Contd.  
18.01.2007

Heard Mr. K. Bhattcharjee, learned counsel for the Applicant and Mr. G. Baishya, learned Sr.C.G.S.C. for the Respondents.

The larger issue involved in this case is as to whether an employee can be entrusted with the duties other than the duties entrusted to him at the charter point. Counsel for the Respondents submits that notice should be issued and time may be granted to him for getting instruction. Let if Counsel for the Applicant, on the other hand, submits that Applicant is not challenging the transfer order but only the work entrusted to him as Dog Handler and hence he insisted for an interim order.

Considering that identical matters in O.A. No.269/2005 etc. I am of the view that this O.A. has to be admitted. Admit the O.A. Issue notice to the Respondents. Six weeks time is granted to the Respondents to file reply statement.

Post the matter on 02.03.2007. However, as an interim measure, the Respondents are directed to utilize the services of the Applicant other than as Dog Handler/sniffer dog trainee, if other posts are available in the present station.

O.A.114 of 2007	Shri Chandran Kumar Sarkar & Ors. Sr.Field Assistant(Medic)	The Respondents be ordered/ directed to cancel/ withdraw the impugned order dated 11.04.2007 (Annexure-2).	The order dated 11.4.07 refers to the approval of DG, SSB regarding redeployment of the different personnel of the organisation to Battalion of the concerned Commandants for all purposes.

It is alleged that the Applicants have been transferred from non combatised civilian posts to combatised posts in the battalions without obtaining their willingness for the same. Therefore, they have sought cancellation of the transfers/redeployment orders made purportedly as combatised personnel and have sought setting aside the transfer orders relating to their redeployment.

3. The Respondents have filed written statement stating that the role of the SSB from Civilian Organization (under the Cabinet Secretariat) has been changed to that of Border Guarding Force (BGF) to take care of the Indo- Nepal and Indo- Bhutan Boarder under the Ministry of Home Affairs of Govt. of India. As a Border Guarding Force combatised personnel of the SSB are being deployed with the Border and have been sanctioned with "dog squads" to take care of the sniffer

-16-

dogs of the force and para medical personnel to provide initial medical assistance/first aid to the personnel deployed on the border and other formations under their jurisdiction. The veterinary personnel were earlier also taking care of the dogs or the activities related to the training, rearing of pup/dogs at the training centre and to look after the health care, feeding, training, maintenance, handling operations of the Dog Squad. With the change of role of the force, the same personnel have been redeployed in the forward formations to do the same job without their being combatised. It has been clarified that combatisation of the civilians is possible only if they express willingness for the same. Similarly for the para medical cadre it has been stated that neither the nomenclature of the cadre of the Applicants was changed nor have they been deployed on combatised duties. They have been redeployed to assist the forward formations and as a result of this redeployment if they have to work under combatised officers that itself is not sufficient to make these Applicants combatised unless they express willingness for the same. The Applicants will serve upto 60 years of age like all other civilians and their redeployment will not have any effect on their civilian status. It has also been stated that Applicants have not exhausted remedies available to them within the organization and as such filing of these Original Applications is premature and hence not tenable. The Respondents have also prayed for vacation of the stay orders granted in some of the O.As.

4. M.P.No.71 of 2008 in O.A.No.114 of 2007 has been filed for vacation/cancellation of the interim order dated 09.5.2007.

-17-

5. In O.A.120/07 Respondents have issued instruction for not deploying lady SFA on the BOPs though the Applicant will continue to discharge duties as before. Therefore, there is no violation of rules and regulation governing the services of the Applicants.

6. Heard Dr J.L.Sarkar, learned counsel appearing for the Applicants of O.A.No.42/08, 58/08, 60/08 & 71/08 and Mr M.Chanda, learned counsel appearing for the Applicants in O.A.No.56/08. The learned counsel for the Applicants tried to make out a case that SSB has been declared as an armed force by an Act of Parliament in December 2007, therefore the Tribunal has no jurisdiction as the SSB stand combatised. However, the learned counsel stated that without obtaining any willingness from either cadre, they have been forced to work in the Border areas like combatised personnel. Therefore, direction should be issued to the Respondents to prepare a scheme with a view to give proper opportunity to the Applicants to give their willingness or otherwise for combatisation so that they are not victimized or deployed in combatised operation without their willingness.

