Notes of The Registry	Order of The Tribunal
	<ol style="list-style-type: none"> <li>1. Heard.</li> <li>2. The present Review Application has been filed by the applicant seeking review of the order dated 30.04.2015 passed in OA No. 060/00344/2014 on the premise of a letter dated 03.04.2013 which was not before this court when the mater was decided.</li> <li>3. Learned counsel for the respondents also informed this court that in a reply to the RA, they have already taken a stand that the applicant is getting more pension then his entitlement.</li> <li>4. We have gone through the pleadings of the parties and material on record. We find that the learned counsel for the applicant has failed to point out any mistake in the order. The plea taken by him does not fall within the limited scope of review under Order XLVII, Rule 1 of the Code of Civil Procedure, 1908 read with the provisions of Section 22(3) 1 (f) of the Administrative Tribunals Act, 1985. We cannot sit as appellate authority over the orders passed earlier by a Co-ordinate Bench. What we can do is only to correct or rectify a mistake, if same is apparent on the face of the record. The Hon'ble Apex Court in the case of <b><u>Inderchand Jain (dead) through LR's Versus Moti Lal (dead)</u></b> through LR's (2009 (14) S.C.C. page 663) has held that "<i>such an application for review would be maintainable not only upon discovery of a new and important piece of evidence or when there exists an error apparent on the face of the record but also if the same is necessitated on account of some</i></li> </ol>

*mistake or for any other sufficient reason". As such  
no review of the order in question is required.*  
5. In view thereof, the present Review Application is  
dismissed.
