O.A. 12/2009

20.01.2010

The limited prayer made in the present O.A was to quash and set aside advertisement dated 23/29.8.2008 published in the Employment News whereby vide Advertisement No.16 UPSC had invited applications for various posts including four Mineralogists (Senior) in Geological Survey of India, out of which 4 posts, one was reserved for OBC candidate. Respondents in their reply have categorically stated that after full length discussion and proper application of mind respondents took initiative in the matter in question with the Ministry of Mines and in order to effectuate the same the concerned Ministry requested the UPSC to withdraw Direct Recruitment proposal which ~~was~~ included the direct recruitment proposal for the post of Mineralogist (Sr.) in Geological Survey of India which request has been acceded to by UPSC in terms of the communication dated 2.3.09 (Annexures R-1 and R-2 respectively).

In this view and categorical stand taken by the respondents the relief claimed by the applicant stands ^{granted} ~~set aside~~ and nothing more survives in this application. If the applicant is still aggrieved by any ^{other} action of the respondents he will be at liberty to approach the appropriate forum in accordance with law, but as far as present application is concerned it has been rendered as infructuous. OA is accordingly disposed of.

Union of India & Ors. ...**RESPONDENTS**

S Y N O P S I S

The applicant is presently working as Mineralogist (Junior) in the office of the Deputy Director General, Mineral Physics Division, Geological Survey of India, North Eastern Region at Shillong since 22.08.07. The applicant has got more than 10 years of experience in the field of Mineralogy. Pursuant to an advertisement dated 8-14 October, 2005 the applicant was selected and appointed in the post of Mineralogist (Junior) w.e.f. 22.08.07.

The next higher post from the cadre of Junior Mineralogist is Mineralogist (Senior) which is a promotional post. The sanctioned strength in the cadre of Mineralogist (Senior) is 12 (twelve). The respondents published advertisement dated 14-20 January, 2006 for filling up of 9(nine) posts of Senior Mineralogist by direct recruitment and of which results of 8 (eight) posts were declared. Again by an advertisement dated 23-29 August, 2008 the respondents made a move to fill up the remaining 4 (four) posts of Mineralogist (Senior) by direct recruitment thereby taking away all the posts in the cadre of Mineralogist (Senior) from the reach of the applicant. The respondents publishing the impugned advertisement dated 23-29 August, 2008, in a most illegal and arbitrary manner and curtailed the avenues of promotion for the applicant.

Again the educational qualification for the post of Mineralogist (Junior) includes Master's Degree in Physics or Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad. On the other hand educational qualification in the recruitment rules for the promotional

post of Mineralogist (Senior) includes only Master's degree in Physics or Physical Chemistry of a recognized university at its equivalent. Therefore, the qualification of Master's Degree in Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad Geology has been wiped out from the educational qualification of Mineralogist (Senior). In such a situation the in service Mineralogist (Junior) i.e. the applicant is debarred from being considered for promotion to the post of Mineralogist (Senior). It is noteworthy to mention here that the respondents in a most illegal and arbitrary manner taking advantage of the defective and old recruitment rules, on one hand have taken all the 12 posts from the reach of the applicant and on the other hand debarred the applicant. from contesting in the direct recruitment which is a clear discrimination to the applicant and contrary to the Constitutional provisions. Hence, the recruitment rule of Mineralogist (Senior) is defective and contrary to the provisions of Article 14 and 16 of the Constitution of India and liable to be set aside and quashed.

The applicant pursuant to the advertisement dated 23-29 August, 2008 applied for the post of Mineralogist (Senior), however his candidature was not considered for promotion by extending the relaxation provided under NOTE- I in the advertisement. The applicant submitted a representation dated 12.01.09 praying for consideration of his case and allow him to compete in the process of direct recruitment. However, same yielded no result in positive and as such a last resort the applicant has come under the protective hands of this Hon'ble Court for quashing and setting aside of the impugned Gazette Notification No. 6/32/67/M-II dated 04.06.1969 and advertisement No.16, Item No.2, Employment News Weekly dated 23 to 29 Aug 2008 issued by the Union Public Service Commission being illegal and contrary to the Constitutional provisions.

Hence the present original application.

DETAILS OF APPLICATION

1. PARTICULARS OF THE ORDER(S) AGAINST WHICH THE APPLICATION IS MADE:

The present application is made against the Advertisement No.16, Item No.2, Employment News Weekly dated 23 to 29 August, 2008 issued by the Union Public Service Commission and Gazette Notification No. 6/32/67/M-II dated 04.06.1969.

(ANNEXURE: A/6 and A/3)

2. JURISDICTION OF THE TRIBUNAL:

The applicant further declares that the subject matter of the instant application is well within the jurisdiction of the Hon'ble Tribunal.

3. LIMITATION:

The applicant further declares that the application is within the limitation period prescribed under Section 21 of the Administrative Tribunals Act, 1985.

4. FACTS OF THE CASE:

4.1 That the applicant is presently working as Mineralogist (Junior) in the office of the Deputy Director General, Mineral Physics Division, Geological Survey of India, North Eastern Region at Shillong.

4.2 That the applicant did his M.Sc. in Geology from Berhampur University, Orissa in the year 1996. Thereafter, in the year 2005 he was awarded with the Ph.D from Nagpur University on the topic "Mineralogical and Geochemical studies of Manganese Deposits of Tirodi Area Balaghat District, Madhya Pradesh". The applicant had undergone foreign training at Mineralogy and Geochemistry Laboratory of BRGM, Orleans and CAMECA Lab., Paris, France on Electron Probe Micro Analyzer (EPMA). It is worthwhile to mention here that prior to his appointment as Mineralogist (Junior) under the Geological Survey of India the applicant had experience

Dilip Ranjan Kanungo

of about 10 years in the field of Mineralogy and was working in the Mineralogy Laboratory of Indian Bureau of Mines, Ministry of Mines, Government of India. During the said span of time the applicant carried out Mineralogical Investigation of about 256 samples and in the year 2000 he got the "PERVADANULU AWARD" for contributing the best paper published in the proceeding volume of the Indian Institute of Mineral Engineers. Apart from all these the applicant also published some quality scientific papers pertaining to Mineralogy in the National/International Journals and Seminar Proceedings.

