O R D E R (ORAL)

HON'BLE MUKESH KUMAR GUPTA, MEMBER (I):

O.A. No. 211 of 2008 as well as 92 of 2009, based on identical facts, are being decided by present common order.

2. Vide O.A. No. 211 of 2008; the reliefs claimed are that the Respondents be directed to promote him to the grade and scale of Director General of Police in IPS above Supertime scale of Rs. 24,050-

650-26000 or in alternative to set aside memorandum issued on 23<sup>rd</sup> July, 2007 whereby Respondent No. 4 has been appointed to said grade. Further relief sought is to quash departmental proceeding initiated vide memorandum dated 18<sup>th</sup> July 2007. Vide O.A. No. 92 of 2009 relief claimed is to quash the impugned Departmental Promotion Committee held on 19<sup>th</sup> July 2007.

3. Admitted facts are that the applicant being the second Senior most in IPS Manipur cadre was eligible for consideration to the post of Director General of Police, in IPS above Supertime Scale of Rs. 24,050-650-26000/-. DPC was convened on 19<sup>th</sup> July 2007. Just a day prior to it, he was proceeded for major penalty proceeding vide Memorandum dated 18<sup>th</sup> July 2007 alleging that he made payment of advance money to the tune of Rs. 2,61,45,000/- violating the provisions of CPWA Code and CPWD Manuals. Said memorandum had been issued under Rule 8 of the All India Services (Discipline & Appeal) Rules, 1969. DPC, which was convened on 19<sup>th</sup> July 2007, recommended promotion of Respondent No.4 and consequently he was appointed to said grade vide notification dated 23<sup>rd</sup> July 2007.

4. His grievance is of two folds:

i. Charge Memorandum had been issued just a day prior to DPC, which was held on 19.07.2007, which ex-facie smacks malafide exercise of power, which action has been initiated only to deprive him from getting promotion to the post of DGP. No progress has been made in Departmental Proceeding, which also indicate that the Respondents were not interested to prosecute him. The law is well settled that the proceeding initiated against the delinquent has to be concluded at the earliest. It is well settled law that "prosecution" should not become "persecution". By not concluding the said departmental

proceedings, the respondents have violated well settled law on said aspect i.e. the delinquent has fundamental right of expeditious trial.

ii. Perusal of DPC Minutes dated 19<sup>th</sup> July 2007 would reveal that there is no just & fair consideration. Sealed cover procedure has not been followed, and having not followed said procedure & rather recommending Respondent No.4 for promotion makes it clear that the respondents some how wanted to exclude him from consideration zone. He had a fundamental right of fair consideration, which law has been grossly violated.

5. Applicant was second senior most official, besides Sri A.B. Mathur, IPS (MT:75). Apart from not considering the applicant and on examination of service records of officers and taking into consideration of all other aspects, which have not been disclosed by the said committee, it recommended Sri Y. Joykumar Singh, IPS (MT:76) (Respondent No.4) to the grade and scale of Director General of Police in the IPS above Supertime Scale of Rs. 24,050-650-26,000/-, but no reasons have been assigned. Assigning of reasons is a condition precedent.

6. In above backdrop, Mr. M. Gunedhor Singh, learned counsel for applicant contended that DPC Proceedings dated 19<sup>th</sup> July 2007 suffers from illegality and the same being malafide, which further had not applied the procedure in consonance with Rules, is liable to be set aside. As such, it was emphasized that said DPC as well as its consequential action are liable to be quashed and set aside. Consequently, appointment of Respondent No.4 be declared as illegal, arbitrary & unjust.

7. Filing reply, Respondent Nos. 1-3 have not denied that Memorandum dated 18.07.2007 had been issued under the provisions of All India Services (Discipline & Appeal) Rules, 1969 just a day prior to holding DPC on 19.07.2007. It was emphasized that as per the Government of India, Ministry of Home Affairs letter No. 45020/11/97-IPS-II dated 15.01.1999, IPS Officers who have completed 30 years of service are eligible for promotion to DGP. Therefore, 5 officials who had satisfied the said requirement were considered by DPC held on 19.07.2007.

8. Since the applicant alleged to have made certain irregular payment of advanced money to the tune of Rs. 2,61,45,000/- during the period from June, 2004 to January, 2005, while functioning as Managing Director, Manipur Police Housing Corporation Ltd., it was alleged that there were prima facie misconduct committed by him, and consequently the charge Memorandum dated 18.07.2007 under Rule 8 of All India Services (Discipline & Appeal) Rules, 1969 had been issued. At that point of time, he was on deputation as Chief Security Commissioner, Railway Protection Force, North-East Frontier Railway, Maligaon, Guwahati.

9. Since the Departmental Promotion Committee was held on 19.07.2007, he was also considered for promotion to DGP but his case could not be considered due to pendency of departmental enquiry. Vide reply para 11, it was stated that the Inquiring Authority was appointed vide order dated 17.10.2007. On the demise of Shri Saichhuana, IAS on 11.11.2007, another Official, i.e. Shri V. Ramnath, IAS, Director General, State Academy of Training, Manipur was appointed as next Inquiring Authority vide order dated 30.11.2007.

But he expressed his inability to conduct the Enquiry on the plea that he was retiring shortly. Thereafter vide order dated 15<sup>th</sup> September 2008. Shri D.S Poonia, IAS, Principal Secretary (Home), Government of Manipur was appointed Inquiring Authority to inquire into the matter. Vide order dated 29<sup>th</sup> June 2009, Shri D.S Poonia, IAS, was appointed as Chief Secretary and thus there was necessity to appoint fresh Inquiring Officer, which exercise had been undertaken vide order dated 27<sup>th</sup> January, 2010 by appointing Shri A.N. Jha, IAS as Inquiring Authority. Vide order dated 04<sup>th</sup> February 2010, the date of Enquiry has been fixed i.e. 12.02.2010 and the applicant has been called upon to appear before the said Inquiring Authority.

10. In the above circumstances, learned Govt. Counsel contended that there was no delay in conducting the Enquiry initiated against him on 18<sup>th</sup> July 2007. Filing reply, the Respondent No.4 stated that there was no illegality committed by DPC in recommending him to the said post. Furthermore, the applicant had indeed been considered but because of initiation of Departmental Proceeding against him, he was not found suitable to said post, rather recommendation was made in favour of Respondent No. 4 which led to passing of promotion order on 23<sup>rd</sup> July 2007.

11. Sri U.K. Nair, learned Counsel for Respondent No.4 contended that at the best it could be construed as irregularity, which can be cured by convening DPC to consider applicant's case in isolation.

12. We have heard both sides at great length, perused the pleadings and other materials placed on record including the orders passed on 27<sup>th</sup> January, 2010 and 04<sup>th</sup> February, 2010 appointing fresh

Inquiring Authority, as well as fixing the date of proceeding, requiring the applicant to appear before him in connection of Memorandum dated 18<sup>th</sup> July, 2007.

13. We have bestowed our careful consideration to all aspect of the case. At the outset, we may note that Mr. Satyen Sarma, learned counsel for official Respondents No. 1-3 stated that the State Government has undertaken to complete said Departmental Proceeding within a period of two months, which has not been agreed by Mr. M. Gunedhor Singh, learned counsel for applicant stating that in the given circumstance one month is sufficient to conclude said proceeding, which in turn was not agreed by the learned Counsel for State of Manipur.

14. Without going in to the merits and demerits of the case, we may note that allegation against the applicant is that he made certain "irregular" payment of substantial amount, & not the "illegal" payment. We are of the opinion that there is some justification in the contention raised by the applicant that from the details noted herein above, the Respondents have not taken reasonable steps to conclude the Departmental Proceedings initiated against him, rather the same remains inclusive. It had been initiated with a view to exclude him and deny him the promotion to the said post for some ulterior motive. Furthermore, it was emphasized that allegation leveled is "irregular payment" and not "illegal payment". Without recording any finding on this aspect, we are of the view that this Tribunal would not like to act as an Appellate Authority and also would not like to usurp the power & jurisdiction of the Inquiring Authority, rather we would require the State Government to conclude the said proceedings within sixty days.

from 12.02.2010 by passing final order on said Departmental Proceedings. It is expected that the applicant would fully cooperate with the Inquiring Authority. & further would not raise any unnecessary & unwarranted hurdle for concluding the said Inquiry. If the Respondents are not able to finalize the said Departmental Proceedings initiated against him in the time limit prescribed, in the eventuality the said Proceedings would stand abate. As far as validity of DPC dated 19<sup>th</sup> July 2006 is concerned, we also find justification in the contention raised by applicant that apart from making observations that he was considered by it for promotion and his name found mentioned vide Paragraph 6-7, there was nothing worth consideration. Perusal of meeting minutes dated 19<sup>th</sup> July 2007 would reveal that there has been no just & fair consideration. Rather said consideration was mere eye-wash. It did not follow the sealed cover procedure, as per law laid by Ho'ble Supreme Court in Union of India v. K.V. Jankiraman & Ors. (1993) 23 ATC 322. Though said judgment was rendered in respect of non All India Service but the law laid down therein is squarely applicable in the given circumstances too. When a charge memorandum is issued against delinquent; he is placed under suspension or a decision is taken to initiate such action, DPC held/convened must follow the sealed cover procedure. In the present case, it is true that Proceedings were initiated against the applicant only a day prior to holding DPC but no such sealed cover procedure had been adopted. Further, the reasons for not following such procedure were neither highlighted in the reply nor the minutes of DPC made any reference to it.

