ORDER

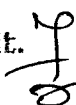

M.R. MOHANTY, VICE-CHAIRMAN

Heard Dr J.L. Sarkar, learned Counsel for the Applicant and Mr M.U. Ahmed, learned Addl. Standing Counsel for the Government of India appearing for the Respondents.

2. Applicant claims that pursuant to Advertisement dated 19.11.2005, he applied for the post of Fireman in 57 Mountain Division Ordnance Unit. The said Advertisement required Matriculates with six months training in a reputed Institute for the post in question. The Applicant, who is a matriculate, claims that he had only one month training. Thus, he was, on his own showing, not an eligible candidate (for the post in question) as per the Advertisement. It is his case that the Advertisement dated 19.11.2005 was, later, cancelled and a fresh Advertisement was issued during 2007 (in accordance with an executive instruction, that was not consistent with the Statutory Recruitment Rules of 2003) and that the Applicant (although he did not apply, in response to said fresh Advertisement of 2007) was considered as a candidate under the said fresh Advertisement of 2007 and held to be an overaged candidate.

3. The point raised on behalf of the Applicant is that the untrained candidates, who were called to the selection (as per subsequent Advertisement of 2007; which was based on an incompetent executive instruction) should not have been considered/selected for appointment.

4. It has been clarified on behalf of the Respondents, at the preliminary hearing, that there were a new set of Recruitment Rules (issued during 2006) and, after cancellation of the Advertisement dated 19.11.2005, the fresh Advertisement were issued in accordance with the new Statutory Recruitment Rules of 2006. It has been clarified further that under the new Rules of 2006 there were no requirement of training for the candidates. Since the Applicant is a Matriculate (and one time applicant for the post of Fireman) his case was considered and since he was overaged, he did not receive any further consideration. In course of preliminary hearing, it was also brought to our notice that 48 candidates were selected in the selection process and that, for the reason of pendency of cases in the Hon'ble High Court and in this Tribunal in O.A.Nos.15 & 81 of 2009, those selected candidates are yet to be appointed. We have already held in our order dated 11.09.2009 (rendered in O.A.Nos.15 & 81 of 2009) that the recruitment was done without violation of any statutory Recruitment Rules or by resorting to any executive instructions (that is/was inconsistent to statutory rules of 2006) and that there were no miscarriage of justice in the selection process. In the present case, the Advertisement (in response to which the Applicant offered his candidature) was cancelled. Despite that he was treated to be a candidate in respect of the fresh Advertisement. But by that time, he was overaged. He was, as discussed earlier, was not a valid candidate in response to Advertisement of 19.11.2005. Under the fresh Advertisement of 2007, he was overaged. Thus, judging from any angle, he has no case on merit.

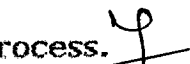

5. It was also pointed out by Mr M.U. Ahmed, learned Addl. Standing Counsel for the Union of India, that the candidature of the Applicant was rejected during April 2007 as at Annexure-10 to the O.A. and that he remained satisfied till filing of this Original Application (on 28.07.2009) under Section 19 of the Administrative Tribunals Act, 1985. He has submitted that such an application is barred by limitation; the same having been filed after long 2 - years.

6. No petition seeking/explaining condonation of delay has been filed in this case.

7. It was stated by Dr J.L. Sarkar, learned Counsel appearing for the Applicant that coming to know that other candidates have approached the Hon'ble Court and this Tribunal, the Applicant has approached this Tribunal with the present case and since connected cases are still pending, his grievances need be redressed.

8. The points raised in the connected cases have also been raised by the present Applicant. In these connected cases (O.A.Nos.15, 81 & 141 of 2009) it has already been held that there were no violation of any statutory Recruitment Rules nor the recruitment were done on the basis of any executive instructions that was inconsistent with any statutory rules. It has been held in those cases (decided on 11.09.2009) that the recruitment was held as per new Recruitment Rules of 2006 (not on the basis of old Recruitment Rules of 2003) and as such there were no miscarriage of justice in the recruitment process.

9. In the above premises, without finding any prima facie case, we dismiss this case, which is also barred by limitation. No costs.

