2006 and Order No.53 dated 9.6.2006 (and circular dated 31.03.2006 and 24.03.2006 in O.A.203 & 204/2006) and prayed for quashing of the same and not to send the Applicants on deputation without their consent, nor the Applicant be disturbed from their place of posting without publication of a just and fair policy by giving full

scope to the Applicants. The Circulars/Orders challenged in these O.As are relates to the following matters. Estt.1 order No.53 dated 09.06.2006 relates to permanent allocation of Group 'C' and 'D' cadres between the office of the AG (A&E) Meghalaya etc. Shillong and AG(A&E) Assam, Guwahati with effect from 01.12.2005 on the basis of the options exercised by the individual officials. Estt.1 Order No.198 dated 21.11.2006 relates to allotment of Group 'C' & 'D' officials of the office of the Accountant General (A&E), Meghalaya, Arunachal Pradesh and Mizoram after creating independent offices of the Accountant General for those States and the Circular No. 3307 dated 12.07.2006 which relates to calling of option from Group 'C' & 'D' officials of AG(A&E), Meghalaya, Arunachal Pradesh and Mizoram, Shillong for permanent allocation to the offices of their choice in the prescribed option form enclosed with the circular. In O.A. No.203/06 and 204/06 the Applicants have challenged the circulars dated 31.3.2006 issued by the Principal Accountant General, Audit, Meghalaya etc. Shillong being cadre controlling authority had notified for fresh options from all the Group 'B' Officers of this office from Section officer to Sr. Audit Officer except Commercial Officer born on common cadre on or before 17.04.2006 for onward transmission to the Cadre Controlling Authority. The circular dated 24.03.2006 issued by the Comptroller & Auditor General of India relates to separation of common cadre of Group 'B' officers in the A&E and Civil Audit offices in North East Region along with option form calling for fresh option from all Group 'B' officers belonging to common cadre for permanent transfer

to the Civil Audit Offices in North East Region for allocation of concerned offices on the basis of their seniority-cum-options exercised by them.

3. The Circulars/Orders challenged in these O.As are relates to the following matters. Estt.1 order No.53 dated 09.06.2006 relates to permanent allocation of Group 'C' and 'D' cadres between the office of the AG (A&E) Meghalaya etc. Shillong and AG(A&E) Assam, Guwahati with effect from 01.12.2005 on the basis of the options exercised by the individual officials. Estt.1 Order No.198 dated 21.11.2006 relates to allotment of Group 'C' & 'D' officials of the office of the Accountant General (A&E), Meghalaya, Arunachal Pradesh and Mizoram after creating independent offices of the Accountant General for those States and the Circular No. 3307 dated 12.07.2006 which relates to calling of option from Group 'C' & 'D' officials of AG(A&E), Meghalaya, Arunachal Pradesh and Mizoram, Shillong for permanent allocation to the offices of their choice in the prescribed option form enclosed with the circular. The other circulars dated 31.3.2006 issued by the Principal Accountant General, Audit, Meghalaya etc. Shillong being cadre controlling authority had notified for fresh options from all the Group 'B' Officers of this office from Section officer to Sr. Audit Officer except Commercial Officer born on common cadre on or before 17.04.2006 for onward transmission to the Cadre Controlling Authority. The circular dated 24.03.2006 issued by the Comptroller & Auditor General of India relates to separation of common cadre of Group 'B' officers in the A&E and Civil Audit offices in North East Region along with option form

calling for fresh option from all Group 'B' officers belonging to common cadre for permanent transfer to the Civil Audit Offices in North East Region for allocation of concerned offices on the basis of their seniority-cum-options exercised by them as per instruction^{is} contained in para 3 of the policy.

"Permanent posting of Group 'B' officers of common cadre against the required strength of various Civil Audit/A&E offices shall be made by the respective cadre controlling authorities strictly on the basis of the seniority of officers who have exercised their option for allocation to such offices, irrespective of their base office."

The option so exercised shall be final and no further change in the above option would be allowed in any case. Option be given for final allocation in the order of preference. The circular dated 20.4.06 issued by the Principal Accountant General (Audit), Assam, Guwahati and relates to separation of common cadre from Group 'B' officers of civil audit offices of North East Region extending the date to exercise fresh option from 19.04.2006 to 28.04.2006 stating that previous option exercised in compliance of the office circular dated 31.03.2006 may be treated as cancelled.

4. In brief in all the six cases, the Applicants have protested the allocation of the applicants to different offices on account of bifurcation of the office of the Accountant General (A&E), Meghalaya, Shillong and their placement on allocation or alternatively on deputation on the basis of their options and seniority.

5. In this background of the above circulars, the separation of the cadre based on the option exercised by the individuals of

different categories was acted upon strictly based on seniority. The junior staff who were to be shifted to man the deficit offices are also entitled to receive deputation pay on their transfer. Learned counsel for the Applicants while arguing the case submitted that pick and choose policy was adopted while the Applicants were taken on deputation. The entire scheme is perverse and violative of Articles 14 and 16 of the Constitution of India. The whole scheme should be operated after making modifications in scientific, transparent and practical manner.

6. The Respondents have filed written statement stating that office of the Accountant General of undivided Assam operated from Shillong. The Controller and Auditor General keeping in view the requirements of work, public interest and the interest of the States concerned established Accountant General offices at Kohima (Nagaland), Imphal (Manipur), Agartala (Tripura) and Guwahati (Assam). All these offices were initially manned by Group 'B', 'C' and 'D' staff from the Accountant General's office at Shillong. Subsequently the Accountants General Offices in Nagaland, Manipur and Tripura recruited their own Group 'C' and 'D' staff and these cadres became exclusive to these offices. However, the Group 'C' and 'D' cadres in the offices of the Accountant General (Meghalaya, Arunachal Pradesh and Mizoram) at Shillong and Accountant General (Assam) at Guwahati continued to share common cadres of Group 'C' and 'D' staff. The office of AG(A&E), Assam subsequently shifted to Guwahati in the year 1980. Even after the shifting, the two offices continued to share common Group 'C' and 'D' cadres with the office of the AG(A&E) Meghalaya.

5

Arunachal Pradesh and Mizoram at Shillong also continued to exercise cadre controlling responsibility. It may be pointed out that in the appointment letters of the applicant there was a clause that the person being offered appointment was liable to be posted in any of the existing offices or any new office opened by the Department in the North East Region. The offices of the AG(A&E) Arunachal Pradesh and Mizoram at Shillong was also simultaneously shifted with effect from 01.04.2006. As per requirements of the Department in fulfilling its statutory and constitutional obligation under the Comptroller & Auditor General (Duties, Powers and Conditions of Service) Act 1971 and the hardship that may be caused to his employees in this regard, the office of the AG(A&E) Meghalaya, Arunachal Pradesh and Mizoram, the Comptroller & Auditor General had the option of declaring the staff in these offices surplus and surrendering them to the surplus cell of the department of Personal & Training for redeployment as per the policy of the Government of India. Considering the hardship involved in such an action, the CAG has, in all cases where new offices have been set up/existing offices reorganized, decided upon a policy that would keep the hardship to the minimum level by adopting the option of temporarily transferring employees who cannot be accommodated in the office of their choice from the surplus offices to the newly created offices on the principle of seniority viz. 'Last Come First Go'. The policy inter alia envisages that all the employees who exercised option for permanent posting to a particular office would eventually be posted back to the office of his/her choice. For the period where the employee is

E

posted to another office, not being his/her office of choice, the employee is compensated by payment of an allowance as if the employee is sent on deputation. Thus the Comptroller and Auditor General has followed a consistent and uniform policy in this regard which has been determined by the need to minimize inconvenience to employees, ensure transparency and impartiality in the separation process balanced with the Comptroller & Auditor General's responsibility to discharge his statutory and constitutional obligations in an efficient and effective manner. AG(A&E), Meghalaya, Arunachal Pradesh & Mizoram etc. vide circular dated 24.09.2004 called for option from Group 'C' & 'D' staff for permanent allocation to the AG offices for the States of Assam, Meghalaya, Arunachal Pradesh and Mizoram. Those options were considered on the principle of seniority with optees of surplus offices being required to man the deficit offices on the basis of 'Last-Come-First Go'. Due to ban of fresh recruitment, all the offices of the Indian Audit & Accounts Department are currently functioning with below the sanctioned strength and the department is adopting "persons in position" as the basis of manpower management and accordingly the concept of sanctioned strength has lost all relevance. The cadre separation was actually effected after 15 months of issue of the policy Circular dated 24.9.2004 and there was no any undue haste. In response to the circular dated 24.09.2004 the following Group 'C' and 'D' staff of AG(A&E), Meghalaya, Arunachal Pradesh, Assam & Mizoram had submitted options for permanent allocation/deputation.

No of options for permanent allocation (first choice) to the office of the			
AG(A&E)	AG(A&E)	AG(A&E)	AG(A&E)

	Assam	Meghalaya	Arunachal Pradesh	Mizoram
Group 'C'	539	342	Nil	Nil
Group D'	55	56	Nil	Nil

No of options for deputation (first choice) to the office of the				
	AG(A&E) Assam	AG(A&E) Meghalaya	AG(A&E) Arunachal Pradesh	AG(A&E) Mizoram
Group 'C'	679	225	02	Nil
Group D'	07	24	Nil	01

The persons in 'persons in position' in each cadre as on 01.04.2005 in Shillong and Guwahati offices was as below :

Persons in position	AG(A&E) Assam	AG(A&E) Meghalaya Arunachal & Mizoram
Group 'C'	588	300
Group D'	64	50

The Respondents stated that the cadre separation exercise between Shillong and Guwahati offices was done in a very fair, impartial and transparent manner. Since the Guwahati office was a deficit office and hence all Group 'C' and 'D' staff who had permanently opted for that office would have inevitably been accommodated in that office anyway. There were no permanent optees either for Arunachal Pradesh or Mizoram offices. Therefore all optees for Assam office would have got their choice, the optees from the surplus Meghalaya office only would have in any case been sent on deputation to Assam, Arunachal Pradesh and Mizoram which are deficit offices in terms of seniority. The deputation arising in this situation is not a deputation in the normal sense of the term. Since all employees on creation/reorganisation of the offices cannot be immediately straightway accommodated in the office of his/her choice, the staff from the surplus offices will have to man positions in the deficit offices ^{and} ~~they~~ are being deputed to as dictated by the work. The formulation of a policy is a function of the Government

and cannot be interfered with by the Tribunal unless there is arbitrariness. It is within the competence of the executive to change a policy, re-change it, adjust it and readjust it according to the compulsions and requirements of the circumstances. Hence the Applications are devoid of any merit and may be dismissed.