15. In our considered view, the DPC had committed illegality in not following the sealed cover procedure & thereby such violation

##### 5. GROUND FOR RELIEF WITH LEGAL PROVISIONS:-

The applicant has no other alternative efficacious remedy available therefore, approaches before the Hon'ble Tribunal on the following grounds inter-alia.

- i) Because the DPC dated 19/07/07 was short/lacked of quorums as the members of the DPC were not constituted as per the guidelines relied on by the respondents the members did consist of the eligible members as required by law.

*which law?*

ii) Because Sri Y. Joykumar Singh, IPS (MT:76) have not completed 30 years of service on 19/07/07. That Sri Y. Joykumar Singh, IPS (MT:76) respondent No.4 joined in the service of IPS only on 13/12/1977, as such respondent No.4 was not eligible for promotion on the day DPC was held.

iii) Because the law being well settled that any Officer against whom a vigilance or departmental Enquiry has been initiated shall not be promoted pending the result of the Enquiry. However, in such cases sealed cover procedure is to be followed and the same having not followed the DPC dated 19/07/07 is not sustainable in the eyes of law.

iv) Because the proposed disciplinary proceedings against the applicant is full of irregularities, blatantly biased, without proper application of mind and the same having issued on 18/07/08 and the DPC conducted on 19/07/07 smacks malafide intention of the respondent authorities to oust and install the promotion of the applicant to rank and scale of DGP and hence DPC dated 19/07/07 liable to be set aside.

v) Because the impugned action and impugned DPC dated 19/07/07 has grossly infringed the rights of the petitioner provided under Article 14, 16, 19 and 21 of the Constitution of India. As such being contrary to the mandate of the provision of the Constitution the impugned action and DPC dated 19/07/07 are liable to be set aside and quashed by declaring as illegal and unconstitutional.

vi) Because the impugned action of the respondents suffers from the vices of malice and the same being done malafide is liable to be declared as unconstitutional and illegal.

vii) Because , in absence of finding on negligence, dereliction of duties misbehaviour, illegal conduct etc and excess payment except payment of advance and in view of the fact that the same being already recovered from the Contractor the charges

levelled against the applicant is not sustainable in the eye of law and the same is liable to be set aside.

viii) Because the respondent No.4 while working as the Managing Director, Manipur Police Housing Corporation Ltd. as well as other officers who worked as the Managing Directors, Manipur Police Housing Corporation Ltd made advanced payment like that of the applicant. However, only the applicant has been singled out and as such the action of the respondent authorities is liable to be declared unconstitutional, biased, malafide and illegal.

**7. MATTERS NOT PENDING WITH ANY OTHER COURT OR TRIBUNAL**

That the applicant further declares that the matter regarding which this application has been made challenging the DPC dated 19/07/07 is not pending before any Court of Law or any other Bench of the Tribunal.

8. That the applicant craves leave of the Hon'ble Tribunal to produce the relevant rules and other documents at the time of hearing of this case.

**9. RELIEF SOUGHT FOR:**

Under the facts and circumstances as stated above, it is most respectfully prayed that the your Lordships may be pleased to admit this application, call for the records of the case and upon hearing of the parties on cause or causes that may be shown and on perusal of the records be pleased to grant the following relief's to the applicant:-

i) direct to the respondents to set aside the impugned DPC 19/07/07 as without authority of law.

iii) To pass such further order or orders as Your Lordships may deem fit and proper.

**10. INTERIM RELIEF PRAYED FOR**

During the pendency of the application Your Lordships may be pleased to stay the impugned DPC proceeding dated 19/07/07 and further stay the promotion of the respondent No. 4 to the grade and scale of Director General of Police in the IPS, Above Supertime Scale of Rs.24,050-650-26000/- with immediate effect as without the sanction and the authority of law.

2. That I received the above referred Memorandum dated 18.07.2007 on 24.07.2007 while I was on deputation with the Railways and stationed at Guwahati and accordingly, I hereby acknowledge receipt of the same.

2.1. That I was required to submit my written statement of defence within 10 (ten) days of the date of receipt of the above referred Memorandum dated 18.07.2007. Services (Conduct) Rules, 1968. It is respectfully submitted that I committed no mischief and misconduct warranting initiation of departmental enquiry/disciplinary proceedings against me. Therefore, I want to be heard in person if the proposed enquiry is to be held at all. ✓

5. That from the perusal of the Annexures-I and II to the Memorandum dated 18.07.2007 now under reference, I have understood that I have been charged with making payment of advances to the tune of Rs. 2,61,45,000/- (Rupees two crores sixty one lakhs and forty five thousand) only during the period from June, 2004 to January, 2005 while functioning as Managing Director, Manipur Police Housing Corporation Ltd., Imphal Manipur violating the provisions of CPWA Code and CPWD Manuals in respect of 65 numbers of bills for which the tendered amount is Rs. 18,71,99,124/-.

6. That it is respectfully submitted that as I have not been supplied with copies of the documents mentioned from serial numbers 1 to 65 in the Annexure-III, I am unable to give a complete and effective written statement in the absence of the documents and as such this may kindly be treated as a tentative written statement.

7. That I exercised prudence, care and diligence in granting above mentioned advances to the contractors in the exigencies of work and public interest taking into consideration, inter alia, the following aspects:

- (i) As per Clause 7(B) of the "Conditions of Contract" laid down in the "Agreement Book for MPHC Ltd., Imphal" the Secured Advances and Advances for works completed but not measured may be released on payment of interest @ Rs.9.50% per annum charging from the date such advances are given till the date of adjustment.
- (ii) The Manipur Police Housing Corporation Ltd., is incorporated/ set up to embark on execution of construction works of Government Departments/ Institutions as "Deposit Work" by

following the provisions of CPWA Code and CPWD Manuals with necessary modifications, wherever necessary, as deemed fit by the Board of Directors of this Corporation. To cite a few instances, because of the variation between the organizational set-up of the PWD and that of this Corporation, the Board of Directors of this Corporation adopted CPWD Code for works and accounts. The Managing Director is empowered to exercise the same powers as the Chief Engineer of CPWD prescribed in the Code and full powers in the matter of passing bills, etc. in respect of the works undertaken/executed by the Corporation. I tried my best to adhere to the relevant guidelines and instructions as far as practicable.

(iii) That as per norms and practice of this Corporation, the sanctioned estimated cost of construction works to be executed by this Corporation as "Deposit Works" are transferred from the State exchequer into the Corporation Fund before commencement of executing such works. In other words, the concerned Government Departments have to deposit the estimated cost of the works in advance into the accounts of this Corporation out of their budgetary provisions. Such deposits constitute a part of the "Corporation Fund". Payments made to the contractors, etc. by the Corporation out of its Accounts funded by the Government Department/ Institution in the above manner are regulated by the Corporation rules and regulations.

(iv) It may be mentioned that the engineers of this Corporation were continuously under threat from insurgent outfit. As a result of the above mentioned threat, the engineers of this Corporation could not inspect work sites freely as and when required and attend to their duties at the Corporation office.

particularly during the period between July 2004 and December, 2004 in respect of the then SE/Addl CE and between June, 2004 and January, 2005 in respect of the 2 (two) Executive Engineers.

(v) It may be pertinent to mention that as per norms and also general instructions of the Government there was need to complete the projects/constructions within the stipulated time to avoid time over-runs resulting in cost-escalation. In this view of the matter, it was my considered view that the above hindrances and stumbling blocks should not be allowed to stand in the way of smooth and speedy progress of the works. Therefore, it would be prudent to release advances to the contractors commensurate with the progress of work with recommendation of the Engineer in-charge or by carrying out spot enquiry by myself where the concerned engineers could not be involved because of the circumstances stated above.

(vi) Further, it may be mentioned that the Corporation could earn a revenue to the tune of Rs. 26,41,817/- as interest accrued on the above advances in addition to other charges realized from the contractors.

(vii) Because of this Corporation's good reputation earned by virtue of execution of works with speed and quality, the Government Departments have chosen the option of entrusting the construction works to this Corporation increasingly. During the absence of the engineers or non-availability of their services beyond their control the functioning of this Corporation cannot be stopped at the cost of its reputation and goodwill. With this end in view sometimes, I inspected work site to see the progress of works and released reasonable amount of advances to the contractors.

(viii) After completion of the construction of works at hand the concerned Engineers inspected the works and recorded the details of the work done in the Measurement Books and payment of final bills have since been made by realizing the advances given to them. Not a single complaint came up to my notice from the engineers with regard to quality and volume of works done for which advances were made during the above period nor for any pecuniary loss to the Corporation due to excess payment of advances.

8. That it is submitted that I had not the slightest intention to disobey or violate the rules and regulations of the Corporation including the applicable provisions of the CPWA Code and CPWD Manuals in the discharge of my duties as Managing Director. I always tried my best to perform my duties with all sincerity, diligence and unflinching endeavours in the interest of the Corporation.

9. That as submitted in Para 6 above, I am not in a position to furnish my statement of defence in a complete and final form in the absence of the documents mentioned in Para 6 above

10. In view of the above circumstances, it is requested that the above mentioned documents may kindly be supplied to me within 2 (two) weeks from the date of receipt of this tentative written statement to enable me to submit a complete and effective statement of my defence, for the ends of justice.