10. Send copies of this order to the Applicant and the Respondents (alongwith copies of the O.A.) and free copies of this order be handed over to the learned Counsel for both parties.

SYNOPSIS

This is a case where Executive Instruction required minimum qualification of Matriculation and Training in Fire Fighting for recruitment of Fireman, Gr. D, defence civilians in the Army Ordnance Corps. Total cadre strength is 2826. The instructions stipulated framing of Rules in this respect and accordingly "*Army Ordnance Corps (Group C & D posts non-Gazetted) Recruitment Rules, 2003*" was framed under Proviso to Article 309 of the Constitution of India. The executive instruction dated 3.2.2000 thus stands superseded. Subsequently another Executive instruction dated 11.11.2005 was issued deleting requirement of fire fighting training and making qualification as Matriculation only, ignoring the Rules. This is illegal. After this vide advertisement dated 19.11.2005, in Employment News 64 posts of Fireman were advertised with qualification requirement matriculation and 6 months fire fighting training (Rules does not stipulate any period). This advertisement of 64 posts has been notified as cancelled without showing any reasons. Fresh advertisement for 48 posts of Fireman has been published with minimum qualification matriculation only ignoring the mandates of the Rules, 2003 which is illegal. Moreover age limit was fixed on variable dates instead of last date of application which is illegal. Applicant's candidature was rejected on the ground of over age on the date of the test though he was within the age on the cut off date. There are pending O.A.s with interim orders. The applicant files this O.A. alleging administrative action not just and fair, malafide, malice in fact and malice in law and the legal question of enforcement of Rules under proviso to Article 309 of the Constitution of India vis-à-vis administrative instruction, and files the OA before the publication of the result. As a abundant caution applicant files this petition to join in the proceedings of O.A.s No 15/09 and 81/09 to protect his interest.

## DETAILS OF THE APPLICATION:

### 1. PARTICULARS OF THE ORDER AGAINST WHICH APPLICATION IS MADE:

The application is made praying for enforcement of Rules under proviso to Article 309 of the Constitution of India vis-à-vis executive instruction, in the matter of recruitment the result of which has not yet been published and for joining the hearing of O.A. No.15/2009 and O.A. No.81/2009 & O.A.No.1.41/2009 by analogous hearing. The law declared by Hon'ble Supreme Court being binding under Article 141 of the Constitution of India, the law declared by the Apex Court in **Palluru Ramakrishnaiah vs. Union of India**, reported in 1990(1) SLJ 136 : 1989 (2) SCC 541 and in **Union of India vs. Somasundram**, AIR 1988 SC 2225 : 1989(1) SCC 175, and age limit on the last date of submission of application shall control the recruitment of fireman in 57 MTN Division.

### 2. JURISDICTION

Applicant declares that the subject matter of the application is within the jurisdiction of the Hon'ble Tribunal.

### 3. LIMITATION:

Applicant also declares that the application is made within the period of limitation prescribed by the Section 21 of the Administrative Tribunals Act, 1985.

### 4. FACTS OF THE CASE:

4.1 That the applicant is a citizen of India and as such is entitled to the rights and privileges guaranteed by the Constitution of India. He passed HSLC examination (equivalent to matriculation) in 1997.

*Md:- Abul Hussain Sahal*

Copy of the HSLC certificate is enclosed as  
Annexure-1.

4.2 That the applicant files this application to join/intervene in the proceedings in O.A. No.15/2009 and in O.A. No.81/2009 and O.A.No.141/2009 regarding recruitment of Firemen. The applicant is for entitlement of similar result in the above O.A.s. It is stated that the result of the recruitment test has not yet been published. Applicant has a right for publication of result after holding and finalizing the selection process/test as per laws as regards eligibility of qualification and age. The Hon'ble Apex Court has laid down that one should not be penalized for not having litigated. When the applicant has come to know of the above O.A.s he filed this O.A. as abundant caution. Because the result of the recruitment test has not been published and he has a interest that his cause is not frustrated and he has scopes when Hon'ble Judiciary is seized with the matter.

