O.A.No.107 of 2009ORDER (ORAL)09.06.2009M.R.MOHANTY,V.C.:

1. Heard Mrs. Kabita Goswami, learned counsel appearing for the Applicant, and Mr.M.K.Boro, learned Addl.Standing Counsel of Government of India(to whom a copy of this O.A. has already been supplied) and perused the materials placed on record.

2. Her prayer for an employment (on compassionate ground) having been turned down by an order dated 06.11.2007 of the Superintending Engineer of Hydrological Observation Circle (Guwahati) of Central Water Commission of Government of India; the Applicant has approached this Tribunal with the present Original Application filed under Section 19 of the Administrative Tribunals Act, 1985. Relevant portion of the rejection order (placed at Annexure-2) dated 06.11.2007 of the aforesaid Superintending Engineer reads as under:-

"Sub:-Request for appointment on Compassionate Ground.

With reference to your application dated 6.5.2002 on the above cited subject, it is to inform you that your case has been considered sympathetically by the Departmental Screening Committee but it could not acceded to"

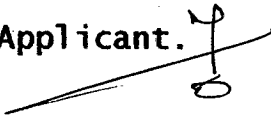

3. On receipt of the aforesaid order dated 06.11.2007, the Applicant submitted representations on

21.12.2007 and again on 15.07.2008 seeking reconsideration of her prayer for an employment on compassionate ground.

4. Applicant, who has passed in the Higher Secondary Examination and has also acquired training in Type-writing from a recognized Institute (with a speed of 45 words per minute) is badly in need of an employment (for survival of the both the ladies) and, therefore, she has claimed an employment on compassionate ground on the death of her father (Ananda Ram Basumatary); who died, while still in service, on 16.03.2001, leaving behind the widow (the mother of the Applicant) and the only daughter/Applicant, ^{who} belongs to the Scheduled Tribe.

5. On perusal of the impugned order of rejection dated 06.11.2007(Supra) it is crystal clear that the same is bereft of any reason. Every administrative action is required to be transparent, clear, un-ambiguous and convincing. Absence of all these, leads one to brand the order as 'arbitrary' one. Non disclosure of reasons also amounts to violation of the principle of natural justice/Article 14 of the Constitution of India.

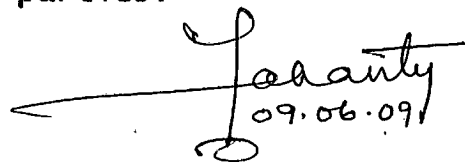

6. It is unfortunate that, despite two successive representations, the authorities (Who are in control of the matter) did not care to disclose the reasons (of the rejection of the prayer for an employment for compassionate ground) to the Applicant.

7. Having found a clear case of violation of the principles of natural justice, the cryptic rejection order (under Annexure-2 dated 06.11.2007) is hereby set aside and the matter is remitted to the Respondents for giving a fresh consideration in the matter and, while doing so, the instructions of the Government of India (which requires the authorities to give consideration, at least on three occasions) should be kept in mind; because, as it appears, the Respondents have only considered the case of the Applicant only on one occasion and turned down the prayer (for an employment on compassionate ground) without any reason.

8. This case is hereby disposed of with direction to the Respondents to reconsider the case of the Applicant (for providing her an employment on compassionate ground) and communicate the result of such consideration (to the Applicant) within 120 days from the date of receipt of the copies of this order.

9. Send copies of this order to the Respondents (along with copies of the O.A.) and free copies of this order be also sent to the Applicant and be supplied to the counsel appearing for both the parties.

Guwahati Bench**PARTICULARS OF THE APPLICATION****1. PARTICULARS FOR WHICH THE APPLICATION IS MADE FOR:**

This application is made being aggrieved against the inaction on the part of the respondent authority for non-consideration of her case for compassionate appointment in spite of her repeated approach and representations.

2. JURISDICTION OF THE TRIBUNAL:

The applicant declares that the subject matter of the application is within the jurisdiction of this Hon'ble Tribunal.

3. LIMITATION:

The applicant further declares that the subject matter of this application is well within the limitation period prescribed under Section 21 of the Administrative Tribunal Act, 1985.

4. FACTS OF THE CASE:

4.1 That the applicant is a citizen of India and as such she is entitled to all the rights, privileges and protections as guaranteed under the constitution of India and laws framed there under.

4.2 That the father of the applicant namely late Ananda Ram Basumatary was an employee of Central Water Commission and has been working as work charged Khalasi since his initial appointment i.e. w.e.f. 27.11.1984 at GDS site, Kokrajhar under the Assistant Engineer, Manash Sub-Division, CWC, Barpeta Road.