The relevant provision is quoted herein below-

**"IV. Promotion to Super-Time Scale and the Above Supertime Scale Posts:**

(D) Period of Validity of the panel:

(ii) If a vigilance or departmental enquiry has been started against an officer on the panel after a preliminary enquiry establishing charges prima facie, the said officer shall not be promoted, pending the result of inquiry."

A copy of the said guidelines circulated by the Ministry of Housing Affairs is annexed hereto and marked as ANNEXURE-A.

11. That, with regard to statements made in paragraph 4.10 of the Original Application, the humble answering Respondents beg to state that to enquire into the Charges framed against the Applicant vide memorandum of charges dated 18.07.2007 an Inquiring Authority was appointed in 17.10.2007. The Departmental Enquiry was initiated only after serious lapses on the part of the Applicant were brought to the notice of the Government. The departmental enquiry had been instituted after full fledged enquiry had been carried out by the State Vigilance Commission. The manner in which advances were granted, the number and frequency of advances as well as the timing of advances raised serious questions necessitating a thorough enquiry into the matter. The deponent begs to state that the Applicant made advances against works that had already been cancelled and rescinded (in respect of the work of Modernisation of Prisoner's Administration) and also granted advances much in excess of the authorized limit (in respect of the work of Maternal and Child Health Center, Thongju). These are illustrative examples of serious lapses on the part of the Applicant and all such cases against the Applicant are being examined in detail in the on going enquiry. The Enquiry Report from the Inquiring Authority is still being awaited.

12. That, with regard to statements made in paragraph 4.11 of the Original Application, it is denied that the Applicant has been made a victim of the continued biased and discriminatory treatment and prejudice of some of the higher officials/authorities. *Sikhot Langum*

Departmental Enquiry also vide another Original Application O.A.211/08, which is pending before this Hon'ble Tribunal.

13. That, with regard to the statements made in the paragraph 4.12 of the Original Application, the deponent begs to state that while the representation of the Applicant asking for the documents was under process, the Applicant filed the Written Statement on 07.09.07. After processing the representation the applicant was intimated vide Letter dated 17.10.07 to the effect that the State Government has considered the request and decided to allow him to see the documents listed in Annexure-III of the charge mentioned in the memorandum in the course of the Disciplinary Proceedings. The applicant is at liberty to file Additional Written Statement as per law if desired after going through documents.

A copy of the said Letter dated 17.10.07 is annexed hereto and marked as ANNEXURE-B.

14. That, with regard to statements made in Paragraph 4.13 of the Original Application, the humble answering Respondents deny that the Respondent No.4 Sri Y. Joykumar Singh, IPS(MT:76) have not completed 30 years of Service on 19.07.07. It is further denied that Y. Joykumar Singh, IPS(MT:76), Respondent No.4 joined in the service of IPS only on 13.12.1977, as such Respondent No.4 was not eligible for promotion on the day DPC was held. It is stated herein that Respondent No.4 joined IPS on 14.11.1976. It is further stated that the number of years in the service of an IPS officer is calculated from the year of allotment assigned to him. The year of allotment of Respondent No.4 is 1976 and as such he had already completed more than 30 years of service on the day DPC was held i.e 19.07.07. It is pertinent to mention herein that the DPC was held on 19.07.07 and the Promotion order of Respondent No.4 was issued on 23.07.2007 that is after 5 days of issuance of the Charge Memo dated 18.07.07.

The answering respondents begs to state that as per guidelines dated 15.01.1999 Circulated by the Ministry of Home Affairs, Govt. of India, the screening committee should have two officers of the rank of Chief Secretary (the Chief Secretary and also a non IPS officer of the rank of Chief Secretary and

working in the State Government). In the screening committee meeting held on 19.07.2007, the Chief Secretary, Government of Manipur and the Principal Secretary (Planning), Government of Manipur had participated. Shri D.V.Singh, Principal Secretary(Planning), Government of Manipur is an officer of 1976 batch of the IAS and was already eligible to hold the post chief Secretary of the State Government. As per cadre strength of IAS in respect of Manipur, there is only one post of Chief Secretary. As such Shri D.V.Singh, though not working as Chief Secretary, was certainly in the rank of Chief Secretary having completed 30 years of service.

It is pertinent to mention herein that when the petitioner was promoted to the rank of ADGP, the screening committee had the Chief Secretary and a Principal Secretary as members. As per the guidelines then in force the requirement was to have the Chief Secretary and a non- IPS officer in the rank of Chief Secretary as members. At that time also the then Principal Secretary, though not posted as Chief Secretary was considered in the rank of Chief Secretary by virtue of the number of years of service put in.

Photostat copies of IPS Civil List and the Rule 3 of the Indian Police Service(Pay) Rules are annexed herewith and marked as ANNEXURE-C and ANNEXURE-D.

15. of the veracity of the allegations existing against him, by the Manipur Vigilance Commission. In this connection the deponent begs to submit as follows;

(a) *That the Respondent No. 4 submits that in the 2nd Meeting of the Board of Directors, Manipur Police Housing Corporation Ltd. Imphal held on 20/09/1986 at 1000 hrs in the office of the Corporation, the Board of Directors in its resolution on agenda point No.17 – “Adoption of Code of Works and Accounts” decided that the Corporation should adopt CPWD code for works and accounts. As per the decision arrived at three types of advance payments are authorized. These are -*

- (i) Advance payments for work done but not measured.*
- (ii) Secured advance against the security of materials brought to the site.*
- (iii) Mobilisation advance.*

*In the case of advance payment for work done but not measured, the bill in respect of the advance should be checked by the Divisional Office and the advance should not exceed 75% of the net amount of the bill under check. This means that the rough estimate of the value of the work done but not actually measured is to be prepared by the Supervising Engineers i.e. S.O., A.E. and E.E. Similar is the case in respect of secured advances on security of materials. Rough value of the materials stacked at the site has to be prepared by the concerned S.O., A.E. and E.E. Advance permissible in this category of advance is also limited to 75% of the value. Mobilisation advance is permissible for certain specialized and capital intensive works costing not less than Rs.2.00 crores and limited to a maximum of 10% of the estimated cost put to tender or tendered value or Rs. One Crore whichever is less at 10% simple interest. Such advance is also to be given against a Bank Guarantee of a Scheduled Bank for the full amount of advance. The provision under this section under para 31.3(d) stipulates that grant of a second advance before the first one has been recovered should not be permitted. In short, for Advance payment for work done but not measured and that against the security of materials brought to the site, the following are required: -*

A handwritten signature in black ink, appearing to be 'Raj Kumar'.

- (a) Rough value of the work done but not measured /materials stacked at the site is required to be prepared by the S.O., A.E & E.E. concerned and examined in Divisional Office.
- (b) Advance payment admissible is limited to only 75% of the value worked out.
- (c) No second advance should be permitted before the first one has been recovered.

The applicant in para 10 of his application has stated that the advances given by him while he was working as the Managing Director of MPHC Ltd. from June, 2004 ~~to~~ <sup>to</sup> January, 2005 was not irregular but in accordance with clause 7(B) of the conditions of contract laid down in the Agreement Book of Manipur Police Housing Corporation Ltd. which provides that secured advances and advances for works completed but not measured may be released on payment of interest @ Rs. 9.5% per annum charging from the date such advances are given till the adjustment. In other words, the applicant's contention is that the advances sanctioned and given by him fall under secured advance or advances for works completed but not measured. This provision is consistent with those laid down in CPWD Code and Manual except for the interest rate which is 10% per annum in CPWD Code and Manual. He has also contended that practice of payment of such advances has been in practice since many years back. He has also mentioned that Respondent No. 4 has also given similar advances while working as the Managing Director of MPHC Ltd. He has also contended that the advances have been realized from the contractors thus inflicting no pecuniary loss to the Corporation and further the Corporation could earn revenue to the tune of Rs. 26,41,817/- as interest accrued. The applicant has also contended that he has been singled out for payment of advances while other officers including Respondent No. 4 have also made payment of similar advances but no action taken against them.

(b) That the Respondent No. 4 submits that if what the applicant has stated in his application is true, then it is indeed an unfair treatment meted out to him. As pointed out by the applicant, Respondent No. 4 also made payment of 3 advances for work done but not measured. These cases have been cited by the applicant in the 'Annexure - D' to his application. The three cases are cited at

Sl. No. 111, 112 and 113. Respondent No. 4 submits that payment of advances against work done but not measured and payment limited to 75% of the rough value of the work completed is permissible as provision for the same is provided in the CPWD Code and Manual as well as in clause 7(B) of the Agreement Book of the Corporation which is also based on CPWD Code and Manual. In all these three cases, the procedure laid down was followed by Respondent No.4. In this regard, relevant documents for payment of advance of Rs.1,68,104 to MIS ISS Transport Agency for transportation of Steel materials from TISCO, Guwahati to MPHC listed at Sl. No.112 of 'Annexure-D' of the Original Application is available with the authorities.

