ORDER (ORAL)MUKESH KUMAR GUPTA, MEMBER (J)

Identical question of facts and law is involved in these two cases. Principal relief claimed by the applicants is that the respondents be directed to declare the result of departmental examination for Junior Engineer (Electrical) 2007 with consequential relief. Though no reply has been filed, respondents have produced copy of communication dated 30.10.09 whereby the Ministry of Communication & Information Technology, Department of Posts have declared the result of said examination and both of them have been declared successful. Vide para 4 of said communication it has further been observed that applicants "are to be promoted to the post of Junior Engineer (Electrical) on the basis of result of JE (Civil/Elctrical) Departmental Examination, 2007 held on 21-22nd July 2007 against the vacancies mentioned earlier."

2. Learned counsel for the applicant states that though virtually 1½ months has passed they have yet not been promoted. Certain apprehension has also been raised about para 5 of said communication which observed that in case later on it is found that the selected candidates were not eligible to take the examination under the existing rules or instructions on the subject for any other reason or in case any mistake is found later on with regard to announcement of the result of the candidates for any reason whatsoever, their names will be deleted from the list of successful candidates, as the case may be. Having examined the said contention, I am of the considered opinion

that as the applicants result have been declared, the only consequence which has to follow is that respondents should appoint them to the post in question. This exercise shall be undertaken within a period of two weeks from the date of receipt copy of this order. As far the apprehension expressed in terms of para 5 of the communication dated 30.10.09 is concerned it is too vague and speculative to contend that applicants would be victimized in case there is any mistake in such selection. In any case if they have any grievance, the same can be raised in due course.

The present applicant has been rendering service with sincerity and to the satisfaction of all. Thereafter, he had successfully completed the Confirmation Examination for Postal Accountants in the year 1995 and accordingly the present applicant's recruitment as Postal Assistant was confirmed by the respondent authorities.

On 18.04.2007, Ministry of Communications and Information Technologies, Department of Posts, Government of India, i.e. the present respondent no. 1 issued an advertisement whereby it is informed that the departmental examination for promotion to the post of Junior Engineers (Civil) and Junior Engineer (Electrical) will be held on 21.07.2007 and 22.07.2007. On 31.12.2007, the Ministry of Communications and Information Technologies, Department of Posts, i.e., the present respondent no. 1, issued a letter whereby the list of selected candidates for appointment of Junior Engineers (Civil) and Junior Engineer (Electrical) on the basis of results of the Junior Engineers (Civil) and Junior Engineer (Electrical) Departmental

Examination held on 21.07.2007 and 22.07.2007 were annexed in order of merit lists. However, the name of the present applicant is not shown in that list. It was also stated in the aforesaid letter that the result of two candidates of Junior Engineer (Electrical) Departmental Examination, 2007 is withheld.

The present applicant immediately applied before the Central Public Information Officer for information under the Right to Information Act regarding roll number of the candidates whose result is withheld; reason for withholding the result and expected date of declaration of withheld result.

On 15.04.2008, the Central Public Information Officer considered the request made by the applicant and furnished the information regarding the roll numbers of the candidates whose result is withheld. The present applicant was one of the two candidates whose result was withheld and the reason of such withhold was stated in the said letter dated 15.04.2008 to be "on the basis of report received from CPMG, Assam Circle". The present applicant never heard of any such report and he was completely surprised to learn that his result was withheld based upon a report of which he have no knowledge whatsoever. On enquiry, the present applicant came to know that basis on which his result was withheld, i.e., the report of the Central Post Master General, Assam, is regarding inquiry of complaint received against some candidates of being indulged in unfair practices during the aforesaid Departmental Examination, 2007. But that report was prepared based upon the inquiry made regarding complaint about involvement in unfair practices during examination by some of the candidates who had appeared in the Departmental Examination, 2007 for Junior Engineers (Civil). Thus, the said report is restricted for those candidates who had appeared in the Departmental Examination, 2007 for Junior Engineers (Civil) and the present applicant has appeared in the Departmental Examination, 2007 for

However no action has been taken by the respondent authorities till today.

2. Jurisdiction:

4.6 That on 18.04.2007, Ministry of Communications and Information Technologies, Department of Posts, Government of India, i.e. the present respondent no. 1 issued an advertisement whereby it is informed that the departmental examination for promotion to the post of Junior Engineers (Civil) and Junior Engineer (Electrical) will be held on 21.07.2007 and 22.07.2007.

India, i.e., the present respondent no. 1, issued a letter whereby the list of selected candidates for appointment of Junior Engineers (Civil) and Junior Engineer (Electrical) on the basis of results of the Junior Engineers (Civil) and Junior Engineer (Electrical) Departmental Examination held on 21.07.2007 and 22.07.2007 were annexed in order of merit lists. But, surprisingly, the name of the present applicant is not shown in that list. It was also reveled from the aforesaid letter dated 31.12.07 that the result of two candidates of Junior Engineer (Electrical) Departmental Examination, 2007 is withheld.