7. Dr J.L.sarkar, learned counsel appearing for the Applicant argued the matter in favour of the Applicants and he agreed to the overall criteria of the formulation of the policy as issued by the CAG vide circular dated 24.09.2004. He argued that in implementation of the policy some confusion has been created to give benefit to some of the employees and the conditions laid down in the above circular have not been strictly adhered to. The Respondents had adopted "pick and choose" policy for some of their favourite employees and thereby implementation of the policy has result in the miscarriage of justice. He also argued that cadre separation scheme was implemented ignoring the "sanctioned strength" which was replaced subsequently by words like "required strength" and "person in position" which is fluctuating, variable and is not legally and administratively just and fair. The entire process of cadre separation is colourable, under camouflage to favour a few and thus arbitrary. The learned Sr. Standing counsel for the Respondents Mr G.Baishya argued that scheme of separation was made attractive by the Respondents by offering the deputation allowance to the junior most staff being deployed to the deficit offices otherwise also the scheme was based on willingness of the staff taking into account their seniority and options. He also stated that in the

appointment letters of Respondents there was a condition that they are duty bound to serve in the then existing offices or any of offices which were to be ~~set up~~ in future in North East Region. Meanwhile some of the Applicants have also got relief and thus the O.As in respect of such Applicants have become infructuous. The learned Sr. Standing counsel argued that the policy is an executive decision and this cannot be a subject matter of judicial review. The Applicants have approached this Tribunal without exhausting the departmental remedies available to them for redressal of their grievances. Since transfer and posting of the employees is not a subject matter for judicial scrutiny and the Applicants had not approached the Respondents for redressal of their grievances, the learned Sr. Standing counsel pleaded that the Applications may be dismissed. He also demanded that heavy cost should be imposed on the Applicant for approaching this Tribunal without exhausting the available remedies with the department.

8. In most of the cases the order not to disturb the Applicants from their present posting and to maintain status quo was passed earlier which were modified to the extent to allow the officials to be sent on short deputation/tour to deficit offices/stations.

9. We have considered the arguments advanced by the learned counsel for the rival parties and perused the material placed before us. We are of the opinion that bifurcation of the cadre is a policy matter and Applicants as a condition of their service were duty bound to serve in any offices of the Accountant General in North Eastern Region which were then existing or were to be opened in future. They

have no right to question the policy of separation of cadre to man the newly opened office of the Accountant General in North East Region. We did not find any lacuna in the policy to favour a few employees as alleged by the learned counsel for the Applicants. However, if such a mistake take place in some case, the Applicants had the opportunity to represent (in individual cases) and the Respondents should be obliged to examine the matter and rectify the mistake, if any. But the Applicants instead of exhausting the grievance redressal mechanism available within the department have approached the Tribunal by filing this Application under Section 19 of the Administrative Tribunals Act, 1985. Applicants cannot take advantage of the situation and avoid the transfer/deployment without exhausting the opportunity for grievance redressal available to them within the system under Section 20 of the Administrative Tribunals Act, 1985. Without having exhausted all possible avenues for grievance redressal this application could not have been filed before the Tribunal. The Respondents are duty bound to take such type of policy decision, as has been taken by them to deploy the personnel of the Respondent Organisation. The word 'deputation' used in this case is also not 'deputation' in real sense of the term but the Applicants will get deputation allowance for working in the same department and that too in accordance with the conditions of their appointment. The Apex Court in the case of S.C.Saxena vs. U.O.I & Ors. (reported in (2006) 9 SCC 586 para-6), held that "a Government servant cannot disobey a transfer order by not reporting at the place of posting and then go to a court to ventilate his grievances" and that it is

R

his duty to first report for work where he is transferred and make a representation as to what may be his personal problems and that the "tendency of not reporting at the place of posting and indulging in litigation needs to be curbed". Since opening of offices of Accountant General (A&E) in various State Headquarters of North Eastern Region in public interest is a matter of public policy and transfer is an incident of service and the Applicants have not availed of the opportunity for redressal of their grievances within the system, the Tribunal has no reason to interfere with the matter and we feel that Applicants, by misuse the process of the Court, have held the entire system to ransom in the interest of their own personal benefits (without any regard for the condition of service laid down in their own appointment letters making them liable to be transferred/posted to their existing or any new offices to be ~~set up~~ in future in North Eastern Region and the requirement of public service) by filing applications without availing the available remedies for redressal of grievances under Section 20 of the Administrative Tribunals Act, 1985. We are of the considered opinion that these cases are devoid of any merit, as we have found that the scheme for redeployment of staff by obtaining their option (and to deploy them on deputation) to be outcome of a healthy personnel management; and, if any of Applicants still have got any grievances, then he/she should represent to the authorities only after joining at the new station in terms of the Apex Court decision in S.C.Saxena vs. U.O.I & Ors. (supra).

10. Original Applications are accordingly, dismissed (being devoid of any merit) with costs of Rs.1000/- on each Applicant which should be realized by the Respondents.. All the Misc.Petitions No. 27/08 & 140/07(in O.A.203/06), 141/07 & 28/08 (in O.A.204/07) & M.P.41/08 (in O.A.28/07) also stand disposed of and all orders for maintaining status quo or not to disturb the Applicants from their present posting etc. also stand vacated.

Memorandum filed by the Counsel for the Applicant

The counsel has been informed by the applicants that Comptroller and Auditor General of India by letter No.74/NGE(App)/5-2006 Pt.III dated 18.01.2008 has confirmed that an officer who has given preference for permanent allocation for more than one office may be considered for permanent allocation as per his seniority and option exercised by him. One Shri Subrata Dey, Sr. Audit Officer has been permanently allocated to the office of the PAG (Au), Assam as per his 2nd option and the allocation has been treated as final.

Another Sri Gopal Deb, Assistant Audit Officer was given permanent allocation on his second option but the same was cancelled and his junior given the posting in that station. Shri Deb filed O.A. No. 93/2008 on the strength of CAG's aforesaid letter regarding enforceability of 2nd option during the pendency of the O.A. Shri Deb has been repatriated back to the station of his 2nd option i.e. PAG (Au), Meghalaya, Shillong. The counsel respectfully submits this before the Hon'ble Tribunal for cause of justice.

SYNOPSIS

The applicants Gr. C category officials working at shillong in the office of the Accountant General (A&E) Meghalaya etc, Shillong, The respondents had decided separation of the cadres of Gr. B. officers (Sr. A.O. , A.O., AAO and S.O.) and also Gr. C. and D cardres. The orders of separation have been issued in unscientific manner and with arbitrariness. Number of Gr. B. officers approach this Hon'ble Tribunal challenging the separation by filing good number of OAs. and the Hon'ble Tribunal has been pleased to pass interim orders not to disturb the applicants from the present place of posting, their OAs are pending.

The Gr. C and D category staff of Audit side have also filed one OA. Challenging the separation of their cadre and the Hon'ble Tribunal has been pleased to pass interim order not to disturb from their place of posting. This OA is also pending (O.A. No. 155/06).

The Gr. C and D category was sought to be separated in A.G. (A&E). Shillong (Assam, Meghalaya, Arunachal Pradesh and Mizoram by order dated 24/9/2004 calling options with clause of finality of option but respondents have arbitrarily separated only Assam. By circular dated 12/7/2006 fresh options have been called for ignoring the order dated 24/9/04 and order dated 9/6/2006 again the clause of finality of option have been given, saving the officials transferred to Assam. By order dated 21/11/06 list of officials for allocation and deputation have been issued, herealso saving the officials transferred to Assam the entire process is colourable, under camouflage with scope of favouritism and arbitrariness. Deputation without consent is illegal. The scheme of separation ignoring the sanctioned strength and on required strength (which is a vague term) and person-in-position (Which is fluctuating and variable) is illegal and not administratively just and fair. Applicants prayer is preparation of comprehensive policy for separation of cadre in a scientific manner.

1) PARTICULARS FOR WHICH THE APPLICATION IS MADE:

The application is made against A.G. (A & E) Meghalaya etc, Shillong Esh-I-Order No. - 198 & dated 21/11/2006, Circular No. 3307 dated 12/7/2006 and Estt.-I-Order No.- 53 dated 9/6/2006 on the subject of separation of Gr. C & D cadres of A.G. (A & E) Meghalaya, Assam, Arunachal Pradesh and Mizoram.

2.JURISDICTION:

Applicants declare that the subject matter of the application is within the jurisdiction of the Hon'ble Tribunal.

3. LIMITATION:

The applicants declare that the application is within the period of limitation under Section 21 of the Administrative Tribunal Act-1985.

4. FACTS OF THE CASE:

- 4.1 That the applicants are citizens of India and as such are entitled to the rights and privileges guaranteed by the constitution of India.
- 4.2 That the applicants are at present working in the office of the Accountant General (A & E), Meghalaya Arunachal Pradesh and Mizoram, at Shillong in Group C category. They are low paid employees and have a common cause as regards their service and pray for permission to file a common application under Rule 4(5)(A) of the CAT Rules, 1987.
- 4.3 That the offices of the Accountant Generals are under the control of Comptroller and Auditor General of India. The offices for the sister states of N.E. Region were working at Shillong. With the reorganization of the states of N.E. region including creation of states by division of undivided Assam, the Accountant Generals' office at Shillong has also undergone some managerial division. It is also started that for the purpose of functional needs of Accounts and Audits (which were combined), the Accounts and Audit side were bifurcated in watertight compartments coupled with such functional bifurcation, further divisions of the offices at Shillong were

Sumit Ghatak

made by way of separation of offices in to Assam, Meghalaya, Mizoram, Arunachal Pradesh, Nagaland etc. It may be stated that such intermittent divisions caused acute troubles in the matter of posting and transfer of officials of Group B, C and D. It is stated that there has also been separation of cadre for section officers, AAO's, AO's and Sr. A.O's.

4.4 That no consistent and uniform policy of such separation of cadres has been laid down by the comptroller and Auditor General to avoid piece-meal division/ separation of cadres. As a result at different points of time different instructions have been issued giving scope to arbitrariness and causing undue troubles to the officials.

4.5 That in this connection it is stated that in the recent past orders were issued for separation of the officials of the Group B Cadres of both Audit and Accounts (A&E) sides. These policies have been challenged before this Hon'ble Tribunal and OAs have been admitted, which are pending adjudication.

4.6 That circulars have also been issued for separation of Gr. C and D cadres of the Audit side by circular dated 23/3/2006.. The said circular has also been challenged before this Hon'ble Tribunal (OA.Nos 155/2006), which is pending adjudication.

4.7 That the office of the Accountant General (A & E) Meghalaya, Arunachal Pradesh and Mizoram, Shillong by circular No. AGM/ CAD SEP/0-2004/1 dated 24/9/2004 circulated the scheme of separation of the A.G. (A & E), Assam, Meghalaya, Arunachal Pradesh and Mizoram and called for options in the prescribed option form. The circular clearly indicated that option once exercised will be final. Last date for submission of option was 8/10/2004 with a compelling clause that in case of failure to opt the cadre Controller will allocate such officials to either of the office at Meghalaya Assam, Arunachal Pradesh or Mizoram. Under such compelling circumstances the applicants had to submitted the options. The respondents also know that required informations and data e.g. sanctioned strength etc were not known/finalised. This circular was intended to do favour to some officials and was issued in a hurry.