(c) That the Respondent No.4 further submits that contrary to the claim of the applicant, most of the advances given by him do not fall under the category of secured advance or advances for work completed but not measured. That is the reason why a departmental enquiry has been instituted against the applicant for irregularities committed by him in sanctioning these advances. This departmental enquiry has been instituted after a full fledged enquiry carried out by the State Vigilance Commission and the same is based on the basis of the recommendation of the Vigilance Commission. Though the matter of payment of advance by the applicant during his tenure as the Managing Director of MPHC Ltd. is a matter of the Departmental Enquiry instituted against him by the State Government, Respondent No. 4 submits to point out some of the gross irregularities committed by the applicant in sanctioning the advances because of which the Government was compelled to institute a departmental enquiry against the applicant. These are enumerated below: -

- (i) Advance of Rs. 30,000/- sanctioned in favour of Shri L. Shamu Singh, Special Contractor for the work - Modernisation of Prisoner's Administration (Station Construction of outer security wall at Central Jail, Imphal @ Rs. 37.50) on 19/01/2005 and figuring at SI.No. 95 in the list of work given by the applicant in 'Annexure - D' to the Original Application. This advance was sanctioned long after the work has been cancelled and rescinded. This work was cancelled and rescinded on 28/08/2001. Thus sanction of this advance of Rs. 30,000/- was against a non existent work. This cannot be accepted as

*Shamu Singh*

secured advance or advances against work completed but not measured.

(ii) In going through the list of works against which advance has been sanctioned by the applicant, it will be seen that the applicant has sanctioned more than one advance in a number of cases. For example, more than one advances were sanctioned for 8 numbers of double storied dormitory blocks A, B, C, D, E, H, I, J constructed by Shri L. Ajaykumar for JNV School at Kakching Khunou. Details of these with the dates of sanction and recovery of the advances are given below: -

It may seen from the above statement that the last advance of Rs. 3.0 lacs in each of the above 8 works was sanctioned before the recovery of the previous advance sanctioned on 17/11/04. The above are some illustrative cases where a second or third advance was sanctioned by the applicant before the recovery of the previous advances. This is <sup>✓</sup>against the provision of the CPWD Code and Manual.

- (iii) For the work of c/o Maternal & Child Health Centre at Thongju, Canchipur (Sh. c/o. Staff Quarter G+1), the applicant sanctioned two advances, one of Rs. 8.0 lacs on 10/12/2004 and another of Rs.15 lacs on 18/01/05 to Shri L. Shamu Singh, Special Contractor. These are listed at Sl. no. 70 and 91 in Annexure - 'D' to the application. It is revealed that the calculation carried out by the concerned staff of the Corporation was not for work done. Instead, the calculation was done for the amount the contractor is likely to get after completion of the work in full after deduction of material cost, security deposit, sales tax and Income Tax. This amount comes to Rs.14,83,177/-. 60% of this comes to Rs. 8,89,905/-. The staff in his note had requested the Managing Director to decide the quantum of advance payable to the contractor if considered necessary. Against this noting, the applicant sanctioned Rs.8 lacs as advance. The contractor in his application has stated that he was facing financial problem to implement the work and requested for advance of Rs. 8 lacs against the work. Thereafter, the contractor made another application to the Managing Director for another advance of Rs.15 lacs against the same work stating that if financially sound, the work could be completed before the rainy season. On the basis of this application and without calling any comments from the engineering staff concerned, the applicant in his capacity as Managing Director of the Corporation sanctioned a second advance of Rs. 15 lacs on 18/01/05. These two advances were recovered from the contractor in 17 installments during a period spanning from 23/09/05 to 31/07/07. It may be seen that against a work in which the contractor was to get an amount of

*[Handwritten signature]*

Rs.14,83,177/- (This is so because materials were provided by the Corporation), the applicant sanctioned two advances amounting to Rs. 23 lacs. At the same time, when the second advance of Rs. 15 lacs was given, not a single rupee has been recovered in respect of the first advance of Rs. 8 lacs. These advances by no means can be termed to be falling under the category of secured advance or advance against work completed but not measured.

- (iv) Yet another case is the two advances, each of Rs. 10 lacs sanctioned by the applicant to Shri M. Boudhajit Singh, Special Contractor for the work – Development of Kangla Fort ( Sh. c/o Ibudhou Pakhangba Temple ). These are listed at Sl. no. 78 and 94 in Annexure –‘D’ to the application. The first advance was sanctioned on 07/01/2005. This advance was sanctioned on the basis of an application submitted by this contractor stating that excavation work has been completed and casting of the components of the structure is ready for casting and that he can complete the work if an amount of Rs. 15 lacs is sanctioned as advance. Against this letter, the applicant sanctioned an advance of Rs. 10 lacs without calling for any comments from the engineering staffs concerned. The contractor M. Boudhajit made another application for advance to the Managing Director who received the same on 17/01/05. The contractor has stated in this application that the work will be completed within short period if he is financially sound. It was peak working season and hence he would like to get an advance of Rs. 10 lacs. Against this application, Shri C. Peter Ngahanyui, the applicant sanctioned another Rs. 10 lacs as advance and the same was released on 19/01/05. Thus within a short period of 13 days i.e. from 07/01/05 to 19/01/05, the applicant sanctioned two advances each of Rs. 10 lacs to the contractor, Shri M. Boudhajit Singh for the work of construction of Ibudhou Pakhangba Temple without calling for any comments from the engineer concerned supervising this work. Further if one is to go by the reason cited by the contractor for applying for the advance, then these advances have been sanctioned to help

*Abey*  
*Suman*

the financial condition of the contractor. These advances were recovered in 8 installments during the period from 27/10/05 to 07/08/07. It may also be mentioned that the net amount the contractor was entitled to get after completion of the work on the basis of the work order issued at that time was less than Rs. 20 lacs. Thus in this case too, the applicant gave advance amounting to an amount which exceeded the amount which the contractor would have got after full completion of the work.

- (v) Yet another case is the advances sanctioned by the applicant to Shri L. Ajaykumar Singh Special Contractor in respect of the work of construction of School building, Government Ideal Blind School, Takyelpat. The applicant sanctioned two advances one of Rs. 2 lacs on 16/11/2004 and another of Rs. 10 lacs on 19/01/05. These are listed at Sl. no. 58 and 109 in Annexure – 'D' to the application. It will be revealed that at the time of sanction of the first advance, the work completed but not measured was valued at Rs. 2.48 lacs. 75% of the same amounts to Rs. 1.86 lacs only. But the applicant sanctioned an advance of Rs. 2 lacs thereby exceeding the permissible amount of advance. Further, the contractor Shri L. Ajaykumar Singh applied for a second advance of Rs. 10 lacs to the Managing Director, MPHC. This was received on 16/01/05. The applicant who was the-then Managing Director, MPHC Ltd. sanctioned an advance of Rs. 10 lacs without calling for any comments from any of the engineering staff. The contractor in his application has cited the reason for his application to be non-availability of some store materials and that he needed the advance of Rs. 10 lacs for purchase of store materials from local market and labour payment. Despite this advance, the contractor drew construction materials from the Corporation. These advances were recovered in three installments during the period from 03/12/05 to 08/03/06. This advance by no means falls under either secured advance or advance for work completed but not measured.

- (vi) Another case is the sanction of advance of Rs. 5.5 lacs on 22/12/04 to the contractor Shri L. Ajaykumar Singh in respect of the work of construction of double storied dormitory block F at

JNV School at Kakching Khunou. This is listed at Sl. no. 75 in Annexure- 'D' to the application. The value of the work completed but not measured was worked out to be Rs. 5,99,560/- and 75% of this amount would be Rs. 4,49,670/-. Despite all these calculations, the applicant in his capacity as the-then Managing Director of MPHC Ltd. sanctioned Rs. 5.5 lacs thereby exceeding the permissible amount of advance by more than Rs. 1 lac. This sanction by no means can be termed as regular or authorized advance.

- (d) That the Respondent No. 4 further submits that the applicant was transferred from the post of Managing Director, MPHC Ltd. to that of ADGP (Trg/HR/HG) vide Government of Manipur's order No. 3/1/2002-IPS/DP dated 06/01/2005 (Annexure – I). As per this order, the applicant Shri C. Peter Ngahanyui was to move first by handing over the charge of Managing Director, MPHC to Shri R. Baral, IPS, Inspector General of Police (L&O – I) who will hold the charge of Managing Director, MPHC till Shri J.C. Dabas, IPS returns from leave. The applicant did not hand over the charge of Managing Director, MPHC immediately and remained there without handing over charge till 19/01/05. He handed over the charge of Managing Director, MPHC only on 19/01/05. During the period from 07/01/05 to 19/01/05 i.e. during the period he remained without handing over the charge of Managing Director, MPHC despite clear cut Government order, he sanctioned 35 advances amounting to Rs. 138.85 lacs. These are listed at Sl. Nos. 76 to 110 in Annexure-D to the application of the applicant. Out of this amount, Rs. 113.1 lacs were given to only 5 persons as per details below : -

- |       |                         |                 |
|-------|-------------------------|-----------------|
| (i)   | Shri L. Shamu Singh     | - Rs. 35.5 lacs |
| (ii)  | Shri L. Ajaykumar Singh | - Rs. 34.0 lacs |
| (iii) | Shri M. Boudhajit Singh | - Rs. 20.0 lacs |
| (iv)  | Shri P. Nilakanta Singh | - Rs. 13.6 lacs |
| (v)   | Md. Nashir Shah         | - Rs. 10.0 lacs |

In all the 35 advances amounting to Rs. 138.85 lacs sanctioned by the applicant during the period from 07/01/05 to 19/01/05 i.e. the period he continued in the post of the Managing Director, MPHC without handing over

*[Handwritten signature]*

charge after his transfer from there has been issued, the applicant never bothered to get any comment or assessment of works completed in respect of any of the works against which these sanctions of advances have been accorded. Many of these were 2nd or 3rd advances for the same work and sanctioned before recovery of any amount in respect of the previous advances that was outstanding. It is the normal work ethic for officers, much more for a senior officer like the applicant who has put in almost thirty year of service as an Indian Police Officer to restrict to only routine official work once he is under order of transfer. However, the applicant sanctioned 35 advances amounting to Rs. 138.85 lacs after his transfer order has been issued. Not only that, these 35 advances sanctioned was in complete violation of the relevant provision of CPWD Code and Manual and clause 7(8) of the conditions of contract as laid down in the Agreement Book of Manipur Police Housing Corporation Ltd. These advances have been sanctioned by the applicant on his own whims and fancy without following any rules or procedure.