4.3 That the applicant is a resident of Masimpur in Cachar district of Assam. He is a son of a civilian employee of the 57 Mountain Division, ORD Unit of Masimpur. The applicant could learn that the said unit of Ordnance division was in need of Firemen for fire fighting. The department was not getting adequate number of trained persons and as such made correspondence with the Govt. of Assam, Fire Service Organization for imparting training to some persons who are wards of civilian employees of the said unit. The name of the applicant was also forwarded for the purpose. He received fire fighting training in State

*Md:- Abul Hossain Jadoi*

Elementary Fire Fighting Training School, Govt. Of Assam and passed the training.

Copy of the certificate dated 23/10/05 is enclosed as Annexure-2.

4.4 That the recruitment was, however, to be made as per Rules by advertisement and open competition. In this connection it is stated that the instructions regarding personnel in the Fire Fighting cadre including Firemen was circulated by the Govt. of India, Ministry of Defence, New Delhi's executive instructions by Circular dated 3.2.2000. Annexure-A to the said circular shows the required qualification for recruitment of Firemen as under:-

***Matriculation and training in fire fighting under a State Fire Service or an institute of repute.***

The said circular dated 3.2.2000 ***in paragraph 2 states that for the guidelines of method of recruitment in Annexure-A of the said circular, rules would be notified in due course. The cadre strength of Firemen has been shown as 2826.***

Copy of the circular dated 3.2.2000 (with Annexure-A thereto) is enclosed as Annexure-3.

4.5 That as the follow up action of the executive instructions in para 2 of the circular dated 3.2.2000, Rules called the "Army Ordnance Corps (Group C & D posts non-Gazetted) Recruitment Rules, 2003" has been framed under Proviso to Article 309 of the Constitution of India. The schedule to the Rule, Sl. No.7 contains Firemen and is applicable

*Mr. Abul Hussain Siddiqi*

to the 2826 posts (Sl. No.7.2). Sl. No.7.8 mandates the qualification as matriculation and certificate of having undergone Fire Course/Fire Service training from an institute of repute. In this connection, it is stated that Respondent No.4 who during the period associated with the recruitment of Fireman in 57 MTN Division ORD Unit of Massimpur, being posted at Massimpur was making an endeavour to give way to some persons who are only matriculates and as such wanted to dilute the qualification requirement for recruitment to the post of Firemen. As a consequence thereof, an executive instruction dated 11.11.2005 was issued from the Ministry of Defence, Govt. of India by which requirement of training in Fire Fighting has been omitted. It is worth mentioning to mention here that with a view to mislead and get matters done under camouflage the fact that the instructions in para 2 of the circular dated 3.2.2000 have already been carried out by framing Rules under proviso to Article 309, has been suppressed. The respondent No.4 and some other officials did not act bonafide with a view to ensure that some persons, for reasons best known to them, without fire fighting qualifications may be recruited. The applicant has come to know that the respondent no.4 during his posting in 57 Mountain Division, ORD Unit had annoyance on many civilian employees of the said unit and appointments of the wards of the civilian employees was not to his liking. He was averse to such appointments. In this connection, it is stated that applicant is very much conscious that appointment cannot be confined within the ward of the civilian employees. Applicant also humbly submits that Apex Court has also

*Md:- Abul Hussain Sodial*

held that there is nothing wrong if appointment to the wards are made under any scheme. In the instant case, there was no scheme but instead the unit had entered into correspondence and liaison with the State of Assam for giving experience to the wards of the civilian employees of the unit keeping in view the importance of the experience in the emergent, safety and important area of fire fighting. The State of Assam has also fully cooperated in the matter. It is stated that the process of recruitment never restricted others (who are not wards of the civilian employees) from the scope of consideration. The action of the respondent no.4 is beyond reasonable interest and the foundation of such action is malafide. The circular dated 11.11.2005 is grossly violative of process of law, result of suppression of Rules, *and under Law gives way to the Rules, 2003.*

The authorities including the Respondent No 4 under camouflage made endeavor to eliminate and minimize number of eligible candidates by not fixing age limit as per the law, and fair play, and included under aged persons, and also by changing Qualifications.