4.3. That while the father of the petitioner has been working as such, he felt sick and after prolonged ailment died in harness on 16.03.2001, leaving aside his wife and only daughter i.e. the applicant and her mother. As the father of the applicant was on sick for a long period, the landed property of the family has been sold out for his treatment. Moreover, the amount i.e. Rs.35,000/- from the GPF account of the father of the applicant has also been withdrawn for his treatment.

4.4. That after demises of the father of the applicant, the family members of the applicant which consist the applicant and her widow mother has to suffer tremendous financial hardship and started to take financial assistance from their

Rurismewi Basumatary

relatives, friends and well wishers and also stated to take goods on credit. It has already stated above that the amount of GPF etc. had already been withdrawn during the life time of the father of the applicant for his treatment.

4.5. That considering the financial hardship faced by the family of the applicant as her father died in harness during his service period, the mother of the applicant preferred an application/representation for compassionate appointment of her only daughter i.e. the applicant before the Executive Engineer, Lower Brahmaputra Division, CWC, Jalpaiguri through proper channel.

4.6 That the mother of the applicant has furnished by enclosing the relevant documents i.e. death certificate of the father of the applicant, next to kin certificate issued by the Deputy Commissioner, Kokrajhar, educational qualification certificates (pass certificate and mark sheets of HSLC examination, HSSLC examination, Science), Typewriting certificate and Caste certificate.

A copy of the aforesaid application along with the documents enclosed are annexed herewith and marked as ANNEXURE- 1 series.

4.7 That the applicant as being a higher secondary (Science) Examination passed candidate, holding a diploma in typewriting in English and also belonging to a member of Schedule Tribe community, is eligible and entitled for appointment in any Grade-III post on compassionate ground under the respondent authority. As such, the respondent authority are duty bound to consider her case for compassionate appointment under the relevant scheme, guidelines and notifications etc. holding the field at the time of submission of her application for appointment on compassionate ground.

4.8 That in spite of the aforesaid position and even after furnishing all the relevant documents required for consideration of a case for appointment under compassionate ground, nothing has been communicated to the applicant for years together. However, the applicant while repeatedly pursuing the matter submitted several representations before the concerned authority. Under the said circumstances, the applicant and her widow mother has been suffering tremendous financial hardship as there is no other source of income in her family, and also suffering mentally because there are no male member in her family.

Rwisumari Basumatary

4.9 That while the applicant has been pursuing the matter before the concerned authority for her appointment on compassionate ground under the circumstances narrated above, most surprisingly, the authority has issued a letter under No.A-15017/12(21)/Estt-W/C/2003/2790-2803 dated 06.11.2007 which was communicated to the mother of the applicant by the respondent No.4

A copy of the aforesaid letter dated 06-11-2007 is annexed herewith and marked as ANNEXURE- 2.

4.10 That by the aforesaid communication dated 06.11.2007, it has been informed that the case of the applicant has been considered sympathetically by the Departmental Screening Committee but could not be acceded to. But nothing has been mentioned as to why the Departmental Screening Committee has not acceded to recommend the case of the applicant for compassionate appointment. The said action/communication in a matter of compassionate appointment was not just and proper that too in a case of a family where there is no male member. As such, the applicant preferred a representation dated 21.12.2007, on receipt of the aforesaid communication dated 06.11.2007.

A copy of the aforesaid representation dated 21.12.2007 is annexed herewith and marked as ANNEXURE- 3.

4.11 That the applicant after waiting for a considerable period preferred another representation dated 15.07.08 as no response has been received from the concerned authority. In her said representation, it has been categorically stated that the applicant along with her mother have been facing tremendous financial hardships and it has become impossible to run their family because the persons i.e. relatives, friends and well wishers who have been extending financial assistance to them are now refused to do so rather they are insisting the applicant and her mother to refund the loan. It is pertinent to mention herein that all the aforesaid persons have been extending financial support to the applicant with the hope that the amount would be refunded to them immediately on getting appointment on compassionate ground.

A copy of the aforesaid representation dated 15.07.2008 is annexed herewith and marked as ANNEXURE- 4.

4.12. That the applicant begs to submit that the action/inaction on the part of the respondent authority for non-considering the case of the applicant for appointment on compassionate ground are quite illegal, arbitrary and violation of the principles of Natural Justice and Administrative Fair play. More particularly without disclosing anything about the inability to appoint her on compassionate ground by way of a speaking order or any means stating the reasons of non-entitlement or disqualifications whatever may be is clear violation of the principles of Administrative Fair play.

4.13. That the applicant begs to submit that the respondent authorities have been delaying the matter of compassionate appointment of the applicant knowing fully well about the background of the case. The respondent authority slept over the matter to cause delay with the intention to frustrate the claim of the applicant for compassionate appointment.

