O.A.71 /2008	Sri Kalyan Kishore Mukhati & Keshabendu Shome	Order dated 12.03.2008 be set aside and quashed so far the applicant No. 3 & 5 is concerned and their names may be deleted from the said order.	Order dated 12.03.2008 relates to transfer of DFO(M)

O.A.114 of 2007	Shri Chandran Kumar Sarkar & Ors. Sr.Field Assistant(M edic)	The Respondents be ordered/ directed to cancel/ withdraw the impugned order dated 11.04.2007 (Annexure 2).	The order dated 11.4.07 refers to the approval of DG, SSB regarding redeployment of the different personnel of the organisaion to Battalion of the concerned Commandants for all purposes.

It is alleged that the Applicants have been transferred from non combatised civilian posts to combatised posts in the battalions without obtaining their willingness for the same. Therefore, they have sought cancellation of the transfers/redeployment orders made purportedly as combatised personnel and have sought setting aside the transfer orders relating to their redeployment.

3. The Respondents have filed written statement stating that the role of the SSB from Civilian Organization (under the Cabinet Secretariat) has been changed to that of Border Guarding Force (BGF) to take care of the Indo- Nepal and Indo- Bhutan Boarder under the Ministry of Home Affairs of Govt. of India. As a Border Guarding Force combatised personnel of the SSB are being deployed with the Border and have been sanctioned with "dog squads" to take care of the sniffer

dogs of the force and para medical personnel to provide initial medical assistance/first aid to the personnel deployed on the border and other formations under their jurisdiction. The veterinary personnel were earlier also taking care of the dogs or the activities related to the training, rearing of pup/dogs at the training centre and to look after the health care, feeding, training, maintenance, handling operations of the Dog Squad. With the change of role of the force, the same personnel have been redeployed in the forward formations to do the same job without their being combatised. It has been clarified that combatisation of the civilians is possible only if they express willingness for the same. Similarly for the para medical cadre it has been stated that neither the nomenclature of the cadre of the Applicants was changed nor have they been deployed on combatised duties. They have been redeployed to assist the forward formations and as a result of this redeployment if they have to work under combatised officers that itself is not sufficient to make these Applicants combatised unless they express willingness for the same. The Applicants will serve upto 60 years of age like all other civilians and their redeployment will not have any effect on their civilian status. It has also been stated that Applicants have not exhausted remedies available to them within the organization and as such filing of these Original Applications is premature and hence not tenable. The Respondents have also prayed for vacation of the stay orders granted in some of the O.As.

4. M.P.No.71 of 2008 in O.A.No.114 of 2007 has been filed for vacation/cancellation of the interim order dated 09.5.2007.

*[Handwritten signature]*

5. In O.A.120/07 Respondents have issued instruction for not deploying lady SFA on the BOPs though the Applicant will continue to discharge duties as before. Therefore, there is no violation of rules and regulation governing the services of the Applicants

6. Heard Dr J.L.Sarkar, learned counsel appearing for the Applicants of O.A.No.42/08, 58/08, 60/08 & 71/08 and Mr M.Chanda, learned counsel appearing for the Applicants in O.A.No.56/08. The learned counsel for the Applicants tried to make out a case that SSB has been declared as an armed force by an Act of Parliament in December 2007, therefore the Tribunal has no jurisdiction as the SSB stand combatised. However, the learned counsel stated that without obtaining any willingness from either cadre, they have been forced to work in the Border areas like combatised personnel. Therefore, direction should be issued to the Respondents to prepare a scheme with a view to give proper opportunity to the Applicants to give their willingness or otherwise for combatisation so that they are not victimized or deployed on combatised operation without their willingness.