Copies of the said recruitment rules (SRO No.180) and circular dated 11.11.2005 are enclosed as Annexures-4 & 5 respectively.

4.6 That the applicant begs to state that the following advertisements were made regarding the recruitment of firemen.

Sl.No.	Advertisement details	Dt. Of Advertisement
01	Advertisement for 64 posts of Firemen	Employment News dated 19.11.05
02	Advertisement for cancellation of the notification for the above 64 posts	Dainik Yougasankha dated 4.12.05

Md: Abul Hussain Sohalia

03	Advertisement for 48 posts of Firemen	Dainik Yougasankha dated 13.12.05
04	Corrigendum	The Sunday Express dt. 15.04.07

The applicant begs to state that he fulfils the qualifications and had submitted his application for recruitment to the above post of Fireman. Date, time and place for the test was notified as 1.5.2007, 6 A.M. at Kalibari Traffic Control Post, Masimpur Cantt. Silchar, Assam. The applicant received letter dated 9/4/2007 only a few days before the test, informing that his age was more than upper age limit. He was within upper age limit when he applied. Subsequently he came to know that entire process of selection/test was under challenge in Hon'ble High Court and in Central Administrative Tribunal for fresh test. He has a right for similar reliefs including hearing when the matter is pending. The said selection has not yet been finalized/published. As already stated he (applicant) begs to file this application to place his case while hearing the other O.A.s (15/09 & 81/09 & 141../09) analogously.

Copies of the advertisement dated 19.11.2005, cancellation notification dt. 4.12.05, advertisement dt. 13.12.05 and corrigendum dt. 15.04.07, letter dated 9.4.07 are enclosed as Annexures-6, 7, 8, 9 & 10 respectively.

4.7 That it is stated that the advertisement for 64 posts was published on 19.11.05. The said advertisement was in terms of the Recruitment Rules 2003. This shows that the advertisement in terms of

*Mr. Abul Hussain Sadiq*

the Rules, 2003 was issued even after so called amendment by executive instruction dated 11.11.05. Thereafter so called cancellation of the advertisement was published in the newspaper on 4.12.05. This cancellation of advertisement does not indicate whether sanction of the competent authority was taken before the cancellation, nor does it shows the reasons, whatsoever, of the cancellation. As already stated Respondent No.4, and other officials who was in the relevant time concerned with the recruitment process was against the recruitment in terms of the Rules 2003 and was in favour of the recruitment with diluted minimum qualification i.e., only matriculation and interested for persons who were under aged in 2005 and also for elimination of some candidates who would over aged in 2007. Malafide is the foundation of the purported cancellation. The applicant humbly states that cancellation of advertisement/select list/panel in law requires the sanction of the at least one step higher authority than that which sanction/approve the original advertisement. In the instant case, this principles of law was not followed and cancellation has been done arbitrarily. It is also stated that in the instant case it might not be possible to follow the principles of natural justice very elaborately before the cancellation in view of large number of applicants but to avoid scope of arbitrariness and maintain action under procedure established by law, sufficient reasons should have been circulated so that the unemployed boys like the applicant could know the reasons and express their say, if any, under process of law. The action of so called cancellation has not been just and fair. What was reason for

*Md. Abul Hussain Siddiqi*

advertising for 48 posts instead of 64 has been kept under cloud. The said cancellation was immediately followed by advertisement dated 13.12.06, calling for 48 vacancies and this time the qualification only matriculation was notified. It is stated that the minimum qualification prescribed under the Rules, 2003 shall control the field and executive instruction dated 11.11.05, being in derogation of the said Rules and suppression of existing Rules is *void-abinitio* and *non-est*. In that fact of the matter the purported notification dated 13/12/06 is *void-abinitio* and *non-est*. The process of recruitment test, so far as it relates to the persons with qualification of matriculation only, is dehors the Rules, beyond the standard of competence; result of malafide exercise, and beyond safety reasons, and in void-abinitio. The deletion of the qualification of training in an important area of fire fighting *is damage to public safety measures and is beyond public interest*.