7. Mr G.Baishya, learned Sr. Standing Counsel appearing in O.A.56/08 and Mr M.U.Ahmed, learned Addl. Standing counsel appearing for the Respondents in O.A.Nos.42/08, 58/08, 60/08 & 71/08 have argued that question of combatisation of Applicants without willingness does not arise. With the change of role of the SSB the expertise of the cadre of SFAs and para medical personnel have been utilized by the Respondents with a view to optimize the efficiency of the

-18-

force and to suit the new task assigned to them. The issue raised in these cases have earlier been adjudicated upon by the Tribunal in O.A.Nos. 116/05, 117/05, 174/05, 269/05, 275/05 and 31/06 which were dismissed on 21.03.2007. They have also stated that SSB Act 2007 has been enacted by the Parliament but under sub-section 2 of Section 1 it is stated that the Act will come into force on such date as the Central Government will notify. But no such notification has been placed before the Tribunal either by the learned counsel for the Applicants or by the learned Standing counsel appearing for the Respondents. Therefore, combatisation of the force has yet to be implemented. Since the Applicants have not exhausted the avenues available for redressal of their grievances within the department before filing of these O.As, the same are premature and should be dismissed.

8. Once the question of combatisation goes, then there remains a point relating to the posting of the Applicants at different centres; which amounts to transfer. Normally transfers cannot be challenged before the Tribunal as was held by Apex Court in S.C.Saxena vs. U.O.I & Ors. (reported in (2006) 9 SCC 586 para-6), that "a Government servant cannot disobey a transfer order by not reporting at the place of posting and then go to a court to ventilate his grievances" and that it is his duty to first report for work where he is transferred and make a representation as to what may be his personal problems and that the "tendency of not reporting at the place of posting and indulging in litigation needs to be curbed" In another decision, (State of U.P. & another vs. Siyaram and another, reported in (2004) 7

SCC 405) the Supreme Court held that "transfer is not only an incident of service, but a condition of service as well and is necessary in public interest and efficiency in public administration – No govt. servant or employee of a public undertaking has any legal right to be posted forever at any one particular place or place of his choice"

8. The facts narrated in the written statement, the apprehension of the Applicants regarding their combatisation is unfounded. Combatisation without express willingness is not possible and has been emphatically denied by the Respondents. The redeployment of Applicants services cannot be faulted with as it is a policy and administrative decision.

9. In the light of the foregoing discussions these Original Applications being devoid of merit are hereby dismissed. All stay/status quo orders passed in these cases also stand vacated. There will be no order as to costs.

#### V. GROUNDS

1. For that the applicant is a out and out a Civilian employee articulated as para – veterinary staff with definite role and Charter of duties formulated vide cabinet secretariat Notification No.A-12108/30/88 D.O. 1 dated 31.3.1989 for area side (Non Combatised) maintained by CCS Rules and as made in transfer order dated 5.10.05 to the Pup rearing centre Gorakhpur to undergo Pup Breeding is rearing Course is bad in law.

2. For that the additional duty as assigned to the veterinary wing to take care, management and training of dog squad to be raised by the Force is outside the ambit of original role and Charter meant for SFA(Vet) staff. The respondent ought to have considered the total

Jayanila Hezarcika -

*This point  
is no more  
res-integrat??*

charge of nature of duties from a Civilian staff to hard para-military staff which is otherwise adverse to the service conditions and thereby violated the principle of natural justice which is the basic requirement of administrative law.

Answered?

3. For that, the order dated 5.10.05 is only meant for transferring the applicant at any cost to the pup rearing centre Gorakhpur to fulfill the intention of the Memorandum dated 3.9.04 as such liable to be set aside.

4. For that, the order dated 5.11.05 is a cryptic one and under threat and pressure the authority have indulged in engaging the SFA(Vet) staff in Dog squad whereas the Ministry of MHA have already taken decision to let the veterinary staff declared surplus and to fill up the vacancies recruitment be made by combatised personal and as such the whimsical activity of the respondent is totally against the public policy and is liable to be set aside.

5. For that, with the transformation of SSB in to a CPM Force and with new objective of the force and an sanction of the Dog squad for SSB Battalion new recruitment ought to have been made to fulfil the need without forcing the Civilian staff to undergo such training and utilizing them against the combatised post.

6. For that the applicant by filling representation have expressed his unwillingness to work as Dog handler since he is transferred with the post but the authority, after completion of training, have categorically declared that the SFA(Vet) are being selected to perform the duty of Dog handling to be raised by the Force and ultimately assigned fresh Charter of duties giving a total go bye to the Indian veterinary Council Act and the Notification of original misuse of power which cannot be sustained in law.

Jayanta Hazarika

7. For that by the issuance of the fresh charter of duties the authority have imposed the duties of combatised personal upon the para -veterinary staff which is beyond the jurisdiction for , the executive instruction can not avoid the statute and the way the authority tried to change the duties is also whimsical and cryptic and such liable to b discarded and set aside.