Suman Ghatak

Copy of the circular dated 24/9/2004 with the option form is enclosed as **Annexure-A**

4.8 That the applicants have been contacting office to know the fate of the separation of cadre scheme and their options. They could learn that the respondents were in utter confusion as regards modus operandi of the separation of cadre. The required data as regard the sanctioned strength etc. were not available and could not be circulated to the Gr. C and D staff including the applicants on request. The Accounts Category III Association, office of AG (A & E), Meghalaya etc, Shillong also could not elicit such data. In the meantime the Gr. B officers also filed number of O.As challenging the separation of Gr. B cadres. In such a situation the respondents were inclined to depart from their initial scheme for separation and option as circulated by circular dated 24/9/2004 and decided to accommodate persons of their interest in the Assam office at Guwahati without having any reference to the sanctioned strength of the Gr. C and D cadres of Assam, Meghalaya, A.P. and Mizoram in a very hasty manner. By circular dated Estt –1 order No. 53 dated 9-6-2006 some Group C and D officials have been allocated to Guwahati office.

Copy of the order dated 9/6/2006 is enclosed as **Annexure B** (other pages contains the names and shall be produce at the time of hearing if called for)

4.9. That immediately after the issue of the order No. 53 dated 9/6/2006 the respondents could understand that anomalies have cropped in the matter of separation, option and allocation to Assam office as done by the order dated 9/6/2006, the respondents endeavoured to project a semblance of correctives steps in the matter of allocation to the other offices viz. Mizoram, A.P. and Meghalaya and issued circular no. 3307 dated 12/7/2006. Most curiously the separation does not contain the name of the office of A.G. (A&E), Assam. It is stated that the original circular dated 24/9/2004

Sumit Ghatak

mandated separation of Assam, A.P. Mizoram and Meghalaya offices i.e. 4 (four) states. The circular dated 12/7/2006 contains only 3 (three) states viz. A.P. Meghalaya and Mizoram, the office of Assam has been ostensibly omitted to safeguard irregularity done by the establishment order dated 9/6/2006. The last date of option by the circular dated 12/7/2006 was fixed as 19/7/2006 later extended to 28/7/2006. This circular also contains the clause that officials who fail to exercise options shall be allocated to any of the three offices at the discretion of the administration. The sanctioned strength and person - in-position were shown, but the sanctioned strength has been ignored for the allocation without any reason, which will make room for the favouritism. The increase or decrease in person in-position after the option has not been circulated to make room/scope for favouritism.

Copy of the circular dated 12/7/2006
is enclosed as **Annexure – C.**

4.10. That the respondents are highly confused in the matter of sanctioned strength, required strength and persons - in-position. In the matter of separation of cadre of Gr-B. officers the term required strength was taken resort to. But on challenge before this Hon'ble Tribunal the respondents under camouflage omitted the term in the circular dated 12/7/2006.

4.11. That the respondents are not working with openness, whereas in the case of Gr. B. officers the filling of post, with nexus to required strength have been mentioned, in case of Gr. C & D the term required strength have been omitted because same is under challenge in number of O.As. pending before this Hon'ble Tribunal. It is categorically stated that the office of the Accountant General (A & E), Meghalaya, A.P. and Mizoram are working with the term required strength though the omission of the same term is explicit and deliberate in the circular dated 12/7/2006. Moreover the circular dated 12/7/2006 does not give reasons as to why the separation of cadre is not being implemented on the basis of sanctioned strength. The ideal condition demands that separation shall be on the basis of sanctioned strength with permanent allotment as such an option. Administrative fairness does demands the same. The respondents may on administrative feasibility and fairness make

Sumit Chakraborty

short term adjustment from among such permanent allottees by making reasonable scheme. Short term rotation may also be considered by the respondents in this respect. But most unfortunately circular dated 12/7/2006 has been issued, saving the incorrect decision by the order date 9/6/2006. In continuation of the circular dated 12/7/2006 circular dated 14/7/2006 has been issued showing only persons in position of some staff but not sanctioned strength C&D. Deputation has been resorted to illegally.

Copy of the circulated dated 14/7/2006
is enclosed as **Annexure-D.1**

4.12. That the Accounts Category III Association Shillong, had represented against the scheme of separation of Gr. C and D staff as explained above and has circulated by the letter No. Acc/cate-3/2006-07/11 dated 3/11/2006 issued by the General Secretary of the Association, the correspondences in this aspect. The applicants are members of the said Association.

Copy of the Associations letter
dated 3/11/2006 with letter
dated 2/11/2006 address to the
General Secretary of the
Association by the office of the
A.G.(A & E) Shillong, the letter
dated 27/7/06 issued by the A.G.
(A & E) Shillong and letter dated
26/7/06 written by the
association are enclosed as
**Annexure E, E-1, E-2 and E-
III.**

4.13. That by order No. Estt-I Order No. 198 dated 21/11/2006 office of the A.G. (A&E) Meghalaya etc. Shillong has circulated list of Gr. C&D officers allocated to the offices in Meghalaya, A.P. and Mizoram and also indicating the places where they have been posted on deputation. This has been done as per the circular dated 12/

Sumit Ghatak

7/2006. The applicants have been permanently allocated to the office of the AG (A & E) Meghalaya but applicants no. 1-13 have been shown as on deputation to AG (A & E) Arunachal Pradesh and allotment of applicants no. 14-18 who were earlier sent to Assam and later brought back to Meghalaya are pending. It is stated that the above allotments and deputation have been made without reference to the sanctioned strength or the clear policy or principles of separation or stable policy of sanctioned strength required strength etc. The deputation orders are without consent and as such illegal. The fate of the options exercised under circular dated 24/9/2004 has not been disclosed. No reason for delinking the Assam office as in order dated 9/6/2006 has been disclosed. This order dated 21/11/2006 has been passed under camouflaged and has been done arbitrarily dehors administrative fair play.

The circular dated 21/11/2006 is enclosed as Annexure-F

4.14. That as already stated in respect of the separation of cadres number of Gr. B. officers have approached this Hon'ble Tribunal through O.A. No 125/06, 146/06, 267/06, 143/06, 115/06, 203/06, 204/06, 281/06, 273/06 etc and the Hon'ble Tribunal has been pleased to pass interim order not to disturb the applicants from the place of their present posting. The Hon'ble Tribunal was also pleased to hear in detail and pass orders dated 21-7-2006. In M.P. No 59/06, 52/06, 55/06, 56/06 In O.A. No 143/06, 115/06, 125/06, 146/06 respectively.

Copy of the order of the Hon'ble
Tribunal is enclosed as
Annexure G

4.15 That the office of the Principal Accountant General (Audit) Assam, Beltola by circular dated 23/3/2006 had decided to separate the common Gr. C and D cadre in the Audit offices of Assam, Meghalaya, A.P. and Mizoram and by order dated 9/6/2006 allocation of Gr. C and D officials were made challenging the said separation of cadre Gr. C and D category of Audit side an application was filed which has been numbered as 1/55/2006 which has been admitted with interim order to maintain status quo as regards the place of posting. The OA is pending.

Copy of the order dated is
enclosed as Annexure- H

4.16 That by not making the separation simultaneously for the four (4) states as notified in 2004 great prejudice has been caused to the applicants. For e.g. the applicants who exercised options for Meghalaya on the staff position then prevailing, though senior, were not allocated to Assam but to Meghalaya. Now again their position is sought to be destabilised. They have been denied the scope of posting at Assam.

4.17 That applicants humbly state that their grievance is not against policy decision of separation but against the manner the separation is sought to be made opening scope for favouritism and pick and choose policy. The humble submission of the applicants the separation should be ^{ed} worked out ignoring the separation done in pursuance to notice dated 24-9-2004 and four offices should be separated simultaneously disclosing factual position avoiding scope of favouritism and arbitrariness.

5. Grounds with Legal Provisions

5.1 For that the calling option for four states with clause of finality of option, by circular dated 24/9/2004, and thereafter separating only one state viz. Assam is not just and fair and is arbitrary and whimsical.

5.2 For that again calling for option for separation of Meghalaya, A.P. and Mizoram, arbitrarily ignoring the earlier notification dated 24/9/2004 is arbitrary and illegal.

5.3 For that separation not on the basis of sanctioned strength is not just and fair and any decision as regards cadre shall have to be on the sanctioned strength.

5.4 For that the terminology of "required strength" is vague and abstract and opens wide scope of favouritism and whimsical action

5.5 For that the separation on the basis of person-in- position (PIP) is not administrative fairness. "Person-in- position" is a fluxuating concept and any fair policy decision as regards cadre shall be in reference to the sanctioned strength.

5.6 For that deputation without consent is illegal.

Sumit Ghatak

5.7 For that pecemeal separation of cadres causes undue hardship to the officials and opens scope of favouratism by the respondents.

5.8 For that once posting in Assam under the 2004 option scheme with finality of option clause and again seeking option and allocated and posted to other state demonstrates administrative indecision and fluxuating orders giving room to favouratism and pick and choose policy.

5.9 For that, this application is filed bonafide and in the interest of justice.

6. DETAILS OF THE REMIDIES EXHAUSTED

That the applicants declare that they have no other alternative and efficacious remedy available to them by way of this instant application.

7. MATTERS NOT PREVIOUSLY FILED OR PENDING WITH ANY OTHER COURT:

That the applicants declare that no such writ petition or suit has been filed regarding the matter in respect of which this application has been made, before any Court or any other authority or any other Bench of the Tribunal nor any such application, writ petition or suit is pending before any of them.

8. RELIEFS SOUGHT FOR:

Under the facts and circumstances stated above, the applicants humbly pray for the following reliefs.

8.1 The circular No. 3307 dated 12/7/2006 issued by the office of the A.G. (A&E), Meghalaya etc. Shillong and the order No. Estt/Order No. 198 dated 21/11/06 issue from the same office be set aside and quashed.

8.2 The establishment Under No.- Estt. I-Order No.53 dated 9/6/2006 issued in isolation only for Assam, issued by the office of the A.G. (A&E). Meghalaya etc, Shillong be set aside and quashed.

8.3 The applicants shall not be sent on deputation without their consent.

8.4 The applicants shall not be disturbed from their place of posting without publication of a scientific and comprehensive just and fair policy giving full scope to the applicants

Sumit Ghatak

8.5 The any other relief that the Hon'ble Tribunal may deem fit and proper. The above reliefs are prayed on the grounds stated in Para-5 above.

9. INTERIM RELIEF PRAYED FOR:

During pendency of the application applicants prayed for following interim orders/ relief.

9.1 The operation of the Estt-I-Order No. 198 dtd 21/11/2006 in respect of the applicants be stayed / suspended.

9.2 The applicants shall not be disturbed from the present place of posting.

Sub: Creation of New officers of AG (A&E), Arunachal Pradesh, Itanagar and AG (A&E), Mizoram, Aizawl - consequent transfer of Gr. 'C' and "D' staff.

