Administrative Tribunal, Principal Bench, New Delhi.

2. JURISDICTION OF THE TRIBUNAL :

The applicant declares that the subject matter of this application is within the jurisdiction of this Hon'ble Tribunal.

3. LIMITATION :

The applicant further declares that the application is within the limitation period prescribed under Section 21 of the Administrative Tribunals Act, 1985.

4. FACTS OF THE CASE :

4.1 That the applicant is a citizen of India and therefore, he is entitled to all the rights and protections guaranteed under the Constitution of India.

4.2 That the applicant hails from a very poor family and after passing his 8th standard, he could not pursue studies because of poverty in the family and had to look for a livelihood.

4.3 That the applicant was serving under the respondents as casual/ and/or work charged Seasonal Khalasi/Part time Electrician since the year 1989. By an order dated 6.2.89, the applicant was selected as casual khalasi @ Rs.25/- per day w.e.f. 2.2.89 to 31.3.89.

A copy of the aforesaid order dated 6.2.89 is annexed herewith as ANNEXURE-1.

Srinivas
Sharma

4.4 That thereafter by an order dated 31.10.89, he was against appointed as Casual labour @ Rs.25/- per day at R&M Workshop under Barak Division, Central Water Commission, Guwahati-22 with effect from 2.10.89 to 30.11.89

A copy of the order dated 31.10.89 is annexed herewith as ANNEXURE-2.

4.5 That in the manner stated above, the respondents utilised the services of the applicant periodically and his services were terminated from time to time. The applicant was also engaged as skilled casual labour/ work charged labour, Sesonal Khalasi, Part Time Electrician in between at times on daily wage basis @ Rs.25/- per day and Rs.30/- per day and at times @ Rs.900/- per month. By an order dated 14.5.92, the applicant was appointed as Seasonal Khalasi in the scale of Rs.750-940/- on 'ad-hoc' basis. The respondents termed the appointment of the applicant as work charged khalasi and on some occasions it was termed as work charged labourer and was never treated better than a casual labour. Lastly by an order dated 27.4.95, the applicant was again appointed as work charged seasonal khalasi in the scale of pay of Rs.750-940/- and this appointment letter stipulated that the appointment will not continue beyond 14.10.95. The applicant states that the respondents utilised his services as Electrician ~~etc~~ since the time of his initial appointment and all along been posted at R&M Mechanical Workshop of Barak Division, C.W.C. Khanapara, Guwahati.

A copy of the aforesaid order dated 27.4.95 is annexed herewith as ANNEXURE-3.

Guru Ramdev Sharma

The applicant craves leave of the Hon'ble Tribunal to produce the copies of the other appointment letters to the applicant from time to time at the time of hearing of this application. However, a statement of the period of service the applicant has rendered is annexed as ANNEXURE 4.

4.6 That the applicant states that although the respondents required the services of the applicant and other such similarly situated persons, for reasons best known to the respondents, the services of the applicant and other such persons were not regularised inspite of repeated demands for regularisation. Be it stated here that the name of the applicant was sponsored by Guwahati Employment Exchange and through such sponsorship, he entered into the services under the respondents.

4.7 That the applicant in this manner has served for more than 240 days in different years. The days the applicant ~~work~~ worked in different years are shown below :

<u>Years</u>	<u>Days</u>
1989	333
1990	28
1991	319
1992	342
1993	281
1994	291
1995	278

4.9 That the applicant states that the Government from time to time have issued various circulars stressing the need for regularisation of casual employees

Sri. J. M. Sharma
Sharma

like that of the applicant. For instance, a circular dated 8.4.91 was issued by the Ministry of Personnel, Government of India, wherein guidelines have been laid down and renewed as regards regularisation of services of casual workers in Group 'D' posts. Another office memorandum dated 10.9.93 was issued by the Ministry of Personnel etc. Govt. of India wherein a scheme was formulated for grant of temporary status and regularisation of the casual workers. The applicant states that on the basis of the aforesaid circulars and other guidelines issued by the Government from time to time, the applicant was entitled to be regularised by the respondents; but till date the respondents have not regularised the services of the applicant inspite of repeated pursuasion.