4.8 That in this connection it is stated that respondents in the matter of recruitment and advertisement have been working with non application of mind and pursuing malafide intent. The advertisement for 64 posts prescribed age limit of 18 to 25 years as on date of issue of appointment letters with relaxation to reserved candidates as per rules. The last date of receipt of application is 03.12.05. The advertisement for 48 posts prescribed age limit of 25 years as on the date of physical test with relaxation to reserved categories as per the Govt. Orders. The last date of receipt of application was 01.02.07. These demonstrate absence of application of uniformity, and scope of arbitrariness in embracing ineligible persons of under age and also

*Md. Abul Hussain Sahal*

eliminating some eligible persons. The term "on the date of issue of appointment letters" and "date of physical test" are no dates, as per law in the context of candidature for any posts. Such terms give scope of variable dates at the whims of the authorities to eliminate and choose persons fixing/altering dates as per whims. The date as per law shall be a fixed date (non variable) and Hon'ble Apex Court has time and again held that last date of application is the date of determining the age. In other words, the applicant submits that there shall be a fixed, non-variable *cut off date* for the purpose. In the humble submission of the applicant the date on which 64 vacancies occurred and advertised and the last date for submission of the application given, should be the date for determining the age limit and the maximum limit of 25 years as per the Rules, 2003 shall apply on that date for the vacancies which occurred in 2005. The respondents have not acted just and fair, entire exercise is perverse and vitiated by colourable exercise of power.

4.9 That applicant begs to state that the total number of posts to be filled up should be  $64 + 48 = 112$  and not 48 as wrongly advertised following executive instructions ignoring Rules made under proviso to Article 309 of the Constitution of India. Necessary qualification shall be matriculation plus certificate of fire fighting training under the Rules, 2003. The applicant has come to know that present incumbent of respondent No.3 is a law abiding person and understand the force of Rules under Proviso to Article 309. As such, during the pendency of the matter in the High Court before the learned Single Judge [W.P.(C)

*MD:- Abul Hussain Sadiq*

No.2557/07 Nivu Chandra Dey & others vs. Union of India & Others] originally dismissed and order of dismissal set aside by the Division Bench of the High Court in Appeal, Writ Appeal No.51/09), did not appoint any person, nor the result of the test was finalized, and no select list was published. In this connection it is stated that the applicant as an unemployed person hearing whispers that for 64-48=16 (sixteen) posts the present incumbent is making an endeavor to take initiative to fill up the posts following Rules of 2003. The applicant prays that for filling up these posts also, if it is done so, the position as on 2005 as regards age and qualification as per the Rules, 2003 have to follow. It is stated that no persons with qualification of matriculation only is eligible for appointment as Fireman and cannot be so appointed under the Rules which is a law prescribed by Rule under Proviso to Article 309, and cut off date of age limit should be 3/12/05, as in the first advertisement when vacancies occurred.

4.10 That for the applicant begs to submit that the laws under Constitution of India as regards *Rules under proviso to Article 309 vis-à-vis executive instructions* is very succinctly articulated by Dr (Justice) D.D.Basu, the perennial authority on constitutional law in his treatise "Shorter Constitution of India", 11<sup>th</sup> Edition which lays down that *Rules under proviso to Article 309 shall prevail over executive instructions and that a Rule under Article 309 can be amended only by a Rule or notification made under Article 309.*

*Abul Hussain Sodani*

Copies of the pages 345 and 959 of "Shorter Constitution of India, 11<sup>th</sup> Edition is enclosed as Annexure 11.

4.11 That the applicant begs to state that the Rules, 2003 required minimum qualification of matriculation and training of fire fighting experience. The advertisement for 64 posts mentioned matriculation and fire fighting experience for six months. However, after scrutiny of documents of the candidates respondents found that it was an impossibility to have candidates with six months experience, and when Rule is silent about the period of experience the respondents preferred administratively to decide to call candidates with experience of lesser period of one month. They have issued call letters to the persons with experience of one month fulfilling the requirement of the Rules as regards training. The Respondents have thereby waived the requirement of six months training and confined within the dictate of Rule 2003 requiring training from an institution of repute and modified the qualification requirement within the Rules..