With reference to the Accounts Association's (Category III) letter No. ACC/Cate III/2005-2006/25 dated 2.8.2006 addressed to the Comptroller & Auditor General of India on the subject cited above, I am directed to convey herewith the Headquarters' Office reply received vide letter No. 271-NGE(JCM)/11-2006(III) dated 30.10.2006 on the points raised by the Association as under:

	Comments
1.(a)Whether the period of deputation will be for a specific duration and also, if so, what would be the tenure of deputation?	Para 4 of Circular dated 12 July 2006 issued by the office of the Accountant General (A&E), Meghalaya under which all Group 'C' and 'D' staff were asked to submit their option for permanent allocation to the Meghalaya, Arunachal Pradesh or Mizoram offices makes it clear that surplus optees of a particular office will be posted on deputation to the deficit offices and " <i>these persons shall be permanently posted to the office of their choice on the basis of their seniority on availability of subsequent vacancies against the person-in-position strength in that office.</i> "
(b) Whether the officials transferred to the offices of A.G (A&E),A.P. Itanagar & A.G.(A&E),Mizoram, Aizawl will be brought back to the office of their choice after expiry of the deputation period, irrespective of vacancy position in the office of their choice.	This being the case, it is clear that deputation will not be for a specific duration. The deputationists will have to continue in the office they are sent to till they are repatriated to their permanent office in the manner stated above. The period/tenure of deputation would thus differ from person to person.
(c).Some members desire, that the transfer be made on Tour/Rotational basis, may kindly be implemented.	The Circular makes clear that the deputationists will be permanently brought back to the office of their choice only on availability of subsequent vacancies in that office. The demand of Association to post the surplus staff on rotation basis can be considered only if all the staff members are agreeable for posting to the deficit offices on rotation basis.

<p>2 (a) Whether, staff members who will be transferred to Arunachal Pradesh, Itanagar and Mizoram, Aizawl would be provided with individual quarter in a habitable and secured area with all basic amenities?</p>	
<p>(b).Further, the staff quarters should be provided adjacent to the office. Unless, the staff quarters are provided, transfer to the new offices may be kept in abeyance for the time being and functioning of the two offices may continue in Shillong. It is also requested that the staff side should be taken into confidence before selecting the sites of staff quarters.</p>	<p>Reply/Comments on these points will follow separately from HQrs.</p>
<p>3.Further, as per the terms & conditions of the Circular issued by the Administration vide Circular No.3307 dtd.12.07.2006 It appears that the junior Gr.'D', C/Ts & Accountants would be the worst sufferers as most of them would have to serve on deputation in the offices of A.G(A&E), A.P, Itanagar & Mizoram, Aizawl for a very long period of time or for their entire service period as it appears from the Gradation List and also they will be deprived of their promotion till they are repatriated to their original office of choice. The officials may be brought back to their office of choice after completion of their normal deputation period and the subsequent vacancies arising on the new offices may be filled up by new recruitment. In this regard, Administration is requested to find ways and means so that staff can be brought back to their office of choice immediately after completion of their normal tenure of deputation.</p>	<p>This point is covered in comments pertaining to Point 1(a) and (c) above.</p> <p>As far as promotions are concerned, para 8 of this office Circular dated 12th July 2006 (Appendix-I) makes it clear that "<i>no further promotion will be made in the surplus office(s) till all officials on deputation are repatriated back to the office(s) they have opted for on permanent allocation</i>".</p>

<p>4. It may also be clarified, that C/Ts who are on deputation to the ex-cadre post as D.E.O on transfer to the new offices will continue to be entitled to draw the pay of D.E.O or they will be reverted to their original posts of C/T. and how their pay will be protected in that case?</p>	<p>The clerks working as DEOs may continue to hold the posts of DEOs even after their posting to the deficit offices.</p>
<p>5. Gr.'D' officials are the financially lowest paid category and they would further be subjected to suffer most, if they are transferred to the new offices. Hence, it is requested that our Gr. 'D' staff be exempted from the transfer and vacancy in the newly created offices may be filled up through direct recruitment and the surplus staff should be regularized by creating a Supernumerary post.</p>	<p>The Group 'D' officials who are in excess of the required strength of Shillong office are to be sent to the deficit offices and no exemption can be allowed to them.</p>
<p>6. The staff also impress upon the Administration that a great hardship would be caused to the members in respect of the education of their children due to the transfer. Therefore, it is requested, that no staff members should be transferred during the mid-session of the education of their children. It may also be mentioned that deserving children of the members may require a P.R.C for admission of their children to Higher & Technical education through State Govt. quota and would lose their claim for such a quota, as getting a P.R.C, a continuous stay at a particular place for 12 years is required. But, continuous stay for 12 years may not be completed for many members at Shillong due to their transfer to Arunachal Pradesh & Mizoram from Shillong and as a result their children might be deprived of getting P.R.C. from the Govt. of Meghalaya. In this</p>	<p>The Permanent Resident Certificate (PRC) is given to a "permanent resident" of a State. Thus, a person is eligible for a PRC as long as he/she is a permanent resident of Meghalaya irrespective of the fact that whether that person is working in Meghalaya or not.</p>

*Affisted
(and)
(Advocate)*

<p>regard, arrangement may be made with the Govt. of Meghalaya so that P.R.Cs may be granted to the Children of the staff who are transferred to Arunachal Pradesh & Mizoram.</p>	
<p>7. The staff also expressed that, at the time of separation between Assam Office and Meghalaya office, staff strength and persons in position was not reflected in the Circular letter. As a result, some members who would have opted for the Office of A.G (A&E), Assam, Guwahati permanently, could not avail the opportunity for opting for their cadre in the office of the A.G (A&E), Assam, Guwahati and have been deprived of natural justice. Hence, their personal representations may kindly be considered and they may be given the opportunity to opt for their cadre in the Office of A.G (A&E), Assam, Guwahati/or they may be allowed to be transferred permanently there. A good number of members of the staff of this office are still on deputation now with the O/o the A.G(A&E), Assam, Guwahati and some of them have been transferred twice to that office. In this regard, how they will be treated on their repatriation to this office, as they are still the junior most?</p>	<p>The cadres between Assam and Meghalaya offices have already been separated. This issue cannot be reopened.</p>
<p>8. The Association urges upon the Administration, that, representation for retention in the original office of choice by the members on genuine grounds may also be given due consideration when transfer on deputation is ordered.</p>	<p>No exemption should be allowed in any individual case without approval of Headquarters' Office.</p>

Yours faithfully,

 Deputy Accountant General (A)

The General Secretary
Accounts (Category-III) Association,
O/o the A.G.(A&E), Meghalaya, Shillong.

Sub: Request seeking clarification in connection with the submission of Option.

Sir,

In inviting a reference to your letter No. Acc/Cadre-III/2005-06/11 dated 26.7.2006 on the subject mentioned above I would like to remind you that, on 18.7.2006 at around 1400 hrs., at the suggestion of your Association I had met the Group 'C' and 'D' staff of this office and to the best of my abilities attempted to satisfy whatever doubts or queries they had on the matter of the impending separation of the Group 'C' and 'D' cadres between the Mizoram, Arunachal Pradesh and Meghalaya A&E offices. During this meeting with the staff, you along with other office bearers of the Association were also present. Barring point No. 1 raised in your above cited letter, all the remaining issues on which you have now asked for a written clarification were discussed and explained in details at the said meeting. Hence although I consider the Association's request for a written clarification cadre on these very same matters not in the proper spirit of things, I am nevertheless sequentially addressing the issues raised in your letter as follows:

1. At the time of issue of Circular No.3307 dated 12.7.2006 under which Group 'C' and 'D' staff were asked to submit their options, both the Group Officers of this office were on extended leave. Since the matter was urgent (the office had received a number of communications from Hqrs. enquiring about progress made in the cadre separation exercise), the said Circular was issued under my signature. The reference ["DAG (Admn) circular No. dated] in the Option Form enclosed with the Circular was admittedly an oversight - albeit a minor one. Nevertheless, this is being corrected through an Office Corrigendum being issued today.

(Advocate)

2. I had very clearly explained at the meeting on 18.7.2006 that the choice of options for three offices in Box No. 1 of the Option Form was a measured decision as this was considered to be to the advantage of the Group 'C' and 'D' staff. Staff instead of having to submit their option of permanent allocation only for one office, could if they so wished, make multiple informed choices after weighing the pros and cons. In any case I had also clearly explained at the meeting that the option to indicate a single or multiple choice was entirely up to the individual staff member. I refrain from commenting on the course of action taken by the O/o the Principal AG (Audit) Meghalaya, Shillong on this same matter.

3. This issue was also raised and clarified by me at the meeting. The separation of Group 'C' and 'D' cadres between the Shillong and Guwahati A&E offices was effected on 1.12.2005 as per the instructions of Hqrs. It was not possible at that point of time to also separate these cadres for the Mizoram and Arunachal Pradesh A&E offices as the sanctioned strength and persons-in-position for the A&E offices of Meghalaya, Arunachal Pradesh and Mizoram was not known at that time, besides the fact that in December 2005, the latter two were not separate entities. I refrain from commenting or from making comparisons on the course of action taken by the O/o the Principal AG (Audit) Meghalaya, Shillong on this same matter.

4. As regards the points raised by you in para 4 (i), (ii), 5 and 6 of your aforesaid letter, I would again like to remind you that these issues were also raised by the staff in the meeting on 18.7.2006. I would again like to restate that the position on these matters is amply spelt out in the Circular No. 3307 dated 12.7.2006.

Yours faithfully,

Accountant General

No. Acc/Cadre-III/2005-06/11

Dated: 26-07-06

Sub:- Request seeking clarification in connection with the submission of Option.

Sir,

I am directed by the General Body of this Association (meeting held on 25-07-2006) to request you kindly to provide the Association with clarification on the following points of doubt that have arisen with reference to circular No. 3307 dt. 12-07-2006 issued from your end and also on the option form enclosed with that circular.

1. That Sir, in the 'Option Form' individual members have been asked to fill up the option with reference to DAG (Admn) circular No. _____ Dt. _____ whereas, no such circular had been enclosed.
2. In the option form supplied alongwith the circular mentioned above, option has been called for three offices of AG (A&E) at a time. It is not understood as to how option could be called for three offices at a time as in Box No. 1 whereas, in the O/o the Principal AG (Audit) under the same CAG's institution, options have been called from the individual members for one office of choice only.
3. In the O/o the Principal AG (Audit) cadres for all the four offices i.e. Mizoram, Arunachal Pradesh, Meghalaya, Assam have been separated at a time. But in case of Accounts Office, cadres for AG (A&E) Assam, Guwahati and AG (A&E) Meghalaya etc., has been separated first and thereafter cadres for Meghalaya etc. are sought to be separated thrusting entire burden of transfer to new offices of Mizoram and Arunachal Pradesh exclusively to the staff of Meghalaya office only. Therefore, it is not clear as to why the norms of cadre separation for four offices are not being adopted by AG (A&E) Meghalaya etc. uniformly as done by Pr. AG (Audit).
4. In the option form, option for deputation has been called in Box 2 but nothing has been mentioned in the circular No. 3307 dt. 12-07-2006 as regards the following:-
 - i.) Whether the deputationist will be repatriated to his/her original office of choice immediately after his/her period of deputation is over irrespective of whether vacancy exists in his/her original office of choice or not and also what would be the period of deputation?
 - ii.) Whether the deputationist shall have to continue in his/her office of deputation for further period of deputation in case vacancy does not arise in his/her original office of choice for repatriation. If so, what would be the further period of deputation there?

