**ORDER (ORAL)**

By this common order, we propose to dispose of these OAs by a common order as common question of facts & law is involved.

2. In these cases, the applicants have prayed that direction may be given to the respondents to revise the pay scales of the applicants along with consequential benefits.

3. Briefly stated, facts of the cases are that the applicants are Telephone Operators/Telephone Supervisors. There was an anomaly in the pay scales of Telephone Operators and Civil Switch Board Operators. Accordingly the matter was considered by the respondents and it was decided that Telephone Operators should be granted the scale equivalent to that of Civil Switch Board Operators. For that purpose, exercise was done at the headquarter level and undertaking was also taken to accept the revised pay scale as per formula and give up the benefit of ACP, which option was exercised by the applicants. The grievance of the applicants is that despite the fact that they have given the undertaking and Headquarter Office had referred the matter to the Government but no decision has been taken by the respondents till date. It is under these circumstances the applicants have prayed that once the respondents have principally decided the grant the revised pay scale to the telephone Operators at par with Civil Switch Board Operators, it is not permissible for the respondents not to take follow up action in the light of the tentative decision so taken and have prayed that direction may be given to the respondents to revise their pay scales.

4. Notice of this application was given to the respondents. The facts, as stated above, have not been disputed by the respondents. In the reply, they have stated that the matter is still under consideration at Govt. level.

5. Learned counsel for the applicant has brought to our attention to the decision of the Chandigarh Bench of the Tribunal in the case of Maston Singh & Others vs. Union of India & Others, OA No. 399/2008 decided on 27.03.2009 whereby direction has been given to

the respondents to consider the claim of the applicant and pass necessary orders in the light of the decisions noticed in the judgment within a period of three months from the date of receipt of a copy of this order. Learned counsel for the applicant submits that he will be satisfied if these OAs are also decided in terms of the direction given by the Chandigarh Bench in the aforesaid cases.

6. In view of what has been stated above and fact that respondents have not taken any decision so far, we are of the view that these OAs can be disposed of in the light of the direction given by the Chandigarh Bench in the case of **Maston Singh & Others vs. Union of India & Others** (supra). Accordingly, the respondents are directed to consider the claim of the applicants and pass necessary order in the light of the judgment rendered by the Chandigarh Bench in the case of **Maston Singh & Others vs. Union of India & Others**, OA No. 399/2008 decided on 27.03.2009 and such decision shall be taken within a period of three months from the date of receipt of a copy of this order.

7. With these observations, the OAs are disposed of accordingly with no order as to costs.