4.3 That advertisement No. 19 was published by the Union Public service Commission in the Employment News of 8-14 October' 2005 for filling up of 19 posts of Mineralogist (Junior) in the Geological Survey of India, Ministry of Mines. The essential qualifications include the **Master's Degree in Physics or Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad.** The applicant fulfilling all the criterions applied for the post and was selected and appointed as Junior Mineralogist w.e.f. 22.08.07. Hence, since then the applicant is discharging his duties to the satisfaction of all concern.

A copy of the advertisement No. 19 published by the Union Public service Commission in the Employment News of 8-14 October' 2005 is annexed herewith and marked as **Annexure- A/1.**

4.4 That as per the recruitment rule the next higher post is of Mineralogist (Senior) which is a promotional post. The educational qualification for the post of Senior Mineralogist includes the **Master's degree in Physics or Physical Chemistry of a recognized university at its equivalent.** The promotion to the cadre of senior Mineralogist is from the cadre of Junior Mineralogist with 5 years of experience in the lower grade. On the other hand in the mode of recruitment the first option provided is by promotion failing which direct recruitment may be resorted to. It is

Dillip Ranjan Karungo

noteworthy to mention here that in a most arbitrary manner the Master's Degree in Geology or Geophysics or Applied Geology has been wiped out from the qualification prescribed for Senior Mineralogist whereas the qualification for the lower post of Junior Mineralogist includes the Master's Degree in Geology or Geophysics or Applied Geology. Since the post is of Senior Mineralogist under the Geological Survey of India primarily related to the subject Geology and the duties are identical to that of Mineralogist (Junior), therefore non inclusion of the Master's Degree in Geology or Geophysics or Applied Geology in the educational qualification for the post of Senior Mineralogist has made the recruitment rule defective and unconstitutional.

Copies of the recruitment rule of Senior Mineralogist and the Gazette Notification No. 6/32/67/M-II dated 04.06.1969 are annexed herewith and marked as ANNEXURE- A/2 and A/3.

4.5 That the respondent No. 3 i.e. the UPSC published advertisement No. 1, item no. 6, Ref. No. 1/217/2005-R-II in the Employment News of 14-20 January, 2006 for filling up of 9 (nine) posts of Senior Mineralogist by direct recruitment. Accordingly, results of 8 (eight) posts were declared by the UPSC in the Employment News dated 9-15 February, 2008. It is worthwhile to mention here that the sanctioned strength of the Cadre of Mineralogist (senior) is 12 (twelve).

Copies of the advertisement dated 14-20 January, 2006 and results dated 9-15 February, 2008 is annexed herewith and marked as ANNEXURE- A/4 and A/5.

4.6 That again the respondent No. 3 i.e. the UPSC published Advertisement No. 16, item No. 2, Ref. No. F.1/237/2007-R-II in the Employment News of 23-29 August, 2008 for filling up of 4 (four) posts of Senior Mineralogist by direct recruitment. Therefore, the respondents in a most arbitrary manner are making a move to fill up the entire cadre of Senior Mineralogist by the direct recruits.

Dillip Ranjan Kanungo

Although, the post of Senior Mineralogist is a promotional post, the respondents by the said advertisements have made an attempt to take away all the posts in the cadre of Senior Mineralogist thereby curtailing the promotion prospects of the applicant. Hence, once the entire cadre is filled up by direct recruits there will be no promotional avenues open for the in service 19 (nineteen) Junior Mineralogist including the applicant under the respondents which is in clear violation of the Constitutional provisions. Moreover, the recruitment rule of the Senior Mineralogist does not include the reservation of quota for in service candidates. Hence, the impugned recruitment rule is defective and unconstitutional and is liable to be set aside and quashed.

A copy of Advertisement No. 16, item No. 2, Ref. No. F.1/237/2007-R-II in the Employment News of 23-29 August, 2008 is annexed herewith and marked as **ANNEXURE- A/6**.

4.7 That on 01.09.08 the applicant applied for the post of Senior Mineralogist pursuant to the Advertisement No. 16, item No. 2, Ref. No. F.1/237/2007-R-II in the Employment News of 23-29 August, 2008. The respondents after receipt of the application sent an acknowledgement in the form of post card inserting 7 as sl. no. of the applicant. Although the applicant fulfills all the eligibility criterion except the Master's Degree in Physics or Physical Chemistry which was prescribed by the defective recruitment rule, his candidature was not considered giving the relaxations as provided under NOTE- 1 in the advertisement. For the sake of convenience the NOTE- 1 is quoted below for ready reference:

"NOTE: The qualifications are relaxable at Commission's discretion in case of candidates otherwise well qualified".

Copies of the application dated 01.09.08 for the post of Senior Mineralogist and post card is annexed herewith and marked as **ANNEXURE- A/7 and A/8**.

Dileep Ranjan Kanungo

4.8 That the applicant having no communication from the respondents thereafter submitted a representation dated 12.01.09 to the respondent No. 2 indicating the fact that the duties for the posts of Senior Mineralogist and Junior Mineralogist are same. Therefore non inclusion of the qualification of **Master's Degree in Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad** in the prescribed qualification for the post of Sr. Mineralogist is grossly unconstitutional and liable to be interfered with. Moreover, the applicant also made a prayer for consideration of his case for promotion to the post Senior Mineralogist and to allow him to compete for direct recruitment conducted by the UPSC. However, till date nothing has been done in this regard and same yielded no result in positive.

A copy of the representation dated 12.01.09 is annexed herewith and marked as **ANNEXURE- A/9**.

4.9 That the applicant begs to state that having noticed such defects in the recruitment rules the Director, Ministry of Mines made a communication dated 16.01.09 expressing that there is requirement of amendment in the Recruitment Rules for all the grades in the Geological Stream and directed the Director General, Geological Survey of India to furnish draft recruitment rules for all the grades in the geological stream.

A copy of the communication dated 16.01.09 is annexed herewith and marked as **ANNEXURE- A/10**.

4.10 That the applicant begs to state that the post of Senior Mineralogist is a promotional post meant for in service candidates. The qualifications prescribed in the recruitment rule for the post of Senior Mineralogist are **Master's degree in Physics or Physical Chemistry of a recognized university at its equivalent**. The feeder cadre is Junior Mineralogist wherein the qualification prescribed as per the recruitment rules are **Master's Degree in Physics or**

Dileep Ranjan Kanungo

Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad. Therefore, if the qualification of Master's in Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad are not included in the recruitment rules, in such a situation the in service Junior Mineralogists i.e. the applicant will be deprived of his promotional avenues to the post of Senior Mineralogist which is in clear violation of Article 14 and 16 of the Constitution of India.