5. No terms and condition for deputation have also been specified either in the circular or in the option paper.

6. Deputation in the O/o the AG(A&E) Assam may continue as it is continuing at present according to the willingness of members.

Thus, in the light of the above facts Accountant General is requested to enlighten this Association at the earliest through a written communication, so that the same may be placed before the members for a decision on the submission of option by them.

Yours faithfully

This is an application filed by the respondents in the O.A. for vacation/modification/alteration of the status quo order. The prayer in the M.P. is:

"In the premises aforesaid it is respectfully prayed that your Lordships may be pleased to vacate and/or modify and/or alter the interim order dated 14.6.06 and 20.6.06 passed in O.A No.143/2006 and/or pass such further or other order or orders as your Lordships may deem fit and proper."

2. An identical M.P. No.56/2006 was filed in O.A.146/2006 for modification of the interim order dated 19.06.2006 therein. So also M.P.No.52/2006 was filed in O.A.115/2006 by the Sr. C.G.S.C. and M.P.No.55/2006 filed in O.A.115/2006 for the same purpose. All these M.P.s are filed for the alteration/modification/cancellation of the interim orders. All the above O.A.s are identical and are challenging the same scheme for separation of combined cadre for Office of the Accountant General at Shillong, Imphal, Kohima and Agartala. This court in all the above O.A.s passed interim order on various dates, the gist of which is as follows:

O.A.No.125/2006

"The applicants are SOG Examination qualified officers now working as Assistant Audit Officer in Group 'B' cadre. They are borne in the office of the Principal Accountant General (Audit) Assam, Guwahati. There are other offices of Accountant General (Audit) in Meghalaya, Manipur, Tripura and Nagaland States. Vide circulars dated 31.03.2006 and 20.94.2006, a scheme has been circulated separating the cadre of Group 'B' officers in Civil Audit Offices. According to the applicants, the scheme has been formulated on wrong premises that there was common/combined cadre. According to them, in reality there has not been any formal common/combined cadre. They have also stated that the respondents are changing their options from time to time.

Heard Dr. J.L. Sarkar, learned counsel for the applicants and Ms U. Das, learned Addl. C.G.S.C. for the respondents.

When the matter came up for admission hearing, Ms U. Das, learned Addl. C.G.S.C. for the respondents submitted that there is a common cadre. She also submitted that she would like to take instructions to file reply statement. Let it be done.

Post on 06.06.2006. In the meantime, in the interest of justice, by way of interim order, this Tribunal directs the respondents not to disturb the applicants from their place of postings till the next date.

Identical orders have been passed in the other O.A.s also which are under challenge.

3. Dr J.L. Sarkar and Mr G.K. Bhattacharyya, learned Sr. counsel for the applicants in the various O.A.s and Mr G. Balshyam, learned Sr. C.G.S.C. and Ms U. Das, learned Addl. C.G.S.C. for the respondents are present and argued the matter.

4. The case of the Misc. petitioners (respondents in the O.A.s) is that the applicants in the O.A.s are challenging the separation of the common cadre of Group 'B' officers in the office of the Accountant General (A&E) and challenged the circular on Cadre separation dated 30.03.2006. According to them the matter pertains to a policy decision and the bifurcation of common cadre is necessary for the public interest. Prior to separation of cadre the Group 'B' officers of different offices of North Eastern Region are transferred and posted to any of the offices of AG (A&E) in North Eastern Region and such liability of transfer was accepted by the officers at the time of promotion to the post of Assistant Accounts Officer (Group 'B'). A gradation list of common cadre of SO/AAO/AO/Senior AO is maintained by the AG (A&E), Assam, Guwahati being the cadre controlling authority. Though separate seniority for each cadre is given in the gradation list, but due to administrative exigencies it became necessary to separate the existing common cadre of Group 'B' officers of A&E offices of the North Eastern Region for the purpose of conducting the function of A&E in the offices of each State in the North Eastern Region being fair and transparent and taken into consideration the larger issue involved and considering the public interest the circular dated 30.03.2006 was issued. As per the circular if the number of optees for a particular office is more than the required strength of that office, the excess persons in each cadre shall be posted on deputation basis, for which they may give their

preference, to deficit offices. These officers posted on deputation basis shall be posted to the office of their choice on the basis of their seniority on availability of subsequent vacancies against the required strength in such offices. The surplus optees shall also form part of the cadre of the office for which they exercised option. As per the policy, therefore, each officer will be ultimately posted permanently in the office of his/her choice, and meanwhile he/she is waiting for posting to the office of his/her choice which happens to be surplus office, and draw deputation allowance for this period as admissible under the rules.

5. The case of the applicants in the O.A.s is that the cadres were already separated in 1981 in terms para 5.6.1 of Comptroller Auditor General's Manual of Standing Order (Administration) Vol. I and the respondents are aware of the position and have made a vague statement by stating "prior to separation of cadre". As per the policy communicated vide circular dated 31.03.2006, optees in a particular cadre for a particular office were to be accommodated as per the sanctioned strength of cadre of that office. The term 'required strength' introduced in the policy is an afterthought by way of clarification communicated on 8.5.2006 after the exercising of option by the applicants was completed on 26.04.2006 has altered the basic complexion of the modality for accommodation of optees in the Office of their choice. The Group 'B' officers exercised their option on their understanding that the number of optees would be very much within the sanctioned strength of the office and therefore all of them would be accommodated in the said office which will be their Base/Parent Office. The adoption of the new 'required strength' is not in conformity with the existing norms and is therefore without any basis,

which will lead to incorrect position of vacancies in different cadres in the offices causing scope for arbitrariness. The applicants were working in the base office concerned.

6. I have heard the learned counsel for the parties. The learned counsel for the parties has taken my attention to various Circulars, Office Orders etc. to substantiate their contention. The learned counsel for the parties also cited certain court decisions to substantiate their contention on merits of their case. We are only on the preliminary issue of the interim order - whether to be vacated or not. The learned counsel for the respondents has taken my attention to a decision of the Hon'ble Supreme Court reported in 1998 (4) SCC 598 in the case of S.P. Shivprasad Pipal Vs. Union of India and canvassed for the following three principles that has to be followed by the court in granting interim orders:

- (a) Whether there is a *prima facie* case
- (b) Whether irreparable loss will be caused to the respondents
- (c) Balance of convenience.

7. The learned counsel for the original applicants are in agreement with the above proposition of law and both parties canvassed very vehemently and argued that these ingredients are in their favour. The learned counsel for the parties tried to establish their case on merit. Since this is a subject matter of the Division Bench and sitting singly the court cannot go on merits of the case at this point of time. Therefore, this court considers whether the three ingredients that has been canvassed by the learned counsel for the respondents tilt in favour of the respondents or the applicants. I am not going into the merits of the case since that may affect and lead

ultimately to a final decision, which is not within the ambit of the Single Bench.

8. The simple facts of the case are that as per the said notification the respondents have introduced a policy decision for separation of the cadre and for that purpose options were called for. The applicants who have been working in the respective Sections for years together have been discarding their promotions and seniority have opted for the respective stations they are put in, hoping that they will be accommodated therein. According to them there are large number of vacancies as well if the respondents design the transfers in a scientific manner. The applicants have reiterated that their options are only for a particular station and not anywhere else. Therefore, attempt on the part of the respondents to transfer the applicants to non-optee place par se seems to be not in conformity with the employees' choice which will put them to irreparable injury. The understanding and willingness of the employees is for a particular station alone. They are not questioning the policy of the scheme but its modality.

9. Then the question comes how can the applicants be transferred to hard stations for which they have not exercised option?

The respondents would argue that these applicants are being sent on deputation wherein the applicants will get deputation allowance. It is well settled law that an employee cannot be sent on deputation without his/her consent.

10. When a restructuring or a scheme is implemented, the hardship that will be caused to the employees must be minimal. It appears that no scientific study has been made by the respondents in

implementing the so called circular and compelling the employee to accept transfer to a non-optee station under the guise of deputation is not in general spirit of law.

11. Therefore, considering the balance of convenience, hardship, legal injury etc. in favour of the original applicants in the O.A.s, I am of the view that at this point of time there is no need to alter, change or modify the interim order that has been passed earlier. Therefore, the Misc. Petitions do not merit and therefore the same are liable to be dismissed.

12. However, the respondents are at liberty to implement the scheme in a more scientific/practical manner without disturbing the applicants of their place of option.

All the Misc. Petitions are dismissed with the above observations. No costs.

Notes of the Registry	Date	Order of the Tribunal
	22.06.2006	Present: Hon'ble Sri K.V. Sachidanandan Vice-Chairman.

The applicant is an Association which was formed in the year 1995 for redressal of grievances of the employees of the Audit Department, Guwahati. In the year 1997, the office of the Principal Accountant General (Apidit), Meghalaya was bifurcated and the office of the Principal Accountant General (Audit), Assam was separated from the main office. The members of the Audit Association opted for posting at Assam. In the year 2006 a move was initiated to separate the common group 'C' and 'D' cadres in the Audit offices of the Principal Accountant General (Audit), Assam and office of the Principal Accountant General (Audit) Meghalaya, Arunachal Pradesh and Mizoram, Shillong, vide order dated 23.03.2006 created separate offices for Arunachal Pradesh and Mizoram. Representation was submitted by the

22.06.2006 applicant Association. It is submitted on behalf of the applicants' Association that the applicants' have no dispute with regard to the cadre separation. However, their grievance is that in spite of the option opted for Assam, they have been deployed to various places on deputation. Counsel for the Applicant Association also brought to my notice to the administrative report, wherein it is mentioned that allocation of senior auditors sanctioned strength is 314 and PIP is 257 and allocation of senior auditors sanctioned strength is 75 and PIP is 62. They submitted that it is clear that deputation adopted is faulted and in violation of the law laid down.

Heard Mr D.K. Das, learned counsel for the applicant association and Mr G. Baishya, learned Sr. C.G.S.C. for the respondents.

*

Counsel for the respondents submitted that aggrieved persons are not parties in this proceeding ^{and} since Union and 2nd applicant being the General Secretary of the Association has filed this application, it is like a Public interest litigation. He also quoted Rule 4(vi)(b) of the CAT Act, and argued that minimum 'one aggrieved' person must be a party. Therefore, this application does not stand in its legs.

Contd/-

I have given due consideration to the arguments advanced by the learned counsel for the parties. Counsel for the respondents also submitted that he would like to take instructions. Let is be done.

Post on 25.07.2006.

Considering the facts that Association had represented the grievance of its members with the respondents and that it is recognized by the respondents, their grievance has been considered by the respondents and acted upon on representations. The contention of the respondents that Association cannot be a party in such proceeding, cannot be accepted. However, having regard to the fact that applicants are interested with the affairs of the members of the Association, I am of the view that it cannot be straight away rejected on that ground alone. However, the applicants are at liberty to improve its pleadings if they so desire.

In the interest of justice, by way of interim measures, I direct the respondents to maintain status quo till the next date of hearing.