4.14. That the applicant begs to state that the matter relating to compassionate appointment needs to be settled as early as possible to tide over the emergency and crisis. However, in the present case, though the mother of the applicant submitted the application along with all relevant documents immediately after the death of the father of the applicant, the respondents have acted contrary to the said principle and policy and delaying the matter with the aim and intention for defeating the claim of the applicant.

4.15. That the applicant belongs to an economically very poor and socially backward family and after the death of her father, till very date, it has almost impossible to run her family without the help and assistance from the respondent authority. Although, the applicant has been regularly pursuing the matter, but the respondents knowing fully well about the plight of the applicant, kept or dragging the matter for about 8 years without disclosing anything. Having no other alternative, the applicant has preferred this O.A. praying for setting aside and

quashing the order dated 06.11.2007 with a further direction to appoint the applicant on compassionate ground.

5. GROUND(S) FOR RELIEF (S) WITH LEGAL PROVISION:-

- 5.1. For that the action/inaction on the part of the Respondent authority is quite arbitrary, illegal and violation of the principles of Natural Justice and Administrative Fair Play.
- 5.2. For that the action of the respondent authority of giving information about the decision of the Departmental Screening Committee without disclosing anything by its letter dated 06.11.2007 is illegal, arbitrary and volatile of settled principles of Administrative Fair play.
- 5.3 For that the decision of the Screening Committee, whatever may be, for not assented to is illegal, arbitrary and same depicts total non-application of mind by the Respondents and for that necessary direction may be issued directing the respondents to issue necessary order of appointment to the applicant against any post commensurating to her educational qualification.
- 5.4. For that the reason of not acceded by the Departmental Screening Committee must have been disclosed by a way of a speaking order or by furnishing the minutes of the Departmental Screening Committee to the petitioner. Ref: Your letter No.A-15017/12(21)/Estt-W/C/2003/2790-
2803 dated 06.11.2007

Sir,

With reference to the above, I most humbly and respectfully
beg to lay the following few lines for your kind consideration
and appropriate necessary action.

That sir, I have received the above referred letter dated
06.11.2007; but failed to understand the reason as to why the
Departmental Screening Committee could not acceded to. Under the
said circumstances, I hereby most earnestly request your honour
to place my case before the Departmental Screening Committee
again with a request to re-consider the case sympathetically. It
is needless to say that since the death of my father, we have to
spend sleepless night even without taking the bread in some
occasions as there are no earning member in our family and there
are no male member in our family which consists myself and my
widow mother.

Under the said circumstances if my case has not consider
for appointment on compassionate ground, it would be difficult
for us to survive. It is pertinent

to mention herein that the relatives and well wishers are
helping as by giving loan and goods on credit expecting that the
same would be refunded to them on getting appointment on
compassionate ground and if they know about rejection of my case
for compassionate appointment then will refuse to extend the
help.

Therefore, I hope that my case would be considered for
appointment on compassionate ground.

With due regards,

Yours faithfully,

Rwisumwi Basumatary

Ref: 1. Your letter No.A-15017/12(21)/Estt-
W/C/2003/2790-2803 dated 06.11.2007.
2. My earlier representation dated 21.12.2007.

Sir,

With due reference and profound submission, I the undersigned most humbly and respectfully beg to lay the following few lines for your kind consideration and appropriate necessary action.

That sir, my father late Ananda Ram Basumatary, who was working as Khalasi at GDS site, Central Water Commission, Kokrajhar under the Assistant Engineer, Manash Sub-division, CWC, Barpeta Road, died in harness on 16.03.2001. My father expired after prolonged ailment and during such ailment, we have to spend a huge amount of money and to arrange the money, we had sold our land and withdrawn the money from his GPF account. As such, after his demise, we have to face tremendous financial hardship and we are in starvation.

That sir, as my father died in harness, my mother had submitted an application with a request to appoint me on compassionate ground through the proper channel. Although the application has been made immediately after expiry of my father, nothing has been communicated to as till 06.11.07 except the assurance that my case would be placed before the Departmental Screening Committee for consideration. As such, we have been somehow surviving with the help of some relatives and well wishers who had been extending financial help expecting that the same would be refunded immediately on getting appointment on compassionate ground; but now the persons i.e. relatives and well wishers have refused to extend the help demanding refund of the loan given to us.

Under the aforesaid facts and circumstances it has become very much necessary to re-consider my case for compassionate appointment failing which it would be difficult for us for father survival.

Therefore, it is most respectfully prayed that my case for appointment on compassionate ground would be considered sympathetically without my further delay under the given facts and circumstances.

With due regards,

Yours faithfully