It is further stated that a majority i.e. at around 90% of the Junior Mineralogists are of Geological background as the recruitment rule for the Junior Mineralogist includes the qualification of Master's in Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad. Therefore, by excluding the said qualifications from the post of Mineralogist (Senior) the respondents have created stagnation in the service of the applicant curtailing the promotional avenues which is not at all sustainable in the eye of law. Hence, on this score alone the impugned Advertisement No. 16, item No. 2, Ref. No. F.1/237/2007-R-II in the Employment News of 23-29 August, 2008 is illegal and is contrary to the Constitutional provisions.

4.11 That the applicant begs to state that the recruitment rules for the post of Senior Mineralogist does not include the provisions of quota rota for career advancement of the in service candidates. Therefore, the respondents taking advantage of such erroneous recruitment rules have advertised entire 12 (twelve) promotional posts which is the sanctioned strength of the cadre of Senior Mineralogist, for direct recruitment thereby taking those posts out of the reach of the applicant. Therefore, there is clear discrimination towards the applicant whose promotional avenues have been curtailed by the respondents. Hence, the in service Junior Mineralogists are facing stagnation without

Dellip Ranjan Kanungo

any promotion, on the other hand they are also debarred from participating in the direct recruitment due to the defective recruitment rule.

4.12 That the applicant begs to state that the subject of Geology or Applied Geology are more relevant subject in the field of Mineralogical studies in the Partological Laboratories of Geological Survey of India. More over Mineralogy and Patrology being the two basic units of Geological Science are the much needed qualification for the post of Senior Mineralogist. On the other hand the subject Physical Chemistry does not have any relevance for the post of Senior Mineralogist which is purely a post of Geological background. Hence, the recruitment rules which are of 1969 are to be amended including the educational qualification of **Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad** for promotion to Mineralogist (Senior).

4.13 That it has been reliably learn by the applicant that the respondents after receiving the representation submitted by the applicant are making a move to conduct the interview for the posts of Sr. Mineralogist on 09.02.09 taking advantage of the defective recruitment rules. It is stated that the respondents knowing fully well about the status of the in service candidates i.e. the applicant aspiring promotion to the post of Senior Mineralogist published the impugned advertisement dated 23-29 August, 2008 filling the entire cadre y direct recruits only with the sole purpose to debar the applicant from the promotional avenues which is illegal and smacks malice. Therefore, in the event of interview being held there will be great discrimination towards the applicant who is debarred from participating in the process of direct recruitment due to the defective recruitment rules.

Dileep Ranjan Kanungo

4.14 That from the facts and circumstances of the case it clear that the respondents resorting to the defective recruitment rules are making a hasty move to appoint the direct recruits in the posts of Senior Mineralogist depriving the in service Junior Mineralogists. Hence the present case is a fit case wherein the Hon'ble Tribunal may be pleased to pass an interim order directing the respondents not to conduct the interview for the post of Sr. Mineralogist. The applicant has made out a prima facie case of illegality and arbitrariness on the part of the respondents. The balance of convenience is in favour of the applicant for such an interim order. He would also suffer irreparable loss and injury if the interim order sought for is not passed by the Hon'ble Tribunal.

4.15 That the applicant files this application bonafide for securing the ends of justice.

5. GROUNDS FOR RELIEF(S) WITH LEGAL PROVISIONS:

5.1 Because the educational qualification for the post of Senior Mineralogist does not include the **Master's Degree in Geophysics or Geology or Applied Geology of a recognized University or equivalent OR Diploma in applied Geology of Indian School of Mines, Dhanbad** and as such the Junior Mineralogists having the aforesaid qualifications are denied with to get considered for promotion to the post of Mineralogist (Senior). Hence, the impugned recruitment rules for the Cadre of Senior Mineralogist are defective and are in clear violation of Article 14 and 16 of the Constitution of India and liable to be set aside and quashed.

5.2 Because the recruitment rules for the cadre of Mineralogist (Senior) does not include any reservation for the in service candidates and as a result, taking advantage of such defective recruitment rules the respondents are making a hasty move to fill up the entire sanctioned strength i.e. 12 (twelve) of the Senior Mineralogist by direct

Gowahati Bench

recruits thereby causing grave injustice to the applicant. Hence, the impugned recruitment rules and advertisement dated 23-29, August, 2008 is liable to be set aside and quashed.

5.3 Because the applicant fulfills all eligibility criterions and has got the requisite experience for the post of Senior Mineralogist his candidature ought to have been considered giving the relaxations as provided under NOTE- 1 in the advertisement. However, the respondents in a most arbitrary manner did not consider the case of the applicant only with the sole purpose to debar the applicant from being promoted to the post of Senior Mineralogist which is not at all sustainable in the eye of law and liable to be interfered with. For the sake of convenience the NOTE- 1 is quoted below for ready reference:

"NOTE: The qualifications are relaxable at Commission's discretion in case of candidates otherwise well qualified".

5.4 Because the post of Mineralogist (Senior) is a promotional post and the sanctioned cadre strength for the cadre of Mineralogist (Senior) is 12 (twelve). The respondents, by virtue of two advertisements dated 14-20 January, 2006 and 23-29 August, 2008 in the Employment News, in a most arbitrary manner by resorting to the defective recruitment rules made a move to fill up the entire cadre by the direct recruits thereby curtailing the promotional avenues for the applicant. Therefore, the entire process of selection for the post of Mineralogist (Senior) smacks of malice and arbitrariness. Hence, the advertisement dated 23-29 August, 2008 is liable to be set aside and quashed.

5.5 Because the Ministry of Mines, Government of India having noticed such defects in the recruitment rules of the Geological Survey of India made a move to amend the recruitment rules and to that effect a communication dated 16.01.09 has been made by the Director, Ministry of Mines, Government of India to the Director General, Geological

Survey of India for submitting draft recruitment rules for all grades. However, the respondents having knowledge of such amendment of the recruitment rules and knowing fully about the status of the applicant aspiring promotion to the cadre of Mineralogist (Senior) ought not to have made the hasty move to fill up the entire cadre by the direct recruits. Therefore, only with the sole purpose to debar the applicant from getting considered for promotion to the post of Senior Mineralogist, the respondents taking advantage of the old and defective recruitment rules are making hasty move to exhaust the entire cadre by the direct recruits which is per se illegal and arbitrary. Hence the impugned recruitment rules and advertisement are liable to be set aside and quashed.

