O R D E R (ORAL)

By Anand Kumar Bhatt, Administrative Member -

The applicant's case is that he had met with an accident on 28/02/1998, in which his right hand elbow was fractured and therefore he was absent from duty. ~~for 37 days~~. He rejoined his duties on 15.04.1998 and on the same day he applied for commuted/medical leave for a period of 37 days, which later, on the advice of the office, was changed into

for 44 days. Through forwarding letter dated 08.05.1998, the applicant's application dated 15.04.1998 for 44 days' "commuted" leave was forwarded. The application for commuted leave was turned down by the Leave Sanctioning Authority, though there is no formal order in this respect. Next application by the applicant was given much later on 17.05.2000. This application was rejected vide order dated 05.07.2000 by the Administrative Officer, Indian Bureau of Mines, as it was not given within 30 days' time limit prescribed as per the Ministry of Personnel, Public Grievances and Pensions Office Memorandum dated 31st December, 1997.

2. The arguments of both sides were heard.
3. We are not convinced that the date 17.05.2000 on which day the last application of the applicant was sent, should be the relevant date for deciding the case. The deciding date should be the date of the first application i.e. 15.04.1998 which was forwarded by the Controlling Officer on 08.05.1998 to the Leave Sanctioning Authority. Accordingly we direct the Leave Sanctioning Authority to reconsider the case of the applicant for grant of commuted leave and decide the issue, within a period of one month from the date of receipt of a copy of this order. The original application is disposed of accordingly.