(e) That the Respondent No.4 also submits that the matter of irregular advances sanctioned by the applicant is a subject matter of a Departmental Enquiry ordered by the State Government of Manipur after a thorough enquiry by Manipur Vigilance Commission. As such, Respondent No.4 would not like to deal with the same in complete details. The few specific cases cited above have been dealt with in order to bring out that the claim made by the applicant that the advances sanctioned by him were regular and of the nature of secured advances or advances against work completed but not measured is not correct and the comparison made by him as regards the advance payments made by the applicant.

8. That with regard to the statements made in Paragraph 4.11 of the Original Application, under reply, your deponent denies the same and states that the allegations as raised by the applicant in the paragraph under reply are all baseless and perverse. The said allegations have been so leveled only in view of the present proceedings before this Hon'ble Tribunal. The applicant has leveled wild and vague allegations without bringing on record any material particulars to substantiate his claim. He has also not disclosed the names of the so called "higher officials" of the department nor has he arrayed any such

person as a party respondent. As such the allegations as leveled by the applicant in the paragraph under reply requires to be ignored.

9. That with regard to the statements made in Paragraphs 4.12 of the Original Application under reply, your deponents states that he is in no way responsible for the pendency of the proceeding against the applicant and is not involved in any manner in the conduct of the same. As such your deponent refrains from offering any comment as regards the contentions raised in the paragraph under reply.

10. That with regard to the statements made in Paragraphs 4.13 of the Original Application under reply, your deponent denies the same and states that it is difficult to comprehend that an officer of the stature of the applicant is unaware of the procedures followed for effecting promotions to the rank and scale of Director General of Police. The fact that the applicant had come to know about the holding of a Departmental Promotional Committee on 19/07/07, only from the Written Statement filed by the official respondents in Original Application No. 211/08 is not admitted.

The deponent had appeared in the All India Services Examination held in the year 1975 and was selected therein for appointment to the IPS. The deponent joined the IPS on 14/11/76 and in terms of the provisions governing the assignment of seniority to directly recruited IPS officers, the applicant was given the year of allotment as 1976. The civil list of IPS officers published from time to time with regard to the IPS Manipur-Tripura Joint cadre has indicated the date of appointment of the deponent as 14/11/76. The applicant who is also a direct recruit IPS officer in the knowhow as to the manner in which the seniority and other service condition of IPS officers are fixed, has deliberately tried to mislead this Hon'ble Tribunal by contending that the deponent having joined the IPS only on 13/12/77 and was not eligible for promotion on the date the DPC was held. It is stated that the applicant as of 1<sup>st</sup> of January, 2006 completed 30 years of service in terms of the method of computation of the number of years of service for the purpose of consideration for promotion for AIS officer as per the guidelines of D.O.P.T., Government of India and as such was eligible for promotion to the rank and scale of Director General of Police.

(73)

The deponent denies the contention of the applicant that the Departmental Promotional Committee in question was not constituted in terms of the guidelines holding the field it is stated that the said guidelines have not laid down any rigid parameters, but are intended to only ensure uniformity in the matter of appointment and promotion to the various grade in the IPS in all the cadres existing in the country. The composition of the Screening Committee as indicated in the said guidelines may not be possible to be adhered to strictly at all times due to non availability of adequate number of posts equivalent to that of Chief Secretary/ Additional Chief Secretary in the state or non availability of adequate number of IAS officers of eligible seniority. In the State of Manipur there is no IAS officer who have been empanelled as the Additional Secretary to the Government of India for posting as Home Secretary or Additional Chief Secretary. The constituents of Screening Committee in question, other than the Chief Secretary were eligible for being promoted to the grade of Chief Secretary/ Additional Chief Secretary but for absence of adequate number of posts they could not be so promoted. As such, the composition of Screening Committee was not against this spirit of the guidelines issued by the Ministry of Home Affairs vide No. 45020/ 11/ 97-IPS-II dated 15.01.99.

The aforesaid guidelines is to be understood having regard to the prescription made in the matter by the Hon'ble Apex Court in the case of Prakash Singh & Ors .Vs. Union of India & Ors [reported in 2006 (8) SCC 1] and the decision of the UPSC in the matter in terms of the UPSC (Exemption from Consultation) Regulations, 1958.

The contentions raised by the applicant as regards the constitution of the Screening Committee for promotion of eligible IPS officers to the rank and scale of Director General of Police is clearly not sustainable and the proceedings of the said Screening Committee does not call for any interference from this Hon'ble Court on this count.

An extract of the civil list published in the year 2009 is annexed as Annexure- A.

*Deponent*

11. That with regard to the statements made in Paragraphs 4.18 and 4.19 of the Original Application, under reply, your deponents states that the same are matters of record and denies anything that is contrary to and/or inconsistent with the records of the case.

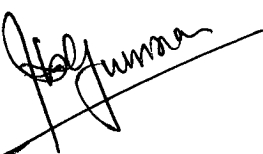

12. That with regard to grounds of relief with legal provisions set forth in paragraphs 5(i) to 5(viii) of the Original Application are not tenable in view of the facts and circumstances narrated above. The Screening Committee as contended herein above was constituted in the manner required and there exists no infirmity as regard the Constitution of the said Screening Committee. The deponent was eligible as on 01/01/06 for being considered for promotion to the rank and scale of Director General of Police. The nature of appointment contemplated in the matter does not make any provision for resorting to seal cover procedure.

The deponent craves leave of this Hon'ble Tribunal  
make appropriate submissions against the grounds urged  
by the applicant at the time of hearing.

13. That with regard to the reliefs claimed for by the applicant in Paragraph 9 of the Original Application under reply, your deponents states that the same cannot be granted to the applicant in the facts and circumstances narrated herein above. The reliefs claimed for by the applicant are also time barred.

14. That with regard to the interim reliefs claimed for by the applicant in Paragraph 10 of the Original Application under reply, your deponents states that the same are not tenable and the applicant has failed to make out a prima facie case requiring any interference in the matter by this Hon'ble Tribunal.

15. That in view of the above, none of the grounds as urged by the applicant are tenable and the applicant is not entitled to any relief as has been claimed by him and as such the said application is liable to be dismissed.

6. That the answering applicant does not offer any comment to the statements made in paragraph 6 of the written statement.

7. That the statements made in paragraph 7 of the written statement filed by the respondents are categorically denied by the answering applicant. It is categorically denied that in the Departmental Promotion Committee (DPC) held on 19/07/07 the name of the applicant was considered for promotion.

It is further stated that the proposed Departmental Enquiry against the applicant was in connection with payment of advance money. It is denied that the applicant made any irregular and illegal advance to the tune of Rs.2, 61, 45,000/- during the period from June 2004 to January, 2005 while he

was working as the Managing Director, Manipur Police Housing Corporation Ltd. It is further stated that even the respondent No.4 while working as the Managing Director, Manipur Police Housing Corporation Ltd. as well as other officers who worked as the Managing Directors, Manipur Police Housing Corporation Ltd made advanced payment like that of the applicant. However, only the applicant has been singled out. It is further stated that advanced made by the applicant while working as the Managing Director, Manipur Police Housing Corporation Ltd is not irregular the same was done as per Clause 7(B) of the conditions of contract as laid down in the Agreement Book of the Manipur Police Housing Corporation Ltd. It is provided in the said agreement that the secured Advances and Advances for works completed but not measured may be released on payment of interest @ Rs.9.5% per annum charging from the date such advances are given till the adjustment. It is stated that such advanced stood realized from the contractors thus inflicting no pecuniary loss to the Corporation and further the Corporation could earn revenue to the tune of Rs.26,41,817/- as interest accrued on the above advances in addition to other charges realized from the contractors.

It is also pertinent to mention herein in the latest guidelines issued by the Government of India, Ministry of Personnel P.G. & Pensions, Department of Personnel and Training on 28/03/2000. MHA, Police Division have been requested to bring changes in the Promotion Guidelines issued in respect of the Indian Police Service.

A copy of the latest guideline is annexed herewith and marked as **ANNEXURE-R/1** to this rejoinder.

8. That applicant does not offer any comment to the statements made in paragraphs 8, 9 and 10 of the written statements filed by the respondents.

(gt)

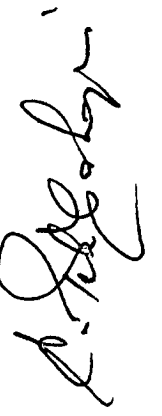

11/8

9. That the deponent categorically and vehemently denies the statement made in paragraph 11 of the written statement filed by the respondent. It is denied that there was a serious lapses on the part of the applicant. It is stated that the applicant while serving as Managing Director MPHC gave advance following the due process permitted under the relevant rules and guidelines. It is also stated that the applicant released advances in the interest of the Corporation so that the works could be completed in the stipulated time. It is pertinent to mention herein that all the advances released by the applicant are recovered with interest thereby bringing pecuniary benefit to the Corporation.