5.6 Because from the sequence of events it is clear that the act of the respondents in filling up the entire promotional posts in the cadre of Mineralogist (Senior), by the direct recruits is per se illegal and contrary to the Article 14 and 16 of the Constitution of India and has been done with the sole purpose to curtail the promotional avenues of the applicant. On the other hand due to the defective recruitment rules the applicant is debarred from contesting in the direct recruitment leading to gross miscarriage of justice. Hence on this ground alone the impugned recruitment rules and the advertisement dated 23-29 August, 2008 is liable to be set aside and quashed.

The applicant craves leave of the Hon'ble Court to advance more grounds both legal and factual at the time of hearing of this case.

6. DETAILS OF THE REMEDIES EXHAUSTED:

That the applicant declares that he has exhausted all the remedies available to him and there is no alternative remedy available to him.

7. **MATTERS NOT PREVIOUSLY FILED OR PENDING IN ANY OTHER COURT:**

The applicant further declares that he has not filed any application, writ petition or suit regarding the grievances in respect of which this application is made, before any other court or any other bench of the Tribunal or any other authority nor any such application, writ petition or suit is pending before any of them.

8. **RELIEF(S) SOUGHT FOR:**

Subject: Request for making necessary amendment in the recruitment rule for the post of Mineralogist (Senior) in GSI - to be filled by direct recruitment regarding

Sir,

With reference to the UPSC advertisement no.16, item no. 2(Ref.No.F1/237/2007-R-II) for four posts of Mineralogist(Senior) in G.S.I published in the employment news dated 23-29 August 2008, I am to submit that the essential educational qualification required for the said post does not include Master's Degree in Geology. Where as in the feeder cadre that is for the post of Mineralogist (Junior), the essential educational qualification includes Master's Degree in Geology. However, the type of job experience (excepting number of years) and nature of duty is similar for both the cadres.

I beg to submit the following few lines for your kind consideration and favourable decision.

1. That consequent upon my selection by UPSC to ^{the} post of Mineralogist (junior) I have joined GSI, NER Shillong on 22-08-2007.
2. That before joining in GSI, I was working in the Mineralogy laboratory of Indian Bureau of Mines since 19th March 1998. During this period of **nine and half years** I have carried out mineralogical investigations of various metallic and non-metallic minerals and rocks.
3. I have done Ph.D research work on "Mineralogical and Geochemical studies of Manganese ores of Tirodi area, Balaghat District, Madhya Pradesh".

In view of the above, I found myself most suitable for the post of Mineralogist (Senior) and would like to appear and compete for direct recruitment by selection process conducted by UPSC. Therefore, it is earnestly requested that necessary amendment may kindly be made in the recruitment rules and M.Sc. (Geology) may be included as an essential educational qualification requirement for better career prospects.

Thanking You,

Yours faithfully,

New Delhi, the 16th January 2009

To

Shri P.M. Tejale,
Director General,
Geological Survey of India,

Subject: Grant of non-functional selection grade (NFSG) to S&T streams in GSI on the basis of Organized Group 'A' Service.

Sir,

I am directed to refer to GSI's letter No. DDO(P)/GSI/C.Review/08 dated 26.6.2008 on the subject mentioned above.

2. Considering that the Geology stream of GSI fulfills all the criteria laid down by the Department of Personnel & Training (DOPT), and has been mentioned as such in the Ministry of Finance's O.M. No. F.12/21/74-IC dated 14.11.1975, it is hereby clarified that this stream is an Organized Group 'A' Service, and all the consequential benefits accrue to the officers of the stream including increase in the percentage of officers to be granted NFSG (Rs. 14300-400-18300 pre-revised) from the existing 15% to upto 30% of the senior duty posts (i.e. all duty posts at the level of Senior Time Scale and above in the stream), in terms of DOPT's OM No. 22/1/2000-CRD dated 06.06.2000. The increase in the percentage of officers to be granted NFSG upto 30% etc. benefits will be applicable only with prospective effect.

3. The Recruitment Rules for all the grades in the Geology Stream would need to be accordingly amended. You are, therefore, requested to furnish draft RRs for all the grades in the Geology stream to this Ministry immediately. A suitable name may also be suggested for the nomenclature of the Service.

4. Proposals (separate for each stream) for considering the other S&T streams as Organized Group 'A' Service may also be furnished to this Ministry at the earliest, giving suitable justifications in the light of laid down norms and orders of the DOPT with regard to eligibility for being declared an Organized Group 'A' Service. If there are justifications other than those based on the Organized Service concept for granting NFSG at higher than the existing 15%, the same along with relevant guidelines/OM etc., these may also be forwarded.

(iii) Candidates must, if required, attend at such place, as may be fixed by the Commission for a personal interview. The Commission do not defray the travelling or other expenses of candidates summoned for interview. They, however, contribute towards those expenses at a rate corresponding to the amount of the Second Class Mail Railway fare by the shortest route to the place of interview from the Railway Station nearest to the normal place of residence of the candidate or from which he actually performs the journey, whichever is nearer to the place of interview, and back to the same station or the amount of Railway fare actually incurred by the candidate whichever is less. Details of this will be furnished when they are called for interview.

(iv) Commission's contribution towards the travelling expenses in respect of those candidates who are interviewed at Delhi will be paid on the spot on the date of interview itself provided they fulfil all the conditions. In respect of those candidates who have been called to be

present at interviews at places other than Delhi, the same will be sent by Money Order later on.

(v) The Summoning of candidates for interview convey no assurance whatsoever that they will be selected. Appointments to selected candidates will be made by the Government.

(vi) Candidates must be in sound bodily health. They must, if selected be prepared to undergo such medical examination and satisfy such medical authority as Government may require.

(vii) Candidates will be informed on the result of their applications in due course and any interim enquiries about the result are therefore, unnecessary and will not be attended to. The Commission do not enter into correspondence with the candidates about reasons for their non-selection for interview/appointment.

(viii) The Commission may at its discretion grant higher initial pay to specially qualified and experienced candidates.

(ix) Canvassing in any form will disqualify a candidate.

- a subject of Bhutan, or
- a Tibetan refugee who came over to India before 1st January, 1962 with the intention of permanently settling in India, or
- a person of Indian origin who has migrated from Pakistan, Burma, Sri Lanka or East African countries of Kenya, Uganda, the United Republic of Tanzania (formerly Tanganyika and Zanzibar), Zambia, Malawi, Zaire, Ethiopia and Vietnam.

or from Vietnam with the intention of permanently settling in India. Provided that a candidate belonging to categories (b), (c), (d) and (e) above shall be a person in whose favour a certificate of eligibility has been issued by the Government of India.