4.12 That as already stated earlier the applicant has come to know that some candidates have filed O.A. Nos.15/09, 81/09 & 141/09 before this Hon'ble Tribunal. The Hon'ble Tribunal has been pleased to pass order dated 09.02.09 in O.A. No.15/09 admitting the O.A. and passing an interim order that appointment of any candidate in the post of Fireman shall abide by the ultimate result of the case and that no fresh appointment should be made by the respondents without leave of this Tribunal. This interim order is in force. The applicant humbly

Md. Abul Hussain Sadiq

states that in view of the law laid down by the Hon'ble Apex Court in the case of *Palluru vs. Union of India reported in 1990 (1) SLJ 136: 1989 (2) SCC 541 and Union of India vs Soma Sundaram, reported in 1989 (1) SCC 175: AIR 1988 SC 2255* declaring that Rules under proviso to Article 309 shall prevail over executive instructions, interim order should continue or may kindly be modified to the extent that appointment shall be confined only to those having qualification of fire fighting training and candidates with matriculations only shall not be appointed during the pendency of the case. It is stated that in O.A. No.81/09 the same interim relief as in O.A. No.15/09 is continuing.

Copy of the order dated 9.2.09 is enclosed as  
Annexure-12.

4.13 Applicants begs to state that some candidates have already started saying that they have been selected and short listed. On enquiry in office the applicant has come to know that no select list has been published. In this connection, it is stated that applicant could understand that the persons who are claiming to have been selected/short listed, most of them are not having training/experience of fire fighting and are only matriculates. The applicant do not know the source from which some candidates could get such assurance of having been selected. In the circumstances of the case, where laws and rules are being ignored/by-passed and things have been done under camouflage, malafide, the Hon'ble Tribunal will kindly appreciate that malice in fact and malice in law are writ large in the facts and circumstances of the case. As already stated, malafide is the

*Md. Abul Hussain Sadiel*

foundation of the totality of the facts explained above, the applicant prays that the Hon'ble Tribunal may kindly be inclined to enforce the laws/rules controlling the field and administrative actions in just and fair manner. Unfounded claims not supported by documents shall not get any credence. Administrative actions should not be colorable exercise as is being sought to be done by some of the officers in the respondent's department. Moreover, the candidates who were made eligible as regards age limit by fixing date of age illegally as explained above are not eligible, and as such fresh selection as in 2005 shall have to be held.

5. GROUND WITH LEGAL PROVISIONS:

5.1 For that the recruitment of Fireman (Defence civilian) Group 'D' the mandate of **Recruitment Rules, 2003** enacted under Proviso to Article 309 of the Constitution of India shall apply.

5.2 For that any executive instructions in the matter of recruitment to the post covered by said Rules 2003 shall not be applicable.

5.3 For that it is settled legal provision by the Hon'ble Supreme Court that *an executive instruction could make a provision only with regard to a matter which was not covered by Rules and such executive instructions could not override any provisions of the Rules* {Palluru vs. Union of India 1990 (1) SLJ 136 : 1989 (2) SCC 541}.

5.4 For that it is settled legal provision that if there is a conflict and Rules made under Proviso to Article 309 of the Constitution of India, Rules made under Proviso to Article 309 shall prevail. {Union of India vs. Soma Sundaram AIR 1988 SC 2225 : 1989 (1) SCC 175}.

*MD. Abeer Hussain Sadiq*

5.5 For that it is settled law that a rule made under Article 309 can be amended only by a rule or notification duly made under Article 309 {Nagarajan vs. State of Mysore (AIR 1966 SC 1942), Sakseena vs. State of M.P. (AIR 1967 SC 1264)}.

5.6 For that the circular dated 11.11.05 being in derogation of the Rules, 2003 and being against public interest seeking to dilute/damage safety measures deserves to be set aside and quashed.

5.7 For that the so called amendment by circular dated 11.11.05 and consequent advertisement of 48 posts being the result of malafide action are liable to be set aside and quashed and the posts deserved to be filled up by the persons with matriculation and training/experience in fire fighting as per the Rules.