8. For that the function of the dog squad is totally separate from the function of the veterinary cadre. The intending trainee are also required to be para-veterinary staff. Moreover, the training and duties are alien thing for a civilian staff under such circumstances the mode of transfer and training of the Veterinary staff to utilize them for dog squad is totally illegal and against the serviced condition and liable to be set aside.

9. For that in no circumstance the service of SFA(V) can be utilized to rear / valet pups, dog etc which not a professional job of senior Filed Assistant (V) as per charter of duties . The intention of the authority to introduce Dog squad is a new one and as such it can not be claimed by the depptt. Of SSB that the SFA(V) are competent and well trained vety assistant to handle the job and for this purpose SSB Battalion personnel should be given training to rear pup and maintain Dog squad.

10. For that, the requirement of service of SFA(Vet) in SSB Battalion is a unservable but for that reason the Civilian staff cannot be spared with the combatised job to be raised by the force. The activity of the respondent authority in informingly the role and charter of two different wings is not tenable in law and liable to be judicially reviewed.

11. That the applicant may be permitted to urge other grounds at the time of hearing.

Jeyanthi Hegareiker

## VI. DETAILS OF REMEDIES EXHAUSTED

That the applicant declare that he made representation against the proposal of selection but the authority rejected the same and further circulated that any unwillingness will be treated as indiscipline and misconduct as such he could not prefer any further appeal but to approach this tribunal for there is no other alternative or equally efficacious remedy except to approach this Hon'ble Tribunal.

## VII. MATTER NOR PREVIOUSLY FILED OR PENDING WITH ANY OTHER COURT

The applicant declare that he has not filed any writ petition a original application before any other Court or any bench.

## VIII. RELEIF SOUGHT

 For the reason stated above the applicant hereby prays that, this Hon'ble Tribunal may be pleased to call for the records pertaining to assigning of new / additional duties dated 7.3.06 meant for dog hunter pursuant to the order of transfer dated 5.10.05 with post authority have changed the nature of duties and change of Cadre from a Civil Post to a Combatised post and consequently to ensure that the applicant may not be pressurized to perform any duty as per new assignment dated 7.8.06 since he is transferred with post and also to declare that the fresh assignment of Charter of duties instead of original role and charter approved by the Indian Veterinary Counsel Act is illegal and void.

## IX. INTERIM ORDER IF ANY SOUGHT FOR

Pending finalization of the O.A the applicant herein prays that this Hon'ble Tribunal may be pleased to direct the respondent not to give further effect to the fresh assignment of Charter of duties dated

*Jyanti Hazareika.*

7.8.06 and to allow the applicant to perform the duty as per original role and charter (Annexure- ) in attachment with the SSB Battalion squad ensuring that the his service will not be utilized as Dog Handler/ sniffer dog trainee and such other or further orders as it deem fit and proper.

The following guidelines may also be strictly followed while rationalizing the revised command structure:

- i) As a result of rationalisation, some posts of IG and DIG will become surplus in SSB. Such excess posts which are vacant at present should not be filled in and those which are occupied, should be surrendered as and when the present incumbent relinquishes office.
  - ii) One post of IG and two posts of DIG approved for Indo Bhutan Border, subject to the force being assigned the task of guarding the Indo Bhutan Border by the Govt.
  - iii) The number of officers at the level of Commandant and below, also, will be rationalised keeping in view the command structure of the CPM and staff requirements. Any excess in these levels will be phased out as and when the incumbents vacate such posts.
  - iv) All the civilian cadres in the Force is declared as dying cadre. No recruitment will be made in the Force against any civilian post(s) in any cadre. The civilian cadres will be phased out in due course of time as and when the present incumbents vacate such posts and the vacancies in these cadres will be filled in by the combatised personnel at the initial recruitment levels.
  - v) The existing practice of promotion from the Area Organisers to the rank of DIG will continue in the Force, however, the ratio among the Area Organisers and Commandants to be promoted to the grade of DIG will be 2:3.
  - vi) 40% of posts in the rank of DIG should be reserved for IPS and the remaining 60% for the cadre officers. This will amount to 8 posts of DIG for the IPS and 11 from the SSB cadre (both combatised and Area). A roster for SSB cadre should be maintained for maintaining 2:3 ratio between Area Organisers and Commandants at DIG level.
  - vii) At the level of IG, 66.7% should be reserved for IPS and the remaining for the cadre officers i.e. 5 posts out of 8 should be reserved for the IPS and 3 for those who have been promoted to the rank of DIG from the two streams of the cadre i.e. combatised and the civilian.
  - viii) SSB will conduct an exercise to work out the future recruitment plans in such a way, that, as and when the vacancies arise among the Civilian posts because of superannuation, resignation or otherwise the same must be filled in on the combatised side, in such a way and on such a rank so that in a stipulated time frame, the Force would get the requisite number of personnel of different rank and grades to man the sanctioned posts for 25 Battalions of the Force.
3. SSB is requested to restructure the existing command structure on the basis of above guidelines and intimate compliance to this Ministry in a time bound manner.
4. This issues with the approval of Home Secretary.