A photocopy of the letter dated 31.12.07 is annexed herewith and marked as **Annexure – V.**

- 4.9 That the present applicant could not believe that his name will not find a place in the aforesaid selection list inspite of the fact that there are as much as 15 numbers of vacant post for the post of Junior Engineer (Electrical). The present applicant was confident that he is one of the two candidates whose result was withheld by the respondent authorities.
- 4.10 That the present applicant immediately applied before the Central Public Information Officer and the Superintendent of Post Offices, Dibrugarh Division, Dibrugarh, i.e., the present respondent no. 3, for information under the Right to Information Act regarding the following three queries:
 - i) Roll number of the candidates whose result is withheld?
 - ii) Reason for withholding the result?

iii) Expected date of declaration of withheld result?

The present applicant filed his application on 04.02.2008 along with the requisite fee.

A photocopy of the application dated 04.02.08 is annexed herewith and marked as **Annexure – VI**

4.11 That, on the same day, the Central Public Information Officer and the Superintendent of Post Offices, Dibrugarh Division, Dibrugarh, i.e., the present respondent no. 3, forwarded the application dated 04.02.08 seeking information under the Right to Information Act to the Central Public Information Officer, Assistant Director General (DE), Department of Posts, New Delhi.

A photocopy of the forwarding letter dated 04.02.08 is annexed herewith and marked as **Annexure – VII**.

4.12 That on 15.04.2008, the Central Public Information Officer, Assistant Director General (DE), Department of Posts, New Delhi considered the request made by the applicant and furnished the information regarding the roll numbers of the candidates whose result is withheld. As anticipated by the present applicant he was one of the two candidates whose result was withheld. The reason of such withhold was stated in the said letter dated 15.04.2008 to be “on the basis of report received from CPMG, Assam Circle” and it was also stated in the said letter that it is not possible to give the date of declaration of withheld result. The present applicant never heard of any such report and he was completely surprised to

learn that his result was withheld based upon a report of which he have no knowledge whatsoever.

A photocopy of the letter dated 15.04.2008 is annexed herewith and marked as **Annexure – VIII.**

4.13 That, on enquiry, the present applicant came to know that basis on which his result was withheld, i.e., the report of the Central Post Master General, Assam, is regarding inquiry of complaint received against some candidates of indulging in unfair practices during the aforesaid Departmental Examination, 2007. But that report was prepared based upon the inquiry made regarding complaint about involvement in unfair practices during examination by some of the candidates who had appeared in the Departmental Examination, 2007 for Junior Engineers (Civil). Thus, the said report is restricted for those candidates who had appeared in the Departmental Examination, 2007 for Junior Engineers (Civil) and the present applicant has appeared in the Departmental Examination, 2007 for Junior Engineers (Electrical). As such, the present applicant is nowhere connected with any such report and there is no reason as to why his result was withheld even though there is no allegation or complaint against him about being engaged in any sort of unfair practices during examination.

4.14 That by withholding the result of the petitioner, the petitioner is denied the right of information as well as natural justice. The present petitioner appeared in the Departmental Examination, 2007 for Junior Engineers (Electrical) and there is no allegation of mass copying in Departmental Examination, 2007 for Junior Engineers

(Electrical) but the authority had denied justice to the petitioner. By withholding the results, petitioner is denied equal opportunity with the similarly situated candidates appearing in the examination violating the principles of natural justice. The candidates eligible for appearing in the examination and those who are qualified were promoted to the post of Junior Engineers and the present petitioner has a strong belief that the petitioner is qualified in the departmental examination for promotion to the post of Junior Engineers (Electrical) and for withholding the results, the present petitioner lost the opportunity to hold a promotional post as well as seniority in the promotional post.

- 4.15 That the applicant also challenges the legality and validity of the aforesaid enquiry report as because the enquiry officer has not given any opportunity of hearing nor the applicant was asked any question at the time of making enquiry.
- 4.16 That the aforesaid departmental examination was resorted to with a view to have a blend of experience and merit so that quality of service could be increased and the present applicant was given an opportunity to prove that he is eligible to render such quality of service. After appearing in the said examination, the present applicant sincerely believes that he shall occupy a position in the selection list. However, his result was withheld without any reason. As such, on 02.02.09, the present applicant filed a representation before the Director (VP), Dak Bhawan, New Delhi, i.e., the present respondent no. 2, praying to consider the grievance of the applicant and allow the present applicant to serve as Junior Engineer

(Electrical). However no action has been taken by the respondent authorities till today.

A photocopy of the representation dated 02.02.2009 is annexed herewith and marked as **Annexure – IX**

- 4.17 That any administrative decision must be fair and should not deprive any person his rights, which have been vested in him. The present applicant is entitled to appear in the said departmental examination and accordingly he had appeared and did well in the said examination. But his result is kept withheld based upon a report with which the present applicant has no nexus whatsoever.
- 4.18. That the task of preparing any enquiry report and making decision based upon that report bears onerous responsibility on the person doing so, calling upon him to reach a higher standard of efficiency and thereby ensuring no prejudice is caused to any person who is not at all indulged in such kind of unfair practices. But even though the present applicant is nowhere connected with any unfair practices during any examination and even though there is no complaint against the present applicant, his result was withheld based upon a report which was meant for candidates who had appeared in the Departmental Examination, 2007 for Junior Engineers (Civil) and not for the present applicant who had appeared in the Departmental Examination, 2007 for Junior Engineers (Electrical).
- 4.19 That the fairness of the administrative justice is not observed by the respondents.