7. Mr G.Baishya, learned Sr. Standing Counsel appearing in O.A.56/08 and Mr M.U.Ahmed, learned Addl. Standing counsel appearing for the Respondents in O.A.Nos.42/08, 58/08, 60/08 & 71/08 have argued that question of combatisation of Applicants without willingness does not arise. With the change of role of the SSB the expertise of the cadre of SFAs and para medical personnel have been utilized by the Respondents with a view to optimize the efficiency of the

*[Handwritten signature]*

force and to suit the new task assigned to them. The issue raised in these cases have earlier been adjudicated upon by the Tribunal in O.A.Nos. 116/05, 117/05, 174/05, 269/05, 275/05 and 31/06 which were dismissed on 21.03.2007. They have also stated that SSB Act 2007 has been enacted by the Parliament but under sub-section 2 of Section 4 it is stated that the Act will come into force on such date as the Central Government will notify. But no such notification has been placed before the Tribunal either by the learned counsel for the Applicants or by the learned Standing counsel appearing for the Respondents. Therefore, combatisation of the force has yet to be implemented. Since the Applicants have not exhausted the avenues available for redressal of their grievances within the department before filing of these O.As, the same are premature and should be dismissed.

8. Once the question of combatisation goes, then there remains a point relating to the posting of the Applicants at different centres; which amounts to transfer. Normally transfers cannot be challenged before the Tribunal as was held by Apex Court in S.C.Saxena vs. U.O.I & Ors. (reported in (2006) 9 SCC 586 para-6), that "a Government servant cannot disobey a transfer order by not reporting at the place of posting and then go to a court to ventilate his grievances" and that it is his duty to first report for work where he is transferred and make a representation as to what may be his personal problems and that the "tendency of not reporting at the place of posting and indulging in litigation needs to be curbed" In another decision, (State of U.P. & another vs. Siyaram and another, reported in (2004) 7

*[Handwritten signature]*

SCC 405) the Supreme Court held that "transfer is not only an incident of service, but a condition of service as well and is necessary in public interest and efficiency in public administration. No govt. servant or employee of a public undertaking has any legal right to be posted forever at any one particular place or place of his choice"

8. The facts narrated in the written statement, the apprehension of the Applicants regarding their combatation is unfounded. Combatation without express willingness is not possible and has been emphatically denied by the Respondents. The redeployment of Applicants services cannot be faulted with as it is a policy and administrative decision.

9. In the light of the foregoing discussions these Original Applications being devoid of merit are hereby dismissed. All stay/status quo orders passed in these cases also stand vacated. There will be no

order as to costs.

All the rules applicable to other civil service holder of central govt. same will be applicable to the applicant also including the "she is liable to be transferred to any part of India".

A copy of an order of appointment letter to the applicant is annexed herewith and marked as Annexure-I.

3. That applicant states that the Special Service Bureau, the office in which the applicant has been serving, was set up in early 1963 in the wake of Indo-China conflict of 1962 to build people's moral and inculcate a spirit of resistance in border population in the then NEFS, North Assam, North Bengal, Hills of Uttar Pradesh and Jammu and Kashmir (Ladak). Subsequently the area of SSB was extended to other border areas in Manipur, Tripura, Jammu, Meghalaya, Sikkim, Rajasthan, Gujarat, Mizoram, South Bengal and Nagaland. The main role of the organization was to promote national integration and security consciousness amongst border population, win over the hearts and minds of the people through participative developmental programmes in remote inaccessible border areas, help and rescue and relief operations during natural calamities, counter enemy propaganda through multi-dimensional publicity campaigns and bring the population in the national mainstream. The Battalion Force of the Special Service Bureau has been known as Sashastra Seema Bal (SSB).

4. That the applicant states that she was appointed in civilian wing of the SSB. She works under the Area Organiser / Sub-Area Organiser / Circular Organiser. The civilian wing of SSB (Area staff)

*yog maya Wagle*

has been deployed on I.N.B for collection of intelligence and to undertake counter subversion role and responsibilities by carrying out pacificatory, civic action, psychological welfare, counter propaganda, welfare, development and motivational programmes in their area of operation.

5. That the applicant states that the duties allocated to applicant includes mainly to provide medicines to the people of local areas for common ailments to a minimum of 300 patients per month. Each Senior Field Assistant (Medic) has a demarcated area of operation for providing such services. In complicated cases the applicant was entrusted the duties to refer the cases to the nearest civil hospital or to arrange alternative treatment facilities. The applicant has to take active part in immunization programmes as and when camps are organized by SSB or the State Agencies. She also perform the job of counseling and creating awareness for small family norms and family planning operations. It is also the responsibility of the applicant to motivate public by giving a knowledge of different family planning matters and its benefits for small family norms.

It is pertinent to mention herein that during all relevant times of their services with the SSB, she was treated as civilian staff and she was governed by the CCS Rules as applicable to all the civil servants working under the central government.