5.8 For that the fixation of age limit on various dates instead of last date of application speaks of malafide and the age limit should be taken as on last date of advertisement for 64 posts.

5.9 For that the applicant not having been called and having denied to appear in the test on illegal ground alleging 'more than upper age limit', he has a right to be taken into the list in fresh test or by supplementary test.

6. DETAILS OF THE REMEDIES EXHAUSTED:

There is no remedy under any Rules and Hon'ble Tribunal is the only forum for redressal of the grievances.

7. MATTERS NOT PENDING BEFORE ANY OTHER COURT

The applicant declares that he has not filed any other original application before any Court or Tribunal. Cases similar in nature (O.A.

*Med: Abdul Hussain Sadiq*

Nos. 15/09 and 81/09) by other applicants are pending before this Tribunal.

8. RELIEFS SOUGHT FOR:

In the circumstances of the case the applicant prays that the Hon'ble Tribunal may be pleased to call for the records including the records of taking decisions of the cancellation of the advertisement of 64 posts (Annexure-7) (as advertised in Employment News dated 19.11.05) and prays for the following relief(s):

- 8.1 The posts of Fireman (Group 'D' Civilian) as advertised by Employment Notice dated 19.11.2005 shall be filled up strictly following the requirements of the aforesaid Rules 2003 (Annexure-4), a Rule under Proviso to Article 309 of the Constitution of India;
- 8.2 The instructions under letter dated 11.11.05 (Annexure-5) to read qualification as matriculation only be set aside and quashed. The candidate with qualification of matriculation without any fire fighting experience/certificate shall not be considered for appointment against advertised posts.
- 8.3 The qualification in the advertisement dated 13.12.06 (Annexure-8) showing qualification of matriculation only be set aside and quashed and mandated to be matriculation with fire fighting training/experience from an institute of repute.
- 8.4 The qualification for six months training in advertisement dated 19.11.05 be set aside and quashed and/ or declare as having

*Sd/- Abdul Hussain Sadiq*

been waived by the respondents and substituted as matriculation with fire fighting training/experience.

8.5 The cancellation by advertisement in Dainik Yougasankha dated 04.12.05 (Annexure-7), of the advertisement for the 64 posts be set aside and quashed.

8.6 In the circumstances of the case in which selection process/test has been vitiated by malafide and arbitrariness, fresh test for all the posts be conducted by the respondents themselves under the supervision of higher authorities taking eligibility conditions, qualifications, age as on the last date of receipt of application for 64 posts i.e., the cut off date for 64 vacancies. The letter dated 9/4/09 issued by respondents to applicant declaring him as more than upper age limit be set aside and applicant be allowed to appear in fresh test.

8.7 Any other relief or reliefs, the Hon'ble Tribunal may kindly be grant.

8.8 Costs of the application.

The above reliefs are sought on the grounds stated in paragraph 5 above.

9. INTERIM RELIEFS AS PRAYED FOR:

During the pendency of the case applicant prays for the following interim relief:

9.1 The fresh selection process shall be finalized and published fully complying with the Rules, 2003 (Annexure-4) and laws laid down in Palluru vs Union of India (supra) and no appointment shall be

*MD. Abul Hussain Sohel*

made for those with matriculation only, applicant be called for the test before such finalization.

The above reliefs are sought on the grounds stated in paragraph 5 above.

Union by Art. 298 (carrying on of trade, disposal of property, and making of contracts) is concerned, it will not be governed by the Proviso to Art. 73.<sup>70</sup>

**Power to change executive order or policy.** 1. Where the Constitution does not require an action to be taken only by legislation or there is no existing law to fetter the executive power of the Union (or a State, as the case may be), the Government would be not only free to take such action by an executive order or to lay down a policy for the making of such executive orders as occasion arises, but also to change such orders or the policy itself, as often as the Government so requires,<sup>71</sup> subject to the following conditions:

(a) Such change must be made in the exercise of a *reasonable* discretion, and not arbitrarily.<sup>71</sup>

(b) The making or changing of such order is made known to those concerned.<sup>71</sup>

(c) It complies with Art. 14, so that persons equally circumstanced are not treated unequally.<sup>71</sup>

(d) It would be subject to judicial review.<sup>72</sup>

2. Subject to the same conditions as above, the Government can review an executive or administrative order or relax the conditions of its policy.<sup>72</sup>

✓ **Enforceability of non-statutory administrative rules or orders.** Though Art. 72 empowers the Government to issue rules or instructions, these must give way to provisions of any law or Rules made in exercise of the power conferred by Art. 309<sup>73</sup> [see, further, under Art. 309, *post*].

