### ORDER

DR.K.B.SURESH, MEMBER (J):

This Review Application is raised on a foundation that in re fixing the pay the original respondents have acted within the provision of law. But the question which was canvased was an effect of the Hon'ble Apex Court order wherein the Hon'ble Apex Court following the Rule in Sahib Ram case held that when recovery is to be made from lower level employee the effect which would have on their life is to be taken into account. After 27 years the effect of such recovery would be very heavy on a person like the applicant.

Therefore after having considered all the points we were in respectful agreement with the Hon'ble Apex Court and held that in the circumstances of the case no recovery could be made after 27 years. The subsequent decision of the Court is also in this point. There is no merit in the Review Application. Dismissed. No Costs.