UNION OF INDIA AND OTHERS

Written statement submitted by Respondent Nos 1 to 6.

The Respondents humbly submit their written statement as follows :

1. That with regard to the statements made in paragraphs 1 to 4.2 of the instant application the answering Respondents have no comments.
2. That with regard to the statements made in paragraph 4.3 of the instant Application the answering Respondents beg to state that at the time of the country's independence in 1947, the office of the Accountant General of undivided Assam (office then known as office of the Comptroller, Assam) operated from Shillong. Consequent on the division of undivided Assam and formation of various North East States over the years, the Comptroller & Auditor General keeping in view the requirements of work, public interest and the interests of the States concerned established Accountants General offices at Kohima (Nagaland), Imphal (Manipur) Agartala (Tripura) and Guwahati (Assam). All these offices were initially manned by Group 'B', 'C' and 'D' staff from the Accountant General's office at Shillong. Over time the Accountants General offices in Nagaland, Manipur and Tripura recruited their own Group 'C' and 'D' and these cadres became exclusive to these offices. However, the Group 'C' and 'D' cadres in the offices of the Accountant General (Meghalaya, Arunachal Pradesh and Mizoram) at Shillong and Accountant General (Assam) at Guwahati continued to share common cadres of Group 'C' and 'D' staff.

As opposed to the above developments however, the Accountants General offices in the North East continued to have a common Group 'B' cadre, i.e., a Group 'B' officer could be posted to any of the Accountants General offices in the North East Region.

In 1984, the Indian Audit and Accounts Department bifurcated into two functional wings, viz., the Audit Wing and the Accounts & Entitlement Wing with Group 'B', 'C' and 'D' staff of the Department allotted permanently to either of the two wings depending on the choice exercised by them. Consequent on this development, the offices of the Accountant General (Accounts & Entitlement) Meghalaya, Arunachal Pradesh and Mizoram and

2

98

Accountant General (Accounts & Entitlement) Assam both functioning from Shillong came into being. The two offices shared a common Group 'C' and 'D' cadres with the former exercising the responsibility of cadre controlling authority for these two cadres. The office of AG(A&E) Assam subsequently shifted to Guwahati in the late 1980s. Even after the shifting, the two offices continued to share common Group 'C' and 'D' cadres with the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong also continuing to exercise cadre controlling responsibility. The office of the AG(A&E) Assam on the other hand exercised the function of cadre controlling authority for the common North East cadre of Accounts & Entitlement Group 'B' officials.

It may be pointed out here that appointment letters issued by the 'mother' office at Shillong (from whom officers and staff were drawn to man the Accountant General offices established in the newly created States of the North East) carried a clause to the effect that the person being offered appointment was liable to be posted in any of the existing offices or any new office opened by the Department in the North East. Up to the present day also, all appointment letters to Group 'C' and 'D' posts issued by the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong carry the clause that the person is liable to be transferred to the office of the AG, Arunachal Pradesh or AG, Mizoram in the event that the Department establishes offices in these States. Copies of these appointment letters are submitted as Annexures 'A', 'B' and 'C'.

Necessitated by the requirements of the States of Arunachal Pradesh and Mizoram, the Comptroller & Auditor General notified the setting up of the offices of the AG, Arunachal Pradesh and AG, Mizoram with headquarters in the respective State capitals with effect from 1/4/2006. The office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong was simultaneously redesignated as the office of the AG (A&E) Meghalaya, Shillong. Copies of the said Notifications No. 64-Audit/M&C/208-1997/Notification/01 and No. 66-Audit/M&C/208-1997/Notification/02 both dated 14/3/2006 are submitted as Annexures 'D' and 'E'.

3. That with regard to the statement made in paragraph 4.4, the Respondents deny that the Comptroller & Auditor General does not have a uniform and consistent policy for separation of cadres of his Department as and when this separation is required in public interest. The Comptroller & Auditor General's policy in this regard is to take into account the requirements of the Department in fulfilling its statutory and constitutional obligations under the Comptroller & Auditor General

3

(Duties, Powers and Conditions of Service) Act, 1971 and the hardship that may be caused to his employees in this regard.

It is respectfully submitted that in the last 2-3 years, apart from setting up new offices in Arunachal Pradesh and Mizoram, the Comptroller & Auditor General has also set up new Accountants General offices in the States of Jharkhand, Uttaranchal and Chattisgarh which are now functioning from Ranchi, Dehradun and Raipur respectively. This has been done through a reorganisaton of the offices of the Accountants General Bihar (Patna), Uttar Pradesh (Lucknow) and Madhya Pradesh (Bhopal). In these cases as now in the case of the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram, the Comptroller & Auditor General had the option of declaring the staff in these offices surplus and surrendering them to the Surplus Cell of the Department of Personnel and Training for redeployment as per the policy of the Government of India. Considering the degree of hardship involved in such an action, the Comptroller & Auditor General has, in all cases where new offices have been set/existing offices reorganized, decided upon a policy that would keep the hardship to the minimum level by adopting the option of temporarily transferring employees who cannot be accommodated in the office of their choice from the surplus offices to the newly created offices on the principle of seniority viz., 'Last-Come-First-Go'. The policy inter alia envisages that all the employees who exercised option for permanent posting to a particular office would eventually be posted back to the office of his/her choice. For the period where the employee is posted to another office, not being his/her office of choice, the employee is compensated by payment of an allowance as if the employee is sent on deputation.

Thus, the Comptroller & Auditor General has followed a consistent and uniform policy in this regard which has been determined by the need to minimize inconvenience to employees, ensure transparency and impartiality in the separation process balanced with the Comptroller & Auditor General's responsibility to discharge his statutory and constitutional obligations in an efficient and effective manner.

4. That with regard to the statement made in paragraphs 4.5 and 4.6 the answering Respondent have no comments to offer.
5. That with regard to the statement made in paragraph 4.7, the answering Respondents admit that the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram vide Circular, No. AGM/CADESP/9-2004/1 dated 24/9/2004 asked officials of the common cadre of Group 'C' and 'D' staff in the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong and office of the AG (A&E) Assam at Guwahati to exercise their option, in the

4 -
100

prescribed Option Form, for permanent allocation to the AG offices for the States of Assam, Meghalaya, Arunachal Pradesh, and Mizoram. Since it was anticipated that enough officials might not be available in all cadres who may opt for a particular office, the said Circular also required the Group 'C' and 'D' officials to indicate their choice of office for going on deputation and in which event, these officials would be entitled to deputation allowance. A copy of Circular No. AGM/CADESP/9-2004/1 dated 24/9/2004 is submitted as Annexure 'F'.

The statement that the aforesaid Circular was issued in a hurry as it was intended to favour some officials is a figment of the applicants imagination. It is not possible to manipulate the cadre separation exercise as the cadre separation of Group 'C' and 'D' is based on the principle of seniority with optees of surplus offices being required to man the deficit offices on the basis of 'Last-Come-First-Go'.

The answering Respondents also beg to state that the Department has taken a conscious decision not to go in for any fresh recruitment in tune with economy instructions issued by the Government of India and as a result, practically all offices of the Indian Audit & Accounts Department are currently functioning with staff strength in various cadres well below the "sanctioned strength". Accordingly the concept of "sanctioned strength" has therefore lost all relevance and presently the Department is adopting "persons-in-position" as the basis of manpower management.

6. That with regard to the statement made in paragraph 4.8, the answering Respondents humbly submit that since the concept of "sanctioned strength" has lost its relevance, it is therefore also of no particular significance in the cadre separation of Group 'C' and 'D'.

The Respondents also submit that the separation of the Group 'B' cadre controlled by the office of the AG (A&E) Assam at Guwahati and which is common for the seven AG offices in the North East is in no way linked to the separation of the Group 'C' and 'D' cadres by the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong for these three States.

The Respondents deny that there has been any departure from the initial scheme for separation as circulated by Circular dated 24/9/2004 so as to accommodate certain persons in the AG(A&E) Assam, Guwahati office. The cadre separation of Group 'C' and 'D' is based on the principle of seniority with optees of surplus offices being required to man the deficit offices on the basis of 'Last-Come-First-Go'.

The separation of the Group 'C' and 'D' cadres between the offices of the AG(A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong and AG(A&E) Assam at Guwahati was effected on 1/12/2005, i.e., around 15 months

5

101

after the issue of the Circular dated 24/9/2004. This demolishes the contention of the applicants that the cadre separation between Shillong and Guwahati offices was pushed through with undue haste.

The Respondents beg to submit the factual sequence of events leading up to the issue of the Estt.I Order No. 53 dated 9/6/2006 for the Hon'ble Tribunal's appreciation. In response to this office Circular No. AGM/CADESP/9-2004/1 dated 24/9/2004, Group 'C' and 'D' staff of the AG(A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong and AG(A&E) Assam at Guwahati submitted options for permanent allocation/ deputation as below:

Table-1

No. of options for permanent allocation (first choice) to the office of the				
	AG (A&E) Assam	AG (A&E) Meghalaya	AG (A&E) Arunachal Pradesh	AG (A&E) Mizoram
Group 'C'	539	342	Nil	Nil
Group 'D'	55	56	Nil	Nil

Table-2

No. of options for deputation (first choice) to the office of the				
	AG (A&E) Assam	AG (A&E) Meghalaya	AG (A&E) Arunachal Pradesh	AG (A&E) Mizoram
Group 'C'	67	225	02	Nil
Group 'D'	07	24	Nil	01

Since no Group 'C' and 'D' staff had opted for Arunachal Pradesh or Mizoram offices, the Comptroller & Auditor General vide letter No. 262-NGE(App)/17-2004 dated 13/4/2005 (Annexure 'G') directed that persons-in-position in each cadre as on 1/4/2005 in the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram, Shillong and office of the AG (A&E) Assam, Guwahati be taken as the strength for the purposes of the Group 'C' and 'D' separation exercise between the two offices. The persons in position in each cadre as on 1/4/2005 in Shillong and Guwahati offices was as below:

Table-3

Persons-in-Position	AG (A&E) Assam	AG (A&E) Meghalaya, Arunachal & Mizoram
Group 'C'	588	300
Group 'D'	64	50

Thus with reference to the options received from the staff for permanent allocation to either Guwahati or Shillong (refer Table-1), 539 Group 'C' staff had opted for Guwahati against the persons- in-position strength of 588 (refer Table-3). 342 Group 'C' officials had permanently opted for Shillong office whereas the persons-in-position strength was 300. Thus, Shillong office had a surplus of 42 optees who as per the cadre separation scheme who had to be sent to Guwahati office (the deficit office) on deputation basis.