NOTE : The application of a candidate in whose case a certificate of eligibility is necessary, may be considered by the Commission, and, if recommended for appointment, the candidate may also be provisionally appointed subject to the necessary certificate being issued in his favour by the Government of India.

2. **AGE LIMITS :** The age limit for the post has been given in the advertisement. For certain age concessions admissible to various categories please go through Instruction No. 5.

3. **MINIMUM EDUCATIONAL QUALIFICATIONS :** All applicants must fulfil the essential requirements of the post and other conditions stipulated in the advertisement. They are advised to satisfy themselves before applying that they possess at least the essential qualifications laid down for various posts. No enquiry asking for advice as to eligibility will be entertained.

NOTE-I: The prescribed essential qualifications are the minimum and the mere possession of the same does not entitle candidates to be called for interview.

NOTE-II: Where the number of applications received in response to an advertisement is large and it will not be convenient or possible for the Commission to interview all the Candidates, the Commission at their discretion may restrict the number of Candidates, to a reasonable limit by any or more of the following methods :

- On the basis of either qualifications and experience higher than the minimum prescribed in the advertisement; or
- On the basis of experience in the relevant field; or
- By counting experience before or after the acquisition of essential qualifications; or
- By holding a screening test.

The candidate should, therefore, mention all the qualifications and experience in the relevant field over and above the minimum qualifications and should attach attested/self certified copies of the Certificates in support thereof.

NOTE-III : In regard to Educational Qualifications, the mark sheet in lieu of Educational Certificates will not be accepted by the Commission.

NOTE-IV : The provisional claim whatsoever in regard to eligibility to the post will not be accepted by the Commission.

4. APPLICATION FEE :

- Candidates must pay the prescribed fee only through Central Recruitment Fee Stamp for Rs. 50/-.
- No fee for SC & ST candidates. Physically handicapped persons are also exempted from payment of fee subject to submission of prescribed medical certificate. No fee exemption is, however, available to OBC candidates and they are required to pay the full prescribed fee.

THIS IS IMPORTANT

(c) Candidates can purchase the Central Recruitment Fee Stamp in the denomination of Rs. 50/- available in Head Post Offices, all Departmental Post Offices (i.e. down to sub-post office level) and selected Branch Post Offices throughout the Country and affix it in the space earmarked for the purpose in the application form and get it cancelled by the Counter Clerk of the Post Office with the date stamp in such a manner that the impression of cancellation stamp partially overflows on the application form itself taking care that the impression must be clear and distinct to facilitate the identification of the date of issue and issuing post office.

(d) Candidates applying from outside India should deposit the prescribed fee at the Office of the High Commissioner for India, or of the Indian Ambassador, or of the Government of India's Representative abroad, as the case may be. The original receipt for such payment should accompany every application.

(e) The fee sent through Money Order, Indian Postal Orders, Bank Draft, Crossed Cheques, Currency Notes and Treasury Challans will not be accepted by the Commission and such applications will be treated as without fee and will be summarily rejected.

(f) The refund of application fee for selection through advertisement will be allowed only where selection is cancelled and in no other case.

(g) Applications not accompanied by the full prescribed fee will not be considered and summarily rejected. No representation against such rejection will be entertained.

5. CONCESSIONS & RELAXATIONS :

(a) The upper age limit in case of Ex-Servicemen and Commissioned Officers including ECOs/SSCOs shall be relaxed by the length Military Service rendered by three years subject to the conditions that on these closing date of receipt of applications (i) the continuous service rendered in the Armed Forces by an Ex-Serviceman is not less than six months after attestation and (ii) that the resultant age after deducting his period of service from his actual age does not exceed the prescribed age limit by more than 3 years. Ministry of Mines and in order to effectuate the same the concerned Ministry vide letter dated 10.02.09 requested the UPSC to withdraw the Direct Recruitment proposal which was included the direct recruitment proposal for the post of Mineralogist (Sr.) in Geological Survey of India.

Further, in pursuant to said letter, the UPSC vide their letter dated 02.03.09 has acceded to the request to the Ministry for withdrawal of Direct Recruitment proposal including Mineralogist (Sr.).

The copies of the letters dated 10.2.09 & 02.03.09 are annexed and marked as Annexures R-1 and R-2 respectively which are self explanatory.

Now as the grievance of the applicant has already been met with as stated above and the further proceeding with the instant case will be futile exercise for the parties as well as the Hon'ble Tribunal and there remains no cause of action for filing the present O.A.

5. That this compliance report/written statement has been made bona fide and for the ends of justice and equity.

Under the above facts and circumstances your Lordship would be pleased to accept this compliance report and after perusing/x-raying the matter further be pleased to drop the O.A as complied with for the ends of justice and/or pass such order/orders as your Lordship may deem fit & proper.

Dated February 10, 2009

Dear Alok,

Please refer to my D.O. letter of even number dated 28.1.2009 requesting UPSC to put on hold the process of recruitment of Geophysicist Instrumentation (Junior), Mineralogist (Senior) and Mineralogist (Junior) pending a final decision on the issue of merger and relevance of these steams.

2. It has now been decided that henceforth no fresh direct recruitment in these steams both at JTS and STS level, be done and proposals sent to UPSC should be withdrawn.

3. Accordingly, the following direct recruitment proposals sent to UPSC are hereby withdrawn.

Geophysicist Instrumentation (Junior)	15 posts	UPSC has recommended six candidates, stating that the recommendation in respect of the remaining vacancies will be sent later.
Geophysicist Instrumentation (Junior)	3 posts	UPSC advertised the posts on 12.7.08
Mineralogist (Senior)	4 posts	UPSC advertised the posts on 23.8.08
Mineralogist (Junior)	5 posts	UPSC advertised the posts on 25.10.08

Inconvenience caused is deeply regretted.

Dated: 2 ~~February~~ ^{nd March} 2009Dear *Sri Vijay Kumar*

In continuation to my D.O. letter of even number dated 16th February, 2009 conveying Commission's inability to accede to the request of Mo Mines for cancellation/postponement of interviews in respect of four categories of posts for which recruitment proposals had been sent by the Ministry and subsequent discussion of Secretary, Ministry of Mines, with Hon'ble Chairman, UPSC on 18.02.2009, the matter has been reconsidered.