6. That the applicant states that vide Order No. 30/SSB/AS/2006 (2)-3697-3704 dated 11-4-2007 issued by the Deputy Inspector General (Pers.), Office of the Director General, SSB, Ministry of Home Affairs, Govt. of India, the post of Senior Field Assistant (Medic) alongwith incumbent from Area / Circle Offices I.N.B. / I.B.B. has been re-allocated to the battalions as per appendix A for further deployment with nearby BOPs of battalions on I.N.B. / I.B.B. in public interest. Vide the said order, all the Senior Field Assistants (Medic) will be placed under the Administrative and Operational control of the concerned Commandants of battalions for all purposes.

*Yogmaya Wagle*

Said order is being implemented from 15<sup>th</sup> of May, 2007 under intimation to all concerned.

A copy of the order dated 11-4-2007 is enclosed herewith and marked as Annexure-II.

7. That the applicant submits that the said re-allocation of Senior Filed Assistant (Medic) to the battalions and putting her under the Administrative and Operational control of the concerned Commandants of battalions for all purposes amounts to virtual and complete change of their nature of duties from civilian to combatised forces. It is also stated that no opportunity was given to the applicant about her willingness as to the change of her duties which is completely opposite in nature, i.e. from the civil nature to the combatised nature. Therefore the said re-allocation order i.e. 11-4-2007 is against the Principles of Natural Justice. In the original offer of her appointment there is no whisper to the effect that in future the nature of their duties will be changed from civilian to combatised.

8. That the applicant submits that at present she has fixed hours of duties with weekly offs on Saturdays and Sundays. Though she has field duties she has a seat for work in her office. She can stay with her family members. Considering all these she has accepted the job. Now, such a drastic change in nature of duties without ascertaining her willingness or otherwise is a complete denial of Natural Justice and hence bad in law.

9. That the applicant submits that the staffing pattern of BOP is in accordance with the internationally prescribed norms and regulated by the Ministry of Home Affairs. As per the knowledge of the applicant goes, the staff component of a BOP does not include any civilian staff. The applicant also submits that in case of emergency the personnel belonging to BOP can be entrusted with the duties of civil in nature.

*Yogmaya Wagle*

10. That the applicant submits that the combatised staff already available with the BOP she has sufficient staff available with similar training as that of Senior Field Assistants (Medic). Therefore, with the re-allocation of the Senior Field Assistant (Medic) there will be duplication of staff. Moreover, a void in the medical services will be created in the present area of operation of the Senior Field Assistant (Medic) which is against the public interest. Another difficulty will arise due to the fact that there was no promotion of the Senior Field Assistant (Medic) for a number of years, whereas those serving in battalions has earned a number of promotions during the said period. This will lead to an anomalous position in the sense that a person serving in battalion who was junior in rank to a Senior Field Assistant (Medic) earlier by virtue of his more than one promotion may become immediate superior to the Senior Field Assistant (Medic) creating serious heart-burning of the applicant which in turn adversely affect the congenial working atmosphere in the BOP.

11. That the applicant states that the Director General, SSB, who had issued the order of re-allocation of post of Senior Field Assistant (Medic) alongwith incumbent does not enjoy the statutory powers of creation of the said post. Therefore, such re-allocation of the post has been done without having the statutory power. And as such this action is being done without having the power is bad in law and hence liable to be quashed.

12. That the applicant states that the Memorandum dated 19-3-1993 issued by the Assistant Director ( EA) SSB stating interalia regarding the service condition of the civilian staff serving with the central government. In the said Memorandum it is clearly stated that the Senior Field Assistant (Medic) will be guided by the CCS Rules whereas the Order dated 11-4-2007 issued by the Additional Director General would go to show that the applicant whose post was re-allocated will be placed under the administration and operational control of the Commandant of the battalion for all purposes. It is

yog maye 10/6

pertinent to mention herein that the Commandant of the battalion are governed by the CRPF Act, 1949 and CRPF Rules, 1955.

A copy of the Memorandum dated 19-3-1993 is annexed herewith and marked as Annexure-III

13. That the applicant submits that if the posts are re-allocated with the battalion then for all purposes the applicant shall be under the administrative control of the Commandant of battalion and will become a part of the battalions which is the combative one and as such the re-allocation is bad in law and liable to be set aside and quashed.