Yours faithfully,

MEMORANDUM

In the changed role of SSB as a Border Guarding Force under MHA and on sanction of the Dog Squads for SSB Bns, additional duties have been assigned to the Veterinary wing, to perform duties of taking care, management & training of dogs being raised for operational Border Guarding duties. To utilize the services of SFA (Vet) whose number is large in the para veterinary cadre and to prevent the said cadre from being declared surplus, a considerate view keeping the welfare aspects, was taken that services of those SFA (Vet) who are medically fit may be utilized to perform the dog handler's duties i.e. care, management and training of dog squads to be raised by the Force.

Keeping this in view, SFA (Vet) are being selected to perform above mentioned duties. However, during recent visit of the undersigned to the NTCD, Tekanpur, it was observed that some of the SFA (Vet) of 2<sup>nd</sup> Batch were found to be unwilling to perform assigned duties with the required zeal. Such negative attitude on the part of the SFA (Vet) is not congenial for the pups under going training and if trained under such conditions the dogs may not be able to deliver the required result in the field. Director General, SSB has viewed this seriously and has instructed to take stern disciplinary action against those SFA (Vet) who refuse to take up assigned duty properly.

It is therefore, ordered to inform all 18 SFA (Vet) of 2<sup>nd</sup> batch undergoing training at NTCD Tekanpur to take the training seriously and extend proper care to the pups allotted to them so as to facilitate the pups to learn the trade properly. Strict disciplinary action will be initiated against those SFA (Vet) whose dogs are not trained properly in the concerned trade and the same will be treated as dereliction of duty and acts subversive of discipline.

This issues with the approval of D.G., SSB.

Subject :- Regarding Representation Ventilating about Grievances for the duties of Dog handler assigned to SFA ( Veterinary ).

Sir,

Most respectfully, I beg to state that sir,

1. I was Directly recruited as Senior Field Assistant ( Veterinary ) on 4-4-1992 ----- vide SSB Directorate order NO 6/SSB/A2/91(6)/4739 dated 23.12.1991 ----- in the civil establishment or SSB under C.C.S. recruitment Rules .
2. As per instruction of the principal of Dog handling Trg. Academy Takenpur it is clear mentioned that AN UNWILLING PERSONS CAN NOT BE A GOOD DOG HANDLER AS SUCH ONLY WILLING PERSONS ARE TO BE SENT FOR THE SAID TRAINING . An individual selected to training and handle Dogs must have a genuine love and interest in dogs . The dog and handler should feel generally attached to each other but unwilling person can not give such friendly attitude towards dogs .
3. It has also been mentioned in the said order that personnel of BSF ( more than 40 years age ) are performing the duties of dog handler . But there is striking difference between performing duties at the age of 40 year and undergoing initial training ( which involves physical exercises ) at the age of 40 or more .
4. Veterinary staff will have to perform operational duties along with Battalion personnel in view of the changed role of the organization . But the nature of changed duties of expected from veterinary staff has neither been intimated nor option to this regard has been sought .
5. The said training is a Basic Military training with Pups / Dog and is meant for combatised personnel as such has no relation with Veterinary duties , which is limited to medication part .
6. It is pertinent to mention here the during the said training are being forced to wear uniforms ( meant for combatised personnel ) the applicant are civilian personnel .
7. It is clarified by the Ministry of Agriculture Department of Animal and Dairying , Krishi Bhawan , New Delhi vide Shri A.B.Negi Assistant Commissioner ( LH ) letter NO- 53-71/38-LTD (LH) dated 17.03.1993, that Indian Veterinary Council Act does not provide any right to a person other than the register Veterinary practitioner to hold Office as Veterinary physician or Surgeon and practice Veterinary Medicines in any state . However , minor Veterinary service in terms of rendering of preliminary Veterinary Aid , like Vaccination , Castration , dressing of wounds and such other types of preliminary aid or the Treatment of such ailments can be undertaken by order by a person holding a Diploma or Certificate

of Veterinary supervisor, stock-man of stock Assistants under the supervision and direction of a registered practitioner.