Assuming but not admitting that the advances released by the applicant in an irregular manner then the question of realizing the advances from the contractor would have been impossible. It is stated that the action of the applicant was bonafide and cannot be faulted with. As such the Departmental Proceeding against the applicant being malafide is liable to set and quashed.

That the applicant denies that he had given advances against the works already cancelled. While deying such allegation the applicant begs to state the venue of the proposed project from Imphal ( in respect of Modernisation of Prisoner's Administration) had to be changed to Sajiwa Jail and the Contractor had already mobilized his resources in the earlier site and the applicant after duly considering the works and progress done by the contractor in the earlier proposed site and also for shifting the materials, machineries at the new site released an amount of Rs.30,000/ as mobilization advance.

That in respect of the allegation leveled against the applicant that advances much in excess were granted in respect of the work of Maternal and Child Health Center, Thongju, the applicant begs to state that the estimated cost of

(81)

the work was arrived at Rs. 1,08,25,364/- and the Government had already deposited the money with the Corporation and as such the allegation of granting excess advance is baseless and the same is false and fabricated.

A copy of the estimation and deposit of money is annexed herewith and marked as **ANNEXURE-R/2** to this rejoinder.

10. That as regard to the statement made in paragraphs 12 and 13 of the written statement. The applicant reiterates the statements made in paragraphs 4.11 and 4.12 of the Original Application.

11. That as regard to the statement made in paragraph 14 of the written statement. The applicant begs to state that the applicant has relied and counted the service of the respondent as per the publication of civil list of 2002. The applicant craves leave to produce the list at the time of hearing of the case.

That the applicant begs to state that in the composition of DPC to consider the promotion of such high officials such as DGP the Government cannot resort presumption and assumption method by assuming that an IAS officer being served for 30 years is equivalent to the rank of Chief Secretary.

12. That as regard to the statements made in paragraphs 15, 16 and 17 of the written statement filed by the respondents the applicant reiterates the statements made in paragraphs 4.14 to 4.19. However it is stated the inaction of the authorities in not initiating the disciplinary proceeding is with vested interest and also for the reason that the allegation in all respect of the allegation are baseless and cannot be proved. It is stated the malicious proceeding is only to jeopardize the

(82)

career of the applicant in order to accommodate the respondent no.4.

13. That as regard to the statements made in paragraph 18 of the written statement filed by the respondents the applicant reiterates the statements made in paragraphs 5(i) to 5(viii) of the Original Application.

14. That as regard to the statements made in paragraph 19 of the written statement filed by the respondents the applicant reiterates the statements made in paragraphs 7 and 8 of the Original Application.

15. That as regard to the statements made in paragraphs 20, 21 and 23 of the written statement filed by the respondents the applicant reiterates the statements made in the Original Application.

It is stated that after issuance of the charge Memo the respondent authorities have intentionally delayed the matter in order to deprive the promotional avenue of the applicant. It is stated that the said DPC was in violation of the guidelines dated 15/01/99.

It is denied that the instant case is not tenable in law. While denying the statement made in these paragraphs the applicant begs to state that the purported charge memo issued on 18/07/07 to the applicant for the alleged payment of advance while working as the Managing Director, Manipur Police Housing Corporation Ltd. is malafide and for oblique consideration, because the Respondent No.4 while working as the Managing Director, Manipur Police Housing Corporation Ltd. as well as other officers who worked as the Managing Director, Manipur Police Housing Corporation Ltd made advanced payment like that of applicant however, only the applicant has been singled out and the authorities have

initiated Departmental Proceeding. As such the Disciplinary Proceeding being coupled with bias and malafide is not sustainable in the eye of law. And moreover, the case of the applicant having not considered in the DPC, the DPC dated 19/07/07 is liable to set aside as not tenable in the eye of law as well as without authority of law. And in view of the facts and circumstances the order dated 23/07/07 is also not sustainable in the eye of law.

Subject: Indian Administrative Service – promotion to various grades – guidelines  
regarding.

Sir,

I am directed to say that Central Government has issued detailed guidelines for functioning of Departmental Promotion Committees (DPCs) and for promotion of members of the Indian Administrative Service to the Senior Scale and Supertime Scale from time to time. These instructions, inter alia, lay down guidelines for determining the eligible officers' suitability for different grades in the service, crucial dates of promotion in these grades, composition and working of the DPCs, procedures to be adopted in cases of officers against whom disciplinary/court proceedings are pending or whose conduct is under investigation etc.

2. In view of the multiplicity of these instructions, it has been decided to consolidate the same at one place and also modify them to take care of the changes which have since taken place in the structure of the Service. Accordingly, the relevant instructions for the Indian Administrative Service as contained in Annexures I and II are being issued for guidance of all concerned. The relevant rules/instructions have been indicated as footnotes.

3. It is requested that in the interest of uniformity and objectivity, these instructions may be followed strictly, while granting promotion to the members of the Indian Administrative Service in different grades. Members of the DPCs may also be suitably briefed on these instructions at the time their meetings are held. Should any deviation from any of these guidelines is required to be made in exceptional circumstances, prior approval of the Central Government must be sought.

Yours faithfully

## ANNEXURE II

### GENERAL GUIDELINES FOR PROMOTION ETC. AND FUNCTIONING OF SCREENING COMMITTEES

Central Administrative Tribunal  
केन्द्रीय प्रशासनिक न्यायाधीश

17 AUG 2009

Genl. Secy.

#### 1. FUNCTIONS OF SCREENING COMMITTEES

It should be ensured while making promotions that suitability of candidates for promotion is considered in an objective and impartial manner. For this purpose, Screening Committees ( hereafter referred to as Committees) as mentioned in Annexure I should be formed for different grades whenever an occasion arises for making promotions/confirmations etc. The Committees so constituted shall adjudge the suitability of officers for:-

- (a) Promotions in various grades, including ad-hoc promotions in cases where disciplinary proceedings/criminal prosecutions are prolonged;
- (b) Confirmation; and
- (c) Assessment of the work and conduct of probationers for the purpose of determining the suitability for retention in service or their discharge from service or extending their probation.

The Committee shall also undertake the three-monthly review cases which have been placed in the Sealed Cover, as prescribed in para 19 supra.

#### 2. FREQUENCY AT WHICH COMMITTEES SHOULD MEET

Meetings of the Committees should be convened at regular intervals to draw panels for filling up vacancies arising during the course of a year. For this purpose, it is essential for the concerned State Government to initiate action to fill up the existing as well as anticipated vacancies well in advance of the expiry of the previous panel by collecting relevant documents like ACRs, integrity certificates, seniority list etc. for placing before the Committees. Meetings of the Committees may be convened every year on a predetermined date e.g. 1st of May or June. All the cadres should lay down a time schedule for holding the Committee meetings and the Secretary-in-charge of the Personnel Department of the State Government shall ensure that they are held regularly. Holding of these meetings should not be delayed or postponed on one or the other administrative ground or on the ground that the necessary material for placement before the Committees is not

ready. The requirement of convening regular meetings of the Committees can be dispensed with only after a certificate has been issued by the Secretary-in-charge of the Personnel Deptt. to the effect that there are no vacancies to be filled by promotion or no officers are due for promotion/confirmation during the year in question.

### 3. DETERMINATION OF VACANCIES

It is essential that the number of vacancies in respect of which a panel is to be prepared should be estimated as accurately as possible. For this purpose, the vacancies to be taken into account should be the clear vacancies arising in a grade due to death, retirement, resignation, promotions and deputation. As regards *vacancies arising due to deputation, only those cases of deputation for periods exceeding one year* should be taken into account, taking due note of the number of deputationists likely to return to the cadre. Purely short term vacancies arising as a result of the officers proceeding on leave, training or on deputation for a short-term period or as a result of *overutilisation of the sanctioned State Deputation Reserve not approved by the Central Government, should not be taken into account* for the purpose of preparation of a panel. In cases where there has been delay in holding the Committee meetings for a year or more, vacancies should be indicated year-wise separately, by also including the names of officers in the zone of consideration who would have been eligible and available for consideration had the meeting(s) of the DPC taken place in time but have since retired or expired.

6DP&T's OM No. 22011/4/98-Estt.(D), dt. 12.10.98.

Gujarat  
प्रशासनिक न्यायपालिका

#### 4. PAPERS TO BE PUT UP FOR CONSIDERATION BY COMMITTEES

4.1 The proposals should be completed and submitted to the Committee well in time. No proposal for holding a Committee meeting should be sent until and unless at least 90% of the up-to-date and complete ACRs are available. Every effort should be made to keep the ACR dossiers up-to-date lest this aspect is advanced as the reason for not holding the Committee meetings in time. The officer referred in para 2 above would be responsible for monitoring and the completion of the ACR dossiers as per the extant instruction in this regard. In respect of cases relating to confirmation and assessment of the work and conduct of probationers, he would ensure the timely submission of the Assessment Reports etc.

4.2 The folder of ACRs/Assessment Reports should be checked to verify whether the ACRs for individual years/relevant periods are available. If the ACR for a particular year/particular period is not available and for valid/justifiable reasons it cannot be made available, a certificate should be recorded to that effect and placed in the folder.

4.3 The integrity certificate on the lines indicated below should be furnished to the Committees constituted to consider cases for promotion or confirmation :-

"The records of service of the following officers who are to be considered for promotion/confirmation in the grade have been carefully scrutinized and it is certified that there is no doubt about their integrity."

