**ORDER**

**Per : Hon'ble Dr. K.B. Suresh, Judicial Member**

Heard the learned counsel for the parties.

2. The applicant, who was offered appointment by the respondents, sought some time to join the post and requested for extension of joining time on the ground that he is appearing for the Civil Services Mains Exam, 2011 and extension was granted with the condition specifically mentioning that he should ensure that he joins this department in any case on or before 31.01.2012, failing to join would lead to cancellation of offer of appointment. The applicant in spite of joining, again requested for extension of joining time on the ground that his mother is suffering from Tuberculosis. Tuberculosis is not such a disease which needs round-the-clock care. For the treatment of Tuberculosis, antibiotics are available. We have gone through the medical records. We could not find any illustration which is indicative of any serious infection. Annexure A/9 is just a receipt for having done an X-Ray and Annexure A/10 we could not decipher at all.

3. Reasons put forth by the applicant are not tenable or believable. The Original Application is, therefore, devoid of merit and hence dismissed. No costs. In view of this MA is also disposed of.