Para Veterinary staff holding above mentioned Diploma Certificate to under take minor Veterinary service under the supervision and of a registered Veterinary practitioner.

The above per clarifying the position that SFAs (Vet) are holding Diploma / Certificate of Sock Assistant are only entitled for Treating of sick livestock and will assist to Veterinary Doctors during his day to day working. It is also clear understood that DUTIES OF DOG HANDLER ARE NOT MEANT FOR SENIOR FIELD ASSISTANTS (VETERINARY).

8. (i) It is also mentioned here that Senior Field Assistant ( Veterinary ) has undergone the following Technical training /courses in the Govt. Institution. If the services of Senior Field Assistants ( Vet. ) will be utilized as DOG HANDLER in the near future than it is very much clear that the service of Technical employees are being mis-utilized.
- (i) Veterinary stock Assistant.
  - (ii) Veterinary orientation course on integrated livestock and Poultry Development after every three year.
  - (iii) So many workshops on Veterinary subject.
9. As per the Parliament of India Rajya Sabha (98 ) Department , Related Parliamentary Standing Committee on Home Affairs in Ninety Eighteenth reports on the demands for grants ( 2003-04 ) of Ministry of Home Affairs ( Presented to Rajaya Sabha on 08-04-03 ) ( Laid on the table of Lok Sabha on 08.04.03 ) at Rajaya Shbha Secretariat New Delhi it has been clearly decided that the transformation of SSB in to a CPMF has put A BIG QUESTION MARK ON THE FOCUS AND CAREER GROWTH OF ITS CIVILIAN STAFF WHO WERE HITHER TO PERFORMING THE DUTIES AS PER ITS ORIGINAL ROLE AND CHARTER . Since the new objective of the force is primarily to guard INDO-NEPAL border the focus will now be entirely shifted in the combatised component of its personal . This can be substantiated with the help of decision taken by MHA that from now on there will be no more recruitment in the civilian cadre . It has also been decided that vacancies civilian cadres will be filled by combatised personal . Evidently , the non-combatised or civilian wing of SSB has now been completely orphaned . As per the new scheme of things , the civilian wing will be allowed to did its natural death .
- 47.3 In view of the above; the committee recommended that the Govt. should look in to the problem of civilian cadre of SSB (Photocopy Enclosed)
10. But till date no request has been heard considered and civilian para Veterinary staff i.e. SFAs (Vet. ) are forced to undergo the Basic Military Course of Dog handler , which is only meant for Battalion personal in other CPMF of India ,under MHA.
11. I have joined in the SSB Department in civilians establishment where as part of Dog handler is Battalion / combatised establishment .

12. In CCS Rule , civilian staff is not authorized to attend P.T. Parade and wear uniform but they are forced to attend P.T. parade and wear uniform.
13. The duty hours of SFAs (V) being civilian 9.00 am to 5 pm . But the duties hours of dog handlers as per schedule 6 am to 19.25 pm.
14. Here is documentary proof that in Delhi Police there is Special post of Constable Dog handler in the Pay scale of Rs. 3050-75-3950-4590 but these SFAs (V) have been compared with this junior post and uniform patron post ( Combataised . these SFAs (V) are appointed in the Pay scale of Rs. 3200-85-4900 and presently getting ACP scale of Rs. 4000-100-6000/= which is higher post than Constable Dog handler .
15. As per terms and conditions of BSF Academy Takenpur Gwalior willing candidates will be sponsored for Dog handler Training . Then why the SFAs (V) who are not willing have been sponsored for the Dog handler Training .
16. Recruitment Rule or para Veterinary staff was made vide Notification of Cab. Sectt. order dated 19.01.2000 circulated vide SSB Dte . memo no 1/23/SSB/CBC/Area/98-68-80 dated 16.02.2000 and other grievances as per writ petition.
17. It has been clearly clarified by the Ministry of Home Affairs that civilian posts can not be compared with combatise posts vide MHA order NO.11.27014/16/99-PF -IV (C) dated 20.08.2005 in para -7 . Hence it is requested that duties of combatise personal may not be assigned to SFA(V) .

been opened all along the Indo-Nepal and Indo-Bhutan Border where their services are to be utilized to optimum in National Interest. At present the Veterinary Cadre is most suited to carry out the present task. The issue of seeking options is not at all relevant here, as there is no change in the cadre, pay and status of the petitioner. They are still SFAs and will be SFAs. Performing of duties with the Combatized staff is not a new phenomena as prior to change in the role of the Force also the petitioner were performing duties alongwith the combatized wing only and initially they were also Combatized personnel.