If there are names of persons in the list of eligible candidates, whose integrity is suspect or has been held in doubt at one stage or the other, the fact should specifically be recorded by the officer-in-charge of the Personnel Department and brought to the notice of the Committee. The integrity certificate would be withheld only in cases where one or the other contingencies as indicated in para 11.1 supra has arisen. It should be ensured that the information thus furnished is factually correct and complete in all respects. Cases where incorrect information has been furnished should be investigated and suitable action taken against the person responsible for it.

#### 5. CONSIDERATION OF OFFICERS ON DEPUTATION ETC.

The names of officers who are on deputation for a period exceeding one year shall also be included in the list submitted to the Committee for consideration for promotion/confirmation in case they fulfil the prescribed eligibility conditions. In cases where a certain number of years of service in the lower grade is prescribed as a condition for becoming eligible for consideration for promotion to the higher grade and/or for confirmation, the period of service rendered by an officer on deputation should be treated as comparable service in his cadre for the purposes of promotion as well as confirmation. This is subject to the condition that the deputation is with the approval of the competent authority and it is certified that but for deputation, the officer would have continued to be in the relevant grade in his cadre. The same would apply in cases of officers who are on leave/study leave duly sanctioned by the competent authority or training under the various training schemes which are treated as duty for all purposes.

#### 6. PROCEDURE TO BE OBSERVED BY COMMITTEES

Each Committee should decide its own method and procedure for objective assessment of the suitability of the candidates. While merit has to be recognized and rewarded, advancement in an officer's career should not be

regarded as a matter of course. It should be earned by dint of hard work, good conduct and result oriented performance as reflected in the annual confidential report and based on strict and rigorous selection process. The misconception about "Average" performance also requires to be cleared. While "Average" may not be taken as adverse remark in respect of an officer, it cannot also be regarded as complimentary to the officer. Such performance should be regarded as routine and undistinguished. Nothing short of above-average and noteworthy performance should entitle an officer to recognition and suitable rewards in terms of career progression.

## 7. CONFIDENTIAL REPORTS

7.1 The Annual Confidential Reports are the basic inputs on the basis of which assessment is to be made by each Committee. The evaluation of ACRs should be fair, just and non-discriminatory. The Committee should consider ACRs for equal number of years in respect of all officers falling within the zone of consideration for assessing their suitability for promotion. Where one or more ACRs have not been written for any reason, the Committee should consider the available ACRs. If the Reviewing Authority or the Accepting Authority as the case may be, has overruled the Reporting Officer or the Reviewing Authority respectively, the remarks of the Accepting Authority should be taken as the final remarks for the purposes of assessment. While making the assessment, the Committee should not be guided merely by the overall grading that may be recorded in the ACRs but should make its own assessment on the basis of the overall entries made in the ACRs.

7.2 In the case of each officer, an *overall grading* should be given which will be either "Fit" or "Unfit". There will be *no benchmark* for assessing suitability of officers for promotions.

7.3 Before making the overall grading, the Committee should take into account whether the officer has been awarded any major or minor penalty or whether any displeasure of any higher authority has been conveyed to him. Similarly, the Committee would also take note of the commendations received by the officer during his service career. The Committee would also give due regard to the remarks indicated against the column of integrity.

The list of candidates considered by the Committee and the overall grading thus assigned to each candidate would form the basis for preparation of the panel for promotion.

## 8. PREPARATION OF YEAR-WISE PANELS WHERE THE COMMITTEE HAVE NOT MET FOR A NUMBER OF YEARS

8.1 Where for any reasons beyond control, the Committee has not met in a year(s) even though vacancies arose during the year(s), the first Committee that meets thereafter should follow the procedures indicated below :

(a) Determine the actual number of vacancies that arose in each of the previous year(s) immediately preceding and the actual number of vacancies proposed to be filled in the current year separately.

(b) Consider in respect of each of the years only those officers including the officers who have retired/died in the meanwhile, who would be within the zone of consideration with reference to the vacancies of each year starting with the earliest year onwards.

(c) Prepare a panel by placing the panel of the earlier year above the one for the next year and so on.

8.2 Where a Committee has already met in a year and further vacancies arise during the same year, the following procedure should be followed :-

(a) For vacancies due to death, voluntary retirement, new creations etc. belonging to the category which could not be foreseen at the time of placing the facts and the matter before the Committee, another meeting of the Committee should be held for drawing up a panel for the vacancies thus arising. If for any reason, the Committee cannot meet for the second time, the procedure of drawing up of yearwise panel, as indicated above, may be followed when it meets next for preparing panels in respect of vacancies that arise in the subsequent year.

(b) In cases of non-reporting of vacancies due to error or omission, since the wrong whereby such an error artificially restricted the zone of consideration cannot be undone, a Review DPC should be held taking into consideration the total vacancies in the year.

(c) For the purpose of evaluating the merit of the officers while preparing yearwise panels, the scrutiny of the record of the service of the officer should be limited to the records that would have been available had the Committee met at the appropriate time. However, if on the date of such meeting, departmental proceedings against an officer are in progress and the sealed cover procedure is to be followed, such procedure should be observed even if departmental proceedings were not in existence in the year to which the vacancy related. The officer's name should be kept in the sealed cover till the proceedings are finalized.

(d) While promotions will be made in the order of the consolidated panel, such promotions will have only prospective effect if it is in functional grade, involving higher duties and responsibilities, even in cases where the vacancies relate to earlier years. In cases of promotions in non-functional grades, not involving higher duties and responsibilities, promotions may be allowed from the due dates retrospectively.

## 9. CONFIRMATION

In the cases of confirmation, which is now a one-time affair during one's entire service, the Committee should not determine the relative merit of officers but it should assess the officers as "Fit" or "Not Yet Fit" for confirmation in their turn on the basis of their performances as assessed with reference to their records of service. In case the Committee finds a probationer 'Not Yet Fit', it shall record reasons for the same.

## 10. PROBATION

In the case of probation, the Committee should not determine the relative grading of officers but only decide whether they should be declared to have completed the probation satisfactorily within the meaning of the IAS (Probation) Rules, 1954. If the performance of any probationer is not satisfactory, the Committee may advise whether the period of probation should be extended or whether he should be discharged from service, within the meaning of these Rules.

## 11. PROCEDURE TO BE FOLLOWED IN RESPECT OF OFFICERS AGAINST WHOM DISCIPLINARY/COURT PROCEEDINGS ARE PENDING OR WHOSE CONDUCT IS UNDER INVESTIGATION

11.1 At the time of consideration of the cases of officers for promotion, details of such officers in the zone of consideration falling under the following categories should be specifically brought to the notice of the concerned Screening Committees:-

-17-  
10

93

137 17 AUG 2009  
Guwahati Bench  
গুৱাহাটী ন্যায়ালয়

(a) Officers under suspension; (b) Officers in respect of whom a chargesheet has been issued and disciplinary proceedings are pending ; (c) Officers in respect of whom prosecution for criminal charge is pending.

11.2 The Screening Committee shall assess the suitability of the officers coming within the purview of the circumstances mentioned above, alongwith other eligible candidates, without taking into consideration the disciplinary case/criminal prosecution which is pending. The assessment of the Committee including "Unfit for Promotion" and the grading awarded by it will be kept in a sealed cover. The cover will be superscribed "FINDINGS REGARDING THE SUITABILITY FOR PROMOTION TO THE SCALE OF.....IN RESPECT OF SHRI.....NOT TO BE OPENED TILL THE TERMINATION OF THE DISCIPLINARY CASE/CRIMINAL PROSECUTION AGAINST SHRI.....". The proceedings of the Committee need only contain the note " THE FINDINGS ARE CONTAINED IN THE ATTACHED SEALEAD COVER". The same procedure will be adopted by the subsequent Screening Committees till the disciplinary case/criminal prosecution against the officer concerned is concluded.

## 12. ADVERSE REMARKS

12.1 Where adverse remarks in the Confidential Report of the officer concerned have not been communicated to him, this fact should be taken note of by the Committee while assessing the suitability of the officer for promotion/confirmation. In a case where a decision on the representation of an officer against adverse remarks has not been taken or the time allowed for submission of representation is not over, the Committee may defer the consideration of the case until a decision on the representation is arrived at.

12.2 An officer whose increments have been withheld or who has been reduced to a lower stage in the time-scale, cannot be considered on that account to be ineligible for promotion as the specific penalty of withholding promotion has not been imposed on him. The suitability of the officer for promotion should be assessed by the Committee as and when occasions arise. They will take into account the circumstances leading to the imposition of the penalty and decide whether in the light of overall service records of the officer and the fact of the imposition of the penalty, he should be considered for promotion or not. Even where the Committee considers that despite the penalty

the officer is suitable for promotion, the officer may be promoted only after the currency of the penalty.

## 13. VALIDITY OF THE COMMITTEE PROCEEDINGS WHEN ONE MEMBER IS ABSENT

In such cases and provided that the Chairman was not absent, the proceedings of the Committee shall be legally followed and can be acted upon. It should, however, be ensured that the member was duly invited but he absented himself for one reason or the other and there was no deliberate attempt to exclude him from the Committee's deliberations and provided further that the majority of the members constituting the Committee are present in the meeting.