The Commission has decided to accede to the request of the Ministry of Mines for withdrawal of their proposals pertaining to recruitment to 3 posts of Geophysicist instrumentation (Junior), 4 posts of Mineralogist (Senior) and 5 posts of Mineralogist (Junior). In so far as recruitment to 15 posts of Geophysicist Instrumentation (Junior) is concerned, Commission is of the view that it would not be appropriate to halt recruitment action as Recommendation Letter in respect of many posts has already been issued.

RESPONDENTS

R E J O I N D E R

1. That a copy of written statement has been served upon the applicant. The applicant has gone through the same and understood the contents thereof. The statements which are specifically admitted herein below, other statements made in the written statement are categorically denied and the respondents are put to the strictest proof thereof.

2. That the applicant begs to state that the respondents failed in totality to apply their mind and in a very mechanical way filed the written statement. After receipt of the copy of the original application the respondents instead of filling a detailed written statement giving Para wise reply of the contentions raised by the applicant in the original application has chosen not to submit detail reply and has come up with the instant petition which can not be considered to be a written statement as same does not cover the basic grievance raised in the O.A. By implication it is an admission on the part of the respondents towards the other reliefs sought for by the applicant in the O.A. Therefore, the applicant prays before the Hon'ble Court to direct the respondents to file detail Para wise reply (if so advised) in the instant original application.

Dillip Ranjan Kanungo

3. That before submitting the Para wise reply to the written statement filed by the respondents the applicant begs to place before the Hon'ble Court the details of the experience acquired by the applicant as enumerated in the Original Application.

3.1 That the applicant joined the Indian Bureau of Mines, Ministry of Mines, Government of India on 19.03.1998 as Junior Technical Assistant. The Indian Bureau of Mines (IBM) established in 1948, is a multi-disciplinary Government organization under the Department of Mines, Ministry of Mines, engaged in promotion of conservation, scientific development of mineral resources and protection of environment in mines other than coal, petroleum & natural gas, atomic minerals and minor minerals. It is an organization identical to the Geological Survey of India and both the organizations are under the deep and pervasive control under the Ministry of Mines, Govt. of India. The applicant while was serving in the Indian Bureau of Mines, pursuant to an advertisement dated 8-14 October' 2005 of the Union Public Service Commission, got selected as Mineralogist (Jr.) in the Geological Survey of India, Ministry of Mines and Minerals. The Director General, Geological Survey of India issued the order No. 1804 SP/A-19011 (6-DRK)2007/19A dated 01.06.07 offering the applicant the post of Mineralogist (Jr.) in the Office of the Deputy Director General, Geological Survey of India, NER, Shillong. It is stated that the post of Mineralogist (Jr.) is a Group- A post, Scientist B in the pay scale of Rs. 8,000-275-13,500. The applicant after the receipt of the offer letter submitted the technical resignation w.e.f. 10.08.07 making a prayer to allow him to retain lien in the post of Junior Technical Assistant in the Indian Bureau of Mines for a period of 2 (two) years enabling him to join the post of Mineralogist (Jr.) in the Geological Survey of India, Ministry of Mines. Accordingly, the Indian Bureau of Mines issued an order under No. A-20012T/(1087)/98-Admn.(NG).Vol-II dated 09.08.07 allowing the applicant to retain lien in the post of Junior Technical Assistant in the Indian Bureau of Mines for a period of 2 (two) years w.e.f. 11.08.07 further granting him the benefit of past service. It is stated that the Junior Technical Assistant under

(64)

IBM and the Mineralogist (Jr.) under the GSI carries the same pay scale of Rs. 8000 - 13,500/-.

Copies of the order dated 01.06.07 and 09.08.07 is annexed herewith and marked as **ANNEXURE- R/1 and R/2.**

3.2 That the applicant begs to state that in the year 2004 vide order dated 26.03.04 the applicant was selected and sent on deputation for undergoing training on fundamental and practical operation technique of Electron Probe Micro Analyzer (EPMA) at the BRGM Laboratory, Orleans, France w.e.f. 29.03.04 to 09.05.04. It is stated that the applicant has vast experience and knowledge in the field of Mineralogy and eligible in all respect for getting considered for promotion to the post of Mineralogist (Sr.) under the Geological Survey of India.

3.3 That the applicant begs to state that he has served under the Indian Bureau of Mines, Ministry of Mines w.e.f. 19.03.98 to 10.08.07 i.e. about 10 years, in the post of Junior Technical Assistant carrying same set of pay scale and job responsibility like the Mineralogist (Jr.) under the Geological Survey of India. Thereafter, the applicant joined the GSI, Shillong as Mineralogist (Jr.) on deputation holding a lien of 2 (two) years in his parent organization i.e. Indian Bureau of Mines. Hence, the service rendered by the applicant in the Indian Bureau of Mines i.e. about 10 years has to be counted in calculating the minimum residency period for promotion to the post of Mineralogist (Sr.) under the respondents. The law is very clear that the service rendered by a deputationist holding lien in the parent department on an equivalent post in parent department before absorption in deputation department counts for seniority. Therefore, service rendered by the applicant in his parent department has to be counted while calculating his minimum residency period in consideration of his case for promotion to the post of Mineralogist (Sr.) under the respondents. The Apex Court in Sub-Inspector Rooplal and another -vs- Lt. Governor through chief Secretary, Delhi and others reported in (2000) 1 SCC 644 has settled the above law relating to deputation. Hence, the applicant has got the required eligibility to get considered

for promotion to the 5 (five) vacant posts of Mineralogist (Sr.) under the respondents.

3.4 That the applicant begs to state that after the recalling of the advertisement No. 16 dated 23-29, August 2008 by the UPSC there are 5 (five) posts of Mineralogist (Sr.) lying vacant under the respondents. As per the Recruitment Rule the post of Mineralogist (Sr.) is a promotional post and criterion is by promotion failing which by direct recruitment. On the other hand the recruitment rule does not provide for any reservation for promotees. In such a peculiar fact situation the respondents taking advantage of the defective recruitment rule are making attempts to fill up the posts of Mineralogist (Sr.) by the direct recruits in the event of non completion of qualifying service by the Junior Mineralogist (including the applicant), whereas taking into consideration the past service rendered by the applicant, he is qualified to hold the post of Mineralogist (Sr.) and well within the zone of consideration.