- iv. The rearing and Dog handling training is being imparted to the Veterinary Cadre as SSB has a professionally trained Veterinary Cadre and as on date this is the only cadre which is most suited and abreast to carry on with the Veterinary needs of the Force.
- v. The wearing of uniform is not a new phenomena in SSB whenever civilian staff personnel are detailed to undergo uniformed courses they wear uniform with aim to emulate discipline and parity among the Force. Moreover, the uniform is worn only during the period of training. However, in cases where civilian personnel go on deputation to Combatized posts, they regularly wear uniform as per the practice in vogue for their specific period of deputation.
- vi. The reference made by the officials relate to Veterinary Council Act which is a guideline for a person who is authorized to undertake Veterinary treatment/Veterinary aid. As such their claim that the Dog Handler duty i.e. rearing, management, caring and training of dogs are not part of their duty is incorrect as Veterinary doctors in SSB have also been assigned similar duties in the new role of SSB and performing the same. Thus, Para Veterinary staff have also to assist Veterinary doctors in aforementioned work.

Contd....3....

- vii. The officials have themselves made it clear that they are veterinary trained personnel. As SSB has a professionally trained Para Veterinary Staff. This is the cadre most suited to train and rear pups which is a part and parcel of a Veterinary job. This has been necessitated as SSB has been sanctioned Dog Squads for proper manning of the Borders.
- viii. Despite the declaration of the civilian cadre as a dying cadre, the incumbents in place have to perform duties assigned by the Government. The civilian cadre cannot take this plea to stay Idle and have to work.
- ix. The presumption of the applicants that dog handling course is basically military course which is meant for Bn. personnel is not correct. SSB is undertaking Border Guarding Duties on Indo-Nepal and Indo-Bhutan Borders and all combatised and non-combatised staff are performing assigned duties. Their further plea that in all other Para-Military Forces the job of Dog Handling is done by Combatised personnel also does not hold good. In other CPMFs there is no professionally trained Veterinary Staff which is available in SSB. Hence the Veterinary cadre which is most suitable for raising of Dog Squad, has been assigned the said work for which Veterinary doctors and Para-Veterinary staff are being imparted necessary training by the Force in National Interest. Neither status of the post nor the pay of the post is changed and SFA (Vety) are kept in same status as was earlier. Department is utilizing their services properly in the interest of the nation for the veterinary related job.
- x. The plea of the petitioners that PT, Parade wearing uniform is not necessary for Civilian staff is partially wrong. All civilians who are posted in TC's/Bns regularly attending PT, Parade and wear uniform for maintaining discipline and parity.
- xi. There is no post of Constable (Dog Handler) in SSB. Moreover, comparison with Delhi Police is not required in the instant case. Delhi Police have their own requirements and have their own Rules whereas SSB has a professionally trained Veterinary Cadre and this cadre is the most suited for undertaking assigned duties.

- xii. If the petitioners are not willing to undertake Dog handling duties, this will be treated as indiscipline and misconduct for which appropriate Disciplinary Action can be taken. Moreover, the petitioners are advised to abide by the Government orders and undertake training and duties as given which are in National Interest and Security of the Nation and also in the overall interest of the Veterinary Cadre.

The applicants were Combatised personnel prior to their appointment as SFA (Vety.) on transfer basis. Therefore being the members of the disciplined Force, they are advised to abide by lawful orders and devote their time in duty.

3. In view of the above, the representations are accordingly disposed off being devoid of merit. The officials concerned may please be informed suitably.

**O.A. NO. 12 OF 2007**

Jayanta Hazarika

..... **Applicant**

Union of India and others

..... **Respondents**

The written statement on behalf of the

Respondents above named -

**WRITTEN STATEMENT OF THE RESPONDENTS**

**MOST RESPECTFULLY SHEWETH:**

1. That before giving the reply to the instant OA, the respondents herewith furnish brief background history of the case for perusal and consumption of the Hon'ble Court.