## 14. PROCESSING OF RECOMMENDATIONS OF THE COMMITTEES

- 18 -  
H

(94)

14.1 The recommendations of the Committee are advisory in nature and should be duly placed before the State Government for approval. There may, however, be occasions when the State Government may find it necessary to disagree with the recommendations. In any case, however, the decision to agree or disagree with the recommendations should be taken within a period of 3 months from the date the Committee forwards its recommendations.

14.2 Where the State Government proposes to disagree with the recommendations of the Committee, it may refer the matter again to the Committee for reconsideration of their earlier recommendations. If the Committee reiterates its earlier recommendations giving also the reasons in support thereof, the State Government shall take a decision either to accept or to vary the recommendations of the Committee, by giving reasons to be recorded in writing, and such a decision shall be final.

#### 15. VIGILANCE CLEARANCE WHILE IMPLEMENTING THE COMMITTEE RECOMMENDATIONS

A clearance from vigilance angle should be available before making actual promotion or confirmation of officers approved by the Committee to ensure that no disciplinary proceedings are pending against the officer concerned.

#### 16. ORDER IN WHICH PROMOTIONS TO BE MADE

The officers placed in the approved panels for promotion are to be considered for appointment to higher grades in the order of their inter-se position in the respective panels, except in cases where disciplinary/court proceedings are pending against an officer. The procedure to be adopted in cases of officers against whom disciplinary/court proceedings are pending has been laid down in the succeeding paragraphs.

#### 17. PROMOTION OF OFFICERS ON DEPUTATION

If a panel contains the name of an officer who is away from the cadre and is on deputation in public interest for a period exceeding one year including an officer who has gone on study leave/training, the officer shall be eligible for his regaining the temporarily-lost promotion in the higher grade on his return to the cadre. It has to be borne in mind that seniority of members of India Administrative Service which is initially fixed, is not to undergo any change throughout their career and early or late promotion of an officer vis-à-vis other officer(s) in a particular grade is to have no impact on their seniority. Therefore, such an officer need not be reconsidered by a fresh Committee, if subsequently held, while he continues to be on deputation/study leave/training. This would be irrespective of the fact whether or not he has got the benefit of proforma promotion under the 'Next-Below Rule'.

-19-  
-12

95

## 18. SEALED COVER CASES - ACTION AFTER COMPLETION OF DISCIPLINARY/CRIMINAL PROSECUTION<sup>7</sup>

18.1 If the proceedings of the Committee for promotion contain findings in a sealed cover, on conclusion of the disciplinary case/criminal prosecution, the sealed cover or covers shall be opened. In case the officer is completely exonerated, the due date of his promotion will be determined with reference to the findings of the Screening Committee kept in sealed cover/covers and with reference to the date of promotion of his next junior on the basis of such findings. The officer shall be promoted even if it requires to revert the junior-most officiating person. Such promotion would be with reference to the date of promotion of his junior and in these cases, the officer will be paid arrears of salary and allowances.

18.2 If a penalty is imposed on the officer as a result of the disciplinary proceedings or if he is found guilty in the criminal prosecution against him, the findings of the sealed cover/covers shall not be acted upon. His case for promotion may be considered by the next Screening Committee in the normal course, having regard to the penalty imposed on him. In such cases, the question of arrears may be decided by taking into account all the facts and circumstances of the disciplinary/criminal proceedings. Where arrears of salary or a part thereof are denied, the reasons for doing so shall be recorded.

## 19. THREE MONTHLY REVIEW OF SEALED COVER CASES

It is necessary to ensure that the disciplinary case/criminal prosecution instituted against an officer is not unduly prolonged and all efforts to expeditiously finalise the proceedings are taken so that the need for keeping the cases of officers in sealed cover/covers is limited to the barest minimum. The concerned State Governments shall comprehensively review such cases on the expiry of three months from the date of convening of the first Screening Committee which had

adjudged his suitability and kept its findings in the sealed cover. Such a review should be done subsequently also after every three months. The review shall, inter alia, cover the progress made in the disciplinary proceedings/criminal prosecution and further measures required to be taken to expedite their completion. The material/evidence collected in the investigations would also be scrutinized to determine in cases involving suspensions whether there is a prima-facie case for initiating disciplinary action or sanctioning prosecution against the officer. If as a result of such a review, the State Govt. comes to a conclusion that there is prima facie no case, the sealed cover would be opened and the officer concerned would be given his due promotion with reference to the position assigned to him by the DPC.

Same procedure is to be followed in considering the cases of confirmation.

20. AD HOC PROMOTIONS IN CASES WHERE DISCIPLINARY PROCEEDINGS/CRIMINAL PROSECUTIONS ARE PROLONGED.

As appointment of the members of the Indian Administrative Service to various grades is made on regular basis and the provision of one-time confirmation exists in their cases, the concept of grant of ad hoc promotion is alien to them. Unlike Central Government servants, ad hoc promotions are not to be allowed in their cases even if the disciplinary cases/criminal prosecutions instituted against them are found to have been prolonged. In their cases, only three-monthly review of their disciplinary/criminal cases is to be undertaken and efforts are to be made to expedite their completion.

21. SEALED COVER PROCEDURE APPLICABLE TO OFFICERS IN WHOSE CASES CONTINGENCIES OF PARA 11.1 SUPRA ARISE BEFORE ACTUAL PROMOTION<sup>7</sup>

In the case of an officer recommended for promotion by the Screening Committee where any of the circumstances mentioned in para 11 above arise before actual promotion, sealed cover procedure would be followed. The subsequent Committee shall assess the suitability of such officers along with other eligible candidates and place their assessment in sealed cover. The sealed cover/covers will be opened on conclusion of the disciplinary case/criminal prosecution. In case the officer is completely exonerated, he would be promoted as per the procedure outlines in para 18 above and the question of grant of arrears would also be decided accordingly. If any penalty is imposed upon him as a result of the disciplinary proceedings or if he is found guilty in the criminal prosecution against him, the findings of the sealed cover shall not be acted upon, as outlined in para 18.2 above.

22. VALIDITY OF THE PANEL<sup>2</sup>

A panel for promotion recommended by the Committee and approved by the State Governments shall be valid till all the officers placed in the panel have been promoted. This will, of course,

exclude officers who are away on deputation but they do not opt to rejoin the cadre in the higher post or are on study leave or training.

23. REVIEW COMMITTEE MEETING

23.1 The proceedings of any Committee may be reviewed only if the Committee had not taken all the material facts into consideration or if material facts were not brought to their notice or if there were grave errors in the procedure followed by them. Special review may also be done in cases where adverse remarks in an officer's ACRs are expunged or modified. The Review Committee would consider only those officers who were eligible as on the date of meeting of the Original Committee. They would also restrict their scrutiny of the ACRs for the period relevant to the first Committee meeting. If any adverse remarks relating to the relevant period were toned down or expunged, the modified ACRs should be considered as if the original adverse remarks did not exist at all. Before

doing so, the appointment authority would scrutinize the relevant cases with a view to decide whether or not a review by the Committee is justified, keeping in mind the nature of the adverse remarks toned down or expunged. While considering a deferred case or review of the case of a superseded officer, if the Committee finds the officer fit for promotion/confirmation, it would place him at the appropriate place in the relevant panel after taking into account the toned-down remarks or expunged remarks, as the case may be.

23.2 If the officers placed junior to the above-said officer have been promoted, the latter should be promoted immediately and if there is no vacancy, the junior-most person officiating in the higher grade should be reverted to accommodate him. On promotion, his pay should be fixed at the stage it would have reached had he been promoted from the date the officer immediately below him was so promoted, but no arrears for the past periods would be admissible. In the case of confirmation, if the officer concerned is recommended for confirmation on the basis of a review, he should be confirmed from the due date.

#### 24. AVAILABILITY OF VACANCIES

Whenever promotions are vacancy based, while computing the available vacancies for filling up the same by promoting officers placed in the panel, care should be taken to ensure that the *total ex-cadre posts created in various grades for the purpose do not exceed in sum the permissible quota of State Deputation Reserves* indicated in the respective Cadre Schedules. *Provisions of rule 9(7) of the IAS (Pay) Rules, 1954 would also require to be followed* while making promotions in the highest grade of the Service.

#### 25. SUPERSESSION OF OFFICERS

If an officer has not been included in the panel for promotion to any of grades, the detailed reasons for his supersession may be recorded in writing. Such officers would be eligible for reconsideration after earning two more reports, except in the case of promotion *in the grade of Chief Secretary*, in which case *an officer would be eligible for reconsideration after earning only one more report.*

It is denied that the instant case is not tenable in law. While denying the statement made in these paragraphs the applicant begs to state that the purported charge memo issued on 18/07/07 to the applicant for the alleged payment of advance while working as the Managing Director, Manipur Police Housing Corporation Ltd. is malafide and for oblique consideration, because the Respondent No.4 while working as the Managing Director, Manipur Police Housing Corporation

(107)

Ltd. as well as other officers who worked as the Managing Director, Manipur Police Housing Corporation Ltd made advanced payment like that of applicant however, only the applicant has been singled out and the authorities have initiated Departmental Proceeding. As such the Disciplinary Proceeding being coupled with bias and malafide is not sustainable in the eye of law. And moreover, the case of the applicant having not considered in the DPC, the DPC dated 19/07/07 is liable to set aside as not tenable in the eye of law as well as without authority of law. And in view of the facts and circumstances the DPC dated 19/07/07 is not sustainable in the eye of law and liable to be set aside and quashed.