**Arts. 73 and 298.** 1. These two Articles are to be read together to determine the extent of executive power of the State to carry on a trade or business.<sup>74</sup>

2. Since the executive power of the Union extends to matters with respect to which Parliament has power to make laws, the executive power of the Union Government extends to lotteries organised by the Government of India or of a State, by reason of Entry 40 of List I. But Art. 73 is subject 'to the provisions of the Constitution', including Art. 298. Now, Proviso (b) to Art. 298 says that the executive power of a State may extend to a trade or business with respect to which the State Legislature has no power to make laws, subject to the condition that such executive power of a State shall be 'subjective to *legislation by Parliament*'. Hence, in the absence of legislation by Parliament, a State Government may, by its executive power, control sale in the State of lotteries organised by the Government of India, and for that no permission from the Government of India would be required, because Proviso (b) to Art. 298 does not make this executive power of the State subject to 'the *executive* power of the Union'.<sup>74</sup>

### Council of Ministers

**74. (1) There shall be a Council of Ministers with the Prime Minister at the head to aid and advise the President who shall, in the exercise of his functions, act in accordance with such advice.<sup>75</sup>**

regulate the 'recruitment and conditions of service' of the persons mentioned therein and is not co-extensive with the power of the Legislature under item 70 of List I or 41 of List II. It does not confer any power to validate an order which was invalid when it was made, e.g., to make a rule to declare that persons who were invalidly retired on a particular date shall be deemed to have been, validly retired. Such a rule is *ultra vires* the Proviso to Art. 309 and is, accordingly, invalid,<sup>18</sup> though the Legislature acting under the Proviso, could have exercised such power of validation.

4. In the case of the Union Territories, the rule-making power belongs to the President,<sup>19</sup> until Parliament chooses to legislate.

5. In States reorganised under the States Reorganisation Act, 1956, the power of the Governor to make rules has been controlled by s. 115(7) of that Act, so that no Rule made by the State Government would be valid and effective unless the prior approval of the Central Government has been obtained.<sup>20</sup>

**Nature of the rule-making power.** 1. The power conferred by the Proviso to Art. 309 is the power to make rules which are *general* in their operation, though they may be applied to a particular class of Government servants. It cannot be used to make an *ad hoc* declaration, e.g., that persons who have been illegally retired shall be deemed to have been lawfully retired.<sup>18</sup>

✓ 2. A rule made under Art. 309 can be amended only by a Rule or Notification duly made under Art. 309.<sup>21</sup>

3. So long as a Rule framed under Art. 309 is not duly amended, it is binding on the Government and its action in matter covered by the Rules must be regulated by the Rules.<sup>22</sup>

4. The rule-making function is a *legislative* (not executive<sup>23</sup> or quasi-judicial) function, so that no hearing is necessary for making or changing Rules made under Art. 309.<sup>24</sup> A Rule made in exercise of the power under the Proviso to Art. 309 constitutes 'law' within the meaning of Art. 235.<sup>23</sup>

5. For the same reason, such Rule may be struck down only on such grounds as may invalidate a legislative measure, e.g., violation of Arts. 14, 16 of the Constitution, and not because the Court considers it to be unreasonable.<sup>24a</sup>

6. The rule-making power conferred by Art. 309 of the Constitution cannot be fettered by any contract.<sup>25</sup> Hence, the employee cannot rely on anything in his contract of employment which is inconsistent with the Rules of Service in force,<sup>25</sup> because the Rules made under Art. 309 have the same force as an Act passed by the appropriate Legislature.<sup>26</sup>