It is stated that after the administrative control of the organisation was shifted from Cabinet Secretariat to Ministry of Home Affairs w.e.f. 15/01/2001, the role of the organisation has changed and it has now been assigned the mandate to guard Indo-

Nepal Border and Indo-Bhutan Border as Border Guarding Force (BGF). With the change of role of the organisation from that of a 'Stay Behind Role' to that of a Border Guarding Force, the old areas of operation have been closed and new offices/battalions have been opened/deployed all along the Indo Nepal Border and Indo-Bhutan Border. For performance of the Border guarding duties, the Ministry of Home Affairs had sanctioned Dog Squad for each Battalion. Since the Department had a professionally trained veterinary cadre (i.e., the cadre to which applicant belongs), the initial work of rearing of Pups was assigned to the Senior Field Assistant (Veterinary) who were competent and were further trained to handle this job, As per the operational requirements, in national interest and for the security of the nation, it is veterinary staff only who will have to cater to the Veterinary needs of the department. Accordingly SFAs(V) were withdrawn and attached temporarily with newly created Pup Rearing Centre in Training Centre, Gorakhpur. It is clear that the action of the respondents is in order and in the interest of the Nation as well. Moreover, the nature of duties of dog handling being performed by the Veterinary Cadre are very much within the sphere of their charter of duties.

2. That with regard to the statement made in paragraph I and II of the instant application the Respondent has no comment.

3. That with regard to the statement made in paragraph III(a) to (d) of the instant application the Respondents beg to state the allegation of the application that he is being posted as Dog Handler vide Order dated

5.10.2005 is factually incorrect. A perusal of the order enclosed as Annexure-A-1 would reveal that the applicant is being transferred and posted to the new locations and is not being posted as Dog Handler. He will remain as SFA(V) only i.e. their original designation and will perform duties of handling of Dogs in addition to their duties. There is no change in pay and status of the applicant.

4. That with regard to the statement made in paragraph III ( 2 and 3 ) of the instant application the Respondents have no comment.

5. That with regard to the statement made in paragraph IV.1 of the instant application the Respondents have no comment.

6. That with regard to the statement made in paragraph IV.2 to IV.6 of the instant application the Respondents beg to state that these are matter of record and the respondents does not admit anything which are not borne out of record.

7. That with regard to the statement made in paragraph IV.7 of the instant application the Respondents beg to state that the civilian cadre still exist in SSB and performing the job as assigned to them. Likewise SFA (Vety) will also have to perform the job assigned to look after training and handling of Government dogs. Just because the role of SSB has been changed and it has become a Border Guarding Force, the civilian cadre can not take this plea to stay idle.

*Ganesh*  
**Dy. Inspector General**  
**Ftr. HQ. SSB, (MHA)**  
**Guwahati.**

8. That with regard to the statement made in paragraph IV.8 and IV.9 of the instant application the Respondents beg to state that the factual position with respect to this paragraph has already been narrated in the brief history of the case furnished above and the same is reiterated here for the sake of brevity. It is reiterated here that as the SSB has a professionally trained Veterinary Cadre, to look after the Dogs the professionally trained Veterinary Cadres was the most suited cadre to undertake the said job and the nature of duties of the veterinary cadre also corresponded with the dog handling and training.

9. That with regard to the statement made in paragraph IV.10 of the instant application the Respondents beg to state that the position regarding this paragraph is as under :-

The claim of the applicant that in other similar related cases, the Hon'ble Court has granted stay is denied being factually incorrect. In OA No. 117 of 2005 titled Bimal Chakraborty -Vrs-Union and others pending adjudication in the Hon'ble CAT, Guwahati Bench, orders of maintaining of status-quo were passed by the Hon'ble Court and prior to receipt of this order, the applicant Shri Bimal Chakraborty had been relieved from Bongaigaon Area to 1<sup>st</sup> Bn Didihat.

10. That with regard to the statement made in paragraph IV.11 to IV.14 of the instant application the Respondents beg to state that the allegation of the applicant that he is being transferred to the post of Dog Handler is denied being factually incorrect. The applicant is being transferred as SFA(V) only, however, he has been asked to perform duties

related to Dog Handling because the applicant is a part and parcel of the professionally trained veterinary cadre which the SSB has.

11. That with regard to the statement made in paragraph IV.15 of the instant application the Respondents beg to state that since SSB has a professional trained veterinary wing it is for this veterinary cadre only to fulfill the veterinary requirements of the Force. Accordingly, veterinary doctors and para veterinary staff were trained in management, training and health care of dog squads and assigned the duty to look after health care, feeding, training, maintenance, handling and operational work of the Force dogs.

There has been no change in the cadre designation or post of pay scale of the applicant. Working hours have also been regulated as per the operational need which has nothing to do with the Indian Veterinary Council Act, 1984 as petitioned. The Indian Veterinary Council Act, 1984 only regulates the veterinary practice/profession and has nothing to do with fixing of working hours.

Thus the contention of the applicant is incorrect and strongly denied.