A copy of the memorandum dated 8.4.91 and Memorandum dated 10.9.93 are annexed herewith as ANNEXURES 5 and 6 respectively.

4.10 That the applicant states that the respondents ought to have regularised the services of the applicant and other persons working as work-charged seasonal khasasi who have rendered long years of service to the respondents on casual, work-charged, adhoc or seasonable basis. The service of the applicant having been utilised in exploitative terms for years, the Government being a model employer ought to have bestowed the security of ~~regularity~~ regularity of service to the applicant. However, the respondents have instead preferred to engage the applicant and other such similarly situated persons on exploitative terms rather than regularising their services.

4.11 That the applicant states that although his service was not regularised by the respondents, he was shocked to find that one Shri Sukumar Bala who was not working in the department as work-charged khalasi and who hails from Jalpaiguri was appointed as temporary khalasi by the respondents ignoring the claim of the applicant. The applicant states that such appointment was against the policy laid down by the Government and Shri Sukumar Bala ought not to have been appointed to the detriment of the interest of the applicant and other similarly situated work-charged seasonal khalasi. However, for reasons best known to them, the ~~xxx~~ respondents deprived the application from his legitimate claim and appointed the said person as temporary khalasi on regular basis.

A copy of the order of appointment dated 1.7.92 issued to Shri Sukumar Bala is annexed herewith as ANNEXURE-7.

4.12 That the applicant states that he having served under the respondents for a long period as work charged seasonal Khalasi and the respondents having utilised his service in exploitative terms, it was the legitimate expectation of the applicant to get his service regularised. The applicant being similarly situated to that of the respondents in R.A. 165/94 in O.A. 2246/92, R.A. 171/94 in O.A. 1601/92 and R.A. 172/94 in O.A. 2418/92 before the Principal Bench of the Hon'ble Tribunal, the same Judgment will be squarely applicable to the applicant, he being ~~similarly~~ similarly circumstanced. The

11
Sri Ram Sharma

respondents ought to have given him the benefit without compelling the applicant to approach this Hon'ble ~~xxx~~ Tribunal. The Central Government being the model employer ought to extend the benefit to the applicant instead of making him to come over to the Court. However, since the respondents have turned a deaf ear to the prayer of the applicant, the applicant has been constrained to approach this Hon'ble Tribunal for regularising his services in terms of the Judgment passed in case of similarly circumstanced incumbents.

4.13 That the applicant states that the Central Administrative Tribunal, Principal Bench, New Delhi in O.A. No. 223 of 1992, O.A.No. 884/92, O.A. No. 1601/92, O.A. No. 2246/92 and O.A. No. 2410/92 filed by Khalasis, carpenters, Mistries, Motor Mechanics, Drivers and Electricians under the Executive Engineer, Central Water Commission, R.K. Puram, New Delhi by a common Judgment dated 10.2.94 disposed all the applications with the following directions :

- (i) The respondents shall prepare a scheme for retention and regularisation of the casual labourers employed by them. For regularisation, all those who have completed 240 days of service in two consecutive years should be given priority in accordance with their length of service ;
- (ii) Those who have completed 120 days of service should be given temporary status in accordance with the instructions issued by the department of personnel from time to time. After completion of the required period of service, they should be considered for regularisation.

(iii) Ad-hoc/temporary employees should not be replaced by other ad-hoc/temporary employees and should be retained in preference to their juniors and outsiders.

The Review Application filed by the respondents against the Judgment dated 10.2.94 being R.A. 165/94 in O.A. 2246/92, R.A. 171/94 in O.A. 1601/92 and R.A. 172/94 in O.A. 2418/92 was dismissed by the Central Administrative Tribunal, Principal Bench, New Delhi by a common Judgment dated 9.5.94.

A copy of the order dated 9.5.94 is annexed herewith as ANNEXURE-8.

4.14 The applicant states that the applicant being similarly situated with that of the applicant in O.A. No. 2246/92, 1601/92 and 2418/92, he is also entitled to regularisation and accordingly, made several representations before the respondents for regularisation of his service by extending the same benefit to the applicant. However, the respondents have not regularised the services of the applicant till date.