In respect of Group 'D' staff, 55 persons had opted for permanent allocation to Guwahati office against the person-in -position strength of 64 whereas 56 had

opted for Shillong against the required person-in-position strength of 50. Thus, 6 Group 'D' staff were required to be sent to Guwahati office on deputation basis. Orders for the cadre separation/deputation as above could not be passed immediately as there were some other related unresolved matters like retirements/vacancies which had occurred in both offices after 1.4.2005, etc. Only after these issues were clarified between the Comptroller and Auditor General's/Shillong/Guwahati offices did the office of the AG(A&E) Meghalaya, Arunachal Pradesh and Mizoram, Shillong in its capacity as cadre controlling authority for Group 'C' and 'D' cadres for both Shillong and Guwahati offices take the decision to separate the cadres from 1/12/2005. This was done through the issue of Establishment Order No. 261 dated 25/11/2005 (Annexure 'H') and No. 262 dated 25/11/2005 (Annexure- 'I') placing the junior-most Group 'C' and 'D' staff on deputation to Guwahati office/ simultaneously repatriating Group 'C' and 'D' staff (who had opted for Shillong office but currently working in Guwahati office and who were senior to the persons being assigned to Guwahati office) from Guwahati to Shillong office. This was subsequently followed by the issue of Establishment Order No. 53 dated 9/6/2006 (Annexure- 'J') showing the complete list of Group 'C' and 'D' officials, in order of seniority, who stood permanently allocated to the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong and AG(A&E) Assam at Guwahati. This Order also included the names of Group 'C' and 'D' who had permanently opted for Shillong office but who were placed on deputation with Guwahati office vide the Establishment Orders dated 25/11/2005 mentioned earlier.

As such, the Respondents thus humbly submit that the cadre separation exercise between Shillong and Guwahati offices was done in a very fair, impartial and transparent manner. The applicants claim that there was a departure from the laid down scheme so as to accommodate interested persons in Guwahati office is without foundation for the simple reason that as pointed out earlier, Guwahati office was a deficit office and hence, all Group 'C' and 'D' staff who had permanently opted for that office would have inevitably been accommodated in that office anyway. Far from acting in a hasty manner as alleged by the applicants, the Respondents took considered steps at every stage of the cadre separation between Guwahati and Shillong offices being keenly mindful this was a sensitive issue.

7. With reference to the statement made in paragraph 4.9, the Respondents deny that any anomalies had cropped up in the matter of separation, option and allocation to Guwahati office as done under Establishment Order No. 53 dated 9/6/2006. As humbly submitted earlier, the basis for separation/permanent allocation of the

7
103

Group 'C' and 'D' cadres between Shillong and Guwahati offices was strictly based on the principle of seniority. It should be pointed out that the seniority of each member of Group 'C' or 'D' staff is determined by his/her relative position vis-à-vis his/her colleagues in the same cadre in a document called the Gradation List which is brought out by the office every year and circulated to all staff members. This being the position, there is absolutely no scope for any anomalies to crop up in the matter of separation and allocation to Shillong/Guwahati offices.

The Respondents further beg to submit that the Comptroller & Auditor General vide Notifications No. 66-Audit/M&C/208-1997/Notification/01 dated 14/3/2006 and No. 66-Audit/M&C/208-1997/Notification/02 dated 14/3/2006 created, effective 1/4/2006, new offices of the AG, Mizoram and AG, Arunachal Pradesh with headquarters at Aizawl and Itanagar respectively. Simultaneously the office of the AG(A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong was reorganized and redesignated as the office of the AG (A&E) Meghalaya, Shillong. The said notifications were followed by the Comptroller & Auditor General's Memo No 1686 BRS/72-2005 dated 25/4/2006 (Annexure-'K') communicating the redistributed sanctioned strength and persons- in-position for the three offices with directions that staff be posted in each office at the earliest. These instructions could not be immediately implemented as there were discrepancies in the figures quoted in the Comptroller & Auditor General's Memo of 25/4/2006 and those as per the office records of the AG(A&E) Meghalaya, Arunachal Pradesh and Mizoram. After protracted correspondence this issue was sorted out and thereafter Circular No. 3307 dated 12/7/2006 (Annexure-'L') asking Group 'C' and 'D' staff of the office of the AG (A&E) Meghalaya, Arunachal Pradesh and Mizoram at Shillong to submit their option for permanent allocation/ choice of deputation to the Meghalaya, Arunachal Pradesh and Mizoram offices was issued.

The applicants grievance is that the Circular dated 12/7/2006 did not include the staff of Accountant General (A&E) Assam. The Respondents would like to point out that the separation of the Group 'C' and 'D' staff between Shillong and Guwahati offices on the basis of the options received from the staff in response to Circular No. AGM/CADESP/9-2004/1 dated 24/9/2004 had already been effected from 1/12/2005 through the issue of Establishment Order No. 261 dated 25/11/2005, No. 262 dated 25/11/2005 and No. 53 dated 9/6/2006. Since the Group 'C' and 'D' staff of AG(A&E) Assam were no longer after 1/12/2005 under the cadre control of the Shillong office, they cannot be covered under the Circular dated 12/7/2006.

As regards the statement of the applicants that the original circular of 24/9/2004 envisaged separation of four States, the Respondents submit that this could not have been done as the staff strength of the Arunachal Pradesh and Mizoram

8
104

offices as also the reorganized Meghalaya office was not then known. The Respondents further submit that even if this position was known and the separation had taken place simultaneously for all four offices, the final result would have still been the same. As can be seen from Table-1 of this submission, Assam office is a deficit office as 539 and 55 Group 'C' and 'D' staff had opted for that office against a requirement of 588 and 64 Group 'C' and 'D' (Table- 3.) staff in that office. Thus simply going by the numbers, all employees who had opted for Assam would have been accommodated in that office. The problem lies with the employees who have permanently opted for the office of the AG (A&E) Meghalaya. The Comptroller & Auditor General's Memo No. 1686 BRS/72-2005 dated 25/4/2006 communicating the manpower strength of the reorganized Meghalaya office and the two new offices of Mizoram and Arunachal Pradesh directed that Group 'C' and 'D' posts in each office of these three offices should be manned to the extent of persons-in-position as below:

Table-4

	AG(A&E) Meghalaya	AG(A&E) Mizoram	AG(A&E) Arunachal Pradesh
Group 'C'	173	60	78
Group 'D'	28	11	9

Thus, against a requirement of 173 and 28 Group 'C' and 'D' staff (Table-4 above) for Meghalaya office, there were as many as 342 and 56 Group 'C' and 'D' staff who had permanently opted for the office. On the other hand there were no permanent optees either for Arunachal Pradesh or Mizoram offices. The situation would therefore, have still been that all optees for Assam office would have got their choice; the optees from the surplus Meghalaya office only would have in any case been sent on deputation to Assam, Arunachal and Mizoram offices which are deficit offices. Since the principle of seniority is the cornerstone of the cadre separation, the junior-most in the Group 'C' (some of whom are applicants of this OA) and 'D' cadres who had permanently opted for Meghalaya office would again have in any case been sent to the other three offices

Table-2 of this submission gives the number of staff who had indicated their choice of office for deputation. Deputations to Meghalaya office is ruled out given that it is a surplus office. Not all the persons who had indicated their choice for deputation as Assam office could have been accommodated in that office. The persons who cannot be accommodated (inevitably, all who had permanently opted for Meghalaya office), would unavoidably have to be sent on deputation to Arunachal Pradesh or Mizoram office. These persons would also have in any case

9 -

105

been the juniormost in the Group 'C' cadre which would have included the applicants of this OA.

The Respondents reiterate that the notion of "sanctioned strength" is now irrelevant and for the purposes of manpower planning/allocation, the principle of 'persons-in-position' is now in vogue in the Department.

Further, the applicants contention that the increase or decrease in persons-in-position after the submission of the options has not been circulated to make room/scope for favouritism is totally denied. Para 4 of the Office Circular No. 3307 dated 13/7/2006 makes it clear that surplus optees posted on deputation to surplus offices "*shall be permanently posted to the office of their choice on the basis of their seniority on availability of subsequent vacancies against the person-in-position in that office*". Information about vacancies in an office is not classified information and any interested person can obtain this information.

8. That with regard to the statement made in paragraph 4.10 the Respondents submit that the scheme for separation as circulated vide Office Circular No. 3307 dated 13/7/2006 is detailed and covers all points/issues on the subject so as to obviate any confusion which the Group 'C' and 'D' staff may have on the subject.
9. That with regard to the statement made in paragraph 4.11 the Respondents submit that the term "sanctioned strength" has no relevance in the present context in view of the fact that the Department has taken a conscious decision not to go in for fresh recruitment. Instead the concept of "person-in-position" has been adopted and it is on this basis that the Comptroller & Auditor General has decided on the separation of the Meghalaya, Arunachal Pradesh and Mizoram offices. Hence this term has been used in the Office Circular No. 3307 dated 12/7/2006.

The Respondents submit that the idea of short term rotation of staff between the three offices is acceptable, but on the condition that **all** the Group 'C' staff are amenable to this idea. This was also conveyed in writing to the Accounts (Category III) Association in writing vide letter No. Estt-I/Rept/Inter AG Trans/2006-07/5178 dated 2.11.2006 (Annexure 'M'). The fact is that the majority of Group 'C' staff are being permanently accommodated in the office of their choice, i.e., Meghalaya (Shillong) and therefore, have chosen to remain silent on this issue. The discontent is amongst those Group 'C' staff who cannot be immediately accommodated and therefore have to be sent on deputation to either Mizoram or Arunachal Pradesh offices, some of whom being aggrieved by this situation, have filed this application before the Hon'ble Tribunal.

The issue of Circular No. 3318 dated 14/7/2006 which was in continuation of Circular No. 3307 dated 12/7/2006 was necessitated to clarify the breakup of the

10
106

various posts in the Group 'D' cadre in the three offices which was earlier inadvertently overlooked.

10. That with regard to the statement made in paragraph 4.12 the Respondents have no comments to offer this being a statement of fact.
11. That with regard to the statement made in paragraph 4.13 the Respondents again assert that the idea of "sanctioned strength" and permanent allocation/deputation of Group 'C' and 'D' staff to the three offices have been made on the basis of "persons-in-position". The policy for the allocation/deputation has been clearly spelt out in details in as many as 11 paragraphs of the Office Circular No. 3307 dated 12/7/2006 so as not to leave any scope for ambiguity or misunderstanding. As submitted earlier, the appointment letters of all Group 'C' and 'D' staff clearly stipulate that the appointed officials are liable to be transferred to any office of the Department which the Comptroller & Auditor General may in future set up in the North East Region. As such, the Comptroller & Auditor General could have straightaway posted officials to the newly created Arunachal Pradesh and Mizoram offices. The fact is that he consciously chose to balance the obligation of his responsibilities to these States with a humane approach by considering the inconvenience that may be caused to the staff and therefore allowing them to exercise their choice of permanent allocation/deputation to a particular office of their choice and to compensate an employee for the period the employee is posted to another office, not being his/her office of choice.
The "deputations" arising in this situation is not a "deputation" in the normal sense of the term. Since all employees on creation/reorganization of the offices cannot be immediately straightaway accommodated in the office of his/her choice, the staff from the surplus offices will have to man positions in the deficit offices they are being 'deputed' to as dictated by the work. Therefore, these not being strictly 'deputations' as normally understood, the question of "consent" for deputation as argued by the applicants does not hold water.
With regard to the statement of the applicants that the fate of the options exercised under Circular dated 24/9/2004 has not been disclosed, the Respondents submit that the position of these options is as indicated in Tables 1 and 2 of this submission. The disclosure of these options is immaterial with regard to the final result as already humbly submitted earlier. The fact of the matter is that even if the Respondents had separated the Group 'C' and 'D' cadres for Assam, Meghalaya, Mizoram and Arunachal based on the options received under Circular dated 24/9/2004, the employees who have been presently permanently accommodated in Assam and Meghalaya offices would still have been accommodated in these two offices; the remaining persons who have permanently

opted for Meghalaya office (the only 'surplus' amongst the four) would still have to be deputed to the 'deficit' Assam, Mizoram and Arunachal offices. This assignments again in any case would have fallen on the juniormost Group 'C' staff as the cadre separation and allocation of choice of permanent/deputation offices is based on an immutable constant viz., the seniority of the person in the cadre.