12. That with regard to the statement made in paragraph V.1 of the instant application the Respondents beg to state that the applicant had been transferred in public interest to fulfill and discharge operational commitments urgently required at the Border. Moreover, the sphere of the

*Caraka*

Ftr. HQ. SSB, (MHA)  
Guwahati.

job very much encompasses Dog handling. Being trained professionals basically it is the veterinary cadre of the Force which has to perform the job of Dog handling as Dogs are also part and parcel of the veterinary set up.

13. That with regard to the statement made in paragraph V.2 of the instant application the Respondents beg to state that the allegation of the applicant that the orders are adverse to the service condition and violate the principles of natural justice are basically wrong. The applicant has been asked to perform the duties which are within the sphere of working of the Veterinary set up.

14. That with regard to the statement made in paragraph V.3 and V.4 of the instant application the Respondents beg to state that the contention of the applicant is incorrect and strongly denied. Since SSB has a professionally trained veterinary wing and the responsibilities of maintaining the sniffer dog squads in the Force has to be met by the veterinary wing. Accordingly, veterinary doctors and para veterinary staff were trained in management, training and health care of dog squads and assigned the duty to look after health care feeding, training, maintenance, handling and operational work of Force dogs. Accordingly, some of the SFAs (Vety) were posted at Gorakhpur after necessary training for rearing and maintenance of pups.

There has been no change in the cadre designation or post or pay scale of the applicant

*Guwahati*

**Dy. Inspector General  
Ftr. HQ. SSB, (MHA)  
Guwahati.**

Further, the claim of the petitioner that the Ministry of Home Affairs has taken a decision to declare the veterinary staff surplus is incorrect and misleading.

15. That with regard to the statement made in paragraph V.5 and V.6 of the instant application the Respondents beg to state that the allegation raised by the applicant by way of relief sought that the applicant has been transferred from the post of SFA(V) is not correct. The apprehension that he has become combatised is denied outright. He is still discharging duties as SFAs(V)

16. That with regard to the statement made in paragraph V.7 to V.9 of the instant application the Respondents beg to state that the applicant is raising an issue which has basically no legal standing. This is not a case where the designation of the applicant has been changed. The applicant is very much part of the para Veterinary staff and is fully civilian in nature. Neither the nomenclature nor the cadre of the applicant has been changed. Though the proposal of combatisation of all civilian cadres has already been approved in consultation with DOPT but despite that the same will be optioned and voluntary. Only those officers who opt for combatisation will be combatised and the remaining will be allowed to continue in their cadres till they are finally phased out. There will be no adverse impact on their status or service privileges. This is a mere apprehension on the part of the applicant. Hence it is most respectfully prayed that the instant OA may be dismissed on merits.

**Dy Inspector General**  
**Ftr. HQ. SSB, (MHA)**  
**Guwahati.**

17. That with regard to the statement made in paragraph V.10 of the instant application the Respondents have already stated in above paras.

18. That with regard to the statement made in paragraph V.11 of the instant application the Respondents beg to state that these are matter of records and the respondents do not admit anything which are not born out of records. The respondents further beg to state that the grounds are set forth by the applicant in the instant application clause are not good grounds and not tenable in the eye of law hence the instant application is liable to be dismissed.

19. That with regard to the statement made in paragraph VI of the instant application the Respondents beg to state that the SFAs(Vety) have to serve any where in India as per service conditions and have to do the work assigned by Superior Officers from time to time. As per operational need of the Force dog squads were raised and veterinary cadre was given responsibilities to maintain them. Accordingly, some of the SFAs(Vety) have been assigned the duty to look after the health feeding, training, maintenance, handling and operational work of Government sniffer dogs. They have been given requisite training also. However, there is no change in their cadre or post or pay scales.

20. That with regard to the statement made in paragraph VII of the instant application the Respondents have no comment.

21. That with regard to the statement made in paragraph VIII of the instant application the Respondents beg to state that the applicant has wrongly contended that his cadre has been changed from a civil post to a combatised post. It is clarified that there is no change in his cadre or post or pay scale.

22. That with regard to the statement made in paragraph IX of the instant application the Respondents beg to state that the claim of the applicant is illegal and ill founded and as such the applicant is not entitled to get any interim relief.

23. That the respondents submit that the claim of the applicant is illegal and has no merit and therefore the instant application is liable to be dismissed.

7. That with regard to the statement made in para 11 of the written statement the answering applicant denies the correctness of the same and reiterates the statement made in paragraph IV.15 of the application and state that the order dated 18.7.06 would go to show that nature of the work of the S.A.F (Vet) had changed and applicant was forced to take up the said job against the will in spite of the respondents own admission that they would absorbed only the willingly candidate in such job.