Contd...P/8(A)

A copy of one such representation dated 16.8.95 and its forwarding letter dated 16.8.95 are annexed herewith as ANNEXURES 9 and 10 respectively.

5. GROUND FOR RELIEF WITH LEGAL PROVISIONS :

5.1 For that the applicant being similarly placed to the applicant in O.A. No. 2246/92, 1601/92 and 2418/92 and the Review Application therein, the same benefit ought to have been extended to the applicant.

5.2 For that the respondents having utilised the services of the applicant in exploitative terms his services ought to have been regularised.

5.3 For that the applicant's services are terminated from time to time by giving artificial breaks all these years depriving the applicant from continuous employment and emoluments, therefore, his services are required to be regularised with effect from his initial date of work-charged employment with all consequential benefits.

5.4 For that there being vacancy under the respondents to accommodate applicant on regular basis, the

respondents are required to be directed to regularise the services of the applicant giving him all benefits retrospectively.

5.5 For that the applicant has been discriminated against any persons who are not serving on and/or casual ~~affixthex~~ basis are appointed from outside the state depriving the claim of the applicant which cannot stand the test of judicial scrutiny.

5.6 For that the respondents have deprived the applicant from his legitimate claim of regularisation in derogation of the circulars and guidelines issued by the Government for such regularisation.

5.7 For that the Union of India being a model employer the respondents ought to have given the benefit of regularisation to the applicant without the applicant asking for it.

5.8 For that the applicant having served under the respondents in exploitative terms for such a long period due to his utter poverty, he has lost his most valuable years in life and has crossed the age for appointment in other Central Govt. job. Hence if the respondents are not directed to appoint the applicant on regular basis, grave prejudice will be perpetrated on the applicant and he will not be able to get any employment elsewhere.

5.9 For that the action of the respondents are illegal, arbitrary and not sustainable in law.

S/o/ Ram Sharma

6. DETAILS OF REMEDIES EXHAUSTED :

The applicant declares that he has taken recourse to all the remedies available to him under the relevant service rules and he has not been granted the benefit of regularisation by the respondents inspite of submission of representation.

7. MATTERS NOT PREVIOUSLY FILED OR PENDING BEFORE ANY OTHER COURT :

The applicant further declares that he has not previously filed any application, writ petition or suit regarding the matter in respect of which this application has been made before any Court or any other authority or any other Bench of the Tribunal, nor any such application, writ petition or suit is pending before any of them.

8. RELIEFS SOUGHT :

On the facts and circumstances, the applicant prays for the following reliefs :

- (i) A direction to the respondents to regularise the services of the applicant giving him the benefit of regularisation from date of his initial appointment on work charged basis with all consequential benefits.
- (ii) A declaration that the applicant earned temporary status from 10.9.93.
- (iii) Any other relief or reliefs to which the applicant is entitled under law and equity.
- (iv) Cost of the application.

9. INTERIM ORDER PRAYED FOR :

The applicant states that his service has been sought to be terminated on 15.10.95 although there is requirement as well as vacancy to accommodate the applicant. As such, in the interim, the respondents may be directed to utilise the services of the applicant on work-charged/casual basis till regularisation of the service, and not to terminate his service.

10.

The application is filed through Advocate.

11. PARTICULARS OF THE I.P.O. :

(i) I.P.O. No. 8 09327395(ii) Date 18.9.95

(iii) Payable at : Guwahati.

Government of India
Ministry of Personnel,
Public Grievances & Pension
[Department of Personnel & Training]

New Delhi the 8th April, 1991

OFFICE MEMORANDUM

Sub:-regularisation of services of casual workers in Group 'D' posts - Relaxation of employment exchange procedure and upper age limit.

The undersigned is directed to refer to this Department's OM No.49014/4/77-Estt.(C) dated 21st March, 1979 wherein the conditions for regularisation of casual workers against Group 'D' posts were prescribed. The policy with regard to engagement and remuneration of casual workers in Central Government offices has been reviewed from time to time and detailed guidelines in the matter were issued vide OM No.49014/2/86-Estt.(C) dated 7th June, 1988.