14. That the applicant submits that re-allocation of the post with its incumbents to a battalion would change the nature of duties as the civilian staff has to go for parade and will not be allowed to stay outside the Company Headquarter as per the memorandum dated 6-6-2002. The applicant further submits that being a lady, she has a duty towards her family and she cannot be compelled to stay in battalion camps which is only for the combatise trained persons with a strict routine based on internationally prescribed norms. All the military and the para-military forces in India requires requites mostly the male persons considering the nature of duties as they requires and a very few percentage of women after giving them proper training in this regard and then only they are recruited to the Forces. Being a civil servant of the Government, applicant is not acquainted with the nature of the duties and strict routine of the combatise force and therefore the said order of re-allocation of post dated 11-4-2007 is amounts to be forced labour and gender discrimination and as such it is liable to be set aside and quashed.

A copy of the memorandum dated 6-6-2002 is annexed herewith and marked as Annexure-IV

yogmaya Wagle

15. That the applicant states that she could not file representation or appeal before the concerned authorities and it is hereby prayed that considering the urgent nature of the order this Hon'ble Tribunal may be pleased to admit this application and grant appropriate relief as sought for by the applicant.

(VII) GROUNDS

- (1) For that there is no whisper in the offer of appointment to the post of Senior field Assistant (Medic) that she will be required to work in BOP
- (2) For that the strength of staff of BOP which has to be as per International norms / standard does not include any post of civilian.
- (3) For that a civilian employee cannot be converted to a combatised staff without assigning his willingness or otherwise.
- (4) For that the Director General, SSB, who does not enjoy the statutory power of creation of the post of Senior Filed Assistant (Medic) cannot re-allocate them alongwith the post to another office which virtually means creation of post in the office to which such post arte re-allocated.
- (5) For that the original appointment order does not indicate about the shifting of legal proposition of service rule during the period of service.
- (6) For that the civilian employee who are governed by the CCS Rules cannot be converted to the combatise one who will be governed by the CRPF Rules.
- (7) For that if re-allocation is affected, there will be complete change in nature of duties as combatise staff has to go for parade and not

*zyog maya Wagle*

allowed to leave their camps whereas those are not applicable in case of civilian employees.

(8) For that the re-allocation order amounts to gender discrimination and forced labour in combatise force.

(9) For that the decision, which taken by the authority in re-allocating the posts to the battalion has the civil consequence and effects the rights of the concerned persons in as much as it is a clear violation of the rights of natural justice.

(VIII) DETAILS OF THE REMEDIES EXHAUSTED

That the applicant declares that she has availed off all the remedies available to her under the relevant service rules etc., and considering the urgent nature of the effect of the re-allocation order, the applicant is compelled to approach this Hon'ble Tribunal very urgently.

(IX) MATTER PREVIOUSLY FILED OR PENDING WITH ANY OTHER COURT

The applicant declares that she has not filed any writ petition or any other petition in any other Court of Law.

(X) RELIEF SOUGHT FOR

- i. The Respondents be ordered / directed to cancel / withdraw the impugned order dated 11-4-2007 immediately.

**BRIEF HISTORY OF THE CASE**

The brief History/description of the case is appended below, which may be treated as an integral part of this Reply.

Initially, SSB was raised in the year 1963, pursuant to the philosophy that security of the borders was not the responsibility of the armed forces alone and that it also requires a well-motivated and trained border population. The organisation was initially functioning in the regions of the then NE Frontiers, North Assam, North Bengal, Hills of the then UP, HP, parts of

Dy Inspector General

Guwahati.

Punjab, Ladakh area of J & K and subsequently its activities were extended to other border areas in Manipur, Tripura, Meghalaya, Sikkim, Rajasthan, Gujarat, Mizoram, South Bengal, Nagaland and some areas of J & K. The role of SSB in its earlier set up was to inculcate a sense of security, consciousness among the people of border areas generating mass support in the border Areas through NIP programmes and welfare activities, organizing and preparing border population to resist enemy and perform 'Stay Behind' role during invasion/occupation and countering enemy propaganda through Psychological war operations and awareness campaigns.