The Respondents further submit that delinking of the Assam office from the cadre separation exercise for Meghalaya, Arunachal Pradesh and Mizoram offices is in fact to the advantage of the concerned employees. The cadre separation for Meghalaya, Arunachal Pradesh and Mizoram offices was carried based on the options submitted by the Group 'C' and 'D' staff of the office of the AG(A&E) Meghalaya, Arunachal Pradesh and Mizoram, Shillong in response to Office Circular No. 3307 dated 12/7/2006. The separation of the cadres for these three offices could still have been done on the basis of the options received under Office Circular dated 24/9/2006. That this was not resorted to was a measured decision intended to benefit the staff. In the options exercised under Circular dated 24/9/2004 practically cent per cent staff had opted for deputation only for Assam or Meghalaya offices (see Table-2). Deputation to the first would have been possible for a very small number while deputation to the second is an impossibility. Thus for the many who would have to be assigned to Arunachal Pradesh and Mizoram offices, the options called for under Circular No. 3307 dated 12/7/2006 offers them a further opportunity of making informed choices for permanent/deputation office after weighing the pros and cons of their individual circumstances in terms of professional and personal requirements.

12. That with regard to the statement made in paragraphs 4.14 and 4.15 the Respondents have no comments to offer this being a statement of fact.
13. That with regard to the statement made in paragraphs 4.16 and 4.17 the Respondents maintain that not simultaneously separating the cadres for the four States has not altered the final result in any way than if this had been done simultaneously. The outcome for the employees including the applicants would have still been the same. Rather, the options exercised under Circular No. 3307 dated 12/7/2006 by those junior employees who in any case would have to be deputed to the deficit offices have given these employees a measure of further flexibility in their choices. The principle of seniority being the bedrock of the cadre separation, there is simply no scope for favoritism or arbitrariness in this matter as alleged by the applicants.

12

108

14. That with regard to the statements made in paragraphs 5.1 and 5.2 the Respondents submit that separating the cadres between Guwahati and Shillong based on the options called for under Circular dated 24/9/2004 and thereafter separating the cadres in Shillong between the Meghalaya, Arunachal Pradesh and Mizoram based on the options called under Circular dated 12/7/2006 has not led to a different result than what would have been obtained if the cadre separation for all four States had been affected based on the options called for under Circular dated 24/9/2004 and in fact, the options called under Circular dated 12/7/2006 was in interest of the staff. The Respondents are even at this stage willing to carry out the cadre separation for Assam, Meghalaya, Arunachal Pradesh and Mizoram offices based on the options called for under Circular dated 24/9/2004 if this is the angst of the applicants.

15. That with regard to the statements made in paragraphs 5.3, 5.4, 5.5, 5.6, 5.7 and 5.8 the Respondents submit that it is well settled in law that the formulation of a policy is a function of the Government and cannot be interfered with by the Tribunal unless there is arbitrariness. It is within the competence of the executive to change a policy, re-change it, adjust it and readjust it according to the compulsions and requirements of the circumstances. Consequent upon the decision to separate the Group 'C' and 'D' cadres between the Shillong and Guwahati offices and the newly created offices at Arunachal Pradesh and Mizoram, the persons-in-position have been allocated/deputed to the four offices with respect to their seniority and option with all impartiality and fairness. As such there is no merit in the application and hence the application is liable to be dismissed. The Respondents also beg to submit that the facts and circumstances of the present application are very different from the issues which have been raised in O.A. Nos.155/2006, 125/2006, 156/2006, 267/2006, 143/2006, 115/2006, 203/2006, 204/2006, 281/2006 and 273/2006 (cited by the applicants in this instant application) and therefore, this case should be independently heard by the Hon'ble Tribunal on its own merits.

The General Secretary,
Accounts (Category III) Association,
O/o the Accountant General (A&E), Meghalaya etc., Shillong

Sub: Creation of New officers of AG (A&E), Arunachal Pradesh, Itanagar and AG (A&E), Mizoram, Aizawl – consequent transfer of Gr. 'C' and "D' staff.

With reference to the Accounts Association's (Category III) letter No. ACC/Cate III/2005-2006/25 dated 2.8.2006 addressed to the Comptroller & Auditor General of India on the subject cited above, I am directed to convey herewith the Headquarters' Office reply received vide letter No. 271-NGE(JCM)/11-2006(III) dated 30.10.2006 on the points raised by the Association as under :

	Comments
1.(a)Whether the period of deputation will be for a specific duration and also, if so, what would be the tenure of deputation?	Para 4 of Circular dated 12 July 2006 issued by the office of the Accountant General (A&E), Meghalaya under which all Group 'C' and 'D' staff were asked to submit their option for permanent allocation to the Meghalaya, Arunachal Pradesh or Mizoram offices makes it clear that surplus optees of a particular office will be posted on deputation to the deficit offices and " <i>these persons shall be permanently posted to the office of their choice on the basis of their seniority on availability of subsequent vacancies against the person-in-position strength in that office.</i> "
(b) Whether the officials transferred to the offices of A.G (A&E),A.P. Itanagar & A.G.(A&E),Mizoram, Aizawl will be brought back to the office of their choice after expiry of the deputation period, irrespective of vacancy position in the office of their choice.	This being the case, it is clear that deputation will not be for a specific duration. The deputationists will have to continue in the office they are sent to till they are repatriated to their permanent office in the manner stated above. The period/tenure of deputation would thus differ from person to person.
(c).Some members desire, that the transfer be made on Tour/Rotational basis, may kindly be implemented.	The Circular makes clear that the deputationists will be permanently brought back to the office of their choice only on availability of subsequent vacancies in that office. The demand of Association to post the surplus staff on rotation basis can be considered only if all the staff members are agreeable for posting to the deficit offices on rotation basis.

52

<p>2 (a) Whether, staff members who will be transferred to Arunachal Pradesh, Itanagar and Mizoram, Aizawl would be provided with individual quarter in a habitable and secured area with all basic amenities?</p>	
<p>(b).Further, the staff quarters should be provided adjacent to the office. Unless, the staff quarters are provided, transfer to the new offices may be kept in abeyance for the time being and functioning of the two offices may continue in Shillong. It is also requested that the staff side should be taken into confidence before selecting the sites of staff quarters.</p>	<p>Reply/Comments on these points will follow separately from HQrs.</p>
<p>3.Further, as per the terms & conditions of the Circular issued by the Administration vide Circular No.3307 dtd.12.07.2006 It appears that the junior Gr.'D', C/Ts & Accountants would be the worst sufferers as most of them would have to serve on deputation in the offices of A.G(A&E), A.P, Itanagar & Mizoram, Aizawl for a very long period of time or for their entire service period as it appears from the Gradation List and also they will be deprived of their promotion till they are repatriated to their original office of choice. The officials may be brought back to their office of choice after completion of their normal deputation period and the subsequent vacancies arising on the new offices may be filled up by new recruitment. In this regard, Administration is requested to find ways and means so that staff can be brought back to their office of choice immediately after completion of their normal tenure of deputation.</p>	<p>This point is covered in comments pertaining to Point 1(a) and (c) above.</p> <p>As far as promotions are concerned, para 8 of this office Circular dated 12th July 2006 (Appendix-I) makes it clear that "<i>no further promotion will be made in the surplus office(s) till all officials on deputation are repatriated back to the office(s) they have opted for on permanent allocation</i>".</p>

<p>4. It may also be clarified, that C/Ts who are on deputation to the ex-cadre post as D.E.O on transfer to the new offices will continue to be entitled to draw the pay of D.E.O or they will be reverted to their original posts of C/T. and how their pay will be protected in that case?</p>	<p>The clerks working as DEOs may continue to hold the posts of DEOs even after their posting to the deficit offices.</p>
<p>5. Gr.'D' officials are the financially lowest paid category and they would further be subjected to suffer most, if they are transferred to the new offices. Hence, it is requested that our Gr. 'D' staff be exempted from the transfer and vacancy in the newly created offices may be filled up through direct recruitment and the surplus staff should be regularized by creating a Supernumerary post.</p>	<p>The Group 'D' officials who are in excess of the required strength of Shillong office are to be sent to the deficit offices and no exemption can be allowed to them.</p>
<p>6. The staff also impress upon the Administration that a great hardship would be caused to the members in respect of the education of their children due to the transfer. Therefore, it is requested, that no staff members should be transferred during the mid-session of the education of their children. It may also be mentioned that deserving children of the members may require a P.R.C for admission of their children to Higher & Technical education through State Govt. quota and would lose their claim for such a quota, as getting a P.R.C, a continuous stay at a particular place for 12 years is required. But, continuous stay for 12 years may not be completed for many members at Shillong due to their transfer to Arunachal Pradesh & Mizoram from Shillong and as a result their children might be deprived of getting P.R.C. from the Govt. of Meghalaya. In this</p>	<p>The Permanent Resident Certificate (PRC) is given to a "permanent resident" of a State. Thus, a person is eligible for a PRC as long as he/she is a permanent resident of Meghalaya irrespective of the fact that whether that person is working in Meghalaya or not.</p>

... may be made
Meghalaya so that
granted to the Children
of the staff who are transferred to
Arunachal Pradesh & Mizoram.

<p>7. The staff also expressed that, at the time of separation between Assam Office and Meghalaya office, staff strength and persons in position was not reflected in the Circular letter. As a result, some members who would have opted for the Office of A.G (A&E), Assam, Guwahati permanently, could not avail the opportunity for opting for their cadre in the office of the A.G (A&E), Assam, Guwahati and have been deprived of natural justice. Hence, their personal representations may kindly be considered and they may be given the opportunity to opt for their cadre in the Office of A.G (A&E), Assam, Guwahati/or they may be allowed to be transferred permanently there. A good number of members of the staff of this office are still on deputation now with the O/o the A.G(A&E), Assam, Guwahati and some of them have been transferred twice to that office. In this regard, how they will be treated on their repatriation to this office, as they are still the junior most?</p>	<p>The cadres between Assam and Meghalaya offices have already been separated. This issue cannot be reopened.</p>
<p>8. The Association urges upon the Administration, that, representation for retention in the original office of choice by the members on genuine grounds may also be given due consideration when transfer on deputation is ordered.</p>	<p>No exemption should be allowed in any individual case without approval of Headquarters' Office.</p>

Yours faithfully,

 Deputy Accountant General (A)