4.20 That under the facts and circumstances mentioned above, the applicant most humbly and fervently prays that Your Lordship may be pleased to look into the matter sympathetically and also be pleased to do justice to the applicant by decision and order for his grievances redressed by issuing a direction to the respondents not to withheld the applicant's result of the Departmental Examination for Junior Engineers (Electrical), 2007 and for this act of kindness, this humble applicant shall remain ever grateful and be highly obliged.

4.21 That this petition has been filed bona fide and to secure ends of justice.

5. Grounds for relief:

5.1 For that the decision to withhold the applicant's result has been taken in violation of the principles of natural justice by cryptic, non-speaking and arbitrary order.

5.2 For that the respondents have acted arbitrarily without examining the case of the applicant on its true perspective and without considering the fact that even though there is no complaint against the present applicant about being indulged in any unfair practice during the Departmental Examination for Junior Engineers (Electrical), 2007, yet the results of this applicant is withheld.

5.3 For that the said decision to withhold the results of the applicant was unreasonable and without application of proper mind.

5.4 For that authority has violated the established provision of law, as well as violated fundamental right guaranteed by Article 14 and Article 16 of the Constitution of India.

5.5 For that the action of the respondents stated in the impugned order has invited "miscarriage of justice" and "unfair play" of action.

5.6 For that there is no element of public interest in the decision of the respondent authority.

6. Details of remedy exhausted:

The applicant humbly declares that on 02.02.09, he has submitted representation before the Director (VP), Dak Bhawan, New Delhi, i.e., the present respondent no. 2, but no action has been taken by the respondent authorities till today. Failing to get his grievances redressed, the applicant has come before this Honorable Tribunal for justice, which is efficacious and there remains no other alternatives to get justice.

7. Matters not previously filed or pending with any other Court:

The applicant declares that he has not filed any other application or case regarding the matter before any other Tribunal or Court and no such case is pending in any Tribunal or Court.

8. Relief sought for:

i) To issue directions to the respondents to declare the applicant's result of the Departmental Examination for Junior Engineers (Electrical), 2007, which was withheld without any reason.

Sub: Humble representation for withholding the result
of the Junior Engineer(Electrical) & cancellation
by violation all the norms of administrative
fair play and Principles of natural justice.

Respected Sir,

With reference to the subject cited above
your humble petitioner begs to state that your petitioner
joined the service in the Department of Posts in the
year 1994 as Postal Assistant. Since then your petitioner
has been working hard with sincerity and utmost care
to the satisfaction of the government official as well
as the public. There is no allegations whatsoever
against your petitioner from any strata of the society
as well as his colleague and his seniors.

That your petitioner came across an advertisement
dated 18.4.07 for the departmental examination
2007 for Junior Engineer (Elect) and your petitioner
applied for the same as he fulfilled the criteria and he
appeared in the examination accordingly and did well.
Your petitioner was confident about his result in the
said examination and expected the same with colourful
result but he was not informed about the result even
after declaration of the same. In the month of January,
2008 upon enquiry he could gather the information about

[2.]

the result, which was declared on 31.12.2007. He was surprised by the fact that his name did not appeared among the selected candidates inspite of the 15 Nos. of vacancies for the post of Junior Engineers(Electrical).

In the result sheet itself it was mentioned that the results of 2 candidates of Junior Engineers (Electrical) in the departmental examination of 2007 was withheld. It is pertinent to mention here that no information regarding the declaration of result nor the names and Roll Nos of the 2 candidates were furnished, declared informed to the concerned candidates of JE(Electrical). Your petitioner under RTI filed petition before the concerned officials and upon such enquiry your petitioner was informed that his result is being withheld and the reason assigned that on the basis of the report from the office of CPMG the same was being withheld and the matter is under scrutiny. It is learnt that there are some cases of JE(Civil) wherein some complaint about mass copying were being made and those cases were enquired and the statements were recorded after furnishing the complaint report from the office of the CPMG. But in case of your petitioner no such complaint were being made because of your petitioner has not resorted to any unfair means and no such information, report, scrutiny or enquiry report etc. were being furnished to your petitioner regarding the withholding of the result of your petitioner. By keeping your petitioner in complete dark the candidature of your petitioner was cancelled in

[3]

illegal manner without assigning any reason and by violation all the procedure norms and administrative fair play and the principles of natural justice.

Therefore, the said entire action has become illegal and contrary to the principles of natural justice and administrative fair play and contrary to the rules and is liable to be set aside.

Therefore, your humble petitioner prays before your goodself to set aside and cancell the said order of your petitioner and allow your petitioner to serve as Junior Engineer (Electrical).

Thanking you,

Yours Sincerely