The SSB consists of two wings viz. Area Wing (Non Uniformed) who are governed by the Central Civil Services (Classification, Control and Appeal) Rules, 1965, and Battalion Wing, ( Uniformed ) whose personnel up to rank of Inspector are governed under Central Reserve Police Forces Act, 1949 and the Central Reserve Police Force Rules, 1955 whereas officers of the rank of Assistant Commandant and above for disciplinary matters are covered by the CCS (CCA) Rules, 1965.

On 15<sup>th</sup> January 2001, the Administrative Control of SSB was transferred to the Ministry of Home Affairs, in pursuance of the recommendations of the Group of Ministers (GoM) on reforming the National Security System. The Group of Ministers (GoM) recommended the principle of one border, one Force for better accountability and for comprehensive border management including management of Indo-Nepal and Indo-Bhutan Borders. Accordingly, the Ministry

*Guvabati*  
**Dy. Inspector General**

**Guvabati.**

of Home Affairs entrusted to the SSB the role of guarding Indo Nepal Border w.e.f June 2001 and Indo-Bhutan Border w.e.f. March 2004.

After transfer of SSB to MHA, both the uniformed and non-uniformed wings of the Force are existing and functioning, however as per the policy decision of the Ministry of Home Affairs, the Area Wing (non-uniformed) component of the SSB shall be phased out systematically on account of promotion or retirement etc. and vacancies arising thereof shall be filled up by the corresponding combatised personnel on the base posts. For the purpose of governance of the non-uniformed civilian component the same shall continue to be dealt with under the relevant Central Government Rules till they are phased out. However, due to this decision, there will be no adverse impact on promotions/pay/privileges of the non-uniformed component.

After the administrative control of the Force was transferred to MHA the Old Areas of Operations were closed and new offices were opened along the Indo-Nepal and Indo-Bhutan borders. The role of the Force was transformed from the 'Stay Behind' role to that of a 'Border Guarding Force'. With the change in role of the organisation BOPs were created all along the borders, which are still in the process of establishment and various other changes are effected in the Force. A dog squad was also sanctioned in each Battalion for operational and security effectiveness. Both the combatised as well as the civilian personnel are actively involved in the border guarding duties.

*Gracka*  
Dy Inspector General  
Ftr. HQ. SSB, (MHA)  
Guwahati.

Further, the Group of Ministers on National Security had recommended for keeping a provision for posting of one Medical Assistant in each BOP and one Medical Officer in each Coy in inaccessible areas and accordingly as per the directive of Ministry of Home Affairs (MHA) Director General, SSB in his capacity as the Head of the Force on the recommendation of the GoM in the overall welfare of the Force personnel reallocated the present applicants to the BOP for providing immediate and necessary medical aid to the force personnel deployed on the border.

It is pertinent to mention here that SSB has a professionally trained medical cadre, which is headed by the officer of the rank of Inspector General (Medical). The present applicants are also trained in providing medical aid. It is clarified herewith that neither applicant's cadre has been changed nor they have been converted to the combatised set up. They have only been posted to the Bns/BOPs to perform their duties in the respective Bns/BOPs where they have been posted. They will be drawing the same pay which they were drawing earlier. The SFA (M) is one of the lowest medical functionary in SSB. They belong to the Civilian Cadre and will also be promoted to the next higher civilian posts as per the hierarchy available in the cadre. Though there is a proposal to combatise the civilian cadres in the phased manner but the same is still under process of implementation. This combatisation will be effected only with regard to willing individuals as per their option.

*Indika*  
**Dy. Inspector General**  
**Ftr. HQ SSB, (MHA)**  
**Guwahati.**

Hence, this is not case where the applicants have been combatised.

In SSB both the combatised as well as the non-combatised officers/officials are working under respective combatised or non-combatised officers but this does not mean that if a non-combatised official/officers is working under a combatised officer he becomes a combatised individual.

Hence, the allegation of the applicants that the policy decision of the respondents is unreasonable and unfair and is totally misconceived and devoid of merit as for providing medical aid to the force personnel deployed on the BOPs who are actively associated in protecting the borders of the country immediate medical facilities have to be provided to the force personnel. It is essential for the SFAs(M) who are fully trained Para medical cadre to provide medical aid in the BOPs in national interest for overall welfare of the Force personnel and for operational requirements.