4. That with regard to the statements made in Para 1(b) of the written statement the applicant while denying the contentions made therein begs to state that the respondents failed to apply their mind in assessing the merit of the application pursuant to which the advertisement dated 23-29.08.08 has been recalled by the UPSC.

5. That with regard to the statements made in Para 2 and 3 of the written statement the deponent begs to state that these are matter of records.

6. That with regard to the statements made in Para 4 of the written statement the deponent while denying the contentions made therein begs to state that the respondents failed in totality to meet the grievance of the applicant. The respondents has chosen not to place their reply with regard to the amendment of the Recruitment Rule of 1969 and consideration of the case of the applicant for promotion to the post of Mineralogist (Sr.) in the 5(five) vacant posts. It is stated that the Department of Personnel and Trainning vide Office Memorandum No. AB-14017/12/87-Estt (RR) dated 18.03.1988 issued the "Guidelines for Framing/Amendment/Relaxation of Recruitment Rules". The aforesaid

Dellip Ranjan Kanungo

(66)

guideline in Para 3.1.5 under the heading ~~General Branch~~ ~~General Branch~~ of Recruitment Rule provides that the recruitment rule should be reviewed once in 5 year with a view to effect such changes as are necessary to bring them in conformity with the changes position, including additions to or reductions in the strength of lower and higher posts. However, in the instant case in spite of several changes not a single amendment has been made in the recruitment rule since 1969. The applicant craves leave of the Hon'ble Court to produce to the said O.M. at the time of hearing of the case.

The applicant further begs to state that with regard to the relaxation in the qualifying service for promotion to the next higher grade the **Government of India, Department of Personnel and Training** issued the O.M. No. 2/41/97-PIC, dated 15.11.2000 in the name and style "Treatment of period of deputation/foreign service/leave, etc., towards the minimum residency period for promotion of Scientist, Group 'A' under Flexible Complementing Scheme". The said O.M. in Para 3 provides that the period spent on deputation/foreign service to another Scientific post, which helps a Scientist to acquire Scientific experience in a diverse set-up and the necessary field experience now made mandatory for promotion to Sr. Scientific posts, as well as the period of Study Leave/any other Leave taken for improving the academic accomplishments, shall count towards the minimum residency period necessarily required to be put in the lower grade for promotion to the next higher grade. Even other wise also the applicant being a Group- A Scientist in the pay scale of Rs. 8000- 275- 13500/- [pre revised] is entitled for relaxation in the minimum residency period by counting his past service in the Indian Bureau of Mines for promotion to the post of Mineralogist (Sr.) in terms of the provisions contained in the aforesaid O.M.

A copy of the O.M. dated 15.11.2000 is annexed herewith and marked as **ANNEXURE- R/3**

7. In view of the aforesaid facts and consequence of changed circumstances of the case the present original application deserves to be allowed directing the respondents to promote the applicant to the post of Mineralogist (Sr.) holding him to be well within the zone of consideration.

G.I., Dept. of Per. & Trg., O.M. No. 2/41/97-PIC,
dated the 15th November, 2000

✓ Treatment of period of deputation / foreign service/leave, etc.,
towards the minimum residency period for promotion of
Scientists, Group 'A' under FCS

The Flexible Complementing Scheme applicable to Scientists, Group 'A' in identified Scientific Ministries / Departments / Organizations provides for promotion of Scientists to the next higher grade on *in situ* basis without linkage to availability of vacancies on completion of the minimum prescribed residency period in the lower grade subject to acquiring the residency linked assessment norms. Earlier, there was a lack of uniformity in operation of Flexible Complementing Scheme in various Ministries / Departments / Organizations in various matters. The issue was examined in detail by the Fifth Central Pay Commission which recommended a modified Flexible Complementing Scheme with the purpose of rationalizing and restricting the scope of FCS and also to bring a uniformity in the operation of the Scheme in identified Ministries/Departments / Organizations in matters such as designation of posts, scales operated under the Scheme, minimum residency period at various levels, assessment / screening in procedures, eligibility qualifications, etc. These recommendations were examined by the Government and were accepted with certain modifications *vide* DoP&T, OM, dated 9-11-1998. An Umbrella Notification was also issued on the same date to amend certain provisions of the relevant Recruitment Rules with immediate effect to bring them in conformity with the decisions taken by the Government.

2. However, a lack of uniformity still persists in the matter of treatment of period spent on foreign service / deputation, study leave, and other kinds of leave, including leave on medical grounds, EOL, etc., towards the minimum residency period required to be necessarily put in by a Scientist in

Attended
Has
Advocate

the existing grade for promotion to the next higher grade. It has been considered that a uniform approach in this regard would be highly desirable.

3. The matter has been considered in all its aspects. It has been decided in consultation with the Ministry of Science & Technology that the period spent on deputation/foreign service to another Scientific post, which helps a Scientist to acquire Scientific experience in a diverse set-up and the necessary field experience now made mandatory for promotion to Sr. Scientific posts, as well as the period of Study Leave / any other Leave taken for improving the academic accomplishments, shall count towards the minimum residency period necessarily required to be put in the lower grade for promotion to the next higher grade. However, the period spent on deputation / foreign service to a non-scientific post and the period of leave including leave on medical grounds, EOL, etc., availed on personal grounds shall not count towards the minimum residency period.

4. All the Scientific Ministries / Departments / Organizations, where Flexible Complementing Scheme for Group 'A' Scientists is in operation, are advised to take note of the above decision for implementation.

Modification.— The question whether period of maternity leave and other kinds of leave sanctioned in continuation thereof to women Scientists and Earned Leave, Leave on Medical Grounds, etc., sanctioned to scientists shall be taken into account while computing the minimum residency period has been further examined in this Department in the light of clarifications sought by the Scientific Ministries / Departments in this regard and it has been decided in partial medication of this Department's O.M. No. 2/41/97-PIC, dated 15-11-2000 that:

- (i) Maternity Leave sanctioned as per Leave Rules shall be treated as duty while counting the minimum residency period for promotions under FCS;
- (ii) Leave of a maximum period of one year sanctioned in continuation of Maternity Leave as per Leave Rules may also be treated on par with Maternity Leave and this period may consequently be taken into account while counting the minimum residency period;
- (iii) Earned Leave sanctioned for a period not exceeding 180 days at a time (the ceiling under Leave Rules) as per Leave Rules shall also be taken into account while computing minimum residency period; and
- (iv) So far as the remaining kinds of leave such as EOL, Leave on Medical Grounds, etc., are concerned, the provisions contained in this Department's instructions of 15-11-2000 will continue.