2. Requests have now been received from various Ministries/ Departments for allowing relaxation in the conditions of upper age limit and sponsorship through employment exchange for regularisation of such casual employees against Group 'D' posts, who were recruited prior to 7.6.88, i.e., date of issue of guidelines. The matter has been considered and keeping in view the fact that the casual employees belong to the economically weaker section of the society and termination of their services will cause undue hardship to them, it has been decided, as a one time measure, in consultation with the Director General Employment & Training, Ministry of Labour, that casual workers recruited before 7.6.88 and who are in service on the date of issue of these instructions, may be considered for regular appointment to Group 'D' posts, in terms of the general instructions, even if they were recruited otherwise than through employment exchange and had crossed the upper age limit prescribed for the post, provided they are otherwise eligible for regular appointment in all other respects.

3. It is once again reiterated that recruitment of casual workers in Central Government offices may be regulated strictly in accordance with the guidelines contained in this Department's OM No.49014/2/86-Estt.(C) dated 7.6.88. Cases of neglect of these instructions should be viewed very seriously and brought to the notice of the appropriate authorities for taking prompt and suitable action against the defaulters.

The guidelines in the matter of recruitment of persons on daily-wage basis in Central Government offices were issued vide this Department's O.M. No. 49014/2/86-Estt.(C) dated 7.6.88. The policy has further been reviewed in the light of the judgment of the CAT, Principal Bench, New Delhi delivered on 16.2.90 in the writ petition filed by Shri Raj Kamal and others Vs. Union of India and it has been decided that while the existing guidelines contained in O.M. dated 7.6.1988 may continue to be followed, the grant of temporary status to the casual employees, who are presently employed and have rendered one year of continuous service in Central Government offices other than Department of Telecom, Posts and Railways may be regulated by the Scheme as appended.

ORDER (BY CIRCULATION)
delivered by Hon'ble Mr. B.N. Dhoundiyal, Member (A)

These review applications have been filed
by the respondents against the common judgement delivered
on 10.02.94 in O.A. Nos. 223, 884, 1601, 2246 & 2418 of
1992. The following directions were given:-

- (i) the respondents shall prepare a scheme
for retention and regularisation of the
Casual Labourers employed by them. This
scheme should take into account the regular
posts, that can be created, taking into
account the fact that even if a particular
scheme is completed, new schemes are launched
every year. An assessment of the regular
posts, that can be created on this basis
should be made. For regularisation, all
those, who have completed 240 days service
in two consecutive years, should be given
priority in accordance with their length
of service;
- (ii) Those, who have complete 120 days of service
should be given temporary status in accord-
ance with the instructions issued by the
department of personnel from time to time.
After completion of the required period of
service, they should be considered for
regularisation;

(iii) Adhoc/temporary employees should not be replaced by other ad hoc/temporary employees and should be retained in preference to their juniors and outsiders;

(iv) Such a scheme shall be submitted by the respondents for scrutiny of this Tribunal within a period of three months from the date of communication of this order by the petitioner to them.

The review applicants claim that though the impugned order is very much legal and has been passed after giving considerable thought, it would result in retention of junior people while rendering the senior people surplus. It is their contention that due to financial constraint and completion of works in hand W/C staff under different categories from both Central Stores Division as well as Planning Division are likely to be rendered surplus after 31.3.1994. It has also been mentioned that the Ministry of Finance has emphasised surrender of 10% of existing post under W/C Estt. also for declaring 10% post on W/C establishment. They have stated that due to financial constraints and lack of schemes, the applicants were not entitled for any regularisation of their services.

There is nothing in these directions which forces the review applicants to regularise casual workers in the absence of any post. They can take into account the latest position regarding the projects which are continuing and reach the conclusion that no more regular post can be created. The second direction only relates to implementation of the decision of the Deptt. of Personnel regarding temporary status being given to casual workers who have worked for 120 days. Certainly, it cannot be accepted that the applicants will not implement their own orders. The direction No.3 is based on a well