3. These instructions will take effect from the date of issue of these orders. Pending cases may also be decided based on these instructions but past cases already decided may not be re-opened.

2. That with regards to para 1, 2 & 3 of the Rejoinder, the respondents beg to state that these are matter of records.

3. That with regards to para 3.1 of the Rejoinder the respondents beg to state that there is no controversy about holding the post of Junior Technical Assistant (JTA) in Indian Bureau of Mines (IBM) and the service rendered by the applicant there or so on vis-à-vis both the department i.e. Indian Bureau of Mines (IBM) and Geological Survey of India (GSI) under the Ministry of Mines. It is also observed from the copy of the office order dated 09.08.2007 issued by the Sr. Administrative Officer, Indian Bureau of Mines (IBM) (placed as Annexure R/2 of the rejoinder) that the applicant was permitted to retain lien in the post of Junior Technical Assistant (OD) in the Indian Bureau of Mines (IBM) for a period of two years w.e.f. 11.08.2007 (AN) by accepting his technical resignation w.e.f. 10.08.2007 (AN) vis-à-vis allowed the benefits of past service. The pre-revised scale of pay for the post of Mineralogist (Jr.) was Rs. 8000-13,500/- but the scale of pay of Junior Technical Assistant in Indian Bureau of Mines (IBM) is not known.

4. That with regards to para 3.2 of the Rejoinder the respondents beg to state that experience gathered by the applicant in the year 2004 which he claimed eligible in all respect for getting considered for promotion to the post of Mineralogist (Sr.) under Geological Survey of India when he was not an employee of Geological Survey of India. There is a specific norm for promotion based on the Recruitment Rules which should be followed. When a person was not in the department, it is not known how he claims that his vast experience and knowledge gathered before entering in Geological Survey of India should be considered for promotion to the post of Mineralogist (Sr.).

5. That with regards to para 3.3 of the Rejoinder the respondents beg to state that the job responsibility in the post of Junior Technical

Senior Administrative Officer
And

Head of Office
GSI, NER, Shillong-14

Assistant in Indian Bureau of Mines (IBM) which the applicant hold was like the Mineralogist (Jr.) in Geological Survey of India or not, is not known. The post of Mineralogist (Jr.) in Geological Survey of India has its own job responsibility and the Recruitment Rules. It is not a fact that the applicant joined Geological Survey of India as Mineralogist (Jr.) on deputation. He was appointed against Direct Recruitment quota on the recommendation of UPSC. The position itself clear from the Annexure-R/1 submitted by the applicant i.e. copy of offer of appointment. As per existing Recruitment Rules, the post of Mineralogist (Sr.) in Geological Survey of India is to be filled up 100% by promotion from the feeder grade of Mineralogist (Jr.) with 5 years service in the grade rendered after appointment thereto on a regular basis failing which by Direct Recruitment. Thus a candidate should render 5 years regular service in the grade of Mineralogist (Jr.) to become eligible for promotion to the post of Mineralogist (Sr.) subject to availability of promotional vacancies and fulfillment of other necessary formalities as per Rules. Thus, there is no scope for counting of his past service rendered in Indian Bureau of Mines for about 10 years towards calculating the minimum residency period for promotion to the post of Mineralogist (Sr.) in Geological Survey of India.

6. That with regards to para 3.4 of the Rejoinder the respondents beg to state that the candidates in the grade of Mineralogist (Jr.) have been appointed in the year 2007 and as such they will complete the residency period as on 01.01.2013 as per Rules. Since there is no eligible candidate in the feeder grade of Mineralogist (Jr.) for promotion to the post of Mineralogist (Sr.) the vacancies for the post of Mineralogist (Sr.) were notified for filling up by Direct Recruitment under failing which clause of Recruitment Rules. Keeping in view the functional requirement of the Department, it is not possible to keep the posts unfilled for a long period till the officers in the feeder grade becomes eligible for promotion. Thus, the action taken by the

department for filling up of the post of Mineralogist (Sr.) by Direct Recruitment cases was in order and question for counting of past service rendered in Indian Bureau of Mines by the applicant towards residency period for promotion to the post of Mineralogist (Sr.) does not arise in any way.

7. That with regards to para 4 of the Rejoinder the respondents beg to state that regarding contention of the applicant about recalling by the UPSC, it is stated that the UPSC has been request by the Ministry of Mines vide D.O. letter dated 10.02.2009 (Annexure-R-1 of the compliance report by way of miscellaneous application filed by the department before the Hon'ble Central Administrative Tribunal, Guwahati such on 29.07.2009 pertains to Original Application No. 12/2009) not to process the recruitment action of Geophysicist Instrumentation (Jr.), Mineralogist (Sr.) and Mineralogist (Jr.) pending a final decision on the issue of merger and relevance of these streams.

8. That with regards to para 5 of the Rejoinder the respondents beg to offer no comments.

9. That with regards to para 6 of the Rejoinder the respondents beg to state that action based on the existing Recruitment Rules has been processed.

It has already been stated that the applicant was appointed as direct recruitee in Geological Survey of India vide para 3.3 above and his statement in the said para that he joined Geological Survey of India, Shillong as Mineralogist (Jr.) on deputation is not correct. The order dated 15.11.2000 placed at R/3 of the Rejoinder is not related with this case. In view of the position stated in para 3.4 above, question for counting of past service rendered in Indian Bureau of Mines for promotion to the post of Mineralogist (Sr.) does not arise.

Dalimbar & Nodualli 5

10. That with regards to para 7 of the Rejoinder the respondents beg to state that the case of promotion to the post of Mineralogist (Sr.) can only be considered on completion of residency period of 5 years in the grade of Mineralogist (Jr.) subject to availability of promotional vacancies and other formalities as per rules.

11. That the humble answering respondent begs to submit that the instant rejoinder has no merit at all and is liable to be dismissed as respondents are duty bound to exercise its power under the rules and regulation of the Government of India.

12. That this reply statement is made bonafide and for the ends of justice and equity.

Under the above facts and circumstances your Lordship would be pleased to accept this reply statement and after perusing/x-raying the matter further be pleased to drop the rejoinder/O.A and/or pass such order/orders as your Lordship may deem fit & proper.

For this act of kindness your humble petitioners/Respondents shall every pray.
